Rep. Teschner did not vote and wished to be recorded in favor.

CACR 25, relating to protecting natural resources. Providing that the people are entitled to the protection of natural resources. INEXPEDIENT TO LEGISLATE

Rep. Natalie S. Flanagan for Constitutional and Statutory Revision: The committee supports the concept of natural resources protection. Part I, Article 12 of the state constitution provides that every member of the community has the right to be protected by the community in the enjoyment of life, liberty, and property. Part I, Article 2 provides that all men have the right to acquire, possess and protect their property. The authority already exists for the state to protect natural resources for the good of the citizens of the state. There is thus no reason to amend the constitution to provide for an authority that already exists. Vote 17-1.

Adopted.

CACR 26, relating to increasing the executive council membership and the number of executive council districts. Providing that the executive council shall be increased from 5 to 10 members, and the number of executive council districts shall be increased from 5 to 10. INEXPEDIENT TO LEGISLATE

Rep. Natalie S. Flanagan for Constitutional and Statutory Revision: The body of five councilors is a highly effective body and has been time tested. Ten members would increase the cost of the Council and we have doubts that it would increase the ability of this body. Vote 11-1.

Adopted.

CACR 31, relating to proposing amendments to the constitution. Providing that the issue shall be warned at public meeting and a poll shall be taken from among the voters regarding revision of the constitution, and the constitutional question shall be inserted verbatim. INEXPEDIENT TO LEGISLATE

Rep. Jane S. Langley for Constitutional and Statutory Revision: The majority of the committee feels there must be a compelling reason to change the New Hampshire Constitution. The committee feels this CACR does not warrant such a change. This suggested CACR does not meet this criteria. Vote 11-1.

Adopted.

CACR 32, relating to interpretation of the constitution. Providing that part I of the constitution rules over part II of the constitution. INEXPEDIENT TO LEGISLATE

Rep. Natalie S. Flanagan for Constitutional and Statutory Revision: The constitution has served for 200 years and up to the present time there has never been a question regarding part I of the rules in conflict with part II. This CACR would provide that articles in part I of the constitution shall rule over articles in part II of the constitution. Testimony did not indicate that there was a need for it. Vote 15-1.

Adopted.

CACR 33, relating to compensation for members of the general court. Providing that members of the general court shall receive the annual sum of 5 cents per citizen of the state per week, divided by the number of legislators, for the term elected, and shall receive the usual mileage rate for actual daily attendance on legislative days. INEXPEDIENT TO LEGISLATE

Rep. Dana S. Hilliard for Constitutional and Statutory Revision: Although the committee believes that the issue of legislative compensation should be addressed, CACR 33 is too confusing to be placed before the electorate. The committee believes CACR 23 should be used to study the issue of legislative compensation and expenses. Vote 15-1.

Rep. Hemon spoke against.

Rep. Hilliard spoke in favor and yielded to questions.

HB 1113, relative to the order of names on state primary election ballots. OUGHT TO PASS

Rep. Jane S. Langley for Constitutional and Statutory Revision: The majority of the committee feels that an alphabetical list of candidates is less confusing and more orderly to the voter than any other list. Vote 11-4.

Rep. Holden yielded to questions.

On a division vote, 202 members having voted in the affirmative and 85 in the negative, the report was adopted.

Ordered to third reading.

HB 1161, relative to political expenditures and the information required on state primary and state general election ballots. OUGHT TO PASS WITH AMENDMENT

Rep. Jack B. Willis for Constitutional and Statutory Revision: This bill, with the amendment, makes general corrections to the primary and general election process. It also changes the period in which nomination papers shall be filed with the Secretary of State and sets the number of names of legal voters required to nominate by nomination papers of a political party. Vote 12-2.

Amendment (4872L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the information required on the state primary and state general election ballots, voter checklists of cities and towns, candidate and party nominations, nomination papers, and absentee ballots.

Amend the bill by replacing all after the enacting clause with the following:

1 Session for Correction of Checklist. Amend RSA 654:27 to read as follows:

654:27 Session for Correction. In cities and towns, the supervisors of the checklist shall be in session for the correction of the checklist at some suitable place in the city or town [on at least 2 occasions prior to any state election, the last of which shall be] on the Saturday 10 days prior to the election and upon which all hearings shall be finally closed[,]; provided[, however,] that if the Saturday falls on a holiday weekend, that session shall be held on Tuesday, 7 days prior to the election, between 7:00 p.m. and 9:00 p.m. [The first session shall be upon the third Tuesday preceding the day of election and shall take place for 2 hours between 7:00 p.m. and 9:00 p.m. and shall be adjourned to such subsequent day or days at the same time as will permit all claims to be heard and decided. Notice of the day, hour and place of each session of the board of supervisors shall be given upon the checklists first posted and shall be published in a newspaper of general circulation in the city or town at least 7 days prior to each such session.] The reconvening of any session which has been adjourned shall not require the publication of notice.

2 Procedure. Amend RSA 654:28 to read as follows:

654:28 Procedure. The supervisors of the checklist shall hear all applications for a correction of the checklist and the evidence submitted thereon and shall correct it according to their best knowledge so that it contains only the names of those persons qualified to vote at said election. The names of all persons not qualified to vote at the time of any session, but who shall clearly be qualified to vote on election day, may be added to the checklist at that session. [Any] ***The*** session which is held on the Saturday 10 days prior to election day shall be held as a minimum requirement between 11:00 a.m. and 12:00 p.m. and at the discretion of the supervisors for additional hours. No additions or corrections shall be made after the ***Saturday*** session [which is held on the Saturday 10 days prior to election day], except as provided in RSA 659:12 or RSA 654:27, provided, however, that if the Saturday falls on a holiday weekend, that session shall be held on Tuesday, 7 days prior to the election, between 7:00 p.m. and 9:00 p.m. The additions and corrections resulting from such [sessions] ***session*** shall be made to the previously posted checklist on or before midnight on the succeeding Friday either by additions or corrections to said checklist or by posting a new corrected checklist. Notice of such additions or corrections to the checklist shall also be given to the town or city clerk.

3 New Sections; Nomination of Party; Filing Names of Candidates. Amend RSA 655 by inserting after section 40 the following new sections:

655:40-a Nomination of Party. A political party may have its name placed on the ballot for the state general election by submitting the requisite number of nomination papers pursuant to RSA 655:42, III. Such papers shall contain the name of the political party and shall be signed by such persons only as are qualified to vote at the state general election. No voter shall sign more than one nomination paper which allows a political party access to the state general election ballot.

655:40-b Filing Names of Candidates. The names of the candidates to be listed on the state general election ballot under the political party nominated by this section shall be submitted to the secretary of state no later than 5:00 p.m. on the Monday immediately following the primary. When the list of candidates is filed, it shall be accompanied by a declaration of candidacy signed by each of the candidates. The declaration of candidacy shall be in the form provided by RSA 655:17 with the understanding that, where the form says primary election, it shall be construed to mean general election.

4 Certification. Amend RSA 655:41 to read as follows:

655:41 Certification. Each nomination paper shall be submitted to the supervisors of the checklist of the town or ward in which the signer is domiciled or is registered, and a majority of the supervisors shall certify whether or not the signer is a legal voter in said town or ward. The supervisors of the checklist shall certify nomination papers under this section in a timely fashion, so that their certification shall be complete for each candidate, together with any objections to the nomination papers submitted, no later than 5:00 p.m. on the Wednesday [4] ***2*** weeks before the primary. Each nomination paper shall be submitted to the supervisors of the checklist no later than 5:00 p.m. on the Wednesday 5 weeks before the primary.

5 New Paragraph; Number. Amend RSA 655:42 by inserting after paragraph II the following new paragraph:

III. It shall require the names of legal voters equaling 3 percent of the to total votes cast at the previous state general election to nominate by nomination papers a political party.

6 Filing Deadline. Amend RSA 655:43, I to read as follows:

I. Nomination papers shall be filed with the secretary of state no later than 5:00 p.m. on the Wednesday [3 weeks] ***one week*** before the primary. No nomination papers shall be accepted by the secretary of state unless the candidate shall have met the age and domicile qualifications for the office he seeks at the time of the general election and meets all the other qualifications at the time of filing; and, if a candidate for the office of governor, ***executive*** councilor, state senator, or state representative, unless he shall file with the nomination papers an affidavit of qualifications as provided in RSA 655:28 and 655:29; and if a candidate for United States senator or United States representative, unless he shall meet the qualifications for office under RSA 655:3 and 655:4.

7 Nomination. Amend RSA 655:81, XI to read as follows:

XI. The deadline for any candidate to request a recount ***shall be*** pursuant to RSA 660:7 shall be [2] *3* days from the day of the primary.

8 Name and Domicile. Amend RSA 656:4 to read as follows:

656:4 Name and Domicile. Every state general election ballot shall contain the name of each candidate who has been nominated in accordance with the election laws, except as hereinafter provided, and shall contain no other name except party appellations. The names and addresses of the presidential electors shall not be printed on the ballot, but, in lieu thereof, the names of a party's candidates for president and vice-president shall be printed thereon under the designation for "President and Vice-President of the United States". [If a nomination has been made by nomination papers, the words "Nom. Papers" shall be added to the name of the political party.]

9 Sending Absentee Ballots. Amend RSA 657:15 to read as follows:

657:15 Sending Absentee Ballots. When the verification required by RSA 657:12 or 657:13 has been made, the clerk shall retain the application and, without delay, personally deliver or mail to the applicant the appropriate ballot and materials as described in RSA 657:7 through 657:9 or designate an assistant to deliver such materials to the applicant. The clerk may not designate as an assistant any person who is a candidate for nomination or office or who is working for such a candidate. Any ballots sent pursuant to the provisions of this section shall be mailed or delivered only by officials from the city or town clerk's office and delivered only to the applicant. If the address to which the absent voter's ballot is sent is outside the United States or Canada, such papers shall be sent by air mail. Said clerks shall keep lists of the names and addresses, arranged by voting places, of all applicants to whom official absent voting ballots have been sent, and shall identify those official absent voting ballots which have been returned to the clerk. Copies of said lists [shall be open to inspection and] ***with names only*** shall be posted at the polling places on the day of election as provided in RSA 658:27.

10 Candidate of One Party. Amend RSA 659:91-a, I to read as follows:

I. Any person who is a candidate on any party's state primary election ballot shall not run as the nominee of a different party in the state general election unless he is successful in securing the nomination of his own party in the primary. [Any person who runs as a candidate on any party's state primary election ballot and who is not chosen as the candidate for that party for the elective office for which he was a candidate shall not under any circumstances run as the nominee of a different party in the state general election.]

11 Voters and Checklists. Amend RSA 669:5 to read as follows:

669:5 Voters and Checklists. An updated checklist shall be used at all town meetings and elections for the same purposes a checklist is used at a state election and to insure that only qualified voters participate in town meeting discussions and votes, by voice or otherwise. The supervisors shall prepare, post and revise the checklist for a town meeting or election in the same manner as for a state election as provided in RSA 654:25-654:31[, except that the session for correction of the checklist 3 weeks prior to the day of the election as provided in RSA 654:27 shall not be required to be held before a town meeting or election]. The supervisors shall also hold one session for correction of the checklist on the day immediately prior to the first day of the filing period for candidates for town office, as provided in RSA 669:19 or 669:42, as applicable, from 7 p.m. to 9 p.m.

12 Repeal. RSA 659:68, relative to counting votes when a candidate is nominated by more than one party, is repealed.

13 Effective Date.

I. Sections 1, 2, and 7-13 of this act shall take effect 60 days after its passage.

II. Sections 3-6 of this act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill modifies the requirements for sessions for corrections of voter checklists and allows the nomination of parties to be placed on ballots. It also changes the period in which nomination papers shall be filed with the secretary of state and sets the number of names of legal voters required to nominate by nomination papers a political party.

Reps. Willis and Holden yielded to questions.

Adopted.

Report adopted and ordered to third reading.

HB 1167, relative to voluntary limits on campaign expenditures. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Leroy S. Dube for the Majority of Constitutional and Statutory Revision: The committee was in agreement with increasing the filing fees for candidates who do not wish to abide by the voluntary campaign spending limits. The debate in committee was over the effective date. The majority of the committee was in favor of an effective date of January 1, 1997. Testimony by the Secretary of State indicated that for notification purposes for candidates and clerks that in an election year the preferable date is the following year. Adequate notice of changes in election laws is necessary to have a fair process. Vote 11-1.

Rep. James R. Splaine for the Minority of Constitutional and Statutory Revision: This bill increasing filing fees for candidates not conforming to New Hampshire's respected voluntary spending limits law is so good that it should become effective immediately, as the one-sentence minority amendment achieves. If it's good for 1998, it should be good for 1996!

Amendment (4923L)

Amend the bill by replacing all after section 1 with the following:

2 Effective Date. This act shall take effect on January 1, 1997.

AMENDED ANALYSIS

This bill increases the filing fees for candidates who do not agree to limit campaign expenditures.

Adopted.

Rep. Flanagan yielded to questions.

Report adopted and ordered to third reading.

HB 1176, relative to the duties of inspectors of elections. INEXPEDIENT TO LEGISLATE

Rep. Jack B. Willis for Constitutional and Statutory Revision: The committee felt that this bill addressed a problem that has not yet surfaced. No moderators or inspectors of elections testified on this bill regarding such problems. Any person, inspector or clerk has the right at present to submit complaints to either the Secretary of State or a Superior Court. Vote 13-2.

Adopted.

HB 1238, relative to the use of the official ballot for changing the manner in which planning board members are selected in towns. OUGHT TO PASS WITH AMENDMENT

Rep. Philip T. Cobbin for Constitutional and Statutory Revision: The amendment clarifies the intent of the bill to use the official ballot to change the method of selecting planning board members by election or by appointment. Vote 17-0.

Amendment (4400L)

Amend the bill by replacing section 2 with the following:

2 Use of Official Ballot to Elect Planning Board Members. Amend the introductory paragraph of RSA 673:2, II(b) to read as follows:

(b) The local legislative body may decide, by majority vote at the town meeting, that planning board members shall be elected according to either the procedure in subparagraph (1) or in subparagraph (2). ***The official ballot shall be used on every referendum for the adoption of RSA 673:2, II(b)(1) or (2), and every subsequent rescission of such adoption pursuant to subparagraph (c).*** The wording on the ***official*** ballot of any referendum for the adoption of RSA 673:2, II(b)(1) or (2) shall specifically state which procedure for electing planning board members is being voted upon. Following the majority vote at town meeting, planning board members shall be elected as follows:

Rep. Senter spoke in favor and yielded to questions.

Rep. Holden spoke in favor.

Report adopted and ordered to third reading.

HB 1354, relative to the content of questions placed on the ballot to amend the constitution. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Carol H. Holden for the Majority of Constitutional and Statutory Revision: This bill would require that all constitutional amendment questions printed on the ballot shall include the text of the question, the current text of the sections of the constitution to be repealed or amended, and the text of the sections of the constitution as proposed by the question if passed by the voters. The committee feels that the framing of questions to be placed on the ballot is important. Testimony indicated that this bill would require more writing on the ballot. There was concern on the part of the committee not to clutter the ballot. Another concern raised was that the number of questions on the ballot might have to be limited. The committee did not feel that this bill was necessary at this time. The message for legislative committees and constitutional convention committees is to frame clear and concise questions to the voters on proposed constitutional amendments. Vote 10-3.

Rep. Thomas I. Arnold, Jr. for Constitutional and Statutory Revision: This bill requires that whenever constitutional questions are placed on the ballot (by legislature or convention) the ballot will show the constitution as it now exists and the exact wording which will result if the proposed change is adopted. The minority believes that this information should be placed before the voters to avoid misinterpretation of the question.

Rep. Mirski spoke against.

Rep. Holden spoke in favor.

Adopted.

HB 1433, requiring voter approval of a referendum question pertaining to the proposed Manchester civic center prior to the center's public funding. REFER FOR INTERIM STUDY

Rep. Carol H. Holden for Constitutional and Statutory Revision: This bill would require the Secretary of State to put a referendum question on the November 1996 state general election ballot which would ask the voters in the City of Manchester if they are in favor of allowing the City to establish and operate a civic center (Center Plex). Testimony indicated the impasse in Manchester on this issue. Outside interests have expressed a desire to support a sports franchise with a commitment to use the facility on a year-round basis to bolster the economy of Manchester. The sponsors of the bill indicated that all the alternatives to placing this issue on the ballot had not been exhausted. The citizens of Manchester have not to date petitioned the alderman to place the question on the ballot. The motion to send the bill to study would allow the committee the opportunity to discuss all the ramifications of this bill including the impact on the state, the City of Manchester, and the question of whether the state should referendum. Vote 7-4.

Rep. Buckley spoke in favor.

LAID ON THE TABLE

Rep. Francis Riley moved that **HB 1433**, requiring voter approval of a referendum question pertaining to the proposed Manchester civic center prior to the center's public funding, be laid on the table.

Adopted.

REGULAR CALENDAR (Cont'd.)

HB 1460-L, relative to holding a lottery to encourage voter participation. INEXPEDIENT TO LEGISLATE

Rep. Philip T. Cobbin for Constitutional and Statutory Revision: This bill sparked a vigorous discussion regarding encouraging voter participation ranging from a position that voting is a franchise to voting being a right the government should foster. A consensus of the committee was that education of children in civics courses regarding the mechanics of elections and voting is the best promoter of future voter participation. Vote 12-1.

Adopted.

HB 1159, reducing the mandatory minimum sentence for habitual offenders convicted of unlawfully operating a motor vehicle. MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Donna M. Sytek for the Majority of Corrections and Criminal Justice: The majority of the committee believes that scarce corrections resources should be reserved primarily for violent offenders. We also believe that habitual traffic offenders who "thumb their nose" at the law by driving after suspension should be punished with some minimum mandatory period of incar-

ceration. We were persuaded that the certainty of the penalty was more important than the amount of time actually spent behind bars. This bill sets the minimum at 6 months, with the possibility of a five-year prison sentence for egregious cases. Vote 12-4.

Reps. Richard E. Dolan and Donald W. Gorman for the Minority of Corrections and Criminal Justice: The minority, disagreeing with the majority, feels the current laws on DWI, including the habitual offender laws, have made New Hampshire one of the safest states in the country in which to drive. It must be remembered that the habitual offender has built his outrageous driving record over many years, during which he has ignored our courts, our laws, our system of justice. We lock these people up not to punish them but to protect our friends, neighbors and loved ones from dangerous, irresponsible idiots. [Idiot. NOUN: one deficient in judgment and good sense.]

Rep. Gorman spoke against and yielded to questions.

Rep. Lozeau spoke in favor and yielded to questions.

Rep. Gorman requested a roll call; sufficiently seconded. The question being the adoption of the report.

Rep. Mittelman wished to be recorded against.

HB 1285, prohibiting sobriety check points. OUGHT TO PASS

Rep. Katherine D. Rogers for Corrections and Criminal Justice: This bill will prohibit law enforcement officials from establishing sobriety check points. As was stated in testimony before the committee, "The principle behind the check point is the presumption of guilt - which flies in the face of our entire justice system." Statistics provided by the State Police indicate that this tool is not often used (only 11 times since May 1994), and takes a great deal of time and personnel for a limited result (14 DWI's since May 1994). The majority believes that there are better deterrents available. Vote 11-4.

Adopted and ordered to third reading.

HB 1610-FN-L, relative to school administrative units. OUGHT TO PASS WITH AMENDMENT

Rep. William S. Belvin for Education: The bill provides fundamental School Administration Unit (SAU) reform by enabling local school districts to decide their own form of school administration. Current law designates the State Board of Education as the only authority with the power to create and dissolve SAU's. At present all school districts must belong to an SAU and hire a full-time Superintendent and Assistant Superintendent/Business Agent. This enabling legislation allows a school district to unilaterally vote to create and implement, by a 3/5 majority ballot vote, a plan for providing superintendent services. The local school district may withdraw from an existing SAU and be a single district, join another SAU, or form a new SAU with other districts. Partial or complete contract services are allowed including those of a full or part-time superintendent. The State Board's sole SAU control is repealed, and its future role is limited to reviewing plans for completeness and impacts on affected districts, and making recommendations. Single school districts will not belong to an SAU and their administrative costs will be voted on as part of their total school district budget. Any school district may vote to become a single school district. The committee's vote of "ought to pass" was unanimous. Vote 20-0.

Amendment (4789L)

Amend the bill by replacing section 3 with the following:

3 New Chapter; School Administrative Units. Amend RSA by inserting after chapter 194-B the following new chapter:

CHAPTER 194-C
SCHOOL ADMINISTRATIVE UNITS

194-C:1 Status.

I. All school administrative units existing on the effective date of this chapter shall continue in their present form unless modified in accordance with the provisions of this chapter.

II. School administrative units legally organized shall be corporations, with power to sue and be sued, to hold and dispose of real and personal property for the establishment of facilities for administration and any instructional purposes, and to make necessary contracts in relation to any function of the corporation; provided, however, that such school administrative units shall not have the power to procure land, to construct or purchase buildings, to borrow money in order to purchase real estate, or to mortgage said real estate.

194-C:2 Procedure; Plans for Organization or Withdrawal.

I. Any school district pursuant to an article in the warrant for any annual or special meeting may vote to create a planning committee in the following manner:

(a) The question shall be placed on the warrant of a special or annual school district meeting which body shall have final authority to adopt the provision to create a planning committee.

(b)(1) In districts without annual meetings, the legislative body of the school district shall consider and act upon the question in accordance with their current procedures. To the extent and if permitted by local ordinance, upon submission to the legislative body within 60 days of the legislative body's vote of a petition signed by 100 or by 2 percent, whichever is less, of the registered voters, the legislative body shall place the question on the official ballot for any regular election otherwise in accordance with their current procedures for passage of referenda.

(2) The school district legislative body shall hold a public hearing on the question at least 15 days but not more than 30 days before the question is to be voted on. Notice of the hearing shall be posted in at least 2 public places in the municipality and published in a newspaper of general circulation at least 7 days before the hearing.

(3) In the event that the referendum is nonbinding, the question shall be returned for reconsideration to the legislative body which shall have final authority to adopt the provision to create a planning committee.

(4) In the event that the referendum is binding, the public vote shall be the final and binding authority to adopt the provision to create a planning committee.

II.(a) The planning committee shall consist of the following members:

(1) Two local school board members, appointed by the local school board.

(2) One member of the financial committee having the statutory authority to make recommendations concerning school budgets, appointed by the financial committee. In communities with no such financial committee, the number of public members under subparagraph (a)(3) shall be increased to 5.

(3) Four public members representing the community at large, appointed by the school district moderator or, for districts without an annual meeting, the legislative body of the school district.

(4) The superintendent, who shall be a nonvoting member of the committee.

(b) The members of the committee shall serve without pay for a term ending:

(1) At the annual meeting of the district next following the creation of the committee, if the committee is created at an annual meeting; or

(2) At the first annual meeting of the district next following the special meeting, if the committee is created at a special meeting.

(3) One year from the date of appointment, if appointed in districts without annual meetings.

(c) Vacancies on the committee shall be filled by the appropriate appointing authority for the balance of the unexpired term.

(d) The district may appropriate money to meet the expenses of the committee at the meeting at which it is created or at any subsequent district meeting notwithstanding the provisions of RSA 32 or RSA 197:3, and such expenses may include the cost of publication and distribution of reports.

(e) A planning committee shall act by a majority vote of its total membership.

III. The planning committee shall:

(a) Study the advisability of establishing a school administrative unit in accordance with this chapter, its organization, operation and control, and the advisability of constructing, maintaining and operating a school or schools to serve the needs of such school administrative unit.

(b) Estimate the construction and operating costs of operating such school or schools.

(c) Investigate the methods of financing such school or schools, and any other matters pertaining to the organization and operation of a school administrative unit.

(d) Prepare an educational and fiscal analysis of the impact on all remaining districts and the disposition of school administrative assets.

(e) Submit a report or reports of its findings and recommendations to the several school districts within the existing school administrative unit.

IV. The planning committee shall prepare a plan for providing superintendent services for the proposed school administrative unit signed by at least a majority of the membership of the planning committee, which meets the requirements set forth in RSA 194-C:3:

V.(a) The planning committee may submit a plan for joining an existing school administrative unit to the school administrative unit board for approval. If approved, the plan shall be submitted to the state board and the school district voters in accordance with RSA 194-C:2, V and VI.

(b) Before final approval of a plan by the planning committee, it shall hold at least one public forum on the plan within the proposed school administrative unit and shall give such public notice of the forum as it determines to be reasonable.

VI.(a) The planning committee shall submit an executed copy of the proposed plan to the school administrative unit board and all affected school boards at least 60 days prior to submission to the state board. Within 60 days, the state board of education shall review the proposed plan for administrative structure to determine whether or not the proposed plan contains the services described in RSA 194-C:3. Each plan shall also include an educational and fiscal analysis of the impact on all remaining districts and the disposition of school administrative unit assets. If, in the opinion of the state board, all services have not been properly addressed, the deficiencies shall be noted and the plan shall be promptly returned for revision. When the plan is resubmitted, the state board of education shall promptly return the plan and make a recommendation for or against its adoption. This recommendation shall be reported to the legislative body of the district. The state board shall not have veto power over any plan once all service deficiencies have been addressed by the planning committee.

(b) The state board shall submit the organization or reorganization plan to the school boards of the districts for acceptance by the districts as provided in paragraph VI. Upon such submission, the state board shall cause the approved plan to be published once at the expense of the state in some newspaper generally circulated within the proposed school administrative unit.

(c) The state board shall submit the plan for district withdrawal from a school administrative unit to the school board of the withdrawing district for acceptance by the district as provided in paragraph VI. Upon such submission, the state board shall cause the approved plan to be published once at the expense of the state in some newspaper generally circulated within the district which proposes to withdraw from a school administrative unit.

VII. Upon the receipt of written notice of the state board's approval of the plan, the plan shall be submitted for approval by the school districts under the procedures outlined in paragraph I of this section. The question shall be in substantially the following form:

"Shall the school district accept the provisions of RSA 194-C providing for the (organization of) (reorganization of) (withdrawal from) a school administrative unit involving school districts of _____ and _____ etc., in accordance with the provisions of the proposed plan?"

Yes _____ No _____

If a 3/5 majority of the voters present and voting in each district shall vote in the affirmative, the clerk of each district shall forthwith send to the state board a certified copy of the warrant, certificate of posting, evidence of publication, if required, and minutes of the meeting in the district. If the state board finds that a 3/5 majority of the voters present and voting in each district meeting have voted in favor of the establishment of the school administrative unit, it shall issue its certificate to that effect; and such certificate shall be conclusive evidence of the lawful organization and formation of the school administrative unit as of the date of its issuance.

194-C:3 Single District School Administrative Units; Exemption. Single district school administrative units shall be considered the same as a single school district and shall be exempt from meeting the requirements of this chapter, except that they shall provide for the services of a superintendent pursuant to RSA 194-C:4.

194-C:4 Superintendent Services. Each school administrative unit or single school district shall provide the following superintendent services:

I. An educational mission which indicates how the interests of pupils will be served under the administrative structure.

II. Governance and organizational structure and delivery of administrative services including, but not limited to:

(a) Payroll, cash flow, bills, records and files, accounts, reporting requirements, funds management, audits, and coordination with the treasurer, and advisory boards on policies necessary for compliance with all state and federal laws regarding purchasing.

(b) Recruitment, supervision and evaluation of staff; labor contract negotiation support and the processing of grievances; arrangement for mediation, fact finding or arbitration; and management of all employee benefits and procedural requirements.

(c) Development, review and evaluation of curriculum, coordination of the implementation of various curricula, provisions of staff training and staff development, and development and recommendation of policies necessary for compliance relating to curriculum and instruction.

(d) Compliance with laws, regulations, and rules regarding special education, Title IX, the Americans with Disabilities Act, home education, minimum standards, student records, sexual harassment, and other matters as may from time to time occur.

(e) Pupil achievement assessment through grading and state and national assessment procedures and the methods of assessment to be used.

(f) The on-going assessment of district needs relating to student population, program facilities and regulations.

(g) Writing, receiving, disbursement, and the meeting of compliance requirements.

(h) Insurance, hearings, litigation, and court issues.

(i) School board operations and the relationship between the board and the district administration.

(j) The daily administration and provision of educational services to students at the school facility including, but not limited to, fiscal affairs; staff, student, parent, safety and building issues; and for dealing with citizens at large.

(k) Assignment, usage, and maintenance of administrative and school facilities.

(l) Designation of number, grade or age levels and, as applicable, other information about students to be served.

(m) Pupil governance and discipline, including age-appropriate due process procedures.

(n) Administrative staffing.

(o) Pupil transportation.

(p) Annual budget, inclusive of all sources of funding.

(q) School calendar arrangements and the number and duration of days pupils are to be served pursuant to RSA 189:1.

(r) Identification of consultants to be used for various services.

194-C:5 Organization and Duties.

I. The school board of each school administrative unit shall meet between April 1 and June 1 in each year, at a time and place fixed by the chairpersons of the several boards, and shall organize by choosing a chairperson, a secretary, and a treasurer.

II.(a) Each school administrative unit shall provide for the services of a superintendent as required by RSA 194-C:4. The superintendent may be a full or part-time administrative position and may serve one or more school administrative units and the required services may be independently contracted.

(b) The state board may establish certification requirements for superintendents in smaller and larger districts, and may designate services in addition to those established in RSA 194-C:4.

(c) Other administrative positions may be established, but only after 50 percent or more of the school districts in the school administrative unit representing 60 percent of the total pupils in the school administrative unit has voted favorably upon the establishment of the position.

III. The school board of each school administrative unit shall fix the salaries of all school administrative unit personnel, shall apportion the expense of the salaries and benefits among the several districts, and shall certify the apportionment to their respective treasurers and to the state board of education. The school administrative unit board shall have the authority to remove superintendents and other administrators.

194-C:6 Federal Assistance. School administrative unit boards are hereby authorized to cooperate with the federal government or any agency thereof to request, receive and expend federal funds for educational purposes. The receipt and expenditure of federal funds by a school administrative unit shall be accounted for in the same manner as established for federal funds processed through local school districts. Each school administrative unit is hereby directed to establish separate from its operating budget a federal grant account.

194-C:7 Representation. Every school district maintaining one or more public schools shall be entitled to 3 votes on the joint board of school administrative units, plus additional votes as provided in RSA 189:46. Districts not maintaining schools shall have one representative on the joint board, who shall be entitled to one vote. Each school district board member present shall be entitled to have a proportionate share of the school district's votes provided that the total votes per district shall be equally divided among the district's board members present and cast as each member present decides on any issue.

194-C:8 Weighted Voting. In all votes regarding school administrative unit affairs, including the organization of such unit's school board and selection of officers, each district shall be entitled to one vote for each 16 pupils residing in that district and enrolled in schools under the administrative unit. A balance of 8 or more students shall entitle that district to an additional vote. A balance of fewer than 8 students shall have no net effect on a district's vote. Enrollments shall be based on the average daily membership in residence of each district for the school year which ended in the preceding June. Weighted votes shall only be used upon the demand of a majority of the members of any board present and voting in the school administrative unit. The school board members present at a school administrative unit school board meeting shall be entitled to cast the entire number of votes assigned to their school districts, provided that each representative present shall be entitled to a proportionate share of the total to be cast as provided in RSA 194-C:7.

194-C:9 Budget.

I. At a meeting held before January 1, the school administrative unit board shall adopt a budget required for the expenses of the school administrative unit for the next fiscal year, which budget may include the salary and expenses of supervisors of health, physical education, music, art, and guidance, and any other employees, and shall include the expenses necessary for the operation of the school administrative unit. Superintendents, assistant superintendents, business administrators, teacher consultants, and the regularly employed office personnel of the school administrative unit office shall be deemed employees of the school administrative unit for the purposes of payment of salaries and contributions to the employee's retirement system of the state of New Hampshire and workers' compensation. The school administrative unit board shall apportion the total amount of the budget among the constituent school districts in the following manner: the apportionment shall be based 1/2 on the average membership in attendance for the previous school year and 1/2 on the most recently available equalized valuation of each district as of June 30 of the preceding school year. Prior to January 15 in each year, the board shall certify to the chairperson of the school board of each constituent school district the amount so apportioned. Each district within a school administrative unit shall raise at the next annual district meeting the sum of money apportioned to it by the school administrative unit board for the expenses of services which each district received in connection with the school administrative unit office. The school administrative unit board in adopting the budget shall not add any new service to the school administrative unit budget unless a majority of the school districts in the school administrative unit representing not less than 60 percent of the total pupils in the school administrative unit have voted favorably upon the establishment of the service. A vote to accept a new service shall not be construed as a vote to raise and appropriate money within the meaning of RSA 197:3.

II. The provisions of paragraph I shall not apply to school administrative units comprising only one district. The budget for these units shall be a part of the school district budget and subject to the vote of the annual school district meeting or, for those districts without an annual meeting, by the legislative body.

194-C:10 Public Hearing. Before final adoption of the school administrative unit budget as provided in RSA 194-C:9, at least one public hearing shall be held within the school administrative unit, at a time and place specified by the school administrative unit board chairperson, upon a preliminary budget prepared by the school administrative unit board. Notice of such public hearing and a summary of the preliminary budget shall be submitted by the secretary of the board for publication in a newspaper of general circulation in the school administrative unit at least 7 days prior to the date of the hearing. The budget, subsequent to its final approval by the school administrative unit board, shall be posted in a public place in each constituent school district and given such other publication as the school administrative unit board may determine.

Rep. Fenton spoke against.

Adopted.

Rep. Fenton offered a floor amendment.

Floor Amendment (4866L)

Amend RSA 194-C:8-10 as inserted by section 3 of the bill by replacing it with following:

194-C:8 Budget.

I. At a meeting held before January 1 of each year, the school administrative unit board shall develop and propose a budget required for the expenses of the school administrative unit for the next fiscal year, which budget may include the salary and expenses of supervisors of health, physical education, music, art, and guidance, and any other employees, and shall include the expenses necessary for the operation of the school administrative unit. Superintendents, assistant superintendents, business administrators, teacher consultants, and the regularly employed office personnel of the school administrative unit office shall be deemed employees of the school administrative unit for the purposes of payment of salaries and contributions to the employee's retirement system of the state of New Hampshire and workers' compensation. The school administrative unit board shall apportion the total amount of the budget among the constituent school districts in the following manner: the apportionment shall be based 1/2 on the average membership in attendance for the previous school year and 1/2 on the most recently available equalized valuation of each district as of June 30 of the preceding school year. Prior to January 15 in each year, the board shall certify to the chairperson of the school board of each constituent school district the amount so apportioned. Upon approval of the budget by majority vote pursuant to paragraph II, each district within a school administrative unit shall raise at the next annual district meeting the sum of money apportioned to it by the school administrative unit board for the expenses of services which each district received in connection with the school administrative unit office. The school administrative unit board in developing and proposing the budget shall not add any new service to the school administrative unit budget unless a majority of the school districts in the school administrative unit representing not less than 60 percent of the total pupils in the school administrative unit have voted favorably upon the establishment of the service. A vote to accept a new service shall not be construed as a vote to raise and appropriate money within the meaning of RSA 197:3.

II.(a) After development by the school administrative unit board, the budget shall be nominated for consideration, placed on a warrant, and subjected to the vote by ballot at the annual SAU-member school districts meetings, and decided by a majority of the combined popular vote of all of the SAU-member districts.

(b) If the proposed budget is not adopted, the school administrative unit shall be deemed to have approved the same appropriations as contained in the budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law. If no operating budget article is adopted, the estimated revenues shall nevertheless be deemed to have been approved.

III. The provisions of paragraph I and II shall not apply to school administrative units comprising only one district. The budget for these units shall be a part of the school district budget and subject to the vote of the annual school district meeting.

194-C:9 Single District School Administrative Units; Exemption. Single district school administrative units shall be considered the same as a single school district and shall be exempt from meeting the requirements of this chapter, except that they shall provide for the services of a superintendent pursuant to RSA 194-C:3.

Reps. Fenton and Kurk spoke in favor.
Rep. Richard Champagne spoke against.
Rep. Jacobson spoke in favor and yielded to questions.
Rep. Belvin spoke against and yielded to questions.
Rep. Avery requested a roll call; sufficiently seconded. The question being the adoption of the floor amendment.

Report adopted and ordered to third reading.

Rep. Mittelman wished to be recorded in favor.

HB 1314, establishing a committee to review the cumulative impact of the state's environmental laws. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS.

Rep. George T. Musler for the Majority of Environment and Agriculture: This bill has been revised to allow the Legislature, through the Environment and Agriculture Committee, to work with the Department of Environmental Protection in configuring certain functions within that agency. Vote 16-2.

Rep. Kevin L. Camm for the Minority of Environment and Agriculture: The original bill was to establish a committee to evaluate the state's environmental laws. The committee would have determined if current laws on water quality and land use adequately (or egregiously as the case may be) address the cumulative impact that activities have on public health and ecological integrity. Some members would have welcomed the opportunity to participate in such a worthwhile endeavor. Instead the bill has been diverted, the title and purpose changed, to allow for a reorganization of the Department of Environmental Services, thus the original intent of HB 1314 has been lost.

Amendment (4725L)

Amend the title of the bill by replacing it with the following:

AN ACT

reorganizing the department of environmental services.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Intent. The purpose of this act is to reorganize the department of environmental services without making any substantive changes in existing programs. It is the intent of the general court to use this bill as a vehicle for the house executive departments and administration committee to make a variety of technical changes to the laws regulating the department of environmental services, including:

I. Reorganizing the divisions within the department.

II. Changing cross-references to reflect the reorganization.

III. Changing all references from "division" and "director" to "department" and "commissioner."

2 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

SUSPENSION OF RULES

Reps. Ann Torr and Trombly move that the Rules be so far suspended as to permit consideration without the proper notice of **HB 1399**, requiring the treatment of sludge prior to its deposit in local communities.

Adopted by the necessary two-thirds.

HB 1399, requiring the treatment of sludge prior to its deposit in local communities. OUGHT TO PASS WITH AMENDMENT

Rep. George T. Musler for Environment and Agriculture: This bill as amended provides for Department of Environmental Services staff to implement the oversight and permit obligations of RSA 485-A:4,XVI-a. This statute deals not only with septage, but also the use and disposal of sludge. It is expected that the funding for these positions will come from the sewage disposal system fund as defined in RSA 485-A:30,II. Vote 14-3.

Amendment (4855L)

Amend the title of the bill by replacing it with the following:

AN ACT
establishing 2 new positions in the department of environmental services to implement the sludge permit system and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Positions Established. In order to administer provisions of RSA 485-A:4, XVI-a authorizing the department to regulate and issue permits for the disposal of septage and sludge, the following positions are established in the department of environmental services:

I. One sanitary engineer II, labor grade 27, to coordinate the permit program and to provide the technical review of professional engineering plans and specifications of sludge or septage facilities.

II. One environmental technician III, labor grade 13, to assist in the administration of the permit program.

2 Appropriation. The sum of $95,000 for the fiscal year ending June 30, 1997, is hereby appropriated to the department of environmental services for the purposes of salary and benefits for the employees hired to fill the positions established in section 1 of this act. This appropriation is in addition to any other funds appropriated to the department of environmental services. The governor is authorized to draw a warrant for said sums out of money in the treasury not otherwise appropriated.

3 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill establishes 2 new positions in the department of environmental services to implement the sludge and septage permitting system and makes an appropriation for start-up costs for the positions.

Adopted.

Report adopted.

SUSPENSION OF RULES

Reps. Ann Torr and Trombly moved that the Rules be so far suspended as to permit referral beyond the deadline of **HB 1399**, establishing 2 new positions in the department of environmental services to implement the sludge permit system and making an appropriation therefor.

Adopted by the necessary two-thirds.

Referred to Finance.

REGULAR CALENDAR (Cont'd.)

HB 1580-L, allowing landowners to convey discretionary easements in certain land to the municipality in which the land is located and relative to taxation of land subject to such discretionary easements. OUGHT TO PASS WITH AMENDMENT

Rep. William R. Phinney for Environment and Agriculture: This piece of legislation provides a clear procedure for the approval of a discretionary easement and requires that any denials be accompanied by a written explanation. It provides an appeal mechanism similar to that under current use. This will make the treatment of discretionary easements more uniform across the state. Vote 15-0.

Amendment (4780L)

Amend RSA 79-C:7, II as inserted by section 1 of the bill by replacing it with the following:

II. The other end of the range shall be determined by multiplying 75 percent of the land's fair market value by the current equalization rate.

Adopted.

Report adopted and ordered to third reading.

HB 1604-FN, relative to licensing of dogs. OUGHT TO PASS

Rep. Perley E. Davis for Environment and Agriculture: This bill was requested by the pet overpopulation study committee to clear up the effective term of the dog licenses and gives the towns and cities the option to charge for the transfer of the license tax. Vote 12-2.

Adopted and ordered to third reading.

HB 1605, prohibiting the sale of diseased pets. INEXPEDIENT TO LEGISLATE

Rep. William R. Phinney for Environment and Agriculture: This bill had some good ideas. The committee heard testimony on the amended version. It was felt by the committee that the area of concern should be revisited by the pet overpopulation study committee. Vote 15-0.

Adopted.

HB 1458, providing that a municipality shall not be responsible for costs relating to the operation of state-owned rail lines. OUGHT TO PASS WITH AMENDMENT

Rep. Henry P. Mock for Transportation: This bill authorizes the Commissioner of Transportation to expend up to $5,000 from the Special Railroad Fund for certain railroad projects without approval of the fiscal committee and governor and council as now required. It places this fund into conformity for expenditures with other special transportation funds. It further provides that the state shall provide such warning signs as are required at public crossings over state-owned railroad lines. Vote 13-1.

Amendment (4797L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the commissioner's authority to make expenditures for certain railroad projects, and requiring the state to provide warning signs for public crossings over state-owned railroad lines.

Amend the bill by replacing all after the enacting clause with the following:

1 Commissioner Authorized to Make Expenditures up to $5,000. Amend RSA 228:69 to read as follows:

228:69 Appropriation and Use of Special Railroad Fund.

I. All moneys including moneys received from operating agreements, rentals and permit, application and renewal fees shall be deposited in the special fund established by RSA 228:68 and are hereby appropriated to be expended by the commissioner for the purchase or paying for the operation and the maintenance of railroad properties to be acquired or which have been acquired pursuant to the provisions of this subdivision, subject to the following conditions:

[I.]*(a)* An appropriation by the general court; or

[II.]*(b)* If an uncommitted balance exists, with prior approval of the fiscal committee and governor and council.

II. Notwithstanding paragraph I, the commissioner may expend up to $5,000 for each project involving the operation and maintenance of railroad properties without a special appropriation or the approval of the fiscal committee and governor and council.

2 New Paragraph; Public Crossings Over State-Owned Railroad Lines; State Shall Provide Warning Signs. Amend RSA 373:1-a by inserting after paragraph IV the following new paragraph:

V. The state shall provide such warning signs as are required for governmental authorities maintaining public crossings over state-owned railroad lines pursuant to RSA 373:11.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill authorizes the commissioner to make expenditures of up to $5,000 for certain railroad projects. It also provides that the state shall provide such warning signs as are required for governmental authorities maintaining public crossings over state-owned railroad lines.

Adopted.

Report adopted.

SUSPENSION OF RULES

Reps. Ann Torr and Trombly move that the Rules be so far suspended as to permit referral beyond the deadline of **HB 1458**, relative to the commissioner's authority to make expenditures for certain railroad projects, and requiring the state to provide warning signs for public crossings over state-owned railroad lines.

Adopted by the necessary two-thirds.

Referred to Finance.

REGULAR CALENDAR (Cont'd.)

HB 1395, relative to the appointments to committees, boards, and commissions made by the governor. REFER FOR INTERIM STUDY

Rep. Myron S. Steere, III for Executive Departments and Administration: When this bill was originally drafted, there was a significant number of open positions. The committee was provided evidence of good progress in filling the backlog of openings. By placing the bill into interim study, the committee would be able to determine if any further action on this bill was needed. Vote 10-5.

Adopted.

HB 1245, requiring a vote of 60 percent of the house and the senate to pass any new taxes or fees. INEXPEDIENT TO LEGISLATE

Rep. Charles L. Vaughn for Finance: This bill requires sixty percent approval of membership of House and Senate before any new taxes/fees can be imposed on individuals and businesses for use by the state. The Finance Committee objections are as follows: First, a constitutional amendment would be a better method for resolving the issue between a majority and a supermajority on matters of new taxation. Next, majority rule still applies to appropriations bills. The possibility exists that minority groupings of legislators working together could defeat the purpose of this legislation. Last, the bill restricts passage of even the smallest of new fees. Vote 22-2.

Rep. Trombly requested a roll call; sufficiently seconded. The question being the adoption of the report.

Rep. Mittelman wished to be recorded in favor.

HB 1308-FN-A, relative to voluntary direct deposit of state financial assistance benefits. INEXPEDIENT TO LEGISLATE

Rep. Joseph E. Stone for Finance: Both the Division of Human Services and the Department of Unemployment Security felt there was no need for this bill. The Division of Human Services is presently working on installing this procedure which hopefully will be up and working by January 1, 1997. RSA 282-A:24 gives the Commissioner of Unemployment Security the right to adopt voluntary deposits. Vote 21-4.

Adopted.

HB 1387-L, establishing a committee to study school property tax elimination. INEXPEDIENT TO LEGISLATE

Rep. Neal M. Kurk for Finance: This bill, along with HB 1617, addresses in a specific way the general issue of funding education. The Committee believes that this matter must be examined seriously by the legislature, and the House in particular, given its constitutional role in tax matters. The Supreme Court decision in the Claremont law suit makes such a study most timely.

We expect to introduce a formal House Resolution in this session that, if adopted, would put the House intent on record. It is anticipated that the study will occur during the interim and perhaps into the next session. To facilitate this study, the Committee recommends that HB 1387 be voted Inexpedient to Legislate. Vote 20-5.

Adopted.

HB 1406-FN-A, making an appropriation of funds to the department of corrections for the pathways program for fiscal year 1997. OUGHT TO PASS WITH AMENDMENT

Rep. Franklin G. Torr for Finance: The bill, as amended, continues the pathways program within the department of corrections for fiscal year 1997. Money for the program will come from transfers within the department subject to approval of the fiscal committee and the governor and executive council. Employees will continue as full-time temporary. Vote 22-3.

Amendment (4676L)

Amend the title of the bill by replacing it with the following:

AN ACT

authorizing the commissioner of the department of corrections to transfer funds within the department of corrections budget for funding for the pathways program for the fiscal year 1997.

Amend the bill by replacing all after the enacting clause with the following:

1 Authorization. The pathways program at the Lakes Region Facility is authorized for the fiscal year ending June 30, 1997.

2 Transfer of Funds. Notwithstanding any provision of law to the contrary, with prior approval of the fiscal committee and the governor and executive council, the department of corrections may transfer, from funds available within the department of corrections budget, up to $1,080,000 in the fiscal year ending June 30, 1997, to fund full-time temporary salaries and benefits for the pathways program.

3 Unexpended Funds. Any unexpended federal funds brought forward from the fiscal year ending June 30, 1996 into the fiscal year ending June 30, 1997 for the pathways program, or additional federal funds that become available for the pathways program, shall reduce the total amount of transfer authorized by the amount equivalent to funds brought forward or additional federal funds.

4 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill authorizes the pathways program and authorizes the commissioner of the department of corrections to transfer funds, not to exceed $1,080,000, for the pathways program to fund full-time temporary salaries and benefits for the fiscal year ending June 30, 1997. It also reduces the total amount of transfer authorized by any amount brought forward into the fiscal year ending June 30, 1997, and any additional federal funds that become available for the pathways program.

Report adopted and ordered to third reading.

HB 1452-FN-A, eliminating the net operating loss deduction from gross business profit and prospectively decreasing the business profits tax. INEXPEDIENT TO LEGISLATE

Rep. Fredrik Peyron for Finance: The Committee believes it is important to keep the net operating loss deduction against the BPT. The deduction encourages new business to start and existing businesses to expand. This is more important to business and to the state than the proposed decrease in the BPT rate that would be partially paid for by the elimination of the deduction. Vote 19-6.

Adopted.

HB 1275-FN-L, relative to public employee contract negotiations. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Robert H. Turner for the Majority of Labor, Industrial and Rehabilitative Services: This bill, if passed, would be in conflict with HB-501 passed earlier this year which amends RSA 273-A:3, II(b) in current law which covers cost items submitted to the legislative body of the public employer. These cost items come from the collective agreement. Vote 14-4.

Rep. John M. Gibson for the Minority of Labor, Industrial and Rehabilitative Services: This bill calls for a public hearing prior to the beginning of public employee negotiation sessions. We feel both sides negotiating would benefit from an opportunity to "listen to the people," and then make wise and informed decisions in said negotiations that will ultimately affect the taxpayers of the community.

Adopted.

HB 1319-L, making public employment negotiations open to the public under the right-to-know law. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Robert H. Turner for the Majority of Labor, Industrial and Rehabilitative Services: This bill as written is too broad because it includes the state, any state agency, county, municipality or any other political subdivision. Since the legislative body can hold public hearings now, before and after the bargaining agreement has been signed, the majority of the committee felt that since this is a local issue, the legislature is not the arena for this issue to be settled. Vote 13-5.

Rep. John M. Gibson for the Minority of Labor, Industrial and Rehabilitative Services: The Minority feels that secrecy in public employee negotiations is a serious breach of trust. The Majority insists that "opening up these negotiations to the public would be counterproductive to good faith negotiations." The Minority does not understand why the citizenry should not be allowed the opportunity to witness these so-called good faith negotiations in action. Are not they negotiating taxpayers' monies? Openness in public employee negotiations would lead to greater public acceptance to the product of said negotiations. Secrecy in the public arena only leads to more cynicism by the general public.

Adopted.

SPECIAL ORDERS

Without objection the Speaker made the bills remaining on the day's Calendar Special Orders for Wednesday, March 5, 1996.

RESOLUTION

Rep. Ann Torr offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, March 5, 1996 at 1:00 p.m.

UNANIMOUS CONSENT

Rep. Wollner addressed the House.

Rep. Lockwood moved that the remarks of Rep. Wollner be printed in the Journal.

Adopted.

Rep. Wollner: Thank you Mr. Speaker, members of the House. Tuesday, February 27th marks the fifth anniversary of the formal end of hostilities during the Persian Gulf War. As a veteran of Operation Desert Storm, I would ask the House to remember in their thoughts and prayers those individuals who were taken from us, especially those from New Hampshire who sacrificed their lives in the pursuit of freedom. They are: Captain Michael L. Chinsburg, United States Air Force, Durham; Captain Gary S. Dillon, United States Marine Corps, Concord; Specialist Wade E. Hector, United States Army, Newport; Warrant Officer David G. Plash, United States Army, Portsmouth; and Private First Class, Todd C. Rich, United States Army National Guard, Charlestown. May God bless them all. Thank you.

PERSONAL PRIVILEGE

Reps. Lozeau and Kennedy addressed the House.

Rep. Channing Brown moved that the remarks of Rep. Lozeau be printed in the Journal.

Adopted.

Rep. Lozeau: Thank you Mr. Speaker. I realize it is a risk at the end of the day asking for this, but I couldn't let the day end without having at least some say. In the 12 years that I have been here as a member, I've learned a lot of things. One of the first lessons I learned upon coming here was a lesson that I had brought with me that I had learned very early. That was to always treat people the way you want to be treated. Upon coming here, I learned that there are a couple of really important things, seeing that we are not here for the glory of all that dough. One is that you respect each other. You understand that you can disagree without being disagreeable. When you give your word, you keep it. If you need to change your mind, you make sure that the first person that knows that is the person you gave it to. It is a very difficult thing, as many of you know, to come to this podium some days and fight for something that you believe in for whatever your reasons are. It is never OK to look out in the audience and have people either swear at you, belittle you or make faces that are meant to give you some indication that they are not being kind to you. It is never OK to walk out of these doors and have somebody come up to you and let you know that when the next person that is affected by what happened on the floor, whether they understand it or not, the words that were told to us were that the next time somebody dies from a DWI accident in our community that the people will know that that is because of us. That is not OK, because that was not what the bill was about first of all and second of all, that is not what we are about. If we are to be the community and the state's leaders then we must lead by good examples and if we expect our children to show adults respect then we must show respect to each other first. I would appreciate it if we all acted the same way. Thank you.

HOUSE JOURNAL No. 11

Tuesday, March 5, 1996

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Deputy Speaker.

His Excellency, Governor Stephen Merrill, joined the Deputy Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of piercing insight, give us clear eyes to see the world as it is and ourselves and all people as we are; but give us hope to go on believing in what You intend us all to be. As we pray, remove the fear that makes us strident and vengeful, and take away the woolliness of thought that makes us sentimental. And help us go to our work and into our relationships stimulated by hope, strengthened by faith, directed by love, to play our part in the liberation of all people. Amen.

Rep. Hill led the Pledge of Allegiance.

SPECIAL ORDERS

HB 1494, increasing the minimum wage. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Gary L. Daniels for the Majority of Labor, Industrial and Rehabilitative Services: The committee could not determine, through research or testimony, how many people were currently earning the minimum wage or less. Of those that may be, we could not determine how many were in a probation period, after which their pay would be raised, how many were working in "wait" positions where their wage was supplemented by tips, or how many earning the minimum wage were part of a family with combined income above the poverty level. Numerous surveys drew the conclusion that raising the minimum wage resulted in higher unemployment. Other surveys show that the Earned Income Tax Credit actually provided more benefits than raising the minimum wage. We feel that the best policy is to let an individual's wage be determined by merit and performance, not legislation. Vote 11-6.

Rep. Lorraine R. Palmer for the Minority of Labor, Industrial and Rehabilitative Services: Supporters of the increase in minimum wage argue that the minimum wage should be a livable wage and that the additional money paid to minimum wage earners would go right back into the economy for basic necessities. Passage will increase economic independence and help families to raise their children with dignity.

Reps. Mears and Drabinowicz spoke against.

Rep. Daniels spoke in favor.

Rep. Trombly spoke against and yielded to questions.

Rep. Hawkins spoke in favor and yielded to questions.

Rep. O'Rourke requested a roll call; sufficiently seconded. The question being the adoption of the report.

(Speaker Burns in the Chair)

HB 1122, modifying the term "compact area" relative to the use of firearms and fireworks. OUGHT TO PASS WITH AMENDMENT

Rep. Loren J. Jean for Public Protection and Veterans Affairs: This bill was a request of Fish and Game. It defines terms of compact area to clean up vague language in existing statute. It guarantees a further degree of protection for stand alone buildings, i.e., schools churches, commercial buildings, etc. Vote 7-5.

Amendment (4448L)

Amend the bill by replacing all after section 1 with the following:

2 Definition Modified. Amend RSA 644:13, II(a) and (b) to read as follows:

(a) [Any contiguous area containing 6 or more buildings, and the spaces between them where each such building is within 300 feet of at least one of the others,] ***Any nonresidential, commercial building, including, but not limited to, industrial, educational, or medical buildings***, plus a perimeter 300 feet wide around all [the] ***such*** buildings [in such area] ***without permission of the owner.***

(b) Any park, playground, or other outdoor public gathering place designated by the legislative body of the city or town.

(c) Any contiguous area containing 6 or more buildings which are used as either part-time or permanent dwellings and the spaces between them where each such building is within 300 feet of at least one of the others, plus a perimeter 300 feet wide around all the buildings in such area.

3 Prohibition. RSA 207:3-a is repealed and reenacted to read as follows:

207:3-a Prohibition. It is unlawful for a person to discharge a firearm or to shoot with a bow and arrow within 300 feet of a permanently occupied dwelling without permission of the owner or the occupant of the dwelling or from the owner of any land within 300 feet of such dwelling. Whoever violates the provisions of this section shall be guilty of a violation if a natural person, or guilty of a misdemeanor if any other person.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill modifies the term "compact area" relative to the use of firearms and fireworks.

This bill also clarifies where it is prohibited to discharge a firearm on the land of another.

Adopted.

Report adopted and ordered to third reading.

HB 1609, relative to police dogs. OUGHT TO PASS WITH AMENDMENT

Rep. John W. Flanders, Sr. for Public Protection and Veterans Affairs: This allows police dogs, which in the course of their duties may have apprehended (bitten) a suspect, to continue in service to the law enforcement agency provided that all such police dogs are immunized for rabies

annually and when having bitten a subject shall be observed for 10 days, by the handler, for signs suggestive of rabies. Reports concerning the incident shall be forwarded to the respective law enforcement agency which shall notify the appropriate rabies control authority. This bill enables a police dog to be available to locate missing children or elderly citizens during the observation period described above. Vote 11-2.

Amendment (4745L)

Amend RSA 436:105-b, I(b) as inserted by section 2 of the bill by replacing it with the following:

(b) The handler of the police dog shall prepare an incident report and submit the report to the appropriate law enforcement agency which shall advise the appropriate local rabies control authority. The incident report shall be confidential. The handler shall be responsible for observing the dog for 10 days after the bite occurred and shall have the dog examined by a veterinarian at the end of the 10-day period. If signs suggestive of rabies develop during the 10-day period, the dog shall be examined by a veterinarian immediately. If the dog dies or is killed during the 10-day period, the head shall be sent for examination to the public health laboratory, department of health and human services.

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect upon its passage.

Adopted.

Report adopted and ordered to third reading.

HB 1206-FN, to require the commissioner of transportation to reduce the amount of salt spread on the state highway system. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Gene G. Chandler for the Majority of the Committee on Public Works and Highways: This bill, if enacted, would require the Department of Transportation to reduce the rate of salt used on state highways by ten percent until we would be using only ten percent of today's usage. The committee felt that since the New Hampshire Department of Transportation is involved with a couple of studies and test areas throughout the state, is participating in a national study, and has purchased a number of truck mounted sensors to aid in their continuing efforts to reduce our dependency on salt, these tests and studies should have a chance to be completed before we undertake legislation. Testimony showed that in 1995, the state of Vermont used 13.8 tons of salt per lane mile compared with 13.9 in New Hampshire, 8.7 in Maine and 12.7 in Massachusetts. During 1996, to date, Vermont has used 20 tons per lane mile in the St. Albans area, 12 tons per lane mile statewide compared with New Hampshire's rate of 9 tons per lane mile. These figures conclusively show that the New Hampshire Department of Transportation is making efforts and succeeding in not only reducing the use of salt, but becoming more effective at how the salt is used. The safety of New Hampshire's winter travelers and the ability of our visitors to arrive at and leave our tourist destinations with the knowledge that our roads will be in the best condition is an integral part of our economy. Vote 12-4.

Rep. Katherine D. Rogers for the Minority of the Committee of Public Works and Highways: This bill would have required the Commissioner of Transportation to reduce the amount of salt spread on the public highways by at least ten percent per year until no more than ten percent of the spread mix is salt; it would also require the Commissioner to adopt rules for the protection of public drinking supplies. New Hampshire currently drops roughly 140,000 tons of salt on New Hampshire's roadways each year at about $40 a ton, and while the Department of Transportation is making limited use of infrared sensor units to better control the spread of salt, and is in the second year of a study being conducted in conjunction with the Nashua Regional Planning Commission, the minority believes that more must be done. The continued reliance on massive amounts of salt on New Hampshire's roads has a negative effect on our water supplies and roadside vegetation, and a corrosive effect on our roads, bridges and automobiles. This legislature should go on record as supporting continued efforts to decrease the use of salt on the public highways.

Rep. Hall spoke against.

Rep. Gene Chandler spoke in favor and yielded to questions.

Rep. Ann Torr requested a roll call; sufficiently seconded. The question being the adoption of the report.

MOTION TO SPECIAL ORDER

Rep. Dickinson moved that **HB 1582**, authorizing the wetlands board to issue emergency permits in certain situations, be made a Special Order for Wednesday, March 6, 1996.

On a division vote, 194 members having voted in the affirmative and 94 in the negative, the motion was adopted.

SPECIAL ORDERS (Cont'd.)

HB 1235, establishing a committee to investigate the circumstances surrounding the bankruptcy of Public Service Company of New Hampshire and the subsequent actions that resulted from the takeover by Northeast Utilities. INEXPEDIENT TO LEGISLATE

Rep. Jeffrey C. MacGillivray for Science, Technology and Energy: The committee believes that an additional study committee is not required, given that we have the existing Retail Wheeling and Electric Utility Restructuring Committee, and the legislative oversight committee on electric utility restructuring being established by HB 1392. Members of the committee, with assistance from the PUC, will collect a 5-10 page summary of facts regarding the PSNH bankruptcy and the Rate Agreement. Vote 14-1.

Adopted.

Rep. Sabella declared a conflict of interest and did not participate.

HB 1422, prohibiting the costs for salaries of certain PSNH officials from being passed on to ratepayers. INEXPEDIENT TO LEGISLATE

Rep. Jeb E. Bradley for Science, Technology and Energy: After sending this bill to subcommittee, it was voted inexpedient. In a letter to the committee, the Public Utilities Commission stated it already has the authority to disallow portions of executive salaries. In fact, in the last five years there have been two cases where such salaries have been reduced. The committee decided this bill was not needed, as the PUC already has the necessary authority and has in fact used that authority. Vote 11-1.

Rep. Trombly spoke to the bill.

Adopted.

Rep. Sabella declared a conflict of interest and did not participate.

HB 1476, delaying the startup of the emissions testing program and requiring the commissioner of the department of environmental services to study and recommend statutory changes to reflect federal changes in the motor vehicle inspection and maintenance emissions testing program. OUGHT TO PASS WITH AMENDMENT

Rep. Donald B. White for Science, Technology and Energy: This bill enables the commissioner of the department of safety, consulting with the department of environmental services, to study changes in federal law governing motor vehicle inspection and maintenance emissions program. The commissioner must recommend statutory changes to reflect federal law; thus, emission inspections under RSA 268:5 will be delayed until the changes are considered by the general court. Vote 14-0.

Amendment (4552L)

Amend the title of the bill by replacing it with the following:

AN ACT

delaying the startup of the emissions testing program and requiring the commissioner of the department of safety to study and recommend statutory changes to reflect federal changes in the motor vehicle inspection and maintenance emissions testing program.

Amend the bill by replacing all after section 1 with the following:

2 Motor Vehicle Inspection and Maintenance Emissions Testing Program Study. The commissioner of the department of safety, in consultation with the commissioner of the department of environmental services, shall study and recommend statutory changes to reflect federal changes in the requirements of the motor vehicle inspection and maintenance emissions testing program. Notwithstanding any provision of law to the contrary, emissions inspection under RSA 268:5 shall not begin until the commissioner has submitted a report on this study to the speaker of the house, senate president, governor, and state library recommending statutory changes, and such changes have been considered by the general court.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill delays the startup of the motor vehicle inspections and maintenance emissions testing program until July 1, 1997.

This bill also requires the commissioner of the department of safety, in consultation with the commissioner of the department of environmental services, to study and recommend statutory changes to reflect federal changes in the motor vehicle inspection and maintenance emissions testing program.

Adopted.

Rep. Jeb Bradley yielded to questions.

Report adopted and ordered to third reading.

HB 1535, repealing the reorganization of Public Service Company of New Hampshire and prohibiting an increase in electric rates. INEXPEDIENT TO LEGISLATE

Rep. Jeb E. Bradley for Science, Technology and Energy: Despite sympathy for the intent of this bill to cap rates for the state's largest electric utility, the committee recognized that this bill, which calls for repeal of the rate agreement, is not a viable option. The language of that 1989 agreement is clear. Any changes must be mutually agreed upon by both the utility and the state. This bill abrogates that agreement and would be subject to litigation. With House passage of HB 1392 and hoped for Senate passage, a strong statement has been made that competition for customers by electricity generators can best lower prices in a way that does not abrogate the rate agreement. Vote 15-0.

Adopted.

Rep. Coes declared a conflict of interest and did not participate.

MOTION TO SPECIAL ORDER

Rep. Teschner moved that **HCR 22** rescinding the 1979 call for a federal constitutional convention and **HCR 27**, urging Congress to repeal certain Clean Water Act requirements be made Special Orders for Wednesday, March 6, 1996 and spoke in favor.

Adopted.

SPECIAL ORDERS (Cont'd.)

HB 1201-FN, including low digit number plates as vanity plates. INEXPEDIENT TO LEGISLATE

Rep. Thomas J. Boriso for Transportation: The committee couldn't buy into the concept of penalizing a certain group of license plate holders by charging an additional $25.00 annual fee for plate numbers 1 through 10000. We felt it would be discriminatory to those individuals who have possessed these plates for many years. Vote 10-4.

Rep. Trombly spoke against.

Reps. Mock and George Katsakiores spoke in favor and yielded to questions.

On a division vote, 186 members having voted in the affirmative and 110 in the negative, the report was adopted.

Rep. Scott declared a conflict of interest and did not participate.

HB 1298, relative to driver's licenses and motor vehicle registrations for members of the armed forces and their spouses. OUGHT TO PASS WITH AMENDMENT

Rep. Fred A. Kruse for Transportation: This bill provides that a resident of this state, and such resident's spouse, on active duty in the armed forces of the United States may elect to obtain a

New Hampshire driver's license by applying in person to the department of safety, division of motor vehicles, and is entitled to renewal of such license upon payment of the prescribed fees. It is an extension of the current practice of issuing licenses to active duty military personnel. Vote 11-3.

Amendment (4604L)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Members of Armed Services; Registration; Residency. Amend RSA 261 by inserting after section 45 the following new section:

261:45-a Members of Armed Services; Registration; Residency.

I. Notwithstanding any provision of law to the contrary, any resident of this state on active duty in the armed forces of the United States shall not be considered as having lost residence when the sole reason for the person's absence is compliance with military or naval orders.

II. For the purposes of this chapter, the spouse of any resident of this state on active duty in the armed forces of the United States may elect to register as a New Hampshire resident.

2 New Section; Members of Armed Services; Licenses; Residency. Amend RSA 263 by inserting after section 5-a the following new section:

263:5-b Members of Armed Services; Residency. Notwithstanding any provision of law to the contrary:

I. Any resident of this state on active duty in the armed forces of the United States shall not be considered as having lost residence when the sole reason for the person's absence is compliance with military or naval orders.

II. A resident of this state, and such resident's spouse, on active duty in the armed forces of the United States may elect to obtain a New Hampshire driver's license by applying in person to the department.

III. Any person obtaining a license under the provisions of this section shall obtain a photo identification within 30 days of returning to this state.

3 License Expiration. Amend RSA 263:11 to read as follows:

263:11 License Expiration; Members of the Armed Forces*; Spouses.*

I. Any person who is a member of the armed forces of the United States and who at the time of induction, call to active duty or enlistment into the armed forces for 2 or more years, was a resident of this state and was a holder of a valid New Hampshire license to drive motor vehicles in this state, is entitled to renewal of such license without cost by application to the division. Said application must be accompanied by a letter giving date of expiration of active duty, signed by a commissioned officer. Such a person while driving a motor vehicle shall carry upon his or her person the license issued. The privilege of this section remains in effect for 90 days after the discharge or release of such a person from active duty. Nothing in this section permits a person against whom a revocation or suspension of license is in force, or a person who has been refused a license by the director, to drive a motor vehicle.

II. The spouse of any resident of this state on active duty in the armed forces of the United States who is a holder of a valid New Hampshire license, is entitled to renewal of such license upon payment of the prescribed fees, by application to the division. The application must be accompanied by a letter giving date of expiration of active duty, and be signed by a commissioned officer.

4 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

HB 1417, allowing motor vehicle license plates to be transferred to family members. INEXPEDIENT TO LEGISLATE

Rep. Sherman A. Packard for Transportation: The committee felt that though this bill had good intentions, the majority of the committee believes that license plates are the property of the State of New Hampshire, and, thus, assignment of such plates should be the sole responsibility of the Department of Safety. Vote 11-3.

Reps. Burke and Krochmal spoke against.

Reps. Sherman Packard and George Katsakiores spoke in favor.

Rep. Mock spoke in favor and yielded to questions.

On a division vote, 173 members having voted in the affirmative and 122 in the negative, the report was adopted.

Rep. Little declared a conflict of interest and did not participate.

HB 1447, requiring a comprehensive review of driver education programs. INEXPEDIENT TO LEGISLATE

Rep. Fred A. Kruse for Transportation: This bill would have established a study of driver training curriculum to be performed by the Department of Transportation and the Department of Education. It was prompted by a series of fatal accidents involving teenage drivers. While the purpose is noble, the committee feels that such a study would not achieve the changes in human behavior that are required if the highway slaughter is to be reduced. Vote 9-3.

Reps. Gleason and Sabella spoke against.

Reps. Kruse and Mock spoke in favor.

Adopted.

HB 1102, requiring manufactured housing park owners to compensate residents for relocation costs due to a change in land use of the park. INEXPEDIENT TO LEGISLATE

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: The committee feels there is no need at the present time for this bill. There are other avenues for the tenants to take if and when this problem arises. Vote 17-0.

Adopted.

HB 1286, relative to the expulsion of a pupil for assaulting a teacher. OUGHT TO PASS WITH AMENDMENT

Rep. O. Alan Thulander for Education: This bill brings New Hampshire statutes into alignment with federal law and court decisions. It also enhances the ability of school officials to take swift and meaningful action concerning pupil disciplinary actions while providing pupils with adequate due process. Vote 16-0.

Amendment (4836L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the suspension and expulsion of pupils.

Amend the bill by replacing all after the enacting clause with the following:

1 Suspension and Expulsion of Pupils; Procedure. Amend RSA 193:13, I-III to read as follows:

I.*(a)* The superintendent or chief administering officer, or a representative designated in writing ***by the superintendent***, is authorized to suspend pupils from school ***for a period not to exceed 10 school days*** for gross misconduct or for neglect or refusal to conform to the reasonable rules of the school[, providing that where there is a suspension lasting beyond 5 school days, the parent or guardian has the right to appeal any such suspension to the local school board. Any suspension to continue beyond 20 school days must be approved by the local school board].

(b) The school board or a subcommittee of the school board is authorized, following a hearing, to continue the suspension of a pupil for a period in excess of 10 school days. Any suspension shall be valid throughout the school districts of the state, subject to modification by the superintendent of the school district in which the pupil seeks to enroll.

(c) Any suspension in excess of 10 school days imposed under subparagraph (b) by any person other than the school board is appealable to the school board, provided that the superintendent received such appeal in writing within 10 days after the issuance of the decision being appealed. The school board shall hold a hearing on the appeal, but shall have discretion to hear evidence or to rely upon the record of a hearing conducted under subparagraph (b). The suspension under subparagraph (b) shall be enforced while that appeal is pending, unless the school board stays the suspension while the appeal is pending.

II. Any pupil may be expelled from school by the local school board for gross misconduct, or for neglect or refusal to conform to the reasonable rules of the school, or for an act of theft, destruction, or violence as defined in RSA 193-D:1, or for possession of a pellet or BB gun or rifle and the pupil shall not attend school until restored by the local board. Any expulsion shall be subject to review if requested prior to the start of each school year and further, any parent or

guardian has the right to appeal any such expulsion by the local board to the state board of education. ***Any expulsion shall be valid throughout the school districts of the state subject to modification by the superintendent of the school district in which the pupil seeks to enroll.***

III. Any pupil who brings or possesses a firearm as defined in section 921 of Title 18 of the United States Code in a safe school zone as defined in RSA 193-D:1 without written authorization from the superintendent or designee shall be expelled from school by the local school board for a period of not less than 12 months. [Any expulsion shall be subject to review by the local school board if requested by a parent or guardian prior to the start of each school year, and further, any parent or guardian shall have the right to appeal any such expulsion by the local school board to the state board of education.]

2 New Paragraph; School Board Includes Authorized Committee. Amend RSA 193:13 by inserting after paragraph VI the following new paragraph:

VII. For purposes of paragraphs I, II, and III, school board may be either the school board or a committee duly authorized by the school board.

3 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill sets forth procedural requirements relative to the suspension and expulsion of pupils, and provides that the term "school board" includes a duly authorized committee.

Adopted.

Rep. Mirski offered a floor amendment.

Floor Amendment (5193L)

Amend RSA 193:13, III as inserted by section 1 of the bill by replacing it with the following:

III. Any pupil who brings or possesses a firearm as defined in section 921 of Title 18 of the United States Code ***as of January 1, 1996,*** in a safe school zone as defined in RSA 193-D:1 without written authorization from the superintendent or designee shall be expelled from school by the local school board for a period of not less than 12 months. [Any expulsion shall be subject to review by the local school board if requested by a parent or guardian prior to the start of each school year, and further, any parent or guardian shall have the right to appeal any such expulsion by the local school board to the state board of education.]

Rep. Mirski spoke in favor.

Rep. Larson spoke against.

The floor amendment failed.

Report adopted and ordered to third reading.

HB 1416, relative to property settlements in divorces caused by adultery. INEXPEDIENT TO LEGISLATE

Rep. Sandra Balomenos Keans for Judiciary and Family Law: The committee was very sympathetic to testimony that there are too many divorces and that children are the victims. However, it is not this committee's responsibility to rectify moral indiscretions. Furthermore, this would mean adultery would be the paramount issue in property settlements rather than just one of many considerations. Vote 13-1.

Rep. Goddard spoke against.

Rep. Keans spoke in favor.

Rep. Lockwood non-spoke in favor.

Rep. Goddard request a roll call; sufficiently seconded. The question being the adoption of the report.

HB 1568-FN, adopting the New Hampshire rules of civil procedure as law, which may be amended only by the legislature. INEXPEDIENT TO LEGISLATE

Reps. Margaret D. Halllyburton and David W. Hess for Judiciary and Family Law: This bill would directly violate the N.H. Constitution, Part II Art. 73-a, which confers rulemaking power to govern "practice and procedure" to be followed in all state courts to the chief justice with the concurrence of a majority of the supreme court justices. In addition, the bill would have New Hampshire adopt a version of federal court rules which are already 3 years out of date and significantly amended during the interim. Vote 14-1.

HB 1608, changing the membership of the judicial council. INEXPEDIENT TO LEGISLATE

Rep. Donald M. McMahon for Judiciary and Family Law: The committee agreed that since the council is not a policy-making body, the existing membership, appointed by statute, was not creating problems. In fact, it was brought to the committee's attention that the flow of information on matters involving the judiciary, the legislative, and executive branches of government is enhanced through council decisions. Vote 13-0.

Rep. McMahon yielded to questions.

Rep. Lockwood declared a conflict of interest and did not participate.

HB 1463-L, giving municipalities bonding authority for economic development purposes. OUGHT TO PASS WITH AMENDMENT

Rep. Allen L. Whipple for Municipal and County Government: This legislation allows a county or municipality limited bonding authority for economic development purposes after public hearings and local legislative approval. This enabling legislation should foster public/private cooperation. Vote 16-0.

Amendment (4937L)

Amend the title of the bill by replacing it with the following:

AN ACT

giving municipalities bonding authority for economic development purposes in certain situations.

Amend RSA 33:3 as inserted by section 1 of the bill by replacing it with the following:

33:3 Purpose of Issue of Bonds or Notes. A municipality or county may issue its bonds or notes for the acquisition of land, for planning relative to public facilities, for the construction, reconstruction, alteration and enlargement or purchase of public buildings, for other public works or improvements of a permanent nature, for the purchase of departmental equipment of a lasting character, [and] for the payment of judgments, ***and for purposes of economic development which shall include public-private partnerships involving capital improvements, loans and guarantees. The public benefit in any public-private partnership must outweigh any benefit accruing to a private party. Bonds or notes for the purposes of economic development may be issued only after the governing body of the municipality or county has held hearings and***

presented the public benefit findings to the public and after such issuance has been approved by the legislative body. A municipality or county shall not issue bonds or notes to provide for the payment of expenses for current maintenance and operation except as otherwise specifically provided by law.

AMENDED ANALYSIS

This bill gives municipalities bonding authority for the purposes of economic development in certain situations.

Rep. Mirski spoke against.

Rep. Whipple spoke in favor and yielded to questions.

MOTION TO LAY ON THE TABLE

Rep. Dwyer moved that **HB 1463**, giving municipalities bonding authority for economic development purposes, be laid on the table.

SPECIAL ORDERS (Cont'd)

HB 1471-L, allowing a municipality to adopt a per acre surcharge on all land taxed by the municipality. INEXPEDIENT TO LEGISLATE

Rep. Paul A. McGuirk for Municipal and County Government: The imposition of a surcharge on all land would discourage economic growth, provide for an inequitable tax policy and represents a new form of taxation. Furthermore, testimony received raised questions as to the constitutionality of this bill, thus the unanimous vote of Inexpedient to Legislate. Vote 16-0.

Rep. Shaw spoke against.

Rep. Behrens spoke in favor.

Adopted.

HB 1607-L, relative to the approval of articles at school district and town meetings. INEXPEDIENT TO LEGISLATE

Rep. Marian E. Lovejoy for Municipal and County Government: This bill, although well-intentioned, would allow voters to micro-manage school districts and municipalities. Policy should be left with the governing bodies. If their policies are not to the voters' approval, they can be voted out. Vote 14-1.

Rep. Behrens yielded to questions.

Adopted.

HB 1307, relative to the interstate emergency management compact. OUGHT TO PASS

Rep. Robert H. Milligan for Public Protection and Veterans Affairs: This bill is a modern version of the original Chapter 108, Interstate Civil Defense Compact. Gone are the references to blackouts, air raid drills, extinguishing of all lights and suspension of utility services. Replacing the nostalgia of Civil Defense, we have an agreement among states for mutual emergency aid when natural or man-made disasters occur. Emergency personnel will be allowed to operate in other political jurisdictions under certain emergency conditions. The committee agreed that this interstate compact is presented in the best interests of our citizens for their mutual protection when disaster strikes. Vote 15-0.

Rep. Welch yielded to questions.

Report adopted and ordered to third reading.

HB 1410-L, relative to special revenue funds, was removed at the request of Rep. John Chandler.

HB 1100, relative to the cutting of timber, was removed at the request of Rep. Gibson.

Consent Calendar adopted.

HB 1207, relative to coinsurance payments for covered services. OUGHT TO PASS WITH AMENDMENT

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: This bill clarifies how coinsurance for covered services are paid by the insured to the service provider. Vote 15-0.

Amendment (5032L)

Amend RSA 420-I:1, V as inserted by section 1 of the bill by replacing it with the following:

V. "Insured person" means a person who is covered by a contract with a carrier under which the carrier agrees to indemnify the person against specified losses or otherwise provides covered services.

Amend RSA 420-I:3 as inserted by section 1 of the bill by replacing it with the following:

420-I:3 Calculation of Coinsurance. Any coinsurance service that is payable by the insured person shall be calculated as a percentage of the amount paid by the carrier for such service at the time of the service as negotiated between the provider of the service and the carrier.

Amend RSA 420-I:4 as inserted by section 1 of the bill by replacing it with the following:

420-I:4 Enforcement; Rulemaking; Penalties.

I. The commissioner of insurance shall enforce this chapter and may adopt rules under RSA 541-A necessary to the proper enforcement of this chapter.

II. In the event of a violation of this chapter, the commissioner shall order the carrier to reimburse any insured person for any excess coinsurance paid by the person, and may fine the carrier an amount not to exceed the sum of $2,500 per violation.

AMENDED ANALYSIS

This bill requires any coinsurance for a covered service that is payable by the insured to the service provider to be calculated as a percentage of the amount paid by the carrier for such service at the time of the service as negotiated between the service provider and the carrier.

HB 1208, requiring consumer credit reporting agencies to disclose certain information to consumers. OUGHT TO PASS WITH AMENDMENT

Rep. Eric N. Lindblade for Commerce, Small Business, Consumer Affairs and Economic Development: We too often take our credit standing for granted. This bill enables us to keep current with our credit rating. The law already requires a free report when we inquire about a credit denial. A reply to such an inquiry must be answered by the agency within 30 days. Vote 12-0.

Amendment (5038L)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring consumer credit reporting agencies collecting data on a national basis to provide a consumer with one free consumer report annually.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Free Consumer Report. Amend RSA 359-B:9 by inserting after paragraph III the following new paragraph:

IV. Notwithstanding the provisions of paragraph III, any consumer reporting agency which collects data on a national basis shall provide a consumer, upon written request, one free consumer report annually.

2 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill requires consumer credit reporting agencies collecting data on a national basis to provide a consumer with one free consumer report annually.

HB 1211, prohibiting the denial of health insurance coverage based on participation in a legal activity. OUGHT TO PASS WITH AMENDMENT

Rep. Stephen T. DeStefano for Commerce, Small Business, Consumer Affairs and Economic Development: This bill adds a new subparagraph under RSA 417:4 VIII by prohibiting the denial of insurance coverage based on the perception or possibility of domestic abuse or violence. Vote 16-0.

Amendment (4932L)

Amend the title of the bill by replacing it with the following:

AN ACT

prohibiting the denial of insurance coverage based on the perception or possibility that the prospective insured is a victim of domestic abuse or violence

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Unfair Trade Practices. Amend RSA 417:4, VIII by inserting after subparagraph (e) the following new subparagraph:

(f) Refusing to insure or to continue to insure, or limiting the amount, extent or kind of coverage available solely because the applicant who is also the proposed insured has been or may become the victim of domestic abuse or violence. Nothing in this subparagraph shall prohibit an insurer from underwriting a risk on the basis of the physical or medical history or condition of the proposed insured, or other relevant factors relating to the proposed insured, at the time of application regardless of the underlying cause of the condition and in accordance with subparagraph (a) of this paragraph. No insurer shall be held criminally or civilly liable for any cause of action which may result from compliance with this subparagraph.

2 Applicability. Section 1 of this act shall apply to all insurance policies issued or renewed on or after January 1, 1997.

3 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill also prohibits insurers from denying an individual insurance of any type based solely on the fact or perception that the applicant is or may become a victim of domestic abuse.

HB 1369, providing for independent review of utilization review and health maintenance organization determinations. OUGHT TO PASS WITH AMENDMENT

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: This bill adds a requirement to existing law that nonprofit health service corporations and health maintenance organizations establish internal appeals processes for adverse actions. It further requires that at least one third of an appeals board established by a nonprofit health service corporation or a health maintenance organization be members who are not employees of the health plan. Vote 14-1.

Amendment (5127L)

Amend the title of the bill by replacing it with the following:

AN ACT

adding new requirements for appeals processes and appeals board membership relating to nonprofit health service corporations and health maintenance organizations.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Unfair Methods, Acts, and Practices Defined. Amend RSA 420-A:23, XIII by inserting after subparagraph (b) the following new subparagraph:

(c) As part of the complaint system, every nonprofit health service corporation shall establish an appeals process to allow enrolled participants to appeal adverse decisions. At least 1/3 of an appeals board shall be comprised of members who are not employees of the health plan.

2 New Paragraph; Complaint System. Amend RSA 420-B:11 by inserting after paragraph II the following new paragraph:

III. As part of the complaint system, every health maintenance organization shall establish an appeals process to allow enrolled participants to appeal adverse decisions. At least 1/3 of an appeals board shall be comprised of members who are not employees of the health plan.

3 Modification of Minimum Standards. Amend RSA 420-E:4, VI to read as follows:

VI. Upon reconsideration, as required under paragraph II of this section, utilization review determinations shall be made by persons of the same or similar specialty as the patient's health care provider ***who are not employees of the insurer***.

4 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill:

I. Adds a requirement to existing law that nonprofit health service corporations and health maintenance organizations establish internal appeals processes for adverse decisions.

II. Requires that at least 1/3 of an appeals board established by a nonprofit health service corporation or a health maintenance organization be members who are not employees of the health plan.

HB 1389, requiring dealers in new motor vehicles to provide service bulletins. INEXPEDIENT TO LEGISLATE

Rep. John B. Hunt for Commerce, Small Business, Consumer Affairs and Economic Development: Despite the sponsor's intent, this bill will not be much help to the consumer and will drive up the cost of an automobile if a consumer demanded to have a working part replaced just because a service bulletin was reported. A consumer would spend hours to find related bulletins due to the method in which they are organized. Vote 11-0.

HB 1405, requiring the banking department to conduct community reinvestment investigations as part of periodic bank examinations. INEXPEDIENT TO LEGISLATE

Rep. Eric N. Lindblade for Commerce, Small Business, Consumer Affairs and Economic Development: As the content of HB 1405 deals with the Community Reinvestment Act, we feel it properly belongs in HB 1429 and can be better studied under the aegis of that bill. Vote 15-0.

HB 1428, relative to state regulation of participation by foreign banks in the financial markets of New Hampshire. REFER FOR INTERIM STUDY

Rep. Eric N. Lindblade for Commerce, Small Business, Consumer Affairs and Economic Development: With barriers falling to the unrestricted movement of banks across national and international boundaries, it is incumbent upon us to provide as much protection as possible to our state chartered banks. A careful study of the needs in this area is a must. Vote 13-0.

HB 1429, establishing a study committee on interstate banking and branching. OUGHT TO PASS

Rep. Eric N. Lindblade for Commerce, Small Business, Consumer Affairs and Economic Development: The impending opening of our boundaries to interstate branching, the exporting of fees by federally chartered banks and the loophole created by the thirty mile rule requires a study in depth of the entire situation. Vote 15-0.

HB 1431, requiring individual health insurance policies to cover nonprescription enteral formulas. OUGHT TO PASS WITH AMENDMENT

Rep. Toni M. Crosby for Commerce, Small Business, Consumer Affairs and Economic Development: This bill, as amended, requires individual health insurance policies to cover nonprescription, medically necessary enteral formulas. The committee dealt with this very issue last year with respect to group policies and feels strongly that individual policies should also provide this life sustaining benefit. Vote 16-0.

Amendment (4996L)

Amend the bill by replacing section 1 with the following:

1 New Section; Individual Policies; Accident or Health Insurance. Amend RSA 415 by inserting after section 6-b the following new section:

415:6-c Coverage for Nonprescription Enteral Formulas.

I. Each insurer that issues or renews any individual policy of accident or health insurance providing benefits for medical or hospital expenses, shall provide to certificate holders of such insurance who are residents of this state, coverage for the provision of nonprescription enteral formulas for the treatment of impaired absorption of nutrients caused by disorders affecting the absorptive surface, functional length, or motility of the gastrointestinal tract. Such coverage shall be provided when the prescribing physician has issued a written order stating that the enteral formula is needed to sustain life, is medically necessary, and is the least restrictive and most cost effective means for meeting the needs of the patient.

II. Each insurer that issues or renews any individual policy of accident or health insurance providing benefits for medical or hospital expenses, shall provide to certificate holders of such insurance who are residents of this state, coverage for the provision of nonprescription enteral formulas and food products required for persons with inherited diseases of amino acids and organic acids. Such coverage shall be provided when the prescribing physician has issued a written order stating that the enteral formula or food product is medically necessary and is the least restrictive and most cost effective means for meeting the needs of the patient. Coverage for inherited diseases of amino acids and organic acids shall include food products modified to be low protein in an amount not to exceed $1,800 annually for any insured individual.

III. The benefits included in this section shall not be subject to any greater deductible than any other benefits provided by the insurer. The coinsurance required by the enrolled participant shall not exceed the amount allowed under the contract for the reasonable and customary charge for the service provided.

HB 1495, allowing municipalities with populations of over 20,000 to be characterized as regional economic development entities by the office of state planning for the purposes of allocation of certain state and federal funds. INEXPEDIENT TO LEGISLATE

Rep. John B. Hunt for Commerce, Small Business, Consumer Affairs and Economic Development: One city as a regional economic development entity flies in the face of the purpose of regional economic development. To pass this bill would hurt many small communities that are dominated by one city that may be tempted to leave a current regional economic development. Given the finite resources available for this program, this bill appears to be very inappropriate. Vote 16-0.

HB 1134-FN, relative to the sexual offenders registration law. OUGHT TO PASS WITH AMENDMENT

Rep. Anne M. Coughlin for Corrections and Criminal Justice: This bill is a request of the Department of Justice. It creates a new category for registration, "offender against children", and expands the crimes for which a person has to register as a sex offender or offender against children to include child pornography, prostitution involving a child, kidnapping, criminal restraint and false imprisonment. Vote 14-1.

Amendment (5129L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to registration of certain criminal offenders.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Registration of Criminal Offenders. Amend RSA by inserting after chapter 651-A the following new chapter:

CHAPTER 651-B

REGISTRATION OF CRIMINAL OFFENDERS

651-B:1 Definitions. In this chapter:

I. "Department" means the department of safety.

II. "Division" means the division of state police, department of safety.

III. "Sexual offender" means a person who has been convicted of any violation or attempted violation of:

(a) RSA 632-A:2, 632-A:3, 632-A:4, or 645:1, II; or

(b) A law of another state or the federal government reasonably equivalent to a violation listed in subparagraph (a).

IV. "Local law enforcement agency" means the chief of police in the city or town where the person resides or is temporarily domiciled, or, if the municipality has no police chief or if the person resides in an unincorporated place, the sheriff of the county where the person resides.

V. "Offender against children" means a person who has been convicted of any violation or attempted violation of offenses where the victim was under the age of 18 at the time of the offense including but not limited to:

(a) RSA 633:1, 633:2, 633:3; 645:2; or 649-A:3; or

(b) A law of another state or the federal government reasonably equivalent to a violation listed in subparagraph (a).

VI. "LENS system" means the law enforcement name search system.

651-B:2 Registration.

I. Every sexual offender or offender against children shall be registered with the department of safety, division of state police, as provided in this subdivision.

II. Upon receipt of information pursuant to RSA 106-B:14 concerning the conviction of any sex offender or offender against children, the division shall register such person and shall include the relevant information in the law enforcement name search (LENS) system.

III. Upon receipt from any out-of-state law enforcement agency of information that a sex offender or offender against children has moved to New Hampshire, the division shall register such person and shall include the relevant information in the LENS system.

651-B:3 Release of Certain Sexual Offenders Into the Community; Duties.

I. Upon release of any sexual offender or offender against children after conviction, whether on probation, parole, conditional or unconditional release, completion of sentence, or for any other reason, the official in charge of such release shall notify the offender of the offender's duty to report under this chapter. The offender shall acknowledge in writing that he has received such notice. The official shall obtain the address at which the offender expects to reside upon release and shall report such address to the department. The department shall inform the local law enforcement agency where the offender expects to reside. The division shall enter the information concerning the offender's release and notification in the LENS system.

II. Upon receipt from any out-of-state law enforcement agency of information that a sex offender or offender against children has moved to New Hampshire, the department shall locate and shall serve notice upon such offender of the offender's duty to report under this chapter. The offender shall acknowledge in writing that the offender has received such notice. The department shall obtain the address at which the offender expects to reside and shall inform the local law enforcement agency. The division shall enter the information concerning the offender's location in New Hampshire and notification in the LENS system.

651-B:4 Duty to Report.

I. Any person required to be registered under this chapter shall be required to report such person's current mailing address and place of residence or temporary domicile to the local law enforcement agency. Such report shall be made annually within 30 days after each anniversary of the person's date of release from custody following conviction, or after each anniversary of

the person's date of establishment of residence in New Hampshire if convicted elsewhere, and additionally within 30 days after any change of address or place of residence. Forms for reporting shall be provided by the department to each municipal police and county sheriff department, and shall include a copy to be receipted and returned to the person filing the report and a copy to be forwarded to the division. The division shall include such address report information in the LENS system, and shall also use the information to maintain a current address in the person's criminal record as maintained under RSA 106-B:14.

II. In addition to the requirements imposed under paragraph I of this section, the following provisions shall apply to any sexual offender or offender against children who is sentenced to an extended term of imprisonment pursuant to RSA 651:6, I(b):

(a) Every 90 days after the date of the offender's initial release or commencement of parole, the department shall mail a nonforwardable verification form to the offender's last reported address.

(b) The offender shall mail the verification form to the department within 10 days after receipt of the form.

(c) The verification form shall be signed by the offender, and state that the offender still resides at the address last reported to the local law enforcement agency.

651-B:5 Change of Address; Duty to Inform. When any person required to be registered under this chapter changes residence, the person shall give written notification of the person's new address to the local law enforcement agency to which he last reported under RSA 651-B:4 within 10 days of such change of residence. Such notice shall not relieve the person of the duty to report under RSA 651-B:4 at the new place of residence. The local law enforcement agency receiving such notice shall forward a copy to the division within 3 days after receipt. The division shall notify the local law enforcement agency at the new place of residence, or the appropriate out-of-state law enforcement agency if the new place of residence is outside New Hampshire, and shall include such change-of-address information in the LENS system.

651-B:6 Duration of Registration.

I. Any sexual offender convicted of a violation of RSA 632-A:2 or 632-A:3, or any offender against children convicted of a violation of RSA 633:1, 633:2, 645:2, II or 649-A:3, I, or of an equivalent offense in an out-of-state jurisdiction, shall be registered for life.

II. Any sexual offender convicted of a violation of RSA 632-A:4 or RSA 645:1, II, any offender against children convicted of a violation of RSA 633:3, 645:2, I or 649-A:3, III, or of an equivalent offense in an out-of-state jurisdiction, shall be registered for a 10-year period from the date of release following conviction, provided that any such registration period shall not run concurrently with any registration period resulting from a subsequent conviction.

III. Notwithstanding the provisions of paragraph II, any sexual offender or offender against children who is sentenced to an extended term of imprisonment pursuant to RSA 651:6, I(b) shall be registered for life.

651-B:7 Confidentiality. Any records established or information collected pursuant to the provisions of this chapter shall be classified as confidential under RSA 91-A:5, IV and shall be made available only to law enforcement officials and their authorized designees or to the individual requesting his own record in the LENS system. However, nothing in this section shall be construed to limit access to a person's criminal record under the provisions of RSA 106-B:14, including address information obtained under the provisions of this chapter.

651-B:8 Rules. The department shall adopt rules, pursuant to RSA 541-A, relative to forms and procedures for the administration of this chapter.

651-B:9 Penalty.

I. A sexual offender or offender against children who negligently fails to comply with the requirements of this chapter shall be guilty of a violation.

II. A sexual offender or offender against children who knowingly fails to comply with the requirements of this chapter shall be guilty of a misdemeanor.

III. Any person who violates the provisions of RSA 651-B:7 shall be guilty of a violation.

2 Repeal. RSA 632-A:11-632-A:19, relative to registration of sexual offenders, are repealed.

3 Applicability.

I. This act shall apply to any sexual offender, irrespective of the date of conviction of the offense, who:

(a) Is released into the community as provided in RSA 651-B:3 on or after July 16, 1993; or

(b) Has been released but has not completed his sentence before July 16, 1993; or

(c) Has completed his sentence not more than 6 years before January 1, 1994.

II. This act shall apply to any offender against children, irrespective of the date of conviction of the offense, who:

(a) Is released into the community as provided in RSA 651-B:3 on or after the effective date of this act; or

(b) Has been released but has not completed his sentence before the effective date of this act.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a new RSA chapter which requires the registration of persons convicted of the following offenses when the victim is under the age of 18:

I. Prostitution.

II. Child pornography.

III. Kidnapping.

IV. Criminal restraint.

V. False imprisonment.

Under current law, registration is required when the offense is aggravated felonious sexual assault, felonious sexual assault, or sexual assault, and for subsequent convictions of indecent exposure.

The bill repeals RSA 632-A:11-632-A:19, on registration of sexual offenders.

This bill is a request of the department of justice.

Referred to Finance.

HB 1214, establishing a committee to review the feasibility of establishing a DNA data base system. INEXPEDIENT TO LEGISLATE

Rep. Randy Lyman for Corrections and Criminal Justice: The committee agreed that the subject matter was completely addressed in HB 1584, making this bill unnecessary. Vote 13-0.

HB 1221, relative to operating emergency vehicles while intoxicated. OUGHT TO PASS WITH AMENDMENT

Rep. Everett A. Weare for Corrections and Criminal Justice: This bill prohibits anyone from operating emergency vehicles, private ambulances or privately owned vehicles while responding to an emergency with an alcohol concentration greater than 0.02 and sets forth a penalty for a violation. We believe state policy should reflect "zero tolerance" for alcohol consumption by drivers of emergency vehicles. Vote 14-0.

Amendment (5103L)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Operating Emergency Vehicles With Certain Alcohol Concentration Prohibited. Amend RSA 265:8 by inserting after paragraph VII the following new paragraph:

VIII.(a) No person shall drive or attempt to drive an emergency vehicle with an alcohol concentration of 0.02 or more. For the purposes of this section "emergency vehicle" shall include a vehicle as defined in RSA 259:28; a privately owned ambulance; or a privately owned vehicle being operated under the provisions of RSA 265:8, III.

(b) A person convicted under the provisions of subparagraph (a) shall be subject to the penalties set out in RSA 265:82-b.

2 New Paragraph; Emergency Vehicles Added. Amend RSA 265:82-b by inserting after paragraph IX the following new paragraph:

X. Any person convicted of a violation of RSA 265:8 shall be subject to the penalties set out in this section for a violation of RSA 265:82.

3 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill prohibits a person from operating an emergency vehicle with an alcohol concentration of 0.02 or more and establishes penalties for any person convicted of violating this provision.

HB 1367, permitting a fetus to be considered "another" for purposes of negligent homicide charges. REFER FOR INTERIM STUDY

Rep. Donna P. Sytek for Corrections and Criminal Justice: This bill seeks to address a gap in our current law. While it is first degree assault to cause a woman to have a miscarriage, this is treated as a crime against the mother. There is no penalty for the separate offense against the unborn child. The bill as introduced has a number of flaws, not the least of which is that it confers "personhood" on a fetus. This has unintended ramifications for other areas of civil law. We explored another approach, establishing feticide as a crime, but we would like more time to consider how such a provision would interact with other laws. Vote 13-0.

HB 1477, relative to penalties for a person driving while intoxicated or under the influence of drugs. OUGHT TO PASS WITH AMENDMENT

Rep. Everett A. Weare for Corrections and Criminal Justice: As circumstances and organizations change it is desirable to update the purpose of our D.W.I. laws and the programs they authorize. This bill delineates the responsibility for the operations of the impaired drivers intervention program, updates the multiple D.W.I. offenders law, and increases the penalty for those individuals who are convicted of third and subsequent D.W.I. offenses. Hopefully this will strengthen the idea "Don't Drink And Drive" and make our highways much safer. Vote 14-0.

Amendment (5164L)

Amend the bill by replacing all after the enacting clause with the following:

1 Impaired Driver Intervention Program; Reference Changed. Amend the introductory paragraph of RSA 172-B:2-a, II to read as follows:

II. The commissioner [jointly with the commissioner of safety] shall adopt rules, pursuant to RSA 541-A, relative to the impaired driver intervention programs and those programs equivalent to the M.O.P. as required in RSA ***263:65-a and RSA*** 265:82-b[, VI(b)] with respect to:

2 Multiple DWI Offender Intervention Detention Center Program. RSA 172-B:2-b is repealed and reenacted to read as follows:

172-B:2-b Multiple DWI Offender Intervention Detention Center Program.

I. The commissioner shall be responsible for administration and operation of the 7-day multiple DWI offender intervention detention center program which persons convicted under RSA 265:82 or RSA 265:82-a may be required to attend under the provisions of RSA 265:82-b.

II. Any person who attends the 7-day multiple DWI offender intervention detention center program shall be required to pay the fees for confinement and intervention costs prior to and as a prerequisite to admission into the program, except that prior payment shall not be required of any person convicted on a second or subsequent offense pursuant to RSA 265:82-b, II or III. The fees collected shall be deposited in a special account in the office of the state treasurer and utilized as provided in RSA 172-B:2-c.

III. The state operated 7-day multiple DWI offender intervention detention center program shall furnish to the courts and to the division of motor vehicles, department of safety, a report indicating when a person who attends the program pursuant to RSA 265:82-b has successfully completed the program. Included in that report shall be any recommendations for further treatment or involvement in a substance abuse program when appropriate and warranted. The court, upon receipt of such report, may after a hearing order the defendant to follow the treatment recommendations at a court-approved treatment facility.

IV. The commissioner shall submit an annual report on the 7-day state-operated multiple DWI offender intervention detention center program, on or before January 1 of each year, to the speaker of the house of representatives and the president of the senate.

V. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the operation of the 7-day multiple DWI offender intervention detention center program with respect to:

(a) Program curriculum and content.

(b) The fee to be paid by each client as provided in paragraph II and in RSA 265:82-b. Such fees shall be sufficient to make the program self-supporting, exclusive of start-up costs.

(c) Bed availability schedules.

(d) Any other matter related to the proper administration of this section.

3 Reference Change. Amend RSA 172-B:2-c to read as follows:

172-B:2-c Utilization of Funds. All funds derived from the fees collected by the commissioner under RSA 265:82-b[, I(b)(2),] shall be paid over to the state treasurer within 10 days of the subsequent month, or at an earlier date, for deposit into a separate account in the treasury known as the ***7-day*** multiple DWI offender intervention detention center program account. These funds are appropriated as indicated in the operating budget as a source of funds for the ***7-day*** multiple DWI offender intervention detention center program. Any funds remaining in the account over the appropriation indicated in the operating budget shall lapse into the general fund at the end of each fiscal year.

4 Reference Change. Amend RSA 263:65-a, IV(b) to read as follows:

(b) In the case of enrollment in the state-operated ***7-day*** multiple DWI offender intervention detention center, a person shall provide such certified copy at the time of enrollment or prior to the issuance of a report under ***RSA 172-B:2-b, III and*** RSA 265:82-b, [I(b)(2)] ***V***.

5 Penalties for Intoxicated or Under Influence of Drugs Offenses. RSA 265:82-b is repealed and reenacted to read as follows:

265:82-b Penalties for Intoxication or Under Influence of Drugs Offenses.

I. Except as otherwise provided in this section:

(a) Any person who is convicted of any offense under RSA 215-A:11, I or RSA 265:82 shall be:

(1) Guilty of a violation;

(2) Fined not less than $350; and

(3) The person's driver's license or privilege to drive shall be revoked for not less than 90 days and, at the discretion of the court, such revocation may be extended for a period not to exceed 2 years.

(b) Any person who is convicted of any aggravated DWI offense under RSA 215-A:11, II, or RSA 265:82-a, except as provided in subparagraph (c), shall be:

(1) Guilty of a misdemeanor;

(2) Fined not less than $500; and

(3) The person's driver's license or privilege to drive shall be revoked for not less than 1 year and, at the discretion of the court, such revocation may be extended for a period not to exceed 2 years.

(c) Any person who is convicted of aggravated DWI under RSA 215-A:11, II(a)(1) or II(b)(1), or RSA 265:82-a, I(b) or II(b), shall be:

(1) Guilty of a class B felony;

(2) Fined not less than $1,000; and

(3) The person's driver's license or privilege to drive shall be revoked for not less than 1 year and, at the discretion of the court, such revocation may be extended for a period not to exceed 2 years.

II. Upon conviction of any offense under RSA 215-A:11, RSA 265:82, or RSA 265:82-a, based on a complaint which alleged that the person has had one or more prior convictions under RSA 215-A:11, RSA 265:82, or RSA 265:82-a, or RSA 630:3, II, or under reasonably equivalent offenses in an out-of-state jurisdiction, within 7 years preceding the date of the second or subsequent offense, the person shall be subject to the following penalties in addition to those provided in paragraph I:

(a) For a second offense:

(1) The person shall be guilty of a misdemeanor.

(2) The person shall be fined not less than $500.

(3) The person shall be sentenced to a mandatory sentence of not less than 10 consecutive days of which 3 consecutive 24-hour periods shall be served in the county correctional facility and 7 consecutive 24-hour periods shall be served at the state-operated 7-day multiple DWI offender intervention detention center established under RSA 172-B:2-b within 21 days after conviction or at the end of the defendant's appeals period, except that in circumstances where the state-operated 7-day multiple DWI offender intervention detention center has no available space the person shall be assigned the first available space.

(4) The person's driver's license or privilege to drive shall be revoked for not less than 3 years.

(5) The person shall pay a fee to the commissioner, as required under RSA 172-B:2-b, for the costs of the state-operated 7-day multiple DWI offender intervention detention center program.

(6) A defendant who fails to complete the program shall be in contempt of court and shall serve a minimum of 30 days in the county correctional facility.

(b) For a third offense, any person convicted under this paragraph shall be subject to all the penalties of subparagraph (a) except that:

(1) The person's driver's license or privilege to drive shall be revoked indefinitely and shall not be restored for at least 5 years. At the end of the 5-year minimum revocation period the person may petition the court for eligibility to reapply for a driver's license and the court, for good cause shown, may grant such eligibility subject to such terms and conditions as the court may prescribe. Any untimely petition under this subparagraph shall be dismissed without a hearing. If such petition is granted and the person is otherwise eligible for license restoration, the person may then apply to the director for restoration of driver's license, but the license shall not be restored until the provisions of RSA 263:65-a and all other requirements under law are met.

(2) If the person has completed the state-operated 7-day multiple DWI offender intervention detention center program as required under subparagraph (a)(3) upon conviction for a prior offense, the person shall be sentenced to imprisonment for a period of not less than 30 consecutive 24-hour periods, and shall complete at the person's own expense a 28-day treatment program before the driver's license may be restored.

(c) For a fourth or subsequent offense, any person convicted under this paragraph shall be subject to all the penalties of subparagraphs (a) and (b) except that the person's driver's license or privilege to drive shall be revoked indefinitely and the person shall not petition for eligibility to reapply for a driver's license as provided in subparagraph (b)(1) for at least 7 years.

(d) For a third or subsequent offense when any prior offense under this paragraph is negligent homicide under RSA 630:3, II, or reasonably equivalent offense in an out-of-state jurisdiction, the person convicted under this paragraph shall be subject to all the penalties of subparagraphs (a) and (b) except that the person's driver's license or privilege to drive shall be revoked indefinitely and the person shall not petition for eligibility to reapply for a driver's license as provided in subparagraph (b)(1) for at least 10 years.

III. If any person is convicted of a violation of RSA 215-A:11, RSA 265:82, or RSA 265:82-a, and the conviction is not based upon a complaint which alleges prior convictions as provided in RSA 265:82-b, II, but the person is found to have had one or more such prior convictions in this state or in an out-of-state jurisdiction within the 7-year period, the person's driver's license or privilege to drive shall be revoked for not less than 180 days nor more than 3 years. The license shall not be restored until the person has successfully completed a 7-day program at the state-operated multiple DWI offender intervention detention center program or an equivalent 7-day residential intervention program approved by the director of the office of alcohol and drug abuse prevention, as provided in RSA 172-B:2-b and RSA 263:65-a, at the person's own expense. The court may order attendance at a residential treatment center, for a period not to exceed 30 days, at the person's own expense.

IV. For the purposes of this section:

(a) "Revocation" or "revoked" means revocation as defined in RSA 259:90 and also includes, if the person is a nonresident, the revocation of the person's privilege as an out-of-state driver to drive on any ways of this state.

(b) "Out-of-state jurisdiction" includes any governmental entity that issues driver's licenses that are valid for operating a motor vehicle on the ways of this state as provided in RSA 263:37, and that has laws relating to driving while intoxicated that are reasonably equivalent to the laws of this state.

V. No portion of the minimum mandatory sentence of imprisonment and no portion of the mandatory sentence of the period of revocation and no portion of any fine imposed under this section shall be suspended or reduced by the court. No case brought to enforce this section shall be continued for sentencing for longer than 35 days. No person serving the minimum mandatory sentence under this section shall be discharged pursuant to authority granted under RSA 651:18, released pursuant to authority granted under RSA 651:19, or in any manner, except as provided in RSA 623:1, prevented from serving the full amount of such minimum mandatory sentence under any authority granted by RSA title LXII or any other provision of law.

VI. Upon conviction under the provisions of RSA 215-A:11, RSA 265:82, or RSA 265:82-a, the prosecutor shall present to the court a certified copy of the defendant's record of convictions of motor vehicle offenses under RSA title XXI and reasonably equivalent offenses in out-of-state jurisdictions which are on record at the New Hampshire division of motor vehicles or known to the prosecutor, or a signed statement that the defendant has no such prior convictions within the preceding 7 years. Prior to sentencing the court shall note on the complaint the number of prior convictions for drug or alcohol-related motor vehicle offenses, or the absence of any such prior convictions, as shown on such report or statement.

VII. Any conviction under RSA 215-A:11, RSA 265:82, or RSA 265:82-a, shall be reported to the commissioner of the department of safety, division of motor vehicles, and shall become a part of the motor vehicle driving record of the person convicted.

VIII. Any person convicted of a violation of RSA 215-A:11, RSA 265:82, or RSA 265:82-a, and who at the time of driving a vehicle or off highway recreational vehicle was transporting a person under the age of 16 shall have the driver's license or privilege to drive revoked for the maximum time period under the section violated and the person's license or privilege to drive shall not be restored until the offender has successfully completed a 7-day program at the state-operated multiple DWI offender program or an equivalent 7-day residential intervention program approved by the commissioner at the person's own expense.

6 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill increases penalties for a person convicted of DWI-related offenses and reorganizes the penalty section of the DWI statutes.

HB 1543, relative to the confidentiality of records and information collected pursuant to the registration of sexual offenders. OUGHT TO PASS WITH AMENDMENT

Rep. Anne M. Coughlin for Corrections and Criminal Justice: This bill is a New Hampshire version of Megan's Law. It allows law enforcement agencies to inform schools, youth groups, daycare centers and other organizations that serve children that a convicted sex offender is living or working in their area. This bill does not call for full public disclosure because sections of Megan's Law doing so have been challenged in court. This bill does offer significantly greater protection to our most vulnerable population - our children. Vote 15-0.

Amendment (5137L)

Amend RSA 632-A:17, VIII as inserted by section 1 of the bill to read as follows:

VIII. Notwithstanding any other provision of law to the contrary, any person other than the sex offender, who makes or fails to make a disclosure of information as authorized by paragraph II(c) or V shall not be liable in any civil or criminal action. Nothing in this section shall be deemed to grant any such immunity to any person for that person's reckless or wanton act of commission or omission.

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect 60 days after its passage.

HB 1548, relative to county attorneys. OUGHT TO PASS WITH AMENDMENT

Rep. Andrew Christie, Jr. for Corrections and Criminal Justice: This bill removes the 25-year cap (Re: period of incarceration) on cases that county attorneys may prosecute because today they routinely deal with cases that allow for sentences of more than 25 years. It also provides that assistant county attorneys serve at the pleasure of the county attorney. Additionally, it removes the superior court as the approval authority for assistant county attorneys and that duty is given to the attorney general. Lastly it allows the county attorney to refuse to pay for autopsies that he has not authorized. Vote 13-0.

Amendment (5083L)

Amend the bill by replacing all after the enacting clause with the following:

1 Powers and Duties of the State's Attorney. Amend RSA 7:6 to read as follows:

7:6 Powers and Duties as State's Attorney. The attorney general shall act as attorney for the state in all criminal and civil [causes] ***cases*** in the supreme court in which the state is interested, and in the prosecution of persons accused of crimes punishable with death or imprisonment for

life [or for 25 years or more]. [He] ***The attorney general*** shall have and exercise general supervision of the criminal [causes] ***cases*** pending before the supreme and superior courts of the state, and with the aid of the county attorneys, [of the several counties he] ***the attorney general*** shall enforce the criminal laws of the state.

2 Employment of Contract Assistant County Attorney. Amend RSA 7:33-b to read as follows:

7:33-b [Special] ***Contract*** Assistant County Attorney. [By nomination of the presiding justice of the superior court, and] ***With the*** approval of the applicable county commissioners ***and attorney general,*** a county attorney is hereby authorized to employ a [special] ***contract*** assistant county attorney to assist [him] ***the county attorney*** whenever the criminal dockets are backlogged with caseloads such as to make it expedient to do so. The compensation for such officer shall be fixed by the executive committee of the county convention and shall be on a per diem basis.

3 Assistant County Attorneys. RSA 7:33-f is repealed and reenacted to read as follows:

7:33-f Assistant County Attorneys Permitted. The county attorney, subject to the approval of the attorney general, may appoint assistant county attorneys within the limits of the appropriation made for the appointment of assistants. Assistant county attorneys shall serve at the pleasure of the county attorney.

4 New Section; Special Assistant County Attorneys. Amend RSA 7 by inserting after section 33-f the following new section:

7:33-g Special Assistant County Attorneys Permitted. The county attorney may appoint, with the approval of the attorney general, special assistant county attorneys to assist with criminal cases when the county attorney believes it is expedient to do so. Special assistant county attorneys shall act under the supervision, direction, and control of the county attorney and shall serve without compensation at the pleasure of the county attorney.

5 Medical Examiner Account. Amend RSA 611:17 to read as follows:

611:17 Medical Examiner Accounts. Medical examiners shall submit all claims for fees and expenses to the office of the chief medical examiner, which shall authorize such claims and submit them for payment [to the county treasurer.] ***as follows:***

I. For autopsies and expenses not requested or approved by the county attorney or the attorney general, such claims shall be submitted to the state treasurer, chargeable to the account of the chief medical examiner's office.

II. For autopsies and expenses authorized by the county attorney, such claims shall be approved by the county attorney and submitted for payment to the county treasurer.

6 Repeal. The following are repealed:

I. RSA 7:33-a, relative to the assistant county attorney for the county of Hillsborough.

II. RSA 7:33-c, relative to assistant county attorneys in Hillsborough county.

7 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill changes the appointment procedures for assistant county attorneys. It permits a county attorney, with the approval of the attorney general, to appoint a contract assistant county attorney.

This bill also requires the office of the chief medical examiner to submit claims for fees and expenses to the state treasurer.

This bill is a request of the committee established in 1995, 79:1, to examine the best way to ensure an efficient system of criminal prosecution at the district and superior court level.

HB 1549, relative to the admissibility of a prior sexual assault into evidence in certain prosecutions. OUGHT TO PASS WITH AMENDMENT

Rep. Donna P. Sytek for Corrections and Criminal Justice: This bill addresses the admissibility of evidence of prior sexual assaults in criminal or civil cases for sexual assault. It creates a rebuttable presumption that such evidence is relevant for a proper purpose, and redefines motive in a way that is consistent with modern understanding of sexual offenders. The amendment also adds a statement of purpose elaborating on the reasons the bill is necessary and desirable. Vote 16-0.

Amendment (5037L)

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The general court makes the following findings:

I. The public has a strong interest in assuring that persons who commit violent sexual assaults, like those who commit other crimes, are brought to justice. However, sexual assaults present unique problems of proof. They are often committed in the absence of eyewitnesses, and there is little or no corroborating physical evidence, particularly if the victim delays reporting the assault. The prosecution frequently rests exclusively on the victim's testimony, and the jury's decision is dependent on its assessment of the relative credibility of the victim and the defendant. The victims are often children whose credibility readily can be attacked in the absence of substantial corroboration. Additionally, unlike other criminal offenses, the alleged consent of the victim is frequently at issue in sexual assault prosecutions.

II. Sexual assaults are also unique in that they are frequently not isolated events, but are part of a pattern of sexual assaults by the assailant against the same or other victims. Offenders frequently target and assault multiple victims. In cases in which an assailant has committed repeated sexual assaults against the same victim, an individual assault is often integrally related to the others and cannot fully or fairly be understood by a jury outside of the context in which it occurred. In such cases, the fact that the victim has been subjected to other assaults by the defendant may explain, for example, the victim's reaction to the assault in question, including his or her failure to resist the assault or to delay in reporting it. In cases in which a defendant is alleged to have sexually assaulted a child, evidence that he or she has sexually assaulted other children is generally probative to show a motive to commit the assault in question, since the defendant is attracted to children. In cases in which an assailant has committed sexual assaults against different adult victims, evidence of the other assaults is often generally probative of a motive to commit the assault at issue.

III. Given the egregious nature of the crime of sexual assault and the peculiarities attendant to its proof, there is a compelling public interest in admitting all relevant evidence that will illumine the credibility of the alleged victim, while assuring a fair trial for the defendant. In most prosecutions or civil suits arising from sexual assaults, evidence of other sexual assaults committed by the defendant is highly relevant. Therefore, its admission will advance the truth-seeking function of the trial. By strengthening the legal system's tools for bringing the perpetrators of these crimes to justice, this reform will better protect the public from crimes of sexual violence.

2 New Paragraph; Admissibility of Other Sexual Assaults. Amend RSA 632-A:6 by inserting after paragraph IV the following new paragraph:

V.(a) In criminal prosecutions for offenses set forth in RSA 632-A, for incest and endangering the welfare of a child or incompetent in violation of RSA 639, and for attempts and conspiracies to commit those crimes, and in civil suits for sexual assault, there shall be a rebuttable presumption that evidence of any other sexual assault committed by the defendant is admissible and may be considered for any relevant purpose other than showing the defendant's character. In cases where there is evidence of other sexual assaults by the defendant against the same victim, there shall be a rebuttable presumption that such evidence is admissible to show the defendant's motive, intent, the context of the assault in question, and the relationship of the parties. In cases where there is evidence of other sexual assaults by the defendant against different victims, there shall be rebuttable presumption that such evidence is admissible to show the defendant's motive and intent. The evidence shall not be excluded unless the trial court finds that the probative value of such evidence is substantially outweighed by the danger of unfair prejudice to the defendant.

(b) As used in subparagraph (a), the term "motive" includes a desire to engage in sexual activity with a certain victim or type of victim, or a desire to control or harm others through sexual assault.

(c) The purposes for which evidence of other sexual assaults may be admitted are not limited to those identified in subparagraph (a). Such evidence continues to be admissible for any relevant purpose except character. The fact that it may also be relevant to character does not render it inadmissible if it is relevant for some other purpose.

3 Applicability. This act shall apply only to criminal prosecutions of crimes committed on or after July 1, 1996.

4 Effective Date. This act shall take effect on July 1, 1996.

HB 1249, providing for the election of the members of the state board of education, one from each of the executive councilor districts. INEXPEDIENT TO LEGISLATE

Rep. O. Alan Thulander for Education: The state board is an entity of the executive branch, appointed by governor and council. As such, it is an integral part of the elected chief executive's program objectives. Reducing the membership of the board would place an additional burden on the remaining members, further complicating the fulfillment of their important responsibilities. Vote 18-2.

HB 1396-L, relative to the roles of public school teachers and programs. INEXPEDIENT TO LEGISLATE

Rep. Karen K. Hutchinson for Education: This legislation, while well intended, does not accomplish the intended outcome. Vote 20-0.

HB 1397, relative to the employment of school personnel and administrators. INEXPEDIENT TO LEGISLATE

Rep. George W. Wright for Education: The committee has put forth another teacher evaluation and remediation proposal which it feels better addresses those issues and which will not be in conflict with existing school contracts. Vote 20-0.

HB 1472, establishing a committee to study ways to enhance the postsecondary education system so as to attract European businesses. OUGHT TO PASS

Rep. O. Alan Thulander for Education: This bill establishes a committee to study and recommend ways to leverage New Hampshire's secondary, postsecondary and university systems to be attractive resources to foreign firms investing in New Hampshire. The proximity of Europe makes New Hampshire's educational, transportation and communication infrastructure particularly useful in gaining high wage jobs, but the committee would be open to any legitimate foreign investment regardless of origin. Vote 19-1.

HB 1109, requiring schools of cosmetology and barbering to be bonded. INEXPEDIENT TO LEGISLATE

Rep. John P. Beaulieu for Executive Departments and Administration: This bill would have required that schools of cosmetology and barbering be bonded. The committee feels that this bill is unnecessary since only one school has failed in recent memory. The Board of Barbering, Cosmetology and Esthetics did not see any reason to pass this legislation at this time. Vote 13-2.

HB 1111, establishing a committee to study boards and commissions. INEXPEDIENT TO LEGISLATE

Rep. Mary E. Brown for Executive Departments and Administration: The issues in this bill have been incorporated in HB 1181 with the agreement of the sponsor. Therefore, this bill is not needed. Vote 15-0.

HB 1121, creating a committee to study the real estate investment practices of the New Hampshire retirement system. INEXPEDIENT TO LEGISLATE

Rep. Merton S. Dyer for Executive Departments and Administration: This bill was voted inexpedient to legislate because the scope of the bill is very narrow and HB 1112, which has passed the house, will establish a study committee to study all of the investment practices of the New Hampshire Retirement System, including real estate investments. Vote 16-0.

HB 1169, authorizing the division of human services to impose administrative fines on certain nursing homes. OUGHT TO PASS WITH AMENDMENT

Rep. Jon P. Beaulieu for Executive Departments and Administration: This bill was a request of the Division of Human Services, Department of Health and Human Services so that they would be in compliance with Federal law, which requires the imposition of administrative fines on nursing homes which violate the divisions' rules regulating nursing homes. All parties involved are in agreement with this legislation. Vote 14-0.

Amendment (5119L)

Amend the title of the bill by replacing it with the following:

AN ACT

authorizing the department of health and human services to impose administrative fines on certain nursing homes.

Amend the bill by replacing section 1 with the following:

1 New Subdivision; Administrative Fines. Amend RSA 167 by inserting after 167:92 the following new subdivision:

Administrative Fines

167:93 Administrative Fines. The commissioner of health and human services, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine pursuant to 42 C.F.R. 488-478 for each offense upon any person who violates any provision of RSA 167 or any rule adopted pursuant to such chapter relative to nursing home enforcement. Rehearings and appeals under this section shall be in accordance with RSA 541. Any administrative fine imposed under this section shall not preclude the imposition of further penalties under this chapter. The commissioner shall adopt rules, under RSA 541-A, relative to the enforcement of this section.

AMENDED ANALYSIS

This bill authorizes the department of health and human services to impose administrative fines on nursing homes which violate the department's rules regulating nursing homes.

HB 1223, relative to the personnel appeals board. INEXPEDIENT TO LEGISLATE

Rep. Myron S. Steere, III for Executive Departments and Administration: The committee agreed that the statistical record of the Personnel Appeals Board cases indicated that few problems exist. The concern of the committee was that the one line change in RSA 21-I:58 in the bill could significantly increase appeals to the New Hampshire Supreme Court. Vote 15-0.

HB 1230, relative to the authority of the boxing and wrestling commission. REFER FOR INTERIM STUDY

Rep. Ray F. Langer for Executive Departments and Administration: This bill was influenced by the inactivity of the present state boxing commission to assure that amateur boxers could compete in New Hampshire in bouts sanctioned by the United States Amateur Boxing, Inc. and that the participants would be eligible to represent New Hampshire in Golden Gloves and/or Olympic competition. The Boxing Commission's actions makes those amateurs who wish to compete in exhibition go out of state if they wish to compete and, if successful, they represent the state in which they compete, not New Hampshire. Vote 14-1.

HB 1240-FN, restoring the spousal benefit to certain group II retirees. INEXPEDIENT TO LEGISLATE

Rep. Merton S. Dyer for Executive Departments and Administration: The committee found that this bill would change the statutes in regards to spousal benefits. The spousal benefits were changed in 1993 to bring the New Hampshire Retirement System into compliance with the federal regulations (ERISA) covering retirement system. Also, the committee found that there is a fiscal impact that could not be met by the special account as required by RSA 100-A:16; II(h). Vote 12-0.

HB 1254-L, relative to police employees who volunteer to participate in educational programs. INEXPEDIENT TO LEGISLATE

Rep. Merton S. Dyer for Executive Departments and Administration: This bill makes reference to payments by the state but the intent of the sponsors was that it apply to the counties. This bill will not accomplish what the sponsors wanted. The changes should come from the counties working with the New Hampshire Department of Labor and the county corrections officials. Vote 15-0.

HB 1279, relative to the qualifications necessary for licensing nonresident estheticians. INEXPEDIENT TO LEGISLATE

Rep. John P. Beaulieu for Executive Departments and Administration: This bill would have required persons licensed as estheticians in other states to have completed a total of 450 hours of training before being licensed in New Hampshire. Testimony by the Board of Barbering, Cosmetology & Esthetics indicated that the board was already using this requirement via rules that require 450 hours of training. The committee agreed that this legislation was not necessary. Vote 14-0.

HB 1328, establishing a committee to study methods of promoting greater efficiency in state government through privatization and competitive bidding for contracts by state employees. INEXPEDIENT TO LEGISLATE

Rep. Merton S. Dyer for Executive Departments and Administration: The committee heard good testimony about the possibilities of privatization of state functions and the idea of a study. In 1993-1994, a study committee was formed under Chapter 153 and spent two years looking at this subject. A report was issued in 1995 stating that agencies can move toward privatization, now, without a study committee, and this has already been done in various agencies. Vote 13-1.

HB 1438, relative to the regulation of public accountants. INEXPEDIENT TO LEGISLATE

Rep. Myron S. Steere, III for Executive Departments and Administration: A number of flaws were identified in the bill by the Board of Accountancy and the committee. The Board of Accountancy will be working to update and correct the legislation with the intent of introducing a bill in the next session. Vote 15-0.

HB 1499-FN, establishing the New Hampshire board of nursing as an independent agency. OUGHT TO PASS WITH AMENDMENT

Rep. Merton S. Dyer for Executive Departments and Administration: The amendment to this bill corrects the title to more accurately reflect the subject of the bill. The amendment also makes minor changes that are required by the passage of HB 32 which altered the structure of the Department of Health and Human Services. The purpose of the bill is to change the Board of Nursing from a line department in the Division of Public Health to an administratively attached agency to the Department of Health and Human Services. This brings the Board of Nursing in line with other boards and commissions that were formerly attached to the Department of Education before reorganization during the 1980s. This change will make the board more accountable to those they oversee and will allow them to function in the manner the legislature intended when the concept of administratively attached status was instituted, RSA 21-G:10. Vote 15-0.

Amendment (4907L)

Amend the title of the bill by replacing it with the following:

AN ACT

making the board of nursing administratively attached to the department of health and human services and removing the oversight authority of the commissioner of health and human services.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Board Administratively Attached. Amend RSA 326-B by inserting after section 3 the following new section:

326-B:3-a Administrative Attachment. The New Hampshire board of nursing established under RSA 326-B:3 shall be administratively attached, under RSA 21-G:10, to the department of health and human services.

2 Independent Board Authority. Amend the introductory paragraph of RSA 326-B:4 to read as follows:

[The board shall function under the commissioner of the department of health and human services who shall supervise the business administration and the reporting of the board.] The board [is authorized to] ***may***:

3 Independent Board Hiring Authority. Amend RSA 326-B:4, XI to read as follows:

XI. Obtain legal counsel, hearing officers, accountants and such other employees, assistants, and agents as may be necessary, in the opinion of the board [and the commissioner of the department of health and human services], to administer and enforce the provisions of this chapter.

4 Independent Board Rulemaking Authority. Amend the introductory paragraph of RSA 326-B:4-a to read as follows:

The board shall adopt rules, [after receiving assurance from the commissioner of the department of health and human services that the proposed rules conform to RSA 326-B and are not in conflict with other statutes,] pursuant to RSA 541-A, relative to:

5 Independent Board Authority to Hire Executive Director. Amend RSA 326-B:5, I to read as follows:

I. The [commissioner of the department of health and human services shall hire, subject to board approval, the] executive director[,] ***shall be hired by the board and shall be*** a nurse

qualified to administer the provisions of this chapter. The executive director shall hire and supervise the staff necessary to carry out the administrative services associated with the board. The executive director shall be responsible to the [commissioner of the department of health and human services] ***board***.

6 Administrative Transfer to the Board of Nursing. All the functions, duties, personnel, records, property, and funds of the New Hampshire board of nursing are hereby transferred from the commissioner of the department of health and human services to the executive director of the board of nursing.

7 Repeal. The following are repealed:

I. RSA 326-B:4, XIII, relative to the annual report submitted to the commissioner of the department of health and human services.

II. RSA 326-B:5, II and III, relative to administrative services performed by the commissioner of the department of health and human services.

8 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill makes the board of nursing administratively attached to the department of health and human services and removes the oversight authority of the commissioner of the department of health and human services.

Under current law the commissioner of the department of health and human services has certain authority over the board of nursing.

This bill is a request of the board of nursing.

HB 1545, relative to state policies on documents transmitted by facsimile and recognizing the validity of faxed search and arrest warrants and domestic violence orders. OUGHT TO PASS WITH AMENDMENT

Rep. Sylvia A. Holley for Executive Departments and Administration: This amendment changes the title of the bill which recognizes the validity of faxed search and arrest warrants and domestic violence temporary and final orders and provides backup original documentation requirements. Vote 13-0.

Amendment (5089L)

Amend the title of the bill by replacing it with the following:

AN ACT

recognizing the validity of faxed search and arrest warrants and domestic violence orders.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Faxed Warrants and Orders. Amend RSA 595-A by inserting after section 9 the following new section:

595-A:10 Validity of Faxed Warrants and Orders. Search warrants, arrest warrants, and domestic violence temporary and final orders may be applied for telephonically with or without facsimile supporting documents, and may be issued telephonically or by facsimile. The original documents, including the warrant application, the warrant, and the supporting affidavit must be received by the authorized judge within 5 business days.

2 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill recognizes the validity of faxed search and arrest warrants and domestic violence temporary and final orders.

HB 1551, establishing a committee to study the functions and duties of the New Hampshire retirement system actuary. OUGHT TO PASS

Rep. Merton S. Dyer for Executive Departments and Administration: When the committee did a study in 1995 on a re-referred bill, we found the information from the actuary confusing and difficult to use. The passage of this bill will allow a study committee to work with the actuary and the New Hampshire Retirement System to determine proper guidelines to follow in assessing the cost of future legislation coming before the General Court. This is not a duplication of the study done in 1993-1994 by Ernst and Young, whose report was issued in March, 1994. Vote 16-0.

HB 1618, repealing the requirement that soil scientists be certified. REFER FOR INTERIM STUDY

Rep. Warren E. Goddard for Executive Departments and Administration: The sponsors of this bill claim that the certification of soil scientists is an unfair work restriction to others of equal competency. This claim will be studied. Proponents and opponents have agreed to work together to assist the study. Vote 13-0.

HB 1210, amending the workers' compensation law to provide an exemption from coverage requirements for nonresident employees. OUGHT TO PASS

Rep. Paul E. St. Hilaire for Labor, Industrial and Rehabilitative Services: This bill creates an exemption from the requirements of RSA 281-A for employees who are working in this state temporarily, if the employer is also out-of-state. Vote 15-0.

HB 1277, relative to notification regarding workers' compensation coverage for subcontractors. INEXPEDIENT TO LEGISLATE

Rep. Lorraine R. Palmer for Labor, Industrial and Rehabilitative Services: The committee could not find anyone in either the insurance or contracting field who had a problem with present notification methods. Vote 13-0.

HB 1345, relative to the definition of "unemployment" for the purposes of unemployment compensation. OUGHT TO PASS WITH AMENDMENT

Rep. Edgar H. Mears for Labor, Industrial and Rehabilitative Services: The bill modifies the definition of "employment" and temporarily designates a portion of employer contributions of unemployment compensation for deposit in the administrative fund, 282-A:138. The bill also adjusts the weekly benefit schedule for individuals, effective June 30, 1997. Vote 15-2.

Amendment (5047L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the definition of "unemployment" for the purposes of unemployment compensation, the weekly benefit amount schedule, and designating a portion of the employer contribution to the unemployment compensation fund.

Amend the bill by replacing all after section 3 with the following:

4 Weekly Benefit Amount; June 30, 1997. RSA 282-A:25, I is repealed and reenacted to read as follows:

I. The maximum weekly benefit amount and maximum benefits payable to an eligible individual in any benefit year shall be determined by the individual's annual earnings, of which in each of 2 calendar quarters the individual must have earned not less than $1,200, as follows:

Annual Earnings of Not Less Than	*Maximum Weekly Benefit Amount*	*Maximum Benefits*

5 New Paragraph; Administrative Contribution. Amend RSA 282-A:87 by inserting after paragraph III the following new paragraph:

IV.(a) Each employer subject to payment of contributions pursuant to RSA 282-A:69, I shall have its rate reduced by 1/10 of one percent beginning in the second quarter of 1996. An administrative contribution equal to the amount of this reduction shall be paid by all such employers and deposited in the fund established by RSA 282-A:140 and shall be expended only as provided by and for the purposes provided in that section, and not for any other purpose.

(b) Timely administrative contributions received under this paragraph shall be credited to the separate account of the employer established under RSA 282-A:74.

(c) All costs incurred in the collection of the administrative contributions shall be paid from funds derived from such contributions.

(d) The commissioner shall report to the advisory council on unemployment compensation quarterly all moneys collected and amounts expended. When, in the opinion of the commissioner with the advice and consent of the advisory council on unemployment compensation, sums collected exceed anticipated expenditures, the commissioner shall transfer such excess funds to the unemployment compensation fund established under RSA 282-A:103.

(e) In the event employment security programs are devolved to the state by the federal government prior to July 1, 2002, the advisory council on unemployment compensation shall meet and review the administrative funding provisions provided in such legislation and advise the commissioner whether to submit legislation to repeal the reserve fund prior to July 1, 2002.

6 Repeal. The following are repealed.

I. RSA 282-A:9, IV(d), relative to temporary service performed for a political committee or candidate.

II. RSA 282-A:87, IV, relative to designating a portion of employer contributions for unemployment compensation to the contingent fund.

7 Effective Date.

I. Sections 1-3 and paragraph I of section 6 of this act shall take effect January 1, 1997.

II. Section 4 of this act shall take effect June 30, 1997.

III. Paragraph II of section 6 of this act shall take effect July 1, 2002.

IV. The remainder of this act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill:

I. Modifies the definition of "employment" for the purposes of unemployment compensation.

II. Adjusts the weekly benefit schedule for eligible individuals effective June 30, 1997.

III. Temporarily designates a portion of employer contributions for unemployment compensation for deposit in the contingent fund.

HB 1137, prohibiting lobbyists from serving on the legislative ethics committee. REFER FOR INTERIM STUDY

Rep. Raymond Buckley for Legislative Administration: The committee feels that this issue warrants further study in conjunction with HB 1402, also sponsored by the same person. The committee believes that the issue of ethics in government deserves our utmost attention. Vote 12-0.

HB 1175, repealing the law requiring general court members to list emergency interim successors. OUGHT TO PASS WITH AMENDMENT

Rep. Kenneth W. Malcolm for Legislative Administration: This bill is a housekeeping bill to repeal RSA 17L, which has not been used for several years. It also repeals RSA 108-A, as less than 40 percent of eligible representatives have participated. Vote 11-0.

Amendment (4701L)

Amend the title of the bill by replacing it with the following:

AN ACT

repealing the law requiring general court members to list emergency interim successors, repealing the law establishing a joint committee on implementation of reorganization relative to the executive branch, and allowing the governor to appoint a designee on the local government advisory committee.

Amend the bill by replacing all after the enacting clause with the following:

1 Repeals. The following are repealed:

I. RSA 17-L, relative to the joint committee on reorganization.

II. RSA 108-A, relative to the emergency interim succession act.

2 Designee Added. Amend RSA 19-F:1, III to read as follows:

III. The governor ***or designee***.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill repeals the following:

I. RSA 17-L, which establishes a joint committee on reorganization to implement reorganization relative to the executive branch; and

II. RSA 108-A, which requires each legislator to designate between 3 and 5 emergency interim successors to act for the legislator in case of an emergency attack.

This bill also allows the governor to appoint a designee on the local government advisory committee.

HB 1246, relative to gender neutral drafting. INEXPEDIENT TO LEGISLATE

Rep. Pamela B. Bean for Legislative Administration: At the present time, the Office of Legislative Services is making changes in gender neutral language as the RSAs are changed and they are constantly looking for more efficient ways to make these changes. If the changes were done in enrolled bills, as this bill suggests, it would require additional staff and cause a great deal of extra work for the enrolled bill committee at an already busy time. Vote 12-0.

HB 1510, relative to the qualifications for holding a partisan elected position. INEXPEDIENT TO LEGISLATE

Rep. Raymond Buckley for Legislative Administration: The sponsors intent was to solve a local problem that should be addressed at the local level. The committee also heard testimony that this bill may be unconstitutional. Vote 11-0.

HB 1145-FN-L, authorizing municipalities to charge fees for certain administrative costs connected with excavation permits. OUGHT TO PASS WITH AMENDMENT

Rep. Betsey L. Patten for Municipal and County Government: Sections 1 and 3 of this bill bring the enforcement remedies for violations of the excavation laws in line with the language of the land use laws governing subdivision and site plan review violations by allowing the municipality to recover fees for notice and review of documents. Section 2 puts the cost of special investigative studies into the permit process under RSA 155-E:3, VII. Vote 13-0.

Amendment (5088L)

Amend the bill by replacing all after section 1 with the following:

2 Application for Excavation Permit; Investigative Studies. Amend RSA 155-E:3, VII to read as follows:

VII. Such other information ***or other special investigative studies*** as the regulator may reasonably [require] ***deem necessary***.

3 New Paragraph; Administrative Expense Recovery Authorized. Amend RSA 155-E:11 by inserting after paragraph II the following new paragraph:

III. The regulator may impose reasonable fees to cover the costs of notice under RSA 155-E:7, and to cover its administrative expenses, review of documents, and other matters which may be required by particular applications or proceedings before the regulator under this chapter.

4 Effective Date. This act shall take effect January 1, 1997.

HB 1251-L, limiting a municipality's recovery under the alternate tax lien procedure to the extent of the tax lien. INEXPEDIENT TO LEGISLATE

Rep. Richard Noyes for Municipal and County Government: The bill addresses and tries to resolve a fairness issue which has a broad root system in New Hampshire's property tax structure. The committee agrees the issue will not just go away, but that efforts to amend a partial resolution are less promising than new legislation in another year could be. Vote 16-1.

HB 1300, relative to the enforcement of zoning regulations. OUGHT TO PASS WITH AMENDMENT

Rep. Betsey L. Patten for Municipal and County Government: Presently it is close to impossible to find that a dimensional zoning violation discovered after the enactment of a zoning ordinance meets the stringent rule of "hardship." The committee felt that 1) relief for this situation is needed, and 2) the zoning board of appeals should have some discretion to apply common sense to each individual situation. This bill gives the zoning board of appeals a set of objective criteria to enable them to grant an "equitable dimensional waiver." Vote 18-0.

Amendment (4961L)

Amend the bill by replacing section 4 with the following:

4 New Section; Equitable Waiver of Dimensional Requirement. Amend RSA 674 by inserting after section 33 the following new section:

674:33-a Equitable Waiver of Dimensional Requirement.

I. When a lot or other division of land, or structure thereupon, is discovered to be in violation of a physical layout or dimensional requirement imposed by a zoning ordinance enacted pursuant to RSA 674:16, the zoning board of adjustment shall have the power, upon application by and with the burden of proof on the property owner, to grant an equitable waiver from the requirement, if and only if the board makes all of the following findings:

(a) That the violation was not noticed or discovered by any owner, former owner, owner's agent or representative, or municipal official, until after a structure in violation had been substantially completed, or until after a lot or other division of land in violation had been subdivided by conveyance to a bona fide purchaser for value;

(b) That the violation was not an outcome of ignorance of the law or ordinance, failure to inquire, obfuscation, misrepresentation, or bad faith on the part of any owner, owner's agent or representative, but was instead caused by either a good faith error in measurement or calculation made by an owner or owner's agent, or by an error in ordinance interpretation or applicability made by a municipal official in the process of issuing a permit over which that official had authority;

(c) That the physical or dimensional violation does not constitute a public or private nuisance, nor diminish the value of other property in the area, nor interfere with or adversely affect any present or permissible future uses of any such property; and

(d) That due to the degree of past construction or investment made in ignorance of the facts constituting the violation, the cost of correction so far outweighs any public benefit to be gained, that it would be inequitable to require the violation to be corrected.

II. Application and hearing procedures for equitable waivers under this section shall be governed by RSA 676:5 through 7. Rehearings and appeals shall be governed by RSA 677:2 through 14.

III. Waivers shall be granted under this section only from physical layout, mathematical or dimensional requirements, and not from use restrictions. An equitable waiver granted under this section shall not be construed as a nonconforming use, and shall not exempt future use, construction, reconstruction, or additions on the property from full compliance with the ordinance. This section shall not be construed to alter the principle that owners of land are bound by constructive knowledge of all applicable requirements. This section shall not be construed to impose upon municipal officials any duty to guarantee the correctness of plans reviewed by them or property inspected by them.

AMENDED ANALYSIS

Section 4 of this bill gives authority to a zoning board of adjustment to grant an equitable waiver for certain violations of dimensional or physical layout requirements of zoning ordinances upon application and hearing by the property owner.

The remainder of this bill amends certain RSA provisions making them gender neutral and consistent with other sections amended by the bill in accordance with RSA 17-A:6 relative to gender neutral drafting.

HB 1558-FN-L, relative to municipal services and the taxation rate for condominium owners. OUGHT TO PASS WITH AMENDMENT

Rep. Linda T. Foster for Municipal and County Government: This bill deals with real and/or perceived taxation discrepancies between condominiums and other properties within a municipality. The committee believes that the issue deserves further study to ascertain if discrepancies exist and if they can be addressed. Vote 17-0.

Amendment (5035L)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a study committee on taxation of real estate which does not receive municipal services.

Amend the bill by replacing all after the enacting clause with the following:

1 Study Committee.

I. There is established a committee to study issues related to taxation of real estate for which municipalities do not provide municipal services. The committee shall also study required disclosure by sellers of real estate to buyers of real estate not serviced by municipalities. The committee shall consist of the following members:

(a) Four house members, 2 from the municipal and county government committee and 2 from the commerce, small business, consumer affairs, and economic development committee, appointed by the speaker of the house.

(b) Two senators, appointed by the senate president.

II. The committee shall meet within 60 days of the effective date of this act. The first-named house member shall call the first meeting of the committee. Members of the committee shall receive mileage at the legislative rate.

III. The committee shall submit a report of its findings, including any recommendations for legislation to the speaker of the house, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 1996.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a study committee on taxation of real estate which does not receive municipal services.

HB 1170, prohibiting a sworn law enforcement officer from holding a private detective's license. OUGHT TO PASS

Rep. Leo P. Pepino for Public Protection and Veterans Affairs: This bill prohibits sworn law enforcement officers employed by the state or any political subdivision from holding a New Hampshire private detective's license. Testimony identified the potential conflict of interest of a law enforcement officer who serves in the interest of the public and may also hold a private detective's license and serves his employer for private interest and personal gain. Access to law enforcement computerized information by law enforcement officers should not be available to private detectives for their own interests. Is this abuse widespread? The answer appears to be no, but several states do prohibit law enforcement officers from federal as well as state and local agencies from holding private detectives licenses. The Director of Police Standards and Training says any department can eliminate the problem by establishing "Standard Operating Procedures" within their departments. The committee, however, felt that the public confidence is best served by passage of this bill. Vote 12-0.

HB 1267, relative to retail licenses to sell pistols and revolvers. OUGHT TO PASS

Rep. Bruce F. Hunter for Public Protection and Veterans Affairs: The State Police issue the forms for these licenses and no fees are collected by the state or town that grants the license. This bill authorizes the change from one to three year as an administrative change affecting towns and cities with limited financial impact. Vote 11-0.

HJR 24, encouraging the Department of the Navy to name a ship the U.S.S. New Hampshire. OUGHT TO PASS WITH AMENDMENT

Rep. Thomas A. Varrell for Public Protection and Veterans Affairs: New Hampshire has a long and distinguished history in the naval service of the United States, dating from the construction of the first United States Navy Capital Ship, the "USS Raleigh" through the construction and memorializing of the "USS Albacore". This joint resolution perpetuates this long and honored history by encouraging the Department of the United States Navy to continue this history and tradition by naming a future United States naval vessel, the "USS New Hampshire". Vote 11-0.

Amendment (4913L)

Amend the resolution by replacing the title of the resolution with the following:

A RESOLUTION

encouraging the Department of the Navy to name a vessel the U.S.S. New Hampshire.

Amend the resolution by replacing all after the title with the following:

Whereas, the State of New Hampshire was the ninth state to enter the union; and

Whereas, the first-in-the-nation New Hampshire presidential primary plays a vital role in the election of our nation's presidents; and

Whereas, 59 servicemen from New Hampshire have earned the United States highest military honor, the Congressional Medal of Honor; and

Whereas, since June 12, 1800, the Portsmouth Naval Shipyard has provided invaluable service to the fleet; and

Whereas, New Hampshire was the home of Franklin Pierce, the fourteenth president of the United States; and

Whereas, New Hampshire veterans have fought for the United States in every major conflict in American history; and

Whereas, the people of New Hampshire are extremely proud of their service members who today serve in all corners of the world; and

Whereas, the United States Navy has not had a commissioned vessel in its fleet honoring the state of New Hampshire since May 21, 1921; now, therefore, be it

Resolved by the Senate and House of Representatives in General Court convened:

That the state of New Hampshire encourages the Department of the Navy to name a vessel in its fleet the U.S.S. New Hampshire; and

That copies of this resolution signed by the governor, the speaker of the house, and the president of the senate be forwarded by the house clerk to each member of the New Hampshire congressional delegation to be forwarded to the Secretary of the Navy for consideration and appropriate action.

AMENDED ANALYSIS

This house joint resolution encourages the Department of the Navy to name a vessel the U.S.S. New Hampshire.

HB 1282, permitting certain on-sale licensees to offer beer and wine tastings. OUGHT TO PASS WITH AMENDMENT

Rep. Stephen G. Avery for Regulated Revenues: This bill as amended will allow beer tastings to take place, the same as liquor and wine tastings in the state. The amendment was recommended by the Liquor Commission to take care of some inequities in the present law. Vote 11-0.

Amendment (4947L)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing certain liquor licensees to conduct beverage, liquor, or wine tastings on licensed premises.

Amend the bill by replacing all after the enacting clause with the following:

1 Free Drinks. RSA 179:44 is repealed and reenacted to read as follows:

179:44 Free Drinks.

I. No licensee shall give away free drinks to customers, patrons, members or guests, in any manner.

II. Notwithstanding the above, beverage manufacturers, beverage vendors, beverage vendor importers, brewpubs, wholesale distributors and their beverage representatives or liquor or wine vendors, their liquor and wine representatives, domestic wine manufacturer and on-sale and off-sale licensees may conduct beverage, liquor or wine tasting, as applicable on licensed premises. Liquor, beverage or wine tasting shall be conducted only during such hours as are authorized by the commission for the sale of the product on the premises.

III. Liquor, beverage or wine samples shall be consumed on the premises, and liquor or wine for this purpose shall be purchased from the commission under conditions prescribed by this title. Beverage samples for a tasting shall only be obtained as prescribed by this title.

IV. The commission may adopt rules, pursuant to RSA 541-A, establishing the criteria and procedures for liquor and wine tasting within the state.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows certain liquor licensees to conduct beverage, liquor, or wine tastings on licensed premises.

HB 1400, repealing certain liquor licensing requirements for veterans' clubs and social clubs. OUGHT TO PASS WITH AMENDMENT

Rep. Francis C. Vincent for Regulated Revenues: The committee agrees with the sponsor that new regulations are very difficult for veterans' clubs to comply with. NH Liquor Commission enforcement officer agreed that veterans' clubs were not the problem, that "private" social clubs are. As amended, this bill makes the distinction between the clubs for compliance with RSA 178:20, V(h). Vote 11-1.

Amendment (4950L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to liquor licensing requirements for veterans' clubs and social clubs.

Amend the bill by replacing all after the enacting clause with the following:

1 Criminal Penalty for Filing False or Deceptive Report Repealed. Amend RSA 178:20, V(h)(1) to read as follows:

(1) The commission may issue cocktail lounge licenses to social or veterans' clubs incorporated under the laws of the state and which may be affiliated with any national fraternal organization, for the sale of liquor and beverages to members and guests in a room or rooms approved by the commission. A licensee under this section shall sell for convenience and for a reasonable profit to be determined by the commission. Each licensee shall make a sworn report

to the commission for each month on or before the fifteenth of the following month, in such form as the commission may require, showing the income from liquor and beverages sold and the expenses properly chargeable to the business for the month. The cost of the cocktail lounge license shall be considered an expense chargeable to the business. [Any person who files a false or deceptive report under this section shall be guilty of a misdemeanor.] ***Veterans clubs which qualify as "club-veterans" under RSA 175:1, XXII shall be exempt from the requirements of subparagraphs V(h)(6)-(8) and V(h)(9)(B)-(12).***

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill exempts veterans' clubs from certain liquor licensing requirements for veterans clubs and social clubs.

HB 1192, relative to the definition of developed waterfront property. OUGHT TO PASS

Rep. Deborah F. Merritt for Resources, Recreation and Development: This bill expands the definition of developed waterfront property to include any parcel of land which is contiguous to or within 200 feet of tidal waters. It will require the owner of the property to have a site assessment study done to determine if the site meets septic disposal systems standards. This assessment will only be done prior to the signing of a purchase and sale agreement, a practice currently required of owners of land contiguous to great ponds. The majority of the committee believes this assessment will provide consumer protection to the buyers of developed waterfront property. Vote 14-1.

HB 1261, relative to ice racing. INEXPEDIENT TO LEGISLATE

Rep. William E. Williams, Jr. for Resources, Recreation and Development: The concerns of this bill, primarily litter and clean-up, are already addressed in existing legislation and are presently administered by the Fish and Game Department and the Department of Environmental Services. Vote 15-0.

HB 1274-FN, relative to rights-of-way to certain bodies of water. OUGHT TO PASS

Rep. Howard C. Dickinson, Jr. for Resources, Recreation and Development: This bill repeals the right-of-way board which was set up to make recommendations concerning acquisitions of rights-of-way to recreational waters if the land to any body of water is held by any state agency or department. It was filed at the request of the Department of Transportation and was supported by the Department of Environmental Services. This board has been inactive for many years and its repeal will save some $10,000 per year in administrative costs. Vote 15-0.

HB 1289-L, relative to restrictions on waters used as a public water supply and requiring municipal approval for certain water withdrawals. OUGHT TO PASS WITH AMENDMENT

Rep. Martin Feuerstein for Resources, Recreation and Development: This bill will treat both public and private boat access areas on public waters serving as a public or private water supply on the same basis with regard to the Department of Environmental Services approvals, Public Utilities Commission notifications and consultation with the Public Water Access Advisory Board. The provisions regarding water withdrawal from a well in one municipality for use in another in the original bill will not solve any existing problems of utilities to manage their systems efficiently. Any change in existing practices regarding such withdrawals will tend to create divisiveness between municipalities. Water resources are held in trust by the state for the benefit of all its citizens. The Department of Environmental Services and the Public Utilities Commission have the role of ensuring that water resources are properly monitored and fairly distributed. Vote 14-1.

Amendment (5135L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to restrictions on waters used as a public water supply.

Amend the bill by replacing all after the enacting clause with the following:

1 Restrictions on Water Used As a Public Water Supply. Amend RSA 233-A:11 to read as follows:

233-A:11 Public Water Supply. No public boat access area ***or privately owned or maintained boat access area*** shall be constructed to any public waters which serve as a public water supply for a public or private water utility company, without the approval of the department of environmental services, ***prior consultation with the public water access advisory board, as provided in RSA 485:23-a,*** and notification to the public utilities commission for any water utility under its jurisdiction.

2 New Section; Review of Private Access Facilities. Amend RSA 485 by inserting after section 23 the following new section:

485:23-a Review of Private Access Facilities. No private boat access facility shall be constructed to any public waters which serve as a public water supply for a public or private water utility company, without the approval of the department of environmental services upon consultation with the public water access advisory board and notification to the public utilities commission for any water utility under its jurisdiction.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill prohibits the construction of any privately owned or maintained boat access area on any public waters which serve as a public water supply without the approval of the department of environmental services and prior consultation of the public water access advisory board and notification to the public utilities commission.

HB 1315, relative to the use of certain products containing phosphates. OUGHT TO PASS WITH AMENDMENT

Rep. Rudolf A. Adler for Resources, Recreation and Development: This bill prohibits the use of any fertilizer, except limestone, within 25 feet of the reference line (shoreline) of any property. Beyond the 25 foot reference line only low phosphate, slow nitrogen release fertilizer may be used. Vote 14-1.

Amendment (5091L)

Amend the bill by replacing sections 1 and 2 with the following:

1 Minimum Shoreland Protection Standards; Fertilizer Use. RSA 483-B:9, II(d) is repealed and reenacted to read as follows:

(d) No fertilizer, except limestone, shall be used within 25 feet of the reference line of any property. Twenty-five feet beyond the reference line, low phosphate, slow release nitrogen fertilizer or limestone, may be used on lawns or areas with grass.

2 New Paragraph; Use of Certain Fertilizers; Rulemaking. Amend RSA 483-B:17 by inserting after paragraph V the following new paragraph:

VI. Criteria governing low phosphate, slow nitrogen release fertilizer.

AMENDED ANALYSIS

This bill restricts the use of certain fertilizers under the shoreland protection act.

HB 1337-FN, repealing the fee for recording plans and specifications for sewage and waste disposal systems. REFER FOR INTERIM STUDY

Rep. Howard C. Dickinson, Jr. for Resources, Recreation and Development: On February 15th, this bill was recommitted back to the committee at the request of the Environment and Agriculture Committee for consideration of an amendment. Before the scheduled hearing on February 22, an agreement was reached to attach the amendment to HB 1399 in the Finance Committee and the hearing was cancelled. In order to keep an eye on the program to access records concerning septic system information, the committee unanimously agreed to send this bill to interim study. Vote 20-0.

HB 1546, promoting boating safety awareness. OUGHT TO PASS WITH AMENDMENT

Rep. Peter O. Crowell for Resources, Recreation and Development: This bill requires that registrants and operators of vessels on New Hampshire waters acknowledge their familiarity with the boating laws by signing a checklist prepared by the Department of Safety. This bill was submitted after a summer of public hearings on re-referred HB 605-FN related to boater safety education of 16 year olds. Much public testimony addressed the tragedies and near misses caused

by operators who have limited knowledge, no knowledge, or complete disregard of the laws of navigation. Many states have initiated licensing or mandatory education; however, the committee felt that a complete leap into licensing was unnecessary at this time. Vote 16-0.

Amendment (5148L)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Boating Safety. Amend RSA 270-D by inserting after section 2 the following new section:

270-D:2-a Boating Safety Checklist.

I.(a) No person shall register a vessel for operation on any waters of this state, including tidal and coastal waters and all inland waters, unless the registrant initials the checklist portion of the registration form, prepared by the department of safety, which certifies the registrant's knowledge of boating safety laws.

(b) No person shall rent a vessel for operation on any waters of this state, including tidal and coastal waters and all inland waters, unless the rental operator initials a rental safety checklist, prepared by the department of safety, which certifies the rental operator's knowledge of boating safety laws.

II.(a) The registration checklist and rental safety checklist shall include, but shall not be limited to, knowledge of the following provisions of the marine laws:

(1) Safe passage.
(2) DWI.
(3) Headway speed.
(4) Safety equipment.
(5) Navigational lights requirements.

(b) The checklists shall include a provision which states that the registrant or rental operator is responsible for anyone who operates the vessel in accordance with RSA 270-D.

III. The registration checklist and rental safety checklist shall include a provision in which the registrant acknowledges that the director may require the registrant or operator to attend a boating safety course, as provided in RSA 270:46-a, for violating any of the boating laws or rules of the division.

2 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill requires any person operating a vessel on the waters of this state to demonstrate the operator's knowledge of boating safety laws.

HB 1222, establishing a council on applied technology. OUGHT TO PASS WITH AMENDMENT

Rep. Bernard D. Lamach for Science, Technology and Energy: The bill establishes the New Hampshire Council on Applied Technology and Innovation to study relevant information by which current technology may assist and reduce costs for state and local governments. Ten house members, ten senators, the Governor or designee, Commissioner, Department of Resources and Economic Development or designee, Chancellor of the University System or designee, Commissioner of Technical Colleges or designee will comprise the council, as well as additional non-legislative members as the council may deem appropriate. Vote 13-0.

Amendment (4798L)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a council on applied technology and innovation.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; New Hampshire Council on Applied Technology and Innovation Established. Amend RSA by inserting after chapter 12-G the following new chapter:

CHAPTER 12-H

NEW HAMPSHIRE COUNCIL ON APPLIED TECHNOLOGY AND INNOVATION

12-H:1 New Hampshire Council on Applied Technology and Innovation Established.

I. There is established a council to gather and disseminate information relative to the application of technology-based innovations, inventions, adaptations, and other uses in or by the private and public sectors in New Hampshire. Specifically, the council shall study all relevant information in applied technology including, but not limited to:

(a) Promoting efficiencies in the work place.

(b) Providing tools to improve education techniques.

(c) Exploring ways by which technology may reduce the costs of state and local government operations.

(d) Identifying the means by which New Hampshire may become more attractive to technology-based business.

(e) Anticipating technology-based issues with which the state of New Hampshire, its municipalities, its businesses, its educational communities, or its citizens must contend.

II. The council shall consist of the following members:

(a) Ten house members, 2 members from the house science and technology committee, 2 members from the house commerce, small business, consumer affairs and economic development committee, 2 members from the education committee, 2 members from the municipal and county government committee, 2 members-at-large, all appointed by the speaker of the house.

(b) Ten senators, 2 senators from the senate economic development committee, 2 senators from the education committee, 2 senators from the public affairs committee, and 4 senators-at-large, all appointed by the senate president.

(c) The governor, or designee, the commissioner of the department of education, or designee, the commissioner of the department of resources and economic development, or designee, the chancellor of the university system, or designee, and the commissioner of regional community-technical colleges, or designee.

(d) Additional non-legislative members as the council may deem appropriate, without restriction as to number. In order that its pool of information and resources is as broad as possible, the council is encouraged to recruit these additional members, additional participants, and guest speakers, who may represent state or local government entities, private businesses, business or trade groups, educational groups or institutions or any other relevant interest.

III. The legislative members shall receive mileage at the legislative rate for attending to the duties of the council. The legislative members shall serve a term which is coterminous with their elected office and the members under subparagraph II(c) shall serve a term which is coterminous with their appointed office. The other members of the council shall serve 3-year terms.

IV. To fund the on-going expenses and activities of the council, the council shall be permitted to solicit contributions from any appropriate source other than from state revenues and to maintain such contributions in a nonlapsing account in the state treasurer's office. At no time shall the total amount of funds in the nonlapsing account be greater than $20,000.

V. The council shall meet as often as is deemed appropriate by its membership, providing that the council meets no less than once each quarter of the year.

12-H:2 Report. The council shall file a periodic summary of its findings, along with such recommendations as may be warranted, in a time-frame deemed appropriate by the council members, but not less than annually by September 1 of each year. Such reports shall be issued to the governor, the speaker of the house, the president of the senate, the chairperson of each committee represented on the council and to the general membership of the council.

2 Appointments; Meetings. Appointments of members under this act shall be made within 30 days of the effective date of this act. The first-named house member shall call the first meeting of the council within 60 days of the effective date of this act. The members shall elect a chairperson from among the membership at the first meeting.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes the New Hampshire council on applied technology and innovation. The council is to study all relevant information on applied technology on an ongoing basis.

HB 1353, relative to shared tenant telecommunication services. REFER FOR INTERIM STUDY

Rep. Lawrence J. Guay for Science, Technology and Energy: This bill defines "shared tenant services" relating to telecommunication services. This bill would also require all providers of shared tenant services to fully disclose all prices for shared tenant telecommunication services and impose a penalty on providers who fail to disclose the prices for shared tenant telecommunication services. At the present time there is an appeal of the PUC decision before the New Hampshire Supreme Court. The committee wishes to look at all the issues of telecommunications and the decision of the court before making a decision on this bill. Vote 10-1.

HB 1507-FN, relative to the access and development of interstate computer network systems. INEXPEDIENT TO LEGISLATE

Rep. Bernard D. Lamach for Science, Technology and Energy: This bill sought to find methodology to improve access to computer network systems and the Internet, without extensive additional cost, in the rural areas of the state. The committee is appreciative of the sponsor for bringing this subject forward. This subject matter is to be covered in two other bills, HB 1302 and HB 1222, and the committee feels that further inquiry and refinement will be presented. Vote 11-0.

HB 1146, enhancing school bus safety. OUGHT TO PASS WITH AMENDMENT

Rep. Paul W. Taylor for Transportation: This bill would enhance school bus safety by authorizing the Commissioner of Safety and the State Board of Education to adopt rules that would enhance school bus safety. The committee believes it was necessary to exempt commercially plated school buses from paying the road toll that other types of school buses do not pay on special fuels when transporting students to and from school and school activities. By doing this, the committee feels a very complicated and unnecessary administrative procedure has been rectified by providing an even playing field for all school bus owners that transport students to and from school and school activities. This bill is totally revenue neutral. Vote 11-0.

Amendment (5008L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to school bus safety and exempting certain buses from the road toll.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; School Bus Safety. Amend RSA 189 by inserting after section 6 the following new section:

189:6-a School Bus Safety. The district shall instruct all pupils, who are transported by the district as provided in RSA 189:6, in the following:

I. School bus safety.

II. The evacuation procedure for buses in emergency situations.

III. Any other matters regarding the safety on pupils being transported to school.

2 New Section; School Bus Driver Qualification Files. Amend RSA 263 by inserting after section 29 the following new section:

263:29-a School Bus Driver Qualification Files.

I. The employer of a school bus driver shall maintain, and the department shall have access to, a file on each person qualified to operate a school bus as provided in RSA 263:29. The file shall include the following:

(a) The driver's application for employment.

(b) The medical examiner's certificate.

(c) The results of the driver road test, if such test is otherwise required by law.

(d) Certifications of road test, if otherwise required by law.

(e) Annual driver certification of violations.

(f) Inquiry to previous employers, covering the 3 years prior to the driver's application for employment.

(g) Inquiry to state agencies.

(h) Annual review of driving record.

(i) Controlled substances test results, if otherwise required by law.

(j) Driver training documentation.

(k) Copy of driver license and school bus certificate.

II. In addition to other rulemaking authority provided by law, the commissioner shall have authority to adopt rules, pursuant to RSA 541-A, relative to the operation of school buses and the requirements for and filing of school bus accident reports.

3 New Subparagraph; Rulemaking Added. Amend RSA 21-N:9, II by inserting after subparagraph (x) the following new subparagraph:

(y) School bus safety, as provided in RSA 189:6-a.

4 New Subparagraph; Rulemaking Added. Amend 21-P:14, V by inserting after subparagraph (t) the following new subparagraph:

(u) School bus driver qualification files, school bus operation and school bus accident reports, as provided in RSA 263:29-a.

5 New Section; Definition of Mixed Use School Bus Added. Amend RSA 259 by inserting after section 96 the following new section:

259:96-a "Mixed use school bus" shall mean a privately owned vehicle, including a station wagon, suburban, panel body vehicle and vehicles converted to a school bus, but excluding a passenger vehicle, employed principally in transporting school children to and from school or school activities by virtue of a contract with a school board authority.

6 New Paragraph; Mixed Use School Buses Exempt from Road Toll. Amend RSA 260:52 by inserting after paragraph XI-b the following new paragraph:

XI-c. No road toll shall be charged for a mixed use school bus operated under contract with a school board authority. However, mixed use school bus operators must, on or before the last day of April, July, October, and January of every year, file with the department on forms prescribed by the director, a report showing the total gallonage of special fuels used within the state for operations excluding mixed use school bus operations.

7 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill:

(1) Authorizes the commissioner of safety to adopt rules relative to school bus driver qualification files, school bus operation and school bus accident reports.

(2) Authorizes the state board of education to adopt rules relative to school bus safety.

(3) Adds a definition of mixed use school bus.

(4) Exempts mixed use school buses from payment of the road toll.

HB 1233, enabling municipalities to regulate OHRV speed limits on frozen public bodies of water within the borders of the municipality. OUGHT TO PASS WITH AMENDMENT

Rep. Sherman A. Packard for Transportation: This bill establishes a speed limit of 55 miles per hour on Turtle Pond in the City of Concord. It also establishes joint responsibility for enforcement between the City of Concord and the State of New Hampshire. The need for this bill comes from the testimony received by the residents surrounding Turtle Pond. There has been uncontrolled racing of snowmobiles on Turtle Pond creating safety hazards and other environmental infractions. By setting a speed limit, racing will be controlled through a cooperative enforcement effort so that most of the problems should be alleviated. The bill has a two year lifespan and then, optimistically, disappears along with the problems. Vote 14-0.

Amendment (4895L)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a 55 mile per hour speed limit for OHRVs travelling on the frozen surface of Turtle Pond, also known as Turtle Town Pond in the city of Concord and establishing joint responsibility between the city of Concord and the state of New Hampshire for the enforcement of such speed limit.

Amend the bill by replacing all after the enacting clause with the following:

1 Local Regulation of OHRV Speed Limits. Amend RSA 215-A:15 to read as follows:

215-A:15 Regulations of Political Subdivisions.

I. With bylaws or ordinances any town or city may regulate the operation of OHRVs within its limits, providing they do not conflict with provisions of this chapter.

II. Speed limits for OHRV's traveling on the frozen surface of Turtle Pond, also known as Turtle Town Pond, in the city of Concord shall not exceed 55 miles per hour.

III. Enforcement of paragraph II shall be the joint responsibility of the city of Concord and the state of New Hampshire.

2 Repeal. RSA 215-A:15, II and III, establishing a 55 mile per hour speed limit for OHRVs on the frozen surface of Turtle Pond, also known as Turtle Town Pond and providing for joint responsibility between the city and the state for the enforcement of the speed limit, are repealed.

3 Effective Date.

I. Section 2 of this act shall take effect June 30, 1998.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a 55 mile per hour speed limit on Turtle Pond, also known as Turtle Town Pond, until June 30, 1998.

The bill also provides that the enforcement of the 55 mile per hour speed limit shall be the joint responsibility of the city and the state until June 30, 1998.

HB 1594, relative to tinted glass on certain motor vehicles. OUGHT TO PASS WITH AMENDMENT

Rep. Ken W. Malcolm for Transportation: This amended bill will now make our commercial drivers laws in complete compliance with federal commercial drivers laws. The penalties for both the driver and employer are stipulated by law and not left to rules. Vote 11-0.

Amendment (4905L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to commercial driver licensing.

Amend the bill by replacing all after the enacting clause with the following:

1 Out-of-Service Order. RSA 259:71-a is repealed and reenacted to read as follows:

259:71-a Out-of-Service Order. "Out-of-service order" shall mean a declaration by the Federal Highway Administration or an authorized local, state or federal enforcement officer, or an enforcement officer from the commonwealth of Puerto Rico, Canada, or Mexico, that a driver, or a commercial motor vehicle, or a motor carrier operation, is out of service.

2 State Defined. RSA 259:106, III is repealed and reenacted to read as follows:

III. For the purposes of the commercial driver licensing statutes, a state, territory or possession of the United States, the District of Columbia, the Republic of Mexico, and any province of the Dominion of Canada.

3 New Sections; Disqualification and Out-of-Service Orders; Administrative Fines. Amend RSA 263 by inserting after section 93 the following new sections:

263:93-a Disqualification and Out-of-Service Orders.

I. Notwithstanding any law to the contrary, any person who drives a commercial motor vehicle and who is convicted of violating an out-of-service order shall be disqualified as a commercial driver as follows:

(a) The commissioner shall suspend for a period of 90 days, the commercial driver license of any person who is convicted of a first violation of an out-of-service order;

(b) The commissioner shall suspend for a period of one year, the commercial driver license of a person who during any 10-year period, is convicted of 2 violations of out-of-service orders arising from separate incidents; and

(c) The commissioner shall suspend for a period of 3 years, the commercial driver license of a person who during any 10-year period, is convicted of 3 or more violations of out-of-service orders arising from separate incidents.

II. Any person convicted for violating an out-of-service order while transporting hazardous materials or while operating a commercial motor vehicle designed or used to transport 15 or more passengers, including the driver, shall be disqualified as follows:

(a) The commissioner shall suspend for a period of 180 days, the commercial driver license of any person convicted of a first violation of an out-of-service order.

(b) The commissioner shall suspend for a period of 3 years, the commercial driver license of any person who during any 10-year period, is convicted of a second or subsequent violation of an out-of-service order arising from separate incidents.

263:93-b Administrative Fines.

I.(a) The commissioner of the department of safety, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not less than $1,000 and not to exceed $2,500 for each offense upon any driver who violates or fails to comply with an out-of-service order.

(b) The commissioner of the department of safety, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not less than $2,500 and not to exceed $10,000 for each offense upon any employer who violates an out-of-service order, or who knowingly requires or permits a driver to violate or fail to comply with an out-of-service order.

III. The schedule of fines which may be assessed under the provisions of paragraph I-II shall be as follows:

(a) For employees:

(1) $1,000 for a first offense.

(2) $1,000 to $1,500 for a second offense.

(3) $1,500 - $2,500 for a third or subsequent offense.

(b) For an employer:

(1) $2,500 for a first offense.

(2) $2,500 to $5,000 for a second offense.

(3) $5,000 to $10,000 for a third or subsequent offense.

IV. Prior to the imposition of any administrative fine, the commissioner shall afford a notice and opportunity for hearing.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

(1) Modifies the definition of out-of-service order.

(2) Establishes a procedure for the disqualification of out-of-service orders.

(3) Establishes a schedule of administrative fines.

HB 1103, requiring that a portion of a legally taken white-tailed deer be open to view while being transported. INEXPEDIENT TO LEGISLATE

Rep. Joseph N. Feuer for Wildlife and Marine Resources: The intent of this bill is to reinstate language in RSA 208 mandating exposure of a white-tailed deer during transport. This requirement was removed during the 1994 legislative session. Currently, the choice in this matter is left to the hunter's discretion. Much testimony was offered, mostly in opposition to the bill. Additionally, the Fish and Game Commission and the Department opposed the bill, as there has been no indication, in the very short time since the previous law was rescinded, that law enforcement is at a disadvantage. What is at issue here is the perception of the sport that hunters wish to disseminate. The committee recognizes that not all members of our society share the same enthusiasm for hunting. Public display of game is not universally appropriate and may actually incite animosity when so viewed. The non-hunting public's perception of this activity is not advanced by viewing dead game animals in vehicles. The committee felt it best to leave this decision with the individual hunter. Vote 11-1.

HB 1105, relative to hunting while under the influence and permitting evidence of the refusal to take an alcohol or controlled drug test to be admitted in certain legal proceedings. OUGHT TO PASS WITH AMENDMENT

Rep. Joseph N. Feuer for Wildlife and Marine Resources: As amended, this bill contains a complete recodification of RSA 214:19 and RSA 214:20, so that it now presents a concise, detailed expose of all circumstances and consequences arising from hunting while intoxicated or impaired by reason of controlled substance abuse. The bill make the procedures to be followed consistent with current DWI statutes. The license revocation penalty for this infraction is increased from one to three years. A five year license revocation period is mandated for refusal to submit to sobriety testing. Causing death or injury while so impaired would become a class B felony, with indefinite license revocation, in addition to any other penalties. Finally, target

practice is added to the list of covered activities. This legislation represents a giant step forward by law enforcement towards controlling those few irresponsible individuals who persist in engaging in these safety sensitive outdoor activities while inebriated or impaired. Vote 13-0.

Amendment (5107L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to hunting while intoxicated and implied consent to administer alcohol or controlled drug tests, and permitting evidence of the refusal of consent in certain legal proceedings.

Amend the bill by replacing all after the enacting clause with the following:

1 New Sections; Conviction by Court of Another State; Copies of Record. Amend RSA 214 by inserting after section 19-a the following new sections:

214:19-b Conviction by Court of Another State. The executive director may revoke the hunting license of any person who shall be convicted of an offense similar to those described in RSA 207:37-a, 207:38, 208:8, or 214:20 by a court of any other state.

214:19-c Copies of Record. Copies of records of convictions and notices of license revocations kept by the executive director of this state and other states, certified by the executive director, shall be deemed admissible to prove such revocations or convictions in court.

2 Hunting While Intoxicated; Penalties. RSA 214:20, 214:20-a, and 214:20-b are repealed and reenacted to read as follows:

214:20 Hunting While Intoxicated. No person shall target practice, hunt, take, or attempt to take wildlife in this state by the use of a firearm, bow and arrow, crossbow and bolt, or any other weapon:

I. While such person is under the influence of intoxicating liquor or any controlled drug, or any combination of intoxicating liquor and controlled drugs; or

II. While such person has an alcohol concentration of 0.08 or more or in the case of a person under the age of 21, 0.02 or more.

214:20-a Aggravated Hunting While Intoxicated. A person shall be guilty of a violation of this section if in addition to violating the provisions of RSA 214:20, that person is involved in an incident resulting in serious bodily injury as defined in RSA 625:11 as a result of that person's discharge of a firearm, bow and arrow, crossbow and bolt, or any other weapon.

214:20-b Penalties for Intoxicated Hunting.

I. Any person who shall be convicted of a violation of RSA 214:20 shall be guilty of a misdemeanor. In addition to any penalty provided by law, such person's hunting license shall be revoked and the person shall not be issued a license to hunt for a period of 3 years.

II. Any person convicted of a violation of RSA 214:20-a shall be guilty of a class B felony. In addition to any penalty provided by law, such person's hunting license shall be revoked indefinitely.

3 New Sections; Evidence; Implied Consent; Refusal to Consent; Administrative Review. Amend RSA 214 by inserting after section 20-b the following new sections:

214:20-c Evidence. Upon complaint, information, indictment or trial of any person charged with a violation of RSA 214:20 or 214:20-a, the Court may admit evidence of the defendant's alcohol concentration, as defined in RSA 259:3-b, as shown by a chemical analysis of his breath, urine, or blood. Evidence that there was, at the time alleged, an alcohol concentration of 0.03 or less is prima facie evidence that the defendant was not under the influence of intoxicating liquor. Evidence that the defendant had, at the time alleged, an alcohol concentration of greater than 0.03 but less than 0.08 is relevant evidence but is not to be given prima facie effect in indicating whether or not the defendant was under the influence of intoxicating liquor, but such fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. Evidence that there was, at the time alleged, an alcohol concentration of 0.08 or more is prima facie evidence that the defendant was under the influence of intoxicating liquor. In the case of a person under the age of 21 an alcohol concentration of 0.02 or more is prima facie evidence that the defendant was under the influence of intoxicating liquor. The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question of whether or not the defendant was under the influence of intoxicating liquor.

214:20-d Implied Consent to Submit to Test to Determine Alcohol Concentration.

I. Any person who target practices, takes, or attempts to take wildlife in this state by use of a firearm, bow and arrow, crossbow and bolt, or any other weapon, shall be deemed to have given consent to physical tests and examinations for the purpose of determining whether that person is under the influence of intoxicating liquor or any controlled drug or any combination of intoxicating liquor and controlled drug, and to chemical infrared molecular absorption or gas chromatograph test or tests of any or any combination of the following: blood, urine, or breath, for the purposes of determining the controlled drug content of the person's blood or alcohol concentration if arrested for any offense arising out of acts alleged to have been committed while the person was target practicing, hunting, taking, or attempting to take wildlife, while under the influence of intoxicating liquor or controlled drugs or any combination of alcohol or controlled drugs or while having an alcohol concentration of 0.08 or more, or in the case of a person under the age of 21, 0.02 or more. The test or tests shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been hunting, taking, or attempting to take wildlife while under the influence of intoxicating liquor or any controlled drug, or any combination of intoxicating liquor and controlled drug.

II. A copy of the report of any such test shall be furnished by the law enforcement agency to the person tested within 48 hours of receipt of report by certified mail directed to the address shown on such person's hunting license or other identification furnished by the person. Results of a test of the breath shall be furnished immediately in writing to the person tested by a certified breath-testing operator conducting the test.

III. When the incident involves a hunting or target practice shooting, resulting in death or serious bodily injury to any person as provided in RSA 214:20-l, the prerequisites of RSA 214:20-m shall not apply.

214:20-e Refusal of Consent. If a person under arrest for a violation of RSA 214:20 refuses upon the request of a law enforcement officer to submit to a physical and/or chemical test designated by the law enforcement officer as provided in RSA 214:20-d, none shall be given, but the executive director shall revoke the person's hunting license for a period of 5 years from the date of the alleged violation. Any such revocation of a license shall be imposed in addition to any penalties provided by law, subject to review as hereinafter provided, and shall be imposed only upon the receipt by the executive director of a sworn report of the law enforcement officer containing the following:

I. That the law enforcement officer had reasonable grounds to believe the arrested person had been target practicing, hunting, taking or attempting to take wildlife while under the influence of intoxicating liquor, controlled drugs or a combination thereof.

II. The facts upon which the reasonable grounds to believe such are based.

III. That the person had been arrested.

IV. That the person had refused to submit to the test upon the request of the law enforcement officer.

V. That the law enforcement officer informed the arrested person of the person's right to have a similar test or tests conducted by a person of the arrested person's own choosing.

VI. That the law enforcement officer informed the arrested person of the fact that refusal to permit the test or tests will result in license revocation.

214:20-f Administration of Blood Alcohol Concentration Tests. All and any alcohol concentration tests performed as authorized in RSA 214:20-d shall be conducted pursuant to the requirements of RSA 265:85, relative to the testing of blood, urine, and breath.

214:20-g Additional Tests. The provisions of RSA 265:86, relative to the right of an arrested person to obtain additional tests, shall apply to any person to whom RSA 214:20-d is applicable.

214:20-h Effects of Evidence of Test for Alcohol Concentration. The provisions of RSA 214:20 shall not limit the introduction of any other competent evidence bearing on the question of whether a person charged with the violation of 214:20 was under the influence of intoxicating liquor or controlled drugs or any combination of intoxicating liquor and controlled drug.

214:20-i Evidence of Refusal to Take Test for Alcohol Concentration. If a person refuses to submit to a test as provided in RSA 214:20-e, such refusal may be admissible into evidence in a civil or criminal action or proceeding arising out of an act alleged to have been committed by

that person while target practicing, hunting, taking or attempting to take wildlife, with a firearm, bow and arrow, cross bow or bolt or other weapon, while under the influence of liquor or controlled drugs or any combination of intoxicating liquor and controlled drug.

214:20-j Official Record of Tests. The provisions of RSA 265:90, relative to notice to the court and the admissibility of the official report of tests, shall govern admissibility of the official records related to the tests taken pursuant to this RSA 214:20-d as well as the notice required to compel the attendance of any person who conducted such tests at trial.

214:20-k Arrest Without a Warrant. Notwithstanding any other statutory provisions of the law to the contrary, a law enforcement officer may, without a warrant, arrest any person involved in any shooting related directly to target practicing, hunting, taking, or attempting to take wildlife, when that officer has probable cause to believe that such person has violated the provisions of RSA 214:20, or 214:20-a.

214:20-l Blood Testing on Certain Hunting Fatalities. When death or serious bodily injury occurs to any person in the course of a hunting related shooting or the result of target practice, the person or persons responsible shall be tested for blood alcohol content. A law enforcement officer shall request a licensed physician, registered nurse, certified physician's assistant or qualified laboratory technician to withdraw blood from each person involved, provided that the officer has probable cause to believe that the person responsible was under the influence of alcohol or a controlled drug or any combination of controlled drug or alcohol. All tests made under this section shall be conducted by the department of health and human services or in any other laboratory capable of conducting such tests which is licensed by U.S. Department of Health and Human Services under the Clinical Laboratory Improvement Act of 1967 as amended. A copy of any report of any such test shall be kept on file by the medical examiner. The filed report is not public record under RSA 91-A. However, the report shall be made available to any person, including their legal representative, who is or may be involved in a civil, criminal or administrative action arising out of an accident in connection with which the test was performed.

214:20-m Prerequisites to Tests.

I. Before any test of a person's blood, urine or breath specified in RSA 214:20-d is given, the law enforcement officer shall:

(a) Inform the arrested person of such person's right to have a similar test or tests made by a person of the arrested person's own choosing.

(b) Afford the person an opportunity to request such additional test or tests.

(c) Inform the person of the consequences of the refusal to permit a test at the direction of the law enforcement officer.

II. Before any post-arrest physical test specified in RSA 214:20-d is given, the law enforcement officer shall inform the defendant of the consequences of the defendant's refusal to comply with the law enforcement officer's instructions for post-arrest physical test.

III. If the law enforcement officer fails to comply with the provisions of this section, the test results shall be inadmissible as evidence in any proceeding before any administrative officer or court of this state.

214:20-n Incapacity to Give Consent. Any person who is dead, unconscious, or who is otherwise in a condition rendering such person incapable of refusing shall be deemed not to have withdrawn the consent provided by RSA 214:20-d and the test or tests may be administered. The provisions of RSA 214:20-n shall not apply to persons incapable of giving consent as provided for in this section.

214:20-o Administrative Review. Upon revoking or denying a hunting license of any person pursuant to RSA 214:20-b and 214:20-e the executive director shall immediately notify the person in writing of such revocation or denial. If, within 30 days of such notification, the person so notified requests a hearing on the revocation or denial, the department shall, within 10 days of the receipt of the request, afford such person an opportunity for a hearing before the executive director or designee. The scope of such a hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been target practicing, hunting, taking, or attempting to take wildlife while under the influence of alcohol or controlled drugs or a combination of alcohol and controlled drugs; whether the person was placed under arrest; whether the person refused to submit to a physical or chemical test upon the request to the officer; whether the person was informed that the privilege to hunt would be re-

voked or denied if such person refused to submit to a test; and whether the person was informed of such person's right to have a chemical test or tests made by a person of such person's own choosing. The executive director shall order that the revocation or determination that there should be a denial of issuance be rescinded or sustained. A copy of such order shall be sent to the person affected thereby.

4 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill:

I. Creates the crime of aggravated hunting while intoxicated for incidents involving service bodily injury.

II. Clarifies the procedures to be used in blood, breath, and urine testing.

III. Permits evidence of a hunter's refusal to consent to testing to be admitted as evidence in certain legal proceedings.

IV. Amends gender specific references to conform to the requirements of gender-neutral drafting under RSA 17-A:6.

HB 1106, decreasing the number of hooks and lines that a person may use while angling. REFER FOR INTERIM STUDY

Rep. Joseph N. Feuer for Wildlife and Marine Resources: This legislation would reverse action taken by this body in 1994, that increased to two the number of lines and hooks that a fisherman might utilize at one time from the shore. While the committee did not wish to decrease the number of lines, we wish to revisit the definition of "hook" for more clarification. Vote 13-0.

HB 1108, requiring a minimum size for clams taken in the towns of Hampton, Hampton Falls, and Seabrook. INEXPEDIENT TO LEGISLATE

Rep. Joseph N. Feuer for Wildlife and Marine Resources: Though well intentioned, this solution creates more problems than it solves. The committee heard a wealth of testimony attesting to the fact that the clam flats are adequately managed already. Spokesmen for the Department felt that attempting this type of selective control is draconian and poses serious enforcement issues. Much more effective clam flat improvement is achieved through rotation of the flats and education of the diggers. It has been determined that the size of clams harvested has no negative impact on this resource prompting a previous size limitation law to be repealed. Untreated sewage (controllable) and natural predators (uncontrollable) pose a far greater threat to the clams than the diggers. Most individuals who harvest clams, generally gather the largest ones available anyway, and return the small ones. Legislation like this makes our Conservation Officers bean counters and fosters poor relations with diggers simply trying to harvest an honest peck of clams. This is especially true after nearly doubling their license fee in this session. Vote 11-0.

HB 1163-FN, requiring archery license applicants and persons who violate hunter safety statutes to complete a hunter safety course. OUGHT TO PASS WITH AMENDMENT

Rep. Joseph N. Feuer for Wildlife and Marine Resources: In recent years there has been a tremendous increase in the number of bow hunters. Currently an archery license may be purchased without the prerequisite of a hunter safety course certificate. The present course required for firearms hunting contains very little relative to bow hunting. In recognition of unique nature of and dangers inherent in bow hunting, this legislation mandates that all candidates for archery licenses satisfactorily complete a specifically developed archery course. Both the Department and the New Hampshire Wildlife Federation wholeheartedly endorse this innovation. Vote 13-0.

Amendment (4723L)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring archery license applicants to complete a mandatory bow hunter education course.

Amend the bill by replacing all after the enacting clause with the following:

1 Archery License Applicant; Safety Course Required. Amend the subdivision heading preceding RSA 214:23-a, RSA 214:23-a, and RSA 214:23-b to read as follows:

Handling of Firearms *and Archery Equipment*

214:23-a Certificate of Completion Required.

I. No hunting license shall be issued to or be purchased by any resident or nonresident person unless [he] *the applicant* presents to the person authorized to issue such license either:

[(1)]*(a)* A certificate of completion *from a basic hunter education program* as provided under this subdivision[, or (2)];

(b) Satisfactory proof that [he] *the applicant* has successfully completed a *basic* hunter education program in this state, or any other state, province, or country which is equivalent to the program provided for by this chapter[,]; or

[(3)]*(c)* Satisfactory proof that [he] *the applicant* has previously had a hunting license or equivalent, as determined by the executive director, issued to [him] *the applicant* in this state, or any other state, province, or country.

II. Notwithstanding any law to the contrary, no archery license shall be issued to or purchased by any resident or nonresident person unless the applicant presents to the person authorized to issue such license either:

(a) A certificate of completion from a specialized bow hunter education program as provided under this subdivision.

(b) Satisfactory proof that the applicant has completed a specialized bow hunter education program in this state or any other state, province, or country which is equivalent to the program provided for by this subdivision.

(c) Satisfactory proof that the applicant has previously had an archery license or equivalent, as determined by the executive director, issued to the applicant in this state or any other state, province, or country.

III. An archery license shall not constitute satisfactory proof of a previous hunting license and a hunting license shall not constitute satisfactory proof of a previous archery license to fulfill the requirements of this subdivision.

214:23-b Program. The executive director, after consultation with the commission, is authorized to establish [a program] *programs* for training persons in the safe *and responsible* handling of [firearms] *any firearm and bow and arrow used for hunting* and for this purpose may cooperate with any public or private association or organization having as one of its objectives the promotion of safety in [firearms] *firearm and bow and arrow* handling. The executive director, after consultation with the commission, shall prescribe the type of instruction, qualifications of the instructors, and time and place of examination, the successful completion of which shall qualify a person for [said] *the appropriate* certificate of completion.

2 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill requires archery license applicants to complete a mandatory bow hunter education course under certain circumstances.

HB 1164, making it illegal to train dogs to hunt bobcat. OUGHT TO PASS WITH AMENDMENT

Rep. Joseph N. Feuer for Wildlife and Marine Resources: The Department of Fish and Game supported bill simply adds bobcat to the list of wild creatures excluded from dog training activities. As bobcats are already protected from hunting, it makes no sense to continue harassing them with dogs. Their numbers have been decreasing due to a variety of factors, anyway. The amendment substitutes the imperative "shall be issued" with "may be issued", in regard to dog training permits, to reflect actual practice. The bill is further amended to remove all language in RSA 207:12-a mandating that land used for training hunting dogs be owned or leased to the permit holder, or for which written permission has been obtained and that all wildlife involved in such training be owned by the permittee, all of which is totally unreasonable. Finally, reference to a previously repealed RSA is removed. Vote 13-0.

Amendment (5084L)

Amend the bill by replacing all after the enacting clause with the following:

1 Training Dogs to Hunt Bobcat Prohibited. Amend RSA 207:12-a, I to read as follows:

I. Any person who is licensed to hunt within the state [shall] *may* be issued a training permit for the training of bird dogs and trail or tree hounds during the closed season on any wildlife, except deer, moose, caribou, elk, lynx, cougar, ***bobcat,*** and turkey, upon application and the payment of a fee of $5. The executive director shall adopt rules pursuant to RSA 541-A, relative to the period for the training of bear dogs[, except that holders of a training permit may train dogs upon land owned or leased by the permittee, or upon land for which the permittee has written permission of the landowner during this period. Such written permission shall be carried on the permittee's person while training. Training conducted pursuant to this exception shall be permitted only on wildlife legally possessed by the permittee and if released, such releasing shall be in accordance with RSA 207:14 and 207:14-a]. Notwithstanding the provisions of this paragraph, field trials shall be permitted pursuant to RSA 207:13.

2 Effective Date. This act shall take effect January 1, 1997.

HB 1550, relative to a lobster management plan and relative to lobster and crab licenses. OUGHT TO PASS WITH AMENDMENT

Rep. Allen K. MacNeil for Wildlife and Marine Resources: This bill also establishes a Lobster and Crab Advisory Committee to assist the Executive Director in establishing lobster and crab management rules. The amendment increases the number of senators and representatives on said committee, and adds two lobster industry representatives involved in trap fishing. Vote 12-0.

Amendment (4815L)

Amend RSA 211:18, II (d) through (f) as inserted by section 1 of the bill by replacing them with the following:

(d) Two senators representing coastal districts, appointed by the president of the senate;

(e) Two representatives representing coastal districts, appointed by the speaker of the house;

(f) Two licensed lobster industry representatives involved in trap fishing from each of the following harbors: Portsmouth, Rye, Hampton, and Seabrook, appointed by the governor and council; and

SUSPENSION OF RULES

Reps. Ann Torr and Buckley moved that the Rules be so far suspended as to permit consideration beyond the deadline of **HB 1337**, repealing the fee for recording plans and specifications for sewage and waste disposal systems, **HB 1453**, relative to divisions and employees of the liquor commission, and **HB 1182**, increasing the bear hunting license fee.

Adopted by the necessary two-thirds.

SUSPENSION OF RULES

Reps. Ann Torr and Buckley moved that the Rules be so far suspended as to permit referral beyond the deadline of **HB 1134**, relative to the sexual offenders registration law, **HB 1513**, relative to filings and records held by the secretary of state, **HB 1154**, establishing a committee to study funding for statewide kindergarten and **HB 1633**, relative to solid waste management.

Adopted by the necessary two-thirds.

MOTION TO LIMIT DEBATE

Rep. Gene Chandler moved that debate on all bills removed from the Consent Calendar be limited to three minutes on each side, including questions, and spoke in favor.

Reps. Buckley, Scott, Rosen and Donna Sytek spoke against.

Rep. Cobbin spoke against and yielded to questions.

On a division vote, 73 members having voted in the affirmative and 208 in the negative, the motion failed.

RECONSIDERATION

Having voted with the prevailing side, Rep. Aranda moved that the House reconsider its action whereby it passed **HB 1314**, reorganizing the department of environmental services.

Reconsideration prevailed.

SUSPENSION OF RULES

Reps. Ann Torr and Buckely moved that the Rules be so far suspended as to permit referral beyond the deadline and a public hearing without the required notice of **HB 1314**, reorganizing the department of environmental services.

Adopted by the necessary two-thirds.

Referred to Executive Departments and Administration.

RESOLUTION

Rep. Ann Torr offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, March 6, 1996 at 9:00 a.m.

Adopted.

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 301 and 275.

Rep. Pfaff, Sen. Currier for the Committee

UNANIMOUS CONSENT

Reps. Hurst and Cobbin addressed the House.

RECESS MOTION

Rep. Ann Torr moved that the House stand in recess for the purpose of introduction of bills and enrolling reports only.

Adopted.

The House recessed at 5:20 p.m.

RECESS

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 12

Wednesday, March 6, 1996

The House assembled at 9:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of life-giving breath, through Your prophets and messengers You have revealed to us the power of love, yet we confess our fascination with the love of power. So, in our daily struggle to choose the way that leads to life and compassion, give us the inner security that frees us from the drive to seek advantage or recognition; fill us with the confidence to give those whom we serve the dignity of voicing their own needs; and inspire us with patience that does not try to impose Your will or our own, but works and waits for Your justice. Amen.

Rep. Drabinowicz led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Aksten, Barry, Bergeron, Paula Bradley, Julie Brown, Case, Chase, Clemons, Conroy, Dechane, Douglass, Dube, Felch, Gagnon, Golden, Healy, Holley, Holmes, Krochmal, Lovejoy, John McCarthy, William McCarthy, Benjamin Moore, Palmer, Pitman, Katherine Pratt, Linda Smith, and Worthen, the day, illness.

Reps. Boriso, Richard Champagne, David Cote, Patricia Cote, Desmarais, Dewhirst, Dickinson, Dolan, Doucette, Flanagan, Flint, Robert Foster, Goulet, Guay, Haettenschwiller, Hurt, L'Heureux, Lundborn, Marcinkowski, McGuirk, Newland, Pantelakos and Senter, the day, important business.

Reps. George Brown, Loder, MacIntyre and Trelfa, the day, illness in the family.

SPECIAL GUESTS

Pelham High School Cheerleaders, guests of Rep. Fenton and the House.

The Chair requested a quorum count and declared a quorum present.

SPECIAL ORDERS

HB 1588-FN, requiring the registration of farmers who use the somatotropin bovine growth hormone and requiring sellers of the hormone to list their New Hampshire customers with the division of public health services. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Beverly A. Gage for the Majority of Commerce, Small Business, Consumer Affairs and Economic Development: HB 1588-FN requires farmers who use bovine somatotropin (BST) to register with the Division of Public Health Services; requires businesses who sell BST to file a list of New Hampshire customers; requires the Division of Public Health Services make the listing and registration available to the public and requires the Division of Public Health to adopt rules regarding such listing and registration. The committee is opposed to this legislation because BST, as identified in the bill and rBST poses no threat to the health of the public; because it poses an administrative burden on the Department that cannot be met with existing funding and because it establishes a public expectation for information that simply cannot be provided. Vote 12-5

Rep. Matthew J. Newland for the Minority of Commerce, Small Business, Consumer Affairs and Economic Development: This bill is right-to-know legislation. The Cancer Prevention Coalition and Food & Water released a new study January 23, 1996 which concludes that milk from cows injected with recombinant bovine growth hormone (rBGH) increases risks of breast and colon cancers in humans. This is published in the January issue of the International Journal of Health Services. Both Maine and Vermont have labeling laws in effect. This bill would NOT require labeling. It would require registering with the Division of Public Health if rBGH is used. Consumers can then call the Division of Public Health to obtain the list. This bill would allow the consumer to make an educated choice in a full, free and open market place. Vote 12-5.

Rep. Dunn spoke against.

Rep. Hill spoke in favor and yielded to questions.

Reps. Keans and Coughlin spoke against and yielded to questions.

Rep. Bonnie Packard spoke in favor.

On a division vote, 189 members having voted in the affirmative and 105 in the negative, the report was adopted.

Rep. Mock did not vote and wished to be recorded in favor.

Rep. Scott declared a conflict of interest and did not participate.

CACR 21, relating to requiring that the attorney general be elected by the legislature. Providing that the attorney general be chosen by joint ballot of the senators and representatives. WITHOUT RECOMMENDATION

Rep. Carol H. Holden for Constitutional and Statutory Revision: CACR 21, if adopted, would require that the Attorney General be elected by the Legislature. The Attorney General would be chosen by joint ballot of the senators and representatives. In the past 22 years, there have been eight attempts to amend the constitution on this subject. Most proposals called for the election of the Attorney General by the voters. Only one previous proposal, CACR 4 in 1993, called for the election of the Attorney General by the Legislature. The Constitutional and Statutory Revision Committee first voted on the motion of ought to pass. This motion was defeated by a vote of 6-9. The second vote was on the motion of inexpedient to legislate, which failed by a vote of 7-7. The CACR was placed upon the table. At a subsequent executive session, it was removed from the table. The committee voted 18-0 to bring this CACR to the floor without recommendation. Vote 7-7.

Rep. McCann moved Ought to Pass and spoke in favor.

Reps. Holden and Hess spoke against and yielded to questions.

Rep. Mirski spoke in favor and yielded to questions.

Rep. Ann Torr requested a roll call; sufficiently seconded. The question being the adoption of Ought to Pass.

HB 1311, requiring banks to cash state financial assistance benefit checks. OUGHT TO PASS

Rep. John B. Hunt for Commerce, Small Business, Consumer Affairs and Economic Development: This bill requires all banks to cash State of New Hampshire checks payable to a recipient of state financial assistance benefits who have proper identification, without a fee. The legislation also protects the banks from losses if the check was stolen. Vote 11-5.

Adopted and ordered to third reading.

HB 1332-FN, requiring banks to submit quarterly reports on service charges and fees to the bank commissioner for review. OUGHT TO PASS WITH AMENDMENT

Rep. Eric N. Lindblade for Commerce, Small Business, Consumer Affairs and Economic Development: This bill provides an opportunity for both banks and consumers. Banks will be able to provide clear, concise information on their various products and the cost of the same. Consumers are given a tool which will enable them to compare the products offered by a variety of banks. Vote 13-2.

Amendment (5042L)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring financial institutions to display certain information on fees, charges, and available products in their lobbies.

Amend the bill by replacing all after the enacting clause with the following:

1 Financial Institutions Required to Display Certain Information. Amend RSA 383 by inserting after section 13 the following new section:

383:13-a Requirement To Display Information. All financial institutions regulated by the bank commissioner shall provide information on fees, charges, and products offered on uniform matrices developed by the bank commissioner. Such matrices shall be kept current by each institution and shall be conspicuously placed in the lobby of each main office and branch of the institution, in order to enable the consumer to make intelligent choices among the institutions's various product offerings. The bank commissioner shall adopt rules, pursuant to RSA 541-A, relative to the uniform matrices required under this section.

2 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill requires financial institutions regulated by the bank commissioner to provide and display certain information on fees, charges, and available products on uniform matrices developed by the bank commissioner. The bank commissioner is granted rulemaking authority to develop such matrices.

HB 1352, relative to insurance coverage during pregnancy and delivery and the postpartum period. OUGHT TO PASS WITH AMENDMENT

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: The purpose of this bill is to assure the optimal health and safety of the mother and infant by providing a continuum of care during pregnancy and delivery and the postpartum period. It provides a framework within which insurers must work in providing these services. Vote 14-1.

Amendment (4936L)

Amend RSA 417-D:2-a as inserted by section 4 by replacing it with the following:

417-D:2-a Pregnancy, Delivery, and Postpartum Coverage. Each insurer that issues or renews any policy of accident and health insurance providing maternity benefits for hospital expense, medical-surgical expense, or major medical expense shall provide in each group or individual policy, contract, or certificate of insurance issued or renewed for persons who are residents of this state the following in providing coverage during pregnancy and delivery and the postpartum period:

I. The length of hospital stay and the number of postpartum visits shall be determined by the attending health care provider based on clinical information that demonstrates that the mother and infant are clinically stable based on nationally accepted guidelines pursuant to paragraph IV and that appropriate care for the mother and newborn can be provided for upon discharge. The length of stay shall not be determined by the health insurer or the hospital based on economic criteria.

II. Upon notification of the pregnancy by the insured to the insurer, the insurer shall inform the pregnant woman in writing regarding the insurer's prenatal, maternity and postpartum benefits, including but not limited to prenatal visits, diagnostic tests, prenatal education, hospital length of stay, postpartum care, homemaker services, and contraceptive counseling and referrals.

III. The insurer shall pay for medically necessary prenatal homemaker services when a woman is confined to bedrest or her activities of daily living are otherwise restricted on the recommendation of her attending health care provider who shall consult with the applicable case manager.

IV. Any length of hospital stay shorter than the current minimum nationally accepted guidelines for perinatal care, such as Guidelines for Perinatal Care prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists, shall be at the recommendation of the attending health care provider in consultation with the mother. In such cases the insurer shall pay for at least 2 postpartum visits. During one such visit, the collection of an adequate sample from the newborn for screening for genetic and metabolic diseases shall take place in accordance with RSA 132 and applicable rules.

V. Postpartum visits shall include a physical assessment of mother and infant. The assessment shall include but not be limited to: infant nutrition and feeding, infant behavior, family interactions, safety and injury prevention, infant and maternal health promotion, and community resources. Providers of postpartum visits shall be licensed health care providers experienced in perinatal care.

VI. The insurer shall pay for appropriate medically necessary postpartum homemaker services as determined by the attending health care provider who shall consult with the applicable case manager.

VII. No attending health care provider shall be penalized by an insurer for following the provisions of this section. Insurers shall not deny payment for services that are within standards of good and generally accepted medical practice as reflected by scientific and peer medical literature and recognized within the organized medical community in the state of New Hampshire.

Adopted.

Report adopted and ordered to third reading.

HB 1364, relative to rate modifications for accident and health insurance policies. OUGHT TO PASS WITH AMENDMENT

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: This bill, as amended, clarifies RSA 415-G:1 dealing with information the Insurance Commissioner is required to use in considering new rate approvals. Vote 12-2.

Amendment (4951L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the annual independent audit of health insurers.

Amend the bill by replacing all after the enacting clause with the following:

1 Annual Audit; Certified Public Accountant. Amend RSA 415-G:1 to read as follows:

415-G:1 Annual Audit of Accident and Health Insurers. Each year every health insurer shall have its actual medical expenses, procedures for computing cost and utilization trends, incurred but not reported claims, and administrative retentions independently audited and submitted to the commissioner at the expense of the insurer. The audited results shall be reported annually to the commissioner at a date of the commissioner's selection. The audit shall be conducted in accordance with generally accepted auditing or actuarial standards and shall be signed by ***a certified public accountant or*** a member of the American Academy of Actuaries. The commissioner will use these audited results in considering new rate filings.

2 Rulemaking; Commissioner's Discretion. Amend RSA 415-G:2 to read as follows:

415-G:2 Rulemaking. The commissioner [shall] ***may*** adopt rules under RSA 541-A necessary for the proper administration of this chapter.

3 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill allows a health insurer's annual audit to be signed by a certified public accountant. Current law requires the signature of a member of the American Academy of Actuaries.

The bill also makes the commissioner's rulemaking authority, relative to such audits, discretionary.

Adopted.

Report adopted and ordered to third reading.

HB 1421, requiring a determination of community benefits by the director of charitable trusts prior to certain mergers of nonprofit entities. INEXPEDIENT TO LEGISLATE

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: Once more the name of the game around here is "protect the Hospital Association", NOT the consumer. There is no other office which can protect the citizens of the state except the office of the Director of Charitable Trusts. The citizens of New Hampshire do need his protection against the rapid changes in health services and health care. We have seen and will continue to see mergers in the health care field that involve millions of dollars with little or no oversight. What is happening to the dollars your family and mine have in the past contributed to build our community hospitals? What is happening to the federal dollars that have made it possible for hospitals to grow and modernize? Shouldn't these funds continue to benefit the communities for which they were intended and not Mega Corporations? When will the citizens of New Hampshire have the protection they need and deserve?. Vote 11-4.

Adopted.

HB 1430, clarifying the current prohibition of banks engaging in the insurance business. REFER FOR INTERIM STUDY

Rep. Bonnie B. Packard for Commerce, Small Business, Consumer Affairs and Economic Development: This bill clarifies the existing separation between banking and insurance. New Hampshire law recognizes the potential harm to consumers of allowing banks to sell insurance. Current law also reflects the belief in state regulation of both industries to the extent possible. This bill is a reaction to a movement occurring at the federal level which would circumvent state regulation and which would grant banks added powers to sell insurance. Before we clarify our law to affirm the separation between banks and insurance, it makes sense to see what sifts out, in particular that we await the decision of the U.S. Supreme Court in a pending case in which a bank sued when the State of Florida would not allow the bank to sell insurance. We don't need to act now because we do have a strong law on the books and because the Deputy Insurance Commissioner has assured the committee that the department will maintain the existing separation between banks and insurance, and will continue to enforce the current statute prohibiting bank insurance sales until we do take legislative action. This is an important area for the legislature to address, and the committee intends to study it and to recommend legislation for introduction next session. Vote 13-0.

Adopted.

HB 1436, relative to charitable organizations. OUGHT TO PASS WITH AMENDMENT

Rep. John B. Hunt for Commerce, Small Business, Consumer Affairs and Economic Development: This bill, as amended, provides standards for nonprofits in determining whether a transaction concerning trustees of the nonprofit or the family members of the trustees is void or voidable because it is not in the best interest of the nonprofit. The committee spent a lot of time in crafting legislation that will protect the integrity of a nonprofit and its board of trustees. Vote 14-1.

Amendment (5126L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to pecuniary benefits of real estate transactions and loans of directors and officers of charitable trusts and establishing a committee to study the laws relative to charitable trusts.

Amend the bill by replacing all after the enacting clause with the following:

1 Pecuniary Benefits. RSA 7:19, II is repealed and reenacted to read as follows:

II. Directors, officers, and trustees of charitable trusts, including directors and officers of nonprofit organizations, shall serve on the board only for the charitable reasons and purposes of the organization. If such directors, officers, and trustees are serving for any other expressed or intended reasons, they shall not serve on the board of the organization.

2 New Paragraphs; Pecuniary Benefit Transactions. Amend RSA 7:19 by inserting after paragraph II the following new paragraphs:

III. A pecuniary benefit transaction is a transaction with a charitable trust in which a director, officer or trustee of the charitable trust has a direct or indirect financial interest. Any financial interests, which on an annual aggregate basis do not exceed a fair market value of $500,

shall not be considered pecuniary benefit transactions for the purposes of this section. A pecuniary benefit transaction shall be permissible if it is in the best interest of the charitable trust and on an aggregate basis, the pecuniary benefit transactions do not exceed $5,000 for any officer, director or trustee and all of the following circumstances are present:

(a) The transaction is for goods or services purchased or benefits provided in the ordinary course of the charitable trust's business for the actual or reasonable value thereof or for a discounted value and the transaction is fair to the charitable trust.

(b) The transaction is approved by a majority of the board of directors or trustees of the charitable trust who have had no pecuniary benefit transaction with the charitable trust within the previous year:

(1) After full and fair disclosure of the material facts of the transaction to the board of directors or trustees and after notice and full discussion of the transaction by the board;

(2) Without any director, trustee or officer with a pecuniary interest in the transaction voting or present; and

(3) A record of the board's action on the matter is made and recorded in the minutes of the charitable trust.

(c) The charitable trust keeps a list disclosing each and every pecuniary benefit transaction, including to whom the benefit accrued and the amount of the benefit, available for inspection by members of the board and contributors to the charitable trust. The list shall be filed with the director of charitable trusts each year as part of the charitable trust's annual report required under RSA 7:28.

IV. A pecuniary benefit transaction may exceed $5,000 if it is in the best interest of the charitable trust and only in circumstances that meet one or more of the following conditions:

(a) Employees as Directors. Personal services contracts between directors, officers, or trustees of the charitable trust may exceed $5,000 where:

(1) The director's officer's or trustee's membership on the board is required by applicable law, professional certification procedures of the charitable trust, or an executive director by a 2/3 recorded roll call vote of the board; and

(2) The payments are found to be fair to the charitable trust by a recorded roll call vote by a majority of the members of the board of directors or trustees of the charitable trust who have had no pecuniary benefit transaction with the charitable trust within the previous year.

(b) Consumers as Directors. Payments of benefits provided to directors or trustees of the charitable trust or to members of their immediate families may exceed $5,000 only where:

(1) The benefits or payments are provided or paid as part of programs, benefits or payments offered to qualified members of the general public;

(2) The charitable trust has written eligibility criteria in accordance with its bylaws or applicable laws; and

(3) The director, trustee or family member meets all of the eligibility criteria for receiving every payment or benefit.

(c) Pre-existing Contracts With Officers, Directors, or Trustees. Contracts or renewals of contracts between officers, directors or trustees and the charitable trust may exceed $5,000 only where the contract is:

(1) Fair to the charitable trust;

(2) The goods or services are provided to the charitable trust in the ordinary course of the charitable trust's activities, programs or services;

(3) The contract is in writing and was first formed before the person became an officer, director or trustee; and

(4) The payments or renewals are found to be fair to the charitable trust by a recorded roll call vote by a majority of the members of the board of directors or trustees of the charitable trust who have had no pecuniary benefit transaction with the charitable trust within the previous year.

(d) Any other exception shall be pre-approved in writing by the director of charitable trusts.

V. Every charitable trust, officer, director, trustee or family member who engages in a pecuniary benefit transaction with a charitable trust shall provide copies of all contracts, payment records, vouchers, other financial records or other financial documents at the request of the director of charitable trusts in accordance with RSA 7:24. All documents so disclosed may be disclosed to the public for inspection and copying, subject to applicable confidentiality laws.

VI. Every charitable trust shall adopt policies pertaining to pecuniary benefit transactions and conflicts of interest.

VII. For purposes of this section, a director or trustee of a charitable trust has an indirect interest in a transaction if another person or entity in which the director or trustee has a material financial interest or in which the director or trustee or a member of the director's or the trustee's immediate family is a partner, employee, officer, or general partner is a party to the transaction.

VIII. No charitable trust shall loan money or property to its directors, trustees or officers. Any director, trustee or officer who assents to or participates in the making of any such loan shall be jointly and severally liable to the charitable trust for the amount of such loan until the repayment thereof.

IX. No charitable trust shall sell, lease for a term of greater than 5 years, purchase or convey any real estate or interest in real estate to or from an officer, director, or trustee without the prior approval of the probate court based upon the fairness to the charitable trust.

X. The provisions of this section shall not apply to transactions between incorporators, members, or other contributors to charitable trusts, who are not also directors, and the charitable trust, provided that the transaction or transactions are fair to the charitable trust.

XI. The director of charitable trusts may investigate complaints regarding pecuniary benefit transactions and may find, after an investigation pursuant to RSA 7:24 that a pecuniary benefit transaction is void and may institute any appropriate proceedings under RSA 7:28-f to enforce these provisions. A pecuniary benefit transaction in violation of this section is voidable.

XII. The members of the board of directors or the trustees interested in a pecuniary benefit transaction with a charitable trust shall have standing to petition pursuant to RSA 491:22 for a declaratory judgment that one or more pecuniary benefit transactions of the charitable trust are void.

XIII. Any reimbursement for expenses incurred in connection with a director's, trustee's, or officer's official duties shall not be considered a pecuniary benefit under this section.

3 Transition. Any pecuniary benefit transaction, contract, or employment in existence on the effective date of this section shall be considered a pre-existing agreement covered by the provisions of RSA 7:19, IV(c) if it meets the requirements of that subparagraph and is voted upon in accordance with that subparagraph. Such transactions, contracts, or employment, if not in writing on the effective date of this section, shall be reduced to writing before the vote under RSA 7:19, IV(c) is taken and shall be subject to renewal in accordance with RSA 7:19, IV(c).

4 New Section; Board of Directors. Amend RSA 292 by inserting after section 6 the following new section:

292:6-a Board of Directors. In the interest of encouraging diversity of discussion, connection with the public, and public confidence, the board of directors of a charitable nonprofit corporation shall have at least 5 voting members, who are not of the same immediate family or related by blood or marriage. No employee of a charitable nonprofit corporation shall hold the position of chairperson or presiding officer.

5 Committee Established; Duties. There is hereby established a committee to study the laws relative to charitable trusts. The committee shall review any applicable laws and recommend appropriate legislation regarding the regulation of charitable trusts.

6 Membership. The committee shall consist of the following members:

I. Two members of the senate appointed by the president of the senate.

II. Four members of the house of representatives appointed by the speaker of the house.

7 Chair; Meetings. The first meeting of the committee shall be called by the first-named representative. The chair of the committee shall be chosen at the first meeting.

8 Mileage; Report. Members shall receive mileage at the legislative rate for attending to duties of the committee. The committee shall submit its report with any recommended legislation to the president of the senate, the speaker of the house, the senate clerk, and the house clerk, and the state library on or before November 1, 1996.

9 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides standards for charitable trusts in determining whether a transaction concerning directors or officers of the trust or certain family members of such directors or officers is void or voidable because of a pecuniary benefit.

This bill also establishes a study committee to review the laws relative to charitable trusts.
Adopted.
Report adopted and ordered to third reading.

HB 1459, holding certain covered persons harmless under insurance contracts. OUGHT TO PASS WITH AMENDMENT

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: This bill, as amended, prohibits "gag orders" being imposed on health care providers by hospital service corporations, medical service corporations, health service corporations, health maintenance organizations, and between health care insurers and health care providers. Vote 15-0.

Amendment (5031L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to disclosure of information by insurers.

Amend the bill by replacing all after the enacting clause with the following:

1 Disclosure of Information; Hospital Service Corporations. Amend RSA 419:6-a to read as follows:

419:6-a Prohibiting Limitations on Liability*; Disclosure of Information*.

I. No contract between a hospital service corporation and a physician, for the purpose of delineating the rights and obligations of the parties within the provider network, shall limit the liability of the hospital service corporation for any actions of the physician for which the hospital service corporation might otherwise be liable.

II. No contract between a hospital service corporation and a health care provider shall limit what information such health care provider may disclose to patients or the public regarding the provisions, terms, or requirements of the hospital service corporation's products as they relate to the needs of such provider's patients except for trade secrets of significant competitive value.

2 Disclosure of Information; Medical Service Corporations. Amend RSA 420:8-a to read as follows:

420:8-a Prohibiting Limitations on Liability*; Disclosure of Information*.

I. No contract between a medical service corporation and a physician, for the purpose of delineating the rights and obligations of the parties within the provider network, shall limit the liability of the medical service corporation for any actions of the physician for which the medical service corporation might otherwise be liable.

II. No contract between a medical service corporation and a health care provider shall limit what information such health care provider may disclose to patients or the public regarding the provisions, terms, or requirements of the medical service corporation's products as they relate to the needs of such provider's patients except for trade secrets of significant competitive value.

3 Nonprofit Health Service Corporations; Disclosure of Information. Amend RSA 420-A:8-a to read as follows:

420-A:8-a Prohibiting Limitations on Liability*; Disclosure of Information*.

I. No contract between a health service corporation and a physician, for the purpose of delineating the rights and obligations of the parties within the provider network, shall limit the liability of the health service corporation for any actions of the physician for which the health service corporation might otherwise be liable.

II. No contract between a health service corporation and a health care provider shall limit what information such health care provider may disclose to patients or the public regarding the provisions, terms, or requirements of the health service corporation's products as they relate to the needs of such provider's patients except for trade secrets of significant competitive value.

4 New Paragraph; Disclosure of Information; Health Maintenance Organizations. Amend RSA 420-B:12 by inserting after paragraph VIII the following new paragraphs:

IX. No contract between a health maintenance organization and a health care provider shall limit what information such health care provider may disclose to patients or the public regard-

ing the provisions, terms, or requirements of the health maintenance organization's products as they relate to the needs of such provider's patients except for trade secrets of significant competitive value.

5 Disclosure of Information; Preferred Provider Agreements. Amend RSA 420-C:5-a to read as follows:

420-C:5-a Prohibiting Limitations on Liability*; **Disclosure of Information***.

I. No contract between a health care insurer and a physician, for the purpose of delineating the rights and obligations of the parties within the provider network, shall limit the liability of the health care insurer for any actions of the physician for which the health care insurer might otherwise be liable.

II. No contract between a health care insurer and a health care provider shall limit what information such health care provider may disclose to patients or the public regarding the provisions, terms, or requirements of the health care insurer's products as they relate to the needs of such provider's patients except for trade secrets of significant competitive value.

6 Applicability. This act shall apply to all contracts or policies issued or renewed on and after January 1, 1997.

7 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

The bill prohibits the limitation of certain information a health care provider may disclose to a patient or the public.

HB 1485, prohibiting insurance companies from mandating that automobile repairs or automobile glass replacements be made at specific repair or replacement shops. OUGHT TO PASS WITH AMENDMENT

Rep. Richard H. Krueger for Commerce, Small Business, Consumer Affairs and Economic Development: This bill, as amended, reinforces Insurance Department Rule 1000.104 as it applies to auto body repair shops. Insurance companies may not specify certain shops to the exclusion of others when negotiating costs of repairs. Vote 9-4.

Amendment (5007L)

Amend the title of the bill by replacing it with the following:

AN ACT

prohibiting insurance companies from mandating that automobile repairs be made at specific repair shops.

Amend RSA 417:4, XX as inserted by section 1 of the bill by replacing it with the following:

XX. COERCION IN REQUIRING ***CERTAIN AUTOMOBILE OR*** GLASS REPAIR ***SHOPS***.

(a) No insurance company, and no agent or adjuster for such insurance company, that issues or renews in this state any policy of insurance covering, in whole or in part, motor vehicles shall require any insured person or entity under that policy to use a particular company or location for the providing of automobile glass replacement or ***automobile*** repair services or products insured in whole or in part by that policy.

(b) No such insurance company, agent or adjuster shall engage in any act or practice of intimidation, coercion, threat, for or against any such insured person or entity to use such a particular company or location to provide such services or products.

(c) Nothing shall prohibit any insurance company, agent or adjuster from providing to such insured person or entity the name of an automobile glass company ***or automobile repair company*** with which arrangements may have been made with respect to automobile glass ***or repair*** prices or services. If a name is provided, there must be ***written*** disclosure by the insurance company, agent or adjuster to the insured person or entity that any other automobile glass company ***or automobile repair company*** or location may be used at the discretion of the insured person or entity. However, the insurer may limit payment for such work based on the fair and reasonable price in the area by repair shops or facilities providing similar services with the usual and customary guarantees as to materials and workmanship. If an independent repair shop

or facility and an insurer are unable to agree on a price, then for the purposes of this section "fair and reasonable price" shall mean the price available from a recognized, competent and conveniently located, independent repair shop or facility which is willing and able to repair the damaged automobile within a reasonable time.

AMENDED ANALYSIS

This bill makes it an unfair insurance trade practice for insurance companies to require that automobile repairs be made at specific repair shops.

Adopted.

Report adopted and ordered to third reading.

HB 1489, prohibiting gender-based price discrimination. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Toni M. Crosby for the Majority of Commerce, Small Business, Consumer Affairs and Economic Development: This bill, as amended, provides the Justice Department with an additional tool to use in enforcing the state's gender discrimination constitutional amendment. This bill will provide opportunity for meaningful distinctions for business owners. Vote 12-3.

Rep. Warren C. Henderson for the Minority of Commerce, Small Business, Consumer Affairs and Economic Development: The testimony on this bill revolved around how much dry cleaners charge men and women for their services. Some charge different rates, some charge the same. The real issue is how best to remedy differing prices. The minority felt that, since dry-cleaning is by no means an essential service, dissatisfied persons should exercise their individual rights as consumers to change dry cleaners or press management to alter prices rather than relying on government to pass another law to impose more regulation on small business.

Amendment (4668L)

Amend RSA 358-A:2, XIII as inserted by section 1 of the bill by replacing it with the following:

XIII. Discriminating, with respect to the price charged for services of similar like or kind, against a person solely because of the person's gender. Nothing in this paragraph shall prohibit price differences based specifically upon the amount of time, difficulty, or cost of providing the services or upon the offering of services at a "sale" price for a reasonable amount of time. Nothing in this paragraph shall alter or affect the insurance laws or any other laws of this state which govern underwriting or rating practices of insurers regulated under Title XXXVII.

Rep. Dowd spoke against.

Rep. Hunt spoke in favor.

On a division vote, 199 members having voted in the affirmative and 89 in the negative, the amendment was adopted.

HB 1613, prohibiting and eliminating exclusivity contracts between health care insurers and health care providers. OUGHT TO PASS

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: This bill was recommended by the study committee established under Chapter 168, Laws of 1995 (SB17). Based on its hearings and deliberations, the study committee concluded that exclusive contractual arrangements between physicians and managed care companies (agreements effectively limiting a physician to treating members of only one managed care company) have become increasingly common in New Hampshire in recent years and that the present practice of permitting such exclusive contracts has had a negative impact on consumer access to health care and has created an anti-competitive climate among providers of managed care. The conclusions of the study committee, as well as the other conclusions set forth in the bill's Statement of Purpose have been borne out by evidence presented to the committee during its hearings and deliberations on the bill. The bill addresses the matter of access to quality health care at a competitive price, which obviously is a broad, generalized social and economic problem of great importance to New Hampshire citizens. Fostering competition and preventing anti-competitive arrangements is an appropriate policy to improve citizen access to quality health care at a competitive price. Testimony and other evidence offered to the committee demonstrated that exclusive arrangements between physicians and managed care insurers have created barriers to

entry which effectively prevent competing managed care insurers from doing business. For example, the committee learned that two HMO's dominate the New Hampshire health care market. No new HMO has been able to enter the state since 1990. The extensive use of exclusive contracts between health insurers and providers has crippled those wishing to enter the market. Nearly 50% of the New Hampshire primary care physicians are in exclusive or semi-exclusive relationships. Further, a majority of these exclusive physicians are in key geographic markets like Concord, Manchester, Nashua, and Keene and certain specialties such as pediatricians and OB-GYNS have been tied up in exclusive arrangements. For an HMO, the most important factor to enter a new market is adequate network development. They must have a sufficient network of providers, especially primary care providers. They are blocked from the market when they are unable to establish networks. New Hampshire is essentially closed to potential entrants. The committee heard specific evidence from physicians, N.H. Citizens Action, Oxford Health Plans, Tufts Associated Health Plans, New Hampshire Municipal Association Health Insurance Trust, U.S. Healthcare, and most importantly, New Hampshire citizens who have been adversely affected as a result of such exclusive arrangements. Additional HMO's seeking to enter the New Hampshire marketplace have found it very difficult, if not impossible, to establish adequate physician provider networks. The committee also received evidence that as a result, premiums paid by New Hampshire citizens to existing HMO's are among the highest in the nation, and HMO profits from such premiums are also among the highest in the nation. If the New Hampshire healthcare marketplace is to be opened to further competition through participation of additional HMO's, prohibition of exclusive arrangements is a necessary and reasonable means to address the problem. Evidence received by the committee demonstrated that exclusive arrangements are currently widespread and are unlikely to decrease without legislative intervention. Existence of such arrangements in provider contracts currently in force is likely to continue unless the legislation is made applicable to existing contracts. The committee believes that all HMO provider contracts, current and future, should be subject to the same rules on exclusivity in order to establish a level playing field and enhance the likelihood of competition. The General Court has ample authority to enact such a ban, under the exercise of its "police powers" and particularly under the provisions of Part 2, Article 83 of the New Hampshire Constitution, which encourages enactment of laws to enhance free and fair competition. Accordingly, the bill's prohibition on exclusive arrangements should apply to all such arrangements, existing and future. Vote 14-2.

Adopted and ordered to third reading.

CACR 22, relating to legislative authority to limit civil and punitive damage awards. Providing that the general court shall have the authority to limit the amount of civil and punitive damage awards granted in the state of New Hampshire. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Charles W. Chandler for the Majority of Constitutional and Statutory Revision: The committee feels that the ultimate result of this resolution would be to unfairly benefit large corporations/businesses or industries to the extreme detriment of the average New Hampshire citizen who may have been the victim of a civil wrong. Vote 15-1.

Rep. Philip T. Cobbin for the Minority of Constitutional and Statutory Revision: This bill does not place a limit of any kind on civil or punitive damages. It simply allows us some day in the future to consider doing it. It lets the voters decide the issue once and for all and takes that burden off us as legislators.

Rep. Guaraldi spoke against.

Rep. Holden spoke in favor and yielded to questions.

Rep. Guaraldi requested a roll call; sufficiently seconded. The question being the adoption of the report.

CACR 28, relating to new taxes and tax increases. Providing that there shall be no new tax implemented in the state of New Hampshire, or increases in any existing tax, without the approval of 3/5 of the members of both houses of the general court. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Carl S. Adams for the Majority of Constitutional and Statutory Revision: CACR 28 would provide that there shall be no new tax implemented in the State of New Hampshire, or no increases in any existing tax, without approval of 3/5 of the members of both houses of the general court. The mark of democracy is majority rule. Majority rule has worked well for over 200 years. The majority of the committee felt that we should not put this in the Constitution. If passed by the House and Senate and then the voters, a super majority would be needed for the passage of even the smallest fee. Vote 10-5.

Rep. Dana S. Hilliard for the Minority of Constitutional and Statutory Revision: The citizens of New Hampshire deserve an open and honest debate on the many taxes levied by state government. Majority rule is a lofty principle, but too often the majority abuses that principle by levying surcharges, "temporary" tax increases, new taxes, and fee hikes in an effort to maximize the flow of tax dollars to Concord and minimize public input. By raising the voting threshold required to raise taxes, we would also raise public awareness and make it more difficult for the majority to push its perennial tax increases through the Legislature. The citizens of the state at least deserve the chance to vote on whether to add this measure to the Constitution.

SPECIAL ORDERS

HB 1582, authorizing the wetlands board to issue emergency permits in certain situations. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Reps. William E. Williams, Jr. and Howard C. Dickinson, Jr. for the Majority of Resources, Recreation and Development: This bill is also a result of the Wetlands Study Committee. It addresses the permitting procedure with respect to emergency conditions and repair of existing ditches, culverts, catch basins, fire ponds, etc. Also, the permitting for repair of existing docks and water structures is clarified. The permitting processes are significantly easier and require less agency involvement while still retaining existing bureau control. Vote 14-4.

Reps. Deborah F. Merritt, Janet M. Conroy, Robert J. Laflam, and Mary Ellen Martin for the Minority of Resources, Recreation and Development: The minority of the committee believes state or federal agencies or municipalities should not be exempt from providing notification to the Department of Environmental Services for replacement or repair of legally constructed culverts. What is required of individuals should be required of agencies or municipalities. The noncompliance with current law requiring a permit does not seem sufficient reason to abrogate the necessity for state oversight. The minority will present an amendment that reflects this belief.

Amendment (4715L)

Amend the title of the bill by replacing it with the following:

AN ACT

authorizing the department of environmental services to issue permits in emergency situations on behalf of the wetlands board, expanding the exemptions for excavating and dredging permits, and establishing a notification process for the replacement and repair of existing legal structures.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The purpose of sections 2 and 3 of this act is to provide for a notification process to permit the repair and replacement of existing, legally constructed structures that are located in wetlands, dunes, or surface waters. The purpose of section 4 of this act is to allow certain actions without the necessity of obtaining a permit or providing notice to the wetlands board. The purpose of section 5 of this act is to clarify the authority of the department of environmental services to issue permits in emergency situations on behalf of the wetlands board.

2 Reference Added. Amend RSA 482-A:3, III to read as follows:

III. The filing fees collected pursuant to paragraphs I, *IV(c),* V(c), XI(h), and XII(c) are appropriated to and shall be expended by the wetlands board for paying per diem and expenses of the public members, reviewing applications and activities relative to the wetlands of the state, conducting field investigations, and holding public hearings. Such fees shall be held by the treasurer in a nonlapsing fund identified as the wetlands board review fund.

3 Notification Process Clarified. RSA 482-A:3, IV is repealed and reenacted to read as follows:

IV.(a) Persons who have filed appropriate notice, as provided in subparagraph (b), to the wetlands board and the municipal conservation commission shall have satisfied the permitting requirements of this section for the replacement or repair of existing legal structures in or adjacent to any waters of the state, provided there is no change in size, location, configuration, or construction type of the structure.

(b) Appropriate notice shall include:

(1) Name and address of the property owner.

(2) Name and address of the contractor.

(3) Town, tax map number, and lot number of the property.

(4) Name of waterbody, if applicable.

(5) A copy of the appropriate United States Geological Survey topographical map with the location of the structure indicated.

(6) Current photographs of the existing structure.

(7) Designs showing the location of the structure relative to property lines, the configuration of the structure, and the dimensions of the structure.

(8) Wetlands board construction permit number or evidence of grandfathered status.

(c) A $25 filing fee shall accompany the notice to the wetlands board. Such fees shall be held in accordance with paragraph III.

(d) Acceptance of a notification for repair or replacement does not preclude the board from taking enforcement action if the board learns that the structure was not legal.

(e) A copy of the notification shall be provided to the municipal conservation commission, or the selectmen if there is no conservation commission, and a copy shall be conspicuously posted on site.

(f) The provisions of this section shall not apply to structures built over the waters of the state as provided in RSA 482-A:26.

4 New Paragraph; Excavating and Dredging Permit; Exemption Added. Amend RSA 482-A:3, by inserting after paragraph IV the following new paragraph:

IV-a.(a) Nontidal drainage ditches, culverts, catch basins, and man-made detention ponds that have been legally constructed to collect and convey storm water and spring run-off, or fire ponds and intake areas of dry hydrants that have been legally constructed to provide water for municipal firefighting purposes as approved by the local fire chief, may be cleaned out when necessary to preserve their usefulness without a permit from the wetlands board or notification as provided under paragraph IV. Such drainage facilities, fire ponds, and intake areas of any hydrants may be cleaned out by hand or machine, provided that the facility is neither enlarged nor extended into any other area of wetlands board jurisdiction, dredged spoils are deposited in areas outside wetlands board jurisdiction, and wetlands or surface waters outside the limits of the constructed drainage facility, fire pond, or intake area of a dry hydrant are neither disturbed nor degraded.

(b) State or federal agencies or municipalities may repair or replace existing, legally constructed culverts without obtaining a permit or providing notice as provided under paragraph IV to the board provided:

(1) The culvert is neither enlarged nor extended into any other area of jurisdiction under this chapter;

(2) The existing culvert is not larger than 24 inches in diameter; and

(3) Appropriate siltation and erosion controls are in place prior to construction, are maintained during construction, and remain in place until the area is stabilized.

5 Emergency Permit. Amend RSA 482-A:11, VII to read as follows:

VII. The board may adopt rules pursuant to RSA 541-A establishing:

(a) An expedited application and permitting process for certain minimum impact projects, under which the department of environmental services may issue such permits without board action. The provisions of RSA 482-A:3, I and paragraph III of this section shall apply.

(b) An emergency permit process under which the department may issue emergency permits on the board's behalf prior to formal board action when a threat to public safety, health, or welfare exists, or significant damage to property is imminent.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

(1) Allows certain drainage facilities to be cleaned out, when necessary to maintain their usefulness, without a permit from the wetlands board.

(2) Establishes a notification process for the replacement or repair of existing legal structures in or adjacent to any waters of the state without a permit.

(3) Authorizes the department of environmental services to issue permits in emergency situations on behalf of the wetlands board.

(4) Expands the exemptions for excavating and dredging permits.

Adopted.

Rep. Merritt offered the Minority amendment.

Amendment (4820L)

Amend the bill by replacing section 4 with the following:

4 New Paragraph; Excavating and Dredging Permit; Exemption Added. Amend RSA 482-A:3 by inserting after paragraph IV the following new paragraph:

IV-a. Nontidal drainage ditches, culverts, catch basins, and man-made detention ponds that have been legally constructed to collect and convey storm water and spring run-off, or fire ponds and intake areas of dry hydrants that have been legally constructed to provide water for municipal firefighting purposes as approved by the local fire chief, may be cleaned out when necessary to preserve their usefulness without a permit from the wetlands board or notification as provided under paragraph IV. Such drainage facilities, fire ponds, and intake areas of any hydrants may be cleaned out by hand or machine, provided that the facility is neither enlarged nor extended into any other area of wetlands board jurisdiction, dredged spoils are deposited in areas outside wetlands board jurisdiction, and wetlands or surface waters outside the limits of the constructed drainage facility, fire pond, or intake area of a dry hydrant are neither disturbed nor degraded.

(Speaker Burns in the Chair)

HCR 22, rescinding the 1979 call for a federal constitutional convention. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. John Anthony Simmons for the Majority of the Committee on State-Federal Relations: The majority does not believe that rescinding the 1979 call for a federal constitutional convention would be appropriate at this time. The overriding concern is that the Congress has been delinquent in its duties for too long. Rescinding the call for a convention would send Congress the message that the state of New Hampshire no longer cares to pressure Congress to do its job. The majority also recognizes the minority's concern for a need to control the actions of such a convention. However, the majority believes that there already exist sufficient checks and balances to ensure that such a convention could not exceed its authority. Vote 8-3.

Reps. Robert K. Wollner, Craig M. Wheeler, Joseph A. Foster for the Minority of the Committee on State-Federal Relations: There are several dangers that are present when the states call for a constitutional convention. A major concern is that when a CONCON is called, it cannot be done for only one specific purpose, a CONCON could be open to whatever the delegates choose to discuss. Some of those subjects are areas that the people of New Hampshire may not desire to be changed. If the people truly desire to amend the constitution they can elect members of Congress who will carry out their wishes.

Rep. William Riley spoke against.
Rep. Simmons spoke in favor and yielded to questions.
Rep. Joseph Foster spoke against and yielded to questions.
Rep. Mark Holt spoke in favor.
Rep. Simmons requested a roll call; sufficiently seconded. The question being the adoption of the report.

HCR 27, urging Congress to repeal certain Clean Water Act requirements. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Richard E. Kennedy for the Majority of the Committee on State-Federal Relations: The committee felt that the amendment clarified the intent of the sponsor and the language of the bill. The committee hopes to obtain reasonable regulations while continuing to improve the quality of our water. Vote 8-4.

Reps. Dana S. Hilliard, Robert K. Wollner, Craig M. Wheeler, Joseph A. Foster for the Minority for the Committee on State-Federal Relations: The minority of the committee believes that this bill is too vague and does not specifically cite the provisions of the Safe Drinking Water Act which we are calling for to be repealed. The minority feels that it would be wiser to identify the specific provisions of the Safe Drinking Water Act that should be amended rather than incorporating a senate bill which has not yet been studied and which Congress could change.

Amendment (4904L)

Amend the resolution by replacing the title of the resolution with the following:

A RESOLUTION

urging Congress to reauthorize the Safe Drinking Water Act.

Amend the resolution by replacing all after the enacting clause with the following:

Whereas, certain aspects of the Safe Drinking Water Act require municipalities to make costly changes to municipal water supply systems; and

Whereas, the municipalities pass these costs on to the ratepayers through high water bills; and

Whereas, certain requirements under the current Safe Drinking Water Act have only marginal effects on the water quality but result in substantial costs to citizens and businesses; now, therefore, be it

Resolved by the House of Representatives, the Senate concurring:

That the general court of New Hampshire hereby urges the United States Congress to pass S.1316, reauthorizing only certain aspects of the Safe Drinking Water Act which will make it less costly for municipalities to implement, while preserving water quality; and

That copies of this resolution, signed by the president of the senate and the speaker of the house, be forwarded by them to the President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, and to each member of the New Hampshire Congressional delegation.

AMENDED ANALYSIS

This house concurrent resolution urges Congress to reauthorize the Safe Drinking Water Act.

Adopted.

Reps. Wollner and Katherine Wheeler spoke against.

Reps. Mark Holt and Gage spoke in favor and yielded to questions.

Rep. Hilliard yielded to questions.

Rep. Rosen spoke in favor.

MOTION TO LAY ON THE TABLE

Rep. Katherine Wheeler moved that **HCR 27**, urging Congress to reauthorize the Safe Drinking Water Act be laid on the table.

Rep. Sabella requested a roll call; sufficiently seconded. The question being the motion to lay on the table.

REGULAR CALENDAR (Cont'd.)

CACR 35, relating to 7-year terms for all state judges. Providing that all state judges be commissioned for 7-year terms, which may be renewed. INEXPEDIENT TO LEGISLATE

Rep. Charles W. Chandler for Constitutional and Statutory Revision: The committee believes that the quality of those sitting as judges would not be enhanced by this resolution. Testimony indicated that, in fact, the caliber of those willing to serve could be diminished and any reappointment process would politicize judicial selection thus impunging fairness and impartiality essential for a high quality judiciary. Vote 12-0.

Reps. Loren Jean and Cobbin spoke against.

Rep. Charles Chandler spoke in favor and yielded to questions.

HB 1378, relating to expenditures by political parties. INEXPEDIENT TO LEGISLATE

Rep. Carol H. Holden for Constitutional and Statutory Revision: This bill redefines "total expenditure" for the purpose of political expenditure limitation amounts by candidates who voluntarily agree to limit campaign expenditures. The definition is expanded to include "on behalf of, or in any way supportive of a specific candidate." Testimony indicated that the law is already clear on this and there would be problems with enforcement. Vote 12-2.

Adopted.

HB 1379, to require financial filings by county and local party committees. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Philip T. Cobbin for the Majority of Constitutional and Statutory Revision: As amended, the bill lowers the dollar amount from $500 to $250 at which political committees and candidates must file reports of campaign receipts or expenditures. Vote 9-6.

Rep. Janet S. Arndt for the Minority of Constitutional and Statutory Revision: The minority of the committee felt that $500 was a reasonable amount for candidates to spend before reports of expenses needed to be made to the Secretary of State. There has been no problem with the present system.

Amendment (4644L)

Amend the bill by replacing all after the enacting clause with the following:

1 Reporting by Political Committees. Amend RSA 664:6, I to read as follows:

I. Any political committee, ***including the political committee of a political party,*** whose receipts or expenditures in support of a candidate, measure, or political party exceed [$500] ***$250*** except, for the purposes of this paragraph only, [the political committee of a political party or] the political committee of a candidate, shall file with the secretary of state an itemized statement, signed by its chairman and treasurer showing each of its receipts exceeding $25 with the full name and home post office address of the contributor in alphabetical order and the amount of the contribution, the date it was received, and the aggregate total for each election for each contributor of over $250. ***The receipts and expenditures of the county, city, ward, or town***

committee of a political party shall be reported by and under the direction of the state political party with which they are affiliated. The statement shall be filed not later than the Wednesday 12 weeks immediately preceding a primary election, before 5 o'clock in the afternoon, and shall cover the period from the day of the committee registration up to and including the Monday before the statement is due. All receipts of $25 or under shall appear on the statements as unitemized receipts. Any listing which exceeds an individual's aggregate total of [$100] ***$25*** for each election shall be accompanied by the contributor's occupation including official job title, the name of the contributor's employer, and the city or town of the contributor's principal place of business, if any. The statement shall also show each committee expenditure with the full name and city or town of persons, corporations, committees, or to whomever paid or to be paid, the date paid, and the election for which the expenditure was made, with the specific nature and amount of each expenditure since the date of the registration.

2 Reporting by Political Committees. Amend RSA 664:6, II-a to read as follows:

II-a. A statement in the same form as in paragraph I shall be filed with the secretary of state not later than the Wednesday immediately preceding a primary and a general election, before 5 o'clock in the afternoon. The statement shall summarize the statements under paragraphs I and II if such statements are filed and itemize all receipts and expenditures since the cutoff of the statement under paragraph II up until the Monday preceding the filing of the statement under this paragraph. In addition to the reporting requirements contained in this section, the secretary of state shall be notified by the fiscal agent within 24 hours of any contribution exceeding [$500] ***$250*** which is received after the statement under this paragraph is filed and prior to the day of election.

3 Reporting by Political Committees. Amend RSA 664:6, IV and IV-a to read as follows:

IV. Any political committee whose receipts or expenditures do not exceed [$500] ***$250*** for a reporting period need not file. However, when a committee's accumulated receipts or expenditures for an election exceed [$500] ***$250*** the committee shall file a statement at the next reporting deadline.

IV-a. Any political committee whose independent expenditures exceed [$500] ***$250*** shall file an itemized statement with the secretary of state not later than 24 hours after such expenditures are made, and thereafter each time a further [$500] ***$250*** is expended. Such itemized statements shall cover the period during which independent expenditures totalling [$500] ***$250*** were made. Each statement shall contain the date of the independent expenditure; the name and address of the person to whom the expenditure was made; the name of the candidate on whose behalf or against whom each expenditure was made; the amount of each expenditure; the purpose of each expenditure and the aggregate amount of all previous independent expenditures. If the independent expenditure is made in support of or to oppose more than one candidate, the statement made under this paragraph shall allocate the way in which the expenditure was made among the candidates on a reasonable basis. For the purposes of this paragraph, "reasonable basis" means a statement which reflects the benefit or the burden reasonably expected to be derived or suffered by each candidate. The filing requirements of this paragraph shall be in addition to all other filing requirements under this section, and shall not be limited to the filing periods during which expenditures must otherwise be reported.

4 Reporting by Candidates. Amend RSA 664:7 to read as follows:

664:7 Reporting by Candidates. Each candidate at the primary or general election for governor, councilor, state senator, representative to general court, or county officer, who has ***receipts or*** expenditures exceeding [$500] ***$250***, shall file statements before and after an election in like manner and detail as prescribed in RSA 664:6, II, II-a, III, IV, and V, excepting, however, the expenditures of political committees of the party to which the candidate belongs in elections other than primaries.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

Under present law, political committees whose receipts and expenditures exceed $500 are required to file itemized statements with the secretary of state. This bill lowers the dollar amount to $250.

The bill also extends these reporting requirements to include all the political committees of a political party.

Adopted.

Rep. Scott requested a roll call; not sufficiently seconded.

On a division vote, 149 members having voted in the affirmative and 145 in the negative, the report was adopted.

Ordered to third reading.

(Speaker Burns in the Chair)

HB 1398-L, relative to statutory provisions regulating the placement and removal of political advertising. REFER FOR INTERIM STUDY

Rep. Douglass P. Teschner for Constitutional and Statutory Revision: While the committee has some problems with this bill in its present form, the committee supported interim study as a vehicle to review the present campaign sign laws. There appears to be widespread noncompliance with the existing law (notably relative to the placement of campaign signs on highway rights-of-way), and the committee will work with the Attorney General's Office, Secretary of State, and Department of Transportation to see if these statutes can be improved. Vote 7-4.

Adopted.

HB 1401, relative to political contributions. INEXPEDIENT TO LEGISLATE

Rep. Carol H. Holden for Constitutional and Statutory Revision: This bill would amend the election laws dealing with political contributions. The bill adds provisions relative to contribution limits, limitations on cash contributions and anonymous contributions, additional disclosure information for contributors, the use of excess campaign contributions, the use of campaign contributions, time limits for soliciting contributions, restrictions on contributions by contractors, and phasing out political action committee contributions. In New Hampshire we have a voluntary campaign spending law. The committee feels that the spending cap is enough. The cap is intended to allow the candidates to spend less time raising money and to spend more time with the voters. The effective date on part of the bill is January 1, 2000. The majority of the committee felt that this bill is not needed at this time. Vote 11-5.

Rep. Rogers spoke against and yielded to questions.

Rep. Holden spoke in favor.

Rep. Scott requested a roll call; sufficiently seconded. The question being the adoption of the report.

HB 1467, relative to anonymous political campaign communications. REFER FOR INTERIM STUDY

Rep. Douglass P. Teschner for Constitutional and Statutory Revision: The U.S. Supreme Court, in McIntyre vs. Ohio Elections Commission, struck down an Ohio law making it a crime to distribute political communications which do not include the name and address of the responsible person. This bill, as presented, is designed to address this issue. At the hearing, the Attorney General's office offered to provide an amendment, but this was not made available to the committee as of the reporting deadline. Therefore, the committee voted interim study. Vote 16-0.

REGULAR CALENDAR (Cont'd.)

HB 1523, relative to dividing a town into representative districts. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Carol H. Holden for the Majority of Constitutional and Statutory Revision: The majority of the committee feels that there is an opportunity for a town to divide into two or more representative districts for the purpose of electing representatives to the general court during the redistricting process every ten years. No community representatives other than the sponsor came to testify on the bill. Vote 9-3.

Rep. Thomas I. Arnold, Jr. for the Minority of Constitutional and Statutory Revision: This bill merely provides a simpler method for multi-district towns to break into single representative districts. The minority believes that the option to change should be accorded to such towns without an overcumbersome process.

Rep. Holden spoke against and yielded to questions.

Rep. Holden moved Refer for Interim Study, spoke in favor and yielded to questions.

Rep. Donna Sytek spoke in favor.

HB 1579, creating a fair elections commission. INEXPEDIENT TO LEGISLATE

Rep. Janet S. Arndt for Constitutional and Statutory Revision: Our present system of election procedures seems to be working well. The committee felt that there would be no need to create a new level of bureaucracy at this time. Vote 11-1.

Adopted.

HCR 20, urging the United States Congress to propose a constitutional amendment to impose term limits on the members of Congress. OUGHT TO PASS

Rep. Janet S. Arndt for Constitutional and Statutory Revision: The majority of the committee feels that HCR 20 reaffirms the House's commitment for term limits that was passed last year. HCR 20 urges Congress to take the appropriate action necessary for term limits to be enacted in accordance with the wishes of New Hampshire citizens. Vote 8-7.

HB 1213-FN, changing the composition of the liquor commission. INEXPEDIENT TO LEGISLATE

Rep. Stephen G. Avery for Regulated Revenues: The only testimony for this bill was from the sponsor. There was no support for creating a drug czar and eliminating two of the liquor commissioners. The reorganization aspects of this bill are being addressed in HB 1543. The Senate also has defeated a similar measure as proposed in SB 569. Vote 9-2.

Adopted.

HB 1453-FN, relative to divisions and employees of the liquor commission. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. M. Virginia Burke for the Majority of Regulated Revenues: Since we voted Inexpedient to Legislate on a bill to eliminate two of the three liquor commissioners, it was appropriate to also vote Inexpedient to Legislate on this bill since it, in essence, transfers the power of two commissioners to new positions this bill creates. At a time when other departments are being downsized and severe cuts made in the State budget, this bill creates a new level of bureaucracy in the Liquor Commission. Vote 6-5.

Reps. Charles D. Reynolds, Stephen G. Avery, Lynn C. Horton and Robert M. Lawton for the Minority of Regulated Revenues: This legislation is an effort by the Liquor Commission to begin

the implementation of recommendations contained in the audit of the Commission in a businesslike manner. It will replace the current management structure that has seven managers reporting directly to the Commission, with three functional divisions. Approval was obtained for the reclassification of two existing budgeted positions to accomplish this; therefore, no additional positions are being sought. This top line reorganization will improve communications, operational effectiveness, coordination, and overall management. The added expense will be more than balanced by improved efficiencies, and the mission of the Commission to operate in the most effective manner possible, in order to maximize revenues, will be fulfilled once again. This businesslike approach to organization and evaluation of operations is going to be more important as competition from other New England states increases, and was recognized by the Business and Industry Association of New Hampshire in a letter to the Commission.

Reps. Reynolds and Avery spoke against and yielded to questions.

Reps. Reidy and Burke spoke in favor and yielded to questions.

Rep. Burke requested a roll call; sufficiently seconded. The question being the adoption of the report.

HB 1154, establishing a committee to study funding for statewide kindergarten. OUGHT TO PASS WITH AMENDMENT

Rep. Suzan L. R. Franks for Education: This bill, as amended, establishes a kindergarten planning and assistance program provided by the state department of education, and a kindergarten maintenance aid program. The kindergarten planning and assistance program will provide assistance at no cost to the school districts towards study and planning for their local public kindergarten programs. Additionally, this bill will encourage maintenance of local public kindergarten program availability by providing annually a $500 per kindergarten pupil financial assistance to all school districts that provide or maintain a kindergarten program. Vote 13-7.

Amendment (5125L)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing kindergarten planning assistance and maintenance aid programs, and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. This bill establishes public kindergarten planning assistance and maintenance aid programs to be administered by the department of education. The purpose of these programs is to set as a priority for the state the encouragement of kindergarten availability for New Hampshire's 5-year old pupils and the provision of state assistance to school districts which implement or presently operate kindergarten programs to ensure the continuation of such programs.

2 New Subparagraph; Kindergarten Maintenance Aid Program. Amend RSA 6:12, I by inserting after subparagraph (lll) the following new subparagraph:

(mmm) Moneys received for the kindergarten maintenance aid fund established in RSA 198:15-p.

3 New Subdivisions; Kindergarten Planning Assistance; Kindergarten Maintenance Aid. Amend RSA 198 by inserting after section 15-k the following new subdivisions:

Kindergarten Planning Assistance

198:15-l Kindergarten Planning Assistance.

I. There is established a kindergarten planning assistance program through which the state department of education shall provide assistance to local school districts which require guidance in their performance of studies of the benefits of a public kindergarten program. The state

department of education shall provide local districts with the information they require to conduct public forums or surveys for input on public kindergarten, and any other assistance or information that may be needed by the local district in developing options to provide a public kindergarten program for their pupils.

II. This information and assistance shall be made available at no cost to the local districts.

Kindergarten Maintenance Aid

198:15-m Kindergarten Maintenance Aid.

I. There is established a kindergarten maintenance aid program through which the department of education shall pay annually for financial assistance to local school districts the sum of $500 per kindergarten pupil who resides in the district and attends a public kindergarten in those districts that provide and maintain a kindergarten program. These funds shall be provided to districts that send to or contract with other established public kindergarten programs for their local resident kindergarten pupils.

II. For purposes of receiving public kindergarten maintenance aid under this subdivision, to "provide and maintain a public kindergarten program" means:

(a) To operate a kindergarten program within an approved public school maintained by the local school district; or

(b) To pay tuition on behalf of resident pupils to a kindergarten program operated by another public school district in this state or, when distance or transportation make it necessary, in another state.

III.(a) In order to qualify for kindergarten maintenance aid, local district kindergarten programs shall meet New Hampshire minimum standards for approval of schools.

(b) Charter school kindergarten programs shall qualify for kindergarten maintenance aid.

198:15-o Administration. The department of education shall be responsible for administering the kindergarten maintenance aid program, and shall be responsible for the following:

I. Assisting districts in the development of plans for providing public kindergarten availability for their 5-year old resident pupils.

II. Reporting annually the extent of utilization of the public kindergarten maintenance aid to the house and senate education committees and the state board of education, and providing an annual update on the number of districts providing a public kindergarten program.

198:15-p Kindergarten Maintenance Aid Fund. There is created in the state treasury a kindergarten maintenance aid fund which shall be nonlapsing. The fund is continually appropriated to the department of education to be expended for the purposes set forth in this subdivision.

198:15-q Rulemaking. The state board of education shall adopt rules, under RSA 541-A, relative to the administration of the kindergarten maintenance aid program. These rules shall provide that all school districts currently offering a public kindergarten program shall be eligible for funds commencing June 30 of each year. The number of public kindergarten pupils in attendance shall be determined by the number of kindergarten pupils in attendance in the district on October 1 of the preceding school year. Any school district implementing public kindergarten in its district shall be eligible for these programs.

4 Appropriation. A sum of $500 per kindergarten pupil as determined by the department of education is hereby appropriated to the department of education for the purposes of this act. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

5 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill establishes kindergarten planning assistance and kindergarten maintenance aid programs to be administered by the department of education. The purpose of these programs is to provide state assistance to districts which presently operate kindergartens to ensure the continuation of such programs, and to encourage districts which do not provide kindergarten to make kindergarten available. The bill also appropriates a sum of $500 per kindergarten pupil for the purposes of the act.

HB 1270-L, establishing school administrative unit budget review committees. OUGHT TO PASS WITH AMENDMENT

Rep. William A. Riley for Education: This bill allows an advisory budget or finance committee to be established by a school administrative unit. The committee feels that should the option be utilized, it will help to formulate better SAU budget control. Vote 13-5.

Amendment (5118L)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing school administrative units to establish advisory budget or finance committees under the municipal budget law.

Amend the bill by replacing all after the enacting clause with the following:

1 School Administrative Units; Establishment of Advisory Budget or Finance Committees. Amend RSA 32:24 to read as follows:

32:24 Other Committees. Nothing in this subdivision shall prevent a municipality ***or school administrative unit*** from establishing advisory budget or finance committees, with such duties and powers as the municipality ***or school administrative unit*** sees fit, but no such committee's recommendations shall have any limiting effect on appropriations, as set forth in RSA 32:18, unless all the procedures in this subdivision are followed.

2 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill allows school administrative units to establish advisory budget or finance committees under the municipal budget law.

Adopted.

Report adopted and ordered to third reading.

HB 1280-L, relative to teachers' rights to notice and hearing for failure to be renominated or reelected. INEXPEDIENT TO LEGISLATE

Rep. Jane E. O'Hearn for Education: It is unnecessary to increase the number of consecutive years from 3 to 5 years for a teacher to be entitled to notice and hearing for failure to be renominated. An administrator should be able to determine if a teacher is to be renominated in a timely fashion with a well-done evaluation process. Vote 15-3.

Adopted.

HB 1388-L, prohibiting the channeling of pupils through high school curriculums. INEXPEDIENT TO LEGISLATE

Rep. Charles B. Yeaton for Education: The committee felt that if there is a problem in this area, it is a local one which this bill will not alleviate. Vote 17-3.

Adopted.

HB 1475, relative to the transportation of pupils. REFER FOR INTERIM STUDY

Rep. William S. Belvin for Education: This bill is concerned with the issue of parent or guardian responsibility for providing pupil transportation to a location on a town-maintained road versus the responsibility of school districts to provide these services. Overlaying this cost issue is a great concern for pupil safety. The committee believes balancing the issues of transportation safety with parental and school district responsibility and provisions for special education require interim study. Vote 16-3.

Adopted.

HB 1623-L, authorizing school districts to establish revolving funds to finance certain programs. OUGHT TO PASS WITH AMENDMENT

Rep. Stanley N. Searles, Sr. for Education: This is enabling legislation which allows the establishment of a revolving fund to support school programs which are self supporting in whole or in part. Vote 12-4.

Amendment (5121L)

Amend the title of the bill by replacing it with the following:

AN ACT

authorizing school districts to establish revolving funds to finance certain programs, and relative to the printed materials revolving fund under the department of education, and increasing the appropriation therefor.

Amend the bill by replacing all after section 1 with the following:

2 Department of Education; Printed Materials Revolving Fund. RSA 186:13, XII is repealed and reenacted to read as follows:

XII. REVOLVING FUND. For a nonlapsing revolving fund to be known as the printed materials revolving fund which is hereby established to be administered by the department of education. The moneys in said fund shall be used for the purpose of printing materials for distribution. A reasonable charge shall be established for each copy of a document. Charges made shall be in the amount necessary to pay the cost of producing such documents. Receipts from the sale of any documents shall be credited to the fund established in this paragraph. The receipts from such charges shall be used for no other purpose than the subsequent printing of documents of the department of education. State agencies and members of the general court shall not be charged for printed materials which are paid for by the fund. Any available balance in this fund in excess of $25,000 on June 30 of each year shall be deposited in the general fund as unrestricted revenue.

3 Department of Education; Printed Materials Revolving Fund Appropriation Increased. Amend 1995, 307:1.06, 03, 02, 01, 03, fiscal year 1996 and 1997, as follows:

HJR 21, urging Congress to abolish the federal Department of Education. OUGHT TO PASS WITH AMENDMENT

Rep. Robert E. McKinley for Education: The majority of the committee feels that the funds now being expended by the United States Department of Education can be better employed if sent directly to the states and their local communities. Vote 11-5.

Amendment (4952L)

Amend the resolution by replacing all after the title with the following:

Whereas, the United States Department of Education has shown a tendency toward direct, federal control of schools and to reorganize education into a centralized function which cannot adequately address the needs and desires of the states and their local communities; and

Whereas, the inhabitants of the states and their local communities are better suited to control within their means, curricula and costs within their own domain; and

Whereas, the funds now being expended by the United States Department of Education can be better employed if sent directly to the states and their local communities; now, therefore, be it

Resolved by the Senate and House of Representatives in General Court convened:

That the United States Department of Education be abolished, and that the funds now distributed by the Department be granted directly to the states on a per capita basis, without restriction, except that these funds shall be applied only to public education; and That copies of this resolution be sent by the house clerk to the President of the United States, the Speaker of the House of Representatives, the President of the United States Senate, and New Hampshire's congressional delegation.

Adopted.

On a division vote, 195 members having voted in the affirmative and 80 in the negative, the report was adopted.

HB 1323, requiring a person intending to use human manure to notify certain neighboring property owners before spreading the manure. OUGHT TO PASS WITH AMENDMENT

Rep. David L. Babson, Jr. for Environment and Agriculture: It is the intention of this bill, as amended, to establish a notification process for the land application of septage and sludge. Also, it establishes a statutory committee to study the issues of use and disposal of septage and sludge. Vote 15-1.

Amendment (5115L)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a committee to study the issue of the use, and disposal of sludge or septage, and requiring notification to certain persons before the application of sludge or septage.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Spreading Septage or Sludge; Notice Required. Amend RSA 431:35 by inserting after paragraph II the following new paragraph:

III.(a) No person shall spread septage or sludge as defined in RSA 485-A:2 before providing all property owners abutting the spreading site with written notice of the intended date and location of the spreading. Such notice shall be provided by publishing a notice at least 14 days before the intended date of the first annual spreading of the septage or sludge in a newspaper of general circulation in the town or city.

(b) The notice shall include the names, addresses, and telephone numbers of the following:

(1) The applicant, if applicable;

(2) The generator of the sludge, if applicable;

(3) The person responsible for managing the activities on-site, if different from the applicant under subparagraph (1); and

(4) The landowner, if not given under subparagraph (1) or (3).

(c) A copy of such notice shall be posted on the entrances to the site for 3 days prior to the application and 3 days after the application.

2 Committee Established; Duties. There is hereby established a committee to study the use, application, and disposal of sludge or septage. The committee shall examine the land application and treatment of sludge or septage, and shall examine alternatives to land application, including methods of disposal. The committee shall recommend appropriate legislation regarding the regulation of sludge or septage.

3 Membership. The committee shall consist of the following members:

I. Two members of the senate, appointed by the president of the senate.

II. Four members of the house of representatives, at least 2 of whom shall be members of the environment and agriculture committee, appointed by the speaker of the house.

4 Chair; Meetings. The first meeting of the committee shall be called by the first-named representative. The chair of the committee shall be chosen at the first meeting.

5 Mileage; Report. Members shall receive mileage at the legislative rate for attending to duties of the committee. The committee shall submit its report with any recommended legislation to the president of the senate, the speaker of the house, the senate clerk, the house clerk, and the state library on or before November 1, 1996.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

(1) Establishes a committee to study the issue of the use, application, and disposal of sludge or septage.

(2) Requires a person intending to use domestic sludge or septage to notify certain property owners and post a copy of such notice at the entrances to the site.

Adopted.

Amend RSA 149-M:4, XXVI as inserted by section 2 of the bill by replacing it with the following:

XXVI. "Source reduction" means changing industrial processes, technologies, and product components with the specific objective of reducing the amount or toxicity of waste at the source.

Amend RSA 149-M:6, III as inserted by section 2 of the bill by replacing it with the following:

III. Regulate facilities through administration of a permit system.

Amend RSA 149-M:6, X as inserted by section 2 of the bill by replacing it the following:

X. Consult, cooperate, or contract with other state agencies responsible for solid waste issues, with interstate and federal agencies, with New Hampshire nonprofit recycling organizations, and with other affected groups.

Amend RSA 149-M:6, XIII as inserted by section 2 of the bill by replacing it with the following:

XIII. Establish and administer a certification program for solid waste operators which shall include training courses, and may include testing. The registration fee for any course shall not exceed $50 per attendee, and shall be deposited in the nonlapsing revolving fund established in RSA 21-O:1-a.

IX. Conduct any other activity for the purpose of administering this chapter.

Amend the introductory paragraph of RSA 149-M:7 as inserted by section 2 of the bill by replacing it with the following:

149-M:7 Rulemaking. The commissioner shall have the responsibility and authority to adopt rules, under RSA 541-A, relative to this chapter, including rules relative to:

Amend RSA 149-M:7, III and IV as inserted by section 2 of the bill by replacing them with the following:

III. Administration of a permit system, including the terms and conditions under which the division shall issue, modify, suspend, revoke, deny, approve, or transfer permits required by this chapter.

IV. A schedule of permit fees.

Amend RSA 149-M:7, IX as inserted by section 2 of the bill by replacing it with the following:

IX. Administrative fines as provided in RSA 149-M:16.

Amend RSA 149-M:7, XII as inserted by section 2 of the bill by replacing it with the following:

XII. Administration of the cleanup of waste sites provided for in RSA 149-M:30 and the aid to municipalities program provided in RSA 149-M:41 through 50.

Amend RSA 149-M:7, XIV as inserted by section 2 of the bill by replacing it with the following:

XIV. Establish minimum standards for closing all solid waste facilities according to type of waste disposed of, and establish state closure guidelines for all facility owners and operators which shall include, but not be limited to, monitoring, restoration, and correction and compliance procedures which may be necessary in the maintenance of a closed landfill facility.

XV. Such other rules as are deemed necessary to implement the provisions of this chapter.

Amend RSA 149-M:9, VI as inserted by section 2 of the bill by replacing it with the following:

VI. No person shall operate a public or private facility who is not certified by the division.

Amend the introductory paragraph of RSA 149-M:9, X as inserted by section 2 of the bill by replacing it with the following:

X. The division shall not issue a permit for a solid waste facility unless the facility meets the terms and conditions required in rules adopted by the commissioner. These terms and conditions include, but are not limited to, monitoring, contingency plans, closure, and evidence of financial responsibility in the amount set by the division after consultation with the commissioner of insurance. This amount shall be whatever is necessary to:

Amend RSA 149-M:9 as inserted by section 2 of the bill by deleting paragraph XIII.

Amend RSA 149-M:11, VIII as inserted by section 2 of the bill by replacing it with the following:

VIII. Each applicant for a solid waste permit under this chapter shall have the burden of demonstrating that a proposed solid waste facility provides a public benefit by showing how the proposed facility satisfies the criteria listed under paragraph III. Such demonstration shall be included as part of each application for a solid waste permit.

Amend the introductory paragraph to RSA 149-M:16 as inserted by section 2 of the bill by replacing it with the following:

149-M:16 Administrative Fines. The commissioner, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not to exceed $2,000 for each offense upon any person

who violates any provision of this chapter, including any rule adopted under the provisions of this chapter. Rehearings and appeals from a decision of the commissioner under this section shall be in accordance with RSA 541. Any administrative fine imposed under this section shall not preclude the imposition of further penalties under this chapter. The commissioner shall adopt rules, under RSA 541-A, relative to:

Amend RSA 149-M:17, II(a) as inserted by section 2 of the bill by replacing it with the following:

II.(a) A town may make bylaws governing the facility and fixing reasonable rates for its use. Furthermore, a town may make bylaws requiring residents to dispose of their refuse in specifically-designated bags or containers, or in bags or containers that have attached to them a disposal sticker. Such bags, containers, or disposal stickers shall be sold or made available by the town at a reasonable cost.

Amend RSA 147-M:18 as inserted by section 2 of the bill by replacing it with the following:

149-M:18 Town Reclamation Trust Funds. A town which collects an additional fee under RSA 261:153, V shall create a town reclamation trust fund to receive the town share of such fee, to be used to pay the fees for the collection and disposal of the town's motor vehicle waste. For the purposes of this section, "motor vehicle waste" means used residential motor oil, residential motor vehicle batteries, and tires from residential motorized vehicles. "Residential", for the purposes of this paragraph, means any motor vehicle registered in a municipality which collects the fee assessed under RSA 261:153, V. Towns may use any moneys in the fund in excess of such fees for the recycling and reclamation of other types of solid waste.

Amend RSA 149-M:24, I as inserted by section 2 of the bill by replacing it with the following:

I. Each town shall participate in planning efforts, either as a town or as a solid waste management district. Towns or districts formed by area towns shall be the basis for developing a town or district solid waste management plan. Subdistricts may be formed, the plans of which will be included in the district plan for purposes of implementation. Each town, whether it has entered into a district voluntarily or has been assigned to a district, shall remain in such a district in order to participate in a solid waste management plan pursuant to paragraph IV and may withdraw from that district only after the town has:

(a) Obtained approval by a majority vote of district committee members of the solid waste management district or cooperative of which the municipality is currently a member.

(b) Paid its proportionate equitable share of the district expenses and debt, including long-term debt incurred by the district.

Amend RSA 149-M:27 as inserted by section 2 of the bill by replacing it with the following:

149-M:27 Refuse Recycling or Reduction.

I. No person shall dispose of refuse at any private solid waste landfill facility having a lining and a leachate collection system unless all recyclable materials have been removed from such refuse or such refuse has been otherwise reduced in weight by at least 20 percent.

II. Weight reduction under this section may include removal of recyclable materials, composting, resource recovery, any other method approved by the division of waste management, or any combination of such methods. Refuse or any solid waste resulting from such reduction methods shall not be subject to further weight reduction pursuant to this section.

III. If the division finds that an emergency exists requiring immediate action to protect the public health, it may issue an order suspending all or any part of this section during such emergency.

IV. No wet-cell batteries shall be disposed of in a solid waste landfill facility or composting facility or incinerator, whether in a waste-to-energy facility or otherwise.

V. No leaf or yard waste shall be disposed in a solid waste landfill or incinerator including any waste to energy facility. This paragraph shall not apply to municipalities organized under RSA 53-A, RSA 53-B, or 1986, 139, if application of the paragraph would cause the municipality to violate or incur penalties under legal obligations existing on January 1, 1993. Any person who violates this paragraph shall be subject to the penalties and enforcement provisions of RSA 149-M:15 and 16.

Amend RSA 149-M:30, II as inserted by section 2 of the bill by replacing it with the following:

II. If the amount of bonds authorized in a given year exceeds the annual bond limit, the commissioner shall recommend allocation of the bond guarantees based on the priority ranking system under paragraph I. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the administration of this section.

Amend RSA 149-M:33, IV(b)(1) as inserted by section 2 of the bill by replacing it with the following:

(1) The use of a regulated metal as a processing agent or intermediate to impart certain chemical or physical changes during manufacturing, whereupon the incidental retention of a residue of such metal in the final package or packaging component is neither desired nor deliberate, if the final package or packaging component is in compliance with RSA 149-M:35, III.

Amend RSA 149-M:33, VIII as inserted by section 2 of the bill by replacing it with the following:

VIII. "Packaging component" means any individual assembled part of a package including, but not limited to, any interior or exterior blocking, bracing, cushioning, weatherproofing, exterior strapping, coatings, closures, inks, and labels. Tin-plated steel that meets the American Society for Testing and Materials (ASTM) specification A-623 shall be considered as a single package component. Electro-galvanized coated steel and hot dipped coated galvanized steel that meets the American Society for Testing and Materials (ASTM) specifications A-525 and A-879 shall be treated in the same manner as tin-plated steel.

Amend RSA 149-M:35, I(a)-(c) as inserted by section 2 of the bill by replacing them with the following:

(a) Those packages or packaging components with a code indicating that the date of manufacture was prior to April 27, 1990.

(b) Those packages or packaging components to which lead, cadmium, mercury, or hexavalent chromium have been added in the manufacturing, forming, printing, or distribution process in order to comply with health or safety requirements of federal law, provided that the manufacturer of a package or packaging component petitions the commissioner for an exemption from the provisions of this subdivision for a particular package or packaging component based upon compliance with health or safety requirements of federal law. The commissioner may grant an exemption for no more than 2 years and such an exemption may, upon reapplication for exemption and meeting the criterion for exemption under this paragraph, be renewed at 2-year intervals.

(c) A package or packaging component in which lead, cadmium, mercury, or hexavalent chromium have been added in the manufacturing, forming, printing or distribution process for which there is no feasible alternative, provided that the manufacturer of a package or packaging component shall petition the commissioner for an exemption from the provisions of this subdivision for a particular package or packaging component based upon this criterion. The commissioner may grant an exemption for no more than 2 years if warranted by the circumstances, provided that such an exemption may, upon reapplication for exemption and meeting the criterion for exemption under this paragraph, be renewed at 2-year intervals. For purposes of this paragraph, a use for which there is no feasible alternative is one in which the regulated substance is essential to the protection, safe handling, or function of the package's contents.

Amend RSA 149-M:35, I as inserted by section 2 of the bill by inserting after subparagraph (f) the following new subparagraph:

(g) Those packages or packaging components containing liquor, as defined in RSA 175:1, XLII, manufactured prior to April 27, 1990.

Amend RSA 149-M:45 as inserted by section 2 of the bill by replacing it with the following:

149-M:45 Application for Grant. Application for a grant under the provisions of this subdivision shall be made in accordance with rules adopted by the commissioner under RSA 541-A.

Amend RSA 149-M:46 as inserted by section 2 of the bill by replacing it with the following:

149-M:46 Application Agreement. Applications for state grants under this subdivision shall contain an agreement that the applicant has closed or shall close the unlined solid waste landfill in accordance with plans and specifications approved by the department, pursuant to rules adopted by the commissioner under RSA 541-A, and will provide proper post-closure monitoring and maintenance of the landfill. Such plans and specifications shall not be more stringent than federal requirements. Failure to close the solid waste landfill in accordance with plans and specifications approved by the department or to provide proper post-closure monitoring and maintenance of the landfill shall result in loss of payments of the annual grant installment next following such failure. Such loss of payment of the annual grant installment shall continue in

effect until such time as the municipality has completed the steps necessary to close the landfill in accordance with plans and specifications approved by the department and has provided proper post-closure monitoring and maintenance of the landfill.

Amend the bill by replacing section 5 with the following:

5 References Changed. Amend RSA 21-O:1-a, III to read as follows:

III. Implementing [a] training [course] ***courses*** for and administering [a test] ***tests*** for certification of solid waste operators, as [required under RSA 149-M:10. The registration fee for the course and its establishment and administration shall be as provided in RSA 149-M:10, III-a] ***provided under RSA 149-M:6, XIII***.

Amend the bill by replacing section 10 with the following:

10 Reference Changed. Amend the introductory paragraph of RSA 261:153, V to read as follows:

V. Beginning July 1, 1989, in addition to each registration fee collected under paragraph I, there may be collected an additional fee for the purposes of a town reclamation trust fund as established in RSA 149-M:[13-a] ***18***. Of this amount, $.50 shall be retained by the city official designated by the city government or by the town clerk for administrative costs and the remaining amount shall be deposited into the reclamation trust fund established by the town for the purpose of paying collection and disposal fees for the town's motor vehicle [wastes] ***waste***. For the purposes of this paragraph, "motor vehicle [wastes] ***waste***" means [used residential motor oil, residential motor vehicle batteries, and tires from residential motorized vehicles, where] ***"motor vehicle waste" as defined in RSA 149-M:18***. ["Residential," for the purposes of this paragraph, means any motor vehicle registered in a municipality which collects the fee assessed under this paragraph.] A town which collects such additional fees shall not charge a disposal fee for motor vehicle waste at the town's solid waste disposal facility. If a town finds the additional fee is not sufficient to cover fees for collection and disposal of town motor vehicle waste, it shall notify the office of state planning. The office shall study the fee in accordance with RSA 4-C:1 and make recommendations, if necessary, for increases in the fee. The additional fee schedule shall be graduated by class of vehicle as follows:

Amend the bill by inserting after section 24 the following and renumbering the original sections 25 and 26 to read as 26 and 27, respectively:

25 Existing Rules. Existing rules adopted by the commissioner of the department of environmental services under RSA 149-M shall continue in full force and effect until such rules expire or are amended or repealed by the commissioner. The commissioner shall have the authority to correct citations to statutory provisions of RSA 149-M in the department's administrative rules to conform to RSA 149-M as amended by this act. Any such changes shall be made subject to review by the director of legislative services for compliance with the uniform system of numbering and drafting. Such amended rules shall become effective when notice of these changes is published by the director of legislative services in the rulemaking register. Changes shall be submitted by the commissioner of environmental services for review by the director of legislative services before January 1, 1997. Changes authorized under this section shall not affect the adoption or expiration date of rules amended under this section.

HB 1329, relative to the advisory board of massage practitioners. OUGHT TO PASS WITH AMENDMENT

Rep. Robert K. Dodge for Executive Departments and Administration: The bill accomplishes a number of improvements including changing the identification of massage "practitioners" to massage "therapists", using the national certification examination for therapeutic massage body work and a practical demonstration as requirement for qualification and license. The bill also discontinues the state licensing of massage establishments and leaves the local governing body as the regulating authority. Vote 13-1.

Amendment (5117L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the regulation of massage therapists.

Amend the bill by replacing all after the enacting clause with the following:

1 Terminology Changed. Amend RSA 313-A:23, II(f) to read as follows:

(f) Persons licensed as [masseurs or masseuses] ***massage therapists*** under RSA 328-B.

2 Definition. Amend RSA 328-B:2, II to read as follows:

II. "Advisory board" means the advisory board of massage [practitioners] ***therapists***.

3 Definitions; Massage. RSA 328-B:2, VI is repealed and reenacted to read as follows:

VI. "Massage" means the application of a system of structured touch which includes holding, pressure, positioning, or causing movement, by manual means, for the purpose of promoting, maintaining, and restoring the health and well-being of the client. Massage is designed to promote general relaxation, improve movement, relieve somatic and muscular pain or dysfunction, stress and muscle tension, and provide for general health enhancement, personal growth, and the organization, balance and integration of the body.

4 Definition; Massage Therapist. RSA 328-B:2, VIII is repealed and reenacted to read as follows:

VIII. "Massage therapist" means a licensed individual who performs massage for compensation. Titles used may include: massage therapist, massage practitioner, bodywork practitioner, bodyworker, muscle therapist, massotherapist, or somatic therapist practitioner. A massage therapist uses visual, kinesthetic, and palpatory skills to assess the body, and may evaluate the client's condition to the extent of determining whether massage is indicated or contraindicated.

5 New Section; Scope of Practice. Amend RSA 328-B by inserting after section 2 the following new section:

328-B:2-a Scope of Practice. A massage therapist may do any of the following when performing massage, including, but not limited to:

I. Use of heat and cold, hydrotherapy, heliotherapy, and external application of herbal or topical preparations not classified as prescription drugs.

II. Analysis of posture and movement.

III. Provision of education in self-care and stress management.

IV. Performance of techniques in which the massage therapist had been trained intended to affect the energetic systems of the body.

6 Rulemaking. Amend RSA 328-B:4, VII(c) to read as follows:

(c) The qualifications required for a massage [practitioner and establishment] ***therapist which shall include demonstration of passage of the National Certification Examination for Therapeutic Massage Bodywork***.

7 Rulemaking. Amend RSA 328-B:4, VII(e) to read as follows:

(e) License ***modifications and license*** renewal applications and fees.

8 Duties of Advisory Board of Massage Therapists Modified. Amend RSA 328-B:5, II and III to read as follows:

II. [Prepare and] Conduct license examinations consisting of [written questions and] practical demonstrations.

III. Determine applicant performance on the [examinations] ***examination***.

9 Violations; Penalty. Amend RSA 328-B:11 and 12 to read as follows:

328-B:11 Violations; Penalty. Any person[, partnership, association, or corporation establishing, conducting, managing, or operating a massage establishment or] practicing massage within the meaning of this chapter, without first obtaining a license as required by this chapter, or who violates any of the provisions of, or rules adopted under this chapter, shall be guilty of a violation if a natural person, or guilty of a misdemeanor if any other person, for the first offense. For a subsequent offense, a person shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person. Each day such facility shall operate or person shall practice this activity after a first conviction shall be considered a subsequent offense.

328-B:12 Injunctive Relief. The practice of massage by a person without a license issued under this chapter or whose license has been suspended or revoked, or has expired[, or the operation of a massage establishment without a license issued under this chapter or whose license has been suspended or revoked, or has expired,] is declared to be a danger to the public health and welfare. In addition to any other civil, criminal, or disciplinary remedy, the attorney general, the commissioner, the prosecuting attorney of any county or municipality where the person is practicing or purporting to practice massage[, or where the massage establishment is operating], or any citizen may, in accordance with the laws of this state, maintain an action to enjoin that person from practicing massage[, or enjoin that establishment from providing massage,] until such person [or establishment] secures a valid license. An injunction without bond is available to the commissioner for enforcement of this chapter.

10 Change "Practitioner" to "Therapist." Amend the following RSA provisions by replacing "practitioner" with "therapist": 328-B:3, I, VI; 328-B:4, VII(h); and 328-B:6, I (intro. para.), III.

11 Change "Practitioners" to "Therapists." Amend the following RSA provisions by replacing "practitioners" with "therapists": 328-B, chapter title; RSA 328-B:1; 328-B:4, VI; 328-B:5 (intro. para.); and 328-B:13.

12 Repeal. The following are repealed:

I. RSA 328-B:2, VII relative to the definition of "massage establishment."

II. RSA 328-B:3, II relative to prohibiting any person from owning, operating, or advertising a massage establishment without a license.

III. RSA 328-B:4, VII(d) relative to adopting rules relative to sanitation requirements for massage establishments.

IV. RSA 328-B:6, II relative to conditions for licensure of massage establishments.

V. RSA 328-B:8, V relative to failure to permit inspection of a licensed massage establishment.

VI. RSA 328-B:9, relative to inspections, records, and reports.

13 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

I. Modifies certain definitions relative to massage therapy in RSA 328-B.

II. Adds a new RSA section relative to massage therapists' scope of practice.

III. Replaces "practitioner" with "therapist" in RSA 328-B.

IV. Repeals various RSA provisions relative to massage therapy.

Adopted.

Report adopted and ordered to third reading.

HB 1440, proclaiming August 26th of each year as Women's Suffrage Day. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Robert S. Mercer for Executive Departments and Administration: Though continuing efforts to assure equality for women should be addressed and proclaimed, it was felt that this could be done better by a resolution than by a statute. In addition, the Governor can already proclaim August 26 of each year as Women's Suffrage Day in New Hampshire. The committee is working with the sponsors to accomplish this through other legislation. Vote 11-4.

Rep. Mary E. Brown for the Minority of Executive Departments and Administration: The senate co-sponsor agreed to pursue a senate resolution to accomplish the bill's intent of proclaiming August 26th of each year as Women's Suffrage Day. The sponsor agreed to do the same

in the house. Busy schedules and illness prevented the sponsor from presenting her bill, thus leading the committee to report ITL. Past and continuing efforts to assure equality for women is ample reason to adopt this day of recognition.

Adopted.

HB 1526, establishing a committee to study ethics in government. INEXPEDIENT TO LEGISLATE

Rep. Robert K. Dodge for Executive Departments and Administration: There are many studies involved in the ethics in government. It does not appear to the committee that any additional study committees would be of any appropriate value. Vote 11-3.

Adopted.

HB 1557-FN, relative to the application of certain rules to state agencies. INEXPEDIENT TO LEGISLATE

Rep. Merton S. Dyer for Executive Departments and Administration: The intent of this bill was to be sure all state agencies and employees follow the administrative rules promulgated under RSA 541-A under RSA 541-A:l, XV. Rules are binding upon persons outside of the agency whether members of the general public or personnel in other agencies. This bill is not required to meet the sponsor's intent. Vote 11-3.

Adopted.

HB 1611-FN, establishing a sunrise program. OUGHT TO PASS WITH AMENDMENT

Rep. Merton S. Dyer for Executive Departments and Administration: This bill will establish guidelines for the legislative committees to consider when asked to legislate on regulation of a business or profession. This will spell out some of the information to be submitted to the legislative committees prior to action on the request. This will provide uniform information to both the legislative and executive branches affected and allow more in depth study. The amendment changes the word "scheme" to "structure" to better define the concept of the form the regulated group will take. Vote 13-l.

Amendment (5109L)

Amend RSA 309-C:4, III as inserted by section 2 of the bill by replacing it with the following:

III. If applicable, any alternatives to the proposed regulation which may result in a less restrictive or more cost-effective regulatory structure.

Amend RSA 309-C:5, II as inserted by section 2 of the bill by replacing it with the following:

II. The least restrictive and most cost-effective regulatory structure that will adequately protect the public.

Adopted.

Report adopted and ordered to third reading.

HB 1133, repealing the prohibition against civil immunity relative to engineers, architects, and surveyors in emergency and volunteer situations. INEXPEDIENT TO LEGISLATE

Rep. Donald M. McMahon for Judiciary and Family Law: This bill was written into RSA 338-A:1, but it has no effect on RSA 338-A:l. It does affect RSA 107-C and RSA 507:17. Versions of this bill have been introduced in the last 2 or 3 sessions. The bills concern immunity in cases of emergency and volunteer situations. The engineers rightfully have a concern for immunity in emergency and volunteer situations, but the feeling of the committee, as it has been for the last 2 or 3 sessions remains the same, there is no problem. RSA 107-C and RSA 507:17 address their concerns. Vote 15-2.

Rep. Mirski declared a conflict of interest and did not participate.

Re: Immunity for services by volunteer emergency workers.

You recently requested legal advice concerning whether RSA 338-A prohibiting contracts for indemnification of engineers, has any impact on the immunity provisions of RSA 107-C:10, which provides that any volunteer including engineers are immune from liability for services provided during an emergency. It is our view that RSA 338-A has no impact on the immunity established for engineers providing emergency services under RSA 107-C.

RSA 338-A prohibits contracts or agreements providing for the indemnity of engineers. It does not prohibit a statutory grant of immunity. RSA 338-A was intended to prevent the widespread use by architects, engineers or surveyors of exculpatory clauses in contracts to consumers. Such adhesion contracts are against public policy, as a homeowner or consumer would not be able to obtain the services of an engineer or architect without agreeing to absolve the professional from all liability for negligence. This public policy does not apply to a situation in which the engineer or professional is volunteering their services to assist the public during an emergency. Furthermore, the immunity provided by RSA 107-C is statutory. As there is no contract or agreement, RSA 338-A cannot have any effect.

Even if RSA 338-A could be construed to apply to RSA 107-C, the rules of statutory construction would require that the prohibition in RSA 338-A does not apply to the specific, detailed grant of immunity under RSA 107-C.

Statutes relating to the same subject matter will be interpreted so that they do not contradict each other, to lead to reasonable results and to effectuate the legislative purpose. Petition of Public Service of N.H., 130 N.H. 265 (1988), appeal dism. PSNH v. N.H., 109 S.Ct. 858, 488 U.S. 1035, 102 L.Ed.2d 983. The plain meaning of the words in a statute as a whole are to be given effect. Petition of Walker, 138 N.H. 471 (1994). The plain, explicit language of RSA 107-C can be construed in no other way than to provide immunity for all workers, including engineers, providing services during a state of emergency. RSA 338-A, as the plain language states, applies to contracts and agreements and therefore is not inconsistent with RSA 107-C. There is no ambiguity in the grant of statutory immunity to volunteer emergency workers and no further inquiry into the statutory intent should be required. Private Truck Council of America, Inc. v. State of N.H., 128 N.H. 466 (1986).

Statutes must always be interpreted with a view toward avoiding absurd results and resolving internal inconsistencies. U.S. v. Ferryman, 897 F.2d 584 (1st Cir. 1990), rhg. den., cert. denied 111 S.Ct. 90, 498 U.S. 830, 112 L.Ed.2d 62. The consistent, logical application of RSA 107-C and RSA 338-A, as previously discussed, results in no limitation of the immunity of volunteer emergency workers under RSA 107-C.

REGULAR CALENDAR (Cont'd.)

HB 1357, relative to court decrees in title disputes. OUGHT TO PASS

Rep. David W. Hess for Judiciary and Family Law: The purpose of this bill is to clarify a present ambiguity as a result of case law, and to statutorily reassert the New Hampshire Constitutional right to a trial by jury when title to real estate is involved. Vote 11-3.

Adopted and ordered to third reading.

HB 1415, relative to the confidentiality and maintenance of adoption records. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Barbara Hull Richardson for Majority of Judiciary and Family Law: This bill adopts rules for adoptees over 21 years of age and the natural parents of adoptees over age 21 to obtain certain information about adoption. The committee believed that these rules would facilitate, with appropriate safeguards, the reunification of willing participants. Vote 12-2.

Reps. David T. Mittelman and Alf E. Jacobson for the Minority of Judiciary and Family Law: The minority does not believe the natural parent searching for an adopted child is on the same

footing as the adopted child searching for his or her natural parent. The natural parent knows his or her child was given up for adoption, but the adopted child may not know he or she was adopted. In that situation, it seems grossly unfair and an invasion of privacy to both the adopted child (regardless of age) and the adopted parents to allow the natural parent to contact the adopted child. As such, the minority supports allowing the adopted child to seek out the adopted child's natural parent, but the minority cannot support the converse - the natural parent searching for the adopted child.

Amendment (5094L)

Amend the bill by replacing sections 1-3 with the following:

1 Adoptee or Natural Parent of Adoptee Entitled to Request Information. Amend RSA 170-B:19, II to read as follows:

II. All papers and records, including birth certificates, pertaining to the adoption, whether part of the permanent record of the court or of a file in the division, in an agency or office of the town clerk or the bureau of vital records and health statistics are subject to inspection only upon written consent of the court for good cause shown, ***except as otherwise provided in this section. Upon the request of an adoptee over 21 years of age, or a natural parent of an adoptee over 21 years of age, for information concerning the adoptee or natural parent, the court shall refer the adoptee or natural parent to the child-placing agency which completed the investigation required under RSA 170-B:14.***

2 Release of Information to be Filed With Court and to Include Parent's Social Security Number. Amend RSA 170-B:19, II-b and the introductory paragraph of II-c to read as follows:

II-b. Upon the signing of a relinquishment or consent, or at a later time, a natural parent may sign a release of information, which shall be filed in the records of the licensed child-placing agency conducting the investigation under RSA 170-B:14, authorizing the agency to release identifying information[, as specified in RSA 170-B:19, II-a,] to an adoptee over 21 years of age who wishes to contact a natural parent. A separate form for the release of identifying information shall be signed by each natural parent. A natural parent may, at any time, revoke or amend [his] ***a*** release of information. ***The person signing the release of information or its revocation, or the person's agent, shall file a copy of such release or revocation with the child placing agency, if any, and the court in which the adoption petition was filed. The release of information shall contain the social security number of the parent. The social security number shall be used only for purposes of locating the parent and shall not be otherwise released.***

II-c. When an agency receives a request by an adoptee over 21 years of age, the agency shall, if a release of information has been signed and has not been revoked, release identifying information[, as specified in RSA 170-B:19, II-a,] to the adoptee. The agency shall only release identifying information about a natural parent if that natural parent has:

3 New Paragraph; Adoptee or Natural Parent of Adoptee Entitled to Request Information. Amend RSA 170-B:19 by inserting after paragraph II-c the following new paragraph:

II-d. When an agency receives a request by an adoptee over 21 years of age, or a natural parent of an adoptee over 21 years of age, if no release of information has been signed, the agency may, after review of its records, attempt to contact the natural parent, or adoptee over 21 years of age, to ascertain if they desire to release identifying information. If a natural parent who has consented to the adoption, ***or relinquished his or her parental rights to a child placing agency,*** or whose parental rights were terminated pursuant to RSA 170-C, and the adoptee over 21 years of age agree to the release of identifying information, the agency [may] ***shall*** release it. If the parties do not agree, or if they cannot be contacted, [or if the agency, after review of the facts in the case, declines to release information,] the adoptee over 21 years of age, [or] a natural parent, ***or the agency*** may petition the court having jurisdiction for the release of identifying information. ***The agency shall file a report of the agency's action with the court.*** The court shall on its own motion or on request of any party hold a hearing on the issue of releasing identifying information. The agency involved shall receive notice of the hearing and be entitled to participate in any hearing under this section.

Adopted.

Report adopted and ordered to third reading.

HB 1427, relative to termination of parental rights for a parent incarcerated for capital murder or first or second degree murder. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Richard E. Kennedy for the Majority of Judiciary and Family Law: This bill gives the court an opportunity to take such action that may be in the best interest of parent and child. Vote 10-2.

Rep. Margaret D. Hallyburton for the Minority of Judiciary and Family Law: This bill would allow for termination of parental rights of a convicted murderer where there was no prior history of child maltreatment. The minority believes the statute would fail on a challenge of "cruel and unusual punishment."

Amendment (5132L)

Amend the bill by replacing all after the enacting clause with the following:

1 Guardian Deleted; Exception Added. Amend RSA 170-C:5, VI to read as follows:

VI. If the parent [or guardian] is, as a result of incarceration for a felony offense, unable to discharge [his] ***parental*** responsibilities to and for the child and, in addition, has been found pursuant to RSA 169-C to have abused or neglected [his] ***the*** child or children, the court may review the conviction of the parent [or guardian] to determine whether the felony offense is of such a nature, and the period of incarceration imposed of such duration, that the child would be deprived of proper parental care and protection and left in an unstable or impermanent environment for a longer period of time than would be prudent. Placement of the child in foster care shall not be considered proper parental care and protection for purposes of this paragraph. ***Except as provided in paragraph VII,*** incarceration in and of itself shall not be grounds for termination of parental rights.

2 New Paragraph; Incarceration for Capital Murder or First or Second Degree Murder; Grounds for Termination of Parental Rights. Amend RSA 170-C:5 by inserting after paragraph VI the following new paragraph:

VII. The parent is incarcerated for capital or first or second degree murder.

3 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill provides that the incarceration of a parent for capital murder or first or second degree murder shall be grounds for termination of parental rights.

Adopted.

Rep. Kennedy yielded to questions.

Report adopted and ordered to third reading.

HB 1525, relative to damages in suits brought by administrators of an estate. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Benjamin J. DePecol for the Majority of Judiciary and Family Law: This bill gives the same rights to a surviving spouse in a negligent wrongful death suit, as to a spouse in a negligent injury suit. Currently, a spouse is allowed to sue for loss of comfort, society and companionship if the injured spouse survives. Vote 10-4.

Rep. David T. Mittelman and Rep. Janice B. Streeter for the Minority of the Judiciary and Family Law: At a time when the nation is moving towards controlling the costs of lawsuits, this bill goes in the opposite direction. It expands the grounds for litigation, and it does so in an area where damages are difficult, if not impossible, to measure. Ultimately, the costs of this bill will result in increased insurance rates and health care costs.

Amendment (5101L)

Amend RSA 556:12 as inserted by section 1 of the bill by replacing it with the following:

556:12 Damages for Wrongful Death, Elements. If the administrator of the deceased party is plaintiff, and the death of such party was caused by the injury complained of in the action, the mental and physical pain suffered by the deceased in consequence of the injury, the reasonable expenses occasioned to [his] ***the*** estate by the injury, the probable duration of [his] life but for the injury, and [his] ***the*** capacity to earn money during [his] ***the deceased party's*** probable working life, may be considered as elements of damage in connection with other elements allowed by law, in the same manner as if the deceased had survived. ***In addition, the trier of fact may award damages to a surviving spouse of the decedent for the loss of the comfort, society, and companionship of the deceased.***

Adopted.

Report adopted and ordered to third reading.

HB 1542, authorizing the chief justice of the supreme court to appoint a special prosecutor to investigate governmental corruption. INEXPEDIENT TO LEGISLATE

Rep. Nick Hart for Judiciary and Family Law: This bill is all discretion and no guidelines. The Chief Justice of the Supreme Court may appoint a special prosecutor to investigate allegations of misconduct, but does not specify what type of misconduct. The cost of hiring a special prosecutor, maintaining an office and office staff has not been alluded to. The bill is technically flawed on the question of authority to refer to the grand jury. Another question was does the prosecutor have prosecution powers and may he direct police to do an investigation? Vote 12-5.

Adopted.

HB 1565-FN, changing the age of qualification for services under RSA 169-D as a child in need of services from 18 to 17 years. OUGHT TO PASS WITH AMENDMENT

Rep. Margaret D. Hallyburton for Judiciary and Family Law: The bill, as amended, would have 17 year-olds who commit criminal violations treated as adults. Those under 17 who commit a violation would be treated as a CHINS. The amendment keeps truants, runaways, and incorrigibles as CHINS up to age 18. The committee felt the change would solve the misalignment problem with the juvenile delinquency statute. Vote 9-4.

Amendment (5142L)

Amend the title of the bill by replacing it with the following:

AN ACT

changing the age of qualification for services in certain cases under RSA 169-D for children in need of services.

Amend the bill by deleting section 4 and renumbering sections 5-20 to read as 4-19, respectively.

Amend the bill by replacing section 4 with the following:

4 Children in Need of Services; Age Changed from 18 to 17 in Certain Cases. RSA 169-D:2, IV is repealed and reenacted to read as follows:

IV. "Child in need of services" means:

(a)(1) A child who is under the age of 18 and who is expressly found to be subject to compulsory school attendance, and who is habitually, willfully, and without good and sufficient cause, truant from school; or

(2) A child who is under the age of 18 and who is expressly found to be a child who habitually runs away from home, or who repeatedly disregards the reasonable and lawful commands of the parents, guardian, or custodian and places the child or others in unsafe circumstances; or

(3) A child who is under the age of 17 and who is expressly found to be a child who has committed an offense which, if committed by an adult, would be a violation under the criminal code of this state; or

(4) A child who is under the age of 16 and who is expressly found to be a child who has committed an offense which, if committed by a person 16 years of age or older, would be a violation under the motor vehicle code of this state; and

(b) A child who is expressly found to be in need of care, guidance, counseling, discipline, supervision, treatment, or rehabilitation.

Amend the bill by replacing section 7 with the following:

7 Gender Neutral Language Substitution. Amend RSA 169-D:3, II to read as follows:

II. The court may, with the consent of the child, retain jurisdiction over any child who, prior to [his] ***the child's*** eighteenth birthday, was found to be a child in need of services, and who is attending school for the purpose of obtaining a high school diploma or general equivalency diploma. The court shall make orders relative to the support and maintenance of the child during the period after the child's eighteenth birthday as justice may require.

Amend the bill by replacing all after section 16 with the following:

17 Gender Neutral Language Substitution. Amend RSA 169-D:29, VI to read as follows:

VI. Notwithstanding any subsequent acts committed by the child which bring [him] ***the child*** to the attention of a district court, the county having liability for the child pursuant to paragraph IV shall remain the county liable for the child until the person reaches 18 years of age or the court's jurisdiction is ended, whichever comes first.

18 Application. The provisions of section 4 of this act shall apply only to acts occurring on or after January 1, 1997.

19 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

Section 4 of this bill changes the age in certain cases relative to children in need of services.

The remainder of this bill amends certain RSA provisions making them gender neutral and consistent with other sections amended by the bill in accordance with RSA 17-A:6 relative to gender neutral drafting.

HB 1566-FN, relative to court notification to parents of minor children regarding actions taken on behalf of the minor children. INEXPEDIENT TO LEGISLATE

Rep. Barbara Hull Richardson for Judiciary and Family Law: This bill would require the courts to take inordinate steps to notify parents when action is taken on behalf of children before the courts. The court does notify persons named on the petition and the Division for Children, Youth and Families notifies parents. The complaint which initiated this bill was found to have been inaccurate. Vote 9-3.

HOUSE JOURNAL No. 13

Thursday, March 7, 1996

The House assembled at 9:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

His Excellency, Governor Stephen Merrill, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by Guest Chaplain, Reverend Hays M. Junkin, Pastor of St. Andrews Episcopal Church in Hopkinton.

Ladies and gentlemen, I have two prayers this morning. One for the members of this General Court and also it is my sad obligation to announce to you that Marge Colburn died last night and I ask your prayers for her this morning and for her family.

Compassionate God, we ask that You receive Marge more and more into her heavenly life. We thank You for her service to this state. We thank You for her love of family. We also pray for her family this morning that they might be consoled in their grief.

Compassionate God, on this beautiful New Hampshire day, we give You thanks for our many blessings. We ask that You bless the members of this General Court and our Governor as they seek to represent the people of their communities. Bless their families and those they love. Be present today with those representatives who are facing any personal pain or illness. Before we continue the work of this busy day, lift the eyes of our hearts to see the faces of those represented here: the young and the elderly, the powerful and the weak, the well connected and the disconnected, those in the majority and those in the minority. May the decisions made here today be for the common good of all Your people, and may Your commandments, that we love You with all our heart, soul, and mind, and our neighbors as ourselves, be the guiding lights in this chamber. Amen.

Rep. Whittemore led the Pledge of Allegiance.

HR 52, urging that impeachment proceedings be instituted against Jeffrey R. Howard, the attorney general of the state of New Hampshire. INEXPEDIENT TO LEGISLATE

Reps. Robert A. Lockwood, David W. Hess, Sandra Balomenos Keans, Nick Hart, Richard E. Kennedy, Alf E. Jacobson, Margaret D. Hallyburton, Donald F. McMahon, Janice B. Streeter, Janet G. Wall, David C. Allison, Lionel W. Johnson, Barbara Hull Richardson for Judiciary and Family Law: The committee received no credible evidence to support the premise of this Resolution that the Attorney General has failed to pursue settlement of the border dispute with the State of Maine in a diligent and appropriate manner. In contrast, the Governor and the Majority Leader of this House, among others, personally appeared before the committee in strong opposition. Governor Merrill characterized this Resolution as "the most offensive piece of legislation in my 10 years as counsel to the Governor, Attorney General, and now as Governor." The committee vote was unanimous and without debate. Vote 13-0.

HB 1128, relative to sick leave to care for an ill dependent. INEXPEDIENT TO LEGISLATE

Rep. Arthur W. Smith for Labor, Industrial and Rehabilitative Services: The original bill submitted to the subcommittee was flawed. We allowed the sponsor to amend it. The amendment then described what dependents were covered, but did not describe what illnesses were covered. The sponsor was unwilling to consider vacation time, only accrued sick leave, that was to be used. This sort of legislation could result in employers not allowing employees to accrue sick time. This is something that should be negotiated between the employer and the employee. Vote 10-7.

Adopted by the necessary two-thirds.

HB 1141, relative to youth employment. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Paul E. St. Hilaire for the Majority of Labor, Industrial and Rehabilitative Services: This bill modifies the youth employment statutes by redefining the term casual work, clarifying when youth may be employed, for whom they may be employed, and for what period they are permitted to work. This bill will bring New Hampshire law into compliance with Federal law. Vote 7-6.

Reps. Robert E. Clegg, Jr., Gary L. Daniels and Gary R. Francoeur for Labor, Industrial and Rehabilitative Services: If this bill were to become law, you could not hire the same youth more than three days a year, meaning that every three snowstorms you would have to find someone different to shovel. If the leaves needed raking more than three times a year, you would have to get someone new, and the babysitter you have grown to trust and count on cannot be used more than three days a year.

Amendment (4918L)

Amend the bill by replacing section 2 and 3 with the following:

2 Definition Modified. Amend RSA 276-A:3, VII to read as follows:

VII. The term "casual work" shall mean employment which is infrequent or of brief duration [or productive of little or sporadic income or not commonly held to establish an employer-employee relationship] ***and of no more than 3 calendar days for any one employer per calendar year.***

3 New Paragraph; Definition Added. Amend RSA 276-A:3 by inserting after paragraph VIII the following new paragraph:

IX. The terms "vacation week" or "nonschool week" shall mean any week according to the school calendar of the school in which the student is duly enrolled in which no school is in session Sunday through Saturday.

Amend RSA 276-A:4, IV(a)(2) as inserted by section 5 of the bill by replacing it with the following:

(2) During the youth's normal classroom hours.

Amend RSA 276-A:4, V as inserted by section 5 of the bill by replacing it with the following:

V. [No] ***A*** youth under 12 years of age may be employed or permitted to work [except] for [his] ***the youth's*** parents, grandparents, or ***legal*** guardian, ***only if such parent, grandparent, or legal guardian is the sole proprietor of the business*** or ***if the business is a corporation wholly owned by the parents, grandparents, or legal guardian, or*** at work defined in this chapter as casual, or in the door-to-door delivery of newspapers.

Adopted by the necessary two-thirds.

HB 1143, increasing the civil penalties for violations of certain labor statutes. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Paul E. St. Hilaire for the Majority of Labor, Industrial and Rehabilitative Services: This bill increases the maximum civil penalty for violations of certain labor statutes from $500 to $1,000 and also authorizes the Commissioner of Labor to seek injunctions against noncomplying employers or owners. Vote 12-1.

Rep. Gary R. Francoeur for the Minority of Labor, Industrial and Rehabilitative Services: This bill allows the Labor Department to go to court and get a court order to shut down a business without the business being represented at the court hearing.

Amendment (5087L)

Amend the title of the bill by replacing it with the following:

AN ACT

increasing the civil penalties for violations of certain labor statutes and authorizing the commissioner of labor to seek injunctions against noncomplying employers or owners.

Amend the bill by replacing all after section 2 with the following:

3 Injunction Proceedings Authorized. RSA 273:11 is repealed and reenacted to read as follows:

273:11 Prosecutions; Injunctions. Whenever the commissioner deems it necessary, the commissioner may investigate and may prosecute any offenses against the laws under the commissioner's jurisdiction. The commissioner may, with the consent of the attorney general, proceed in superior court or other court of competent jurisdiction to restrain and prohibit an employer or owner subject to the laws administered by the department from conducting business in this state for so long as the employer or owner fails to comply with any provisions of title XII, title XXIII, or any provisions of this chapter, or for failure to comply with orders issued by the commissioner. If the commissioner seeks a temporary injunction pending a hearing on the merits, the superior court or other court of competent jurisdiction shall issue such an injunction ex parte upon prima facie evidence offered in support of the petition. At the request of the employer or owner or any other party to the proceeding, the court shall provide a hearing within 30 days.

4 Effective Date.

I. Sections 1 and 2 of this act shall take effect January 1, 1997.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill authorizes the commissioner of the department of labor to impose civil penalties not to exceed $1,000 for violations of certain labor statutes. Current law authorizes civil penalties of $500.

This bill also authorizes the commissioner to proceed in superior court or other court of competent jurisdiction for injunctions against noncomplying employers.

HB 1331-FN, establishing a 24-hour coverage pilot program for workers' compensation. OUGHT TO PASS WITH AMENDMENT

Rep. Robert H. Turner for Labor, Industrial and Rehabilitative Services: This bill clarifies the qualifications of healthcare providers who may perform independent medical examination(s) under the workers' compensation law. The bill also makes certain technical corrections regarding third party administration under the workers' compensation laws by adding references to other provisions of the law. Vote 11-1.

Amendment (5086L)

Amend the title of the bill by replacing it with the following:

AN ACT
relative to clarifying certain provisions under
the workers' compensation law.

Amend the bill by replacing all after the enacting clause with the following:

1 Reference Change. Amend RSA 281-A:38 to read as follows:

281-A:38 Medical Examinations.

I. Any employee entitled to receive weekly payments under this chapter shall, if requested by the employer or ordered by the commissioner, submit himself or herself for examination by a duly qualified [medical practitioner or surgeon provided] ***health care provider, in accordance with professional standards as established by the commissioner,*** and paid by the employer at a time and place reasonably convenient for the employee. The employee shall have the right to have a [physician or surgeon] ***health care provider*** designated and paid by himself or herself present at such examination. This right, however, shall not be construed to deny to the employer's [physician or surgeon] ***health care provider*** the right to visit the injured employee at all reasonable times and under all reasonable conditions, so long as the employee claims compensation under this chapter.

II. Any health care provider conducting independent medical examinations under this chapter shall be certified by the appropriate specialty board [in such provider's area of specialty] ***as***

recognized by the American Board of Medical Specialties or the New Hampshire board of chiropractic examiners, and shall maintain a current practice in that area of specialty. The independent medical examination shall take place within a 50-mile radius of the residence of the injured employee, unless, within the discretion of the commissioner, examination outside the 50-mile radius is necessary to obtain the services of a provider who specializes in the [particular injury suffered by the employee] ***evaluation and treatment specific to the nature and extent of the employee's injury***. The injured employee shall not be required to submit to more than 2 independent medical examinations per year, unless within the discretion of the commissioner, more than 2 examinations are necessary.

2 Reference Additions. Amend RSA 281-A:38-a to read as follows:

281-A:38-a Examination of Injured Employees Covered by Managed Care Programs. If an injured employee who is covered by a managed care program established in accordance with RSA 281-A:23-a is dissatisfied with a determination made by such program relating to compensability, degree of disability or degree of impairment arising from an injury, the injured employee may apply to the commissioner for authorization to obtain an independent examination and report thereof by a ***duly qualified*** health care provider, ***in accordance with RSA 281-A:38,*** of the injured employee's choice. The commissioner shall grant one such authorization as a matter of course. Authorization for additional independent examination regarding the same injury may be granted only if the commissioner finds that exceptional circumstances exist which cast reasonable doubt on the accuracy of the report of the first independent examination. The health care provider conducting an independent examination authorized by the commissioner under this section shall be entitled to a reasonable fee therefor, which shall be paid by the employer or the employer's insurance carrier. Nothing in this section shall be construed to prevent an injured employee from obtaining an examination by a health care provider of the injured employee's choice, at the employee's expense.

3 Reference Addition. Amend RSA 281-A:5-d, I to read as follows:

I. For purposes of this section, "third party administrator" means any person contracting with an employer or group of employers authorized to self-insure in accordance with RSA 281-A:5-a ***and 281-A:11***, to provide a combination of such services as solicitation of coverage, underwriting, collection of charges or premiums, and adjustment or settlement of claims, so as to confer upon such person effective responsibility for management and operation of the self-insurance program.

4 Reference Addition. Amend RSA 281-A:2, VII(c) to read as follows:

(c) The provisions of RSA 281-A:2, VI(b)(1) through (4) ***and (c)*** shall also apply to this paragraph.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill clarifies which providers may perform independent medical examination under the workers' compensation law. The bill also makes certain technical corrections by adding references to other provisions of the law.

Adopted by the necessary two-thirds.

Report adopted by the necessary two-thirds and ordered to third reading.

REGULAR CALENDAR (Cont'd.)

HB 1541, relative to employee leasing companies and temporary help services. OUGHT TO PASS WITH AMENDMENT

Rep. Robert S. Hawkins for Labor, Industrial and Rehabilitative Services: This bill dealt with employee leasing companies and temporary help services. The committee amended the bill after testimony from the Department of Labor and Employment Security that there was not a problem

with temporary help services but leasing companies that "called" themselves temporary companies. The amendment redefines "employee leasing arrangements" and modifies license application and fee requirements. It defines the commissioner's authority to issue, revoke and penalize these companies and requires the companies to maintain a confidential client list. With the amendment, the majority of the committee feels that the problems expressed by the sponsors of the bill can be satisfied by better defining "employee leasing companies." Vote 11-5.

Amendment (4784L)

Amend the bill by replacing all after the enacting clause with the following:

1 Definition Clarified. Repeal and reenact RSA 277-B:2, IV to read as follows:

IV. "Employee leasing arrangement" means an arrangement, under written contract or otherwise, whereby:

(a) An employee leasing company assigns an individual to perform services for the client company; and

(b) The arrangement is intended to be, or is, on-going rather than temporary in nature, and not aimed at temporarily supplementing the work force; and

(c) Employer responsibilities are carried out by an employee leasing company or are shared by the employee leasing company and the client company; or

(d) The individual so assigned was previously employed by the client company, or a predecessor, affiliate or subsidiary thereof.

2 License Application and Fees. Amend RSA 277-B:5, IV and V to read as follows:

IV. Every application for an original, renewal or restricted license, shall be accompanied by evidence satisfactory to the commissioner that the leased employees are covered by a workers' compensation policy issued by a carrier admitted to write such coverage in this state. ***No unlicensed leasing company shall be provided workers' compensation coverage.*** Employee leasing companies insured in the residual market only shall be issued the National Council of Compensation Insurance Multiple Coordinated Policy as approved by the Insurance Commissioner. Employee leasing companies insured in the voluntary market shall upon request make available claims data on a client company basis to the National Council of Compensation Insurance. A client company shall be assigned its claims data upon terminating its relationship with an employee leasing company which data shall be used in calculating the client company's subsequent workers' compensation premium. The application shall also be accompanied by evidence satisfactory to the commissioner that any health insurance benefits covering leased employees are provided pursuant to the provisions of RSA 277-B:11, II.

V. Every application for an original, renewal or restricted license, shall be accompanied by a certification that the applicant does not conduct a temporary help service through the same entity as the applicant's employee leasing company ***and that both entities do not commingle any financial components of the operations.***

3 Amount of Net Worth and Security Modified. Amend RSA 277-B:6, I and II to read as follows:

I. Every application for issuance or renewal of a license as an employee leasing company shall be accompanied by, ***at a minimum,*** a ***reviewed*** financial statement prepared by an independent certified public accountant in accordance with generally accepted accounting principles within 6 months prior to the date of application or renewal and such statement shall show a minimum net worth of [$50,000] ***$100,000***.

II. In addition to the requirement in paragraph I, the commissioner may require an employee leasing company to deposit in a depository designated by the commissioner, securities with a market value [equal to the amount of the minimum net worth required for the issuance or renewal of a license] ***deemed sufficient by the commissioner to assure payment of wages and benefits***. The securities so deposited shall include authorization to the commissioner to sell any such securities in an amount sufficient to pay any wages, benefits or other entitlements due a leased employee, if the employee leasing company does not make such payments when due. The commissioner may require such deposit only if [he] ***the commissioner*** finds that the leasing company has had its license suspended, ***denied,*** or limited in any other jurisdiction; or that there have been instances where the leasing company has not paid employees' wages or benefits when

due, or, failed to make timely payment of any federal or state payroll taxes or unemployment compensation contributions when due. Any securities deposited under this paragraph shall not be included for the purpose of the calculation of net worth required by paragraph I.

4 Issuance, Refusal, Suspension or Revocation of License. Amend RSA 277-B:7, I to read as follows:

I. The commissioner shall issue a license as an employee leasing company to any person who qualifies for the license under the terms of this chapter. The commissioner may, in addition, refuse to issue a license to any person or may suspend or revoke the license of any employee leasing company as provided in RSA 541-A, when the commissioner finds that the licensee or applicant has violated any of the provisions of this chapter, [or] the rules adopted hereunder, ***or failed to pay Federal withholding tax, unemployment insurance contributions, wages, or benefits when due. If a license is revoked under this section, the commissioner may notify the appropriate client companies of such revocation, and shall notify the client companies of the penalties under RSA 277-B:12, III.***

5 Employee Leasing Companies Deemed Employer. Amend the introductory paragraph of RSA-B:9 to read as follows:

277-B:9 Employee Leasing Companies Deemed Employer. An employee leasing company shall be deemed to be the employer of its leased employees [if it meets], ***and it must meet*** all the following standards as certified by the commissioner:

6 Notification. Amend RSA 277-B:9, III to read as follows:

III. The employee leasing company [notifies] ***shall notify*** the commissioner of employment security ***and the commissioner of the department of labor in writing*** of all new and terminated client companies within 10 days of engagement or termination.

7 New Section; Workers' Compensation Certificate. Amend RSA 277-B by inserting after section 11 the following new section:

277-B:11-a Workers' Compensation Insurance; Certification.

I. Insurance companies providing workers' compensation insurance in the state shall send to the commissioner a certificate of insurance as proof a valid policy exists for all policies written for employee leasing companies.

II. Insurance companies shall notify the commissioner at least 30 days before cancellation of a workers' compensation policy of any employee leasing company. The commissioner shall notify all client companies of the employee leasing company of the cancellation.

III. The commissioner shall revoke the license of any employee leasing company, the workers' compensation policy of which has been canceled. The commissioner shall notify the appropriate client companies of such revocation and shall notify the client companies of the penalties under RSA 277-B:12, III.

8 Penalties. Amend RSA 277-B:12, II to read as follows:

II. Any person ***or employee leasing company*** who violates the provisions of this chapter may be fined by the commissioner up to $1,000 ***per employee*** for each day the violation continues. Any funds collected under this section shall be deposited to the general fund.

9 New Paragraph; Penalties. Amend RSA 277-B:12 by inserting after paragraph II the following new paragraph:

III. Any client company which does business with an unlicensed employee leasing company may be fined by the commissioner up to $1,000 per employee for each day the violation continues. Any funds collected under this section shall be deposited in the general fund as unrestricted revenue.

10 Gender Neutral Language Added. Amend RSA 277-B:15 to read as follows:

277-B:15 Commissioner's Investigatory Powers. If the commissioner has a reliable basis to believe that any licensee is violating the provisions of this chapter, [he] ***the commissioner*** shall have the right to review and inspect all of the licensee's books and records during regular business hours at the leasing company's place of business.

11 New Section; Client List; Confidentiality. Amend RSA 277-B by inserting after section 15 the following new section:

277-B:15-a Client List; Confidentiality. Employee leasing firms shall maintain a list of current and past clients which shall be available for inspection by the department of labor without notice. The list shall be submitted to the labor department on a quarterly basis. Failure to main-

tain an updated client list shall subject the licensee to a $1,000 fine, and a $2,500 fine and loss of license for a second or subsequent offense if deemed appropriate by the commissioner. Client lists shall remain confidential except that the commissioner may share such information with other appropriate state agencies. Funds generated from fines shall be deposited in the general fund as unrestricted revenue.

12 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill defines "employee leasing arrangement" It modifies license application and fee requirements, the commissioner's authority to issue, refuse, suspend or revoke the license of an employee leasing company, and the penalties which the commissioner may impose for certain violations. The bill also creates a certificate of insurance requirement for workers' compensation companies and requires that employee leasing firms maintain confidential client lists.

HB 1552-FN, increasing the minimum wage for certain employees without health benefits. INEXPEDIENT TO LEGISLATE

Rep. Gary L. Daniels for Labor, Industrial and Rehabilitative Services: This bill mandates that any employer not providing group health benefits to every full-time employee, and/or paying at least 50% of the health insurance premium, must pay each affected employee $1.50 more per hour, regardless of the employee's wage. There is no requirement that this wage increase be used to purchase health insurance. Placing mandates like this on employers, in a time when we simply are trying to put people back to work, is not a good policy. Vote 12-5.

HB 1464-FN, relative to administrative control of the state law library. INEXPEDIENT TO LEGISLATE

Rep. David M. The committee felt this was not an appropriate transfer. Vote 12-0.

HB 1284-L, relative to line items at town and school district meetings. REFER FOR INTERIM STUDY

Rep. Betsey L. Patten for Municipal and County Government: There is a perception that there is no mechanism for the legislative body, at the Town or School District Meeting, to require the governing body to listen and implement a specific policy or expenditure of funds in the annual budget. The committee felt this issue needed further study, hence the report for Interim Study. Vote 13-5.

Adopted by the necessary two-thirds.

HB 1363, allowing towns and cities to vote to regulate certain types of businesses. MAJORITY: REFER FOR INTERIM STUDY. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Thomas E.P. Rice, Jr. for the Majority of Municipal and County Government: The subcommittee chair and the sponsor met with the Governor's office to make sure of the Governor's support. It was the decision of the committee to ask for interim study to allow the Attorney General time to help draft this legislation in a form that he can defend. With his help this bill will be back next year! Vote 14-4.

Reps. Robert M. Fesh, Linda T. Foster, Paul A. McGuirk and Norma A. Sabella for the Minority of Municipal and County Government: This bill received a positive vote for interim study based on one communication from the Attorney General of the State of New Hampshire. While the minority of the committee shares the concern of the sponsors and of the Attorney General as to the seriousness of this issue, the committee has received no other communication or information from either the Attorney General or the Governor who made this a focal point in his State of the State Address. If the Governor believes that constitutional and defendable legislation can be drafted (regardless of recent Supreme Court decisions,) such legal language can be presented to any legislator who will have the opportunity to introduce a specific bill in the 1997 session.

Adopted by the necessary two-thirds.

HB 1479, relative to notification by federal employees to the chief law enforcement authority prior to an arrest, search, or seizure within the local law enforcement authority's jurisdiction. INEXPEDIENT TO LEGISLATE

Rep. Bruce F. Hunter for Public Protection and Veterans Affairs: This bill would require notification by federal employees to the chief law enforcement authority prior to an arrest, search, and/or seizure within that local jurisdiction. Requests for information from the New Hampshire Attorney General's Office were not answered after three work sessions on this bill. The motion of Inexpedient to Legislate was based on the issue of federal law enforcement officers having the constitutional right and duty to enforce federal laws within the several states. Vote 10-2.

Adopted by the necessary two-thirds.

HB 1620, relative to the information required in any contract to lease the Cannon Mountain and Mount Sunapee ski areas. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Edwin O. Smith for the Majority of the Committee on Public Works and Highways: Last year, legislation passed which authorized a joint senate and house study committee to make recommendations regarding the privatization of the two state-owned ski areas. The committee held a number of meetings, and, due to the number of important questions which need to be resolved regarding this issue, was unable to finish its work by the November 1 reporting deadline. Passage of this bill, as amended, allows the committee to work with the Department of Resources and Economic Development to try to develop a possible lease which addresses concerns raised at the many hearings. The amendment is also necessary to extend the life of the study committee. Nothing in this measure ensures that the ski areas will be leased or not leased, but will allow all facts and testimony to be considered and a recommendation made. Given the substantial amount of capital which is needed at the state-owned areas, an in-depth look at all avenues is not only prudent but very necessary in order that the citizens of this state receive the maximum benefit from these two valuable resources. The bipartisan Joint Senate, House Study Committee voted unanimously to file this legislation. Vote 14-4.

Rep. Katherine D. Rogers for the Minority of the Committee on Public Works and Highways: This bill, as amended, keeps the door wide-open to the leasing of Cannon Mountain and Mount Sunapee ski areas. This legislation directs the Department of Resources and Economic Development to develop a lease agreement for Cannon Mountain or Mount Sunapee ski area or both. The minority believes that New Hampshire's state parks and natural resources should not be leased or sold to private interests, they must be protected by the state for the enjoyment of all our citizens. This legislature should say "no" to continued efforts to lease our state's heritage.

Amendment (4479L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the information required in any contract to lease the Cannon Mountain and Mount Sunapee ski areas.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Lease Agreement; Terms. Amend RSA 12-A by inserting after section 29 the following new section:

12-A:29-a Lease Agreement; Terms. The department of resources and economic development shall develop a lease agreement which shall include the following terms in the event that the state enters into an agreement to lease Cannon Mountain or Mount Sunapee ski area, or both:

I. The terms of the lease, including length, fee structure, methods used to determine the fee structure and shall measure the amount of fees to be paid and default conditions.

II. The assets that would be included in the lease, i.e. what is included in the lease and what is not, how these assets would be transferred or sold to the lessee, how to determine the value of the assets, and requirements to regularly value the assets.

III. Investment requirements upon the lessee. The lease shall include provisions to ensure that the lessee fulfills an obligation to maintain and upgrade the assets on state land.

IV. Environmental regulations and controls including:

(a) Prototype regulations to preserve and protect state land.

(b) Procedures to follow when the lessee requests a permit to replace major equipment (such as a lift) or expand the ski area, cut new trails, increase snowmaking or alter master planning requirements.

V.(a) The role of the state in the on-going lease of the ski areas, including the states regulatory authority and power.

(b) The establishment of a prototype commission to oversee and administer the lease.

(c) The operational responsibilities remaining with the state and how these responsibilities would interact with the lessee's responsibilities.

VI. The disposition of employees employed by the ski areas including:

(a) Transfers within the department or the state.

(b) Offering employees the option of being bought out.

2 Reporting Date and Sunset of Committee Extended. Amend 1995, 241, 5 and 6 to read as follows:

241:5 Report. The committee shall submit a report of its findings, including recommendations for legislation, to the speaker of the house, the senate president, the house clerk, the senate clerk, the governor, and the state library, no later than November 1, [1995] ***1996***.

241:6 Sunset of Committee. The committee shall terminate on November 1, [1995] ***1996*** or when the report is filed.

3 Funds. The department of resources and economic development is authorized to accept any gifts, grants, donations or any other moneys made available to the department for the purpose of offsetting any costs associated with the study authorized in 1995, 241.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill clarifies what information is required to be included in any contract to lease the Cannon Mountain and Mount Sunapee ski areas.

This bill extends the reporting date of the committee established in 1995, 241:2 to study the feasibility of leasing the Mount Sunapee and Cannon Mountain ski areas.

This bill also authorizes the department of resources and economic development to accept any made funds made available to the department for the purpose of offsetting any costs associated with the study.

HB 1456, relative to permissible agreements between beverage manufacturers and vendors and beverage wholesale distributors. INEXPEDIENT TO LEGISLATE

Rep. Jane A. Clemons for Regulated Revenues: The committee felt that this bill would destroy the three-tier system and breweries could control distributors. This bill allowed a manufacturer to have an equity position in a distributorship; all seven New Hampshire distributors were opposed and Anheuser-Busch was the only one who testified for passage. Vote 9-2.

HB 1371, relative to the authority of the director of parks and recreation to enter certain private lands. OUGHT TO PASS WITH AMENDMENT

Rep. Philip M. Ackerman for Resources, Recreation and Development: This bill directs the director of forests and lands to notify the landowner prior to entering legally posted lands for inspection of timber harvesting operations or for forest health purposes. If prior notification is not possible, the director may enter the lands but shall provide after the fact notification to the landowner. The committee and the division agree that the amendment strikes a good balance between respect for individual property rights and the powers of the state to protect its forest lands. Vote 10-6.

Amendment (5136L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the authority of the director of forests and lands to enter certain private lands.

Amend the bill by replacing sections 1 and 2 with the following:

1 Procedure for Entry on Posted Lands Added. Amend RSA 227-J:2, II(a), to read as follows:

(a) For the purpose of performing the duties under this chapter, enter upon all lands in this state. ***This authority shall include the authority to enter legally posted lands, as necessary, to enforce the provisions of RSA 227-J and 227-K. The following procedures shall apply:***

(1) If the director finds it necessary to enter the landowner's property, the director shall, prior to entering, provide notice in person or by telephone, to the landowner at the landowner's residence.

(2) If providing notice to the landowner under subparagraph I is not possible, the director may enter the property. The director shall provide written notice to the landowner within 48 hours of such entry, which states the date and purpose of the entry.

2 Procedure for Entry on Posted Lands Added. Amend RSA 227-K:2, II to read as follows:

II. The director or the director's authorized agents may, for the purpose of performing the duties under this chapter, enter upon all lands in this state[, posted or otherwise]. ***This authority shall include the authority to enter legally posted lands, as necessary, to enforce the provisions of RSA 227-J and 227-K. The following procedures shall apply:***

(a) If the director finds it necessary to enter the landowner's property, the director shall, prior to entering, provide notice in person or by telephone, to the landowner at the landowner's residence.

(b) If providing notice to the landowner is not possible under subparagraph (a), the director may enter the property. The director shall provide written notice to the landowner within 48 hours of such entry, which states the date and purpose of the entry.

HB 1411, expanding the duties of the local river management advisory committees. INEXPEDIENT TO LEGISLATE

Reps. Michael D. Whalley and Deborah F. Merritt for Resources, Recreation and Development: This bill would require the rivers coordinator to draft legislation for people or organizations wishing to reconstruct dams on former dam sites for historical purposes on designated rivers. The majority believes a mechanism already exists for development of former dam sites, and the requirement of the rivers coordinator to draft legislation is inappropriate. Vote 10-6.

Adopted by the necessary two-thirds.

HB 1419, relative to the New Hampshire rivers management and protection program. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Janet M. Conroy for the Majority of Resources, Recreation and Development: The resources committee discussed the issue of the local legislative body of a municipality "retaining the right" to vote on the nomination of a river segment within its boundaries to the Rivers Management and Protection Program. The majority of the committee agreed that the town meeting process already allows for this vote, either by having the Board of Selectmen put an

article on the warrant or by a citizen petition of 25 voters. In towns with a council form of government, citizens can petition the council for a vote by that body or petition for a referendum vote. The majority is convinced that the result of such a vote would be included in any recommendation for designation of a river segment made to the Commissioner of the Department of Environmental Services, as is currently the practice. Vote 9-7.

Reps. Thomas J. Kirby, Michael D. Whalley, Howard C. Dickinson, Jr., David M. Lawton, Amy Patenaude, Rudolf A. Adler, and Peter O. Crowell for the Minority of Resources, Recreation and Development: The minority on HB 1419 supported an amendment to the bill emphasizing the right of the legislative body of a municipality to debate a proposed river designation within the municipality and requiring that the rivers coordinator include the outcome of any such vote in the official recommendation on designation. At this time no provision is made for the participation of the local legislative body in the nominating process. The minority believes a specific provision for local control should be required in the river designation process.

Adopted by the necessary two-thirds.

HJR 22, urging the members of the New Hampshire legislature to support the Silvio O. Conte National Fish and Wildlife Refuge. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Howard C. Dickinson, Jr. for the Majority of Resources, Recreation and Development: HJR 22, as amended, encourages our congressional delegation to support legislation that restricts any fee acquisitions of land to lots of record of less than 500 acres without resorting to eminent domain proceedings and that any loss of property taxes be covered by payment-in-lieu of taxes. Furthermore, for the first five years of the program, the Conte Refuge development should be focused in those stretches of the Connecticut River Valley where the municipal legislative bodies have given their support to the program. Vote 11-4.

Reps. Paula E. Bradley, Martin Feuerstein, Robert J. Laflam, and Janet M. Conroy for the Minority of Resources, Recreation and Development: The minority believes that the Conte Refuge will have a significant recreational and economic benefit for the Connecticut River watershed. The Conte Refuge Plan reflects the ideas and concerns of the hundreds of local people who participated in numerous public meetings. The minority agreed that the bill as originally written was more acceptable than the amended version.

Amendment (5147L)

Amend the title of the resolution by replacing it with the following:

A RESOLUTION

urging the New Hampshire congressional delegation to review the significant economic impact of the implementation of the Silvio O. Conte National Fish and Wildlife Refuge.

Amend the resolution by replacing all after the title with the following:

Whereas, the Silvio O. Conte National Fish and Wildlife Refuge was authorized by the United States Congress on December 11, 1991; and

Whereas, the Conte Refuge study area encompasses an area of over 11,000 square miles, or 7.2 million acres, located in 4 states — New Hampshire, Vermont, Massachusetts and Connecticut along both sides of the Connecticut River from its origin in Pittsburg, New Hampshire to Long Island Sound; and

Whereas, the United States Fish and Wildlife Service which will administer this federal refuge has wide statutory enforcement responsibilities for various federal programs; and

Whereas, the Connecticut River and its riparian lands have unique historical, social and economic values for local communities which may be directly affected by decisions regarding the future development of the Conte Refuge; and

Whereas, the United States Fish and Wildlife Service has adopted its Action Plan in October of 1995 and is now seeking funding to implement this plan; and

Whereas, it is apparent that federal funding for all federal projects may be difficult to attain given the fiscal situation of the federal government; and

Whereas, the commissioner of the department of resources and economic development, the commissioner of the department of agriculture, markets, and food and the office of state planning are encouraged to provide information and to assist towns affected by the Action Plan; now, therefore, be it

Resolved by the Senate and the House of Representatives in General Court convened:

That the general court urges the New Hampshire congressional delegation to recognize that the Conte plan may have a significant impact on the forest and agricultural economy of the citizens of the Connecticut River Valley Region; and

That the general court further urges the New Hampshire congressional delegation to limit any fee acquisition of private property within New Hampshire where any federal funds are to be utilized to lots of record of less than 500 acres and to direct the Conte managers to work only with willing private landowners without resorting to eminent domain proceedings and to assure through federal legislation that any loss of property taxes resulting from federal action in affected communities will be paid in amounts consistent with existing payment-in-lieu of taxes formula; and

That for the first 5 years of the Conte Refuge development, emphasis be given to municipalities along the Connecticut river where it has been demonstrated by vote of the municipal legislative body that the citizens endorse alternative D plan as outlined in the action plan and environmental impact statement of October 1995; and

That copies of this resolution, signed by the president of the senate and the speaker of the house, be forwarded by the house clerk to the governor, the governor's councilors, and to each member of the New Hampshire Congressional delegation.

Adopted by the necessary two-thirds.

HB 1168-L, relative to maintaining local control over certain franchises and allowing municipalities to coordinate franchising authorities. OUGHT TO PASS WITH AMENDMENT

Rep. Clifton C. Below and Jeffrey C. MacGillivray for Science, Technology and Energy: This bill, as amended, makes it clear that municipalities are the franchising authority for cable television systems and they may cooperate to jointly exercise such authority. The committee believes that current law already provides that any company, including a telephone company, that constructs or operates a cable television system must first obtain a written franchise from the municipality. Vote 10-1.

Amendment (5078L)

Amend the bill by replacing all after the enacting clause with the following:

1 Regulation of Cable Television Systems. Amend RSA 53-C:2 to read as follows:

53-C:2 Franchise Required.

I. No company shall construct, commence construction, or operate a cable television system in any municipality without first obtaining a written franchise from the franchising authority of each municipality in which such system is installed or to be installed.

II. Nothing in this chapter shall prevent municipalities from cooperating to jointly exercise franchising authority in accordance with RSA 53-A.

2 Franchising Authority Redefined. Amend RSA 53-C:3 to read as follows:

53-C:3 Authority to Grant Franchises. [Any franchising authority is] ***Municipalities are*** hereby authorized to grant, renew, amend or rescind for cause franchises for the installation and operation of cable television systems in accordance with the provisions of this chapter within the geographical limits of its respective town or city.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

(1) Authorizes municipalities to jointly exercise franchising authority of cable television systems.

(2) Redefines franchising authority to make municipalities the franchising authorities for cable television systems.

Adopted by the necessary two-thirds.

Report adopted by the necessary two-thirds and ordered to third reading.

HB 1295, requiring the commissioner of the department of environmental services to petition the United States Environmental Protection Agency requesting that New Hampshire be exempted from the mandatory use of reformulated fuels. INEXPEDIENT TO LEGISLATE

Rep. Jeb E. Bradley for Science, Technology and Energy: The committee deemed this bill inexpedient for several reasons. While there is some anecdotal concern raised about reformulated gas being used in small engines, the problem does not appear to be widespread at all. Further, given the distribution system for gasoline in the Northeast, there simply would not be enough non-reformulated gas to meet supply. The committee determined New Hampshire would have to have reformulated gas to meet motorists' needs even if this bill passed. Perversely, if New Hampshire banned reformulated gas but in practice motorists bought and used it, the state would receive no clean air credits from the EPA because on paper the gas was banned. Without the clean air credits it would be more likely New Hampshire would require an auto emission and inspection program, a requirement New Hampshire is trying to avoid. The Department of Environmental Services has worked with the sponsors of this bill to alleviate constituent concerns and has pledged to assist any others who have similar concerns with reformulated gas. Vote 14-0.

Adopted by the necessary two-thirds.

HB 1325, relative to the emissions reduction credits trading program. OUGHT TO PASS WITH AMENDMENT

Reps. Jeffrey C. MacGillivray and Jeb E. Bradley for Science, Technology and Energy: This bill has two major parts. (1) It creates a voluntary pilot program allowing agreements to implement innovative strategies for air pollution control. Such agreements may include some provisions not otherwise recognized under existing state laws and rules, such as trading reductions of one pollutant for another, where appropriate for overall environmental improvement. Such agreements may only be approved after public comment and hearing, identification of all interested parties, and strict enforceable performance promises. (2) It allows establishment of escrow accounts to provide more flexibility in the timing of future air pollution improvements. However, any delays in pollution reductions will require larger reductions at a later date, so that the total amount of environmental improvement will increase. The committee believes that the combination of additional flexibility and additional trading opportunities will increase overall environmental improvement at reduced cost. Vote 11-0.

Amendment (5100L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the emissions reduction trading programs and establishing a voluntary pilot program on enhanced environmental performance agreements.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Enhanced Environmental Performance Agreements. Amend RSA 125-C by inserting after section 6 the following new section:

125-C:6-a Enhanced Environmental Performance Agreements.

I. It is the purpose of this section to create a voluntary pilot program by which the commissioner of environmental services may enter into enhanced environmental performance agreements (EEPAs) with persons regulated under this chapter to implement innovative environmental measures not otherwise recognized or allowed under existing laws and rules of this state, if those measures achieve emissions reductions or reductions in discharges or wastes which equal or exceed those required under applicable statutes and rules, and to test innovative strategies for achieving enhanced environmental results. Approaches embodied in EEPAs should typically represent, favor, or promote pollution prevention, source reduction, environmental innovation, and transferability to other applicable entities, without increasing the overall level of pollution emitted directly or indirectly to the air, water, and land.

II. After notice and opportunity for public comment and hearing, the commissioner may enter into enhanced environmental performance agreements with any person regulated under any or all of RSA 125-C, RSA 125-D, RSA 125-I, RSA 125-J, or RSA 125-K to implement innovative environmental measures that relate to provisions of these chapters, even if one or more of the terms of such an agreement would be inconsistent with an otherwise applicable statute or rule of this state. Participation in this program is limited to those persons who have submitted an enhanced environmental performance agreement that is acceptable to the commissioner. A decision by the commissioner to not enter into an agreement with any person is not appealable.

III. An enhanced environmental performance agreement shall operate in lieu of existing permits identified in the agreement. Any environmental statute, regulation, or condition in an existing permit that differs from a term or condition in an agreement shall cease to apply from the effective date of an initial or renewed agreement until the agreement is terminated or expires.

IV. Persons applying to the commissioner for enhanced environmental performance agreements shall, at a minimum:

(a) Submit a description of how the proposal is consistent with the purpose of this section and federal guidelines, and a comprehensive description of the proposed EEPA which includes the nature of the facility, the operations which will be affected, how such operations will be altered to achieve superior emissions reductions, and the extent of emissions reduction anticipated.

(b) Include in EEPA proposals the following, without limitation:

(1) Identification of all state and federal statutes, rules and regulations applicable to the source.

(2) Identification of all statutes, rules and regulations that are inconsistent with one or more terms of the proposed agreement.

(3) A statement describing how the proposed agreement will achieve the purposes of this section.

(4) A statement describing the implementation of the proposed agreement, including a list of steps and schedule. Implementation of the proposed agreement shall not increase overall worker safety risks or create undue risk burdens on others.

(5) Identification of those members of the general public, representatives of local communities, environmental groups, and other appropriate parties who have participated in the development of the proposed agreement or who have an interest in the agreement;

(6) Identification of how the applicant will demonstrate ongoing satisfaction of the requirements of the agreement, including but not limited to, mechanisms for performance assurance and the type of performance guarantees to be provided, which guarantees shall be directly related to the complexity of, and risk associated with, the proposal.

(7) A description of and plan for public participation in the EEPA;

(8) A schedule for review by the commissioner of the performance of the proposed EEPA; and

(9) Provisions for voluntary and involuntary termination of the agreement.

V. Without limiting the commissioner's authority under this section to specify additional criteria, the commissioner may adopt rules, under RSA 541-A, specifying criteria for acceptance of proposed enhanced environmental performance agreements.

VI. In the event of deficient performance of any term or condition in the agreement, the commissioner may, with written notice, terminate any agreement, and the participant shall then be subject to enforcement under the applicable chapter. The commissioner's decision to terminate an agreement is not appealable. If an agreement is terminated, the participant shall have 30 days to apply for any necessary permits concerning operations that were in effect during the course of the agreement.

VII. Nothing in this section shall limit the authority or the ability of the attorney general to initiate enforcement action against a person for violation of any laws of this state or rules adopted under such laws, except that an enhanced environmental performance agreement shall be deemed to be a permit to engage in activities authorized under the agreement.

VIII. Nothing in this section shall reduce, eliminate, or in any way affect any fees that a participant in this program may be required to pay under any federal or state law. Applicants for participation in the enhanced environmental performance agreements program shall pay all costs associated with public notice and hearings.

2 Chapter Heading Changed. Amend the chapter heading of RSA 125-J to read as follows:

CHAPTER 125-J

EMISSIONS REDUCTION [CREDITS] TRADING [PROGRAM] ***PROGRAMS***

3 New Paragraph; Discrete Emission Reduction. Amend RSA 125-J:1 by inserting after paragraph XI the following new paragraph:

XI-a. "Discrete emission reduction" or "DER" means an emission reduction generated over a discrete period of time, and measured in weight (e.g., tons).

4 New Paragraph; Emission Budget. Amend RSA 125-J:1 by inserting after paragraph XII the following new paragraph:

XII-a. "Emission budget" or "budget" means the numerical result in tons per season of NOx emissions which results from the application of the emission reduction requirement of the ozone transport commission memorandum of understanding dated September 27, 1994, and which is the maximum amount of NOx emissions which may be released from the budget sources collectively during a given control period.

5 New Paragraphs; NOx Budget Allowance; NOx Budget Source. Amend RSA 125-J:1 by inserting after paragraph XIX the following new paragraphs:

XIX-a. "NOx budget allowance" means the limited authorization to emit one ton of NOx during a specified control period. All NOx budget allowances shall be allocated, transferred, or used as whole NOx budget allowances. To determine the number of whole allowances, the number of NOx budget allowances shall be rounded down for decimals less than 0.50 and rounded up for decimals of 0.50 or greater.

XIX-b. "NOx budget source" means a fossil fuel fired boiler or indirect heat exchanger with a maximum rated heat input capacity of 250 MMBtu/Hour, or more; and all electric generating facilities with a rated output of 15 MW, or more. Any person who applies to opt into the NOx budget program shall be considered a NOx budget source upon acceptance of the application for opt-in.

6 New Section; Authority to Establish Trading and Bank Programs. Amend RSA 125-J by inserting after section 2 the following new section:

125-J:2-a Trading and Bank Programs. The division may establish trading and bank programs regarding discrete emissions reductions, NOx budget allowances, or other emissions reduction credit mechanisms to facilitate compliance with the requirements of the Clean Air Act.

7 New Section; Escrow Authority. Amend RSA 125-J by inserting after section 3 the following new section:

125-J:3-a Escrow Authority. The commissioner may accept payments to be held in an escrow account to be used for the purchase of emissions reduction credits, discrete emissions reduction credits, NOx budget allowances, and other emissions reduction credit mechanisms, until such time as credits, allowances or other mechanisms are available for trading or banking in a trading or banking program.

8 New Section; Registration of Emissions Reduction Mechanisms. Amend RSA 125-J by inserting after section 4 the following new section:

125-J:4-a Registration of Emissions Reduction Mechanisms. The department may also establish and administer a process for the registration, revocation, and enforcement of discrete emissions reductions, NOx budget allowances, and all other emissions reduction mechanisms for any air pollutants in accordance with the Clean Air Act. The use of DERs, NOx budget allowances and other emissions reduction mechanisms shall be permitted as approved by EPA and in accordance with rules adopted by the commissioner pursuant to this chapter.

9 New Section; Escrow Authority. Amend RSA 125-J by inserting after section 11 the following new section:

125-J:11-a Escrow Authority.

I. The commissioner, in consultation with the treasurer of the state of New Hampshire, may establish non-interest-bearing escrow accounts to facilitate the acquisition of ERCs, DERs, and other emissions reduction mechanisms. The commissioner shall maintain and publish, on or before January 1 and July 1 of each year, a list of all escrow accounts established, the balance of tons of each account, and the amount of moneys held within each account.

II. Escrow accounts may be used to satisfy the portion of any offset requirement that exceeds a ratio of 1:1 but shall not be used to satisfy the portion of any requirement which is less than or equal to 1:1. Escrow accounts may also be used to satisfy past-due RACT requirements, but the balance, in tons, in any such escrow account shall annually decrease by at least 20 percent of the original amount through the purchase of ERCs, DERs, or other emissions reduction mechanisms. The balance of any such escrow account shall be kept in tons, and the balance of each such account shall be increased by one percent at the end of each month.

III. The establishment, maintenance, operation, and termination of such escrow accounts shall be permitted in accordance with rules adopted by the commissioner pursuant to this chap-

ter. The commissioner shall require that, at the end of each month, money shall be held within each such escrow account equal to at least 110 percent of the current market price per ton of ERCs, DERs, or other emissions reduction mechanisms times the balance, in tons, of that escrow account. Current market prices shall be determined by the commissioner.

10 New Subparagraph; Rulemaking Authority Amended. Amend RSA 125-J:12, I by inserting after subparagraph (g) the following new subparagraph:

(h) Procedures for implementing trading and banking programs for all emissions reduction credit mechanisms.

11 Date Changed; Rulemaking Authority; Submission. Amend the introductory paragraph to RSA 125-J:12, I to read as follows:

I. Notwithstanding RSA 541-A, the commissioner shall adopt special temporary rules not subject to RSA 541-A as expeditiously as possible after [the effective date of this chapter] ***July 1, 1996,*** except that the department shall hold a public hearing on the proposed special temporary rules and shall provide the public with notice of the hearing and an opportunity to testify and comment in writing, in accordance with the terms of the notice. The commissioner shall submit proposed rules pursuant to RSA 541-A no later than June 30, [1996] ***1997***. Such temporary and permanent rules shall include, but not be limited to, the following:

12 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill authorizes the division of air resources to establish trading and bank programs under emissions reduction trading programs, and establishes a voluntary pilot programs for enhanced environmental performance agreements.

Adopted by the necessary two-thirds.

Report adopted by the necessary two-thirds and ordered to third reading.

HB 1441, relative to consumer choice in home television programming. INEXPEDIENT TO LEGISLATE

Reps. Donald B. White and Ralph J. Rosen, Science, Technology & Energy: While the committee favors bills beneficial to consumers, a conflict may exist with the Federal Telecommunications Act of 1996 and subsequent rulemaking by the FCC with respect to the new law. Once this law and rules are clarified, this bill could be revisited. Vote 11-0.

Adopted by the necessary two-thirds.

HB 1482-L, relative to municipal water, gas and electric utilities. REFER FOR INTERIM STUDY

Rep. Jeb E. Bradley for Science, Technology and Energy: The committee believed that this bill needed far more study and work before passage. The committee feels that allowing towns an easier opportunity to municipalize utility services may well be advantageous but that municipalization must complement the direction of customer choice in electricity services recently approved by the House. Municipalization should not be at cross purposes with that effort. There were a number of complicated issues that arose during the three full committee work sessions on this bill: potential recovery of stranded costs, the condemnation process, the Public Utilities Commission continuing to determine what municipalization is in the public interest, how the franchise tax will be affected, state/federal jurisdictional issues, and consistent timing with and allowing for customer choice. Before any bill can be reported favorably, it will require comprehensive work which the committee pledges to do through the process of interim study. Vote 16-0.

Adopted by the necessary two-thirds.

Rep. Joseph Foster declared a conflict of interest and did not participate.

HB 1498-FN-L, requiring electric service for the state of New Hampshire to be put out for competitive bidding. OUGHT TO PASS WITH AMENDMENT

Reps. Jeb E. Bradley and Clifton C. Below for Science, Technology & Energy: The committee worked extensively on this amendment. This bill instructs the Department of Administrative Services to purchase electricity through the competitive bidding process once the Public Utilities Commission certifies that competitive electricity markets exist. Language in the amendment classifies how the Department of Administrative Services would proceed with this bid process.

The amendment allows price, reliability, and quality of service to be considered when evaluating bids. The amendment also calls for air pollution emission information and fuel source information to be supplied with a bid, if practical. Vote 8-6.

Amendment (5138L)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the commissioner of administrative services to purchase electricity through the competitive bidding process.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The legislature finds it is in the best interests of citizens of the state to operate in a business-like manner, and that prudent business practice warrants the state obtaining electricity from competitive suppliers through a competitive bid process when it becomes possible.

2 Electric Service Added. Amend the introductory paragraph of RSA 21-I:11, II to read as follows:

II. Purchasing all materials, equipment, supplies, and services for all departments and agencies of the state including contracting for the purchase or rental of data processing equipment ***and contracting for the purchase of electric power supply and services***, except as otherwise provided by law. Insofar as practicable all such purchases shall be made in such quantities and manner as shall be most economical for the state.

3 New Section; Competitive Bidding Required for Purchase of Electricity. Amend RSA 21-I by inserting after section 17-a the following new section:

21-I:17-b Purchase of Electricity by Competitive Bidding.

I. When evaluating bids for electric power supply and services, the quality of service, the reliability of service, the coordination of services, and other reasonable factors shall be considered in addition to the price of electricity. The bidding process shall be open to bids which serve less than the entire needs of the state, or which provide electric power supply or services separately, in order to increase the number of potential suppliers.

II. When submitting electric power supply bids, vendors should include information, to the extent practicable, on the fuel sources and air pollutant emission profiles of significant sources of generation under the proposed bid.

4 Application. Pursuant to RSA 21-I:11, III(b), competitive bidding for electric power supply shall not occur until it becomes possible to purchase electricity from more than one supplier at a given location. The chairman of the public utilities commission shall certify to the secretary of state the date on which it becomes possible to purchase electricity from more than one supplier at each location in the state.

5 Effective Date.

I. Section 3 of this act shall take effect as provided in section 4 of this act.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the commissioner of administrative services to purchase electricity through the competitive bidding process when it becomes possible to purchase electricity from more than one supplier at a given location.

Adopted by the necessary two-thirds.

Report adopted by the necessary two-thirds and ordered to third reading.

Rep. Joseph Foster declared a conflict of interest and did not participate.

HB 1599-FN, postponing the implementation of alternative fuel motor vehicle fleet requirements for 2 years. OUGHT TO PASS

Rep. Donald B. White for Science, Technology and Energy: This bill delays the need to begin conversion of fleet vehicles to alternative fuels. The federal government has not yet released specific guidelines, nor has it defined a "national low emission vehicle." It will be some time before these matters are made clear, hence the delay, relieving fleets of unnecessary inconvenience and expense. In addition, the use of reformulated fuel for gasoline engines is now in use almost completely in New Hampshire, thus contributing to lower emissions. Vote 14-0.

Adopted by the necessary two-thirds.

HJR 25, urging the federal Energy Regulatory Commission, the United States Environmental Protection Agency, the Council on Environmental Quality, the United States Congress, and the President of the United States to implement increased competition in the electric utility industry in a manner that furthers environmental improvement and promotes full and fair competition including equitable and appropriate environmental regulation for all electricity generators. OUGHT TO PASS WITH AMENDMENT

Reps. Jeffrey C. MacGillivray and Clifton C. Below for Science, Technology and Energy: This resolution addresses concerns that current Federal efforts to promote competition among electricity producers without environmental regulatory reform could result in more electricity production by cheaper, more polluting plants upwind from New Hampshire and significant additional air pollution transport to the northeast. It calls for full, free and fair competition, including equitable and appropriate environmental regulation, based on comparable scientific criteria, for all electricity producers and consumers. It also suggests careful consideration of innovative market-driven forms of environmental regulation. Vote 11-0.

Amendment (4977L)

Amend the resolution by replacing all after the title with the following:

Whereas, the state of New Hampshire is a strong advocate of free, open, and fair competitive markets, including both retail and wholesale competition for electricity generation suppliers; and

Whereas, the New Hampshire general court has adopted legislation which establishes a set of principles to restructure the New Hampshire electric utility industry and to implement "full customer choice among electricity suppliers in the most expeditious manner possible"; and

Whereas, one of New Hampshire's restructuring policy principles concerns the connection between electric utility restructuring and environmental improvement and states: "Continued environmental protection and long term environmental sustainability should be encouraged. Increased competition in the electric industry should be implemented in a manner that supports and furthers the goals of environmental improvement. Over time, there should be more equitable treatment of old and new generation sources with regard to air pollution controls and costs. New Hampshire should encourage equitable and appropriate environmental regulation based on comparable criteria for all electricity generators, in and out of state, to reduce air pollution transported across state lines and to ensure full, free, and fair competition. As generation becomes deregulated, innovative market driven approaches are preferred to regulatory controls to reduce adverse environmental impacts. Such market approaches may include valuing the costs of pollution and using pollution offset credits"; and

Whereas, much of New Hampshire's air pollution results from air pollutants and their precursors transported into the state from upwind sources including electricity generation stations; and

Whereas, the Energy Policy Act of 1992 requires the federal Energy Regulatory Commission (FERC) to implement increased competition in the electric utility industry, but does not relieve FERC or other federal agencies of their responsibility and obligation to act in the public interest and to carefully review and mitigate critical environmental and health impacts that may result from open access to transmission services; and

Whereas, FERC's draft Environmental Impact Statement on its Notice of Proposed Rulemaking Promoting Wholesale Competition Through Open Access Non-Discriminatory Transmission Service by Public Utilities (the "Mega-NOPR"), asserts that sizable increases in air pollution could occur due to a shift from cleaner generation sources to cheaper and dirtier generators, but then greatly underestimates FERC's obligation to mitigate the impact of its proposed Mega-NOPR actions, by selecting an inappropriate base case which assumes incremental implementation of the same policy of open transmission access, instead of selecting the more appropriate base case of no action and current air quality trends; and

Whereas, there is sufficient underutilized electric generating capacity in midwestern states, subject to much lower air emissions standards than competitors in northeastern states, that implementing open transmission access, without more appropriate, comparable and equitable environmental regulation, could result in increased electricity generation in midwestern states and significant additional air pollution transport to northeastern states; and

Whereas, federal air pollution regulation of electric generators has too often been inappropriately based almost exclusively on air quality in the vicinity of the generator, without sufficient consideration of the effects of transport of pollutants to downwind areas; and

Whereas, a considerable burden has been placed on New Hampshire by its designation as part of the Ozone Transport Region delineated by the Clean Air Act Amendments of 1990, despite considerable evidence that New Hampshire's exceedances of federal ambient air quality standards are overwhelmingly due to transported air pollution from upwind states; and

Whereas, New Hampshire's electric rates have been much higher than the national average for many years, a substantial cause of which has been New Hampshire's pursuit over many years of lesser-polluting electricity sources as alternatives to construction of additional lower-cost, higher polluting coal-fired stations; and

Whereas, New Hampshire, as a result of its Reasonably Available Control Technology (RACT) requirements for its own electrical generating stations, has shown that state-of-the-art selective catalytic reduction (SCR) RACT equipment installed at New Hampshire's largest coal-fired electrical generating station is a cost-effective method for reducing emissions of oxides of nitrogen (NOx), and would be cost-effective in other states as well; and

Whereas, the costs for upwind electric generators to make similar source emission reductions, particularly in coal-fired stations, typically appear to be significantly smaller than the costs to northeastern states to compensate for transported air pollution by imposing more expensive mitigation measures on other sources of pollution; and

Whereas, such source mitigation costs also appear to be only a small fraction of the potential additional revenue from increased generation by low cost coal-fired generators as a result of FERC's Mega-NOPR; and

Whereas, Governor Stephen Merrill indicated in a July 20, 1995 letter to EPA Administrator Carol Browner that New Hampshire is not willing to subsidize the economy, environment, health and quality of life of upwind states at the expense of those aspects of its own citizens' lives; and

Whereas, the state of New Hampshire would strongly prefer to avoid suing the federal government and upwind states to take actions to mitigate increased air pollution resulting from FERC's actions, pursuant to the Clean Air Act Amendments of 1990 and the National Environmental Policy Act; now, therefore, be it

Resolved by the Senate and House of Representatives in the General Court convened:

That the state of New Hampshire petitions the Federal Energy Regulatory Commission to implement open access to transmission services and increased competition in the electric utility industry in a manner that supports and furthers the goals of environmental improvement, such as by stipulating that all electricity generators transmitting power under FERC open access rules comply with equitable and appropriate environmental regulation to reduce interstate transport of air pollutants; and

That the state of New Hampshire further petitions the United States Environmental Protection Agency, the Council on Environmental Quality, the Federal Energy Regulatory Commission, the Congress, and the President of the United States to work together to ensure that increased competition in electricity markets be truly full, free, and fair, including equitable and appropriate environmental regulation, based on comparable scientific criteria, for all electricity generators and consumers; and to carefully consider as alternatives to existing regulatory controls, innovative market-driven forms of environmental regulation, such as valuing the costs of pollution and using pollution control offsets; and

That copies of this resolution, signed by the president of the senate, the speaker of the house, and the governor be forwarded by the house clerk to each member of the New Hampshire Congressional delegation, the President of the United States, the President Pro-Tempore of the United States Senate, the Speaker of the United States House of Representatives, the federal Energy Regulatory Commission, the United States Environmental Protection Agency, and the Council on Environmental Quality; and

That this resolution is intended to be read in conjunction with HB 1392, which establishes principles for restructuring the New Hampshire utility industry, if and when it has been signed into law.

Adopted by the necessary two-thirds.

Report adopted by the necessary two-thirds and ordered to third reading.

HB 1581, prohibiting the operation of a vessel during license suspension or revocation. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Henry M. Boermeester for the Majority of the Committee on Transportation: The majority of the committee felt that a person who is under the influence and operates a boat is just as much of a danger to the public as a person who operates a motor vehicle while under the influence. This bill will address the need for more stringent penalties for people who operate motorized boats while under the influence of alcohol on the public waters of the state. It is illegal under present law to operate an Off Highway Recreational Vehicle after revocation of one's driver's license. Although this legislation is different in some respects, it attempts to treat the operation of boats in a similar manner. Vote 8-4.

Reps. Mark A. Krochmal, Vivian J. Desmarais, Roland M. Turgeon and Paul W. Taylor for the Minority of the Committee on Transportation: Currently, the State of New Hampshire does not extend or tangibly recognize any privilege to operate a motor boat by instituting any kind of motor boat operator's licensing procedure as is done with automobile operator's licenses. By assessing penalties against an automobile driver's license for violations that do not involve an automobile, it appears to get away from the principle of having the punishment relate to the offense. Also, this bill opens the door to having other professional licenses (example: private investigator, realtor, insurance agent, etc.), one day becoming subject to revocation based on a driving offense. This extension has already occurred in several states.

Amendment (4867L)

Amend the title of the bill by replacing it with the following:

AN ACT

prohibiting the operation of a motorboat during license suspension or revocation for DWI and prohibiting the operation of a motor vehicle if a person has been convicted of boating while intoxicated.

Amend the bill the replacing all after the enacting clause with the following:

1 New Paragraph; Boating While Intoxicated Added. Amend RSA 265:82-b by inserting after paragraph I the following new paragraph:

I-a. Any person convicted of a violation of RSA 270:48-a shall be subject to the penalties set out in this section for a violation of RSA 265:82.

2 New Paragraphs; Motor Vehicle License Revoked for BWI Offenses Added. Amend RSA 270;48-a by inserting after paragraph V the following new paragraph:

VI. Any person who is convicted of a violation of paragraphs I-III of this section shall be subject to the same penalties as a person convicted of a violation of RSA 265:82 as specified in RSA 265:82-b.

VII. Any person who is convicted of a violation of RSA 265:82 shall lose the privilege to operate a motorboat on the waters of this state for a period of one year from the date of conviction.

AMENDED ANALYSIS

This bill:

(1) Subjects any person convicted of BWI to the same penalties imposed on persons convicted of DWI, including license revocation.

(2) Prohibits any person convicted of DWI from operating a motorboat on the waters of this state for one year from the date of conviction.

Adopted by the necessary two-thirds.

HB 1182-FN, increasing the bear hunting license fee. INEXPEDIENT TO LEGISLATE

Rep. Dennis F. Abbott for Wildlife and Marine Resources: This bill suffered from a lack of public input. If you want to catch a fish, you must plan your presentation and ensure that you have the right fly on the end of your line. The Fish and Game Commission unanimously opposed a proposed amendment as did the New Hampshire Wildlife Federation. Further consideration and study is required to select a state sport. Vote 7-4.

Adopted by the necessary two-thirds.

HB 1296, prohibiting banks from assessing a charge on the payor of a check drawn on insufficient funds. INEXPEDIENT TO LEGISLATE

Rep. Eric N. Lindblade for Commerce, Small Business, Consumer Affairs and Economic Development: The concern addressed in this bill is better addressed in HB 1332-FN. Vote 15-0.

Adopted by the necessary two-thirds.

HB 1359, restricting charges to the payee and payor for a check returned for insufficient funds INEXPEDIENT TO LEGISLATE

Rep. Eric N. Lindblade for Commerce, Small Business, Consumer Affairs and Economic Development: The concerns of this bill are to be addressed in HB 1332-FN. Vote 13-1.

Adopted by the necessary two-thirds.

HB 1457, relative to bank charges for checks written on uncollected funds. INEXPEDIENT TO LEGISLATE

Rep. Eric N. Lindblade for Commerce, Small Business, Consumer Affairs and Economic Development: This bill comes under the general rubric of fees and charges and therefore can be better handled under HB 1332-FN. Vote 13-1.

Adopted by the necessary two-thirds.

HB 1173-FN-L, relative to juvenile court proceedings, and release or publication of identifying information for a delinquent minor. OUGHT TO PASS WITH AMENDMENT

Rep. Donnalee M. Lozeau for Corrections and Criminal Justice: This bill, as amended, allows the police to disclose to the victim of any crime committed by a juvenile certain limited information about the defendant subsequent to his arrest. It also permits the victim to attend the hearing on the case or to be informed about what happened at the hearing. Additionally, the bill provides that the police may notify the news media when a juvenile has escaped from court-ordered custody. While confidentiality may be desirable for some aspects of juvenile hearings, the committee unanimously agrees that it is entirely appropriate for victims to know about the progress of their cases. Vote 13-0.

Amendment (5133L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to juvenile court proceedings and victim's rights in the context of delinquency proceedings.

Amend the bill by replacing all after the enacting clause with the following:

1 Delinquency Court Sessions; Victim's Rights. Amend RSA 169-B:34 to read as follows:

169-B:34 Court Sessions*; **Access to Information.***

I.(a) All juvenile cases shall be heard separately from the trial of criminal cases, and such hearing shall be held wherever possible in rooms not used for such trials. Only such persons as the parties, their witnesses, their counsel, ***the victim,*** the county attorney, the attorney general and the representatives of the agencies present to perform their official duties shall be admitted; provided, however, that if the witness is under 16 years of age, the witness' parent or other appropriate adult shall be permitted to be present during the witness' testimony. In those cases where the delinquent act complained of would constitute a felony if the act of an adult, the attorney general and the county attorney of the county in which the offense took place shall receive notice thereof by the court.

(b) For the purpose of this section, "victim" means a person who suffers direct physical, emotional, psychological, or economic harm as a result of the commission of a crime or delinquent act. "Victim" also includes the immediate family of any victim who is a minor or who is incompetent, or the immediate family of a homicide victim.

II. If the victim is unable to attend the hearing under paragraph I, the prosecution may disclose to the victim information disclosed at the hearing.

III.(a) At any time after the arrest of a juvenile or the service of a juvenile petition, the following information regarding the juvenile may be disclosed to the victim by a law enforcement agency or the prosecution:

(1) Name.

(2) Age.
(3) Address.
(4) Gender.
(5) Offense charged.
(6) Offense adjudicated.
(7) Disposition.
(8) Custody status.

(b) The information under subparagraph (a) shall not be unreasonably withheld.

IV. It shall be unlawful for a victim to disclose any confidential information to any person not authorized or entitled to access such confidential information. Any person who knowingly discloses such confidential information shall be guilty of a misdemeanor.

2 Section Heading Revised. Amend the section heading of RSA 169-B:35-a to read as follows:

169-B:35-a Access to Information by [Victims' Immediate Family,] *Victims of Violent Crime* and Law Enforcement Agencies; Definitions; Minor's Rights; Protocol; Confidentiality; Limitations.

3 Publication of Identification of Delinquent Minor; Escape from Custody; Danger to Self or Public. Amend RSA 169-B:37 to read as follows:

169-B:37 Publication of Delinquency Restricted.

I. It shall be unlawful for any newspaper to publish, or any radio or television station to broadcast or make public the name or address or any other particular information serving to identify any juvenile arrested, without the express permission of the court; and it shall be unlawful for any newspaper to publish, or any radio or television station to make public, any of the proceedings of any juvenile court. Nothing in this section or RSA 169-B:35 and RSA 169-B:36 shall be construed to prevent publication without using the name of the delinquent of information which shall be furnished by the court about the disposition of a case when the delinquent act would constitute a felony if it were the act of an adult.

II. Notwithstanding paragraph I, the police, with the written approval of the county attorney or the attorney general, may release to the news media the name, and photographs of a juvenile if:

(a) The juvenile has escaped from court-ordered custody; and

(b) The juvenile has not been apprehended and there is good cause to believe the juvenile presents a serious danger to the juvenile or to public safety.

4 Application. The provisions of this act shall apply to all open cases brought under RSA 169-B, including those open cases which commenced prior to the effective date of this act.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

I. Allows the victim to be admitted to delinquency proceedings, and sets forth related procedural requirements.

II. Defines "victim" relative to the crime perpetrated.

III. Authorizes the release of the name and identifying information of a delinquent minor to the news media when such minor has escaped from court-ordered custody, and has failed to be apprehended and there is good cause to believe that the minor presents a serious danger to the minor or to the public safety.

Floor Amendment (5186L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to juvenile court proceedings and victim's rights in the context of delinquency proceedings.

Amend the bill by replacing all after the enacting clause with the following:

1 Delinquency Court Sessions; Victim's Rights. Amend RSA 169-B:34 to read as follows:

169-B:34 Court Sessions; ***Access to Information.***

I.(a) All juvenile cases shall be heard separately from the trial of criminal cases, and such hearing shall be held wherever possible in rooms not used for such trials. Only such persons as the parties, their witnesses, their counsel, ***the victim,*** the county attorney, the attorney general and the representatives of the agencies present to perform their official duties shall be admitted; provided, however, that if the witness is under 16 years of age, the witness' parent or other appropriate adult shall be permitted to be present during the witness' testimony. In those cases where the delinquent act complained of would constitute a felony if the act of an adult, the attorney general and the county attorney of the county in which the offense took place shall receive notice thereof by the court.

(b) For the purpose of this section, "victim" means a person who suffers direct physical, emotional, psychological, or economic harm as a result of the commission of a crime or delinquent act. "Victim" also includes the immediate family of any victim who is a minor or who is incompetent, or the immediate family of a homicide victim.

II. If the victim is unable to attend the hearing under paragraph I, the prosecution, upon request of the victim, may disclose to the victim information disclosed at the hearing.

III.(a) At any time after the arrest of a juvenile or the service of a juvenile petition, but prior to any hearing, the following information regarding the juvenile may be disclosed to the victim, upon the victim's request, by a law enforcement agency or the prosecution:

(1) Name.

(2) Age.

(3) Address.

(4) Gender.

(5) Offense charged.

(6) Custody status.

(b) The information under subparagraph (a) shall not be unreasonably withheld.

IV. It shall be unlawful for a victim to disclose any confidential information to any person not authorized or entitled to access such confidential information. Any person who knowingly discloses such confidential information shall be guilty of a misdemeanor.

2 Section Heading Revised. The section heading of RSA 169-B:35-a is repealed and reenacted to read as follows:

169-B:35-a Access to Information by Victims of Violent Crime.

3 Victims of Violent Crimes; Access to Information. The introductory paragraphs of RSA 169-B:35-a, II and II(a) are repealed and reenacted to read as follows:

II. In cases where a minor is charged with a violent crime and in addition to the provisions of RSA 169-B:34, a victim of violent crime shall have the rights provided in this paragraph. Upon request to the prosecution, the victim shall be entitled to the following:

(a) Prior to the disposition of the minor pursuant to RSA 169-B:19 or a transfer hearing pursuant to RSA 169-B:24, to:

4 Court Discretion Deleted. Amend RSA 169-B:35-a, II(c) to read as follows:

(c)(1) When the court's jurisdiction over a minor adjudicated for a violent crime terminates pursuant to RSA 169-B:4 or 169-B:19, [the court may in its discretion authorize that] the victim and the arresting law enforcement agency shall receive notice of the termination of the court's jurisdiction and any information concerning the minor's intended residence.

(2) The court may [also] authorize the arresting law enforcement agency to provide information concerning the location of the minor's intended residence to the law enforcement agency of that location if public safety requires such notification.

5 Cross Reference Added. Amend RSA 169-B:35-a, V to read as follows:

V.(a) Except as expressly provided in this section ***or RSA 169-B:34,*** nothing in this section shall be construed to provide victims with the right to attend proceedings conducted pursuant to RSA 169-B, 170-H, or 621; to participate in decisions concerning the changes in placement, temporary release or furlough, interstate transfer, parole, or release of a minor adjudicated of a violent crime; or to have direct access to the case records or the court records of a minor adjudicated for a violent crime.

(b) Nothing in this section ***or RSA 169-B:34*** shall be construed as creating a cause of action against the state, a county or municipality, or any of their agencies, instrumentalities or employees, or private providers of residential services to adjudicated delinquents.

(c) Nothing in this section *or RSA 169-B:34* shall be construed as creating any new cause of action or new remedy or right for a criminal defendant.

6 Publication of Identification of Delinquent Minor; Escape from Custody; Danger to Self or Public. Amend RSA 169-B:37 to read as follows:

169-B:37 Publication of Delinquency Restricted.

I. It shall be unlawful for any newspaper to publish, or any radio or television station to broadcast or make public the name or address or any other particular information serving to identify any juvenile arrested, without the express permission of the court; and it shall be unlawful for any newspaper to publish, or any radio or television station to make public, any of the proceedings of any juvenile court. Nothing in this section or RSA 169-B:35 and RSA 169-B:36 shall be construed to prevent publication without using the name of the delinquent of information which shall be furnished by the court about the disposition of a case when the delinquent act would constitute a felony if it were the act of an adult.

II. Notwithstanding paragraph I, the police, with the written approval of the county attorney or the attorney general, may release to the news media the name, and photographs of a juvenile if:

(a) The juvenile has escaped from court-ordered custody; and

(b) The juvenile has not been apprehended and there is good cause to believe the juvenile presents a serious danger to the juvenile or to public safety.

7 Application. The provisions of this act shall apply to all open cases brought under RSA 169-B, including those open cases which commenced prior to the effective date of this act.

8 Repeal. RSA 169-B:35-a, III, relative to the department of justice developing protocols relative to victim's rights, is repealed.

9 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

I. Allows the victim to be admitted to delinquency proceedings, and sets forth related procedural requirements.

II. Defines "victim" relative to the crime perpetrated.

III. Authorizes the release of the name and identifying information of a delinquent minor to the news media when such minor has escaped from court-ordered custody, and has failed to be apprehended and there is good cause to believe that the minor presents a serious danger to the minor or to the public safety.

HB 1355, relative to the confidentiality of juvenile hearings. INEXPEDIENT TO LEGISLATE

Rep. Donnalee M. Lozeau for Corrections and Criminal Justice: The committee dealt with the subject matter of this bill in HB 1173. Vote 12-0.

Adopted by the necessary two-thirds.

HB 1524, relative to operating a motor vehicle with a suspended license and causing bodily injury. OUGHT TO PASS WITH AMENDMENT

Rep. Everett A. Weare for Corrections and Criminal Justice: Operating a motor vehicle after suspension or revocation and causing an accident or injuries to individuals cannot be tolerated. This bill increases the penalty from a violation to a misdemeanor or felony for anyone who operates a motor vehicle after revocation or suspension of their license and causes a motor vehicle collision that results in bodily injury or significant property damage. This bill was introduced in response to a situation where a Rye child was seriously injured by a driver operating after suspension. Vote 14-0.

Amendment (4793L)

Amend RSA 263:64, IV(b) and (c) as inserted by section 1 of the bill by replacing them with the following:

(b) Any person who violates this section by driving a motor vehicle in this state during the period of suspension or revocation of such person's license or driving privilege, and who causes a motor vehicle collision resulting in bodily injury to the driver or another, or damage to the property of another in excess of $2,000, shall be guilty of a misdemeanor.

(c) Any person who violates this section by driving a motor vehicle in this state during the period of suspension or revocation of such person's license or driving privilege, and who causes a motor vehicle collision resulting in serious bodily injury, as defined in RSA 625:11, to the driver or another, shall be guilty of a felony.

Adopted by the necessary two-thirds.

HB 1547, limiting discovery depositions in criminal cases. OUGHT TO PASS WITH AMENDMENT

Rep. William V. Knowles for Corrections and Criminal Justice: This legislation is the result of a study committee established to examine and recommend the best way to ensure an efficient system of criminal prosecution at the district and superior court level. It establishes a new chapter, "Discovery in Criminal Cases", which outlines the requirement of disclosure for both the prosecution and defense. It is the opinion of the committee charged with the study that the standards established are fair to both prosecutors and defense attorneys, are consistent with the defendant's constitutional rights, and also serve the interests of the criminal justice system as a whole. Vote 14-0.

Amendment (4940L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to discovery in criminal cases.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Discovery in Criminal Cases. Amend RSA by inserting after chapter 603 the following new chapter:

CHAPTER 603-A

DISCOVERY IN CRIMINAL CASES

603-A:1 Legislative Findings and Policy. The legislature finds and declares that:

I. Procedures prior to trial should, consistent with the constitutional rights of the defendant:

(a) Promote a fair and expeditious disposition of the charges, whether by diversion, plea, or trial.

(b) Provide the defendant with sufficient information to make an informed plea.

(c) Permit thorough preparation for trial and minimize surprise at trial.

(d) Reduce interruptions and complications during trial and avoid unnecessary and repetitious trials by identifying and resolving prior to trial any procedural, collateral, or constitutional issues.

(e) Minimize the procedural and substantive inequities among similarly situated defendants.

(f) Effect economies in time, money, judicial resources, and professional skills by minimizing paperwork, avoiding repetitious assertions of issues, and reducing the number of separate hearings.

(g) Minimize the burden upon victims and witnesses.

II. These goals can be served by:

(a) Full and free exchange of appropriate discovery.

(b) Simpler and more efficient procedures.

(c) Procedural pressures for expediting the processing of cases.

603-A:2 Applicability of Chapter. This chapter shall apply to all criminal cases. Discovery procedures may be more limited than those described in this chapter in cases involving minor offenses, provided the procedures are sufficient to permit the party adequately to investigate and prepare the case.

603-A:3 Relationship to Other Laws. The provisions of this chapter are supplementary to other laws or court rules pertaining to discovery in criminal cases. The provisions of this chapter shall not be construed to limit or repeal any other law or court rules pertaining to discovery in criminal cases, unless such law or rule is contrary to the policy of this chapter.

603-A:4 Definitions. For the purpose of this chapter:

I. A "written statement" of a person means:

(a) Any statement in writing that is made, signed or adopted by that person; and

(b) The substance of a statement made by that person that is embodied or summarized in any writing or recording, whether or not specifically signed or adopted by that person. The term is intended to include statements contained in police or investigative reports, but does not include attorney work product.

II. An "oral statement" of a person means the substance of any statement by that person, whether or not reflected in any existing writing or recording.

III. A "criminal case" means a formal prosecution commenced by indictment, information, or complaint, filed with the appropriate court.

603-A:5 Prosecutorial Disclosure.

I. The prosecution shall, within a specified and reasonable time prior to trial, disclose to the defense the following information and material and permit inspection, copying, testing, and photographing of disclosed documents or tangible objects:

(a) All written and all oral statements of the defendant or of any codefendant that are within the possession or control of the prosecution and that relate to the offense charged, and any documents relating to the acquisition of such statements.

(b) The names and addresses of all persons known to the prosecution to have information concerning the offense charged, together with all written statements of any such person that are within the possession or control of the prosecution and that relate to the offense charged. The prosecution shall also identify the persons it intends to call as witnesses at trial.

(c) The relationship, if any, between the prosecution and any witness it intends to call at trial, including the nature and circumstances of any agreement, understanding, or representation between the prosecution and the witness that constitutes an inducement for the cooperation or testimony of the witness.

(d) Any reports or written statements of experts made in connection with the case, including results of physical or mental examinations and of scientific tests, experiments, or comparisons. With respect to each expert whom the prosecution intends to call as a witness at trial, the prosecutor shall also furnish to the defense a curriculum vitae and the expert's opinion, and the underlying basis of that opinion.

(e) Any tangible objects, including books, papers, documents, photographs, buildings, places, or any other objects which pertain to the case or which were obtained from or belong to the defendant. The prosecution shall also identify which of these tangible objects it intends to offer as evidence at trial.

(f) Any record of prior criminal convictions, pending charges, or probationary status of the defendant or of any codefendant, and, insofar as known to the prosecution, any record of convictions, pending charges, or probationary status that may be used for impeachment of any witness to be called by either party at trial.

(g) Any material, documents or information relating to lineup, showups, and picture or voice identifications in relation to the case.

(h) Any material or information within the prosecutor's possession or control which tends to negate the guilt of the defendant as to the offense charged or which would tend to reduce the punishment of the defendant.

II. If the prosecution intends to use character, reputation, or other act evidence, the prosecution shall notify the defense of that intention and of the substance of the evidence to be used.

III. If the defendant's conversations or premises have been subjected to electronic surveillance, including wiretapping, in connection with the investigation or prosecution of the case, the prosecution shall inform the defense of that fact.

IV. If any tangible object which the prosecutor intends to offer at trial was obtained through a search and seizure, the prosecution shall disclose to the defense any information, documents, or other material relating to the acquisition of such objects.

603-A:6 Defense Disclosure.

I. The defense shall, within a specified and reasonable time prior to trial, disclose to the prosecution the following information and material and permit inspection, copying, testing, and photographing of disclosed documents and tangible objects:

(a) The names and addresses of all witnesses, other than the defendant, whom the defense intends to call at trial, together with all written statements of any such witness that are within the possession or control of the defense and that relate to the subject matter of the testimony of the witness.

(b) Any reports or written statements made in connection with the case by experts whom the defense intends to call at trial, including the results of physical or mental examinations and of scientific tests, experiments, or comparisons that the defendant intends to offer as evidence at trial. For each such expert witness, the defense shall also furnish to the prosecution a curriculum vitae and the expert's opinion, and the underlying basis of that opinion.

(c) Any tangible objects, including books, papers, documents, photographs, buildings, places, or any other objects, which the defense intends to introduce as evidence at trial.

II. If the defense intends to use character, reputation, or other act evidence not relating to the defendant, the defense shall notify the prosecution of that intention and of the substance of the evidence to be used.

III. If the defense intends to rely upon a claim of self defense, alibi, or an affirmative defense, the defense shall notify the prosecution of that intent and of the names of the witnesses who may be called in support of that defense.

603-A:7 The Person of the Defendant.

I. After the initiation of judicial proceedings, the defendant shall, upon the prosecution's request, appear within a time specified for the purpose of permitting the prosecution to obtain fingerprints, photographs, handwriting exemplars, or voice exemplars from the defendant, or for the purpose of having the defendant appear, move, or speak for identification in a lineup or try on clothing or other articles. Whenever the personal appearance of the defendant is required for the foregoing purposes, reasonable notice of the time and place of such appearance shall be given by the prosecuting attorney to the defendant and the defendant's counsel.

II. Upon motion by the prosecution, with reasonable notice to defendant and defendant's counsel, the court shall, upon an appropriate showing, order the defendant to appear for the following purposes:

(a) To permit the taking of specimens of blood, urine, saliva, breath, hair, nails, and material under the nails;

(b) To permit the taking of samples of other materials of the body;

(c) To submit to a reasonable physical or medical inspection of the body; or

(d) To participate in other reasonable and appropriate procedures.

III. The motion and order pursuant to paragraph II above shall specify the following information where appropriate: the authorized procedure, the scope of the defendant's participation, the name or job title of the person who is to conduct the procedure, and the time, duration, place, and other conditions under which the procedure is to be conducted.

IV. The court shall issue the order sought pursuant to paragraph III if it finds that:

(a) The appearance of the defendant for the procedure specified may be material to the determination of the issues in the case;

(b) The procedure is reasonable and will be conducted in a manner which does not involve an unreasonable intrusion of the body or an unreasonable affront to the dignity of the individual; and

(c) The request is reasonable.

V. Defense counsel may be present at any of the foregoing procedures except a psychiatric examination, unless otherwise ordered by the court.

603-A:8 Obtaining Nontestimonial Information From Third Parties.

I. Upon motion by either party, if the court finds that there is good cause to believe that the evidence sought may be material to the determination of the issues in the case, the court shall in advance of trial issue compulsory process for the following purposes:

(a) To obtain documents and other tangible objects in the possession of persons not parties to the case.

(b) To allow the entry upon property owned or controlled by persons not parties to the case. Such process shall be issued if the court finds that the party requesting entry has met the standard that the government would be required to meet to obtain access to the property at issue.

(c) To obtain from a third party fingerprints, photographs, handwriting exemplars, or voice exemplars, or to compel a third party to appear, move, or speak for identification in a lineup, to try on clothing or other articles, to permit the taking of specimens of blood, urine, saliva, breath, hair, nails, or other materials of the body, to submit to a reasonable physical or medical inspection of the body, or to participate in other reasonable and appropriate procedures. Such process shall be issued if the court finds that:

(1) The procedure is reasonable and will be conducted in a manner which does not involve an unreasonable intrusion of the body or an unreasonable affront to the dignity of the individual; and

(2) The request is reasonable.

II. The motion and the order shall specify the following information where appropriate:

(a) The authorized procedure;

(b) The scope of participation of the third party;

(c) The name or job title of the person who is to conduct the procedure; and

(d) The time, duration, place and other conditions under which the procedure is to be conducted.

III. A person whose interests would be affected by the compulsory process sought shall have the right and a reasonable opportunity to move to quash the process on the ground that compliance would subject the person to an undue burden, or would require the disclosure of material that is privileged or otherwise protected from disclosure, or would otherwise be unreasonable.

603-A:9 Preservation of Evidence and Testing or Evaluation by Experts.

I. If either party intends to destroy or transfer out of its possession any objects or information otherwise discoverable under this chapter, the party shall give notice to the other party sufficiently in advance to afford that party an opportunity to object or take other appropriate action. This paragraph shall not apply to real property.

II. Upon motion, either party shall be permitted to conduct evaluations or tests of physical evidence in the possession or control of the other party which is subject to disclosure. The motion shall specify the nature of the test or evaluation to be conducted, the names and qualifications of the experts designated to conduct evaluations or tests, and the material upon which such test will be conducted. The court may make such orders as are necessary to make the material to be tested or examined available to the designated expert. The court shall condition its order so as to preserve the integrity of the material to be tested or evaluated. If the material is contraband material or a controlled substance, the entity having custody of the material shall have the right to have a representative present during the testing of the material.

603-A:10 Timely Performance of Disclosure.

I. The court shall specify time limits within which discovery is to be performed. The time limits shall be such that discovery is initiated as early as practicable in the process. The time limit for completion of discovery shall be sufficiently early in the process that each party has sufficient time to use the disclosed information adequately to prepare for trial.

II. The time limits adopted by the court shall provide that, in the general discovery sequence, disclosure is first made by the prosecution to the defense. The defense shall then be required to make its correlative disclosure within a specified time after prosecution disclosure has been made.

III. Each party shall be under a continuing obligation to produce discoverable material to the other side. If, subsequent to compliance with this chapter or orders pursuant thereto, a party discovers additional material or information which is subject to disclosure, the other party shall promptly be notified of the existence of such additional material. If the additional material or information is discovered during or after trial, the court shall also be notified.

603-A:11 Manner of Performing Disclosure. Disclosure may be accomplished in any manner mutually agreeable to the parties. Absent agreement, the party having the burden of production shall:

I. Notify opposing counsel that material and information, described in general terms, may be inspected, obtained, tested, copied, or photographed during specified reasonable times; and

II. Make available to opposing counsel at the time specified such material and information and suitable facilities or other arrangements for inspection, testing, copying, and photographing of such material and information.

603-A:12 Obligation to Obtain Discoverable Material.

I. The obligations of the prosecuting attorney and of the defense attorney under this chapter extend to material and information in the possession or control of members of the attorney's staff and of any others who either regularly report to or, with reference to the particular case, have reported to the attorney's office.

II. The prosecutor shall make reasonable efforts to ensure that material and information relevant to the defendant and the offense charged is provided by investigative personnel to the prosecutor's office.

III. If the prosecution is aware that information which would be discoverable if in the possession of the prosecution is in the possession or control of a government agency not reporting directly to the prosecution, the prosecution shall disclose the fact of the existence of such information to the defense.

IV. Upon a party's request for, and designation of, material or information which would be discoverable if in the possession or control of the other party and which is in the possession or control of others, the party from whom the material is requested shall use diligent good faith efforts to cause such material to be made available to the opposing party. If the party's efforts are unsuccessful and such material or others are subject to the jurisdiction of the court, the court shall issue suitable subpoenas or orders to cause such material to be made available to the party making the request.

V. Upon a showing that items not covered in this chapter are material to the preparation of the case, the court may order disclosure of the specified material or information.

603-A:13 Depositions to Perpetuate Testimony.

I. After an indictment or information upon which a defendant is to be tried is filed, upon motion of the defense or the prosecution, the court may order a deposition taken to perpetuate the testimony of a prospective material witness if the court finds that there is reason to believe that the witness will be unable to be present and to testify at trial because of serious illness or other comparably serious reason, and that it is necessary to take the witness' deposition to prevent a failure of justice. The motion should be verified or the grounds for the motion supported by affidavit.

II. In the order for the deposition, the court may also require that any designated books, papers, documents or tangible objects, not privileged, be produced at the time and place of the deposition.

III. The court shall make provision for the defendant to be present at the taking of the deposition and shall make such other provisions as are necessary to preserve the defendant's right to confrontation of witnesses.

IV. A deposition so taken and any evidentiary material produced at such deposition may be introduced in evidence at trial, subject to applicable rules of evidence. However, no deposition taken under this section shall be used or read in evidence when the deposed witness is available and the opposing party objects, except for the purpose of contradicting or impeaching the testimony of the deponent.

603-A:14 Discovery Depositions.

I. On motion of either the prosecution or the defense, the court may order the taking of a deposition upon oral examination of any person other than the defendant, concerning information relevant to the offense charged, but only upon a showing that:

(a) The name of the person sought to be deposed has been disclosed to the movant by the opposing party through the exchange of names and addresses of witnesses or has been discovered during the movant's investigation of the case;

(b) No writing, summarizing the relevant knowledge of the person sought to be deposed, adequate to prevent surprise at trial, has been furnished to the movant;

(c) The movant has taken reasonable steps to obtain a voluntary oral or written statement from the witness, but the witness has refused to cooperate in giving a voluntary statement; and

(d) The taking of a deposition is necessary in the interests of justice.

II. The defendant may not be present at the deposition unless the court orders otherwise for good cause shown.

III. Unless otherwise stipulated by the parties, a discovery deposition may be admissible at a trial or hearing only for the purpose of contradicting or impeaching the testimony of the deponent as a witness.

IV. A person whose deposition is sought may move to quash on the ground that compliance would subject the person to an undue burden, or would require the disclosure of material that is privileged or otherwise protected from disclosure, or would otherwise be unreasonable.

603-A:15 Restrictions on Disclosure.

I. Disclosure shall not be required of legal research or of records, correspondence, reports, or memoranda to the extent that they contain the opinions, theories, or conclusions of the prosecuting attorney or the defense attorney, or members of the attorney's legal staff.

II. Disclosure of an informant's identity shall not be required where such identity is a prosecution secret and where a failure to disclose will not infringe the constitutional rights of the defendant. Disclosure shall not be denied of the identity of witnesses to be produced at a hearing or trial.

III. Disclosure shall not be required where it involves a substantial risk of grave prejudice to national security and where a failure to disclose will not infringe the constitutional rights of the defendant. Disclosure shall not be denied regarding witnesses or material to be produced at a hearing or trial.

IV. Disclosure shall not be required from the defense of any communications of the defendant, or of any other materials which are protected from disclosure by the state or federal constitutions, statutes, or other law.

V. The court shall have the authority to deny, delay, or otherwise condition disclosure authorized by this chapter if it finds that there is substantial risk to any person of physical harm, intimidation, or bribery resulting from such disclosure which outweighs any usefulness of the disclosure.

603-A:16 Failure of a Party to Use Disclosed Material at Trial. The fact that a party has indicated during the discovery process an intention to offer specified evidence or to call a specified witness is not admissible in evidence at a hearing or trial.

603-A:17 Investigations not to Be Impeded. Neither the counsel for the parties nor other prosecution or defense personnel shall advise persons, other than the defendant, who have relevant material or information to refrain from discussing the case with opposing counsel or showing opposing counsel any relevant material, nor shall they otherwise impede opposing counsel's investigation of the case.

603-A:18 Custody of Materials. Any materials furnished to an attorney pursuant to this chapter shall be used only for the purposes of preparation and trial of the case, unless otherwise authorized by court order.

603-A:19 Protective Orders. Upon a showing of cause, the court may at any time order that specified disclosures be restricted, conditioned upon compliance with protective measures, or deferred, or make such other order as is appropriate, provided that all material and information to which a party is entitled is disclosed in sufficient time to permit counsel to make beneficial use of the disclosure.

603-A:20 Excision. When some parts of material or information are discoverable under this chapter and other parts are not discoverable, the discoverable parts shall be disclosed. The disclosing party shall give notice that nondiscoverable parts have been withheld and the nondiscoverable parts shall be sealed, preserved in the records of the court, and made available to the appellate court in the event of an appeal.

603-A:21 In Camera Proceedings. Upon request of any person, the court may permit any showing of cause for denial or regulation of disclosures, or any portion of such showing, to be made in camera. Upon the entry of an order granting relief following a showing in camera, all confidential portions of the in camera portion of the showing shall be sealed, preserved in the records of the court, and made available to the appellate court in the event of an appeal.

603-A:22 Sanctions.

I. If an applicable discovery rule or an order issued pursuant thereto is not promptly implemented, the court may do one or more of the following:

(a) Order the noncomplying party to permit the discovery of the material and information not previously disclosed;

(b) Grant a continuance;

(c) Prohibit the non-complying party from calling a witness or introducing into evidence the material not disclosed, subject to the defendant's right to present a defense and provided that the exclusion does not work an injustice either to the prosecution or the defense; or

(d) Enter such other order as it deems just under the circumstances.

II. The court may subject counsel to appropriate sanctions, including a finding of contempt, upon a finding that counsel willfully violated a discovery rule or order.

2 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill establishes procedures for discovery in criminal cases.

This bill is a request of the committee established in 1995, 79:1 to examine and recommend the best way to ensure an efficient system of criminal prosecution at the district and superior court level.

Adopted by the necessary two-thirds.

Report adopted by the necessary two-thirds and ordered to third reading.

SPECIAL ORDER

Rep. Trombly moved that **HB 1278**, requiring that certain government contractors make reports to the secretary of state, be made a Special Order for when two-thirds of the members are present.

Adopted by the necessary two-thirds.

REGULAR CALENDAR (Cont'd.)

HB 1303, relative to the rulemaking authority of the commissioner of transportation. OUGHT TO PASS WITH AMENDMENT

Rep. Merton S. Dyer for Executive Departments and Administration: The committee amendment removes references to optional rulemaking for the Commissioner of Transportation. The balance of the amendment removes outdated references to the Department of Transportation and defines ultra-light aircraft as requested by the Joint Legislative Committee on Administrative Rules. This bill was requested by the Department of Transportation in response to a 1994 audit by the office of the Legislative Budget Assistant. Vote 15-0.

Amendment (5120L)

Amend the bill by replacing all after the enacting clause with the following:

1 Written Agreement Requirement Deleted. Amend RSA 228:46-a to read as follows:

228:46-a Planning and Design Costs. The division of public works of the department shall not perform any design and planning work for any non-general fund state agency unless the division is reimbursed for such work by the agency [pursuant to a written agreement].

2 Rulemaking Authority Deleted. Amend RSA 422:14-c, II to read as follows:

II. Grant funds shall be used for administrative support, operation expenses, and maintenance of equipment related to search and rescue and other emergency activities advantageous to the state. [The director shall adopt rules, pursuant to RSA 541-A, relative to the procedures for the administration of grant funds.]

3 Definition of "Aircraft" Revised. Amend RSA 422:3, IV to read as follows:

IV. "Aircraft" means any contrivance now known or hereafter invented, used, or designed for navigation of or flight in the air, except a parachute or other contrivance designed for such navigation but used primarily as safety equipment, ***and for which a federal registration certificate and number have been assigned.***

4 Repeals. The following provisions relative to the rulemaking authority of the commissioner of transportation are repealed:

I.(a) RSA 21-L:12, VIII, relative to application for and approval of excavation permits.

(b) RSA 21-L:12, IX, relative to application for and approval of driveway permits.

(c) RSA 21-L:12, X, relative to construction permits for drive-in theatres.

II.(a) RSA 21-L:12, XVIII, relative to transporting explosives.

(b) RSA 21-L:12, XIX, relative to operating common carriers on public waters.

(c) RSA 21-L:12, XX, relative to regulating common carriers.

III. RSA 21-L:12, XXII, relative to hearings relative to removal or discontinuing use of railroad track.

IV. RSA 21-L:12, XXIV, relative to hearings on railroad operations complaints.

V. RSA 21-L:12, XLV, relative to regulating toll bridges and toll roads.

VI. RSA 158:12, relative to transporting explosives.

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill deletes certain rulemaking authority of the commissioner of transportation, and revises the definition of "aircraft."

Adopted by the necessary two-thirds.

Report adopted by the necessary two-thirds and ordered to third reading.

HB 1050, relative to liability for furnishing alcohol and relative to attorney contingent fees. INEXPEDIENT TO LEGISLATE

Rep. Nick Hart for Judiciary and Family Law: The sponsor of this bill wished to withdraw the bill. The committee was very willing to comply. Vote 13-1.

Adopted by the necessary two-thirds.

HB 1138, relative to the exemption from jury duty of chiropractors. OUGHT TO PASS WITH AMENDMENT

Rep. Robert A. Lockwood for Judiciary and Family Law: The original bill would have exempted chiropractors from jury duty as medical doctors are now. During the public hearing an amendment was offered that would have added dentists to the list. Following discussion of jury composition, and other jury issues, it was decided to authorize the Judicial Council to make a complete study and analysis of jury pools and make recommendations to the House Speaker, Senate President, and the Governor by December 15, 1996. The amendment authorizes the study. Vote 14-0.

Amendment (5040L)

Amend the title of the bill by replacing it with the following:

AN ACT

requesting the judicial council to study issues regarding jury duty.

Amend the bill by replacing all after the enacting clause with the following:

1 Findings and Purpose. The general court finds that there have been a number of bills introduced in recent legislative sessions dealing with the composition and manner of selecting juries and excluding or exempting citizens from jury duty. The testimony heard on these bills suggests that there is need for a comprehensive study of these issues rather than addressing these issues in a piecemeal fashion. Therefore, the general court hereby requests the judicial council to conduct a study of certain aspects of the jury process.

2 Study.

I. The judicial council, established in RSA 494, shall study the current process of selecting and excluding or exempting citizens from serving on juries. The study shall include, but not be limited to the following issues:

(a) The impact of the change in method of jury selection enacted by 1990, 210.

(b) The report of jury selection and uniformity of procedure prepared by the superior court pursuant to 1989, 200.

(c) Relevant information being gathered by the superior court's committee looking at all aspects of jury function.

(d) Issuing surrounding the current manner of excluding or exempting certain persons from jury selection, and ways to improve the same.

(e) A review of the federal judicial selection and exclusion or exemption process.

(f) A review of the current jury selection, exclusion, and exemption process developed by consultation with court personnel, litigants, attorneys, and others familiar with these issues.

(g) A review of practices and procedures in other states as may be applicable.

(h) The current jury compensation schedule in light of part I, article 21 of the New Hampshire constitution and its impact, if any, on the issues relating to jury selection, exclusion and exemption.

(i) Such additional matters of study as the judicial council deems appropriate.

II. The judicial council shall submit its report and any suggested legislation to the speaker of the house, the senate president, the house clerk, the senate clerk, the state library and the governor by December 15, 1996.

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requests the judicial council to study issues relating to the selection and exemption of jurors for jury duty.

Adopted by the necessary two-thirds.

Report adopted by the necessary two-thirds and ordered to third reading.

HB 1212, relative to the powers of trustees under the Uniform Trustees' Powers Act. OUGHT TO PASS WITH AMENDMENT

Rep. David W. Hess for Judiciary and Family Law: This bill deals with the very limited situation where the trustees of a private trust are, in an inherent conflict of interest because they are also beneficiaries of that same trust. It's purpose is to eliminate a "trap for the unwary". It does two things. First, it limits the powers of such trustees to make distributions to themselves except in four (4) specific situations. Second, it addresses a problem created by the IRS and prevents a trust's assets from being taxed as part of the estate of a person who has the limited power to remove or replace certain trustees. Vote 12-0.

Amendment (4946L)

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect July 1, 1996.

Adopted by the necessary two-thirds.

Report adopted by the necessary two-thirds and ordered to third reading.

Rep. Stettenheim declared a conflict of interest and did not participate.

HB 1215, relative to confidential communications between a patient and a physician or surgeon. INEXPEDIENT TO LEGISLATE

Rep. David W. Hess for Judiciary and Family Law: The committee was sympathetic with the purpose of this bill, but felt it was too broad as an invasion of the physician-patient privilege. Efforts to work out an acceptable compromise were thwarted by the deadline to report this bill out. The committee felt a new bill can just as easily be drafted by the interested parties as by referral to interim study. Vote 10-2.

Adopted by the necessary two-thirds.

HB 1247, extending privileged communications to firefighters and emergency medical services unit personnel. INEXPEDIENT TO LEGISLATE

Rep. Margaret D. Hallyburton for Judiciary and Family Law: The sponsor's intentions are laudatory to prevent self-incrimination. However, the overwhelming testimony from the Bureau of Emergency Services, N.H. Fire Chiefs, District Court Prosecutors, N.H. Police Chiefs Association, and a victim of domestic violence (herself an EMT) cautions that the bill would result in the loss of invaluable evidence. Vote 13-1.

Adopted by the necessary two-thirds.

HB 1250, relative to new trials based on new evidence. INEXPEDIENT TO LEGISLATE

Rep. Sandra Balomenos Keans for Judiciary and Family Law: This bill changes the law to require that three superior court judges, rather than one, decide whether a new trial based on new evidence should be granted. The committee feels this is not an efficient use of judicial resources as it would require two additional judges, who are unfamiliar with the case, to review all transcripts and exhibits to decide the question. The current system of having the trial judge decide whether a new trial should be granted, with the right of appeal to the Supreme Court, is working satisfactorily. In addition, the Supreme Court has recently added a three-judge appellate panel to provide for a more comprehensive and efficient review of appeals to the Supreme Court. Vote 13-0.

Adopted by the necessary two-thirds.

HB 1283, allowing jurors to ask questions and take written notes during trials. INEXPEDIENT TO LEGISLATE

Rep. Nick Hart for Judiciary and Family Law: The committee felt requiring Superior Court justices to allow jurors to ask questions and take written notes during trials would create a very chaotic situation and extend trial time. The subject matter of HB 1283 will be studied along with other jury-related issues by the Judicial Council as authorized in HB 1138. Vote 13-0.

Adopted by the necessary two-thirds.

SPECIAL ORDER

Rep. Mirski moved that **HB 1313**, making attorneys subject to the provisions of the consumer protection act, be made a Special Order for when two-thirds of the members are present.

Adopted by the necessary two-thirds.

REGULAR CALENDAR (Cont'd.)

HB 1343, requiring that judgments on past due rent be simultaneous with judgments for eviction. REFER FOR INTERIM STUDY

Rep. David W. Hess for Judiciary and Family Law: There was a consensus that the law of eviction in landlord - tenant relations needs to be streamlined, but the parties who appeared before the committee did not have the opportunity to reach agreement on mutually acceptable statutory language due to time constraints. Vote 14-0.

Adopted by the necessary two-thirds.

HB 1356, relative to the levy of executions on real estate. INEXPEDIENT TO LEGISLATE

Reps. Nick Hart and Margaret D. Hallyburton for Judiciary and Family Law: The bill would resurrect an age-old process of collecting on a judgment. The "process of elegit" was useful in an agrarian society where a creditor obtained a leasehold over a debtor's lands for a period of years. The debtor became tenant of the creditor until the debt was paid. The relevance of such a process in a modern-day economy is scant. Vote 13-0.

Adopted by the necessary two-thirds.

HB 1360, establishing a standing joint legislative committee to review professional conduct complaints against attorneys. INEXPEDIENT TO LEGISLATE

Rep. Nick Hart for Judiciary and Family Law: The committee felt there was no need to create another committee to do exactly what the Professional Conduct Committee is doing right now. The New Hampshire Bar Association Chairperson, Atty. Peter F. Kearns of the New Hampshire Supreme Court Committee on Professional Conduct, and Atty. Frederic K. Upton, Chairman of the New Hampshire Supreme Court Committee on Judicial Conduct opposed the bill. Vote 14-1.

Adopted by the necessary two-thirds.

HB 1361, establishing a standing joint legislative committee to review professional conduct complaints against judges. INEXPEDIENT TO LEGISLATE

Rep. Janet G. Wall for Judiciary and Family Law: The sponsor of this bill requested a standing joint legislative committee. The committee decided that the issue can be addressed under HB 1624-FN which has already passed in the House and will be in interim study. Vote 16-0.

Adopted by the necessary two-thirds.

HB 1390, establishing a study committee on removing the district courts from the authority and control of the administrative office of the courts. INEXPEDIENT TO LEGISLATE

Rep. David W. Hess for Judiciary and Family Law: The committee was given no persuasive reason to support this bill, where there was no testimony that alleged complaints were ever raised with the Administrative Office of the Courts. In addition, the AOC has no authority or control over either the district courts or any other courts. It is only the administrative arm of the Chief Justice. Vote 11-1.

Adopted by the necessary two-thirds.

HB 1409, prohibiting service-connected disability payments or social security disability payments from being garnished for an alimony award. REFER FOR INTERIM STUDY

Rep. Margaret D. Hallyburton for Judiciary and Family Law: The bill brings us in to the complex area of federal preclusion, garnishment, and service-connected disability. The committee felt it needed additional time to work on the bill. Vote 13-0.

Adopted by the necessary two-thirds.

HB 1474, relative to legal name changes by individuals. OUGHT TO PASS WITH AMENDMENT

Rep. Benjamin J. DePecol for Judiciary and Family Law: This bill requires the probate court to allow an individual to change his or her name upon petition, without permission of a spouse or any other person, unless the court finds that such individual has a fraudulent intent. Vote 10-2.

Amendment (5006L)

Amend the bill by replacing section 1 with the following:

1 New Section; Name Changes; Probate Courts. Amend RSA 547 by inserting after section 3-h the following new section:

547:3-i Change of Name. The probate judge shall grant the petition of any person requesting a legal name change, unless the judge finds that such person has a fraudulent intent in requesting the name change. Under no circumstances shall the judge require the petitioner to obtain the permission of such person's spouse or any other person prior to changing a name.

Adopted by the necessary two-thirds.

Report adopted by the necessary two-thirds and ordered to third reading.

HB 1606, relative to child support collection. OUGHT TO PASS WITH AMENDMENT

Rep. David Mittelman for Judiciary and Family Law: This bill as amended makes three relatively minor changes to child support law: 1) it reduces an administrative burden upon the Superior Court system, the Office of Child Support, as well as parents in a privately initiated court action; 2) it ensures that the Office of Child Support will not seek reimbursement of welfare payments made on behalf of a child if the payor (person who owes child support) is also receiving public assistance; and 3) it clarifies an ambiguity within a gender-neutral section of the bill regarding due process notice requirements. Vote 14-0.

Amendment (5096L)

Amend the bill by inserting after section 3 the following and renumbering the original sections 4-18 to read as 6-20, respectively:

4 New Paragraph; Unpaid Child Support Creates a Debt. Amend RSA 161-C:4 by inserting after paragraph II the following new paragraph:

III. Any child support payments pursuant to a legal order of support which remain unpaid create a debt due and owing by the responsible parent in an amount equal to the amount of unpaid support.

5 Unpaid Child Support; Limitation of Debt. RSA 161-C:5, I(a) is repealed and reenacted to read as follows:

I(a). An order of support, for which there is in effect an assignment to the department of health and human services pursuant to RSA 161-C:22, shall be suspended and shall not accrue, and no public assistance debt shall be incurred, during such time as the responsible parent receives benefits pursuant to Title XVI of the Social Security Act under the supplemental security income program or public assistance pursuant to RSA 167 under any of the following programs:

(1) Aid to the permanently and totally disabled.

(2) Aid to the needy blind.

(3) Aid to families with dependent children.

(4) Old age assistance.

(b) A debt previously incurred under RSA 161-C:4 shall not be collected from any responsible parent while that parent receives public assistance through any of the programs listed in RSA 161-C:5, I(a).

(c) The department shall not enforce any order of support against the responsible parent while that parent receives public assistance through any of the programs listed in RSA 161-C:5, I(a), whether or not an assignment of support rights to the department exists.

Amend the bill by replacing section 6 with the following:

6 Notice of Proceeding to Responsible Parent. Amend RSA 161-C:5-a to read as follows:

161-C:5-a Posting Security Bonds.

I. Any responsible parent who has accumulated an arrearage, pursuant to a legal order for support, in an amount equal to the support obligation for one month, may be required, ***if deemed appropriate*** by the director or a member of the judiciary, [where he deems appropriate,] to post a bond or security or to give some other guarantee to secure payment of the unpaid child support. When the posting of a bond is required by a member of the judiciary, [due process procedures are deemed to have been met] ***the responsible parent shall be given proper notice of the proceeding***.

II. The director of the division of human services, department of health and human services, shall provide prior notice to the [obligor] ***responsible parent*** of the requirement for posting a bond or other security. Such notice shall provide information to the [obligor] ***responsible parent*** regarding procedures by which [he] ***the responsible parent*** may contest the division's action.

Amend RSA 161-C:6, II as inserted by section 7 of the bill by replacing it with the following:

II. Upon application for services by an obligee under the terms of [RSA 161-C:4, II] ***RSA 161-C:4, III***, together with such fees, if any, as have been established by the commissioner, the department is authorized to prosecute or maintain any support action or execute any administrative remedy existing under the laws of this state, including, but not limited to, all remedies provided under this chapter.

Amend the bill by inserting after section 12 the following and renumbering the original sections 13-20 to read as 14-21, respectively:

13 Proceedings Concerning Child Support; Procedures. RSA 168-A:4, II is repealed and reenacted to read as follows:

II. In any proceeding concerning the support of children:

(a) The parties shall certify in the initial pleading filed with the court whether or not public assistance is or was paid for the benefit of the children pursuant to RSA 167 and whether or not medical assistance is being provided for the benefit of the children pursuant to RSA 167. If public assistance is or was being provided or if medical assistance is being provided, the initiating party shall provide the department of health and human services, office of child support enforcement services, with copies of any and all pleadings related to medical and child support.

(b) If, during the pendency of the action, the children become the beneficiaries of public or medical assistance, both parties shall notify the court of the public or medical assistance status of the children and shall provide the department of health and human services with copies of all pleadings related to medical and child support.

(c) When notified that public or medical assistance is being provided for the benefit of the children, the court shall provide the office of child support with a copy of any hearing notice pertaining to any medical or child support proceeding.

(d) The department shall be granted leave to reopen any case to modify, clarify, or vacate any order that was entered against its interest when an assignment of rights pursuant to RSA 161 or RSA 167 is or was in effect and the department was not given notice of the proceeding.

Amend the bill by replacing sections 16 and 17 with the following:

16 Proceedings Concerning Child Support; Procedures. RSA 458:17, XI is repealed and reenacted to read as follows:

XI. In any proceeding concerning the support of children:

(a) The parties shall certify in the initial pleading filed with the court whether or not public assistance is or was paid for the benefit of the children pursuant to RSA 167 and whether or not medical assistance is being provided for the benefit of the children pursuant to RSA 167. If public assistance is or was being provided or if medical assistance is being provided, the initiating party shall provide the department of health and human services, office of child support enforcement services, with copies of any and all pleadings related to medical and child support.

(b) If, during the pendency of the action, the children become the beneficiaries of public or medical assistance, both parties shall notify the court of the public or medical assistance status of the children and shall provide the department of health and human services with copies of all pleadings related to medical and child support.

(c) When notified that public or medical assistance is being provided for the benefit of the children, the court shall provide the office of child support with a copy of any hearing notice pertaining to any medical or child support proceeding.

(d) The department shall be granted leave to reopen any case to modify, clarify, or vacate any order that was entered against its interest when an assignment of rights pursuant to RSA 161 or RSA 167 is or was in effect and the department was not given notice of the proceeding.

17 New Paragraph; Conditions Under Which Order of Support Suspended. Amend RSA 458:17 by inserting after paragraph XIII the following new paragraph:

XIV(a). An order of support, for which there is in effect an assignment to the department of health and human services pursuant to RSA 161-C:22, shall be suspended and shall not accrue, and no public assistance debt shall be incurred, during such time as the responsible parent receives benefits pursuant to Title XVI of the Social Security Act under the supplemental security income program or public assistance pursuant to RSA 167 under any of the following programs:

(1) Aid to the permanently and totally disabled.

(2) Aid to the needy blind.

(3) Aid to families with dependent children.

(4) Old age assistance.

(b) The department shall not enforce any order of support against the responsible parent while that parent receives public assistance through any of the programs listed in RSA 458:17 XIV(a), whether or not an assignment of support rights to the department exists.

Amend the bill by replacing sections 20 and 21 with the following:

20 Repeal. RSA 458:17, XIII, relative to the parties' obligation to certify certain information regarding AFDC receipts and notice to the division of human services, is repealed.

21 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

Sections 4-6, 7, 13, and 16-17 of this bill revise certain requirements for the court and the department of health and human services in proceedings concerning child support. It also provides that an order shall be suspended if the obligor receives public assistance under certain programs.

The remainder of this bill amends certain RSA provisions making them gender neutral and consistent with other sections amended by the bill in accordance with RSA 17-A:6 relative to gender neutral drafting.

This bill was requested by the office of child support enforcement, department of health and human services.

Adopted by the necessary two-thirds.

Report adopted by the necessary two-thirds and ordered to third reading.

SPECIAL ORDER

Rep. John Chandler moved that **HJR 23**, urging the attorney general to file suit against 4 federal judges for their misconduct in deciding cases where Henry H. Amsden was the plaintiff and declaring that the state of New Hampshire rejects the actions of these judges, be made a Special Order for when two-thirds of the members are present.

Adopted by the necessary two-thirds.

MOTION TO SPECIAL ORDER

Rep. Hemon moved that **HR 51**, urging that impeachment proceedings be instituted against certain judges, be made a Special Order for Wednesday, March 13, 1996 and spoke in favor.

The motion failed.

SPECIAL ORDER

Rep. McCann moved that **HR 51**, urging that impeachment proceedings be instituted against certain judges, be made a Special Order for when two-thirds of the members are present.

Adopted by the necessary two-thirds.

REGULAR CALENDAR (Cont'd.)

HB 1375, relative to penalties under the workers' compensation law. OUGHT TO PASS WITH AMENDMENT

Rep. Franklin C. Bishop for Labor, Industrial and Rehabilitative Services: This bill imposes a civil penalty on any insurance carrier or payor acting on behalf of such insurance carrier or self-insuror which fails to either pay a medical bill or deny such bill. Vote 12-0.

Amendment (4920L)

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Civil Penalty for Failure to Pay Medical Bills. Amend RSA 281-A:23, V by inserting after subparagraph (d) the following new subparagraph:

(e) The commissioner may assess a civil penalty of up to $2,500 on any insurance carrier, self-insurer, or payor acting on behalf of such insurance carrier or self-insurer, which without sufficient cause, as determined by the commissioner, fails, within 30 days after receipt of a medical bill:

(1) To make payment of such medical bill pursuant to this section; or

(2) To deny such payment, notifying the health care provider, employee, and labor department of such denial. This denial shall give a valid reason for the denial and shall advise the claimant of the right to petition the commissioner for a hearing.

2 Reference Added. Amend RSA 281-A:59, IV to read as follows:

IV. The civil penalties collected under RSA 281-A:7, ***23, 24,*** 42, ***43*** and 53 shall be forwarded to the state treasurer and deposited in the general fund.

3 Penalties. Amend RSA 281-A:7, II to read as follows:

II. In addition to the assessment of civil penalties, the commissioner may also proceed in the superior court to restrain and prohibit an employer subject to this chapter from conducting business in this state for so long as the employer fails to comply with the provisions of RSA 281-A:5 ***or any other provision of this chapter or for failure to comply with orders issued by the department under this chapter***. If the commissioner seeks a temporary injunction pending a hearing on the merits, the superior court shall issue such an injunction ex parte upon prima facie evidence offered in support of the petition.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill imposes a civil penalty on any insurance carrier, self-insurer, or payor acting on behalf of such insurance carrier or self-insurer which fails to either pay a medical bill or deny such bill.

Adopted by the necessary two-thirds.

Report adopted by the necessary two-thirds and ordered to third reading.

HB 1153-FN, requiring legislative documents and administrative rules to be deposited with the state library in an electronic format. INEXPEDIENT TO LEGISLATE

Rep. Pamela B. Bean for Legislative Administration: Since the sponsors did not appear for the hearing and this matter will be addressed in HB 1110 out of Executive Departments and Administration, the committee felt that this bill is not needed. Vote 11-0.

Adopted by the necessary two-thirds.

HB 1484, establishing a joint committee on mandates. REFER FOR INTERIM STUDY

Rep. David M. Scanlan for Legislative Administration: This bill would establish a joint committee on unfunded mandates, and the method by which legislative committees deal with unfunded mandate issues. The sponsors requested this bill be sent to Interim Study for further work and the committee agreed. Vote 11-0.

Adopted by the necessary two-thirds.

HB 1533, relative to proposed administrative rules. INEXPEDIENT TO LEGISLATE

Rep. Pamela B. Bean for Legislative Administration: Since the sponsors did not appear to testify on their bill and all of the testimony was negative, the committee voted Inexpedient To Legislate. Vote 11-0.

Adopted by the necessary two-thirds.

PERSONAL PRIVILEGE

Rep. Gorman addressed the House.

Rep. Mirski moved that the remarks of Rep. Gorman be printed in the Journal.

Adopted.

Rep. Gorman: Thank you Mr. Speaker. Being the only Libertarian in the House, I have on many occasions said that I have a unique position in that I can throw rocks at anybody and everybody and not have to worry about it too much. Today, I have come here to say some rather serious things and they center on yesterday. In the old days, we used to have some wonderful debates in here; I mean great oratory. That was done usually because the two sides got together and organized their floor fights. They took their two best speakers or possibly their three best speakers and we heard the pro and the con and it was great oratory. It would put goose bumps down your spine because the best of the best came here and fought on this floor. There wasn't all of these roll calls and roll calls and quorums and this and that and the other thing. When you called for a roll call in the '70's, they put a book up there and started with the A's and worked their way through the Z's. Now, it is being used as a harassment tactic. I would like this House

to think about what they did yesterday to the Finance Committee who are struggling with deficits who go down the stairs and up the stairs and down the stairs and up the stairs and how can they get any work done down there or any work done up here? I would like to take a moment to talk about the Clerk. If you have an organized floor fight with two people on either side, go to the Clerk the day before and say "me and Jones are going to speak for, Harry and Louis are going to speak against and if the motion fails then my substitute motion will be.... So and so will ask the parliamentary question here and such and such will ask the parliamentary question there", so that when the Clerks are standing here they aren't besieged by 20 or 30 people. Now, there will be times when you want to speak or something is said that you just have to get out of your chair and make a comment. There is no reason why you can't write a little note and hand it to Terry. Terry can pass the note to the Clerk, you'll get your chance. How can you come down here and jump all over the Clerks and expect them to keep track of what is going on? On the other hand, if it is a matter ignorance and you haven't heard that before and nobody explained that before, than I am here to do it. On the other hand if your intention is to be a wrecking ball in this Chamber for the sake of being a wrecking ball in this Chamber, then I have news for those individuals. You will find yourself very, very alone. Last of all, I would like to say something about leadership. Yesterday was pretty obvious that the Democrats were in a fine position and fighting for what they believed in and chaos was reigning down here due to some legitimate mistakes. The Democratic leadership could have pushed that to its utmost advantage. They chose to go up and settle it in the Speaker's office. Ann Torr could have just said to the Speaker, "We took a vote on it. Push the button, lock it in and tell them to go to hell. If they weren't paying attention, that's their fault". She elected to go to the Speaker's office to resolve this. That is leadership in my opinion. But, most of all, Mr. Speaker, I would like to direct my remarks to you. The Speaker had no obligation, no duty to call for another vote under any circumstances. He was bending over backwards to give everybody in this Chamber the fairest shot at it that he could possibly could do. As a result, he got himself into a bit of a mess. Well, I say that we have some great leadership here. The Democratic party showed it yesterday. The Republican party showed it yesterday. The Speaker showed it yesterday. I just hope that we can better organized on our floor fights, work with the Clerk's office and see if we can't move this thing along. We have a duty to the people of this State of New Hampshire. Thank you.

The speaker declared that two-thirds of the elected members were present.

(Rep. Cole in the Chair)

SPECIAL ORDERS

HB 1114, requiring private employers to provide employees who are terminated a written reason for the termination. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Wanda G. McNamara for the Majority of Labor, Industrial and Rehabilitative Services: New Hampshire has always been an employment-at-will state, which is beneficial for the state, as it is attractive to employers. This bill would destroy employment-at-will status. In addition, the passage of this bill may hurt the very people it was intended to help, as they may be required by subsequent prospective employers to divulge the reason for termination or departure from previous employment. Vote 10-8.

Rep. Edgar H. Mears for the Minority of Labor, Industrial and Rehabilitative Services: Employees in New Hampshire can currently be terminated from their jobs without being given any reason. The only protections they have are those provided by federal antidiscrimination laws, collective bargaining agreements, and the state's whistle-blower law. This bill will not remove New Hampshire's employment-at-will status, but it would allow terminated employees to understand the reason for their termination.

Rep. Cloutier spoke against and yielded to questions.

Rep. McNamara spoke in favor.

Rep. Hawkins spoke in favor and yielded to questions.

Rep. Cloutier requested a roll call; sufficiently seconded. The question being the adoption of the report.

HB 1349, relative to incarcerated convicted felons receiving workers' compensation payments. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Paul E. St. Hilaire for the Majority of Labor, Industrial and Rehabilitative Services: The majority of the committee felt that existing statutes, RSA 281-A:47 and RSA 281-A:48, allow the insurance carrier sufficient means to reduce or eliminate the workers' compensation indemnity benefits that this bill seeks. Vote 9-6.

Reps. Gary R. Francoeur, Gary L. Daniels and Robert E. Clegg, Jr. for the Minority of Labor, Industrial and Rehabilitative Services: The minority of the committee believes that convicted individuals should not be entitled to wages under workers' compensation while incarcerated. Many other states currently disallow benefits during incarceration (ME, RI, MA, CO, MO, MT, OR, VA, etc.).

HCR 23, urging the governor and general court to take action to bring about property tax relief. MAJORITY: REFER FOR INTERIM STUDY. MINORITY: OUGHT TO PASS.

Rep. David M. Scanlan for the Majority of Legislative Administration: After a tie vote on the motion of Ought To Pass, the majority of the committee recommended to send this issue to Interim Study. While high property taxes are a concern for all legislators, the issue is a lot more complex than the language stated in the text of this bill. Vote 9-3.

Reps. William H. McCann Jr., Raymond Buckley and Amanda A. Merrill for the Minority of Legislative Administration: The original vote on HCR 23 was Ought To Pass with a vote of 6-6. The minority strongly believes that this Legislature should go on record as recognizing the problem of property tax burdens. While there may be many methods of providing property tax relief and we may not all agree on the method, the Legislature should go on record as trying to solve the problem.

Rep. Burnham spoke against.

Rep. Jacobson spoke against and yielded to questions.

Rep. Scanlan spoke in favor.

HB 1291, relative to penalties for vandalism. OUGHT TO PASS WITH AMENDMENT

Rep. Vivian R. Clark for Corrections and Criminal Justice: Testimony on this bill, which was intended to increase penalties for vandalism, brought to light the lack of a cross-reference between the juvenile and adult statutes. The amendment corrects that problem, places primary responsibility on the offender rather than on parents, requires a written apology or statement, and makes malicious damage of property that has historical, cultural, or sentimental value a class B felony. Vote 15-0.

Amendment (4858L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to vandalism and criminal mischief.

Amend the bill by replacing all after the enacting clause with the following:

1 Vandalism Definition Revised; Reference Added. RSA 169-B:45 is repealed and reenacted to read as follows:

169-B:45 Vandalism by Minors.

I. For purposes of this section, "vandalism" has the same meaning as "criminal mischief" in RSA 634:2.

II. The court shall order any child who is found to have committed vandalism of private property to write a formal apology to the victim or victims of such vandalism.

III. The court shall order any child who is found to have committed vandalism of public property to write a report on the history and significance of that property to the community or on another topic, as determined by the court.

IV. The court shall also order, when appropriate, any child who is found to have committed vandalism to contribute to the restoration of the property or to the restitution to the victim or victims of such vandalism by payment in money, by property repairs, by service to the injured party, or by service to the community.

V. Notwithstanding any other provision of this chapter, the court may order the parent or legal guardian of any child found to have committed vandalism, to submit restitution to the victim or victims of such vandalism by payment in money if the child is in the custody of and residing with such parent or guardian, and if the court finds that the parent or legal guardian has neglected to exercise reasonable supervision and control of the child's conduct. For the purposes of this section, liability for compensation shall be limited to $10,000.

VI. If the person violates the court's order to submit restitution under this section, such person shall be guilty of contempt.

VII. The court may permit payments under this section to be made in installments, up to 7 years, to be administered by the court.

2 Criminal Mischief Definition Revised. Amend RSA 634:2, I, II and II-a to read as follows:

I. A person is guilty of criminal mischief [when] ***who***, having no right to do so nor any reasonable basis [to believe that he has] ***for belief of having*** such a right, [he] purposely or recklessly damages property of another.

II. Criminal mischief is a class B felony if the actor purposely causes or attempts to cause:

(a) Pecuniary loss in excess of $1,000; or

(b) A substantial interruption or impairment of public communication, transportation, supply of water, gas or power or other public service; or

(c) Discharge of a firearm at an occupied structure, as defined in RSA 600:1, III[.]***; or***

(d) Damage to private or public property, real or personal, when the actor knows that the property has historical, cultural, or sentimental value that cannot be restored by repair or replacement.

II-a. Criminal mischief is a class A misdemeanor if the actor purposely causes or attempts to cause pecuniary loss in excess of $100 and not more than $1,000.

3 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill redefines "vandalism" and requires the court to order any minor who is found to have committed vandalism to private property to write a formal apology. It also requires the court to order any minor who is found to have committed vandalism to public property to write a report on the history and significance of that property to the community or on another topic.

This bill allows the court to order minors who have committed vandalism to contribute to the restoration of the property. Current law also allows the court to order restitution payments, service to the injured party, or community service.

Adopted.

Rep. Mirski offered a floor amendment.

Floor Amendment (5214L)

Amend the bill by replacing the section heading of section 1 with the following:

1 Vandalism Definition Revised; Order for the Administration of Corporal Punishment Permitted; Reference Added. RSA 169-B:45 is repealed and reenacted to read as follows:

Amend RSA 169-B:45, IV as inserted by section 1 of the bill by replacing it with the following:

IV. The court shall also order, when appropriate, any child who is found to have committed vandalism to contribute to the restoration of the property or to the restitution to the victim or victims of such vandalism by payment in money, by property repairs, by service to the injured party, or by service to the community. In addition to any other penalty, the court may order the administration of corporal punishment.

Report adopted and ordered to third reading.

HB 1278, requiring that certain government contractors make reports to the secretary of state. INEXPEDIENT TO LEGISLATE

Rep. Mary E. Brown for Executive Departments and Administration: This bill would require every person awarded a sole source contract of $5,000 or more (in the aggregate during a calendar year) to file a report with the Secretary of State disclosing an itemized list of contributions made to a political committee, party or candidate for federal, state, county or municipal office. There is no minimum limit on the amount of the contribution and the requirement extends beyond the contract recipient to include any principal associated with the contractor including a subcontractor, consultant, spouse or political committee. It also specifies filing no later than 15 days after signing the contract. The committee felt this bill would be too cumbersome to implement and found no evidence that this type of reporting was warranted. Vote 14-1.

Rep. Trombly spoke against.

Rep. Robert Dodge spoke in favor.

Adopted.

SUSPENSION OF RULES

Reps. Ann Torr and Trombly moved that the Joint Rule 10 (a) (2) be so far suspended as to permit the deadline of March 7, 1996 to be extended to March 13, 1996.

Adopted by the necessary two-thirds.

SUSPENSION OF RULES

Rep. Channing Brown moved that the Rules be so far suspended as to permit hearings without the required notice on **HB 1154**, establishing kindergarten planning assistance and maintenance aid programs, and making an appropriation therefor, **HB 1633**, relative to solid waste management, and **HR 62**, instructing the house finance committee to study alternatives to the use of municipal property taxes to fund public primary and secondary education.

Rep. Channing Brown spoke in favor.

Adopted by the necessary two-thirds.

SPECIAL ORDERS

Without objection the Speaker made the bills remaining on the day's Calendar, Special Orders for Wednesday, March 13, 1996 at 10:00 a.m.

SPECIAL ORDER

Rep. John Chandler moved that the previously special ordered **HJR 23**, urging the attorney general to file suit against 4 federal judges for their misconduct in deciding cases where Henry H. Amsden was the plaintiff and declaring that the state of New Hampshire rejects the actions of these judges, be made a Special Order for Wednesday, March 13, 1996 at 1:00 p.m., and spoke in favor.

Adopted.

ENROLLED BILLS REPORT

HOUSE JOURNAL No. 14

Wednesday, March 13, 1996

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of love and bringer of peace, what language shall we borrow to speak to You of our fragile hopes and dreams for one another and this good earth? Can words ever express what we feel and fear about the world in which we live? Through our tentative efforts to embody Your will and Your compassion speak a word of peace to calm our hearts, speak a word of strength to inspire our work and help us to live by that inner fountain of wisdom which is Your gift to all people. By the light of that wisdom may we serve well and boldly the people of New Hampshire. Amen.

Rep. Keans led the Pledge of Allegiance.

MOTION TO SPECIAL ORDER

Rep. Langer moved that **HB 1232**, repealing the law that requires all government business to be conducted in English, be made a Special Order as the first report on today's Calendar and spoke in favor.

Rep. Stettenheim spoke in favor.

Adopted.

SPECIAL ORDERS

HB 1232, repealing the law that requires all government business to be conducted in English. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Ray F. Langer for the Majority of Executive Departments and Administration: The majority of the committee believed that the action of the legislature in 1995 reinstated the feeling that the official language in New Hampshire shall be English. Inasmuch as the law, as it exists today, was approved last year in a format recommended by a Committee of Conference, the committee felt that it should not be amended or rescinded. Vote 9-7.

Rep. Sandy B. Stettenheim for the Minority of Executive Departments and Administration: The present statute is offensive and embarrassing to the many citizens who spoke at the public hearing in favor of repealing the law which names English as the official language. Everyone recognizes that English is our common language; therefore, there is no need to create such bureaucratic chaos. We are the only New England state which has succumbed to the lobbying

efforts of the Washington, D.C. based US ENGLISH. Two of the three people who spoke at the public hearing in favor of retaining the new law (RSA 3:C) emphasized the potential expense to the state if it were repealed. To address that concern, our proposed amendment enables the Executive Branch to recover costs for translations.

Rep. Stettenheim spoke against.

Reps. Langer, Arnold and Wasson spoke in favor and yielded to questions.

Reps. Scott and Guay spoke against and yielded to questions.

Reps. Cooper and MacNeil spoke in favor.

Rep. Cooper requested a roll call; sufficiently seconded. The question being the adoption of the report.

HB 1513, relative to filings and records held by the secretary of state. OUGHT TO PASS WITH AMENDMENT

Rep. Thomas I. Arnold, Jr. for Constitutional and Statutory Revision: This multifaceted bill will have a significant positive impact on New Hampshire state revenues and New Hampshire investors. It will enable the New Hampshire investment community while providing substantial protection against abuse. It will also facilitate the University of New Hampshire's enhancement of their computer matching service for entrepreneurs and "angel" investors. Vote 12-1.

Amendment (5046L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to filings and records held by the secretary of state
and relative to securities regulation.

Amend the bill by replacing all after section 5 with the following:

6 New Paragraph; Advertisement. Amend RSA 421-B:2 by inserting after paragraph I the following new paragraph:

I-a. "Advertisement" shall include any notice, circular, letter, or other written communication given to more than one person, or any notice or other announcement in any publication or verbal communication by radio, television, or other electronic media, which offers:

(a) Any analysis, report, or publication concerning securities or which is to be used in making any determination as when to buy or sell securities; or

(b) Any graph, chart, formula, or other device to be used in making any determination concerning when to buy or sell any security, or which security to buy or sell.

7 Filing of Forms. Amend RSA 421-B:2, II(d) and (e) to read as follows:

[(e)]*(d)* Effecting transactions in securities registered by notification under RSA 421-B:12 if no commission or other remuneration is paid or given directly or indirectly for soliciting any person in this state[.]*; or*

[(d)]*(e)* Effecting other transactions, if such individual is an officer or director of the issuer, no commission or other remuneration is paid or given directly or indirectly for soliciting any person in this state, and upon application, such individual is specifically authorized by name in an order issued by the secretary of state[; or]. ***A Form U-4 as prepared by the National Association of Securities Dealers and the Securities and Exchange Commission shall be filed and authorization obtained from the secretary of state before any offers are made.***

8 Designated Matching Service. Amend RSA 421-B:2, III(c)-(e) to read as follows:

(c) A bank, savings institution or trust company; [or]

(d) A person who has no place of business in this state if he effects transactions in this state exclusively with or through:

(1) The issuers of the securities involved in the transactions,

(2) Other broker-dealers, or

(3) Banks, savings institutions, trust companies, insurance companies, investment companies as defined in the Investment Company Act of 1940, pension or profit sharing trusts, or other financial institutions or institutional buyers, or to broker-dealers, whether the purchaser is acting for itself or in some fiduciary capacity; [or]

(e) A designated matching service; or

[(e)]*(f)* Other persons not within the intent of this paragraph whom the secretary of state by rule or order designates.

9 New Paragraph; Branch Office. Amend RSA 421-B:2 by inserting after paragraph IV the following new paragraph:

IV-a. "Branch office" means any office to which a broker-dealer directly or indirectly contributes to a substantial portion of the operating expenses and which is utilized by any person associated with the broker-dealer who is engaged in the investment banking or securities business, whether it be a commercial office space or residence, or an office for which the broker-dealer authorizes a listing in any publication or any other media, including a professional dealer's digest or a telephone directory, which listing designates a place as an office or if the broker-dealer designates any such place with any organization as an office.

10 New Paragraphs; Designated Matching Service; Designated Matching Service Facility. Amend RSA 421-B:2 by inserting after paragraph V the following new paragraphs:

V-a. "Designated matching service" means a matching service designated by rule or order by the secretary of state under this section in accordance with RSA 421-B:17, II(s)(3).

V-b. "Designated matching service facility" means an Internet location or computer system operated, or a seminar or meeting conducted, by a designated matching service in accordance with RSA 421-B:17, II(s)(3).

11 New Paragraph; Investment Advisory Contract. Amend RSA 421-B:2 by inserting after paragraph IX the following new paragraph:

IX-a. "Investment advisory contract" means any contract or agreement whereby a person agrees to act as an investment adviser or to manage any investment or trading account for a person other than an investment adviser as defined in RSA 421-B:2, IX.

12 New Paragraph; Investor Member. Amend RSA 421-B:2 by inserting after paragraph XII the following new paragraph:

XII-a. "Investor member" means an investor who has been properly qualified by and uses a designated matching service. Any of the following investors are properly qualified: any institutional buyer as described in RSA 421-B:17, II(g), any venture capital company as described in RSA 421-B:17, II(g), any accredited investor as defined in Regulation D, 230.501 of the Securities and Exchange Act of 1933; or any individual investor who certifies that such investor possesses sufficient knowledge and experience in business and financial matters so as to be capable of evaluating the merits and the risks of prospective investments.

13 Issuer-Dealer. Amend RSA 421-B;2, XIII-a to read as follows:

XIII-a. "Issuer-dealer" means any person or a corporation having its principal office in this state, and issuing its own securities for sale directly to the [general public] ***any person who is not a general partner, executive officer, or director of the issuer.***

14 New Paragraphs; Issuer-Dealer Agent; Issuer Member. Amend RSA 421-B:2 by inserting after paragraph XIII-a the following new paragraphs:

XIII-b. "Issuer-dealer agent" means any person soliciting sales of securities for an issuer-dealer licensed in accordance with this chapter, and who is subject to the rules adopted under this chapter.

XIII-c. "Issuer-member" means an issuer who uses a designated matching service facility in accordance with RSA 421-B:17, II(s)(3).

15 Licensing Requirements; Issue-Dealer Agent. Amend RSA 421-B:6, I to read as follows:

I. It is unlawful for any person to transact business in this state as a broker-dealer, issuer-dealer, ***issuer-dealer agent,*** investment adviser, or agent unless [he] ***such person*** is licensed under this chapter.

16 New Paragraphs; Broker Dealers. Amend RSA 421-B:6 by inserting after paragraph IV the following new paragraphs:

V. Prior to opening a branch office, a broker-dealer shall notify the secretary of state of the location of the branch office, telephone number, name of the individual supervising the office, and any other pertinent information required by the secretary of state.

VI. The following sales of securities shall not constitute acts requiring licensure as a broker-dealer, issuer-dealer, or issuer-dealer agent:

(a) Sales of securities made pursuant to qualified pension plans, qualified profit-sharing plans, and dividend reinvestment plans.

(b) Sales of securities of a corporation to its officers, its directors, and sales made pursuant to RSA 421-B:17, I(h).

(c) Sales or distributions of securities to majority owned subsidiaries.

VII. The following sales of securities shall not constitute acts requiring licensure as an issuer-dealer: RSA 421-B:17, I(a); (b); (f)(1)(i); (h); (i); (j); (k); and II(a); (b); (c); (d); (e); (f); (g); (j); (k); (l); (m); (n); (o); (p)(1); and (q).

17 New Paragraph; Registration of Mutual Funds. Amend RSA 421-B:15 by inserting after paragraph XIII the following new paragraph:

XIV. All mutual funds doing business in this state offering multiple classes of shares shall register each class individually, and pay the fee set forth in RSA 421-B:31, I(e). All mutual funds doing business in this state offering securities through a combined prospectus shall register each portfolio and each class thereof contained in the combined prospectus and pay the fees set forth in RSA 421-B:31, I, unless it can be shown that such securities are specifically exempted from registration under this chapter.

18 Exemption From Registration; Chicago Board Options Exchange. Amend RSA 421-B:17, I(f)(1)(i) and (ii) to read as follows:

(i) The New York Stock Exchange, the American Stock Exchange, ***the Chicago Board Options Exchange,*** or the National Association of Securities Dealers Automated Quotation Market System.

(ii) The Boston Stock Exchange[, the Chicago Board Options Exchange] or the securities designated by the board of governors of the Federal Reserve System as "O.T.C. Margin Stocks," if quotations have become available and public trading has taken place for such class of security prior to the offer or sale of that security in reliance upon this exemption.

19 Modification of Exemption. Amend RSA 421-B:17, I(h) to read as follows:

(h) Any interest in any employee's savings, stock purchase, pension, profit sharing or similar benefit plan, ***including, but not limited to a plan that provides for direct purchases of the employer's securities and options by employees*** or a self-employed person's retirement plan ***so long as the issuer's board of directors has approved the plan and its primary purpose is to benefit employees rather than to raise capital***;

20 Exempt Transactions. Amend RSA 421-B:17, II(a) and the introductory paragraph of II(b) to read as follows:

(a) Any isolated sales, whether or not effected through a broker-dealer, provided that no person shall make more than 5 sales, in total, of securities of the same issuer, in all jurisdictions combined, [pursuant to this exemption] ***other than those designed in RSA 421-B:17, I(h), II(g), II(l) and II(p)(1),*** during any period of 12 consecutive months; provided further that in the case of sales by an issuer, except sales of securities registered under the Securities Act of 1933 or exempted by section 3(b) of that act, the seller reasonably believes that all buyers are purchasing for investment.

(b) Any non-issuer distribution of an outstanding security, ***other than common stock,*** rated in the top 3 categories of Moody's, Fitch's, or Standard & Poor's Securities Manuals if:

21 Exemption of Certain Venture Capital Transactions. Amend RSA 421-B:17, II(g) to read as follows:

(g) Any offer or sale to a bank savings institution, trust company, insurance company, investment company as defined in the Investment Company Act of 1940, pension or profit sharing trust, ***a venture capital company which operates a small business investment company under the Small Business Investment Act of 1958, as amended,*** or other financial institution or institutional buyer, or to a broker-dealer, whether the purchaser is acting for itself or in some fiduciary capacity.

22 Information to be Filed With Secretary of State. Amend RSA 421-B:17, II(h)(3)(vi) and (vii) to read as follows:

(vi) A description of all sales of securities made by the issuer within the 12- month period next preceding the date of filing; [and]

(vii) A copy of the [investment letter] ***complete investment package***, if any, intended to be used in connection with any sale. ***This package shall include, if available, the investor letter, private placement memorandum, investor questionnaire, and subscription agreement;***

(viii) If the issuer has been in operation for at least one year, a copy of financial statements which are for no more than 90 days. Such financial statements shall be audited or certified and attested by the person responsible for preparing them;

(ix) A Form U-4 as prepared by the National Association of Securities Dealers and the Securities and Exchange Commission for each officer or director who will be selling securities in New Hampshire, if no broker-dealer will be used to sell in the state;

(x) The New Hampshire legend, pursuant to RSA 421-B:20;

(xi) Uniform consent to service of process on Form U-20; and

(xii) If a corporation, Corporate Resolution on Form U-2a.

23 New Subparagraph; Designated Matching Services. Amend RSA 421-B:17, II by inserting after subparagraph (r) the following new subparagraph:

(s)(1) The use of a designated matching service facility by an issuer member shall not constitute an offer to purchase or sell within the meaning of RSA 421-B:2, XIX.

(2) A person may apply to the secretary of state to be a designated matching service by filing an application for designation as matching service, as defined by the secretary of state. No designation will be made unless the applicant demonstrates that it:

(i) Owns or will own, operates or will operate, sponsors or will sponsor, or conducts or will conduct a matching service facility limited to providing investor members with the investor packages and identities of issuer members;

(ii) Enforces the requirement that each issuer member file with the secretary of state all materials which will be presented to investors on forms acceptable to the secretary of state at least 10 days prior to publication or distribution by the designated matching service;

(iii) Enforces the requirements that each issuer-member, at least 10 days prior to publication or distribution of investor materials, pay the fee set forth in RSA 421-B:31 corresponding to the registration or exemption pursuant to which the issuer intends to sell securities;

(iv) Will not be involved in any manner in the sale, offer for sale, solicitation of a sale, or offer to buy a security other than as set forth in subparagraph (2)(i);

(v) Believes, after making a reasonable factual inquiry, that any person who uses the matching service facility in the capacity of an investor is a properly qualified investor member;

(vi) Is a governmental entity, quasi-governmental entity, an institution of higher education or a domestic nonprofit corporation that is associated with a governmental or quasi-governmental entity or an institution of higher education;

(vii) Does not employ any person required to be registered under this chapter as a broker-dealer, investment adviser, salesman, or agent;

(viii) Does not have, and does not employ any person who has, a business relationship with any investor member or issuer member other than to provide such member access to the matching service facility;

(ix) Charges fees only in an amount necessary to cover its reasonable operating costs and that are unrelated to the amount of money being raised by any issuer member or the amount of securities sold by any member;

(x) Agrees not to use any advertisement of its matching service facility that advertises any particular issuer or any particular securities or the quality of any securities or that is false or misleading or otherwise likely to deceive a reader thereof, and upon objection by the secretary of state, agrees to cease any advertisement;

(xi) Agrees not to publish or distribute any issuer member material to which the secretary of state raises objection, and upon objection by the secretary of state, agrees to cease any publication of such material;
(xii) Will make no sale unit 5 calendar days after delivery to the purchaser of a final offering circular or final documents, either of which shall be either registered or exempted from registration pursuant to the New Hampshire uniform securities act; and
(xiii) Meets such other conditions as the secretary of state considers appropriate for the protection of investors and consistent with the purposes fairly intended by the policy and provisions of this chapter and the rules adopted under this chapter.

(3) Designation under this subparagraph is not available to any matching service formed in a manner that constitutes part of a scheme to violate or evade the provision of this chapter or rules adopted under this chapter.

(4) The secretary of state, upon 10 days' notice and after a hearing, may withdraw a person's designation as a matching service if the person does not meet the standards for designation provided in this section.

24 Timing Modification. Amend RSA 421-B:17, II(k) to read as follows:

(k) Any offer or sale of securities, including offers and sales pursuant to preorganization subscriptions for the securities of an issuer to be formed, by a corporation, limited partnership, or limited liability company having its principal office in this state if, after giving effect to the sale, the aggregate number of holders of all of the issuer's securities, all of whom shall have purchased for investment, does not exceed 10, exclusive of persons designated in subparagraph (g), provided that no commission or other remuneration has been paid and no advertising has been published or circulated in connection with any such sale, and all sales are consummated within [30] ***60*** days after [commencement of business by] ***the date of incorporation or formation of*** the issuer. The secretary of state may by rule or order increase the number of persons to whom sales may be made under this exemption.

25 Technical Change. Amend the introductory paragraph of RSA 421-B:17, II(p) to read as follows:

(p) Any transaction pursuant to an offer to existing security holders of the issuer, where the securities held by such existing security holders were issued by the issuers for value, including, ***but not limited to,*** persons who at the time of the transaction are holders of convertible securities, non-transferable warrants, or transferable warrants exercisable within not more than 90 days of their issuance, if:

26 Conspicuous Notice. Amend RSA 421-B:20, II to read as follows:

II. The full text of paragraph I shall be reproduced, in type no smaller than [10 point size, on the cover page] ***12 point boldface type, on any one of the first 5 pages*** of any prospectus or other offering document, when offered to New Hampshire residents in a private offering. Public offerings shall bear either a legend approved by the North American Securities Administrators Association, Inc.[;], ***such as*** the modified Federal Regulation S-K legend[;] or the legend required on Form U-7 which is required for offerings not federally registered.

27 New Paragraph; Administrative Penalties. Amend RSA 421-B:26 by inserting after paragraph III the following new paragraph:

III-a. Every person who directly or indirectly controls a person liable under paragraph I or II, every partner, principal executive officer, or director of such person, every person occupying a similar status or performing a similar function, every employee of such person who materially aids in the act or transaction constituting the violation, and every broker-dealer or agent who materially aids in the acts or transactions constituting the violation, either knowingly or negligently, violates any provisions of RSA 421-B:3, 421-B:4, 421-B:5, 421-B:6, 421-B:11, 421-B:19, or 421-B:23 may, upon hearing, and in addition to any other penalty provided for by law, be subject to such suspension, revocation, or denial of any registration or license, including the forfeiture of any application fee, or an administrative fine not to exceed $2,500, or both. Each of the acts specified shall constitute a separate violation, and such administrative action or fine may be imposed in addition to any criminal penalties imposed pursuant to RSA 421-B:24 or civil liabilities imposed pursuant to RSA 421-B:25. No person shall be liable under this paragraph who shall sustain the burden of proof that such person did not know, and in the exercise of reasonable care could not have know, of the existence of facts by reason of which the liability is alleged to exist.

28 New Paragraph; Administrative Penalties. Amend RSA 421-B:26 by inserting after paragraph VII the following new paragraph:

VIII. Any person who, either knowingly or negligently, engages in any conduct prohibited by RSA 421-B:10, I(b)(2), (7), (10), (12), or (13) may, upon hearing, and in addition to any other penalty provided for by law, be subject to an administrative fine not to exceed $2,500, or both. Each of the acts specified shall constitute a separate violation, and such administrative action or fine may be imposed in addition to any criminal penalties imposed pursuant to RSA 421-B:24 or civil liabilities imposed pursuant to RSA 421-B:25.

29 Rulemaking. Amend RSA 421-B:28, IV to read as follows:

IV. All actions undertaken by the ***secretary of state*** pursuant to this section shall be taken only when the secretary of state finds such action necessary or appropriate to the public interest or for the protection of investors and consistent with the purposes fairly intended by the policy and provisions of this title. In adopting rules [and], preparing forms, ***setting standards, and reviewing offerings,*** the secretary of state may cooperate with the securities administrators of other states, ***self regulatory organizations,*** and the Securities and Exchange Commission [with a view to implementing] ***in order to implement*** the policy of this chapter ***in an efficient and effective manner and*** to achieve maximum uniformity in the form and content of ***issuer requirements,*** registration statements, applications, and reports where practicable.

30 Filing of a Consent. Amend the introductory paragraph of RSA 421-B:30, VII to read as follows:

VII. Every applicant for licensing under this chapter and every issuer who proposes to offer a security in this state through any person acting on an agency basis in the common-law sense shall file with the secretary of state, in such form as [he] ***the secretary of state*** prescribes by rule, irrevocable consent appointing the secretary of state to receive service of any lawful process in any non-criminal suit, action, or proceeding against [him] ***the applicant*** or [his] ***the applicant's*** successor, executor, or administrator which arises under this chapter or any rule or order under this chapter after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed such a consent in connection with a previous registration need not file another. ***In instances where an offering is firmly underwritten, the issuer shall not be required to file a consent.*** Service may be made by leaving a copy of the process in the office of the secretary of state along with $5, but it is not effective unless:

31 Annual Fee; Individual Class of an Issue. Amend RSA 421-B:31, III to read as follows:

III. The annual fee for an issuer of open-end mutual funds, to be paid to the secretary of state on or before May 1 of each year, shall be $1,000 for each individual [series] ***class*** of an issue.

32 Effective Date. This act shall take effect 60 days after its passage.

MOTION TO SPECIAL ORDER

Rep. Lockwood moved that **HB 1570**, requiring parental notification before abortions may be performed on unemancipated minors, be made a Special Order for later in the day.

Adopted.

SPECIAL ORDERS (Cont'd.)

HB 1313, making attorneys subject to the provisions of the consumer protection act. INEXPEDIENT TO LEGISLATE

Rep. Benjamin J. DePecol for Judiciary and Family Law: The committee believes that this bill singles out one group of many that are covered by government regulations or boards. Vote 16-1.

Adopted.

HR 51, urging that impeachment proceedings be instituted against certain judges. INEXPEDIENT TO LEGISLATE

Reps. Robert A. Lockwood, David W. Hess, Sandra Balomenos Keans, Nick Hart, Richard E. Kennedy, Alf E. Jacobson, Margaret D. Hallyburton, Donald F. McMahon, Janice B. Streeter, Janet G. Wall, David C. Allison, Lionel W. Johnson and Barbara Hull Richardson for Judiciary

and Family Law: The committee, after some six hours of public hearing and discussion, voted unanimously that there was no credible evidence of bribery, corruption, malpractice or maladministration as specified in Part II, Article 38 of the N.H. Constitution to warrant impeachment proceedings against: (a) a sitting associate justice of the U.S. Supreme Court; (b) the sitting chief justice, four sitting justices and one former justice of the N.H. Supreme Court; (c) the sitting chief justice and four sitting associate justices of the N.H. Superior Court; (d) the sitting administrative judge and a sitting probate judge of the N.H. probate courts; and (e) a sitting N.H. district court judge. The committee furthermore found no credible evidence to support allegations that the terms of three sitting marital masters not be renewed. After giving this resolution far more consideration than it deserved, the committee unanimously agreed that HR 51 was ill-conceived, poorly crafted and unconstitutional. Vote 13-0.

Rep. Hemon spoke against.

Rep. Hemon requested a quorum count. The Speaker declared a quorum present.

Rep. Lockwood spoke in favor and yielded to questions.

Rep. McCann spoke against and yielded to questions.

Rep. Allison spoke in favor.

Rep. Lionel Johnson requested a roll call; sufficiently seconded. The question being the adoption of the report.

DEBATE ON HR 51

Rep. Lockwood moved that the debate on **HR 51**, urging that impeachment proceedings be instituted against certain judges, be printed in the Journal.

On a division vote, 169 members having voted in the affirmative and 165 in the negative, the motion was adopted.

Rep. Hemon: Mr. Speaker, members of the House, you are now a grand jury as authorized by Article 17, Part II of the New Hampshire Constitution. From January 2, when this session began, to the present, HR 51, you are proceeding as legislators, now you are a grand jury. When HR 51 is decided, your responsibility as a grand jury will cease and the legislative process will resume. It is not necessary that you find guilt or innocence, only probable cause sufficient to send the matter to the Senate for trial. Trial means that the judges and others will be questioned and cross-examined. You'll have powers of subpoena, discovery and, if necessary, we have

rebuttal possibilities, argument and finally a decision. In other words, it will be a far more thorough process than has been done by Judiciary. If 20 or 30 years ago a representative had started such a proceeding as HR 51 with respect to Judge Fairbanks, perhaps 42 citizens of this state would have $7.2 million of theirs instead of having that $7.2 million stolen. Complaints were lodged with both conduct committees and the AG without intervention occuring. The system protected and shielded its own.

[Rep. Hemon requested a quorum call. The Speaker declared a quorum present.]

Rep. Hemon: For those members who weren't present when I made the remarks about Judge Fairbanks with respect to the fact that if 20 or 30 years ago someone had taken an impeachment process against him, that probably the fate of 42 people in this state would have been a lot different, and $7.2 million of their money would have been conserved and saved for their own benefit.

In the Sergeant-at-Arms office is a 50-page packet relative to the Cassavechia case so that you may study and even have copies made if you so desire. A 10-page sample of the 50-page packet was prepared and placed in the mailboxes last time and the floor debate was postponed to today. If you have mislaid or forgotten this excerpt there are some copies in the anteroom. I will be using this as a basis for the remarks that follow. The Judiciary Committee had six hours of hearings with respect to HR 51, including at least 14 persons who testified. Among these were lawyers, business people, realtors, Justices of the Peace; in other words, upright and honest folk of this state of intelligence and sound and good judgement. The Judiciary Committee said that they were not credible. The testimony given by the 14 persons was enough to show probable cause. Some left court documents as evidence to support their complaints. Probable cause, we are not asking for a determination of guilt or innocence, just simply that there is enough reason to go to the Senate for trial and further checking and investigation.

I must talk about the packet as VOCALS contributed $100 and I personally put in $50 and so I think because of that particular investment we need to at least speak about what is in that packet. At the back of the packet are found three pages from the transcript of the ex-parte hearing of 8/21/84 which are certified by the Register of Probate of Strafford County as a certified and true copy. Such evidence is accepted in all courts of this land as credible evidence and yet Judiciary said, "no credible evidence." Obviously the Judiciary Committee has lied to the grand jury, which is you, or we have an awful difference in what credible evidence means, or a difference in definitions. The testimony recorded on these pages of the certified transcript, that Maine was the residence of Olivette D. Hemon and that the Probate Court violated RSA 464-A:3 when it proceeded for all that means in terms of voidence of its acts and loss of impunity from suit, is credible and very, very definite. That is the reason why I have it in this excerpt in the package you have in the back, also out there in the Sergeant-at-Arms, because if you read it over you will see that is what the Court found when it asked questions.

Now, I am going to go into a different theme because something happened at the hearing of the Judiciary Committee with respect to HR 51 which came as a complete surprise. A testimony from Attorney John D. MacIntosh, a lobbyist for the Bar at the HR 51 hearing. A new and serious issue, unrelated to jurisdiction issue, was forced into HR 51 discussion. It was said by John MacIntosh that I had threatened the judge. This had a very negative effect on Judiciary. Fortunately for me, rebuttal was at hand in the person of Rep. Bill McCann who testified that it was the other way around; that we both had been threated by Judge Cassavechia with investigation by the AG and Strafford County Attorney, for prosecution under RSA 640:3,I. Rep. McCann will elaborate on this later as it affected him. The first two pages of the packet left in the mailboxes last week is an excerpt from the Cassavechia order dated 7/12/93. The complete order is in the Sergeant-at-Arms office for your perusal. This is credible evidence. Such intimidation by a Judge to discourage and stop due process is a violation of the 14th Amendment of the United States Constitution. This in itself is serious enough to warrant impeachment. When done by a Court without jurisdiction, it is a 1,000 times greater offense. The charges against Judge Cassavechia have more merit...

Speaker: Would the member suspend? Would you state your point of order.

Rep. Kennedy: Sir, I believe these are two separate situations and are not the same. If we are going to debate 51, fine. These other charges are separate and distinct and I do not believe should be brought up at this time. They are a separate issue.

Speaker: The Chair would caution the member that we have a long Calendar today and this is turning into a very long debate. Please bear with us but try to make it concise as possible.

Rep. Hemon: Mr. Speaker, there really isn't that much left. I emphasize the fact that this was brought up to the House's attention not because I wanted it that way. In HR 51, it is a very simple charge on a specific date, August 21, 1984, the Judge violated the law. That is the original. Now this MacIntosh comes in, into the hearing, and introduces a whole new issue which is related to Cassavechia and to the whole process involved. However, it has greatly aggravated the whole situation because it gives a wrong impression. What I am trying to do is point out to the House, is that it was the other way around the threat came. I am trying to show you also, very quickly it is only a matter of about a minute or more, as to what I did as a result and later on Rep. McCann can take on the other aspect.

Upon receiving the order, I researched and found the Judge threatened seven years in jail, one case cited under RSA 643,I, was that O'Flynn, a sheriff from Hillsborough County convicted of extortion under RSA 637:5, which is the mirror of 640:3,I, I found that given no jurisdiction, a judge could likewise be prosecuted for extortion. To cut the investigation short, as requested by the Judge, I made appointments with the AG and the County Attorney and revealed everything that could be. I also told them both that if they dared to prosecute either Bill or myself I would move to prosectue the Judge under RSA 637:5 for extortion using the same trial evidence, etc. That was more than two and a half years ago. They evidently found the evidence credible enough to desist from prosecution. Judiciary, looking at the same evidence or some of the same evidence, could find no credible evidence. The packet included two pages of a document that has 85 true and false statements, which if answered truthfully by the existing record would produce the inescapable conclusion, no jurisdiction under law for the Probate Court. The packet has two pages from this set, the complete set being found in the Sergeant-at-Arms office. These 85 true/false statements is what constituted the threat, so called, in other words if the Judge had responded to these 85 statements he would have found he had no jurisdiction and he was in real trouble. The crime that Bill and I were doing is that we were insisting that he respond to these 85 statements. I'm just going to give you a couple of samples. If anybody is curious, they can go upstairs and check up on more. Here is an example. The Strafford County Probate Court has a copy of the 1983 will of Olivette D. Hemon filed by the movant during the guardianship proceedings of Olivette D. Hemon, January, 1985, which is listed in the transcript of proceedings of GDN #72 as Respondent's Exhibit T. To this, you are supposed to respond, yeah, he can go to the file and find it. Later on it goes into more detail and shows that if the Judge looks at these things on file that he would find that when she is asked for her residence, make a declaration of residency, always, in all her legal documents, it comes out the same way. I, Olivette D. Hemon, of York Harbor, County of York, State of Maine. These things were brought to the attention of Judge Maher which is the reason he is on HR 51 and he refused to require any answers saying if he interfered he could be brought up on charges. The AG said that as the defense attorney of judges, the best defense was to do nothing and so, consequently, they weren't answered from that source either. The New Hampshire Supreme Court did nothing when mandamus was requested. So, what I am requesting of you today is that you defeat the ITL and send these 85 statements over to the Senate as part, or maybe just for that purpose, to have him answer those 85 statements. Because all they can do if he can answer them properly, is it will prove that he has jurisdiction or that he doesn't. They can require him to answer those 85 statements. I hope you will vote no for the ITL and send this matter over to the Senate. Let's not have another Fairbanks coverup because that was a long, long, ongoing coverup and we have something pretty much similar to that going on right now. Thank you for your patience and attention.

Rep. Lockwood: Thank you Mr. Speaker. Before I begin my remarks I would like to record for the House my extreme displeasure and anger with Rep. Hemon for saying that the Judiciary and Family Law Committee has lied to this body with its report. I would like to have that entered into the Record, Mr. Speaker.

Mr. Speaker and Honorable members of the House. lend me your ears. I rise today not to praise the Judicial branch of government of the State of New Hampshire, nor to bury it. Neither do I rise to disparage critics of the Judicial branch, nor to enhance their cause. Indeed, Mr. Speaker, their cause is well within that purview freedom of expression in our society that we all hold so dear to our hearts and practice so vociferously. To quote Shakespeare's Marc Antony more pre-

cisely, "By virtue of their office so are they all honorable men". Instead I rise to urge you, honorable members of the House, nay, to implore you, to bury this foul and infamous piece of legislation, this House Resolution 51. I beseech upon you to inter this measure so deeply under an avalanche of votes that its hoary head shall never rise again in the hallowed halls of this House of Representatives. Why do I speak so strongly against House Resolution 51? Because, Mr. Speaker and members of the House, never have I seen a proposal so ill-conceived that its motivation is at best unclear and at worst reeks with unmitigated revenge. Never have I seen a proposal so ill-crafted that it seeks, in a single odious snare, ultimately to impeach and therefore sully the reputations of a sitting Associate Justice of the United States Supreme Court, the sitting Chief Justice and three sitting Justices of the New Hampshire Supreme Court, a former Justice of the New Hampshire Supreme Court, the sitting Chief Justice and four sitting Associate Justices of the New Hampshire Superior Court, the sitting Administrative Judge and a second Judge of the New Hampshire Probate Court, a sitting Judge of a New Hampshire District Court and further, would encourage the Coos County Superior Court not to reappoint three marital masters; all for separate actions in several different cases in several different courts, all in one piece of legislation and all because of allegations of wrongdoing, none of which individually or collectively in the unanimous opinion of the Judiciary and Family Law Committee, none of which, meet the constitutional requirements of corruption, malpractice or maladministration which are essential to the process of impeachment. This is not to say, Mr. Speaker and members of the House, that individuals in the Judicial Branch of government do not and will not in the future make mistakes, errors in judgement and even arguable interpretations of the law. But are we not all subject to the same affliction? However, I declare here with all the strength that I can muster, that these individual faults, mistakes, errors in judgement and controversial interpretations of the law are not in themselves evidence of corruption, malpractice or maladministration as stipulated, chargeable causes for impeachment. Indeed, Mr. Speaker and members of the House, many of these allegations of mistakes, errors of judgement and controversial decisions were presented to the Judiciary and Family Law Committee during the protracted hearings. All of these allegations evolve out of court rulings and decisions unfavorable to the litigants who testified. Furthermore, in the course of those hearings we learned not only of mistakes corrected and decisions remanded, but of continuing attempts to attain individual concepts of justice that are inimical to those of the various courts through ongoing, voluntary litigation. In other words, a lot of those cases are still in the courts. Lastly, members of the House, never have I seen such a measure that so obviously, distainfully and even flagrantly deviates from the true and honorable purposes of the United States and New Hampshire Constitutions. The United States Constitution declares in terms certain that impeachment proceedings of Federal officials, including U.S. Supreme Court Justices, shall be initiated and carried out by the United States Congress, not by the New Hampshire Legislature as House Resolution 51 proposes. House Resolution 51 also violates the spirit and law of the New Hampshire Constitution by constituting the House Rules Committee as an ad hoc committee to carry out the grand inquest phase of impeachment process. This is in direct conflict with Part II, Article 17 of the New Hampshire Constitution which says, and I quote, "The house of representatives shall be the grand inquest of the State; and all impeachments made by them shall be heard and tried by the senate." House Resolution 51 seeks to override a part of the Constitution without a vote by the people. This is clearly and incontestably a misapplication of our legislative authority. The members of the Judiciary and Family Law Committee unanimously agreed that there are absolutely no redeeming values in this unreasonable, unconscionable piece of legislation. I ask that members of this honorable House join us and find House Resolution 51 Inexpedient to Legislate. Thank you Mr. Speaker and members of the House for your attention.

Speaker: Does the member yield to questions? The member yields. Rep. Hemon you may inquire.

Rep. Hemon: Rep. Lockwood I think when I mentioned about the lying I referred to the fact that the credible evidence might be subject to a difference in definition. In other words, I looked at that from one definition and the Committee, or you yourself, from another definition.

Rep. Lockwood: I am only responding to the words that you used at the podium. Those words were pretty direct: the Judiciary Committee lied to this grand inquest.

Rep. Hemon: Because of the difference in definition I mentioned, credible evidence. Now what I was wondering is, the question is this: How do you, especially, since you are the one standing there, define credible evidence? Because, you know, we had transcripts and you had court cases and you had other legal documents and whatever. What constitutes credible evidence?

Rep. Lockwood: Credible evidence, in my mind, is evidence that contains a large share of truth. And besides the information that we got at the hearing, we did some of our own research which destroyed the credibility of some of the evidence that was presented at the hearings.

Rep. Hemon: In the case of Tremblay case up in Coos County where there was the court order saying that the Court admitted that they had had no jurisdiction in the affair and still the man had ended up in jail for 93 days and a lot of other things happened to him. Doesn't that constitute some kind of credible evidence?

Rep. Lockwood: The Committee found that the court in New Hampshire had jurisdiction. That case originated in New Hampshire. Because the party moved to Maine did not remove the court from the jurisdiction. So, therefore, we found that all the further evidence was moot. He was put into jail for contempt of court.

Rep. Hemon: There is a case, the Blaisdell case — I just want to emphasize to the Committee, I am not responsible for everything that is on here, just Judge Cassavechia, the others came from other sources. There is the Blaisdell case which was decided adversely to one of the judges and this particular man came in and introduced this as something he thought should be checked on and investigated. Now, that was actual court records and documentation and whatever. Now, isn't that credible evidence?

Rep. Lockwood: Rep. Hemon, the Blaisdell case is still under litigation. Furthermore, I might add on that particular case, the Supreme Court did remand that case back to the Superior Court because it found that there was an appearance of conflict of interest and so the Supreme Court sent that case back for them to try it over again and that is where it is now.

Rep. Hemon: With respect to transcripts, any transcripts, is that considered credible evidence especially if it has been signed by the registrar of anything as being a certified copy?

Rep. Lockwood: Rep Hemon, transcripts of records are considered just as exactly for what they are, transcripts. The information in those may have credibility and they may not depending on what the situation was.

Rep. Hemon: The next thing, I wanted to emphasize the fact is that in HR 51 bribery, of course, was not mentioned. It is in the blurb. In your remarks to the House you just mentioned three of them. But at least I wanted to make sure that is corrected from the point of view of the blurb. Bribery was never entered into any of the charges of any of the persons involved. What I am concerned about is the words corruption, malpractice and maladministration. Would you agree with the U.S. Supreme Court that corruption as defined by them is the abuse of power?

Rep. Lockwood: I might agree to that. I might agree to a lot of definitions of what corruption is.

Rep. Hemon: Would, in your opinion, violation of a state statute constitute abuse of power, if it happens?

Rep. Lockwood: If it happened and we found no ipso facto abuses of judicial power in the testimony or in the research that we did.

Rep. Hemon: Would you agree though that violation of a statute would constitute that?

Rep. Lockwood: I guess, but it is not relevant to this case as far as our committee is concerned. I'll yield to one more question, Mr. Speaker.

Rep. Hemon: I'm just going through all the things....the malpractice part now, if a judge has, make that a supposition, violated a state law would this constitute malpractice?

Rep. Lockwood: You are asking me to speculate. Of course it would, but we found that not true in the hearings and in the evidence that we developed.

Rep. Hemon: Those are all the questions I wanted to ask you because I have 14 people to respond to, to reply to.

Speaker: The Chair recognizes the member from Dover, Rep. McCann, to speak to the Committee report of Inexpedient to Legislate. We have the previous question. We have one more speaker.

Rep. McCann: Thank you Mr. Speaker, members of the House. I rise in opposition to the Inexpedient to Legislate not out of any rancor to the Judiciary Committee. I am not a sponsor of this bill. I have never been a litigant before any of the judges who were mentioned in this bill. I am,

however, rising because I attended a small portion of the hearing. I testified about one incident that took place regarding a probate judge that is mentioned in this particular bill. I presented to the Committee evidence signed by that judge. And I was rather dismayed to see, when the Committee report came out, the Committee said there was no credible evidence, etc., etc., etc. I think the Committee report is flawed. I don't disagree with some of the comments that Rep. Lockwood said. I may disagree with the manner in which he said them. I think the Judiciary Committee has to act as a grand jury where they have jurisdiction. What they did in this blurb was not to act at all, publicly. They have publicly said there is no credible evidence. Privately, they may say other things. I don't particularly care for that way of approaching an issue as serious as this. I testified before the Committee after a previous speaker brought up an issue of intimidation of a judge. I testified to the Committee that just the opposite had happened; that at the time, my constituent happened to be Mr. Hemon, now Rep. Hemon, had a concern about the jurisdiction issue of the Probate Court. I agreed to look into it and as part of that process went to court, sat through a hearing, submitted a document asking a question regarding the jurisdiction and ultimately, as I say, sat at the hearing and said nothing; observed. As a result of my observations I submitted some legislation that I thought should be considered by the legislature. Several months later, much to my dismay, the Judge issues an order. I'll just quote part of it and I won't be long because I know we have already had a long debate, "The Register is directed to forward a copy of this decree to the Attorney General's Office and the Office of the Strafford County Attorney for their proper consideration of the potential applications and implications of RSA 640:3,I." RSA 640:3,I makes it a crime for someone to influence the judge in his decision making. In that order, he referenced me and the documents that I submitted in my capacity, as you might be doing, as a legislator. I didn't even know what 640:3,I was until I looked it up. "Improper influence. A person is guilty of a class B felony (that means seven years in jail) if he: threatens any harm to a public servant, party official or voter with the purpose of influencing his action decision, opinon, recommendations....". No one was threatened with harm by asking to sit in on a court hearing. I think that the Judge overstepped his bounds. We as legislators have a right to monitor what is going on in the court system. I did that, the judge overreacted. The judge, therefore, should at least be subject to a grand jury approach. Did he violate the law? Did he misuse his power? But the Judiciary Committee lumps it all together and says there is no credible evidence. There is an old saying: "Where there is smoke there is fire." I think there is some credible evidence. I would ask you to vote down the Inexpedient to Legislate and then take appropriate action on another motion. Thank you.

Speaker: Does the member yield to questions? The member yields. You may inquire, Rep. Lockwood.

Rep. Lockwood: Thank you, Mr. Speaker. Rep. McCann, I have before me the whole decree issued by Judge Cassavechia. I would like to read some parts of that decree that weren't read by either Rep. Hemon or by yourself. When you attended that court hearing, is it not true that you attended it at the request of Rep. Hemon to observe the proceedings? Is that not true?

Rep. McCann: That is correct.

Rep. Lockwood: Judget Cassavechia in his decree said, "It is clear that under New Hampshire law Rep. McCann has no standing in these proceedings." You mentioned that it would be the same thing for the Judge to come in here. If the Judge came in here, he would not have any standing in our proceedings. Is that not correct?

Rep. McCann: Rep. Lockwood, I agree to everything that is in the decree. What I am suggesting, and my comment was, yes, I have a right to be in that court. Judge Cassavechia would have a right to be in that gallary to observe, but I don't think that this House would then ask the Attorney General or the County Attorney to investigate Judge Cassavechia for being here.

Rep. Lockwood: Relative to what Judge Cassavechia directed, would you believe that this is part of Judge Cassavechia's decree: "In this regard, the record will note that Mr. Hemon reconfirmed at the hearing that an adverse or contrary address of his request by the Court will result in submission of a judicial conduct complaint. Since RSA 640:3 makes it a crime for a judge not to report such conduct designed to influence his decision-making, this protocol is seemingly obligatory." Would you agree that that is the concluding remarks of Judge Cassavechia?

Rep. McCann: I would agree that is in the decree of Judge Cassavechia. But I would also suggest, and I think you have to agree, that nowhere in that decree did he accuse me of trying to intimidate him or to harm him and yet I was subject to the order for the investigation by the Attorney General and the County Attorney under 640:3,I.

Speaker: The Chair recognizes the final speaker, Rep. David Allison, the member from Cornish.

Rep. Allison: Thank you Mr. Speaker. My comments will be very brief. We have heard time and again about this bill. We've spent much time listening to Rep. Hemon. The Committee in its deliberations has decided that this is not a worthy question for this body to consider. Therefore, I will urge us to vote against this legislation. Thank you very much.

SPECIAL ORDERS

HJR 23, urging the attorney general to file suit against 4 federal judges for their misconduct in deciding cases where Henry H. Amsden was the plaintiff and declaring that the state of New Hampshire rejects the actions of these judges. INEXPEDIENT TO LEGISLATE

Rep. Alf E. Jacobson for Judiciary and Family Law: Mr. Amsden may have some ground for complaint in his proposal. However, his plea should be addressed to the federal House of Representatives since the parties complained of are federal officers. Vote 13-0.

Rep. John Chandler spoke against.

Rep. Jacobson spoke in favor.

On a division vote, 259 members having voted in the affirmative and 60 in the negative, the report was adopted.

HB 1570-FN, requiring parental notification before abortions may be performed on unemancipated minors. INEXPEDIENT TO LEGISLATE

Rep. Sandra B. Keans for Judiciary and Family Law: This bill will force young women under the age of 18 who can't tell their parents they are pregnant to either go to a state court to get a judge's approval or to travel to another state in order to obtain an abortion, even if the pregnancy is the result of incest. Because the bill's requirements are triggered from the moment of conception, its onerous provisions would apply even to the use of morning-after pills. The bill will not result in increased parental involvement; data from other states shows that there is no higher rate of parental involvement in states that have laws similar to what is proposed in this bill then there is in states that do not. All this bill will accomplish is the perverse result of causing minors to have later-term abortions. The fiscal note estimates that it will cost the state at least $1700 every time a minor is forced to utilize the judicial-bypass procedure. Since data from other states establishes that judges grant approval for a minor to have an abortion almost 100 percent of the time, this bill is a complete waste of limited judicial resources and taxpayers' money. Moreover, judges are ill-equipped to make this very personal decision, and the pregnant minor is forced to navigate her way through the complex and frightening court process where confidentiality is inherently impossible to maintain. Both the New Hampshire Medical Society and the New Hampshire Nurse Practitioners Association testified against this bill. New Hampshire has no laws requiring parental notice for any other medical procedure performed on minors. The overwhelming majority of the Judiciary Committee, including those with differing views on abortion, voted to recommend this bill Inexpedient To Legislate. Vote 15-2.

Rep. Stephen Adams spoke against.

Reps. Keans and Hess spoke in favor and yielded to questions.

Reps. Goddard and Wendelboe spoke against and yielded to questions.

Rep. Carol Moore spoke in favor.

Rep. Goddard requested a roll call; sufficiently seconded. The question being the adoption of the report.

SPECIAL ORDERS (Cont'd.)

HB 1468, relative to the subject matter of money bills. INEXPEDIENT TO LEGISLATE

Rep. Ann M. Torr for Legislative Administration: The sponsor's concerns regarding money bills, specifically last year's capital budget, will not be solved by this bill. The committee does recognize problems with fiscal notes on bills or lack there of and who has the responsibility for same. This needs to be addressed in our rules of procedure rather than legislation. Vote 11-1.

Rep. Rosen requested a quorum count. The Speaker declared a quorum present.

Rep. Rosen spoke against.

Rep. Ann Torr spoke in favor and yielded to questions.

On a division vote, 250 members having voted in the affirmative and 48 in the negative, the report was adopted.

HB 1483, relative to lobbyist registration. INEXPEDIENT TO LEGISLATE

Rep. David M. Scanlan for Legislative Administration: The subject matter in HB 1483 is going to be studied along with HB 1407 which was sent to Interim Study. Vote 12-0.

Rep. Shaw spoke against.

LAID ON THE TABLE

Rep. Robert Wheeler moved that **HB 1483**, relative to lobbyist registration be laid on the table.

Adopted.

SPECIAL ORDERS (Cont'd.)

HB 1327-L, authorizing a governing body of a municipality to order an assessor's plat to clarify property ownership. INEXPEDIENT TO LEGISLATE

Rep. Marian E. Lovejoy for Municipal and County Government: This bill is not necessary. The solution to the problem that this legislation was intended to solve can be accomplished by a petitioned warrant article. Vote 18-0.

Rep. Cepaitis spoke against.

The report failed.

Rep. Cepaitis moved Refer to Interim Study and spoke in favor.

Adopted.

HB 1380, allowing a municipality to tax land at a greater rate than buildings and other improvements to land. REFER FOR INTERIM STUDY

Rep. James R. MacKay for Municipal and County Government: The committee felt that this is a complex bill that has merit but that it requires an in-depth study. Many committee members stated they needed much more time and information. The committee indicated its support of the existing "current use" program in New Hampshire, that program would not be the focus of the study. Vote 17-0.

Adopted.

HB 1410-L, relative to special revenue funds. OUGHT TO PASS WITH AMENDMENT

Rep. Linda T. Foster for Municipal and County Government: This bill permits towns to set aside a portion of locally raised revenues from a specific source for a specific purpose. The legislation would improve a municipality's ability to fund its Capital Improvement Program and to improve its over all financial planning. Vote 12-3.

Amendment (4517L)

Amend RSA 31:95-c, II(b) as inserted by section 2 of the bill by replacing it with the following:

(b) Provide special capital improvement plan funds from appropriate revenues, which include any portion of locally raised town revenues otherwise allotted to the general fund except property taxes, provided that the town has adopted and has in place an up-to-date capital improvement plan as prescribed, and developed in accordance with the provisions of RSA 674:5 through 674:8. Appropriations from the special capital improvement plan fund shall be used to fund those individual capital projects identified in an up-to-date duly adopted town capital improvement plan.

Amend RSA 31:95-d, I(c) as inserted by section 4 of the bill by replacing it with the following:

(c) The wording of the question shall be: "Shall we adopt the provisions of RSA 31:95-c to restrict ***(here insert portion as a fractional or dollar amount) of*** revenues from (here insert source) to expenditures for the purpose of (here insert purpose)? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the (_____) fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue."

AMENDED ANALYSIS

This bill allows towns to specify the portion of locally raised revenues which will be restricted from a particular source for expenditures for specific purposes.

Rep. Behrens spoke against.

The amendment failed.

The Committee offered a floor amendment.

Floor Amendment (5245L)

Amend section 2 of the bill by replacing it with the following:

2 Special Revenue Funds. Amend RSA 31:95-c, II to read as follows:

II. Notwithstanding paragraph IV, towns may establish, pursuant to RSA 31:95-d, ***special revenue funds to:***

(a) Provide special highway funds from appropriate revenues, such as revenues from block grants from the state highway fund, motor vehicle permit fees collected under RSA 261:165, parking meter fees and fines in accordance with RSA 231:131, and any other highway related revenues not otherwise designated by law. Appropriations from the special highway fund shall be used for highway expenditures.

(b) Provide special capital improvement plan funds from appropriate revenues, which include any portion of town revenues otherwise allotted to the general fund except property taxes, provided that the town has adopted and has in place an up-to-date capital improvement plan as prescribed, and developed in accordance with the provisions of RSA 674:5 through 674:8. Any funds from sources includable in subparagraph (a) included in the capital improvement plan shall be used solely for highway purposes. Appropriations from the special capital improvement plan fund shall be used to fund those individual capital projects identified in an up-to-date duly adopted town capital improvement plan.

Amend RSA 31:95-d, I(c) as inserted by section 4 of the bill by replacing it with the following:

(c) The wording of the question shall be: "Shall we adopt the provisions of RSA 31:95-c to restrict ***(here insert portion as a fractional or dollar amount) of*** revenues from (here insert source) to expenditures for the purpose of (here insert purpose)? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the (.....) fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue."

AMENDED ANALYSIS

This bill allows towns to specify the portion of revenues which will be restricted from a particular source for expenditures for specific purposes.

Rep. Behrens spoke in favor.

Adopted.

Report adopted and ordered to third reading.

HB 1100, relative to the cutting of timber. OUGHT TO PASS WITH AMENDMENT

Rep. Thomas J. Kirby for Resources, Recreation and Development: This bill clarifies the forestry statute controlling the cutting of trees (basal area) near significant streams and ponds. The statute, as changed, will refer to cutting within each twelve month period rather than each year. The statute, as written, was a single, badly punctuated, difficult to read sentence. The committee rewrote the paragraph for clarity with no other change in the requirements. Vote 17-2.

Amendment (4630L)

Amend the bill by replacing section 1 with the following:

1 Annual Cutting of Timber Without Consent. RSA 227-J:9, I is repealed and reenacted to read as follows:

I. Within a 12 month period, no more than 50 percent of the basal area of trees shall be cut or otherwise felled, leaving a well distributed stand of healthy, growing trees:

(a) Within 150 feet of:

(1) Any great pond;

(2) Any standing body of water 10 acres or more in area;

(3) Any fourth order or higher stream; or

(4) Any public highway; or

(b) Within 50 feet of:

(1) Any stream, river, or brook not included in subparagraph (a)(3) which normally flows throughout the year; or

(2) Any standing body of water less than 10 acres in area associated with a stream, river, or brook which normally flows throughout the year.

This paragraph shall not apply if the person who pushes over, cuts, saws, or operates upon, or causes to be pushed, cut, sawed, or operated upon, any trees described in subparagraphs (a) or (b), obtains the prior written consent of the director, or of the director's agents in accordance with paragraph V.

Adopted.

Report adopted and ordered to third reading.

COMMITTEE REPORTS

Rep. Ann Torr moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

Consent Calendar adopted.

HB 1193-FN-L, relative to department of revenue administration reporting requirements. OUGHT TO PASS WITH AMENDMENT

Rep. Franklin G. Torr for Finance: This bill is for the benefit of communities with large timber harvest. The amendment provides for a lien upon real estate for the yield tax when cutting commences unless a bond or security has been posted. The amended bill also provides for certified mail notification by revenue administration that certificates and reports required by RSA 21-J:34 are due. Vote 19-0.

Amendment (5177L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to department of revenue administration reporting requirements relative to a yield tax on timber, establishing an exception from RSA 541-A:16, I(b) for tax filing forms, and removing a budget footnote.

Amend the bill by replacing all after section 2 with the following:

3 Penalties. Amend RSA 21-J:36 to read as follows:

21-J:36 Penalty. If the certifications and reports required by RSA 21-J:34 are not made to the department of revenue administration on or before October 1, unless the time is extended by the department of revenue administration for just cause ***and after notice by certified mail,*** the [town] ***local governmental unit*** for which the [selectmen act] ***governing body acts*** shall pay to the state for its use the sum of $5 for each day's delay in making certification. The department of revenue administration shall notify each [town] ***local governmental unit*** of the total amount of penalty due and, if any [town] ***local governmental unit*** neglects for more than 30 days to pay the sum due, then the department of revenue administration shall instruct the state treasurer's office to withhold the sum due from moneys due to the [town] ***local governmental unit*** from the state. [The provisions of RSA 44:2 shall apply to this section.]

4 New Section; Exception. Amend RSA 21-J by inserting after section 13, the following new section:

13-a Exception From Rulemaking Requirement. The commissioner shall be exempt from RSA 541-A:16, I(b)(1), for tax filing forms.

5 New Paragraph; Exception Added. Amend RSA 541-A:21 by inserting after paragraph IV the following new paragraph:

V. Tax filing forms adopted by the department of revenue administration shall be exempt from the requirements of RSA 541-A:16, I(b)(1).

6 Collection of Yield Tax. RSA 79:6 is repealed and reenacted to read as follows:

79:6 Collection. Unless a bond or other security is required pursuant to RSA 79:10-a, all normal yield tax assessments levied under RSA 79:3 shall, on the date the cutting commences, create a lien upon the lands on account of which they are made and against the owner of record of such land. Furthermore, such liens shall continue for a period of 18 months following the date upon which the local assessing officials receive the report of cut required by RSA 79:11. All normal yield tax assessments shall be subject to statutory collection proceedings against real estate as prescribed by RSA 80.

7 Notice of Intent to Cut. Amend RSA 79:10, I to read as follows:

I. Every owner, as defined in RSA 79:1, II, shall, at the beginning of each tax year and prior to commencing each cutting operation, file with the proper assessing officials in the city or town where such cutting is to take place a notice of intent to cut provided by the commissioner of revenue administration, stating his name, residence, social security number, an estimate of the volume of each species to be cut, and such other information as may be required. A supplemental notice of intent shall be filed in the same manner for any additional volume of wood or timber to be cut in excess of the original estimate and within the tax year. ***The assessing officials shall, within 30 days of signing a notice of intent, notify the tax collector that an intent has been filed. The notice of intent shall serve as notice that the land is holden to taxes pursuant to RSA 79:6.*** The appropriate copies of all intents received by a city or town shall be forwarded to the commissioner of revenue administration by the assessing officials. Upon receipt of an original intent, the commissioner of revenue administration shall assign an operation number and furnish, without cost to the owner, a certificate and report of wood cut form. Such certificate shall be posted by the owner filing such intent in a conspicuous place within the area of cutting for each operation conducted within a city or town. The appropriate copy of all intents received by the commissioner of revenue administration shall be forwarded to the division of forests and lands of the department of resources and economic development. Starting an operation before the appropriate notice of intent to cut has been filed with the city or town and signed by the appropriate municipal officials shall constitute a violation by the owner or any other person doing the cutting, or both. Failure to post the certificate on the job in a conspicuous place upon receipt shall constitute a violation.

8 Bond Required. Amend RSA 79:10-a, II to read as follows:

II. No owner required to furnish bond or other security in accordance with RSA 79:3-a shall commence to cut or continue to cut until he has posted the bond or other security; however, no owner who owns land in the town where he intends to cut shall be required to post a bond or other security as a condition for filing an intent to cut or receiving a permit to cut[, unless such owner intends to cut on public lands, or is a previous owner who retains timber rights to land and who registers his claim with the registry of deeds, as provided in RSA 79:1, II(a)(2)].

9 Removing Budget Footnotes. Amend the total and estimated sources of funds of 1995, 307:1, 01, 07, 03 as follows:

I. By striking out:			
Total		985,544	856,252
Estimated source of funds for			
land taxes lost		206,289	206,289
09 Agency income	I	779,255	649,963
General fund		985,544	856,252
II. By inserting:			
Total		985,544	856,252
Estimated source of funds for			
land taxes lost		206,289	206,289
09 Agency income		779,255	649,963
General fund		985,544	856,252

10 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill changes a reporting requirement for the department of revenue administration regarding the revolving fund established for municipal officers and employees education and training. The bill removes a requirement that governing bodies of local governmental units report on

estimated revenues in their reports certifying appropriations voted. The bill clarifies that the penalty provisions for failure to file certifications and reports with the department apply to all local governmental units.

The bill establishes an exception from a rulemaking requirement, RSA 541-A:16, I(b) for tax filing forms adopted by the commissioner of revenue administration.

The bill also establishes that the normal yield tax constitutes a lien upon the real estate from which wood or timber is cut on the date the cutting commences.

HB 1255-FN-L, providing that the state shall reimburse school districts for shortfalls in certain categories of state aid to education. REFER FOR INTERIM STUDY

Rep. Francis L. Riley for Finance: While expressing approval of the concept, the committee became aware of concerns in the bill too numerous to be adjusted within the allotted time. It was determined that the scope of the proposal deemed it prudent to continue our study. In addition the $1.8 million - $3 million involved was too large an amount to approve without more in-depth attention to the details. The unanimous vote of 26-0 indicates overwhelming support for continued study. Vote 26-0.

HB 1450-FN, relative to postsecondary educational assistance for members of the New Hampshire national guard. OUGHT TO PASS WITH AMENDMENT

Rep. Neal M. Kurk for Finance: The New Hampshire national guard considers this bill important in attracting and retaining recruits. Recruiting problems could result in the closing of units. Closings would lead to state economic loss. This proposal is for filling spaces in the university system classes that would not otherwise be filled. It should add little or no costs to the state while allowing guard members the opportunity for a low-cost education. Vote 21-0.

Amendment (5259L)

Amend RSA 110-B:63-b, VI as inserted by section 1 of the bill by replacing it with the following:

VI. "Tuition" means the total semester, quarter, or classroom hour cost of instruction to the student as established by the university system board of trustees or the board of governors of the regional community-technical institute and colleges.

Amend the section heading and introductory paragraph of RSA 110-B:63-c by replacing it with the following:

110-B:63-c Educational Assistance Authorized; Minimum Requirements. Members of the New Hampshire national guard may take courses tuition-free on a space available basis in state-supported postsecondary institutions. In order to be eligible to receive educational assistance under this act, a member of the New Hampshire national guard shall:

Amend RSA 110-B:63-d as inserted by section 1 of the bill by replacing it with the following:

110-B:63-d Eligibility and Space Availability Determinations.

I. Eligibility for educational assistance provided by this subdivision shall be determined and monitored by the adjutant general, who shall adopt rules, pursuant to RSA 541-A, and procedures deemed by the adjutant general to be necessary to carry out and monitor the educational assistance provided by this subdivision.

II. The chancellor of the university system for the university system and the commissioner of regional community-technical colleges for the regional community-technical institute and colleges shall establish policies for determining when a course has space available.

HB 1518-FN, relative to funding retirement benefits for certain legislative and constitutional officers. INEXPEDIENT TO LEGISLATE

Rep. Robert L. Wheeler for Finance: The Committee felt that this group is too small to apply actuarial liabilities upon. No new entries can be made into this group. When the last participant's retirement benefit is paid out the obligation of the general fund will cease. Vote 19-1.

HB 1590-FN, relative to the workers' compensation administration fund. OUGHT TO PASS WITH AMENDMENT

Rep. Robert L. Wheeler for Finance: The Labor Department assumes its budget may increase as a result of additional responsibilities such as managed care, new safety provisions, and a compensation appeals board. However, carrier payouts will remain constant. The committee supports the bill since the pro-rata share will not change and there will only be a fiscal impact if the budget increases. Vote 20-0.

Amendment (5160L)

Amend the bill by replacing section 2 with the following:

2 Special Fund for Active Cases. Amend RSA 281-A:30, VI to read as follows:

VI. A single assessment shall be assessed by the commissioner against each carrier and self-insurer as soon as practicable after [the effective date of this section] ***July 1, 1989***, which shall be paid to the fund in order to carry out the purposes of this section. The commissioner shall establish the amount of the assessment to produce the minimum amount necessary to carry out the purposes of this section, but in no event shall the assessment exceed 1/2 of one percent of compensation (including medical benefits) paid during ***the previous*** calendar year [1974].

Rep. Baroody declared a conflict of interest and did not participate.

HB 1596-FN, requiring all fines and penalties collected by the wetlands board to be deposited into the general fund. INEXPEDIENT TO LEGISLATE

Rep. Margaret A. Lynch for Finance: In review of this well-intentioned bill, the Committee found that should the non-lapsing dedicated fund be abolished and the administrative and civil fines be obligated to the general fund, the department would be unable to access matching federal funds and could lose the potential for capturing $100,000 in federal dollars. Vote 19-0.

HB 1612-FN-L, requiring the state to transfer ownership of land currently leased from the state by Rockingham county for use as a parking lot for the Rockingham county courthouse to Rockingham county. OUGHT TO PASS WITH AMENDMENT

Rep. Fredrik Peyron for Finance: This bill was amended to give Rockingham County until January 1, 1998 to purchase, at fair market value from the state, a two-acre parcel of land necessary to complete the sale of the old courthouse property to a prospective third party. Vote 26-0.

Amendment (5153L)

Amend paragraph III of section 1 of the bill by replacing it with the following:

III. The sale of this parcel of land shall be finalized on or before January 1, 1998. Notwithstanding any provisions of RSA 78:B to the contrary, this sale shall not be subject to the real estate transfer tax.

HB 1630-FN-L, establishing a new property leasing program for land in the Lake Francis impoundment area and relative to the New Hampshire heritage trail. OUGHT TO PASS WITH AMENDMENT

Rep. Arthur P. Klemm, Jr. for Finance: This bill, as amended, authorizes a new property leasing program to replace the program now administered by the water resources council upon those lands under its jurisdiction on the Lake Francis impoundment property. The leases shall be twenty-five years and shall be renewable at the option of the lessee. The rental payment shall be recalculated and adjusted every five years to more accurately reflect the fair market value of the lease. The bill also requires the council to assist the director of parks and recreation in developing a segment of the New Hampshire heritage trail across Lake Francis. Vote 19-1.

Amendment (5165L)

Amend RSA 481:3-a, II as inserted by section 1 of the bill by replacing it with the following:

II. The term of the leases, subject to appropriate behavior as determined by the water resources council, shall be 25 years and shall be renewable at the option of the lessee. The rental payment shall be recalculated and adjusted no later than 5 years following its last determination.

SB 549, relative to the children's trust fund. OUGHT TO PASS WITH AMENDMENT

Rep. Mary Jane Wallner for Finance: This bill extends the deadline for payment of pledge contributions to be matched by appropriations to the Children's Trust Fund. The date is extended from June 30, 1996 to December 31, 1999. Vote 22-0.

Amendment (5166L)

Amend the bill by replacing section 1 with the following:

1 Date of Payment of Pledge Contributions and Matching Appropriation Extended. Amend 1986, 184:2, II(a) as amended by 1987, 372:8; 1989, 129:1; 1990, 271:1, and 1993, 165:3 to read as follows:

(a) In the event that the sum of $500,000 appropriated by paragraph I(a) of this section is not matched by non-state contributions or pledged contributions by June 30, 1992, the dead-

line for such matching contributions is extended to June 30, 1996. ***The deadline for full payment of pledge contributions pledged by June 30, 1996, shall be no later than December 31, 1999.*** If the sum of $500,000 appropriated by [paragraph] ***subparagraph*** I(a) of this section is matched by non-state contributions or pledged contributions by June 30, 1996, then an additional $500,000 [shall] ***may*** be appropriated by the general court to the trust fund reserve account, ***to be matched in accordance with RSA 169-C:39-c, II,*** no later than [June 30, 1996] ***December 31, 1999***. The governor is authorized to draw [his] ***a*** warrant for said sums out of any money in the treasury not otherwise appropriated.

SB 631, extending the reporting date of the retail wheeling and electric utility restructuring committee. OUGHT TO PASS WITH AMENDMENT

Rep. Lawrence J. Guay for Science, Technology and Energy: This bill as amended extends the reporting date of the retail wheeling and electric utility restructuring committee from November 1, 1995, to June 1, 1996. Due to the unexpected workload created from several hearings, work sessions, etc., the committee feels more time is needed in order to submit its final report. Vote 11-0.

Amendment (4975L)

Amend the bill be replacing section 1 with the following:

1 Reporting Date Extended. Amend 1995, 272:7 to read as follows:

272:7 Report. The committee shall submit [an interim or] ***a*** final report of its findings, including recommendations for legislation, to the speaker of the house, the senate president, the house clerk, the senate clerk, the governor, and the state library, no later than [November 1, 1995] ***June 1, 1996.***

AMENDED ANALYSIS

This bill extends the reporting date of the retail wheeling and electric utility restructuring committee from November 1, 1995 to June 1, 1996.

This committee was established in 1995, 272.

REGULAR CALENDAR

HB 1220-FN-L, providing that the state shall apply for and utilize moneys from the Goals 2000 - Educate America Act. OUGHT TO PASS

Rep. Joseph E. Stone for Finance: Under Goals 2000 the Department of Education says that New Hampshire is eligible to receive $1,290,294 of federal funds with no matching state funds during FY 1996. The state will retain $129,029 to administer the program with the school districts competing voluntarily for the remaining funds of $1,161,265. Vote 22-4.

Rep. Hurst requested a roll call; sufficiently seconded. The question being the adoption of the report.

HB 1229-FN-A, allowing owners of privately owned airports to receive partial state reimbursement grants for local property taxes paid on certain areas of such airports and continually appropriating a portion of airways tolls for such grants. OUGHT TO PASS WITH AMENDMENT

Rep. Kenneth L. Weyler for Finance: The state airport system has sixteen publicly-owned airports and ten privately-owned. Those ten are under continuous economic pressure to convert to non-airport use. Such conversions would be an egregious loss to the system. Under today's regulatory climate new airports are unlikely. This bill puts $10,000 in the division of aeronautics budget to reimburse those ten for property taxes on their runways, taxiways and loading areas. Money will be from aviation gas tax paid by aircraft users. Vote 22-0.

Amendment (5181L)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing owners of privately owned airports to receive partial state reimbursement grants for local property taxes paid on certain areas of such airports and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Partial Reimbursement for Property Taxes Paid by Owners of Private Airports. Amend RSA 72:38 to read as follows:

72:38 Exemption for Aviation Facilities*; Partial Reimbursement for Taxes Paid*.

I. A town, by vote of a majority of those present and voting at any regular town meeting, acting under an article duly incorporated in the warrant for said meeting, and a city, by vote of the governing body thereof, may exempt the owner of a privately owned air navigation facility available for public use without charge, who holds as of April 1 of any year a certificate for such facility from the [New Hampshire aeronautics commission] *department of transportation, division of aeronautics* that the facility is necessary for the maintenance of an effective airway system, from taxation of such facility for each such year. For the purposes of this section the term air navigation facility includes all the surfaces of an airport encompassed within the principal boundaries that are maintained and available for the take-off, landing, taxiing, and open air parking of an aircraft using said airport, any air navigation or communications facility associated with the airport and any passenger terminal building available for public use without charge.

II. The owner of a privately owned airport, which is part of the statewide airport system and use of which is approved by the department of transportation, division of aeronautics, may after paying all local property taxes owed, apply to the director of the division of aeronautics for a state reimbursement grant in the amount of the portion of property taxes paid on the movement area of the airport. Reimbursement grants shall be paid from general funds appropriated to the division of aeronautics for each fiscal year, to the extent that such funds are available. Any application for a reimbursement grant shall be made within 6 months of the date on which the taxes were due and reimbursement shall not be made if application is made after this 6-month period. Measurements of the movement area of each airport shall be made by the division and shall remain in effect until the owner notifies the division of a change in property size. In this paragraph, "movement area" means the runways, taxiways, and other areas of an airport or heliport which are utilized for taxiing, hover taxiing, air taxiing, take-off, landing, loading, and unloading of aircraft.

III. Applicants for reimbursement shall apply to the division on a form provided by the division. The application form shall contain the following information:

(a) The name and address of any owner.

(b) Name of airport.

(c) Period for which application is being made.

(d) Computed acreage qualifying for reimbursement.

(e) Signature of any owner and date of filing.

(f) Attached copy of most recently paid tax bill.

IV. An owner may contest the division's measurement of qualifying areas or other determinations with regard to reimbursement by petitioning the department for a hearing pursuant to RSA 541-A:31-36.

2 Appropriation; Division of Aeronautics. The sum of $10,000 is appropriated to the division of aeronautics, department of transportation for the fiscal year ending June 30, 1997, for the purposes of making reimbursement grants under section 1 of this act. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

3 Effective Date. This act shall take effect April 1, 1996.

AMENDED ANALYSIS

This bill allows the owner of a privately owned airport to apply to the director of the division of aeronautics for a partial reimbursement of local property taxes paid. The bill makes a general fund appropriation for the purpose of paying reimbursements for fiscal year 1997.

Adopted.

Report adopted and ordered to third reading.

HB 1517-FN-A, increasing the cigarette tax and designating a portion of the revenue for cancer-related research and screening and anti-smoking campaigns. OUGHT TO PASS

Rep. Charles L. Vaughn for Finance: This bill increases the cigarette tax from 25 cents per pack to 36 cents — an 11 cent increase. Further, it designates a small portion of the tax for a cancer-related fund, including anti-smoking campaigns and screening. Maine and Connecticut have a six percent sales tax, Massachusetts five percent. The price per pack in New Hampshire compared to Massachusetts (if HB 1517 becomes law), will be 15 cents lower, Vermont eight cents lower, Maine one cent lower. In light of the above figures, the committee majority felt that border retailers would experience slight to moderate revenue loss in cigarette sales. Based on current revenue the tobacco tax will achieve increases of $17 million for 1997. Vote 13-10.

Reps. Kurk, Frances Riley and Peyron spoke against and yielded to questions.

Reps. Donna Soucy and Channing Brown spoke in favor and yielded to questions.

MOTION TO LAY ON THE TABLE

Rep. Kurk moved that **HB 1517**, increasing the cigarette tax and designating a portion of the revenue for cancer-related research and screening and anti-smoking campaigns, be laid on the table.

On a division vote, 102 members having voted in the affirmative and 199 in the negative, the motion failed.

The question now being the adoption of the report.

Rep. Wendelboe requested a roll call; sufficiently seconded.

HB 1575, extending the study committee considering the adoption of a constitutional amendment allowing a yield tax on sand, gravel, and similar materials and relative to taxation of sand, gravel, and similar materials for the tax year ending March 30, 1997. OUGHT TO PASS WITH AMENDMENT

Rep. Donna M. Soucy for Finance: This bill merely extends the period of time that the sand and gravel tax study committee has to complete its work. The committee is presently charged with consideration of a constitutional amendment allowing a yield tax on sand, gravel and similar substances. The current suspension of the law, which maintains the status quo relative to the method of assessing fair market value of gravel pit properties, would be granted one last time. Vote 23-0.

Amendment (4839L)

Amend the title of the bill by replacing it with the following:

AN ACT

extending the study committee considering the adoption of a constitutional amendment allowing a yield tax on sand, gravel, and similar materials and relative to taxation of sand, gravel, and similar materials for the tax year ending March 31, 1998.

Amend the bill by replacing all after the enacting clause with the following:

1 Reporting Date Extended. Amend 1995, 90:2 to read as follows:

90:2 Report. The committee shall report its findings and any recommendations for legislation to the senate president, the speaker of the house, the senate clerk, the house clerk, the governor, and the state library on or before November 1, [1995] ***1996***.

2 Intent. The legislature intends that the extension of the suspension of RSA 72:13 in section 3 of this act shall be the only extension of the suspension of RSA 72:13 provided for by amending 1995, 90:3.

3 Suspension Extended. Amend 1995, 90:3 to read as follows:

90:3 Suspension of Law. In order to maintain the status quo relative to the method of assessing fair market value of gravel pit properties during the study committee's examination, RSA 72:13, relative to taxation of mines, sand, gravel, loam, or other similar substances, is suspended until April 1, [1996] ***1998***; provided that any town operating under RSA 72:13 may continue applying RSA 72:13 if the local assessing officials so choose.

4 Effective Date.

I. Section 3 of this act shall take effect April 1, 1996.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill extends the study committee established in 1995, 90 which is considering the adoption of a constitutional amendment allowing a yield tax on sand, gravel, and similar substances. The bill continues a suspension of a provision on taxation of sand, gravel, and similar substances until April 1, 1998.

Tuesday, March 19, 1996

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

His Excellency, Governor Stephen Merrill, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of tender persistence, around us we see signs that winter is gradually yielding to spring, and we pray for the strength to be as vulnerable as that in the minds of our struggles for new life. At times of discernment and decision, give us courage enough to seek Your perspective, wisdom enough to fathom Your hopes and confidence enough to act upon our insights. All these prayers we ask in Your name. Amen.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Ann Torr moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 1288, relative to pesticide product registration, was removed at the request of Rep. Hall.

HB 1344, providing for an increase in the maximum cost of sweepstakes tickets and relative to the assignment of lottery prizes, was removed at the request of Rep. McGuirk.

HB 1515-A, establishing a telecommunications assistance program, was removed at the request of Rep. MacGillivray.

HB 1537-FN-A-L, relative to unapproved schools and appropriating a certain portion of real estate transfer tax revenues for emergency funding, was removed at the request of Rep. Jacobson.

Consent Calendar adopted.

HB 1346, relative to notice of benefits charges, maximum weekly benefits, and penalties for failure to disclose a material fact under the unemployment compensation laws. OUGHT TO PASS WITH AMENDMENT

Rep. Vivian R. Clark for Corrections and Criminal Justice: As written, this bill was unclear whether penalties were determined by the total benefit received or by that portion of the benefit received through misrepresentation. The committee amendment corrects that problem, and also increases the threshold for a class B felony sentence from $100 to $500. Vote 19-0.

Amendment (5301L)

Amend section 3 of the bill by replacing it with the following:

3 Penalties for Failure to Disclose a Material Fact. Amend RSA 282-A:161 to read as follows:

282-A:161 Generally. Whoever willfully makes a false statement or representation or knowingly fails to disclose a material fact to obtain or increase any benefit or other payment under this chapter, either for [himself] ***one's self***, or for any other person, shall be guilty of [a misdemeanor; and each such false statement or representation or failure to disclose a material fact shall constitute a separate and distinct offense]*:*

I. A class A felony if the amount of the additional benefit received as a result of the misrepresentation is $1,000 or more.

II. A class B felony if the amount of the additional benefit received as a result of the misrepresentation exceeds $500 but is less than $1,000.

III. A class A misdemeanor in all other cases.

AMENDED ANALYSIS

This bill requires the commissioner of the department of employment security to notify employers at least monthly, rather than weekly as under current law, of benefits which have been charged to their accounts.

The bill alters the penalties for failure to disclose a material fact to obtain or increase benefits.

This bill makes adjustments to the maximum weekly benefits schedule.

HB 1631, relative to the felonious use of body armor. OUGHT TO PASS WITH AMENDMENT

Rep. Sharleene P. Hurst for Corrections and Criminal Justice: The bill, as amended, modifies the law regarding the wearing of body armor during the commission of a crime. The current law includes misdemeanors and felonies and has received a broader interpretation than the sponsors intended. This bill removes misdemeanors from the law. The committee felt that a narrower interpretation of the law is more appropriate. Vote 19-0.

Amendment (5299L)

Amend the bill by replacing all after the enacting clause with the following:

1 Felonious Use of Body Armor. Amend RSA 650-B:2, I to read as follows:

I. A person is guilty of a class B felony if he commits or attempts to commit any [misdemeanor or] felony while using or wearing body armor.

2 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill modifies RSA 650-B:2, I, relative to felonious use of body armor, by removing misdemeanor offenders from its scope.

HB 1635-L, relative to sentencing for juvenile delinquents. REFER FOR INTERIM STUDY

Rep. L. Randy Lyman for Corrections and Criminal Justice: The juvenile justice system is currently undergoing an intensive study. The subject matter in HB 1635-L should and will be studied as one of the components of the overall picture. Vote 18-1.

HB 1632, authorizing degree granting authority to the Manchester Institute of Arts and Sciences. OUGHT TO PASS

Rep. William A. Riley for Education: This bill provides legislative authorization which is the first requirement for degree granting authority. The institution must now be accredited by the Postsecondary Education Commission and meet all the requirements of that commission before final authority is granted. Vote 17-0.

HB 1177-FN, relative to the state board of licensing for foresters. OUGHT TO PASS WITH AMENDMENT

Rep. Sandy B. Stettenheim for Executive Departments and Administration: This bill, as amended, clarifies the subpoena authority of the foresters' board, sets a maximum for administrative fines and, in keeping with the other regulatory boards in New Hampshire, repeals the sunset provision of this board. Vote 12-0.

Amendment (5283L)

Amend the bill by replacing sections 3-6 with the following:

3 New Section; Revocation or Suspension of License; Authority to Subpoena Added. Amend RSA 310-A by inserting after section 113 the following new section:

310-A:113-a Additional Powers; Subpoenas. The board shall have the power to subpoena witnesses and compel, by subpoena duces tecum, the production of books, papers, and documents in a case involving the suspension or revocation of licensure. Any member of the board may administer oaths or affirmations to witnesses appearing before the board.

4 Reference to Administrative Fines Added. Amend RSA 310-A:114 to read as follows:

310-A:114 Violations; Penalty. Any person who practices or offers to practice forestry in this state for others ***for compensation*** without a license in accordance with this subdivision, or any person presenting or attempting to use the license or seal of another, or any person who gives any false or forged evidence of any kind to the board or to any board member in obtaining or attempting to obtain a license, or any person who falsely impersonates any other licensed forester, or any person who attempts to use an expired or nonexistent or revoked license, or any person who violates any of the provisions of this subdivision, shall be guilty of a class B misdemeanor if a natural person, or guilty of a felony if any other person. ***The board may also impose administrative fines for violations of this subdivision in accordance with rules adopted under RSA 310-A:102, VIII which shall not exceed $2,000 per offense, or in the case of a continuing offense, $250 for each day the violation continues.***

5 Repeal. 1990, 166:7, relative to the prospective repeal of RSA 310-A:98-117 relating to licensing foresters, is repealed.

6 Effective Date.

I. Sections 2 and 3 of this act shall take effect 60 days after its passage.

II. Section 5 of this act shall take effect upon its passage.

III. The remainder of this act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill:

I. Authorizes the board of licensing for foresters to adopt rules establishing administrative fines for violations of RSA 310-A.

II. Authorizes the board to grant licenses to persons who do not have formal forestry education if such person has otherwise satisfactory credentials.

III. Authorizes the board to issue subpoenas duces tecum in suspension and revocation cases.

IV. Repeals the prospective repeal of RSA 310-A:98-117, relative to licensing foresters.

This bill is a request of the division of forest and lands, department of resources and economic development.

HB 1368, requiring permits for dentists who administer general anesthesia, deep sedation and conscious sedation, and giving the board of dental examiners related rulemaking authority regarding the permits and fees. OUGHT TO PASS

Rep. Merton S. Dyer for Executive Departments and Administration: The ED&A committee was the second policy committee to review this bill. The Dental Board brought this forward at the request of the Joint Legislative Committee on Administrative Rules. The committee finds that this bill properly addresses the concerns of the Dental Board about temporary licensure for clinical teaching programs for dentists. Vote 13-0.

HB 1634-FN, relative to licenses and license fees of electricians. OUGHT TO PASS WITH AMENDMENT

Rep. Sandy B. Stettenheim for Executive Departments and Administration: This bill enables the electricians board to issue late license renewals for up to one year from the date of expiration and to collect fees for such late renewals. The bill also allows a master or journeyman who is serving in the Armed Forces to be placed on inactive status. Vote 13-0.

Amendment (5253L)

Amend the bill by replacing section 2 with the following:

2 Renewal of Licenses. Amend RSA 319-C:9 to read as follows:

319-C:9 Renewal of Licenses.

I. Notwithstanding any outstanding license to the contrary, all licenses issued by the board shall expire on the last day of the month of the licensee's birth, but may be renewed ***without additional fees*** during the following month, retroactive to the first day of the month. ***Upon payment of the normal renewal fee and a late fee, licenses which have been expired for at least one month shall be permitted to be renewed within one year after the date of expiration.*** The [fee] ***fees*** for renewal ***and late renewal*** of a license issued under this chapter shall be established by the board.

II. Upon request of a master or journeyman electrician who is serving in the Armed Forces of the United States, the board shall place such licensee on inactive status. The license may be reactivated within one year of discharge by payment of the renewal fee and with proof of completion of the most current continuing education requirement.

AMENDED ANALYSIS

This bill modifies RSA 319-C by expanding the authority of the electricians' board to include establishment of fees for late renewal of licenses to practice. It allows an expired electrician license to be renewed without a late fee during the month following its expiration and thereafter with payment of renewal fees and late fees. The bill also allows a master or journeyman electrician who is serving in the Armed Forces of the United States to be placed on inactive status.

This bill is a request of the electricians' board.

HB 1134-FN, relative to registration of certain criminal offenders. OUGHT TO PASS WITH AMENDMENT

Rep. Franklin G. Torr for Finance: The amendment was requested by the Committee on Corrections and Criminal Justice to correct a couple glitches. The Department of Safety has indicated this bill will not have a financial impact on the department during this biennium. Vote 22-0.

Amendment (5332L)

Amend RSA 651-B:1, V as inserted by section 1 of the bill by replacing it with the following:

V. "Offender against children" means a person who has been convicted of any violation of attempted violation of:

(a) Any of the following offenses, where the victim was under the age of 18 at the time of the offense, RSA 633:1, 633:2, 633:3 or 645:2; or

(b) RSA 649-A:3; or

(c) A law of another state or the federal government reasonably equivalent to a violation listed in subparagraph (a) or (b).

Amend RSA 651-B:4, I as inserted by section 1 of the bill by replacing it with the following:

I. Any person required to be registered under this chapter shall be required to report such person's current mailing address and place of residence or temporary domicile to the local law enforcement agency within 30 days after the person's release from custody following conviction, or within 30 days after the person's date of establishment of residence in New Hampshire if convicted elsewhere. Such report shall also be made annually within 30 days after each anniversary of the person's date of release from custody following conviction, or after each anniversary of the person's date of establishment of residence in New Hampshire if convicted elsewhere, and additionally within 30 days after any change of address or place of residence. Forms for reporting shall be provided by the department to each municipal police and county sheriff department, and shall include a copy to be receipted and returned to the person filing the report and a copy to be forwarded to the division. The division shall include such address report information in the LENS system, and shall also use the information to maintain a current address in the person's criminal record as maintained under RSA 106-B:14.

Amend RSA 651-B:6, I-II as inserted by section 1 of the bill by replacing it with the following:

I. Any sexual offender convicted of a violation or attempted violation of RSA 632-A:2 or 632-A:3, and any offender against children convicted of a violation or attempted violation of RSA 633:1, 633:2, 645:2, II or 649-A:3, I, or of an equivalent offense in an out-of-state jurisdiction, shall be registered for life.

II. Any sexual offender convicted of a violation or attempted violation of RSA 632-A:4 or RSA 645:1, II, and any offender against children convicted of a violation or attempted violation of RSA 633:3, 645:2, I or 649-A:3, III, or of an equivalent offense in an out-of-state jurisdiction, shall be registered for a 10-year period from the date of release following conviction, provided that any such registration period shall not run concurrently with any registration period resulting from a subsequent conviction.

HB 1184-FN, amending certain license fees and making various technical changes to the fish and game laws. REFER FOR INTERIM STUDY

Rep. Fredrik Peyron for Finance: This bill makes major changes in fish and game licenses and permits. In large measure, it attempts to make our fees comparable with those in other states and to reduce pressure from out-of-state hunters. This resulted in fee increases of as much as 400%. Although supporting the intent of the bill, the Committee was unable to conclude that these increases were cost-justified, as our Constitution requires. This issue can be addressed in interim study. Vote 25-0.

HB 1186-FN, requiring the executive director of the department of fish and game to adopt rules regulating fishing tournaments, including tournament fees. OUGHT TO PASS WITH AMENDMENT

Rep. David J. Alukonis for Finance: As amended, this bill maintains the currently-existing $25 permit fee relative to the promotion and operation of fishing tournaments. It further allows the executive director of fish and game to adopt rules relative to definitions, conditions, requirements for waivers, including waivers of the fee, qualifications, and all other criteria relating to the operation of a fishing tournament on any waters of the state. Vote 20-0.

Amendment (5287L)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the executive director of the department of fish and game to adopt rules regulating fishing tournaments, including rules regarding waivers of tournament fees.

Amend the bill by replacing all after the enacting clause with the following:

1 Reference to Commercial Deleted; Rulemaking Added. Amend RSA 211:16-b to read as follows:

211:16-b [Commercial] Fishing Tournaments.

I. No person shall promote or operate any [commercial] fishing tournament [or contest] in the waters under the jurisdiction of this state without first procuring a special permit from the executive director [so] to do *so*. The fee for a permit issued under this section is $25. [The executive director may adopt regulations for such tournaments or contests pursuant to the authority of RSA 206:10.]

II. The executive director shall adopt rules, pursuant to RSA 541-A, relative to definitions, conditions, requirements for waivers, including waivers of the fee, qualifications, and all other criteria relating to the operation of a fishing tournament on any waters of the state.

2 Repeal. RSA 206:35-d, relative to fishing derbies conducted by an organization, is repealed.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the executive director of the department of fish and game to adopt rules regulating fishing tournaments. The rules shall include rules relating to waiver of tournament fees.

The bill also repeals a provision allowing an organization conducting a fishing derby to contribute 20 percent of derby proceeds to the department of fish and game for replenishing the fish stock.

HB 1335-FN-A-L, relative to the New Hampshire Main Street Center and local Main Street programs and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Robert L. Wheeler for Finance: The committee heard from the Office of State Planning and accepted the value contained in the Office's message. The Main Street program can benefit those communities which are interested. Vote 20-0.

Amendment (5290L)

Amend the bill by replacing sections 2 and 3 with the following:

2 New Hampshire Main Street Center and Local Main Street Programs.

I. Notwithstanding any provisions of law to the contrary, municipalities may participate in local Main Street programs.

II. Notwithstanding any provisions of law to the contrary, state agencies shall make their resources available to the New Hampshire Main Street Center and local Main Street programs, as available.

3 Appropriation. The sum of $1 is hereby appropriated for the fiscal year ending June 30, 1997 to the office of state planning for the purposes of this act in conjunction with the business office for the New Hampshire Main Street Center located in Concord, N.H. The governor is authorized to draw a warrant for said sum out of any moneys in the treasury not otherwise appropriated.

AMENDED ANALYSIS

This bill enables municipalities to participate in local Main Street programs and makes an appropriation for the purposes of this bill.

HB 1449-FN-A, revising the school building aid system and continually appropriating a certain portion of real estate transfer tax revenues for such purpose. REFER FOR INTERIM STUDY

Rep. Patricia A. Dowling for Finance: The committee thought that the issue was a valid one to study further should there be economic changes. Vote 20-0.

HB 1458, relative to the commissioner's authority to make expenditures for certain railroad projects, and requiring the state to provide warning signs for public crossings over state-owned railroad lines. OUGHT TO PASS

Rep. David J. Alukonis for Finance: The committee has reviewed the legislation and endorses the bill as amended by the House on February 21. The bill allows the commissioner of transportation to expend up to $5,000 for each project involving the operation and maintenance of state-owned railroad properties without a special appropriation or the approval of the fiscal commit-

tee and governor and council. All funds would be appropriated from the "Special Railroad Fund" which is funded by monies received from operating agreements, rentals, and permit fees associated with state-owned and other railroad properties. Vote 24-0.

HB 1528-FN, relative to the legislative mileage rate. REFER FOR INTERIM STUDY

Rep. Robert L. Wheeler for Finance: This bill deals with alternative methods in dealing with travel allowance for members of the General Court. Since it is not clear the degree of scrutiny Internal Revenue would extend to our members in the audit program and since CACR 23 dealing with this issue is in interim study the committee felt this bill should also go the same way. Vote 21-0.

HB 1530-FN, authorizing the executive director of the department of fish and game to regulate the taking of deer and moose and permitting the director to adopt rules relative to a registration agent's fees. OUGHT TO PASS WITH AMENDMENT

Rep. Fredrik Peyron for Finance: The amendment removes policy issues that were a part of HB 1184-FN which has been recommended for interim study. Vote 20-0.

Amendment (5282L)

Amend the bill by replacing all after section 19 with the following:

20 Repeal. The following are repealed:

I. RSA 208:22, VIII, relative to the sale of bear.

II. RSA 211:6-a, relative to fishing on Umbagog Lake.

III. RSA 211:6-b, relative to the elimination of the weight limit on black bass.

IV. RSA 211:6-c, relative to fishing on Christine Lake.

V. RSA 214:34-e, relative to the season for taking baitfish.

21 Effective Date.

I. Sections 2, 4, 14, 18, and 19 of this act shall take effect January 1, 1997.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

Sections 2, 4, and 14 of this bill authorize the executive director of the department of fish and game to regulate the taking of deer and moose and permit the director to adopt rules relative to a registration agent's fees.

Section 18 changes the general penalty section regarding fishing violations.

Section 19 removes the requirement that certain fish wholesalers procure a license.

Section 20 repeals various statutes relative to fishing on certain lakes, the sale of bear, and the taking of certain types of fish.

The remainder of this bill amends gender-specific references in RSA 208 to conform to the requirement of gender-neutral drafting under RSA 17-A:6.

HB 1532-FN-L, requiring school districts to file a district-wide plan for the evaluation and remediation of teachers with the department of education. OUGHT TO PASS WITH AMENDMENT

Rep. Gerald P. Merrill for Finance: It shall be optional for a school district to file with the department of education a plan for the evaluation and remediation of teachers. There is no fiscal impact on state funds. Vote 22-0.

Amendment (5289L)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing school districts to file a district-wide plan for the evaluation and remediation of teachers with the department of education.

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Teacher Evaluation and Remediation Plans. Amend RSA 189:14-a by inserting after paragraph II the following new paragraph:

III. This paragraph shall be optional for a school district. If a school district adopts the provisions of this section, a school district shall have on file with the department of education a district-wide plan for the evaluation and remediation of teachers. The school district shall be

required to submit evidence of compliance with its filed plan when a teacher is not renominated or reelected. The state board of education shall be required to review the district's compliance with its filed plan and the evaluation of such teacher based on such plan in its appeal process and deliberations. Failure of a school district to comply with its plan shall cause the state board to remand the case to the local district pending its compliance with such plan.

AMENDED ANALYSIS

This bill allows school districts to file a district-wide plan for the evaluation and remediation of teachers with the department of education in order to deny renomination or reelection of a teacher under RSA 189:14-a.

HB 1571, relative to the guidelines for the construction and maintenance of certain recreational trails and reducing the filing fee for permits for certain recreational trails. OUGHT TO PASS WITH AMENDMENT

Rep. Franklin G. Torr for Finance: The amended bill restores the fee to its original level. Vote 21-0.

Amendment (5272L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the guidelines for the construction and maintenance of certain recreational trails.

Amend the bill by deleting section 2 and renumbering the original section 3 to read as 2.

AMENDED ANALYSIS

This bill changes the reference to be used by persons constructing and maintaining recreational trails from the Trail Administrators Manual to the Best Management Practices for Erosion Control During Trail Maintenance and Construction.

HB 1577-FN, relative to expenses for voluntary or court dispositional service plans. OUGHT TO PASS WITH AMENDMENT

Rep. Patricia A. Dowling for Finance: This bill provides that parental liability for the expenses for voluntary or court dispositional service plans shall be recoverable for a period of three years after such service is rendered. Vote 16-0.

Amendment (5339L)

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Intent. The legislature intends for this act to apply to all cases open for reimbursement on or after July 1, 1995.

2 Delinquent Children; Parental Liability for Services Recoverable for One Year. RSA 169-B:40, I(c) is repealed and reenacted to read as follows:

(c) The state shall have a right of action over for such expenses against the parents and the right to require parents to assign to the state any insurance benefits that may be available to pay for all or a portion of the services provided. The division shall request reimbursement for such expenses from parents and shall request assignment to the state of any insurance benefits that may be available to pay for all or a portion of the services provided. The court shall require the parent to submit a financial statement annually to the court upon which the court shall make an order as to reimbursement to the state as may be reasonable and just, based on the parent's ability to pay. Such financial statement shall include, but not be limited to, any benefits received from the Social Security Administration or insurance benefits available to the individual. The court shall include disposition of these benefits in its order as to reimbursement. Such reimbursement shall be established on a per month or per week basis and shall continue from the time the services begin until 3 years beyond the time such services end, unless such reimbursement is fully paid prior to the end of the 3-year period. The court's jurisdiction to order reimbursement shall continue until the obligation to reimburse has been fulfilled. If the court does not issue a reimbursement order, the court shall issue written findings explaining why such reimbursement is not ordered.

3 Abused or Neglected Children; Parental Liability for Services Recoverable for One Year. RSA 169-C:27, I(c) is repealed and reenacted to read as follows:

(c) The state shall have a right of action over for such expenses against the parents and the right to require parents to assign to the state any insurance benefits that may be available to pay for all or a portion of the services provided. The division shall request reimbursement for such expenses from parents and shall request assignment to the state of any insurance benefits that may be available to pay for all or a portion of the services provided. The court shall require the parent to submit a financial statement annually to the court upon which the court shall make an order as to reimbursement to the state as may be reasonable and just, based on the parent's ability to pay. Such financial statement shall include, but not be limited to, any benefits received from the Social Security Administration or insurance benefits available to the individual. The court shall include disposition of these benefits in its order as to reimbursement. Such reimbursement shall be established on a per month or per week basis and shall continue from the time the services begin until 3 years beyond the time such services end, unless such reimbursement is fully paid prior to the end of the 3-year period. The court's jurisdiction to order reimbursement shall continue until the obligation to reimburse has been fulfilled. If the court does not issue a reimbursement order, the court shall issue written findings explaining why such reimbursement is not ordered.

4 Children in Need of Services; Parental Liability for Services Recoverable for One Year. RSA 169-D:29, I(c) is repealed and reenacted to read as follows:

(c) The state shall have a right of action over for such expenses against the parents and the right to require parents to assign to the state any insurance benefits that may be available to pay for all or a portion of the services provided. The division shall request reimbursement for such expenses from parents and shall request assignment to the state of any insurance benefits that may be available to pay for all or a portion of the services provided. The court shall require the parent to submit a financial statement annually to the court upon which the court shall make an order as to reimbursement to the state as may be reasonable and just, based on the parent's ability to pay. Such financial statement shall include, but not be limited to, any benefits received from the Social Security Administration or insurance benefits available to the individual. The court shall include disposition of these benefits in its order as to reimbursement. Such reimbursement shall be established on a per month or per week basis and shall continue from the time the services begin until 3 years beyond the time such services end, unless such reimbursement is fully paid prior to the end of the 3-year period. The court's jurisdiction to order reimbursement shall continue until the obligation to reimburse has been fulfilled. If the court does not issue a reimbursement order, the court shall issue written findings explaining why such reimbursement is not ordered.

5 Application of 1995, 308:60, 73, and 85; State's Right of Action for Recovery of Expenses and Transaction Costs for a Minor's Support. The provisions of RSA 169-B:40, I(c); 169-C:27, I(c); and 169-D:29, I(c); as amended by 1995, 308:60; 308:73; and 308:85; shall not be applied retroactive to July 1, 1995, and any person chargeable by law and adversely affected by the retroactive application of such provisions shall receive notice of such from the resident county and such liability shall be recalculated on the basis of the provisions of this act.

6 Application of This Act. The provisions of this act shall apply to all liabilities incurred under RSA 169-B:40, I(c); 169-C:27, I(c); and 169-D:29, I(c) as of July 1, 1995.

7 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill provides that parental liability for the expenses for voluntary or court dispositional service plans shall be recoverable for a period from the time the services begin until 3 years beyond the time such services end.

It also provides application provisions for 1995, 306:60, 73, and 85 and the provisions set forth in this bill.

HB 1584-FN-L, relative to the establishment of a DNA databank and to the DNA testing of convicted sexual offenders. OUGHT TO PASS WITH AMENDMENT

Rep. Arthur P. Klemm, Jr. for Finance: This bill as amended establishes a DNA databank and the DNA testing of convicted sexual offenders. The department of safety testified that $150,000 of federal funds may be available for start up costs which include equipment and renovations in FY 1997. The program would then go through the normal budget process in FY 1998. Vote 20-1.

Amendment (5284L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the establishment of a DNA database and to the DNA testing of convicted sexual offenders.

Amend the bill by replacing sections 1-2 with the following:

1 New Subdivision; DNA Testing of Sexual Offenders. Amend RSA 632-A by inserting after section 19 the following new subdivision:

DNA Testing of Sexual Offenders

632-A:20 Definitions. In this subdivision:

I. "CODIS" means the Combined DNA Index System, the FBI's national DNA identification index system.

II. "Department" means the department of safety.

III. "Division" means the division of state police, department of safety.

IV. "DNA" means deoxyribonucleic acid.

V. "DNA record" means the DNA identification information stored in the state DNA database or CODIS for the purposes of generating investigative leads or supporting statistical interpretation of DNA test results. The DNA record is the objective form of the DNA analysis test and may include numerical representation of DNA fragment lengths, digital images of autoradiographs, discrete allele assignment numbers, and similar characteristics obtained from a DNA sample which are of value in establishing the identity of individuals. A DNA record may not specify the presence, absence, or alteration of any gene or chromosome.

VI. "DNA sample" means a blood, tissue, or hair follicle sample provided by any person or submitted to the division pursuant to this subdivision for analysis or storage or both.

VII. "FBI" means the Federal Bureau of Investigation.

VIII. "Juvenile sexual offender" means a person who has been found delinquent because of actions which, if the person were an adult, would be crimes under subparagraph IX(a).

IX. "Sexual offender" means a person who has been convicted of any violation of:

(a) RSA 632-A:2, RSA 632-A:3, or RSA 632-A:4; or

(b) A law of another state or the federal government reasonably equivalent to a violation listed in subparagraph (a).

632-A:21 DNA Analysis Required.

I. Before the release of any sexual offender after conviction, or of any juvenile sexual offender after finding of delinquency, whether on probation, conditional or unconditional release, completion of sentence, or release for any other reason, such person shall have a blood sample taken for DNA analysis to determine identification characteristics specific to the person.

II. The analysis shall be performed under the direction of the division, following procedures in conformance with the federal "DNA Identification Act of 1991". Identifying characteristics of the resulting DNA profile shall be stored and maintained by the division in a DNA database compatible with the CODIS system. Information in the database shall be made available only as provided in RSA 632-A:22.

III. The division shall prescribe procedures compatible with the Federal Bureau of Investigation's requirements for the CODIS program, to be used in the collection, submission, identification, analysis, storage and disposition of DNA samples and DNA records obtained pursuant to this subdivision.

IV. The division may contract with third parties for the purposes of this subdivision. Any DNA sample sent to third parties for analysis shall be coded to maintain confidentiality concerning the donor of the sample.

V. A certificate and the results of the analysis shall be admissible in any court as evidence of the facts stated in the analysis.

632-A:22 Dissemination of Information in DNA Database.

I. It shall be the duty of the division to receive blood samples and to analyze, classify, and store the DNA records of blood samples submitted pursuant to this subdivision, and to make such information available to federal, state, and local law enforcement officers upon request made in furtherance of an official investigation of any criminal offense. Such law enforcement officers shall use such information only for the purposes of criminal investigations and prosecutions, or as necessary to the functions of an office of chief medical examiner. A request may be made by personal contact, mail, or electronic means. The name of the person making the request and the purpose for which the information is requested shall be maintained on file with the division.

II. The commissioner of the department of safety shall adopt rules under RSA 541-A to govern the methods of obtaining information from the state DNA database and CODIS and procedures for verification of the identity and authority of the requester.

III. Upon request, a copy of the request for a search shall be furnished to any person identified and charged with an offense as the result of a search of information in the database. Only when a sample or DNA record supplied by the person making the request satisfactorily matches a profile in the database shall the existence of data in the database be confirmed or identifying information from the database be disseminated.

IV. The division shall create a separate statistical database comprised of DNA records of persons whose identities are unknown. Nothing in this subdivision shall prohibit the department from sharing or otherwise disseminating the information in the statistical database with law enforcement or criminal justice agencies within or without the state.

632-A:23 Unauthorized Dissemination or Use of DNA Database Information; Obtaining Blood Samples Without Authority; Penalties. Any person who, without authority, disseminates information contained in the DNA database shall be guilty of a class B misdemeanor. Any person who disseminates, receives, or otherwise uses or attempts to use information in the database, knowing that such dissemination, receipt or use is for a purpose other than as authorized by the provisions of this subdivision, shall be guilty of a class A misdemeanor. Except as authorized by law, any person who, for purposes of having a DNA analysis performed, obtains or attempts to obtain any sample submitted to the forensic science laboratory for analysis shall be guilty of a class B felony.

632-A:24 Expungement of DNA Database Records Upon Reversal or Dismissal of Conviction.

I. A person whose DNA record has been included in the database pursuant to this subdivision may request expungement on the grounds that the criminal conviction on which the authority for including such person's DNA record was based has been reversed and the case dismissed. The department shall purge all records and identifiable information in the database pertaining to the person and destroy all samples from the person upon receipt of a written request for expungement pursuant to this section and a certified copy of the court order reversing and dismissing the conviction.

II. The DNA record of any juvenile sexual offender shall be maintained in the database and shall not be automatically expunged from the database upon that individual reaching the age of adulthood.

2 Funding. The division is authorized to apply for, accept, and expend any private or federal assistance funds available to support the creation or improvement of state DNA analysis capabilities. The division shall not be required to collect, evaluate or enter data from DNA samples unless adequate funding for such activities has been appropriated.

AMENDED ANALYSIS

This bill requires sexual offenders to provide a blood sample for DNA analysis and for filing in a DNA database.

HB 1614-FN, establishing a boating education and enforcement fund. OUGHT TO PASS WITH AMENDMENT

Rep. Merle W. Schotanus for Finance: The amendment to this bill replaces the bill and establishes in law a basis for funding the division of safety services for the FY 98-99 biennium. The amendment results in no fiscal impact on current state budget. Vote 23-0.

Amendment (5233L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the road toll refund.

Amend the bill by replacing all after the enacting clause with the following:

1 Gasoline Usage Added. Amend RSA 260:60 to read as follows:

260:60 Exception. Annually on or before June 1, the road toll administrator shall compare the number of gallons on which refunds have been made for the preceding calendar year for motor fuel used in the propulsion of boats on inland public waters of the state, with the number of gallons of such motor fuel sold and delivered directly into the fuel tanks, or supplementary fuel tanks, of boats or outboard motors upon the inland public waters for use in such boats or outboards, [as estimated by the department] based on the number of boats registered in the state ***at 100 gallons usage per boat***, and if there is any balance of unrefunded tolls so collected, he shall report the same to the state treasurer who shall, on July 1, next following, credit 1/2 of said balance to the division of safety services, having jurisdiction over the navigation of such boats or motors, and credit 1/2 of said balance to the fish and game department. Funds credited to the division of safety services shall be used for the promotion of the safety of navigation and the funds credited to the fish and game department shall be used by said department to carry out its program and be accounted for as the fish and game fund is accounted for. Any balances in the funds hereby credited as above provided shall not lapse at the end of the fiscal year. The department shall pay monthly to the state treasurer all revenue from the aircraft landing area toll.

2 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill changes how road toll refunds are calculated.

HB 1633-FN-L, relative to solid waste management. OUGHT TO PASS WITH AMENDMENT

Rep. Robert L. Wheeler for Finance: This bill relative to solid waste management encourages increases in the weight reduction threshold for double-lined landfill facilities to 40% by the year 2000 by reaffirming the goals in the state solid waste management plan. Vote 15-0.

Amendment (5335L)

Amend the bill by replacing all after the enacting clause with the following:

1 Waste Reduction Goal; Disposal or Recycleable Materials. Amend RSA 149-M:1-a, III to read as follows:

III. The general court further declares that the goal of the state, for the period 1990-2000, is to achieve a 40 percent minimum weight reduction in the solid waste stream on a per capita basis. Weight reduction shall be measured with respect to changes in the total waste stream generated. The goal of weight reduction shall be achieved through source reduction, recycling and reuse, and composting, or any combination of such methods***, provided that recycleable materials shall not be disposed of in a lined landfill with a leachate collection system.*** Ash resulting from waste-to-energy technologies or other incineration shall not be subject to further weight reduction. Recycling, reuse, and composting efforts existing upon the effective date of this paragraph shall be considered as counting towards the 40 percent weight reduction goal.

2 Waste Reduction Goal; Disposal of Recycleable Materials; Recodified Version. Amend RSA 149-M:2, I to read as follows:

I. The general court declares that the goal of the state, for the period 1990-2000, is to achieve a 40 percent minimum weight reduction in the solid waste stream on a per capita basis. Weight reduction shall be measured with respect to changes in the total waste stream generated. The goal of weight reduction shall be achieved through source reduction, recycling, reuse, and composting, or any combination of such methods***, provided that recycleable materials shall not be disposed of in a lined landfill with a leachate collection system.*** Ash resulting from waste-to-energy technologies or other incineration shall not be subject to further weight reduction. Recycling, reuse, and composting efforts existing as of 1990 shall be considered as counting towards the 40 percent weight reduction goal.

3 Solid Waste Facility Permit; Local Requirements Not Affected. RSA 149-M:10, IV is repealed and reenacted to read as follows:

IV. The issuance of a facility permit by the division shall not affect any obligation to obtain local approvals required under all lawful local ordinances, codes, and regulations not inconsistent with this chapter. Local land use regulation of facility location shall be presumed lawful if administered in good faith.

4 Solid Waste Facility Permit; Local Requirements Not Affected; Recodified Version. Amend RSA 149-M:9, VII to read as follows:

VII. [A] ***The issuance of a facility*** permit [issued] by the division [for a facility] shall not [eliminate the need to comply with] ***affect any obligation to obtain local approvals required under*** all lawful local ordinances, codes, and regulations [that are consistent with a district plan] ***not inconsistent with this chapter. Local land use regulation of facility location shall be presumed lawful if administered in good faith.***

5 Refuse Reduction. RSA 149-M:22 is repealed and reenacted to read as follows:

149-M:22 Refuse Reduction.

I. If the division finds that an emergency exists requiring immediate action to protect the public health, it may issue an order suspending all or any part of this section during such emergency.

II. No wet-cell batteries shall be disposed of in a solid waste landfill facility or composting facility or incinerator, whether in a waste-to-energy facility or otherwise.

III. No leaf or yard waste shall be disposed in a solid waste landfill or incinerator including any waste to energy facility. This paragraph shall not apply to municipalities organized under RSA 53-A, RSA 53-B, or 1986, 139, if application of the paragraph would cause the municipality to violate or incur penalties under legal obligations existing on January 1, 1993. Any person who violates this paragraph shall be subject to the penalties and enforcement provisions of RSA 149-M:12 and 12-a.

6 Refuse Reduction; Recodified Version. RSA 149-M:27 is repealed and reenacted to read as follows:

149-M:27 Refuse Reduction.

I. If the division finds that an emergency exists requiring immediate action to protect the public health, it may issue an order suspending all or any part of this section during such emergency.

II. No wet-cell batteries shall be disposed of in a solid waste landfill facility or composting facility or incinerator, whether in a waste-to-energy facility or otherwise.

III. No leaf or yard waste shall be disposed in a solid waste landfill or incinerator including any waste to energy facility. This paragraph shall not apply to municipalities organized under RSA 53-A, RSA 53-B, or 1986, 139, if application of the paragraph would cause the municipality to violate or incur penalties under legal obligations existing on January 1, 1993. Any person who violates this paragraph shall be subject to the penalties and enforcement provisions of RSA 149-M:15 and 16.

7 Town Bylaws. RSA 149-M:13, II(a) is repealed and reenacted to read as follows:

II.(a) A town may make bylaws governing its facility and fixing reasonable rates for its use, and governing the separation and collection of refuse within the municipality and the registration of haulers collecting or disposing of refuse within the municipality, all in a manner not inconsistent with this chapter. Furthermore, a town may make bylaws requiring residents to deposit their refuse in specifically designated bags or containers, or in bags or containers that have attached to them a disposal sticker. Such bags, containers, or disposal stickers shall be sold or made available by the town at a reasonable price.

8 Town Bylaws; Recodified Version. RSA 149-M:17, II(a) is repealed and reenacted to read as follows:

II.(a) A town may make bylaws governing its facility and fixing reasonable rates for its use, and governing the separation and collection of refuse within the municipality and the registration of haulers collecting or disposing of refuse within the municipality, all in a manner not inconsistent with this chapter. Furthermore, a town may make bylaws requiring residents to deposit their refuse in specifically designated bags or containers, or in bags or containers that have attached to them a disposal sticker. Such bags, containers, or disposal stickers shall be sold or made available by the town at a reasonable price.

9 Contingency.

I. If HB 1572-LOCAL, of the 1996 legislative session becomes law, sections 2, 4, 6, and 8 of this act shall take effect at 12:01 a.m. on the effective date of HB 1572-LOCAL, and sections I, 3, 5, and 7 of this act shall not take effect.

II. If HB 1572-LOCAL of the 1996 legislative session does not become law, sections 2, 4, 6, and 8 of this act shall not take effect, and sections 1, 3, 5, and 7 of this act shall take effect upon its passage.

10 Effective Date.

I. Sections 1-8 of this act shall take effect as provided in section 9.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

(1) Clarifies the obligations of solid waste facilities to obtain local approvals.

(2) Clarifies the methods to achieve weight reduction goals.

(3) Clarifies authority of towns to make bylaws governing refuse.

HR 62, instructing the house finance committee to study alternatives to the use of municipal property taxes to fund public primary and secondary education. OUGHT TO PASS WITH AMENDMENT

Rep. Avis B. Nichols for Finance: This resolution provides that the committee on finance or any successor committee dealing with revenues shall study alternatives to financing primary and secondary education and report its findings and recommendations to the speaker of the house by November 1, 1997. This study was prompted in part by consideration of HB 1387 and HB 1617. Vote 22-0.

Amendment (5321L)

Amend the resolution by replacing the title of the resolution with the following:

A RESOLUTION

instructing the house finance committee to study alternatives
to fund public primary and secondary education.

Amend the resolution by replacing all after the title with the following:

Whereas, the New Hampshire general court and cities and towns are committed to maintaining excellence in New Hampshire public school education; and

Whereas, the New Hampshire general court should regularly review the mechanisms used by the state to insure that an appropriate amount of annual education funding is available to every city and town; and

Whereas, most of the property taxes raised in New Hampshire are used to support public primary and secondary education; and

Whereas, the state of New Hampshire should review from time to time the impact of its tax policy on educational funding; and

Whereas, the New Hampshire general court should consider and establish priorities for the needs of all New Hampshire citizens in allocating limited state resources; now, therefore, be it

Resolved by the House of Representatives:

That its committee on finance, or any successor committee dealing with revenues, shall study alternatives to funding public primary and secondary education and shall report its findings and recommendations to the speaker of the house by November 1, 1997.

AMENDED ANALYSIS

This house resolution instructs the house finance committee to study alternatives to fund public primary and secondary education.

HCR 29, encouraging gun safety education programs for children. OUGHT TO PASS

Rep. David A. Welch for Public Protection and Veterans Affairs: HCR 29 encourages public and private schools, law enforcement agencies, civic organizations and daycare centers to sponsor gun safety education programs for children. "Why Teach Your Child Gun Safety? As a parent, you are responsible for your child's safety as well as for teaching values and good judg-

ment to your child. There are guns in approximately one-half of United States households, amounting to almost 200 million guns. Even if no one in your family owns a gun, chances are that someone you know does. Your child could come in contact with a gun at a neighbor's house or when playing with friends. Teach your child to Always Be Safe. Explain to your child that he or she should not touch a gun unless you are present and/or give your permission. If your child sees a gun, he or she should follow the basic safety measures of the Eddie Eagle Elementary Gun Safety Education Program: 1. STOP! 2. DON'T Touch. 3. LEAVE the Area. 4. TELL an Adult." Programs such as the Eddie Eagle Gun Safety Program reach over a million parents and children each year. In view of the recent tragedies involving young children and firearms, it makes considerable sense to teach young children from preschool to sixth graders with a proven gun safety education program utilizing professional guidance from education specialists, child psychologists, law enforcement agencies, and urban housing safety officials. Since its inception in 1988, The Eddie Eagle Gun Safety Program has reached over seven million children and parents. Vote 15-0.

HJR 26, urging the United States Postal Service to issue a stamp to honor Maxfield Parrish. OUGHT TO PASS WITH AMENDMENT

Rep. Douglass P. Teschner for State-Federal Relations: Maxfield Parrish, a citizen of New Hampshire for sixty eight years, was one of the foremost American artist/illustrators of the early twentieth century. He died in 1966, and his ashes are buried in Plainfield. A committee of the Plainfield Historical Society wrote to the Postmaster General urging that a stamp be issued in his honor. Having received no response, the State-Federal Relations Committee hopes that this resolution will attract the needed attention. Vote 10-0.

Amendment (5275L)

Amend the resolution by replacing all after the resolving clause with the following:

That the New Hampshire legislature requests that the United States Postal Service issue a postage stamp honoring Maxfield Parrish; and

That copies of this resolution be sent by the house clerk to the President of the United States, the Speaker of the United States House of Representatives, the President of the United States Senate, the United States Postmaster General and New Hampshire's Congressional delegation.

HR 61, urging Congress to amend the federal Food, Drug, and Cosmetic Act and the Public Health Service Act to facilitate the development and approval of new drugs and biologics. OUGHT TO PASS WITH AMENDMENT

Rep. Robert K. Wollner for State-Federal Relations: The committee feels that this resolution sends an appropriate message to Congress that unnecessary delays by the Food and Drug Administration need to be minimized so that those who are in dire need of medical assistance can obtain safe and effective pharmaceuticals. Vote 10-0.

Amendment (5276L)

Amend the resolution by replacing the first and second paragraphs after the title with the following:

Whereas, a key to improved health care, especially for persons with serious unmet medical needs, is the rapid approval of safe and effective drugs, biological products, and medical devices; and

REGULAR CALENDAR

HB 1314, reorganizing the department of environmental services. OUGHT TO PASS WITH AMENDMENT

Rep. Merton S. Dyer for Executive Departments and Administration: This bill was referred to ED&A committee by the house to review the request of the department of environmental protection agency to reconfigure certain functions within the agency. The department of environmental services, through the environment and agriculture committee, submitted an amendment to this bill which will integrate the water resources division into the water supply and pollution control division and by realigning certain water programs to develop greater coordination and efficiency in department's waste and water programs. Most of the 36 pages of the amendment dealt with the changes in existing laws; and clarifies the title of the director of water,

changes the rulemaking authority of the directors to the commissioner of department of environmental services, which is the current practice, and repeal of the changed references in current statutes. Vote 15-0.

Amendment (5340L)

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose.

I. It is the intent of the general court to restructure the department of environmental services by integrating the water resources division into the water supply and pollution control division and by realigning certain water programs to develop greater coordination and efficiency in the department's waste and water programs.

II. This bill makes technical changes to the laws regulating the department to accommodate this restructuring by:

(a) Changing the name of the combined water division.

(b) Replacing certain references to "division" and "director" with "department" and "commissioner".

2 Reference Changed. Amend RSA 4-C:6, II(b) to read as follows:

(b) Water [supply and pollution control] council as established in RSA 21-O:7;

3 Division to Department. Amend RSA 21-M:10, II(b) to read as follows:

(b) Counseling state agencies and commissions given responsibility over environmental concerns, including, but not limited to, the [division of water supply and pollution control, the division of water resources, the division of air resources,] ***department of environmental services*** and the pesticides control board.

4 References Changed. Amend RSA 21-O:2, III(a) to read as follows:

(a) The water [supply and pollution control] council shall, after consulting with the commissioner, nominate for appointment by the governor and council a director of ***the division of*** water [supply and pollution control]. The nominee shall have a baccalaureate degree from an accredited college or university, hold a valid license or certificate of registration to practice civil, sanitary, or environmental engineering issued by the lawfully constituted registration board of any state of the United States, and shall have a minimum of 5 years' responsible experience in the administration of sanitary or environmental engineering programs in the public or private sector.

5 References Changed. Amend RSA 21-O:6 to read as follows:

21-O:6 Division of Water [Supply and Pollution Control]. There is established within the department the division of water [supply and pollution control], under the supervision of an unclassified director of ***the division of*** water [supply and pollution control]. The division, through its officials, shall be responsible for the former functions, duties, and responsibilities of the water supply and pollution control commission. The director shall be responsible for collecting and recording data on matters relevant to the functional responsibilities of the division and providing such data to the administrative services unit in the office of the commissioner for inclusion in the department data base.

6 References Changed. Amend the section heading and introductory paragraph of paragraph I of RSA 21-O:7 to read as follows:

21-O:7 Water [Supply and Pollution Control] Council.

I. There is established a water [supply and pollution control] council which shall consist of 16 members:

7 References Changed; Duties Clarified. Amend RSA 21-O:7, III-V to read as follows:

III. The council shall consult with and advise the director of the division of water [supply and pollution control] with respect to the policy, programs, goals and operations of the division ***other than those relating to wetlands under RSA 482-A***, with particular emphasis on long-range planning for the division and on education of the public relative to the functions of the division, on a continuing basis. In order to accomplish said purposes, the council shall meet with the director not less frequently than quarterly, or at the call of the chairman or 3 council members. The council shall file annually a report of its deliberations and recommendations with the commissioner of the department of environmental services and the governor and council.

IV. The water [supply and pollution control] council shall hear and decide all appeals from department decisions relative to the functions and responsibilities of the division of water [supply and pollution control] ***other than department decisions made under RSA 482-A relative to wetlands***, in accordance with RSA 21-O:14.

V. The director of ***the division of*** water [supply and pollution control] shall present all rules proposed to be implemented by the water [supply and pollution control] division, ***other than rules implementing RSA 482-A relative to wetlands,*** to the water [supply and pollution control] council for consideration prior to filing a notice of proposed rule under RSA 541-A:6. The council shall present any objections to proposed rules to the director of ***the division of*** water [supply and pollution control] and to the commissioner in writing within 15 days. The commissioner may adopt a rule to which the council has objected only after presenting a written reply to the council detailing the reasons for adopting the rule over the objections of the council.

8 Responsibility Clarified. Amend RSA 21-O:9, V-VI to read as follows:

V. The waste management council shall hear and decide all appeals from department decisions relative to the functions and responsibilities of the division of waste management [regarding solid and hazardous waste management], in accordance with RSA 21-O:14.

VI. The director of waste management shall present all rules proposed to be implemented by the division of waste management [regarding solid and hazardous waste management] to the waste management council for consideration prior to filing a notice of proposed rule under RSA 541-A:6. The council shall present any objections to proposed rules to the director of waste management and to the commissioner in writing within 15 days. The commissioner may adopt a rule to which the council has objected only after presenting a written reply to the council detailing the reasons for adopting the rule over the objections of the council.

9 Reference Changed. Amend RSA 21-O:12, II to read as follows:

II. Geology shall be under the direction of the state geologist, who shall: consult with the commissioner of the department of resources and economic development relative to the issuance of mining permits under RSA 12-E; assist the directors of ***the divisions of*** water [resources, water supply and pollution control,] and waste management as necessary; and perform such other duties as may be assigned by the commissioner. The state geologist shall be a staff member of the commissioner's office and shall advise the department, and all other branches of state and local government, concerning the geologic character of the state and its implications for both economic and scientific needs in conjunction with all existing and future environmental factors relating to the geology of the state. [He] ***The state geologist*** shall maintain liaison with federal and other state geologic agencies and with the state university.

10 Division to Department; Currently Effective Version. Amend RSA 21-P:14, V(q) to read as follows:

(q) Procedures for the inspection and verification of oil import records pursuant to RSA 146-A:11-b, RSA 146-D:3, RSA 146-E:3, and RSA 146-F:3 after consultation with the [division of water supply and pollution control] ***department of environmental services*** and the oil fund disbursement board, and pursuant to RSA 147-B:12 after consultation with the [division of waste management] ***department of environmental services***.

11 Division to Department; Version Effective December 1999. Amend RSA 21-P:14, V(q) to read as follows:

(q) Procedures for the inspection and verification of oil import records pursuant to RSA 146-A:11-b, RSA 146-D:3, and RSA 146-E:3 after consultation with the [division of water supply and pollution control] ***department of environmental services*** and the oil fund disbursement board, and pursuant to RSA 147-B:12 after consultation with the [division of waste management] ***department of environmental services***.

12 Division to Department. Amend RSA 21-P:17, I(c) to read as follows:

(c) Adopting rules, under RSA 541-A, relative to the reporting of all incidents involving the transportation of hazardous materials or wastes, the manner in which such incidents were handled, and on-the-spot inspection of vehicles carrying hazardous materials or wastes by any peace officer or other authorized agent of the commissioner of safety. In adopting such rules, the commissioner shall review rules adopted by the [division of waste management] ***department of environmental services*** for the regulation of hazardous wastes under RSA 147-A, 147-B, 147-

C, and 147-D and shall, to the extent possible, coordinate the rules of the department with those of the [division] ***department of environmental services*** in order to avoid inconsistency and duplication.

13 Division to Department; References Corrected. Amend RSA 33:5-a and 33:5-b to read as follows:

33:5-a Water Works. Municipalities may incur debt for supplying the inhabitants with water or for the construction, enlargement or improvement of water works, by the issue of bonds or notes, for such purposes, as set forth in this chapter; provided however that such municipalities shall not incur debt for such purposes to an amount, at any one time outstanding, exceeding 10 percent of their last locally assessed valuation as last equalized by the commissioner of revenue administration determined as provided in RSA 33:4-b. Any municipality which shall have received orders from the [division of water supply and pollution control] ***department of environmental services*** under the provisions of RSA [148:22] ***485*** requiring the alteration, enlargement or application of any other improvement in such facilities as will ensure fitness and safety and adequate protection of the public health may incur debt thereof by the issue of bonds or notes outside the limit prescribed herein. All debt authorized by this section, inasmuch as it is all excluded from the definition of "net indebtedness" in RSA 33:1, shall at no time be included for the purpose of calculating the borrowing capacity of the municipality for other purposes. The debt limits established by this section may be exceeded by a municipality in accordance with the procedure prescribed in and subject to the provisions of RSA 33:6.

33:5-b Voluntary Projects. Any city, town, village district or other political subdivision may vote to incur debt for the purpose of installing a sewage disposal plant including treatment works or sewerage facilities or waste treatment plants or the improvement, replacement or extension thereof, although at the time of such vote it has not received an order from the [division of water supply and pollution control] ***department of environmental services*** directing such installation under RSA 147, RSA [148:23] ***485*** or RSA [149] ***485-A***. Any such debt shall at no time be included in the net indebtedness of said city, town, village district or other political subdivision for the purpose of ascertaining its borrowing capacity provided the approval of the governor and council hereinafter provided for is obtained.

14 Division to Department. Amend RSA 53-B:3, V to read as follows:

V. After the public hearing and informational session the committee may amend the contents of the proposed agreement and shall send it for review to the attorney general and [division of waste management,] department of environmental services. The attorney general shall approve any proposed agreement unless it is in improper form or is incompatible with the requirements of this chapter and the laws of this state. The attorney general shall detail in writing to the governing bodies and the planning committee any specific respects in which the proposed agreement fails to meet the requirements of law. Approval by the attorney general shall be required for any district agreement to be legally valid. Failure by the attorney general to disapprove an agreement within 30 days of its submission shall constitute approval. The [division of waste management] ***department of environmental services*** shall provide comment, including recommendations for improvement, to the committee and governing bodies within 30 days of the proposed agreement's submission relative to its compatibility with the state solid waste management plan and the solid waste management statutes and rules. The comments of the [division] ***department*** shall not affect the legal validity of any district agreement.

15 Division to Department. Amend RSA 72:12-a to read as follows:

72:12-a Water and Air Pollution Control Facilities. Any person, firm or corporation which builds, constructs, installs, or places in use in this state any treatment facility, device, appliance or installation wholly or partly for the purpose of reducing, controlling or eliminating any source of air or water pollution shall be entitled to have the value of said facility and any real estate necessary therefor, or a percentage thereof determined in accordance with this section, exempted from the taxes levied under this chapter for a period of 25 years. The party seeking the exemption shall file an application with the [division of water supply and pollution control] ***department of environmental services*** if the exemption sought is for a water pollution control facility or [the division of air resources if the exemption sought is for] an air pollution control facility, with a copy to the taxing authorities in the municipality where the facility is situated. Said application shall describe the facilities and their function or functions and shall state the

applicant's total investment therein and the portion allocable to each function. The [division] ***department*** shall investigate and determine whether the purpose of the facility is solely or only partially pollution control. If the [division] ***department*** finds that the purpose of the facility is only partially pollution control it shall determine by an allocation of the applicant's investment in the facility what percentage of the facility is used to control pollution. In making its investigation, the [division] ***department*** may inspect the facility and request such other information from the applicant as is reasonably necessary to assist it in making its determination. Upon making its determination, the [division] ***department*** shall notify the applicant and the taxing authorities of the municipality where the facility is situated whether the purpose of the facility is solely pollution control, or, if not, what percentage of the applicant's investment in the facility should be allocated to pollution control. The taxing authorities shall each year separately appraise and describe the facility and related real estate and cause such appraisal and description to appear in their inventory, and shall exempt for a period of 25 years from the taxes levied under this chapter the appraised value of the facility and any real estate necessary therefor, or the exempt percentage thereof determined by the [division] ***department***. The exemption period shall begin as of the April 1 next following the receipt of the [division's] ***department's*** determination. Either the municipality or the owner of the facility may request a rehearing or appeal from such determination in accordance with the provisions of RSA 541.

16 Salary Deleted. Amend RSA 94:1-a, I by deleting in group O director, division of water resources.

51 References Changed to Department and Commissioner. Amend RSA 332-E:2 to read as follows:

332-E:2 Advisory Committee Established. There is hereby established a 5 member advisory committee composed of the [director of the division of water supply and pollution control],

commissioner of the department of environmental services or [his] designee, and 4 other members, 2 of whom shall be appointed by the governor and council from a slate of at least 5 nominated by the board of directors of the New Hampshire water works association. The board of directors, in making such nominations, shall show due regard for the need to represent large and small systems. The other 2 members shall be appointed by the governor and council from outside the water works industry, shall have demonstrated interest in water supply matters and shall represent consumers. One of such members shall be a resident of a community with a population of not more than 5,000 persons having a public water system. Of the initial appointments from the New Hampshire water works association, one such initial appointment shall be for 3 years and one for one year. Of the initial consumer appointments, one such initial appointment shall be for 4 years and one for 2 years. Each appointed member shall hold office until [his] ***a*** successor shall be appointed and qualified. The committee, by a majority vote, shall elect annually a chairman and secretary. A quorum shall consist of any 3 members, and the committee shall meet at least quarterly and at such other times as necessary, upon call of the [chairman] ***chairperson***. All appointive members shall receive no compensation for their services but shall receive necessary traveling and other expenses while engaged in actual work of the [division] ***department***.

52 Division to Department. Amend RSA 374:22, III to read as follows:

III. No water company shall obtain the permission or approval of the commission to operate as a public utility without first satisfying any requirements of the [division of water supply and pollution control and the division of water resources] ***department of environmental services*** concerning the suitability and availability of water for the applicant's proposed water utility.

53 Director to Commissioner. Amend RSA 430:10 to read as follows:

430:10 State Committee. There is established a state committee on mosquito control to govern over the 6 regions of the state and their respective mosquito control districts. The committee is composed of the state entomologist, the executive director of the fish and game department, the director of the division of forests and lands, the director of the division of parks and recreation, [the director of the division of water supply and pollution control, the director, division of water resources,] ***the commissioner of*** department of environmental services, the commissioner of the department of health and human services and the pesticides inspector employed by the pesticides control board. Any member may be represented by [his] ***a*** deputy or by some other person designated by the member, in writing. The members of the committee shall serve without salary, but may be reimbursed for expenses incurred while doing the work of the committee. The state committee shall be known in this subdivision as "the committee". The division of public works of the department of transportation, known in this subdivision as "the department", shall serve as the fiscal agent for the committee. The functions of the department in this respect shall be performed by a member of the division designated by the commissioner of transportation.

482:14 Appeals. All orders issued by the [division] ***department*** under the provisions of this subdivision shall be subject to appeal pursuant to RSA [21-O:5 and] 21-O:14 but shall remain in force until modified or set aside on appeal.

61 Division to Department. Amend RSA 482:19, III to read as follows:

III. The [division, the wetlands board, and the division of water supply and pollution control] ***department*** shall deny any applicant violating this section any permit necessary for study and subsequent construction of the proposed project. The [division, wetlands board, and the division of water supply and pollution control] ***department*** shall notify the Federal Energy Regulatory Commission of any denial under this section.

62 Division to Commissioner or Department. Amend the introductory paragraph of RSA 482:79-a, I to read as follows:

I. The [division] ***commissioner***, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not to exceed $2,000 upon any dam owner who violates the directives of the [division] ***department*** in management of the dam and water level. Rehearings and appeals from a decision of the [division] ***commissioner*** under this paragraph shall be in accordance with RSA [21-O:5 and RSA 541-A] ***541***. The [division] ***commissioner*** shall adopt rules, under RSA 541-A, relative to:

63 References Changed. Amend RSA 482:88 to read as follows:

482:88 Operation of State Owned Dams by Cities and Towns. The [division] ***department*** is authorized to require cities and towns that operate state owned dams to do so in accordance with the provisions of this chapter and those of RSA 481 and pursuant to rules adopted by the [director] ***commissioner*** under RSA 541-A, upon the request of the governing body of a city or town. The operation of a dam by a city or town shall be supervised by a municipal employee who shall be designated by the [division] ***department*** to act as its agent, in accordance with a mutually acceptable operating agreement.

64 References Changed; Rehearings and Appeals. Amend the introductory paragraph of RSA 482:89, II to read as follows:

II. The [division of water resources] ***commissioner***, after notice and hearing pursuant to RSA 541-A, may impose upon any person who violates any provision of this chapter an administrative fine not to exceed $2,000 for each offense in addition to other remedies and penalties provided under this chapter. ***Rehearings and appeals under this paragraph shall be in accordance with RSA 541.*** The [director of the division of water resources] ***commissioner*** shall adopt rules, under RSA 541-A, relative to:

65 Director to Commissioner. Amend RSA 482-B:3, I to read as follows:

I. There is created a board to be known as the New Hampshire water well board. The water well board shall be administered by the commissioner of environmental services. The board shall consist of 7 members who are residents of the state, appointed by the governor with the advice and consent of the council as follows: one member shall be the [director, division of water resources] ***commissioner***, department of environmental services, or [his] designee; one shall be the state geologist; 2 shall be active water well contractors with at least 10 years of experience; one shall be an active pump installer with at least 10 years of experience; one shall be an active technical driller licensed in the state of New Hampshire with at least 10 years of experience; and one shall be a member of the public who has demonstrated concern for and knowledge of water resources management in New Hampshire. Each member shall hold office for a term of 5 years and until [his] *a* successor is appointed and qualified; provided, however, that the original appointments shall be as follows: the member of the public for a 2-year term; one water well

contractor for a 3-year term; one water well contractor for a 4-year term; and the pump installer and technical driller for 5-year terms. Appointments to fill vacancies shall be for the unexpired term. The governor and council may remove any member of the board for good cause.

66 Division to Department. Amend RSA 483-B:4, XVII(a) to read as follows:

(a) For natural fresh water bodies without artificial impoundments, the natural mean high water level as determined by the [division of water resources of the] department ***of environmental services***.

67 Division to Department. Amend RSA 483-B:9, V(b)(1) to read as follows:

(1) All new lots, including those in excess of 5 acres, created within the protected shoreland are subject to subdivision approval by the [division of water supply and pollution control, subsurface systems bureau] ***department of environmental services*** under RSA 485-A:29.

68 Division to Department. Amend RSA 484:23, I to read as follows:

I. The commission may administer programs of training and certification for such personnel and may make classifications of such personnel. Any certificate issued by the commission shall be accepted by this state and all agencies and subdivisions of this state as conclusive evidence that the holder has the training, education and experience necessary for certification for the class of position or responsibility described in such certificate. The [division of water supply and pollution control, "the division" in this subdivision] ***department of environmental services***, may impose and administer any other requirements for certification within any applicable provisions of law, but it shall not reexamine or reinvestigate the applicant for a certificate with respect to [his] training, education, or experience qualifications.

69 Definition Changed. RSA 485:1-a, IV is repealed and reenacted to read as follows:

IV. "Commissioner" means the commissioner of the department of environmental services.

70 References Removed and Changed. Amend the introductory paragraph of RSA 485:2 to read as follows:

71 References to Commissioner and Department. Amend RSA 485:8, III to read as follows:

III. Any person submitting detailed plans to the [division] ***department***, as provided in this section, for a new public water system, or an existing public water system where conversion from transient use to residential-type use is proposed, shall pay to the [division] ***department*** a fee of $45 per residential unit. When usage cannot be apportioned by residential units at new public water systems, the fee shall be based on the flow proportioned equivalent to that of a single family residential unit. The [division] ***commissioner*** shall adopt rules pursuant to RSA 541-A defining flow proportioned equivalency.

72 References to Divisions Removed. Amend RSA 485:40 to read as follows:

485:40 Emergency Planning. The department shall develop plans, with the advice and assistance of the [divisions of water resources, water supply and pollution control,] governor's office of emergency management, and of the public water systems of the state, for emergency conditions and situations that may endanger the public health or welfare by contamination of drinking water. Such plans may include potential sources of contaminants and situations or conditions that could place them in the sources of public drinking water, techniques and methods to be used by public water systems to reduce or eliminate the dangers to public health caused thereby, methods and times for analysis or testing during such emergency conditions or situations, alternate sources of water available to public water systems, and methods of supplying drinking water to consumers if a public water system cannot supply such water.

73 References Changed. Amend RSA 485:41, VIII to read as follows:

VIII. Adopt a fee system in recognition of services provided by the water supply engineering bureau including the issuance of an operational permit for public water systems subject to this chapter. The [division] ***commissioner*** shall adopt rules establishing the application process for the issuance of operational permits pursuant to RSA 541-A. The fee category for community systems per year shall be $300, but in no case shall the fee exceed $10 per household or household equivalent. The fee category for non-transient and non-community systems shall be $150 per year. All fees shall be paid to the [division] ***department*** for deposit in the operational permits account. Moneys in the operational permits account shall be used to pay the salaries, benefits and expenses of the staff in the [division's] ***department's*** drinking water supply pro-

gram. Any revenues generated in excess of the costs of funding the drinking water supply program's expenses, shall lapse to the general fund at the close of each fiscal year to be used to offset the future general fund appropriation for the water supply program.

74 Council to Commissioner. Amend RSA 485:44, IX to read as follows:

IX. Certification may be denied, revoked, suspended, or modified as determined by rules of the department. A laboratory which has had certification revoked or suspended shall be recertified at such time as it again meets criteria for certification provided, that such laboratory has not had its certification revoked or suspended more than 3 times in the preceding 2 years. Upon notification of the fourth such revocation or suspension, such laboratory shall not be eligible for recertification for one year from the date of such notice, except that, upon appeal by such laboratory, the [water supply and pollution control council] ***commissioner*** may waive such extended period of revocation or suspension if such laboratory can demonstrate to the [council] ***commissioner*** good cause for the immediate recertification of such laboratory.

75 New Paragraph; Definition of Commissioner Added. Amend RSA 485-A:2, by inserting after paragraph I-b the following new paragraph:

I-c. "Commissioner" means the commissioner of the department of environmental services.

77 Division to Department. Amend RSA 485-A:2, XI-a to read as follows:

XI-a. "Sludge" means the solid or semisolid material produced by water and wastewater treatment processes; provided, however, sludge which is disposed of at solid waste facilities permitted by the [waste management division of the] department [of environmental services] shall be considered solid waste and regulated under RSA 149-M.

78 References Changed. Amend RSA 485-A:8, VII(b) to read as follows:

(b) For industrial wastes and combined sewer overflows, such treatment as the [division] ***department*** shall determine. Appeal from any such determination shall be in the manner provided for in RSA [21-O:7, IV] ***21-O:14***.

79 References Changed. Amend RSA 485-A:22, V-a to read as follows:

V-a. Upon receipt of information by the [division] ***department*** that a municipality has not complied with RSA 485-A:5-b relative to septage disposal, the [division] ***department*** shall issue an order directing said municipality to provide or assure access to an approved septage disposal facility not later than 180 calendar days following issuance of the order. Any municipality to whom such an order is directed may appeal [to the water supply and pollution control council] ***in accordance with RSA 21-O:14***.

80 Division to Department. Amend RSA 485-A:26 to read as follows:

485-A:26 Swimming Pools and Bathing Places. No person shall install, operate or maintain an artificial swimming pool or bathing place open to and used by the public, or as a part of a business venture, unless the construction, design and physical specifications of such pool or bathing place shall have received prior approval by the [division] ***department***. A fee of $100 shall be paid to the [division] ***department*** upon submission of such plans for review. Fees collected under this section shall be deposited with the state treasurer as unrestricted revenue. The [division] ***commissioner*** shall adopt rules relative to safety standards to protect persons using said facilities. Nothing in this section shall be deemed to affect the powers of local health officers or the department of health and human services, with respect to nuisances.

81 Division to Commissioner. Amend RSA 485-A:35, II to read as follows:

II. Any person who desires to submit plans and specifications for a sewage or waste disposal system for [his] ***the person's*** own domicile shall not be required to obtain a permit under this paragraph provided that [he] ***the person*** attests to [his] eligibility for this exemption in the application for construction approval. The [division] ***commissioner*** shall adopt rules, prepared under the supervision of a professional engineer licensed to practice engineering in the state of New Hampshire, pursuant to RSA 541-A, relative to requiring a permit holder to be a licensed professional engineer with a civil or sanitary designation in order to submit applications for construction approval in certain complex situations. All fees collected pursuant to this paragraph shall be deposited with the state treasurer as unrestricted revenue.

82 References Changed. Amend RSA 485-A:39, VI to read as follows:

VI. The [division] ***department*** shall design the site assessment form pursuant to paragraph V of this section. The [division] ***commissioner*** shall adopt rules pursuant to RSA 541-A relative to the procedures for the availability and distribution of the form to interested parties.

83 Division to Commissioner. Amend the introductory paragraph of RSA 485-A:41, IV to read as follows:

IV. Adopt rules, pursuant to RSA 541-A and after public hearing, relative to the implementation of this subdivision. The [division] ***commissioner*** shall adopt rules relative to the circumstances under which [it] ***the commissioner*** may grant a waiver of any rule, except that no waivers of rules relating to site loading or set-back distances to ground or surface waters shall be allowed for sewage or waste disposal systems on lots in subdivisions created after September 1, 1989. A waiver must be consistent with the intent of this subdivision and have a just result. In particular, an encroachment waiver shall meet the following criteria:

84 Appeal of Order. Amend RSA 485-A:42, I(c) to read as follows:

(c) Such order may be appealed [to the water supply and pollution control council] ***in accordance with RSA 21-O:14.***

85 References Changed. Amend RSA 485-A:47 to read as follows:

485-A:47 Administration. To administer the provisions of this chapter and to perform such other related duties as may be required, the department of environmental services is designated as the agency to receive and utilize any federal or other aids which may at any time be made available in the interest of water pollution control in the basin. The [division] ***department*** is empowered to hire consulting engineering firms for purposes of project design and to employ such professional, technical, clerical, accounting, or other staff or consulting personnel as are required to implement the provisions of this subdivision and to arrange for the orderly transfer of ownership and operation of existing pollution abatement facilities to the [division] ***department*** on behalf of the state of New Hampshire within the limits of legislative appropriations. Any personnel (other than consultants) employed by the [division] ***department*** shall be subject to the personnel laws of the state. This subdivision shall in no way impair or render null and void existing contracts between municipalities, contractors or other parties, or any of them, in connection with pollution control projects or sewerage, sewage or waste service contracts within the basin. Nothing in this subdivision shall be construed as prohibiting future sewerage or waste service contracts otherwise authorized by law between municipalities directly connected to the regional facilities provided for by this subdivision and other persons, including but not limited to municipalities, served or to be served by such facilities but not directly connected to such facilities. All such future contracts, however, shall be submitted at least 60 days in advance of their effective dates to the [division] ***department***, which is empowered to disapprove the terms of any such future contract in whole or in part when in its judgment the efficient administration or the purposes of this subdivision would be adversely affected, and such contract shall not be valid to the extent it is disapproved. In any such contract, unless otherwise specifically provided in the contract, the person or persons served by such regional facility but not directly connected to such facility shall have strict responsibility for the accurate measurement of the amount of sewage or waste disposed of by such person or persons and shall be liable to the municipality directly connected to such regional facilities for the entire amount of sewage or waste, as measured, if any inaccuracy is in favor of such municipality, and for the actual amount of sewage or waste, as estimated, if any inaccuracy is in favor of such person or persons. The [division] ***commissioner*** is authorized to adopt, pursuant to RSA 541-A and after public hearing, such rules as are necessary to implement the provisions of this subdivision.

86 References Changed; Appeal. Amend RSA 485-A:54, I-II to read as follows:

I. The [division] ***department*** may issue an order to any person in violation of this subdivision, a rule adopted under this subdivision, or any condition in any contract or permit issued or entered into under this subdivision. This order may require such remedial or corrective measures as may be necessary. Any person to whom such an order is directed may appeal [to the water supply and pollution control council] ***in accordance with RSA 21-O:14.***

II. If the [division] ***department*** determines that the discharge to any state-owned treatment facility presents an imminent threat to the environment or to the operation of the treatment facility, the [division] ***department*** may issue an order requiring such action as may be necessary to meet the emergency, or may take necessary action to block the public sewer to prevent the

discharge of the waste into the treatment facility. Any order issued under this authority shall take effect immediately. A person to whom such an order is issued or any person affected by action taken by the [division] ***department*** under this paragraph may appeal to the commissioner or [his] designee for a hearing on such order or action, which shall be held within 2 working days after receipt of the request for the hearing. [Such hearing shall be conducted pursuant to RSA 21-O:14.] The person may appeal the decision on such hearing [to the water supply and pollution control council,] pursuant to RSA [21-O:7, IV] ***21-O:14***.

87 References Changed. Amend RSA 485-C:9, II(c) to read as follows:

(c) The [director] ***commissioner*** shall review requests for reclassification by local entities and proposals for reclassification prepared on the [division's] ***department's*** own motion, and shall [recommend reclassification to the commissioner when the director determines that the proposed reclassification meets all the requirements of this chapter and rules adopted under this chapter. The commissioner shall] act upon such [recommendation] ***requests and proposals*** pursuant to RSA 485-C:9, VI.

88 References Changed; Reclassification Procedure. Amend RSA 485-C:9, III(c) to read as follows:

(c) The [director] ***commissioner*** shall review requests for reclassification by local entities and proposals for reclassification prepared on the [division's] ***department's*** own motion, and shall [recommend reclassification to the commissioner when the director determines that the proposed reclassification meets all the requirements of this chapter and rules adopted under this chapter. The commissioner shall] act upon such [recommendation] ***requests and proposals*** pursuant to RSA 485-C:9, VI.

89 References Changed. Amend RSA 485-C:9, V(a)-(b) to read as follows:

(a) The [division] ***department*** may, on receipt of a request, or on its own motion, review any contributing area classified as GAA or GA1 to determine if the requirements for inventory and management of potential contamination sources are being met. If the [division] ***department*** determines that requirements are not being met, the [division] ***department*** shall request correction of deficiencies in writing to the responsible local entity. If deficiencies are not corrected within 6 months, the [division] ***department*** may either assume inventory and management of the potential contamination sources in the contributing area and correct the deficiencies, or [the director shall] recommend reclassification to class GB or GA2 to the commissioner.

(b) For a class GA2 area, the [director] ***commissioner*** shall [recommend reclassification] ***reclassify*** to class GB [to the commissioner] if a review of regional groundwater studies shows that the criteria of RSA 485-C:5, I(c) for the class are not met.

90 Director Deleted. Amend the introductory paragraph of RSA 485-C:9, VI to read as follows:

VI. PROCEDURES APPLICABLE TO ALL RECLASSIFICATIONS. The commissioner shall reclassify groundwater [upon recommendation of the director,] when the commissioner determines that the proposed reclassification meets all the requirements of this chapter and rules adopted under this chapter. Prior to any such reclassification the commissioner shall:

91 Reference Changed; Appeal. Amend RSA 485-C:17 to read as follows:

485-C:17 Appeals. Actions of the [division] ***department*** under RSA 485-C:16 may be appealed [to the water supply and pollution control council under RSA 21-O:7 and] ***in accordance with*** RSA 21-O:14.

92 Division to Department. Amend RSA 486:1, I to read as follows:

I. The state of New Hampshire shall, in addition to any federal grant made available under the provisions of the Clean Water Act of 1977 (or subsequent amendments thereof), pay annually 20 percent of the annual amortization charges, meaning principal and interest, on the original costs resulting from the acquisition and construction of sewage disposal facilities by municipalities (meaning counties, cities, towns, or village districts), in accordance with RSA 485:8, RSA 485-A:4, IX, and RSA 485-A:4, XII, for the control of water pollution. The word "construction" shall include engineering services, in addition to the construction of new sewage treatment plants, pumping stations, intercepting sewers, and sewer separation by storm drains when the latter can be demonstrated as a cost-effective method for eliminating a combined sewer overflow structure; the altering, improving or adding to existing treatment plants, pumping stations, intercepting sewers, and sewer separation by storm drains when the latter can be demon-

strated as a cost-effective method for eliminating a combined sewer overflow structure; provided the construction has been directed by [the division of water supply and pollution control, referred to in this chapter as the division] ***department***, or constitutes a voluntary undertaking designed to control or reduce pollution in the surface waters of the state as defined in RSA 485-A:2, and the plan therefor is approved in compliance with the provisions of RSA 485:8, RSA 485-A:4, IX, and RSA 485-A:4, XII. The term "eligible costs" as used in this section shall mean the entire cost of the construction of treatment plants, pumping stations, intercepting sewers and sewer separation by storm drains as defined in the Clean Water Act of 1977.

93 New Section; Commissioner, Department Defined. Amend RSA 486 by inserting after section 1 the following new section:

486:1-a Definitions. In this chapter:

I. "Commissioner" means the commissioner of the department of environmental services.

II. "Department" means the department of environmental services.

94 References to Commissioner and Department. Amend RSA 486:2 to read as follows:

486:2 Regional Treatment Plants. To obtain maximum value from state funds invested in pollution control projects and to assure optimum levels of water quality in the surface waters and groundwaters of the state, the [division] ***department*** is authorized and directed to require the installation of regional treatment plants serving 2 or more communities (or subdivisions of such communities) when in its judgment such a solution is desirable. To implement this objective, the [division] ***commissioner*** shall adopt rules under RSA 541-A to aid municipalities in effectuating regional treatment facilities on an equitable basis.

95 Definition Changed. RSA 486-A:2, II is repealed and reenacted to read as follows:

II. "Department" means the department of environmental services.

96 New Paragraph; Definition Added. Amend RSA 487:1 by inserting after paragraph I the following new paragraph:

I-a. "Commissioner" means the commissioner of the department of environmental services.

97 Definition Changed to Department. RSA 487:1, II is repealed and reenacted to read as follows:

II. "Department" means the department of environmental services.

98 References Changed. Amend RSA 487:10 to read as follows:

487:10 Suspension of Registration. If, upon said inspection it shall appear that any marine toilet, sink, or shower within or on a boat in operation on fresh waters of the state is so constructed as to permit the discharge of any sewage to a surface water of the state contrary to the provisions of this chapter, the member, agent, or inspector is directed not later than 48 hours after such finding to require from the owner, operator, or any person on board said boat, production and surrender of its certificate and plate of registration. The owner, operator, or any person on board shall have 48 hours from said production and surrender of certificate and plate of registration within which to remedy the defect. If, within said period the defect is remedied, the certificate and registration shall be returned. If, at the expiration of the 48 hours, the defect is not remedied, said member, agent, or inspector shall then endorse in ink upon said certificate of registration a brief statement of the nature of the violation and shall forward it forthwith by mail or in person to the department of safety, division of motor vehicles, where it shall be held by said division until receipt of written authority from the [division of water supply and pollution control] ***commissioner*** for its return. Such authority shall include a statement that the specified violation has been remedied in accordance with the provisions of this chapter and the rules of the [division] ***department*** adopted under this chapter.

99 Definition to Department. RSA 487:16, I is repealed and reenacted to read as follows:

I. "Department" means the department of environmental services.

100 New Paragraph; Definition of Commissioner Added. Amend RSA 487:16 by inserting after paragraph III the following new paragraph:

IV. "Commissioner" means the commissioner of the department of environmental services.

101 Division to Department. Amend the introductory paragraph of RSA 487:17, I to read as follows:

I. A program for the preservation and restoration of New Hampshire lakes and ponds eligible under RSA 487:20 shall be established and administered within the department of environmental services[, division of water supply and pollution control]. Said program shall func-

tion to limit the eutrophication process in New Hampshire lakes by reducing nuisance growths of macrophyton and phytoplankton. It shall reinforce and complement the program authorized by the federal program and shall serve 3 basic purposes:

102 Division to Department. Amend RSA 487:23 to read as follows:

487:23 Agency Cooperation. The [division] ***department*** shall make a concerted effort to integrate and coordinate the clean lakes program with other environmental management programs involving lakes and their watersheds, whether such programs fall within the jurisdiction of the [division or the] department of environmental services or within that of another state department. The university system and the department shall maintain regular communication for the purpose of sharing data bases and other relevant information.

103 Division to Department. Amend RSA 487:25, I to read as follows:

I. An additional fee of $.50 to those already collected under the provisions of RSA 270-E:5 for each private boat registered shall be paid to the director of the division of motor vehicles. The director of the division of motor vehicles shall pay over said additional fees to the state treasurer who shall keep said fees in a special fund to be expended by the [division of water supply and pollution control] ***department of environmental services*** for lake restoration and preservation measures, including the control of exotic aquatic weeds. The special fund shall be nonlapsing. All funds received under this section are continually appropriated to the [division] ***department*** for the purposes of this subdivision.

104 Division Deleted. Amend RSA 541:1 to read as follows:

541:1 Definition. The word "commission" as here used means the public utilities commission, [the division of water resources,] the milk sanitation board, or any state department or official concerning whose decision a rehearing or appeal is sought in accordance with the provisions of this chapter.

105 Change From "Director" to "Commissioner." AMENDED ANALYSIS

This bill reorganizes the department of environmental services by:
(1) Combining the division of water supply and pollution control and the division of water resources into a new division called the water division.
(2) Changing the name of the water supply and pollution control council to the water council and changing some of the duties of the council.
(3) Replacing references to "division" and "director" in most of the department of environmental service chapters with references to "department" and "commissioner," except in RSA 21-O and specific cross references.
(4) Clarifying certain duties of the commissioner of environmental services.
Adopted.
Report adopted and ordered to third reading.

HB 1453-FN, relative to divisions and employees of the liquor commission. OUGHT TO PASS WITH AMENDMENT

Rep. Merton S. Dyer for Executive Departments and Administration: This bill was passed by the House and referred to the ED&A committee to review the reorganization of the Liquor Commission in accordance with the LBA audit. The ED&A committee amendments place the determination of the labor grade of the classified personnel with the Director of Personnel. The second amendment holds an employee, reclassified or reallocated to a lower level, at the same level as such employee was paid until the pay in the lower level exceeds the pay the employee was receiving at the time of reallocation. The third amendment changes the effective date of the bill. Vote 12-3.

Amendment (5344L)

Amend RSA 176:8, II and III as inserted by section 2 of the bill by replacing them with the following:

II. There shall be a bureau of marketing and sales to be headed by an administrator, who shall have such labor grade as may be determined by the division of personnel. The administrator shall, as directed by the commission, oversee all aspects of the commission's functions relating to marketing, merchandising, purchasing, store operations, warehousing and distribution and shall perform such additional duties as the commission shall from time to time assign.

III. There shall be a bureau of administrative services to be headed by an administrator who shall have such labor grade as may be determined by the division of personnel. The administrator shall, as directed by the commission, oversee all aspects of the commission's administrative functions, to include accounting, financial management, data processing, management information systems, human resources and contracting, and shall perform such additional duties as the commission shall from time to time assign.

Amend RSA 176:8 as inserted by section 2 of the bill by inserting after paragraph III the following new paragraph:

IV. An employee whose position is reclassified or reallocated to a lower level as a result of the reorganization of the division shall be paid at the same level as such employee was paid prior to the reallocation or reclassification until the pay in the lower level exceeds the pay the employee was receiving at the time of the reallocation or reclassification.

Amend the bill by replacing section 3 with the following:

3 Reorganization Date. The reorganization of the liquor commission pursuant to sections 1 and 2 of this act shall take effect on or before January 1, 1999.

4 Effective Date.

I. Sections 1 and 2 of this act shall take effect as provided in section 3 of this act.

II. The remainder of this act shall take effect July 1, 1996.

Rep. Dyer spoke in favor.

Adopted.

Rep. DeStefano spoke against.

Reps. Emerton and Franklin Torr spoke in favor and yielded to questions.

Rep. DeStefano requested a roll call; sufficiently seconded. The question being the adoption of the report.

HB 1154, establishing kindergarten planning assistance and maintenance aid programs, and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Joseph E. Stone for Finance: This bill establishes kindergarten planning assistance and kindergarten maintenance aid programs to be administered by the department of education. The committee feels that having an appropriation of $1 makes it possible to fund the program if monies are found. Vote 17-5.

Amendment (5326L)

Amend the bill by replacing all after section 1 with the following:

2 New Subdivisions; Kindergarten Planning Assistance; Kindergarten Maintenance Aid. Amend RSA 198 by inserting after section 15-k the following new subdivisions:

Kindergarten Planning Assistance

198:15-l Kindergarten Planning Assistance.

I. There is established a kindergarten planning assistance program through which the state department of education shall provide assistance to local school districts which require guidance in their performance of studies of the benefits of a public kindergarten program. The state department of education shall provide local districts with the information they require to conduct public forums or surveys for input on public kindergarten, and any other assistance or information that may be needed by the local district in developing options to provide a public kindergarten program for their pupils.

II. This information and assistance shall be made available at no cost to the local districts.

Kindergarten Maintenance Aid

198:15-m Kindergarten Maintenance Aid.

I. There is established a kindergarten maintenance aid program through which the department of education shall pay annually for financial assistance to local school districts the sum of $500 per kindergarten pupil who resides in the district and attends a public kindergarten in those districts that provide and maintain a kindergarten program. These funds shall be provided to districts that send to or contract with other established public kindergarten programs for their local resident kindergarten pupils.

II. For purposes of receiving public kindergarten maintenance aid under this subdivision, to "provide and maintain a public kindergarten program" means:

(a) To operate a kindergarten program within an approved public school maintained by the local school district; or

(b) To pay tuition on behalf of resident pupils to a kindergarten program operated by another public school district in this state or, when distance or transportation make it necessary, in another state.

III.(a) In order to qualify for kindergarten maintenance aid, local district kindergarten programs shall meet New Hampshire minimum standards for approval of schools.

(b) Charter school kindergarten programs shall qualify for kindergarten maintenance aid.

198:15-o Administration. The department of education shall be responsible for administering the kindergarten maintenance aid program, and shall be responsible for the following:

I. Assisting districts in the development of plans for providing public kindergarten availability for their 5-year old resident pupils.

II. Reporting annually the extent of utilization of the public kindergarten maintenance aid to the house and senate education committees and the state board of education, and providing an annual update on the number of districts providing a public kindergarten program.

198:15-p Rulemaking. The state board of education shall adopt rules, under RSA 541-A, relative to the administration of the kindergarten maintenance aid program. These rules shall provide that all school districts currently offering a public kindergarten program shall be eligible for funds commencing June 30 of each year. The number of public kindergarten pupils in attendance shall be determined by the number of kindergarten pupils in attendance in the district on October 1 of the preceding school year. Any school district implementing public kindergarten in its district shall be eligible for these programs.

3 Appropriation. A sum of $1 is hereby appropriated to the department of education for the fiscal year ending June 30, 1997, for the purposes of this act. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

4 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill establishes kindergarten planning assistance and kindergarten maintenance aid programs to be administered by the department of education. The purpose of these programs is to provide state assistance to districts which presently operate kindergartens to ensure the continuation of such programs, and to encourage districts which do not provide kindergarten to make kindergarten available. The bill also appropriates a sum of $1 for the purposes of the act.

Adopted.

HB 1162-FN, relative to making a supplemental appropriation for the veterinary diagnostic laboratory in the agriculture experiment station at the university of New Hampshire. OUGHT TO PASS WITH AMENDMENT

Rep. Robert L. Wheeler for Finance: The committee felt that the veterinary diagnostic lab had cut to a maximum level and agreed with the policy committee as to reasonable funding. Vote 19-0.

Amendment (5270L)

Amend the bill by replacing section 1 with the following:

1 Veterinary Diagnostic Laboratory; Budget Amendment; Footnote Added. Amend PAU 02, 03, 04, class 94 and the totals and estimated source of funds for PAU 02, 03, 04 as inserted by 1995, 307:1 as follows:

	FY 96	*FY 97*
Strike Out:		
94 Operation Vet Diag Lab	32,850	32,850
Total	394,715	396,945
Estimated Source of Funds for Div Animal Industry		
General Fund	394,715	396,945
Total	394,715	396,945

Insert in place thereof:

		FY 96	*FY 97*
94 Operation Vet Diag Lab	D	32,850	117,850
Total		394,715	481,945
Estimated Source of Funds for Div Animal Industry			
General Fund		394,715	481,945
Total		394,715	481,945

Adopted.

Report adopted and ordered to third reading.

HB 1252-FN-A-L, establishing a local education improvement assistance program and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Frances L. Riley for Finance: The original intent of this bill was contained in legislation passed last year but was struck from the budget at conference time. As submitted this year, a $527,000 fiscal note was attached. Because there was no rationale for this money, the Committee determined that an appropriation of $1 for each of the two fiscal years was indicative of its intent that the bill go forward if and when the funds become available. Vote 21-1.

Amendment (5286L)

Amend the bill by replacing section 3 with the following:

3 Supplemental Appropriations; Local Education Improvement Assistance Program. The sums of $1 for the fiscal year ending June 30, 1996, and $1 for the fiscal year ending June 30, 1997, are hereby appropriated to the department of education for the local education improvement assistance program established in RSA 193-C:9, II. These appropriations shall not lapse until June 30, 1997. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated. These sums shall be in addition to any other sums appropriated to the department.

Adopted.

HB 1320-A, making a supplemental appropriation for capital improvements to the university system of New Hampshire for the Young Building at Keene state college. OUGHT TO PASS

Rep. Merle W. Schotanus for Finance: This bill authorizes a $5 million bonded appropriation to the University of New Hampshire for renovation of the Young Building at Keene State College. There is no impact on the current state budget because the first debt service payment is not due until FY 1998. Vote 13-8.

On a division vote, 209 members having voted in the affirmative and 100 in the negative, the report was adopted.

Rep. Wollner wished to be recorded in favor.

HB 1399, establishing 2 new positions in the department of environmental services to implement the sludge permit system and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Merle W. Schotanus for Finance: The amendment to this bill replaces the original bill and resolves a policy problem relative to sewage disposal regulation addressed by both the Environment and Agriculture and Resources, Recreation and Development committees. The proposed bill appropriates $167,000 for FY 97 to the Department of Environmental Services to establish two positions and purchase computer and other equipment necessary to administer the state's septage and sludge programs. Appropriated funds are drawn from the sewage disposal fund, which is terminated and the remaining fund balance lapsed to the general fund. An existing $10.00 fee for recording sewage disposal system plans is reduced to $5.00 and deposited in the general fund. Vote 20-1.

Amendment (5308L)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing 2 new positions in the department of environmental services to implement the sludge permit system; repealing the sewage disposal system fund; relative to sewage disposal system recording fees; and making appropriations from the balance contained in the sewage disposal system fund.

Amend the bill by replacing all after section 1 with the following:

2 Distribution of Sewage Disposal System Fund Balance. The balance contained in the sewage disposal system fund established pursuant to RSA 6:12, I, (ss) shall be distributed as follows:

I. $95,000 shall be transferred to PAU 03-04-03-07-01 for administration of the septage and sludge permit program in accordance with RSA 485-A:4, XVI-a.

II. $72,000 shall be transferred to PAU 03-04-03-07-01 for the subsurface systems bureau to improve its computer hardware and software capabilities for archive and in-house recording purposes and for equipment used for the administration of archive and in-house recording.

III. Any balance remaining in the fund after the transfers contained in paragraphs I and II shall lapse to the general fund.

3 Recording Fees for Sewage Disposal Systems. Amend RSA 485-A:30, II to read as follows:

II. Any person submitting plans and specifications for sewage or waste disposal systems shall pay to the division a fee ***of $5*** for each system for recording the approval for operation number with the registry of deeds. [Such fee shall be the same as that established by the registry of deeds for the recording of such documents.] All fees collected under this section shall be deposited [with the state treasurer and reserved in a special nonlapsing sewage disposal system fund which shall be continually appropriated to the division to be used for the administration of this section] ***in the general fund as unrestricted revenue***.

4 Repeal. RSA 6:12, I (ss), relative to the sewage disposal system fund, is repealed.

5 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill establishes 2 new positions in the department of environmental services to implement the sludge permit system. The bill repeals the sewage disposal system fund and makes appropriations to the department of environmental services from the balance of the fund. The bill establishes a $5 fee for recording of a sewage or waste disposal system with the registry of deeds, which shall be deposited in the general fund as unrestricted revenue.

Adopted.

Report adopted and ordered to third reading.

HB 1445-FN-A-L, providing for certain services for the developmentally disabled and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Patricia A. Dowling for Finance: This bill addresses the "waiting list" bill IF funds become available. Vote 17-4.

Amendment (5288L)

Amend paragraphs I and II of section 2 of the bill by replacing them with the following:

I. The general court hereby appropriates from any surplus general funds not previously designated by the legislature or from any surplus interest on the health care transition fund not previously appropriated by the legislature, to the department of health and human services, division of mental health and developmental services or its successor unit, an amount not to exceed $3.9 million for the purpose of addressing the needs of those persons on the waiting list for services from the developmental services system.

II. Federal funds received during fiscal years 1996 and 1997 for the purposes of paragraph I are hereby appropriated and shall be in addition to any other funds appropriated. The appropriation made in paragraph I shall come from 1996 surplus general funds or surplus interest on the health care transition fund not previously designated by the legislature, and shall not become available unless the commissioner of administrative services determines, in accordance with RSA 21-I:8, I(h), prior to the official closing of the fiscal year ending June 30, 1996, that there are surplus funds from either source not to exceed $3.9 million after all other general fund and health care transition fund financial obligations for such fiscal year are met. This appropriation shall be made notwithstanding RSA 9:13-e. This shall be the first priority for funding if funds from state or federal sources become available for this purpose.

Adopted.

Report adopted and ordered to third reading.

HB 1446-FN, establishing the New Hampshire board of hearing care providers, requiring audiologists to be licensed, and establishing certain fees. OUGHT TO PASS WITH AMENDMENT

Rep. Neal M. Kurk for Finance: The amendment makes minor technical revisions. Among them are changes in various effective dates so that (1) the licensing board will have the funds it needs to operate during FY 1997 and (2) the licensing board can register hearing aid dealers and license audiologists prior to the date it becomes illegal to practice without state approval. The revised fiscal note projects fee revenues for 1997 of $17,894 against expenditures of $14,315. Vote 21-0.

Amendment (5323L)

Amend RSA 137-F:6, I-II as inserted by section 1 of the bill by replacing them with the following:

I. The form and content of audiologist license applications and examinations.

II. The form and content of hearing aid dealer registration applications and examinations.

Amend RSA 137-F:9, as inserted by section 1 of the bill by replacing it with the following:

137-F:9 Application for Registration; Fees.

I. An application for a certificate of registration under this chapter shall be filed with the board in such form and detail as required in accordance with rules adopted under RSA 541-A, shall be duly signed and verified, shall be available for public inspection, and shall include, but not be limited to:

(a) The name and the business address of the applicant; if an individual, the name under which the person intends to conduct business; if a partnership, the name and business address of each member thereof, and the name under which the business is to be conducted; if a corporation, the name of the corporation and the name and business address of each of the officers of the corporation.

(b) The place or places, including the complete address or addresses, where the business is to be conducted.

II. Any applicant for registration or renewal of registration under this chapter who applies on or after January 1, 1997, shall pay an initial, nonrefundable application fee of $150.

Amend RSA 137-F:13 as inserted by section 1 of the bill by replacing it with the following:

137-F:13 License Requirements; Fees.

I. To be eligible for licensure by the board as an audiologist, an applicant shall:

(a) Make application to the board, upon a form prescribed by the audiology subcommittee.

(b) Pay to the board the appropriate license application fee.

(c) Possess at least a master's degree in audiology from an educational institution approved by the board which consists of course work approved pursuant to rules adopted by the board pursuant to RSA 541-A.

(d) Complete supervised clinical practicum experience at an educational institution or its cooperation programs, approved pursuant to rules adopted by the board pursuant to RSA 541-A.

(e) Pass an examination specified by the board in rules adopted under RSA 541-A.

(f) Complete a supervised postgraduate professional experience.

(g) Demonstrate sufficient evidence of good professional character and reliability to satisfy the board that the applicant shall faithfully and conscientiously avoid professional misconduct and otherwise adhere to the requirements of this chapter.

(h) If applicable, submit proof of licensure in another state in which the licensure requirements are equivalent to or greater than those in this chapter.

II. All applicants for licensure or renewal of licensure under this chapter who apply on or after January 1, 1997 shall pay an initial application fee of $150.

III.(a) A license shall be restored after a period of nonrenewal of less than 2 years, if the person pays to the board a restoration fee consisting of the current renewal fee plus any late fee established by rules adopted by the board pursuant to RSA 541-A and submits such evidence of continued professional competence and eligibility for licensure as the board may require.

(b) Any person who fails to renew a license within 2 years after its expiration date may apply for and obtain a new license upon meeting the requirements of this chapter and paying to the board the appropriate fee.

Amend RSA 137-F:30 as inserted by section 1 of the bill by replacing paragraph III with the following:

III. The board shall assess the following registration fees for out-of-state hearing aid sales companies:

(a) $150 for the initial registration.

(b) An annual registration renewal fee, which shall be the same as the in-state registration renewal fee as set by the board.

Amend the bill by replacing all after section 1 with the following:

2 Applicability. The governor, with the approval of the council, shall make all appointments of members to the board of hearing care providers on or before January 1, 1997. To allow time for the establishment of the board of hearing care providers and for implementation of this act, no hearing aid dealer shall be required to be registered, and no audiologist shall be required to be licensed pursuant to this act until July 1, 1997. No provisions of this act may, therefore, be enforced until July 1, 1997 by the board if such enforcement is based upon a hearing aid dealer's failure to be registered under this act or upon an audiologist's failure to be licensed under this act.

3 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill establishes the New Hampshire board of hearing care providers to regulate the audiology profession, requires audiologists to be licensed, and establishes certain fees.

The board shall adopt rules relative to a fee schedule and licensure requirements.

Adopted.

Report adopted and ordered to third reading.

HB 1536-FN-A-L, relative to encouraging private purchase, clean up, and restoration of environmentally contaminated sites and making a supplemental appropriation to the department of environmental services. OUGHT TO PASS WITH AMENDMENT

Rep. Arthur P. Klemm, Jr. for Finance: This bill, as amended, establishes a Brownfields program and makes a supplemental appropriation to the department of environmental services from the hazardous waste clean up fund. The committee felt that this program is important to help get these contaminated sites back to use and help aid our cities and towns in our state's economic recovery. Vote 19-0.

Amendment (5200L)

Amend the bill by replacing sections 4 and 5 with the following:

4 Positions Established. Notwithstanding any provision of RSA 21-I, there are hereby established one civil engineer IV, labor grade 26 and one hydrogeologist III, labor grade 26 in PAU 03, 04, 05, 01, 01, account #025-044-5392 to serve as project managers for eligible property in the brownfields program.

5 Position Transferred. The position of hydrogeologist III, position number 19867, is hereby transferred from PAU 03, 04, 03, 01, 01, account #010-044-1000, to PAU 03, 04, 05, 01, 01, account #025-044-5392.

Amend the bill by replacing all after section 7 with the following:

8 Supplemental Appropriation to the Department of Environmental Services. In addition to any other sums appropriated for the fiscal year ending June 30, 1997, to the department of environmental services-hazardous waste clean up fund programs (PAU 03, 04, 05, 01, 01), the following are hereby appropriated in order to implement the provisions of this act:

Total Expenses	$216,538
Estimated Source of Funds	
Hazardous Waste Cleanup Funds	
Class 03 Revolving Funds	$216,538

9 New Paragraph; Amend RSA 125-H:3 by inserting after Paragraph IV the following new paragraph:

IV-a. The director also shall have responsibility for developing guidelines for risk assessments.

10 Effective Date. This act shall take effect July 1, 1996.

Adopted.

Report adopted and ordered to third reading.

HB 1603-FN, relative to the budget for the animal population control program. INEXPEDIENT TO LEGISLATE

Rep. Robert L. Wheeler for Finance: The majority of the committee felt that the budget process establishing the level of resources dedicated to this problem should be followed. Each biennium will produce another review on the issue. Vote 14-10.

Rep. Katherine Wheeler spoke against.

(Rep. Scanlan in the Chair)

Reps. Wendelboe and Hill spoke against.

Rep. Robert Wheeler spoke in favor and yielded to questions.

Rep. Robert Foster requested a roll call; sufficiently seconded. The question being the adoption of the report.

Rep. Katherine Wheeler moved Ought to Pass with amendment and offered a floor amendment.

Floor Amendment (5330L)

Amend the bill by replacing all after the enacting clause with the following:

1 Animal Population Control Fee. Notwithstanding any other provision of law, if the animal population control fee charged under RSA 466 generates more money than is budgeted by the department of agriculture, markets, and food for the animal population control program established in RSA 437-A, the commissioner of agriculture, markets, and food shall request that the state treasurer certify to the commissioner the amount of such excess funds and the commissioner of agriculture, markets, and food shall request, with prior approval of the fiscal commit-

tee, that such excess funds be transferred to the department of agriculture, markets, and food for the purposes of RSA 437-A. In the event that estimated fee revenue is less than budgeted, the total appropriation for the animal population control program shall be reduced by the amount of the shortfall in either actual or projected budgeted revenue.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires that the budget for the animal population control program be adjusted if the animal population control fee, charged under RSA 466 and deposited in the general fund, generates more money or less money than the program's current budget.

This bill resulted from the pet overpopulation committee established by 1993, 246.

HB 1637-FN, relative to welfare reform. REFER FOR INTERIM STUDY

Rep. Alice S. Ziegra for Health, Human Services and Elderly Affairs: This bill was very late in getting to the committee. Because of the major changes asked for, it was deemed important to take time to study the changes, the ramifications of these and to ascertain fiscal impact. Some changes would affect HB 32 reforms which are just now being implemented. Vote 14-1.

Rep. Wendelboe spoke against.

Rep. Ziegra spoke in favor and yielded to questions.

On a division vote, 261 members having voted in the affirmative and 43 in the negative, the report was adopted.

Rep. Martin did not vote and wished to be recorded in favor.

UNANIMOUS CONSENT

Rep. Rosen addressed the House.

Rep. Thomas moved that the remarks of Rep. Rosen be printed in the Journal.

Adopted.

Rep. Rosen: Thank you Mr. Speaker. This will prepare you all for lunch. This is something I meant to speak about earlier, but a recent spate of publicity indicates that maybe I should do it now. I want to speak about this recent publicity and a certain individual who is in the employment of the state right now. That individual is named Bruce G. Cheney, former Police Chief of Laconia. He is the one that established and continues to head the organization that has the Enhanced 911 Program running in the state. You probably all recently heard about this publicity which got nationwide publicity. It didn't get him on national television but it sure got one dog on national television. It was reflected in requests from as far away as the BBC. The dog's place in history is assured but I want to talk about Bruce Cheney. In 1992, a bill for Enhanced 911 came before the Science, Technology and Energy Committee of this House. We mulled it around and played with it for a while and passed the bill. That established the 911 Program. So really, it all fell in our favor; I mean, we did it really. Bruce Cheney was selected to run that program and I'm going to tell you something about this guy. Some of these revelations may be a little bit shocking. In the first place, Bruce G. Cheney, in getting this 911 Program going, showed complete ignorance of the financial realities of government operations. He was awarded $9 million to put this program in effect, $9 million. Do you know what he did? He so disregarded accepted practices that he did it for $5 million, nearly half the price. He also displayed a shameful disregard for scheduling standards. He did this in two-and-a-half-years. The experts said it would take at least five, but he did it in two-and-a-half-years, half the time. I don't know what this guy is thinking of. He also displayed a lack of recognition of rules of interaction with other agencies. He worked with lawmakers in this House and he came back to the Science, Technology and Energy Committee frequently to report on progress. He worked with every fire department in this state, every police department and the U.S. Postal Service that was required to get numbers on houses in towns that didn't have numbers. He spoke to 239 of the 243 boards of selectmen, selectmen's offices in the various parts of the state and, of course, he worked with

the existing emergency offices. He did all this and there was not one single turf war involved. He didn't win any fights, he didn't lose any fights, he didn't even have any fights. He worked this thing out in that way. Now, that is really not the way to interact with other agencies. He also showed a complete contempt for quality control. This system was up and running and it worked from the first day. It is working now. There are many examples of how it has succeeded. Well, you don't do things like this without arguing with other agencies. So, I think that he has fought every concept of government procedures. Finally, after doing all these things, totally out of consonance with regular government operations, he resorted to getting some cheap publicity. He didn't resort to the paid public relations officials that we have. He got this one female canine to do a very noteworthy act that saved the life of her mistress in so-doing, and he is getting his publicity by means of the actions of this canine. So, for all of the above things, I think that Bruce Cheney should be remembered and never given another job of responsibility in the government because, who knows, some day he may give government effectiveness a good name. Thank you.

REGULAR CALENDAR (Cont'd.)

HB 1288, relative to pesticide product registration. OUGHT TO PASS WITH AMENDMENT

Rep. Franklin G. Torr for Finance: The amendment establishes a study committee to examine pesticide product regulatory liability, comparison of registration policies and fees regionally for pesticide products, and fiscal and organizational impact on the department of agriculture for categorizing pesticide products in the registration process. Vote 19-0.

Amendment (5292L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to pesticide product registration and establishing a study committee of pesticide product registration policies.

Amend the bill by replacing all after section 2 with the following:

3 Committee Established; Duties. There is hereby established a committee to examine the issues relative to pesticide product registration in New Hampshire. The duties of the study committee shall include, but not be limited to, the following:

I. An examination of New Hampshire pesticide product registration policies in the context of regulatory liability issues.

II. An analysis of the fiscal and organizational impact on the department of agriculture, markets, and food relative to categorizing pesticide products in the registration process.

III. A comparison of pesticide product registration policies and fees regionally.

4 Membership. The committee shall consist of the following members:

I. Four house members appointed by the speaker of the house; one of whom shall be from the commerce, small business, consumer affairs, and economic development committee; one of whom shall be from the finance committee; and 2 of whom shall be from the environment and agriculture committee.

II. Three senate members appointed by the president of the senate.

5 Chairperson; Meetings; Mileage. The first meeting of the committee shall be called by the first-named representative, who shall serve as chairperson of the committee. Members shall receive mileage at the legislative rate when attending to their duties on the committee.

6 Report. The committee shall report its findings and recommendations, including any proposed legislation, to the speaker of the house, the president of the senate, the house clerk, the senate clerk, the state library, and the governor, on or before November 1, 1996.

7 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:
I. Eliminates using different categories for pesticide products subject to registration.
II. Repeals the definition of speciality/household pesticide.
III. Establishes a study committee on pesticide product registration.
Rep. Hall spoke in favor.
Adopted.
Report adopted and ordered to third reading.

HB 1344, providing for an increase in the maximum cost of sweepstakes tickets and relative to the assignment of lottery prizes. OUGHT TO PASS WITH AMENDMENT

Rep. Joseph E. Stone for Finance: This bill, as amended, allows the sweepstakes commission to increase the maximum cost of a sweepstakes ticket from $3.00 to $5.00. The bill also sets up consumer protection guidelines so that a large jackpot winner can assign his or her winnings in exchange for a lump sum settlement. The bill also authorizes sweepstakes to collect child support debts and arrearages from winners. Aid to education will increase by $4.5 million. Vote 25-0.

Amendment (5309L)

Amend the bill by deleting section 10 and renumbering the original sections 11-16 to read as 10-15, respectively.

Amend the bill by replacing section 10 with the following:

10 Maximum Ticket Price Increased; Assignment of Winning Tickets. Amend RSA 284:21-i, II(c)(1)-(3) to read as follows:

(1) The price for which tickets for drawings and sweepstakes races shall be sold; not to exceed [$3] ***$5*** per ticket[;].

(2) The method by which tickets sold for drawings and sweepstakes races shall be determined to be winning tickets[; and].

(3) The money or prizes to be awarded holders of winning tickets.

(4) The assignment ability of winning tickets, including appropriate consumer protection provisions.

Amend the bill by replacing all after section 13 with the following:

14 Assignment of Lottery Prizes. Amend RSA 287-F:10, I to read as follows:

I. All prizes over $5,000 shall be awarded to holders of winning tickets as provided in this section. Within one week after any drawing or selection of prize winning tickets, the commission shall deliver to each of the party states a certified list of the tickets to which prizes are awarded and the amount of each prize. Upon delivery of the certified list and voucher of the commission, moneys sufficient for the payment of the prizes may be withdrawn from the prize account established in RSA 287-F:9, II. The commission shall each month provide each party state with a record of all withdrawals. Payment of prizes shall be made by the commission or its designee to holders of the tickets to which prizes are awarded. ***The right of any person to a prize drawn shall not be assignable***, except that payment of any prize drawn may be paid to [the estate of a deceased prize winner, and except that any person pursuant to an appropriate judicial order may be paid the prize to which the winner is entitled. The commission, its officers, agents and employees shall be discharged of all further liability upon payment of a prize pursuant to this section] ***another person as provided in this section***

I-a. Payment of a prize may be made to a person other than the winner as follows:

(a) To the estate of a deceased prizewinner upon receipt by the commission of a certified court order appointing an executor or administrator.

(b) To any person pursuant to a certified final order of a court of competent jurisdiction, including orders pertaining to claims of ownership in the prize, division of marital property in divorce actions, bankruptcy, child support, appointment of a guardian or conservator, and distribution of an estate.

(c) To any person, including a trustee, pursuant to a certified final order of a court of competent jurisdiction of a party state approving the voluntary assignment of the right to a prize provided that the court affirmatively finds all of the following:

(1) The assignor and the assignee are not represented by the same counsel.

(2) The assignment is in writing and represents the entire agreement between the parties.

(3) The assignment agreement contains the following provisions:

(A) The assignor's name, social security number or tax identification number and address.

(B) The assignee's name, social security number or tax identification number, citizenship or resident alien number, if applicable, and address.

(C) The specific prize payment or payment assigned, or any portion thereof, including:

(i) The payable due dates and amounts of each payment to be assigned.

(ii) The gross amount of the annual payment or payments to be assigned before taxes.

(D) A notice of right to cancel in immediate proximity to the space reserved for the signature of the assignor in bold face type of a minimum size of 10 points which shall provide that:

(i) The assignor may cancel the assignment without cost until midnight of the forty-fifth business day after the day on which the assignor has signed an agreement to assign a prize or portion of a prize.

(ii) Cancellation occurs when notice of cancellation is given to the assignee.

(iii) Notice is sufficient if it indicates the intention of the assignor not to be bound.

(iv) Notice of cancellation, if given by mail, shall be deemed given when deposited in a mailbox properly addressed and first class mail postage prepaid. Failure to provide the notice of right to cancel as provided in this subparagraph shall render the assignment agreement unenforceable and the assignor may collect a reasonable attorney's fee in any action to enforce such agreement.

(4) Prior to execution of the assignment agreement, the assignee has provided to the assignor in writing, on a disclosure form separate and apart from the agreement, the following:

(A) The aggregate dollar value of payments assigned.

(B) The total consideration paid to the assignor by the assignee.

(C) An itemization of all other fees or costs to be paid by the assignor, or deducted from the payment to the assignor.

(5) The assignor has represented to the court in sworn testimony, if a personal appearance is required by the court, or in the assignor's written affidavit, sworn to under penalty or perjury, that:

(A) Prior to signing the assignment agreement, the assignor reviewed the agreement and understood its terms and effects.

(B) The assignor has consulted with independent financial and tax advisors not referred by or associated with the assignee.

(C) The assignor has signed the assignment agreement acting under free will without undue influence or duress.

(D) The assignor is not under any obligation to pay child support, or is under such obligation and is in good standing with respect to that obligation or has agreed to a payment plan with the party state agency responsible for child support and in full compliance with that plan.

(E) The assigned payment or payments are not subject to any claims, liens, levies, security interests, assignments, or offsets asserted by other persons or the party state or has provided the court with written consent of each person having such an interest.

(6) If the assignor is married, the assignor has submitted to the court a signed and notarized statement of the spouse consenting to the assignment. If a notarized statement is not presented to the court, the court shall determine the ability of the assignor to make the proposed assignment without the spouse's consent.

I-b.(a) A winner may pledge all or any part of a prize as collateral for a loan. Notwithstanding any provision of RSA 382-A:9, Article 9 of the Uniform Commercial Code to the contrary, perfection of a security interest in a prize shall be completed by filing, in addition to any other filings which may be required, a financing statement with the commission.

(b) In order to be entitled to receive a prize payment or payments from the commission, a secured party shall be required to obtain a certified final order of a court of competent jurisdiction which:

(1) Adjudges the prize winner in default of a loan agreement with the secured party.

(2) Makes findings with respect to the loan agreements and financing statements constituting the loan transaction which are equivalent to those required pursuant to subparagraphs I-a(c)(1)-(3) of this section and, in addition, a finding that truth-in-lending disclosures set forth in 12 CFR 226.17, 226.18, 226.19 and 226.20 were made.

(3) Identifies specific payments and awards ownership of such payments to the secured party.

(c) Nothing in this paragraph shall be construed to:

(1) Create or enlarge a cause of action in favor of a secured party.

(2) Alter or impair any rule of law applicable to or governing the rights of a debtor under federal or state lending statutes.

(3) Alter or impair the provisions of RSA 382-A:9, Article 9 of the Uniform Commercial Code, except to the extent inconsistent with the provisions of this paragraph.

I-c. The commission may intervene as of right in any action pursuant to RSA 287-F:10, I-a(c) and I-b, but shall not be deemed an indispensable or necessary party.

I-d. A certified copy of the final order required by RSA 287-F:10, I-a and I-b and the assignor's affidavit shall be served on the commission together with a nonrefundable processing fee of $500 within 15 days after entry of the order.

I-e. The commission may file a request to modify or vacate a final order pursuant to RSA 287-F:10, I-a(c) and I-b within 15 days after service of the order on the commission.

I-f. Commencing on the thirtieth day after full compliance with RSA 287-F:10, I-a and I-b, or after final determination of any motion filed to vacate or modify a final order, the commission shall be obligated to make payments, subject to tax withholding, in accordance with such order.

I-g. No modification of or amendment to an order pursuant to RSA 287-F:10, I-a and I-b, and no additional or subsequent assignment of, a prize shall be valid or binding on the commission unless the modification, amendment, or assignment is approved by a separate court order which meets the requirements of this section.

I-h. The commission and its officers, agents, and employees shall be discharged of all further liability upon payment of a prize pursuant to this section.

I-i. The financial, tax, trust, or personal records filed, received, maintained, or produced by the commission in connection with payment of a prize as provided in this section shall be confidential. Such records shall not be deemed public records under RSA 91-A. Upon written request, the commission may release the name, town or residence, date of prize, and the gross and net amounts of the annual prize payment of a winner. Financing statements filed with the commission shall be public records.

I-j. The tri-state lotto compact recognizes that each party state has enacted laws authorizing a party state agency to collect child support debts and arrearages. Upon receipt of notice from a party state agency, the commission shall suspend payment of winnings in the amount of the child support debt or arrearage and notify the winner. Child support debts and arrearages of a winner shall be offset by the commission in the manner in which the state lottery commission of a party state is required by law to offset such debts and arrearages.

15 Application.

I. RSA 284:21-i, II(c)(4), RSA 287-F:10, I-a, and RSA 287-F:10, I-b, relating to the voluntary assignment of the right to a prize and the pledge of a future prize payment or payments as collateral to secure a loan, shall be repealed if any of the following occur:

(a) The issuance by the United States Internal Revenue Service (IRS) of a technical rule letter, revenue ruling, or other public ruling of the IRS in which the IRS determines that based upon the right of voluntary assignment or pledge of future prize payments as collateral to secure a loan as provided in RSA 287-F:10, I-a, a winner who does not assign any prize payments under this section would be subject to an immediate income tax liability for the value of the entire prize rather than the annual income tax liability for each installment when paid.

(b) The issuance by a court of competent jurisdiction of a published decision holding that, based upon the right of voluntary assignment or pledge of future prize payments as collateral to secure a loan as provided in RSA 287-F:10, I-a(b) and (c)(1)-(3), a winner who does not assign any prize payment under this section would be subject to an immediate tax liability for the value of the entire prize rather than annual income tax liability for each installment when paid.

II. Upon receipt of a letter or ruling from the IRS or a published decision of a court of competent jurisdiction, the director shall immediately file a copy of that letter, ruling, or published decision with the secretary of state.

III. Immediately upon the filing by the director of a letter, ruling, or published decision with the secretary of state, a winner shall be ineligible to assign a prize or pledge a future prize payment or payments under RSA 287-F:10, I-a.

16 Effective Date.

I. RSA 284:21-i, II(c)(4), as inserted by section 10 of this act, and RSA 287-F:10, I-a and I-b, as inserted by section 14 of this act, shall take effect pursuant to section 15 of this act.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

Section 10 of this bill provides for an increase in the maximum cost of a sweepstakes ticket from $3 to $5. Sections 10 and 14 of this bill permit the voluntary assignment of tri-state lotto prizes on specified terms and conditions, and permit the prizewinner to pledge future prize payments as collateral for a loan on specified terms and conditions. Section 14 of this bill revises the tri-state lotto compact accordingly. Section 15 provides for application of the provisions in accordance with rulings of the Internal Revenue Service.

Sections 1 and 11 revise cross references to foundation aid to include RSA 198:34-37, alternative foundation aid.

The remainder of this bill amends certain RSA provisions making them gender neutral and consistent with other sections amended by the bill in accordance with RSA 17-A:6 relative to gender neutral drafting.

HB 1515-A, establishing a telecommunications assistance program. OUGHT TO PASS WITH AMENDMENT

Rep. Franklin G. Torr for Finance: The amendment removes the $.02 per access line per month and provides for an amount not to exceed $160,000 to be drawn from the telecommunications relay account. Thereafter, funding will occur through the regular budget process. Vote 21-0.

Amendment (5274L)

Amend RSA 362-E:6 as inserted by section 1 of the bill by replacing it with the following:

362-E:6 Budgeting. The governor's commission on disability shall submit an annual budget for the costs of the program to the fiscal committee not to exceed $160,000 in fiscal year 1997.

Amend the bill by replacing section 2 with the following:

2 Initial Source of Funding. Moneys on deposit, as of the effective date of this act, in the escrow account associated with the telecommunications relay service established by public utilities commission order no. 20,236 shall be the initial source of funding for the telecommunications assistance program established in RSA 362-E.

AMENDED ANALYSIS

This bill establishes a telecommunications assistance program, which shall be administered by the governor's commission on disability.

HOUSE JOURNAL No. 16

Tuesday, April 2, 1996

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of infinite patience and mercy, we give You thanks for Your undying love that renews and resurrects us when we are wounded and oppressed by the events and circumstances of our lives. Hear our prayers especially for the friends and family of former Representative Frederick Ahrens and comfort all those members of this Legislature who grieve the loss of loved ones. Grant to them and all of us Your life-giving presence and sustain us with Your love that knows no end. Amen.

Rep. Peyron led the Pledge of Allegiance.

William M. Gardner, Secretary of State

COMMITTEE ASSIGNMENT

Rep. Susan Clay on Resources, Recreation and Development.

EMPLOYEE OF THE MONTH FOR FEBRUARY

The Speaker introduced Donald Manning as the February Employee of the Month.

Donald is the Administrative Assistant to House Democratic Leader Rick Trombly. He began working for the Democratic Caucus of the House of Representatives as a legislative assistant on November 18, 1985. He is a 1985 graduate of Idaho State University with a BA in History and and Minor in Political Science. In May of 1993, Donald received his Master's Degree in Public Administration from the University of New Hampshire.

In 1988, he was named one of the Outstanding Young Men of America and last summer he participated in the Legislative Management Institute located at the Hubert Humphrey Institute of Public Affairs at the University of Minnesota.

Don and his wife, Maureen, live in Manchester with their two sons, Brady and Nolan, and are expecting their third child in June.

Don's hard work and dedication to his job are appreciated, not only by Rick and the Democratic members of the House, but by all the members and the staff as well. Congratulations Donald.

RESOLUTION

Reps. Ann Torr and Trombly offered the following:

RESOLVED, that the House inform the Honorable Senate it has organized and is ready to meet in Joint Convention for the purpose of attending to an address by Chief Justice David Brock on the state of the Judiciary.

Adopted.

RECESS

SENATE MESSAGE

The Senate is ready to meet in Joint Convention for the purpose of attending to an address by Chief Justice David Brock on the state of the Judiciary.

JOINT CONVENTION

(Speaker Burns presiding)

Chief Justice Brock:

President Delahunty, Speaker Burns, distinguished members of the General Court and friends:

There is a long history and tradition of mutual respect among and between our three branches of government. The Supreme Court's appearance here today at your gracious invitation is the best evidence of that cooperative spirit.

As the Chief Justice of our unified court system, let me thank all of you at the outset for your strong and tested support of this state's judicial branch of government. Without your input and steadfast resolve, the courts of this state could not weather the vicissitudes of finances or public opinion. Although it is essential to have a strong and independent judiciary, it is equally important to work constructively to advance the growing needs of our population for access to justice. While I come here today as the voice of a co-equal branch of government, make no mistake that I speak to you in a cooperative spirit.

As representatives of the people, in conducting the business of the three branches of government, we share a common goal — to serve our citizens and the public well. If we are to serve them faithfully, protecting those rights they have reserved to themselves in our Constitution, we must remind ourselves constantly of an important concept.

Our state Constitution directs that the legislative, executive and judicial branches should be as separate from, and independent of, each other as the survival of a free constitutional government will permit. Because of this, it is inevitable that, from time to time, each branch will assert its constitutional independence from the others and that a measure of tension will always exist. Of equal importance to us, however, should be what our Constitution describes as ". . . that chain of connection that binds the whole fabric of the constitution in one indissoluble bond of union and amity" — or, more directly put, the interdependence of the three branches.

That we, in New Hampshire, can lay claim to a free, strong and representative government, suggests that we have discovered the delicate balance that must exist between each branch's assertion of its independence and its recognition of its interdependence. The people are served well by the level of communication and support, and by the spirit of cooperation that exists among our three branches.

I hasten to add that members of the judiciary were hesitant latecomers to this important development. Since I became an attorney in 1963, and during 20 years on the bench, I have seen a sea-change in the role expected of our judges and courts. The judge of thirty years ago worked in a protected, cloistered atmosphere — one marked by judicial provincialism and formality. He, and it was always he, was reluctant to emerge from his chambers to involve himself in the family and social problems confronting the people in their daily lives. This was the norm and accepted.

As time passed, society has turned to the courts to resolve many problems and issues that were once the province of the family or of moral and ethical advisors. Chief Justice Ellen Peters of Connecticut states it well:

"The reality for state courts today is that the delivery of social services has become a major part of our judicial and administrative responsibilities. It is a common place among state court judges that we increasingly find ourselves engaged not only in adjudicating court cases but in providing ancillary social services to families, to the elderly, to victims, to all those who need structural assistance in coping with societal demands."

Here, in New Hampshire, we have had to make a thorough assessment of our resources and our ability to respond to these new, frequently complex and often time-consuming, demands. As a consequence, and as a matter of necessity, judges and administrative staff have become more actively engaged in policy planning and implementation with legislators and executive branch agencies involved with the civil and criminal justice systems.

We have responded with enthusiasm to the challenges posed by what I euphemistically call the modernization of the judiciary.

One example of interbranch cooperation and coordination is the Interbranch Substance Abuse Council (ISAC) established by the Governor, the President, the Speaker and myself. In 1993, the council sponsored an interdisciplinary conference, bringing together representatives of the three branches and the public to seek solutions to the problems drug-related offenders visit upon the criminal justice system. Just one of the ideas emanating from the conference was Judge Bob Morrill's Sullivan Academy, which organizes prosecutors, defenders, corrections and provider groups to form a strict probation, intermediate sanctions program for non-violent drug offenders. The success of the Sullivan County program as an effective method of addressing the skyrocketing costs of criminal sanctions and rehabilitation has led the Department of Corrections to support implementation of similar programs statewide.

The district courts, too often involved in addressing the problems created by dysfunctional family relationships, have been instrumental in domestic violence reform, initiating the central filing of domestic violence restraining orders with the Department of Safety, developing the district court's domestic violence protocol and participating in some 32 domestic violence coordinating councils established as a result of a statewide interdisciplinary conference. Indeed, representatives of all branches of government and disciplines participated in another statewide conference on family violence just last week at Waterville Valley.

As many of you know, the Supreme Court, in late 1989, established a long range planning task force, consisting of 75 volunteers from all walks of life. Its purpose was to provide a process for evaluative self-criticism. Its charge was visionary — to see where the court system was, where it should be and how it can get there. At no expense to the state, the task force, over an 18-month period, took a serious and objective look at the judicial branch and made specific recommendations for improving its operational efficiency. Almost all of its recommendations have been implemented.

A number were implemented by court order or rule. For example, responding to the task force recommendation that an internal governance mechanism be established to provide administrative linkage, accountability and effective communication among the courts, the Supreme Court by order and rule created the Judicial Branch Administrative Council, the positions of Administrative Judge and policy formulation committees in each of the courts.

Many of the recommendations, however, required legislative action for implementation. You will be pleased to know that the Omnibus Court Improvement Bill which you passed in 1992, incorporating numerous task force recommendations, has resulted in remarkable economies and efficiencies within the court system, including:

— the reclassification of misdemeanors as Class A or B, resulting in savings of more than $1,000,000 a year for the indigent defense fund.

— a pilot program in Rockingham County has led to regional district court jury trial authority for Class A misdemeanors which eliminates de novo trials in the Superior Court. This authority has been implemented in Rockingham and Merrimack counties. These cases now go to final judgment within 3 to 4 months, rather than 2 to 3 years under the old process.

— increased concurrent jurisdiction in the District Court and elimination of landlord/tenant appeals to the Superior Court.

— consolidation of probate related claims in the Probate Court.

Because of changes such as these and aggressive case management measures, including early pre-trial structuring conferences and mandatory arbitration or mediation by volunteer panels of

attorneys, backlog in the Superior Court has been drastically reduced. Our Superior Court received national recognition for placing first in the country in civil and criminal case-clearing rates for three consecutive years.

Other administrative initiatives — in many instances responding to the long range planning task force recommendations — are underway.

Among them:

— the processing of uncontested motor vehicle violations in the Department of Safety, rather than in the 41 clerk's offices of the District Courts.

— development of record retention policies that allow destruction of old records after scanning information onto compact discs, thereby reducing space requirements and storage costs.

— establishment of the Judicial Educational Services Committee which coordinates the delivery of continuing professional education to judges and staff. Professional education, with legislative and state justice institute support, has been greatly expanded and is designed to encourage development and growth as well as uniformity and professionalism.

— video arraignments in criminal cases, eliminating the security risks and costs attending transportation of prisoners to court. With available federal funding and help from the Attorney General's Office, sheriff's departments and local police, we expect that video arraignments, now a practice in Hillsborough County, will soon be expanded to Rockingham and Grafton counties. In addition, bail hearings, motions to suppress and discovery motions will soon be conducted by video.

— in the area of technological improvements, we have expanded the electronic bench warrant program, providing for more effective apprehension of criminal fugitives; implemented an upgraded system to select jurors and track their attendance and mileage for reimbursement; and entered into an agreement with the State Library to use their internet server to make Supreme Court opinions and other docket information available on the world wide web.

The technological development which promises the most significant impact on our service to the public is a cooperative effort among the Department of Justice, the state police and the judicial branch. Our plan is to electronically connect local law enforcement agencies, prosecutors, some executive branch agencies and all New Hampshire courts. This will enable us quickly and accurately to transmit data from one participant in the criminal justice system to another. Just as important, it will also connect all New Hampshire courts to each other. This will be an important step in our efforts to provide the public with electronic access to court information and dockets.

To address a growing Supreme Court case backlog, using legislation which makes retired judges with ten years experience on the bench judicial referees, we established judicial referee panels consisting of three retired judges, to provide for speedier resolution of appellate cases. The panels have already heard more than thirty cases and the process appears to be working well.

This is a good place for me to express my thanks to the retired judges who have willingly taken up what amounts to full-time responsibilities in assisting the courts' efforts for improvement, without compensation. Counterpointing General Douglas MacArthur's famous line, old judges never retire, nor do they fade away. In addition to those who sit on our referee panels, I would like to thank another of our retired judges, Judge Bob Temple of Dover, for the many hours of assistance he has given the court in monitoring the 90 or more legislative proposals affecting the judicial branch this session and serving as liaison with the legislature.

The efficient processing and timely disposition of court cases is only half the task the judicial branch faces in fulfilling its mandate to serve the public. We must afford litigants a meaningful opportunity to participate in the process and do all that is judicially possible to resolve their disputes and problems in a fair and equitable manner.

Our biggest current challenge in this respect is the development and implementation of the legislatively mandated Family Division Pilot Program in Rockingham and Grafton counties. The Family Division is intended to better serve citizens who seek judicial resolution of such family matters as divorce, child custody and visitation, child support, legal separation, paternity, domestic violence, juvenile delinquency, child abuse and neglect, chins, guardianship of minors, termination of parental rights and adoption. The hope underlying this bold experiment is that families will have easier access to the court system and more coordination and meaningful reso-

lution of their problems. To the extent possible, all family matters of a single family will be assigned to one family division judge located in a court facility that is geographically accessible to the family.

I am pleased to report that this endeavor will begin on July 1, as scheduled. The Supreme Court has already approved the judicial and administrative structures of the new division and expects to appoint the Superior, District and Probate Judges, Marital Masters and staff who will serve in the division by April 15. Justice Batchelder, who I don't believe has taken more than a week off since his retirement, in order to assure the successful implementation of the family division, deserves special praise.

On another subject, the New Hampshire judicial branch welcomes public interest, scrutiny and even criticism. True, there are occasions when we wish the criticism was constructive, rather than in the nature of personal diatribe. It is, however, a fact to which we have become reconciled that rarely is there celebration when justice is done. Above all, we understand that the public must be able to trust its court system and that trust can be developed only through understanding and a sense of openness.

It is in this context that we recently considered public concern with the level of confidentiality that has traditionally attended judge and lawyer discipline proceedings. In January, we adopted new rules providing that whenever the Judicial Conduct Committee issues formal charges against a judge, the hearings before the committee and disciplinary action it takes shall be public. Last month, we approved similar rules providing that once the Professional Conduct Committee issues a notice of charges alleging a lawyer has violated the rules of professional conduct, all proceedings before the committee and all disciplinary action it takes against the lawyer will be public.

Operationally, 1995 was a superb year for the judicial branch. Our 63 court locations, 53 full-time, 77 part-time judges, and 542 non-judicial employees processed 226,251 new filings and disposed of 221,423 cases. In terms of case processing, we have almost reached the point at which we can say that the tub is draining as fast as it's filling up. All this with a budget that is fairly described as a small twig on the state's budget tree — less than 1.7% of the entire state budget.

A startling development throughout our court system is the huge increase in the number of pro se litigants. As the federal government cuts funding for the Legal Services Corporation, more and more citizens will be using our courts without the assistance of a lawyer. At the Supreme Court, already, approximately 30% of the appeals are filed by persons representing themselves. Approximately 40% of the estates filed in the Rockingham County Probate Court are handled by pro se petitioners.

This presents enormous challenges, not only to court staff who must give guidance to people attempting to use the courts, but to judges hearing these cases. In response to this looming crisis, we have been working with the Bar Association, New Hampshire Legal Assistance and others to put in place mechanisms for providing assistance to those who need it in order to have meaningful access to the courts. In 1996, we will expand upon these efforts and it is not out of the question that the legislature should consider this problem at its next session.

Although it is not my purpose to address the needs of the judicial branch today, I would be remiss if I left the impression that no such needs exist. While I recognize that time and financial constraints make consideration of even limited needs unlikely during this legislative session, I look forward to the opportunity to explore them at a later date in an appropriate forum. In passing, then, let me make you aware of the real technology needs of the judicial branch and the genuine space constraints of our Administrative Office of the Courts. In recent sessions of the legislature, a new facility to house administrative personnel in a professional and efficient manner has received broad approval. Fiscal constraints have delayed its construction but I am hopeful that a capital outlay will be possible in the not-too-distant future. The need is very real.

As I close my remarks today, let me assure you that the judicial branch recognizes that we are all in this together. There is much we can do collectively to advance the real needs of our citizens. While we will not always agree on how best to serve the public interests or because our own unique responsibilities will not always allow us to do what is popular, be assured that the judicial branch will continue to listen, to discuss and to reach out to our constitutional partners and to the public generally to insure a judicial branch founded on law, integrity and above all, equality. I am confident you will join us in that enterprise.

Sen. Blaisdell and Rep. Ann Torr moved that the Joint Convention arise.
Adopted.
The Joint Convention adjourned.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Ann Torr moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

Consent Calendar adopted.

SB 500, relative to the purchase of paper products by the state. OUGHT TO PASS

Rep. Maurice E. Goulet for Executive Departments and Administration: Passage of this bill recognizes the state's commitment to the use of recycled paper purchased by or for state agencies. Of interest, this bill allows the Director of Plant and Property Management to exempt specific printing and writing papers from the process if the specific products are not reliable (i.e. jamming, etc.). Vote 14-0.

SB 537, relative to state contracts for consultants. OUGHT TO PASS WITH AMENDMENT

Rep. Robert K. Dodge for Executive Departments and Administration: The committee unanimously agreed to support the intent of the bill relative to state contracts for consultants. The amendment merely lends a positive aspect to the legislation. The bill requires state agencies to use objective project standards which do not contain criteria that may lead to sole source consultants. Vote 14-0.

Amendment (5420L)

Amend RSA 21-I:22-d as inserted by section 1 of the bill by replacing it with the following:

21-I:22-d Awards. Notwithstanding the provisions of RSA 21-I:18, awards which are made by any branch of state government or by a state agency as defined in RSA 21-I:11, I(b), including those agencies referenced in RSA 21-I:18, under this subdivision shall be based on criteria

that are published in the request for proposal and are known to all the parties responding. Nothing in this subdivision shall prevent the state or a state agency as defined in RSA 21-I:11, I(b), including those agencies referenced in RSA 21-I:18, from making judgments on the capabilities of consultants to complete the work requested if this option is clearly stated in the body of the document and, if used as the reason for the award, is so stated.

SB 550, allowing a certain town employee to buy back time in the New Hampshire retirement system. OUGHT TO PASS

Rep. Merton S. Dyer for Executive Departments and Administration: This bill will allow an employee of the town of Durham to purchase 2 years of service in group I of the New Hampshire Retirement System. This covers a period of 2 years when the fire department was reorganized from the Durham-UNH Fire Department to the Durham Fire Department. The individual involved has agreed to purchase all of the prior service time, in accordance with the method set forth in RSA 100-A:3 VI(b). Vote 14-0.

Referred to Finance.

SB 658, requiring the division of personnel, coordinator of training to cooperate with the university system regarding the training of state employees. INEXPEDIENT TO LEGISLATE

Rep. Mary E. Brown for Executive Departments and Administration: The intent of this bill was to require the education and training officer in the Division of Personnel to cooperate with the university system and the post secondary technical colleges regarding the training of state employees. The position was established in 1986 and is currently working well and closely with both educational entities. The committee felt it was therefore unnecessary to add this language to the statute. Vote 13-1.

SB 599, providing that school nurses shall be authorized to possess and administer certain drugs for disease prevention and emergency treatment, setting forth the duties of school nurses in the control and prevention of communicable disease, and requiring an education and monitoring component for regulating medication administration in a hospice house. OUGHT TO PASS WITH AMENDMENT

Rep. Eleanor H. Amidon for Health, Human Services and Elderly Affairs: This bill addressed two issues. The first is accessibility of physical exams for pupils entering school. If a school physician is not available, a physicians assistant or an advanced registered nurse may perform the exam. Religious persuasion is also recognized. Secondly, the bill verifies the necessity of an on-going educational course and monitoring of those who administer medications at a hospice house. Vote 18-0.

Amendment (5433L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to school health services and the duties of school nurses, and requiring an education and monitoring component for regulating medication administration in a hospice house.

Amend the bill by replacing all after the enacting clause with the following:

1 "Medical" Examination Changed to "Physical" Examination; Physician Assistant and Advanced Registered Nurse Practitioner Added. Amend RSA 200:32 to read as follows:

200:32 [Medical] ***Physical*** Examination of [Students] ***Pupils***. There shall be a complete [medical] ***physical*** examination by a licensed physician***, physician assistant, or advanced registered nurse practitioner*** of each child prior to or upon first entry into the public school system and thereafter as often as deemed necessary by the local school authority. ***[provided] The result of the child's physical examination shall be presented to the local school officials on a form provided by the local school authorities.*** No [medical] ***physical*** examination shall be required of a child whose parent or guardian objects thereto in writing on the grounds ***that*** such [medical] ***physical*** examination is contrary to [his] ***the child's*** religious tenets and teachings.

2 Duties of School Nurses; Control and Prevention of Communicable Disease. Amend RSA 200:38 to read as follows:

200:38 Control and Prevention of Communicable Diseases; ***Duties of School Nurse.***

I. Each school nurse shall ensure that:

[I.]***(a)*** All children shall be immunized prior to school entrance in accordance with RSA 141-C:20-a.

[II.]***(b)*** All children shall be examined prior to school entrance and periodically during the school years to detect the presence of tuberculosis ***in accordance with recommendations of the division of public health services, department of health and human services, and local school district policies.***

(c) All children shall have a complete physical examination prior to school entrance in accordance with RSA 200:32.

II. If the provisions of paragraph I are not met, each school nurse shall be responsible for informing school administrators of the noncompliance and for assisting with meeting such requirements.

3 New Paragraph; School Nurses Authorized to Possess and Administer Certain Drugs. Amend RSA 318:42 by inserting after paragraph VII the following new paragraph:

VII-a. The possession and administration, with written parental authorization, of flu vaccine, immunizations, and mantoux tests for the purpose of disease prevention and tuberculosis screening, and epinephrine for the emergency treatment of anaphylaxis by registered nurses employed or contracted by public school systems.

4 Medication Administration Program at a Hospice House. Amend RSA 326-B:17, IX(a)(2) to read as follows:

(2) Has successfully completed [a medication administration program] ***an educational course which is part of the medication administration program*** approved by the board of nursing and conducted by [a] registered [nurse] ***nurses*** licensed under this chapter. The board of nursing shall adopt rules, pursuant to RSA 541-A, relative to the criteria for the medication administration program [and]***, including criteria for an education course,*** the process [of] ***for*** approval [for a] ***of*** registered [nurse] ***nurses*** to conduct the [program] ***course and regulations for the monitoring of medication-authorized personnel in the administration of medications at the hospice house.***

5 Repeal. RSA 200:33, relative to examinations by family doctors for school entry, is repealed.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

Sections 2 and 3 of this bill provide that school nurses shall be authorized to possess and administer with written parental authorization certain drugs for disease prevention and emergency treatment, setting forth the duties of school nurses in the control and prevention of communicable disease.

Section 1 of this bill changes the term "medical examination" to "physical examination," and adds physician assistants and advanced registered nurse practitioners as individuals who may perform physical examinations of pupils.

Section 4 of this bill requires an education and monitoring component as part of the medication administration program required to administer medication at a hospice house.

Sections 1 and 2 of this bill are a request of the department of education. Section 3 is a request of the board of nursing.

Referred to Executive Departments and Administration.

SB 622-FN, relative to the custody of remains of deceased persons and the profession of embalmers and funeral directors. OUGHT TO PASS

Rep. Francine Wendelboe for Health, Human Services and Elderly Affairs: This bill defines the chain of custody of the remains of deceased persons. This will clarify the next of kin for embalmers and funeral directors. No testimony in opposition was given at the public hearing. The NH Funeral Board as well as the Funeral Directors and Embalmers Association requested the bill to clarify current statutes. It adds a requirement for continuing education courses and modifies the disciplinary hearing procedures. Vote 16-0.

Referred to Executive Departments and Administration.

SB 616, relative to a spouse's name change upon divorce. OUGHT TO PASS

Rep. Alf E. Jacobson for Judiciary and Family Law: This bill establishes a gender-neutral right to have a name change after a divorce. Vote 13-0.

SB 501, repealing a requirement for keeping records of sales of pistols and revolvers and repealing provisions relative to the purchase of shotguns and rifles in contiguous states and by nonresidents. OUGHT TO PASS

Rep. Richard A. Soucy for Public Protection and Veterans Affairs: This bill repeals a requirement for keeping records of sales of pistols and revolvers that duplicates a federal requirement. The Bureau of Alcohol, Tobacco and Firearms currently enforces the federal law. The current state law is not uniformly complied with nor is it enforced. RSA 159-A is another duplication of federal law allowing sales of rifles and shotguns to residents of contiguous states. These sales are not currently prohibited by any state or federal law in New Hampshire. Vote 15-0.

SB 664, relative to remedies against licensing authorities for failure to comply with state laws regarding licenses to carry pistols and revolvers. OUGHT TO PASS

Rep. Debbie L. Morris for Public Protection and Veterans Affairs: This bill defines the remedies to be used against licensing authorities for failure to comply with state laws regarding licenses to carry pistols and revolvers. The Committee recognizes that certain towns and cities are circumventing the law, specifically, the provisions of RSA 159:6 which require cities and towns in the state of New Hampshire to use certain forms for licenses required under RSA 159, and forms for the application for such licenses, and no other. Therefore, those segments of the New Hampshire "Right-to-Know Law," RSA 91-A:7, which address themselves to violations of that law and remedies for such violations, have been adapted to apply to violations of RSA 159. Those adaptations are enacted as part of this act, in order to ensure that public officials comply strictly with the law as set forth in RSA 159:6. Vote 15-0.

SB 527, establishing a committee to study methods of promoting competition among water utilities. OUGHT TO PASS

Rep. Donald B. White for Science, Technology and Energy: This bill will allow the committee to determine if circumstances exist where competition among or between water utilities is a viable option. Vote 13-0.

SB 509, relative to OHRV use on private property. OUGHT TO PASS

Rep. Henry P. Mock for Transportation: The committee was in unanimous agreement that those Off Highway Recreational Vehicle operators using another person's land should not "acquire" a right to that land. This bill applies only to OHRVs and addresses the issue of Prescriptive Rights (also known as Squatter's Rights) whereby an OHRV operator using someone's land as a right-of-way for twenty years could legally claim a right to that land forever. This bill will prevent that from occurring. Vote 12-0.

SB 519, repealing the sunset provision of the driver attitude training program. OUGHT TO PASS

Rep. George N. Katsakiores for Transportation: This bill repeals the sunset provision of the driver attitude training program. The committee, after review of a Department of Safety report which indicated that the major offense recidivism rate for habitual offenders who complete the attitude course is about half that of those who do not complete the course, felt there is adequate evidence that the program should be continued. Vote 12-0.

REGULAR CALENDAR

SB 657, extending the deadline of the employee assistance program study committee. OUGHT TO PASS

Rep. Warren E. Goddard for Executive Departments and Administration: The committee approves extending the employee assistance program feasibility determination reporting deadline from November 1, 1995 to November 1, 1996 to allow time for its preparation. Vote 12-2.

Adopted and ordered to third reading.

SB 513, establishing a study committee on bonding or other alternatives to protect client trust funds held by attorneys. OUGHT TO PASS

Rep. Nick Hart for Judiciary and Family Law: The committee heard testimony from Bruce Felmly, President of the N.H. Bar Association endorsing this bill creating a study committee. The committee felt there was a need to study the issue of bonding attorneys. Vote 12-1.

Adopted and ordered to third reading.

RESOLUTION

Rep. Ann Torr offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, April 17, 1996 at 10:00 a.m.

Adopted.

UNANIMOUS CONSENT

Reps. Trombly, Jacobson and Cole addressed the House.

Rep. Asselin moved that the remarks by Rep. Trombly be printed in the Journal.

Adopted.

Rep. Trombly: Thank you, Mr. Speaker. Members of the House. Last week, and it should not go without note on the floor of the House, the United States and New England, in particular, lost a truly great person, father, husband, former Governor and United States Senator, by the name of Edmund Muskie. I remember in 1972 when I was all of 15 years of age, I volunteered to work on his campaign because I thought Senator Muskie was a man of vision, integrity and most of all honesty in a time when that commodity seemed to be lacking in public officials and in the government in general. I can think of no greater honor than to stand up and say that Senator Muskie has been a guiding force in the things for which he stood in my life as a politician. I don't think there are many people today who can measure up to his integrity. While many of us remember, not with a great deal of fondness, the incident in front of the Union Leader Building, I don't think there is any higher calling than to stand up and to defend your family in public and to do that emotionally. We all need to remember that as a lesson, that when people disparage those we love that sometimes you need to stand up and you need to stand up for them and it shouldn't be quietly but it should be openly and honestly and emotionally and I don't think anyone ever expected Senator Muskie not to do that. As a former Governor from the State of Maine, a United States Senator, a champion for the environment, when there were not many around who were championing the environment, the loss of Senator Muskie is one which the nation will feel, but particularly as his neighbors, I think those of us in New Hampshire will feel it also. Thank you Mr. Speaker.

RECESS MOTION

Rep. Ann Torr moved that the House stand in recess for the purpose of introduction of bills and enrolling reports only.

Adopted.

HOUSE JOURNAL No. 17

Wednesday, April 17, 1996

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O Energy Of Life, we need Your passion and patience, so when the work before us seems hopelessly detailed and when concerns for our society appear unbearably overwhelming, come to us in all the ordinary moments to calm our hearts, sooth our weariness and refresh our spirits so that as we are renewed from the inside out, we may become for one another and all the people of our state, an expression of courage, care and devotion. Amen.

Rep. Klemm led the Pledge of Allegiance.

CONSENT CALENDAR

Rep. Ann Torr moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

SB 534, requiring candidates to report when either receipts or expenditures exceed a certain amount, was removed at the request of Rep. Buckley.

SB 510, authorizing town moderators to call a secret ballot, was removed at the request of Rep. Arnold.

SB 594, prohibiting capital appropriations from being voted on at special town or district meetings, except in the case of an emergency and relative to the polling place and to special meetings under the official ballot option, was removed at the request of Rep. Kirby.

SB 593-FN-A, relative to New Hampshire Route 125, was removed at the request of Rep. Welch.

SB 576-L, permitting telecommunications public utilities to provide services at rates lower than those fixed by its schedules of general application to public and private schools grades kindergarten through 12, was removed at the request of Rep. Connolly.

SB 570, relative to the transportation of dogs in motor vehicles, was removed at the request of Rep. Putnam.

Consent Calendar adopted.

SB 511, regulating business practices among motor vehicle manufacturers, distributors, and dealers. OUGHT TO PASS WITH AMENDMENT

Rep. John B. Hunt for Commerce, Small Business, Consumer Affairs and Economic Development: This bill is important legislation to help auto dealers and manufacturers negotiate disputes that arise over dealership agreements and territories. The amendment addresses the conflict of interest of potential arbitration board members by removing dealers and manufacturers representatives and replacing them with public citizens appointed by the Governor and Council. Vote 19-1.

Amendment (5593L)

Amend RSA 357-C:12, I(a) as inserted by section 8 of the bill by replacing it with the following:

I.(a) There is established a New Hampshire motor vehicle board for the purpose of enforcing the provisions of this chapter. The board shall consist of the commissioner of the department of safety or designee who shall serve as the board's chairperson and 6 members appointed by the governor and council. Four members of the board shall constitute a quorum. No member of the board shall:

(1) Have an ownership interest in or be employed by a manufacturer, factory branch, distributor, or distributor branch.

(2) Have an ownership interest in or be a motor vehicle dealer or an employee of a motor vehicle dealer.

(3) Be employed by an association of motor vehicle dealers, manufacturers, or distributors.

Amend RSA 357-C:12, I(e) as inserted by section 8 of the bill by replacing it with the following:

(e) Terms of the initial board members shall be staggered with 2 members serving a term of 2 years, 2 members serving a term of 3 years, and 2 member serving a term of 4 years.

Amend RSA 357-C:12, IV as inserted by section 8 of the bill by replacing it with the following:

IV. The board shall be empowered to determine the location of hearings, appoint persons to serve at the deposition of out-of-state witnesses, administer oaths, and authorize stenographic or recorded transcripts of proceedings before it. Prior to the hearing on any protest, but no later than 45 days after the filing of the protest the board shall require the parties to the proceeding to attend a prehearing conference where the chairman or designee shall have the parties address the possibility of settlement. If the matter is not resolved through the conference, the matter shall be placed on the board's calendar for hearings. Conference discussions shall remain confidential and shall not be disclosed or used as an admission in any subsequent hearing.

Amend RSA 357-C:12, VIII as inserted by section 8 of the bill by inserting after subparagraph (b) the following new subparagraph:

(c) The commissioner of safety may draw upon the fund, established in subparagraph (a), to pay the expenses of administration and enforcement of this chapter.

Referred to Executive Departments and Administration.

SB 516, relative to dwellings with lead paint. INEXPEDIENT TO LEGISLATE

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: The Commerce, Small Business, Consumer Affairs and Economic Development Committee found SB 516 inexpedient to legislate because it violates the Federal Fair Housing Act and feels lead paint should be abated and making housing unavailable is not the answer. Vote 16-1.

SB 518, relative to the industrial center and the financial liability of the state for a company's default on matching fund obligations, authorizing the assessment of fees on certain projects, and the disposition of equipment purchased with state funds. OUGHT TO PASS

Rep. Anthony Syracusa for Commerce, Small Business, Consumer Affairs and Economic Development: The Industrial Center at UNH encourages the start up and growth of small businesses and the expansion of job opportunities. This bill minimizes the financial losses that occur when a company defaults on its portion of matching fund obligations. In addition, the disposition of equipment acquired with university funds must be addressed during the initial project negotiations. Vote 12-0.

Referred to Finance.

SB 523, relative to insurance holding companies. OUGHT TO PASS

Rep. Bonnie B. Packard for Commerce, Small Business, Consumer Affairs and Economic Development: This bill changes the insurance regulatory requirements which apply to New Hampshire domestic insurance companies in the acquisition of subsidiaries. The current statute, RSA 401:B-2, subjects insurers to a 30 day advance reporting and approval requirement which creates a burden that other states do not impose on their own domestic companies. Also, current law sets arbitrary limits on the funds New Hampshire insurers can use to purchase new compa-

nies (10% of assets or 50% of surplus unless specific exemption is granted). Currently, domestic companies are at risk of losing opportunities to out-of-state competitors, on account of the 30 day waiting period, as well as the arbitrary investment limits. The insurance department has taken as practical approach as possible in enforcing these limitations in the past, but flexibility under the existing law is limited. SB 523, as amended, removes the current artificial percentage limitations and eliminates the current preliminary reporting requirements. The bill balances the regulatory interests of the State to insure the solvency of New Hampshire based insurance companies and the State's economic interest in growth and expansion of our domestic companies. The bill has the support of the insurance department and the domestic insurance companies themselves — in fact, there was no testimony against the bill. Passage of SB 523 will encourage domestic companies to expand their operations in New Hampshire and will encourage other companies to consider choosing New Hampshire as their home state. This bill represents one important change among many to promote economic expansion and thereby serve our long term economic interests. Vote 13-0.

SB 551, establishing a committee to review state-funded health care insurance. OUGHT TO PASS WITH AMENDMENT

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: The amendment to SB 551 specifies two members of the Commerce, Small Business, Consumer Affairs and Economic Development Committee and a member of the minority party shall be appointed by the Speaker. This does not preclude the minority member being a member of the Commerce Committee. Vote 18-0.

Amendment (5527L)

Amend subparagraph I(a) as inserted by section 3 of the bill by replacing it with the following:

(a) Three members of the house, 2 of whom shall be members of the house commerce, small business, consumer affairs and economic development committee, and one of whom shall be a member of a minority party, appointed by the speaker of the house.

SB 552, relative to life, accident, and health insurance, nonprofit health service corporations, and health maintenance organizations. OUGHT TO PASS WITH AMENDMENT

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: This bill clarifies coverage extended to a newborn child of an insured's dependent, coverage for incapacitated dependents whose status as a covered member would otherwise expire because of age, the law relative to Medicare supplemental insurance, and other insurance provisions. Vote 18-1.

Amendment (5540L)

Amend the bill by replacing section 16 with the following:

16 Definitions Clarified. Amend RSA 415-F:1, II-IV to read as follows:

II. "Certificate" means any certificate ***advertised, solicited,*** delivered or issued for delivery in this state under a group medicare supplement policy.

III. "Certificate form" means the form on which the certificate is ***advertised, solicited,*** delivered or issued for delivery by the issuer.

IV. "Issuer" includes insurance companies, fraternal ***benefit*** societies, [benefit societies, health care service plans] ***nonprofit health service corporations***, health maintenance organizations, and any other entity ***advertising, soliciting,*** delivering or issuing for delivery in this state medicare supplement policies or certificates.

17 Definition Clarified. Amend RSA 415-F:1, VI to read as follows:

VI. "Medicare supplement policy" means a group or individual policy of accident and sickness insurance or a subscriber contract of hospital and medical service [associations] ***corporations, nonprofit health service corporations,*** or health maintenance organizations other than a policy issued pursuant to a contract under Section 1876 [or Section 1833] of the federal Social Security Act (42 U.S.C. Section 1395 et seq.), or an issued policy under a demonstration project [authorized pursuant to amendment to the federal Social Security Act] ***specified in 42 U.S.C. Section 1395 (a)(1)***, which is advertised, marketed or designed primarily as a supplement to reimbursements under medicare or the hospital, medical or surgical expenses of persons eligible for medicare.

18 Exception Added. Amend RSA 415-F:2, III to read as follows:

III. ***Except as otherwise specifically provided in RSA 415-F:5, III,*** the provisions of this chapter are not intended to prohibit or apply to insurance policies or health care benefit plans, including group conversion policies, provided to medicare eligible persons, which policies are not marketed or held to be medicare supplement policies or benefit plans.

19 Rulemaking. Amend RSA 415-F:5, IV to read as follows:

IV. The commissioner may adopt rules under RSA 541-A for captions or notice requirements, determined to be in the public interest and designed to inform prospective insureds that particular insurance coverages are not medicare supplement coverages, for all accident and sickness insurance policies sold to [person] ***persons*** eligible for medicare [by reasons of age], other than:

(a) Medicare supplement policies.

(b) Disability income policies.

[(c) Basic, catastrophic, or major medical expense policies.

(d) Single premium, nonrenewable policies.]

20 New Section; Maternity Rider. Amend RSA 415 by inserting after section 6 the following new section:

415:6-c Maternity Rider. Upon issuing any individual health insurance policy providing hospital, medical-surgical or major medical benefits, and insurer shall offer the insured the option of including a maternity benefits rider if maternity care is not covered under the policy. Nothing in this section shall be construed to apply to supplemental health insurance and disability insurance policies.

21 Health Account Added. Amend RSA 408-B:13, I to read as follows:

I. A member insurer may offset against its tax liability under RSA 400-A any assessment described in RSA 408-B:9, II(b) for the life insurance and annuity account, ***and for the health account*** for guaranteeing the performance of contractual obligations of an impaired or insolvent insurer in regard to disability income coverages only, to the extent of 20 percent of the amount of the assessment for each of the 5 calendar years following the year in which the assessment was paid. If a member insurer ceases doing business, all uncredited assessments described above may be credited against its tax liability under RSA 400-A for the year it ceases doing business.

22 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill:

I. Clarifies coverage extended to a newborn child of an insured's dependent.

II. Clarifies coverage for incapacitated dependents whose status as a covered family member would otherwise expire because of age.

III. Clarifies the law relative to medicare supplemental insurance.

IV. Clarifies certain other insurance provisions.

SB 554-FN, requiring the department of resources and economic development, the office of state planning, Pease development authority, and the business finance authority to make annual reports on their economic development programs and allowing state credit unions to participate in the capital access program. OUGHT TO PASS WITH AMENDMENT

Rep. Eric N. Lindblade for Commerce, Small Business, Consumer Affairs and Economic Development: This bill requires the Pease Development Authority, DRED, the Office of State Planning and the Business Finance Authority to make annual reports on their economic development programs for the purpose of evaluating the impact on the economy of their programs. Opening up participation of credit unions in capital access programs will provide a further source of financing for New Hampshire business. Vote 19-0.

Amendment (5548L)

Amend RSA 12-A:34 as inserted by section 2 of the bill by replacing it with the following:

12-A:34 Review of Reports Required. For the purpose of ensuring comparability of impact reports on economic development programs issued under RSAs 4-C:6-a, 12-A:33, 12-G:26-a, and 162-A:23-a, the department of resources and economic development, in consultation with the legislative budget assistant, shall periodically review such reports at least once every 5 years

and make recommendations to be utilized by the agencies making such reports for an improved and consistent methodology for assessing the quantity and quality of jobs created and saved and the growth potential and environmental impacts of such programs. This section shall not apply to promotional literature.

SB 560, relative to utilization review programs. OUGHT TO PASS WITH AMENDMENT

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: This bill requires that clinical criteria adopted by utilization review entities be developed through reference to published guidelines recognized by certain specialty societies and through the involvement of practicing providers in such specialties. Vote 19-0.

Amendment (5611L)

Amend the bill by replacing section 1 with the following:

1 Utilization Review Determination Standards. Amend RSA 420-E:4, VI to read as follows:

VI. ***Any clinical review criteria which are utilized shall be developed by referring to published guidelines such as those promulgated by specialty societies recognized by the American Board of Medical Specialties, the Agency for Health Care Policy and Research, the National Institutes for Health, or other similar nationally recognized organizations, and by involving actively practicing providers from the specialties in question.***

VII. Upon reconsideration, as required under paragraph II of this section, utilization review determinations shall be made by persons of the same or similar specialty as the patient's health care provider.

AMENDED ANALYSIS

This bill requires that clinical criteria adopted by utilization review entities be developed through reference to published guidelines recognized by certain specialty societies and through the involvement of practicing providers in such specialties.

SB 625, relative to insurance fraud. OUGHT TO PASS WITH AMENDMENT

Rep. John B. Hunt for Commerce, Small Business, Consumer Affairs and Economic Development: This bill establishes a mechanism to increase the Insurance Department's ability to investigate insurance fraud. The amendment insured that two different sections did not conflict with each other and the amendment also fixed a typographical error. Vote 15-1.

Amendment (5435L)

Amend RSA 417:29 as inserted by section 1 of the bill by replacing it with the following:

417:29 Fraud Unit Material Information Disclosure. The unit's papers, documents, reports, or evidence relative to the subject of investigation under this section shall remain confidential and shall not be subject to public inspection or disclosure. Further, such papers, documents, reports or evidence relative to the subject of an investigation under this section shall be privileged and shall not be subject to subpoena, discovery or disclosure in any proceeding other than the action initiated by the unit. For the purposes of this section investigative materials shall include the testimony of unit personnel concerning any matter of which they have knowledge pursuant to a pending insurance fraud investigation by the unit, except as specifically authorized in this subdivision.

Amend the bill by replacing section 24 with the following:

24 Gender Reference Change. Amend RSA 417-A:10, III to read as follows:

III. The insurance commissioner may require that each insurer shall maintain records of the numbers of cancellations and refusals to write or renew policies and the reasons therefor and shall supply to the insurance commissioner such information as [he] ***the commissioner*** may request.

SB 515, relative to venue for arraignment and bail of defaulters. OUGHT TO PASS WITH AMENDMENT

Rep. Donna P. Sytek for Corrections and Criminal Justice: This bill allows a judge anywhere in the state to hold an arraignment and bail hearing for an arrest on a bench warrant regardless of the county in which the warrant was issued. Additionally, the bill addresses an injustice many of our constituents are encountering. The amendment provides a mechanism for the Commis-

sioner of Safety to waive the automatic license suspension of a New Hampshire driver who is reported as in default for nonpayment of fines in other states. In many cases these tickets were paid years ago, but if the driver cannot produce the cancelled check, under current law, he loses his license in both states. Vote 15-0.

Amendment (5680L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to venue for arraignment and bail of defaulters and to waivers of driver's license suspensions for certain defaults.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Venue for Arraignment of Defaulters. Amend RSA 602 by inserting after section 1 the following new section:

602:2 Arraignment and Bail of Defaulters. A justice of any district, municipal, or superior court in this state shall hold an arraignment and bail hearing on any person who has been arrested on a warrant for default of a court appearance or nonpayment of a fine, regardless of the county or judicial district in which the warrant was issued. The court, with the agreement of the state and the defendant, may accept a plea of guilty or no contest.

2 Defaults; Bench Warrants. Amend RSA 502-A:19-b, III to read as follows:

III.*(a)* The court may, in its discretion, issue a bench warrant for the arrest of any defendant who:

[(a)]*(1)* Is defaulted in accordance with the provisions of paragraph II of this section; or

[(b)]*(2)* Fails to pay a fine or other penalty imposed [in connection with a conviction of any offense which a court has determined he is able to pay,] or issues a bad check in payment of a fine or other penalty; or

[(c)]*(3)* Fails to comply with a similar order of the director or a court on any matter within the director's or court's jurisdiction.

(b) For purposes of this paragraph, bench warrants may be issued by the court in the jurisdiction of which the underlying offense occurred or by the administrative justice, in accordance with procedures set forth by the administrative justice.

3 Defaults Outstanding. In those cases in which the defendant is in default to any court or to the department of safety on the effective date of this section, in addition to any other sanctions provided by law, a bench warrant may be issued by the court in the jurisdiction of which the underlying offense occurred or by the administrative judge, in accordance with the procedures set forth by the administrative justice.

4 New Paragraph; Waivers of Driver's License Suspensions For Certain Defaults. Amend RSA 263:56-a by inserting after paragraph VI the following new paragraph:

VII. Notwithstanding any other provision of law, upon application, the commissioner may, as justice may require, waive the driver's license suspension of any New Hampshire resident whose license or driving privileges have been suspended in this state or another state for a default on a non-drug or alcohol-related offense, where the default is more than 5 years old. This paragraph shall not apply to offenses which are misdemeanors or felonies.

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires justices to hold arraignments on a person who has been arrested on a warrant for default of a court appearance or nonpayment of a fine, regardless of the county in which the warrant was issued.

The bill also permits the administrative justice of the district courts to issue a bench warrant for any person who is in default to any court or the department of safety on the effective date of the bill.

The bill also permits the commissioner of the department of safety to waive the driver's license suspension of any New Hampshire resident whose license or driving privileges were suspended for a default, on a non-drug or alcohol related offense which was not a misdemeanor or felony, which is more than 5 years old.

SB 573, relative to the issuance by courts of telephonic emergency temporary orders. OUGHT TO PASS WITH AMENDMENT

Rep. Donnalee M. Lozeau for Corrections and Criminal Justice: This bill allows temporary restraining orders to be issued by telephone or fax at any time instead of only outside of regular business hours. It also requires the judge to issue such orders to a law enforcement officer so that they may be recorded with the state police. Vote 14-0.

Amendment (5682L)

Amend the introductory paragraph of RSA 173-B:6 as inserted by section 1 of the bill by replacing it with the following:

Upon a showing of an immediate and present danger of abuse, the court may enter [such] temporary orders [as it deems necessary] to protect the plaintiff with or without actual notice to defendant. The court may issue such temporary orders by telephone or facsimile [during times other than regular court business hours]. Such telephonically issued orders [may] ***shall*** be made by a district or superior court judge to a law enforcement officer, and shall be valid in any jurisdiction in the state and shall be effective until the close of the next regular court business day. Such order shall be returnable to the district court where the plaintiff resides or has fled to, unless otherwise ordered by the issuing justice. If non-telephonic temporary orders are made ex parte, the party against whom such relief is issued may file a written request with the clerk of the court and request a hearing thereon. Such hearing shall be held no later than 5 business days after the request is received by the clerk. Such hearings may constitute the final hearing described in RSA 173-B:3, IV. Such temporary relief may include:

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

SB 612, relative to the impaired driver intervention program. OUGHT TO PASS WITH AMENDMENT

Rep. Donna P. Sytek for Corrections and Criminal Justice: This bill establishes a hearing process to determine whether a person who completes the impaired driver intervention or multiple offender program must get additional counseling before he is eligible for license restoration. The amendment adds an applicability section and clarifies the wording. Vote 13-0.

Amendment (5571L)

Amend the bill by replacing section 1 with the following:

1 Review Before the Commissioner for DWI Offenders; Final Evaluation. Amend RSA 263:65-a, II to read as follows:

II. For the purposes of this section, "successful completion" means meeting further counseling requirements, if any, arising out of the final evaluation given to the offender at the I.D.I.P. or the M.O.P. or its equivalent; ***provided however, that the offender shall have the right to a hearing before the commissioner or designee, who shall determine whether the further counseling requirements arising out of the final evaluation are warranted and appropriate, and whether the offender should be eligible for license restoration.*** [In no event shall such additional counseling requirements extend in duration beyond 6 months from the date of such final evaluation or for the period of the license, driving privilege revocation or suspension period, whichever is later, without first giving the offender the right to a hearing before the commissioner to determine whether he is eligible for license restoration.]

Amend the bill by inserting after section 1 the following new section and renumbering the original section 2 to read as 3:

2 Applicability. The provisions of this act shall apply only to offenders who receive a final evaluation of their attendance at the I.D.I.P., the M.O.P. or its equivalent, on or after the effective date of this act.

SB 618, relative to extended terms of imprisonment for certain DWI offenses. OUGHT TO PASS WITH AMENDMENT

Rep. Olive B. Morrill for Corrections and Criminal Justice: This bill extends the term of imprisonment for persons in possession of a radio device while stalking. It also increases the penalty for persons convicted of certain subsequent DWI offenses in this state and other jurisdictions. Vote 13-0.

Amendment (5685L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to extended terms of imprisonment for stalking and for certain DWI offenses.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraphs; Extended Term of Imprisonment. Amend RSA 651:6, I(k), to read as follows:

(k) Such person possesses a radio device with the intent to use that device in the commission of robbery, burglary, theft, gambling, ***stalking,*** or a violation of any provision of RSA 318-B. In this section, the term "radio device" means any device capable of receiving a wireless transmission on any frequency allocated for law enforcement use, or any device capable of transmitting and receiving a wireless transmission[.]***;***

(l) Such person has previously been convicted of violation of RSA 630:3, II, RSA 265:82-a, I(b) or II(b), or any crime in any other jurisdiction involving driving a motor vehicle under the influence of controlled drugs or intoxicating liquors, or both, and such person has committed a crime as defined under RSA 630:3, II or RSA 265:82-a, I(b) or II(b); or

(m) Such person has twice previously been convicted in this state or any other jurisdiction, for driving a motor vehicle under the influence of intoxicating liquors or controlled drugs, or both, and such person has committed a crime as defined under RSA 630:3, II or RSA 265:82-a, I(b) or II(b).

2 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill authorizes a court to sentence a person to an extended term of imprisonment if such person is convicted of certain motor vehicle offenses, certain DWI offenses or stalking.

SB 633-FN-A, relative to victim restitution and compensation. OUGHT TO PASS WITH AMENDMENT

Rep. Donnalee M. Lozeau for Corrections and Criminal Justice: This bill adds victims of misdemeanors to those who can seek compensation from the victim assistance fund. It also raises the ceiling on recovery from the fund. The main thrust of the bill is to insure that all courts award restitution and if they don't, they are required to give a written explanation of their decision. The administrative fee for collection of restitution has increased from ten percent to seventeen percent. Fifteen percent will be continually appropriated to a special fund established for the division of field services, department of corrections, and the remaining two percent will go to the victims assistance fund. Vote 12-0.

Amendment (5656L)

Amend the bill by replacing all after the enacting clause with the following:

1 Claimant Eligibility. RSA 21-M:8-h, I is repealed and reenacted to read as follows:

I.(a) Victims eligible for compensation are:

(1) any person who sustains personal injury as a result of a felony or misdemeanor;

(2) any person who sustains personal injury caused by a person driving under the influence of alcohol or controlled substances.

(3) any person who is a victim of sexual abuse and is under the age of 18 at the time the claim is filed.

(b) In the case of a child victim, the claimant, guardian ad litem, advocate or parent may claim compensation in the victim's stead. If the victim is incompetent or in the case of a victim's death as a direct result of the crime, the immediate family of the victim is eligible to claim compensation. In the case of a victim's disability as a direct result of the crime, the victim's legal representative may claim compensation in the victim's stead.

2 Recovery Limitation Raised. Amend RSA 21-M:8-h, V to read as follows:

V. The claimant may be reimbursed for reasonable out-of-pocket expenses, medical expenses, funeral expenses, counseling expenses and lost wages directly resulting from the crime. No reimbursement shall be paid unless the claimant has incurred reimbursable expenses of at

least $100. There shall be a [$5,000] ***$10,000*** ceiling on recovery per claimant per incident. If expenses paid through the victims' assistance program fund are later covered by insurance settlements, civil suit settlements, or restitution, or through any other source, the claimant shall reimburse the fund for the amount of expenses recovered.

3 New Paragraph; Eligible Until Claim Fully Satisfied. Amend RSA 21-M:8-h by inserting after paragraph V the following new paragraph:

VI. Notwithstanding any right by a victim to claim restitution or a court order for restitution under RSA 651:62-67, a victim shall be eligible for compensation under this section.

4 Word Deleted. Amend RSA 504-A:13, I to read as follows:

I. The court shall establish a supervision fee for probationers, and the parole board shall establish a supervision fee for parolees. The fee shall not be less than $40 a month, unless waived in whole or in part by the court, board or commissioner, and may be any greater amount as established by the court or board. This fee shall be considered a condition of release, and failure to satisfy this obligation shall be grounds for a violation hearing, unless the probationer or parolee has been found to be indigent and, for that reason, unable to pay the fee. Service charges for collection of fines[, restitution,] and fees, other than supervision fees, shall be established at 10 percent of the funds collected.

5 Conditions for Suspension of Sentence; Restriction Required. RSA 651:20, III is repealed and reenacted to read as follows:

III. As a condition of any suspension of sentence, the court may include restitution to the victim, as provided in RSA 651:62-67, performance of uncompensated public service as provided in RSA 651:68-70, and such other conditions as the court may determine.

6 New Section; Restitution; Statement of Purpose. Amend RSA 651 by inserting after section 61 the following new section in the subdivision "Restitution":

651:61-a Statement of Purpose.

I. The legislature finds and declares that the victims of crimes often suffer losses through no fault of their own and for which there is no compensation. It also finds that repayment, in whole or in part, by the offender to the victim can operate to rehabilitate the offender. It is the purpose of this act to establish a presumption that the victim will be compensated by the offender who is responsible for the loss. Restitution by the offender can serve to reinforce the offender's sense of responsibility for the offense, to provide the offender the opportunity to pay the offender's debt to society and to the victim in a constructive manner, and to ease the burden of the victim as a result of the criminal act.

II. The legislature does not intend that restitution be contingent upon an offender's current ability to pay or upon the availability of other compensation. The legislature intends that the court increase, to the maximum extent feasible, the number of instances in which victims receive restitution. The legislature does not intend the use of restitution to result in preferential treatment for offenders with substantial financial resources.

7 Restitution. RSA 651:62-64 are repealed and reenacted to read as follows:

651:62 Definitions. As used in this subdivision, unless the context otherwise indicates:

I. "Claimant" means a victim, dependent, or any person legally authorized to act on behalf of the victim.

II. "Dependent" means any person who was wholly or partially dependent upon the victim for care and support when the crime was committed.

III. "Economic loss" means out-of-pocket losses or other expenses incurred as a direct result of a criminal offense, including:

(a) Reasonable charges incurred for reasonably needed products, services and accommodations, including but not limited to charges for medical and dental care, rehabilitation, and other remedial treatment and care including mental health services for the victim or, in the case of the death of the victim, for the victim's spouse and immediate family;

(b) Loss of income by the victim or the victim's dependents;

(c) The value of damaged, destroyed, or lost property;

(d) Expenses reasonably incurred in obtaining ordinary and necessary services in lieu of those the injured or deceased victim would have performed, if the crime had not occurred, for the benefit of the victim or the victim's dependents;

(e) Reasonable expenses related to funeral and burial or crematory services for the decedent victim.

IV. "Offender" means any person convicted of a criminal or delinquent act.

V. "Restitution" means money or service provided by the offender to compensate a victim for economic loss, or to compensate any collateral source subrogated to the rights of the victim, which indemnifies a victim for economic loss under this subdivision.

VI. "Victim" means a person or claimant who suffers economic loss as a result of an offender's criminal conduct or the good faith effort of any person attempting to prevent or preventing the criminal conduct.

651:63 Restitution; Administrative Fees.

I. Any offender may be sentenced to make restitution in an amount determined by the court. In any case in which restitution is not ordered, the court shall state its reasons therefor on the record or in its sentencing order. Restitution may be ordered regardless of the offender's ability to pay and regardless of the availability of other compensation; however, restitution is not intended to compensate the victim more than once for the same injury. A restitution order is not a civil judgment.

II. Restitution ordered shall be in addition to any other penalty or fine and may be a condition of probation or parole. Restitution, if ordered, may also be a condition of any work release program administered under RSA 651:19 or RSA 651:25.

III. The making of a restitution order shall not affect the right of a victim to compensation under RSA 21-M:8-h, except to the extent that restitution is actually collected pursuant to the order. The offender shall reimburse the victims' assistance fund for any payments made by the fund to the victim pursuant to RSA 21-M:8-h after the restitution order is satisfied. Refused or unclaimed restitution payments shall be made to the victims' assistance fund.

IV. The court's determination of the amount of restitution shall not be admissible as evidence in a civil action. The court shall reduce any civil damage awards by restitution ordered and paid to the victim. Restitution orders shall survive bankruptcy.

V. The court shall add 17 percent to the total restitution payment as an administrative fee to be paid by the offender. Such administrative fee shall be divided into the following components, to be designated as follows: 15 percent shall be continually appropriated to a special fund for the division of field services, department of corrections to maximize restitution collections, directly or through agents of contractors selected by the department; and 2 percent for the victims' assistance fund. Administrative fees shall be paid by the offender in addition to and when each restitution payment is made.

VI. Restitution, administrative fines and fees, and other fees collected, except for supervision fees pursuant to RSA 504-A:13, shall be allocated on a pro-rata basis when payments are insufficient to cover the full amount due for each of these balances.

VII. The division of field services, department of corrections, shall have the authority to hire temporary personnel and to procure equipment as may be necessary to implement this chapter.

651:64 Time and Method of Restitution.

I. The time and method of restitution payments or performance of restitution services shall be specified by the department of corrections. Monetary restitution may be by lump sum, or by periodic installments in any amounts. The court shall not be required to reduce the total obligation as a result of the offender's inability to pay. The offender shall bear the burden of demonstrating lack of ability to pay. Restitution shall be paid by the offender to the department of corrections unless otherwise ordered by the court. Monetary restitution shall not bear interest. Restitution shall be made to any collateral source or subrogee, if authorized by that source and after restitution to the victim, and to the victims' assistance fund, if applicable, has been satisfied. Restitution shall be a continuing obligation of the offender's estate and shall inure to the benefit of the victim's estate, provided that no indebtedness shall pass to any heir of the offender's estate.

II. The department of corrections shall have continuing authority over the offender for purposes of enforcing restitution until the restitution order is satisfied.

III. The department may garnish the offender's wages for the purpose of ensuring payment of victim restitution.

8 New Subparagraph; Money Deposit Designated. Amend RSA 6:12, I by inserting after subparagraph (lll) the following new subparagraph:

(mmm) Moneys received pursuant to RSA 651:63, V designated for the department of corrections shall be deposited into an account to fund the operating appropriation of the divi-

sion of field services, department of corrections. Unexpended account balances in excess of $50,000 at the end of any fiscal year shall lapse to the general fund.

9 Deposit to Victims' Assistance Fund Designated. Amend RSA 6:12, I(aa) to read as follows:

(aa) The assessments collected under RSA 188-F:31 ***and 651:63, V designated for the victims' assistance fund*** which shall be credited to the victims' assistance fund until that fund exceeds $750,000, at which time moneys in excess of $750,000 shall be credited to the general fund.

10 Repeal. The following are repealed:

I. RSA 21-M:8-l, I, relative to rehabilitation as a purpose for restitution.

II. 1981, 329:1, relative to the purpose for restitution.

11 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill:

I. Makes more people eligible for restitution and increases the amount which may be awarded to victims.

II. Increases ceiling on recovery per claimant per incident.

III. Changes the procedure by which restitution is awarded, collected and distributed.

IV. Increases administrative fees paid on restitution payments.

V. Designates percentages of administrative fees for continual appropriation to a special fund established for the division of field services, department of corrections and for the victims' assistance fund.

VI. Establishes a special fund for the operating appropriation of the division of field services, department of corrections.

Referred to Finance.

SB 646-FN, establishing a committee to study alternative sentencing for persons convicted of drug-related offenses and nonviolent crimes. OUGHT TO PASS WITH AMENDMENT

Rep. Donnalee M. Lozeau for Corrections and Criminal Justice: This bill as originally introduced in the Senate removed truth in sentencing. The Senate amended that and sent it to us as a study committee whose task was to study alternative sentencing. Because the committee has supported alternative sentencing and made changes to allow for more creative effective initiatives, we believe that what is necessary is not more study but rather a report of what has occurred. The amended bill also provides that the State Department of Corrections receive information from the counties. Vote 12-1.

Amendment (5703L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to county correctional reports and requiring the department of corrections to issue a report relative to intermediate sanctions for persons convicted of certain offenses.

Amend the bill by replacing all after the enacting clause with the following:

1 Department of Corrections Required to Issue Report. The department of corrections shall issue a report relative to intermediate sanctions for persons convicted of drug-related offenses and nonviolent crimes, including any pending or current initiatives, and any agreements with county corrections departments. The department of corrections shall provide this report to the governor, the speaker of the house, the president of the senate, the chairman of the house corrections and criminal justice committee and the senate judiciary committee on or before January 1, 1997.

2 County Correctional Reports. Amend RSA 30:3, II to read as follows:

II. The reports of the several officers as prescribed in paragraph I[,] shall be submitted to the county commissioners in as much detail as the commissioners may require. ***Statistics compiled under subparagraphs I(c) and I(d) shall be submitted to the commissioner of the department of corrections.***

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires the department of corrections to issue a report relative to intermediate sanctions for persons convicted of drug-related offenses and nonviolent crimes.

The bill also requires that statistics compiled for reports by certain county officers be submitted to the commissioner of the department of corrections.

SB 536-L, prohibiting public employees of educational institutions from utilizing students as couriers relative to any labor matter in dispute between the employer and the employee organization. INEXPEDIENT TO LEGISLATE

Rep. Stanley N. Searles, Jr. for Education: This bill, while it may have good intentions, usurps the power of local authorities and school boards. Vote 17-1.

SB 574, establishing a committee to study issues relating to educationally disadvantaged children who are placed at a county correctional facility. OUGHT TO PASS WITH AMENDMENT

Rep. Robert E. McKinley for Education: This bill establishes a committee to study issues, including source of funding, relating to educationally disadvantaged children who are placed at a correctional facility. Vote 15-0.

Amendment (5528L)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a committee to study issues relating to providing free, appropriate public education for educationally disabled students who are placed at the state prison, a county correctional facility, the youth development center, or the youth services center.

Amend the bill by replacing section 1 with the following:

1 Committee Established; Purpose; Membership. A committee is established to study issues related to providing free, appropriate public education for educationally disabled students, or students who could potentially be educationally disabled, and who do not have a high school diploma and are under 21 years of age, who are placed at the state prison, a county correctional facility, the youth development center, or the youth services center. The committee shall consist of the following members:

I. Three members of the senate, one of whom shall be a member of the senate education committee, appointed by the senate president.

II. Three members of the house of representatives, one of whom shall be a member of the house education committee, appointed by the speaker of the house.

AMENDED ANALYSIS

This bill establishes a committee to study issues relating to providing free, appropriate public education for educationally disabled students who are placed at the state prison, a county correctional facility, the youth development center, or the youth services center.

SB 598-L, providing that special education state aid follows the pupil. OUGHT TO PASS WITH AMENDMENT

Rep. Stanley N. Searles, Sr. for Education: This bill clarifies the financial procedures for the equality of proper distribution of state aid for special education pupils who move from one jurisdiction to another. Vote 14-0.

Amendment (5443L)

Amend the bill the replacing section 2 with the following:

2 New Paragraph; Special Education State Aid to Follow Pupil Upon Transfer to Another District Within School Year. Amend RSA 186-C:18 by inserting after paragraph VIII the following new paragraph:

IX. When a student for whom a district receives state aid for special education under this section transfers to another school district during the school year, both the district liability and the reimbursement under this section shall be prorated among such districts. This proration shall be based upon the number of school days that the student was a resident of each district.

SB 507, relative to the New Hampshire real estate practice act. INEXPEDIENT TO LEGISLATE

Rep. Sylvia Holley for Executive Departments and Administration: The bill enabled the Real Estate Commission to exercise continuing education requirements, maintain an inactive status for real estate brokers, and publish an annual newsletter. The bill changed the telemarking and ministerial duties which the committee felt should remain as is the purview of the individual real estate agency. Lastly, it provided for a statute of limitations for filing complaints under the Real Estate Act which the committee felt should remain as is. The committee voted ITL because many of the provisions of the bill can be done now under the existing statutes and rules and the other provisions should not be changed. Vote 14-0.

SB 548-FN, relative to accidental death benefits for group I and group II members in the New Hampshire retirement system. OUGHT TO PASS WITH AMENDMENT

Rep. Ray Langer for Executive Departments and Administration: This bill closes a hole in the procedure for awarding death benefits under the retirement system. Present law provides that no benefit be paid if the member had no survivors or did not nominate a beneficiary. This bill provides that a sum equal to one year's salary and accrued benefits, such as unused sick leave or vacation time, be paid to the deceased's estate. Vote 12-0.

Amendment (5520L)

Amend the bill by replacing all after the enacting clause with the following:

1 Accidental Death Benefits; Group I Members. Amend RSA 100-A:8, I(a) to read as follows:

(a) If, upon the receipt by the board of trustees of proper proof of the death of a group I member in service indicating that such death was the natural and proximate result of an accident occurring while in the performance of duty at some definite time and place, the board decides that death was the result of an accident in the performance of duty and not caused by willful negligence on the part of the member, a state annuity shall be paid to his widow, to continue during her widowhood; or if there is no widow, or if the widow dies or remarries before the youngest child of the deceased member has attained age 18, then to his child or children under such age, divided in such manner as the board in its discretion shall determine, to continue as a joint and survivorship state annuity for the benefit of such child or children under said age until every child dies or attains said age; or if there is no widow or child under age 18 living at the death of the member, then to his dependent father or dependent mother as the board shall determine, to continue for life; or if the deceased member is a female, the foregoing benefits shall be payable to her widower, children or dependent parents only in like manner and amount; provided that if none of the aforementioned beneficiaries is living [at the death of the member no benefit shall be payable under the provisions of this section.] ***or eligible for benefits under the provisions of this section, there shall be payable to the person or persons nominated by the member, if living, otherwise to the member's estate, a lump sum amount which is equal to the deceased member's base salary plus accrued benefits not paid at the time of death, in addition to the amount payable under RSA 100-A:11.***

2 Accidental Death Benefits; Group II Members. Amend RSA 100-A:8, II(a) to read as follows:

(a) If, upon the receipt by the board of trustees of proper proof of the death of a group II member in service indicating that such death was the natural and proximate result of an accident occurring while in the performance of duty at some definite time and place, or as the natural and proximate result of repeated trauma or gradual degeneration occurring while in the actual performance of duty or arising out of and in the course of employment or of any occupational disease arising out of or in the course of employment, as defined by RSA 281-A:2, XI and found to be compensable by the commissioner of labor pursuant to RSA 281-A:43; the board decides that death was the result of an accident in the performance of duty and not caused by willful negligence on the part of the member, a state annuity shall be paid to the member's surviving spouse, to continue until the surviving spouse remarries; or if there is no surviving spouse, or if the surviving spouse dies or remarries before the youngest child of the deceased member has attained age 18, then to the deceased members' child or children under such age, divided in such manner as the board in its discretion shall determine, to continue as a joint and survivorship state annuity for the benefit of such child or children under said age until every

child dies or attains said age; or if there is no surviving spouse or child under age 18 living at the death of the member, then to the member's dependent father or dependent mother as the board shall determine, to continue for life; provided that if none of the aforementioned beneficiaries is living [at the death of the member no benefit shall be payable under the provisions of this section] ***or eligible for benefits under the provisions of this section, there shall be payable to the person or persons nominated by the member, if living, otherwise to the member's estate, a lump sum amount which is equal to the deceased member's base salary plus accrued benefits not paid at the time of death, in addition to the amount payable under RSA 100-A:11.***

3 Effective Date. This act shall take effect June 30, 1996.

Referred to Finance.

Reps. DeChane and Howard Williams declared conflicts of interest and did not participate.

SB 597-FN, relative to disability retirement benefits. OUGHT TO PASS WITH AMENDMENT

Rep. Merton S. Dyer for Executive Departments and Administration: This bill, as amended, sets the standard by which Group I and Group II members must apply for disability benefits. The amendment states that they shall apply within 1 year from the date the member ceases contributions to the NHRS. Vote 13-0.

Amendment (5523L)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Application for Disability Retirement Benefits. Amend RSA 100-A:6 by inserting after paragraph IV the following new paragraph:

V. The provisions of this paragraph shall apply, notwithstanding any other provision of RSA 100-A:6 to the contrary. The board of trustees, as the interests of justice may require, may waive the requirement that a group I or group II member be in service at the time application is made for ordinary and accidental disability retirement benefits under this section, provided that application for disability retirement benefits is made within one year of the date the member's contribution to the New Hampshire retirement system ceases.

2 Effective Date. This act shall take effect June 30, 1996.

Referred to Finance.

Reps. DeChane and Howard Williams declared conflicts of interest and did not participate.

SB 599, providing that school nurses shall be authorized to possess and administer certain drugs for disease prevention and emergency treatment, setting forth the duties of school nurses in the control and prevention of communicable disease, and requiring an education and monitoring component for regulating medication administration in a hospice house. OUGHT TO PASS

Rep. Robert K. Dodge for Executive Departments and Administration: This bill provides for statutory reference for school nurses duties as requested by the Department of Education. The bill also requires an education and monitoring component for administration of medication at a hospice house; as requested by the Board of Nursing. These requirements have been adopted under the provisions of RSA 541-A. Vote 12-0.

SB 611, relative to the duties of real estate licensees. OUGHT TO PASS WITH AMENDMENT

Rep. Sylvia A. Holley for Executive Departments and Administration: This bill amends the New Hampshire real estate practice act by defining the terms and duties of seller agents, buyer agents and disclosed dual agents. Vote 12-0.

Amendment (5475L)

Amend the bill by replacing section 1 with the following:

1 Statement of Purpose. The general court finds that it is in the best interest of the state to statutorily clarify the duties, responsibilities and surrounding relationships which are created between real estate licensees and their clients and consumers.

Amend RSA 331-A:2, III-a as inserted by section 3 of the bill by replacing it with the following:

III-a. "Brokerage agreement" means a written contract between a principal and a real estate brokerage firm intended to bring parties together for the sale, purchase, exchange, rent, or lease of real estate.

Amend RSA 331-A:2, VII-a as inserted by section 7 of the bill by replacing it with the following:

VII-a. "Principal" means the party or parties to a real estate transaction who contract the services of a real estate brokerage firm to act on their behalf in a fiduciary relationship.

Amend RSA 331-A:25-a, I as inserted by section 9 of the bill by replacing it with the following:

I. A licensee who provides services through a brokerage agreement for a seller, landlord, buyer, or tenant is bound by the duties of loyalty, obedience, disclosure, confidentiality, reasonable care, diligence, and accounting.

SB 614, authorizing licensing of alcohol and drug counselors. REFER FOR INTERIM STUDY

Rep. Lawrence A. Emerton, Sr. for Executive Departments and Administration: This bill requests licensure for alcohol and drug abuse counselors. This bill has merit but due to time constraints and the changes needed to complete a satisfactory bill, all parties agreed that a study was the best route to follow. Vote 13-0.

SB 623, to provide an optional retirement program for employees of the department of regional community-technical colleges. OUGHT TO PASS WITH AMENDMENT

Rep. Merton S. Dyer for Executive Departments and Administration: The senate bill sent to the committee would establish an optional defined contribution plan for members of the voc-tech schools. The establishment of an additional program for retirement raised many questions which the committee could not come to agreement on during the short time frame that we had available. The committee agreed with the sponsor to establish a chapter study committee to look at the subject in depth and report to the speaker of the house and president of the senate on or before November 1, 1996. Vote 11-1.

Amendment (5603L)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a committee to study an optional retirement program for employees of the department of regional community-technical colleges.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. A committee is hereby established to study whether employees of the department of regional community-technical colleges would be better served by a retirement annuity program as an option to the retirement program offered by the New Hampshire retirement system.

2 Membership. The committee shall consist of the following members:

I. Three members of the house, appointed by the house speaker.

II. Three members of the senate, appointed by the senate president.

3 Chairperson; Meeting. The first meeting shall be called by the first-named senate member. The chairperson of the committee shall be chosen by the members at the first meeting.

4 Mileage. Members of the committee shall serve without compensation except that members shall receive mileage at the legislative rate when attending to their duties on the committee.

5 Report. The committee shall report its findings and recommendations, including any proposed legislation, to the house speaker, the senate president, the house clerk, the senate clerk, the state library, and the governor on or before November 1, 1996.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study an optional retirement program for employees of the department of regional community-technical colleges.

SB 541-FN-A, exempting the healthy kids corporation from the insurance premium tax. OUGHT TO PASS

Rep. Robert L. Wheeler for Finance: The committee agreed that taxing the healthy kids corporation was an unintentional consequence of last year's premium tax bill, and corrected the situation. Vote 19-0.

SB 550, allowing a certain town employee to buy back time in the New Hampshire retirement system. OUGHT TO PASS

Rep. Franklin G. Torr for Finance: This bill authorizes the purchase of eligible time in the New Hampshire retirement system with no favoritism to the applicant or bias to the system. Vote 19-0.

SB 603-FN, relative to estate tax apportionments. OUGHT TO PASS

Rep. Neal M. Kurk for Finance: This bill makes technical changes in the laws dealing with estates and trusts. It allows for the apportionment of expenses in connection with taxes in the same manner as the taxes themselves are apportioned. It also allows for apportioned but uncollected taxes to be charged first against the residuary estate. There will be no fiscal impact on the state. Vote 17-0.

SB 525, relative to declaratory judgments. OUGHT TO PASS WITH AMENDMENT

Rep. Nick Hart for Judiciary and Family Law: This bill makes declaratory judgment actions available to more parties by removing the requirement that such actions can only be brought if there is no other way for a person to have the dispute resolved in the courts. A declaratory judgment proceeding is more streamlined than most cases, which should increase the efficiency of the courts. The bill does not require any party to utilize declaratory judgment actions; it simply makes them available if a party wants to use that procedure. Vote 15-0.

Amendment (5632L)

Amend RSA 491:22, I as inserted by section 1 of the bill by replacing it with the following:

I. Any person claiming a present legal or equitable right or title may maintain a petition against any person claiming adversely to such right or title to determine the question as between the parties, and the court's judgment or decree thereon shall be conclusive. ***The existence of an adequate remedy at law or in equity shall not preclude any person from obtaining such declaratory relief. However, the provisions of this paragraph shall not affect the burden of proof under RSA 491:22-a or permit awards of costs and attorney's fees under RSA 491:22-b in declaratory judgment actions that are not for the purpose of determining insurance coverage.***

SB 526, revising the commission on the status of the family. REFER FOR INTERIM STUDY

Rep. Barbara Hull Richardson for Judiciary and Family Law: The committee believes the magnitude of responsibilities assigned to the commission on the status of the family should be reviewed. The burden of all encompassing goals may be the root of the problem addressed in the bill, rather than the methodology of member appointment. Vote 14-1.

SB 528, making certain changes in the law regarding trustees of estates. REFER FOR INTERIM STUDY

Rep. Donald M. McMahon for Judiciary and Family Law: Testimony before the full committee, and discussion during subcommittee sessions, raised more questions than answers. The issues concerned the ability to move trusts between institutions, fees for administering trusts, and co-mingling of smaller trusts for investment purposes. The committee agreed by a 12-1 vote to look at these issues in interim study. Vote 12-1.

SB 588, relative to tenant eviction proceedings. OUGHT TO PASS WITH AMENDMENT

Rep. Margaret D. Hallyburton for Judiciary and Family Law: The bill solves a timing problem that exists due to the unpredictability of when a landlord-tenant writ may be served. A tenant shall have 7 days to file an appearance, calculated from the date on which the tenant is served. The bill will also provide uniformity among the courts on the scheduling of tenant eviction hearings. Both tenant and landlord groups support the bill. Vote 14-0.

Amendment (5690L)

Amend the bill by replacing section 2 with the following:

2 Hearing. Amend RSA 540:13, V to read as follows:

V. If the tenant files an appearance, ***a hearing shall be scheduled to occur within 10 days after such filing, with allowance for additional time pursuant to paragraph IV, with*** notice of the hearing [shall be] mailed to the parties no [less] ***fewer*** than [7] ***6*** days prior to the hearing. If the tenant fails to file an appearance or fails to appear at the hearing on the merits, the court shall mail a notice of default to the address set forth on the summons at least 3 days prior to the issuance of the writ of possession.

SB 606, relative to certification qualifications for marital mediators and prohibiting board involvement in training of marital mediators. INEXPEDIENT TO LEGISLATE

Rep. David C. Allison for Judiciary and Family Law: Based on testimony heard by the committee, it appears there is no pressing need for fast-track training or internship for marital mediators. Currently, the state's marital mediators are called upon to hear, on average, only some ten cases per year. Vote 11-1.

Rep. Hallyburton declared a conflict of interest and did not participate.

SB 619, relative to the voluntary administration of estates. OUGHT TO PASS WITH AMENDMENT

Rep. Margaret D. Hallyburton for Judiciary and Family Law: This bill blends the two existing statutes relating to the administration of small estates into one statute in order to clarify the procedure. The amendment adds a provision finding an executor or administrator in default for failure to file a statement of administration within the statutory timeframe. The committee supports this simplification of the probate process. Vote 15-0.

Amendment (5347L)

Amend RSA 553:31, I(b) as inserted by section 2 of the bill by replacing it with the following:

(b) A list of heirs or list of legatees or devisees as required under RSA 86:18;

Amend RSA 553:31, III and IV as inserted by section 2 of the bill by replacing them with the following:

III. An executor or voluntary administrator appointed pursuant to the provisions of this section shall be liable as an executor in his or her own wrong, as provided in RSA 553:17, to all persons aggrieved; and if letters testamentary or of administration are later granted, then to the executor or administrator so appointed. If an executor or administrator of the deceased person is appointed under any other sections of RSA 553, the powers of the executor or voluntary administrator appointed pursuant to this section shall immediately cease. If the executor or voluntary administrator appointed under this section uncovers further assets of the estate of the deceased person not originally inventoried under the list of assets of the original affidavit, and such additional assets, when added to those originally inventoried, do not exceed $10,000, the executor or voluntary administrator may file an amended affidavit, similar in content to the original affidavit. The amended affidavit shall include all of the assets listed in the original affidavit, together with the additional assets. Upon approval of the court, the register of probate shall issue an attested copy of the amended affidavit, which amended affidavit shall have the same force and effect as the original attested copy of the affidavit issued by the register of probate.

IV. An executor or voluntary administrator appointed under this section shall file a statement of administration, and the estate shall be closed, no earlier than 90 days, nor later than 6 months, from the date of the probate court's approval of the original affidavit unless, upon petition and good cause shown, the court grants an extension of further time for completion of administration. An executor or voluntary administrator shall file a statement of administration within 90 days after the required filing date, or be in default. The register of probate shall give notice of the default to the executor or voluntary administrator by first class mail within 10 days of the default. The register of probate shall issue a citation notice in accordance with RSA 548:5-a. The statement of administration shall set forth all assets and income received and all disbursements and expenditures made during the course of administration. The executor or voluntary administrator shall distribute any balance in hand to legatees or heirs after receiving approval by the court.

SB 629, relative to testamentary additions to trusts. OUGHT TO PASS

Rep. Nick Hart for Judiciary and Family Law: This bill updates the uniform testamentary additions to trusts act. No one testified against the bill. Vote 15-0.

SB 595, relative to licensed insurance agents under workers' compensation. REFER FOR INTERIM STUDY

Rep. Gary L. Daniels for Labor, Industrial and Rehabilitative Services: The members of the committee agreed to genuinely study this further. Concerns and issues to be studied include: workers' compensation (or lack of) on independent contractors; exclusivity, not only for just insurance agents with exclusivity clauses, but for all occupations in a similar situation; misclassification of occupations, and clarifies the definition of an independent contractor. Vote 14-0.

SB 659, allowing self-employed persons or business owners who have paid into the unemployment compensation fund to collect benefits. OUGHT TO PASS WITH AMENDMENT

Rep. Robert E. Clegg, Jr. for Labor, Industrial and Rehabilitative Services: As amended, this bill clearly defines the ability of self-employed to collect unemployment compensation. As amended, a self-employed individual who leaves his/her employment or closes his/her business is not eligible for unemployment compensation. Vote 17-0.

Amendment (5488L)

Amend the title of the bill by replacing it with the following:

AN ACT

disqualifying individuals who leave self-employment or close a business from receiving unemployment compensation benefits.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Self-Employment. Amend RSA 282-A:32, I by inserting after subparagraph (d) the following new subparagraph:

(e) He left his self-employment or closed his business.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill disqualifies individuals who leave self-employment or close a business from receiving unemployment compensation benefits.

SB 568-FN, requiring the house and senate calendars to be made available on the largest nonprofit public computer network (Internet). INEXPEDIENT TO LEGISLATE

Rep. David M. Scanlan for Legislative Administration: This bill would require the House and Senate calendars be made available on the Internet. This is already being done, so the committee found this bill Inexpedient. Additionally, HB 1110 creates a study committee to make public information available on computers from all of state government. Vote 11-0.

SB 502, relative to planning board membership and terms. OUGHT TO PASS WITH AMENDMENT

Rep. Linda T. Foster for Municipal and County Government: This bill allows administrative officials to serve as ex officio members of town planning boards, amends the terms of local land use board members by providing that the terms of administrative officials in towns and village districts shall be for one year and that the terms of council and selectmen members may be subject to four month appointments, and adds language relative to staggered appointments of alternate members which is consistent with RSA 673:5, II. Vote 13-0.

Amendment (5602L)

Amend the bill by replacing section 6 with the following:

6 Number of Alternates Increased; Terms of Alternate Members of Zoning Boards of Adjustment. Amend RSA 673:6, II-a to read as follows:

II-a. An elected zoning board of adjustment may appoint [3] *5* alternate members for a term of 3 years each*, which shall be staggered in the same manner as elected members pursuant to RSA 673:5, II*.

SB 520, establishing a study committee on the issue of granting municipalities the option of assessing property taxes on April 1 and October 1 of each year. INEXPEDIENT TO LEGISLATE

Rep. Betsey Patten for Municipal and County Government: The committee feels that a study committee is not required to bring in a proposal for granting municipalities the option of assessing property taxes twice a year instead of once a year. The sponsors may draft and introduce a bill for the next session. Vote 12-0.

SB 545, relative to the powers of city councils. OUGHT TO PASS WITH AMENDMENT

Rep. Betsey Patten for Municipal and County Government: Currently in RSA 47:17 city councils are allowed to establish procedures, through bylaws and ordinances, to issue warnings and citations for violation of health, fire, planning board, building, zoning and housing codes. This bill enables the councils to include licensing and other ordinances on the present list. Vote 15-0.

Amendment (5619L)

Amend RSA 47:17, XVI as inserted by section 1 of the bill by replacing it with the following:

XVI. WARNINGS AND CITATIONS. To establish a procedure for the issuance of warnings and citations for the violation of health, fire, planning board, building, zoning and housing codes, ***and licensing or other ordinances***.

SB 583, requiring the Coos county commissioners to be elected on a rotating basis. OUGHT TO PASS

Rep. Betsey Patten for Municipal and County Government: Presently Coos County commissioners are elected every 2 years. This bill allows one 4-year rotating term with two 2-year terms. This procedure provides continuity in that it prevents having three new commissioners at one time. Following the 1996 general election the 4-year term shall be rotated in sequence starting with District 1. Vote 13-0.

SB 617-L, enabling appointment of sewer commissioners and the establishment of municipal boards of public works commissioners. OUGHT TO PASS

Rep. Thomas E.P. Rice, Jr. for Municipal and County Government: The committee unanimously passed this bill because it provides for a more simple and economical way of doing things, particularly in small communities and some in which it is hard to find persons willing to serve. This bill is permissive, not mandatory, and therefore is desirable as a loosening of state authority. Vote 15-0.

SB 578, relative to the interception and disclosure of wire or oral communications by emergency personnel. OUGHT TO PASS WITH AMENDMENT

Rep. George R. Rubin for Public Protection and Veterans Affairs: This bill authorizes any municipal, county or state fire or police department and the bureau of emergency communications as well as the office of emergency management to intercept, record, disclose or use a wire communication, while engaged in any activity which is a necessary incident to the rendition of service or the protection of life or property. This bill only authorizes in statute those practices currently in use by emergency dispatch agencies whereby calls of an emergency nature are recorded by that emergency agency. Vote 13-0.

Amendment (5480L)

Amend the bill by replacing section 1 with the following:

1 Emergency Wire Communications; Interception, Recording, and Disclosure Authorized. Amend RSA 570-A:2, II(h) to read as follows:

(h) Any municipal, ***county, or state*** fire or police department, ***the office of emergency management as created by RSA 107-C:3, the bureau of emergency communications as defined by RSA 106-H,*** or any independently owned emergency service, and their employees in the course of their employment, when receiving or responding to emergency calls, to intercept, record, disclose or use a wire communication, while engaged in any activity which is a necessary incident to the rendition of service or the protection of life or property.

AMENDED ANALYSIS

Section 1 of this bill allows the state police, county sheriffs, the office of emergency management, or the bureau of emergency communications to intercept, record, or disclose emergency wire communications when necessary for the rendition of service or the protection of life or property.

The remainder of this bill amends certain RSA provisions making them gender neutral in accordance with RSA 17-A:6 relative to gender neutral drafting.

SB 581-L, relative to the Derry local exit on I-93. INEXPEDIENT TO LEGISLATE

Rep. Gene G. Chandler for Public Works and Highways: This bill was found inexpedient to legislate by the committee and this is, indeed, a friendly inexpedient, as the new ten year plan, House Bill 1025, has been amended to include this project as a future year's project. The amendment to HB 1025 repeals existing legislation which made this project ineligible for state or federal funding, and adds the project as an unfunded project in future years, making SB 581 unnecessary. Vote 16-0.

SB 667, naming the new Coos county courthouse the John D. Morton, Sr. courthouse. OUGHT TO PASS WITH AMENDMENT

Rep. David R. Boutin for Public Works and Highways: The new Coos County Courthouse located in Lancaster will remain named the Coos County Justice Center. The amendment dedicates the complex in memory of John D. Morton, Sr. Mr. Morton was a former Berlin City Councilor, and served in county government for twenty years as County Treasurer and County Sheriff. Mr. Morton also served a term as the International President of Kiwanis. The committee's bipartisan approval was unanimous. Vote 15-0.

Amendment (5525L)

Amend the title of the bill by replacing it with the following:

AN ACT

dedicating the new Coos County Justice Center to the memory of the late John D. Morton, Sr.

Amend the bill by replacing section 1 with the following:

1 Coos County Justice Center Dedicated. In honor of the late John D. Morton, Sr.'s long service to the city of Berlin, Coos county, and the state of New Hampshire, the legislature hereby dedicates the new Coos County Justice Center to the memory of the late John D. Morton, Sr.

AMENDED ANALYSIS

This bill dedicates that new Coos County Justice Center to the memory of the late John D. Morton, Sr.

SB 580, relative to liquor licensees. OUGHT TO PASS WITH AMENDMENT

Rep. Stephen G. Avery for Regulated Revenues: This bill removes certain restrictions on serving alcohol which are currently applicable to cocktail lounges and full service restaurants. The bill repeals a requirement that cases and containers of beer sold in this state be usual and customary industry sizes. The bill also expands the liquor commission's rulemaking authority with regard to discount prices and credit on sales to licensees, and credit card purchases by licensees. The bill is user friendly to licensees and thus makes numerous substantive and technical changes in the liquor laws recommended by the commission. Vote 12-0.

Amendment (5675L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to liquor licenses and making a variety of changes in the liquor laws.

Amend the bill by replacing all after the enacting clause with the following:

1 Definition of Club-bottle. RSA 175:1, XVII is repealed and reenacted to read as follows:

XVII. 5 Definition of Vessel. Amend RSA 175:1, LXV(a) to read as follows:

(a) Any watercraft approved and inspected by the U.S. Coast Guard or department of safety, for hire [or] operating out of any port of the state; or

6 Definition of Wholesale Distributor. Amend RSA 175:1, LXVI to read as follows:

LXVI. "Wholesale distributor" means a person licensed by the commission to engage in the purchase of beverages only from the holders of ***wholesale distributor licenses,*** beverage vendor licenses or beverage vendor importer licenses. Wholesale distributors may resell, to other licensees, beverages in their original containers, as prepared for the market by the manufacturer, but not for consumption, except for tasting on the premises of the wholesaler.

7 Advertising. Amend RSA 175:4, I and II to read as follows:

I. All advertising of liquor and beverages is [prohibited unless] ***lawful, unless*** specifically [authorized by the commission] ***prohibited by statute or administrative rule.***

II. The commission is authorized to advertise and regulate the advertisement of liquor and beverages through the medium of newspapers, magazines, periodicals, television and radio broadcasting, sports films [and], travelogs***, electronic or computer media, or other commercially acceptable promotional means and methods which may become available.*** All advertising of liquor and beverages within the state through the medium of billboards is hereby prohibited.

8 Cider. Amend RSA 175:5 to read as follows:

175:5 Cider. This title shall not apply to [sales] ***manufacture*** of cider containing not more than 6 percent of alcohol by volume at 60 degrees Fahrenheit ***for personal consumption.*** Sale by manufacturers and farmers of cider containing more than said 6 percent may be made to the commission under such regulations and with such fees as said commission may prescribe, and such cider may be shipped out of the state under such regulation and fees as the commission may prescribe.

9 Food Products. Amend RSA 175:5-a to read as follows:

175:5-a Food Products.

I. This title shall not apply to sales of ***edible*** food products***, which are not intended to be consumed as a liquid,*** containing [less than 2] ***not over 6*** percent alcohol by volume[, when such sales are made by the manufacturers of the food products and sold directly to full-service restaurants licensed under this title; provided that all liquor used in the manufacture of the food products shall be purchased from the New Hampshire liquor commission].

II. It shall be unlawful for any person to sell or cause or procure to be sold any edible food product containing not less than 1/2 of one percent alcohol by volume, at 60 degrees Fahrenheit, to any person under the age of 21.

III. All liquor used in the manufacture of edible food products in this state shall be purchased from the commission.

10 Transportation of Liquor. Amend RSA 175:6 to read as follows:

175:6 Transportation of Liquor.

I. No person shall transport liquor in this state in a greater quantity than 3 quarts, unless said liquor was purchased from a state store or from a holder of a combination or retail wine license in accordance with RSA 178:16 and RSA 178:17 or from a winery holding a limited winery special sales license in accordance with RSA 178:6. Provided, however, that the commission in its discretion may grant to an individual, upon application, a license to transport for a specific journey liquor not purchased at a state store for [his] ***the person's*** own personal use, in a quantity not to exceed 3 gallons. Quantities exceeding 3 gallons may be transferred with a license issued by the commission providing a fee of 25 percent of the entire value of the product is paid to the commission. It shall be lawful for import warehousers, under rules adopted by the commission pursuant to RSA 541-A to transport liquor as provided by RSA 178:5, II. It shall be lawful for common carriers to transport liquor to state stores, to state warehouses, to

licensees under this title, to purchasers of liquor at state stores, and from manufacturers to state warehouses, state stores, and to the state line for transportation outside the state; for licensees under this title to transport liquor from state stores to their place of business; and for manufacturers to transport within the state to state warehouses and state stores and to the state line for transportation outside the state.

II. Upon written authorization from the commission it shall be lawful for any out-of-state wholesaler of liquor or any licensed liquor vendor, table wine vendor, liquor manufacturer or domestic wine manufacturer to pick up from, transport, and deliver liquor or table wines, as applicable, to any commission warehouse, to any other licensed warehouse, to the state line, or to their place of business.

III. Notwithstanding any other law to the contrary, with written authorization from the commission, a liquor and wine representative or such representative's liquor and wine salesperson may pick up liquor or table wines that were ordered by a retail licensee from the commission and transport and deliver that order to the retailer's place of business from in-state warehouses.

11 Funds. Amend RSA 176:16 to read as follows:

176:16 Funds. All gross revenue derived by the commission from the sale of liquor, or from [licenses to manufacture or sell liquor] ***license fees***, shall be deposited into the general funds of the state. The expenses of administration and all other expenditures provided for in this title shall be paid by the state treasurer on warrants of the governor with the advice and consent of council.

12 Holiday Openings. Amend RSA 177:5 to read as follows:

177:5 Sunday and Holiday Openings. Notwithstanding any other provision of law, the commission may, in its discretion, open for business on any Sunday or legal holiday any state liquor store located on a main route where traffic is heavy; provided, however, that no state liquor store may be opened for business at any time on [January 1,] Easter[,] ***or*** Thanksgiving day, whenever appointed, and Christmas day. Although full-time employees shall be given the option of working, no such employee shall be required to work on such days. The commission may employ part-time employees, subject to the rules of the director of personnel, to staff stores open on Sundays or holidays. Any full-time employee who works on such days shall be paid 1-1/2 times [his] ***the employee's*** regular rate of pay for the actual number of hours worked.

13 New Paragraph; Bottle Clubs. Amend RSA 178:1 by inserting after paragraph V the following new paragraph:

VI. Notwithstanding any other provisions of law, each club-bottle as defined in RSA 175:1, XVII shall register to do business with the secretary of state. Nothing contained in this chapter shall be construed to permit the operator of a club-bottle to sell beverage or liquor, directly or indirectly, or otherwise replace beverage or liquor, consumed by persons over 21 years of age and holding lawful title, for a fee or anything of value.

14 Function Rooms. Amend RSA 178:19, II(a)(3) to read as follows:

(3) Private groups contracting for function rooms may also be served beverages and liquor without food[, provided the public dining room remains in operation].

15 Commission's Rulemaking Authority to Allow Payment on Credit and Discount Prices. Amend RSA 178:26 to read as follows:

178:26 Discount and Credit on Sales to Licensees. Pursuant to RSA 541-A and in furtherance of the objectives of this chapter and title, the commission shall adopt rules providing for the following:

I. When fixing the price for sale of liquor and wine to on-sale licensees, the commission may allow discounts [of not more than 10 percent] ***at percentages to be determined by the commission*** from the regular retail price on case lot orders F.O.B. the warehouse or commission direct delivery system. ***No discount determined by the commissioner under this paragraph shall be less than 10 percent.***

II. The commission shall adopt a schedule of hours and procedures by which wine and liquor may be purchased from the warehouse or state liquor store for resale by on-sale licensees on a credit basis, the terms of which shall provide for payment of accounts within a ***time*** period not to exceed [15] ***30*** days ***and not less than 15 days to be determined by the commission.***

III. The commission may adopt procedures by which on-sale licensees may purchase wine and liquor for resale by credit card from state liquor stores, the warehouse, or the commission direct delivery system.

[III.] ***IV.*** A schedule of hours and procedures by which holders of combination and retail table wine licenses may purchase table wines by the bottle at state retail liquor stores.

[IV.] ***V.*** A schedule of hours and procedures by which table wines may be purchased at the discount price for resale by holders of retail table wine and combination licenses at [15 percent less than the regular retail price in the liquor stores and 20 percent less than the regular price F.O.B. at the warehouse] ***percentages of discount to be determined by the commission. Such discounts shall be no less than 15 percent less than the regular retail price in the liquor stores and 20 percent less than the regular price F.O.B. at the warehouse.***

[V.] ***VI.*** A schedule of hours and procedures by which table wines may be purchased for resale by holders of combination and retail table wine licenses on a credit basis, the terms of which shall provide for payment of accounts within a ***time*** period not to exceed [15] ***30*** days ***and not less than 15 days to be determined by the commission.***.

16 Prohibited Sales. Amend RSA 179:5 to read as follows:

179:5 Prohibited Sales.

I. No licensee, salesperson, nor any other person, shall sell or give away or cause or allow or procure to be sold, delivered or given away any liquor or beverage to a person under the age of 21 or to a person under the influence of liquor or beverage. In no case shall any section of this title be so construed as to permit sale of liquor or beverages in any so-called saloon or speakeasy.

II. No licensee, manager or person in charge of a licensed premises shall allow or permit any individual, who is under the age of 21, to possess or consume any liquor or beverage on the licensed premises.

II. Notwithstanding paragraph I or any other law to the contrary, any person who [has in his possession and] ***possesses or*** uses or displays in any manner a false identification card, document, license or ***any*** other [form] ***document*** which represents [his] ***such person's*** age for the purpose of purchasing liquor, [or] beverages, ***or beer*** as defined in RSA 175:1 by the bottle, can, glass, container, or drink in any manner shall be fined a minimum of $250. No portion of this mandatory minimum fine shall be waived, continued for sentencing, or suspended by the court. The provisions of this paragraph do not reduce the maximum penalty which could be imposed for such an offense pursuant to paragraph I. A second or subsequent offense shall carry a $500 minimum fine.

18 New Section; Attempts to Purchase Alcohol. Amend RSA 179 by inserting after section 10 the following new section:

179:10-a Attempt to Purchase Alcohol. Notwithstanding any other law to the contrary, any person under the age of 21 years, who possesses beverage or liquor with the intent to purchase said beverage or liquor, and who does or omits to do anything which, under the circumstances as such person believes them to be, is an act or omission constituting a substantial step towards the purchase of an alcoholic beverage shall be guilty of a violation.

19 Prohibited Interests. Amend RSA 179:11, II to read as follows:

II. There shall be no restriction on the number of off-sale licenses held by any person. No holder of a beverage manufacturer license, wholesale distributor license, beverage vendor license, beverage vendor importer license, or beverage representative license shall in any way contribute or pay any money or anything in lieu thereof to any on-sale or off-sale licensee, [his] ***or the licensee's*** agent[, his] ***or*** employees, or to any group, association, or organization thereof, including, but not limited to, payment for the placement, display or sale of any beverage. Nothing in this section shall prohibit any licensee from being a member of a club holding a permit or license under this title, nor prohibit the sale or purchase, for resale, of merchandise or beverages for the conduct of the business of any on-sale or off-sale licensee. Nothing in this section shall prohibit a holder of a beverage manufacturer license, wholesale distributor license, beverage vendor license, beverage vendor importer license, or beverage representative license from bringing such holder's own product from the storeroom of an on-sale or off-sale licensee to a

warm shelf, display, refrigerated retail space, or refrigerated storage. Nothing in this section shall prohibit the holder of a beverage manufacturers license, wholesale distributors license, beverage vendors license, beverage vendor importers license, or beverage representative license from rotating, reorganizing, cleaning and resetting such holder's own product once the product is on an on-sale or off-sale licensee's warm shelf, or in an on-sale or off-sale licensee's refrigerated retail space, or refrigerated storage. ***Nothing in this section shall prohibit a wholesale distributor from delivering beverages invoiced to an on-sale or off-sale retailer to the premises of a liquor/wine/beverage warehouse for storage, provided the retailer has met the requirements of RSA 179:49.***

20 Limited Credits. Amend RSA 179:13, I to read as follows:

I. Each holder of a wholesale distributor or beverage manufacturer license shall report to the commission the name and license number of any on-sale or off-sale licensee who is delinquent in making payment of accounts within 10 days, including Sundays and holidays, from the date of delivery of beverages on the premises of such on-sale or off-sale licensee ***or on the premises of a liquor/wine/beverage warehouser storing the beverages for an on-sale or off-sale licensee***. Each holder of a ***wholesale distributor license,*** beverage vendor license, or beverage vendor importer license shall report to the commission the name and license number of any holder of a wholesale distributor license who is delinquent in making payments of accounts within 30 days from the date of delivery of beverages on the premises of such holder of a wholesale distributor license. Such report to the commission shall include the amounts purchased and the dates when payments were due and shall be forwarded to the commission within 5 days after said accounts become delinquent, unless the fifth day of such period is a Sunday or holiday in which case the report shall be forwarded the day following such Sunday or holiday.

21 Entertainment and Entertainers. RSA 179:19 is repealed and reenacted to read as follows:

179:19 Entertainment and Entertainers.

I. On-sale licensees may provide entertainment and dancing, in clearly defined areas on their licensed premises, provided they have received written authorization by the town or city and they have provided the commission with a copy of that authorization. A cover charge may be assessed to cover the cost of live entertainment.

II. No person licensed to sell liquor or beverage under RSA 178 may employ as an entertainer any person who is under 17 years of age in a cocktail lounge where liquor or beverages are sold.

III. A person under 17 years of age may serve as an entertainer in a licensed dining room.

IV. On-sale or off-sale licensees may install amusement machines on their premises. Nothing in this paragraph shall be construed in any way to limit the powers of municipalities under RSA 31:41-d to adopt bylaws relative to licensing amusement machines and to determining the number, location, and types of machines allowed in the municipality.

V. Licensees shall not allow gambling or wagering on their premises.

VI. The use of darts shall be allowed in clearly defined areas.

179:21 Employment Prohibited. No elected state official, member of the liquor commission, or employee of the liquor commission shall hold a liquor or wine representative license, or salesperson's liquor or wine license for a period of [2 years] ***one year*** from the date that such person leaves office or terminates such employment.

23 Sign Restrictions. RSA 179:25 is repealed and reenacted to read as follows:

179:25 Sign Restrictions.

I. No advertising of liquor or beverages sold in this state shall be allowed through the use of internally illuminated signs, inside or outside the licensed premises. Notwithstanding the above, beverage manufacturers and wholesale distributors may advertise on the site of their licensed premises through the use of internally illuminated signs.

II. For the purposes of this section, internally illuminated signs shall include neon, back lighted, flashing, or similar signs.

III. All exterior signs shall be in conformance with city or town requirements.

24 Restrictions on Serving and Congregating of Patrons. Amend RSA 179:27 to read as follows:

179:27 Restrictions on Serving and Congregating of Patrons.

I. Liquor and beverages may be served to patrons in on-sale establishments while seated at tables or booths, at the bar, seated at drink rails or while standing at the bar or drink rails[, provided at least 2 feet of space is allowed for every person standing or seated at the bar or drink rails.

II. Patrons may carry their drinks from the bar to their tables or to the tables of others upon invitation].

[III.] ***II.*** No beverages or liquor shall be served or consumed in foyers, hallways, kitchens, rest rooms, or other areas not approved for service by the commission.

25 Product Displays. Amend RSA 179:28, III-IV to read as follows:

III. The total value of all product displays furnished by an industry member may not exceed [$134, as of July 1, 1989,] ***the dollar amount established annually for product displays by the Bureau of Alcohol, Tobacco and Firearms*** per brand in use at any one time in any one retail establishment. The value of a product display shall be the actual cost to the industry member who initially purchased it. Transportation and installation costs shall be excluded.

IV. Industry members shall not pool or combine, as of July 1, 1989, their dollar limitations to provide a retailer a product display valued in excess of [$134] ***the dollar amount established annually for product displays by the Bureau of Alcohol, Tobacco and Firearms.***

26 Retailer Advertising Specialties. Amend RSA 179:29, III-IV to read as follows:

III. The total value of all retail advertising specialties furnished by an industry member to a retailer may not exceed[, as of July 1, 1989, $72] ***the dollar amount established annually for retailer advertising specialties by the Bureau of Alcohol, Tobacco and Firearms*** per brand in any calendar year per retail establishment. The value of a retailer advertising specialty shall be the actual cost of that item to the industry member who initially purchased it. Transportation and installation costs shall be excluded.

IV. Industry members shall not pool or combine[, as of July 1, 1989,] their dollar limitations to provide a retailer with advertising specialties valued in excess of [$72] ***the dollar amount established annually for retailer advertising specialities by the Bureau of Alcohol, Tobacco and Firearms.***

27 Advertising Restrictions. RSA 179:31 is repealed and reenacted to read as follows:

179:31 Advertising Restrictions.

I. Advertising of liquor or beverages by the use of sound trucks or outdoor internally illuminated screen displays is prohibited.

II. Manufacturers, wholesale distributors, or wine and liquor vendors or their salespersons may distribute samples of their products to licensees for purposes of tasting. The following restrictions shall apply:

(b) Wine samples shall not exceed 2 750 ml. bottles.

(c) Liquor samples shall not exceed one 750 ml. bottle.

(d) Wine coolers samples shall not exceed one 4-pack, or the product's normal marketing unit.

(e) All liquor or wine for this purpose shall be purchased from the commission.

(f) All beverage, wine, or liquor samples may be added to the retailer's inventory for sale.

(g) All beverage furnished as samples shall be considered sales for the requirements of RSA 178:28, I and RSA 178:30, I.

III. Liquor and wine representatives or salespersons shall not enter state operated stores or warehouses operated by the commission for the purpose of sales promotion or to secure information regarding inventory sales movement without specific permission from the commission.

IV. The listing of retail prices on behalf of retail licensees, by a holder of a wholesale distributor license, is prohibited in all newspaper, magazine, periodical, radio or television advertising.

V. All liquor and beverage advertising, or any claims for liquor or beverage advertising shall conform with the standards set forth in regulations under the provisions of the federal Alcoholic Administration Act.

VI. Liquor and beverage advertising shall not be inconsistent with the description of the contents on labels of any such liquor or beverage.

VII. Advertising of liquor or beverages shall not contain:

(a) Any reference to minors, pictorial or otherwise.

(b) Any subject matter or illustrations inducing persons under the legal drinking age to drink. All coupon offers requiring consumer participation shall contain reference that the coupon offer is available only to persons of legal drinking age.

(c) Any statement that is false or misleading.

VIII. Coupon offers shall be redeemed by the vendor or the vendor's agent as specified in the offer. No redemptions shall be made by state stores.

IX. Advertising of liquor or beverages shall not be inconsistent with the spirit of safety or safe driving.

X. It shall be the responsibility of the advertiser to insure that all advertising copy is in complete conformity with the New Hampshire laws and rules.

XI. No advertising or promotion shall be done by the use of a billboard. Advertising shall not contain any reference to a "happy hour" except that a "happy hour schedule" may be posted within the licensed premises, not in view of any public way and an on-sale license may advertise or promote the holding of a "champagne brunch" or similar package.

XII. No holder of a beverage manufacturer license, wholesale distributor license, beverage representative license, beverage vendor license, or a beverage vendor importer license shall advertise, either directly or indirectly, in any booklet, program, program book, yearbook, magazine, newspaper, periodical, brochure, circular, or other similar publication published by, for, or in behalf of any religious, fraternal, educational, patriotic, social, or civic group. No on-sale licensee or off-sale licensee, any group thereof, or any holder of a beverage manufacturer license, wholesale distributor license, beverage representative license, vendor license or vendor importer license, through any control, ownership, interlocking ownership, interlocking directors, or otherwise shall advertise or cause any manner or form of advertising to be inserted in such publications.

28 Sizes of Beer Containers. Amend RSA 179:33 to read as follows:

179:33 Sizes of Beer Containers; Promotions; Notification.

I. Holders of beverage vendor or beverage vendor importer or beverage manufacturer licenses shall use bottles or cans, and cases or containers [in the usual and customary industry sizes] for the sale of beer in the state which shall be specifically authorized by the commission.

II. Holders of beverage vendor or beverage vendor importer or beverage manufacturer licenses shall have their packaging or containers specifically approved by the commission and shall be fined $250 for each packaging or container violation.

III. All details of transactions between wholesale distributors and retailers shall be reflected on pertinent invoices. Promotions shall be clearly identified by both brands and sizes and cash discounts shall be shown as credit and itemized as such. [Cash payments to retailers shall not be allowed.] All items noted on delivery slips shall also be noted on wholesale distributor's account receivable ledger records.

IV. All wholesale distributors shall make ***their current prices*** available to the commission [their basic prices. I. [No] ***An*** on-sale ***or off-sale*** licensee shall [cause or allow the premises for which the license has been issued to be altered without written permission from the commission] ***notify the commission of any alteration to the licensed premises.***

II. [No off-sale licensee shall cause or allow the premises for which the license has been issued to be altered without prior approval of the commission.

III.] No licensee shall alter the premises so as to provide for both on-sale and off-sale on the same premises[. Premises for off-sale table wine licensees may be constructed on the premises of on-sale licensees], ***except*** as provided in RSA 178:17, I.

[IV. Premises shall be constructed so as to allow for patrons under the age of 18 years to have free access to restroom facilities without having to enter a cocktail lounge.

V.]***III.*** No licensee shall sell liquor or beverage from a drive-in window.

35 Repeal. The following are repealed:

I. RSA 179:12, relative to wine manufacturer's liquor and wine representative's liquor and wine salesperson's and table wine vendor's interests prohibited.

II. RSA 179:28, V, relative to the cost adjustment factor used to determine the value of product displays.

III. RSA 179:37, relative to services from wine vendors.
IV. RSA 179:39, relative to serving containers and sizes.
V. RSA 179:45, relative to mini-bars.
VI. RSA 179:48, V, relative to use of public cocktail lounges for private groups.
36 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill removes certain restrictions on serving alcohol which are currently applicable to cocktail lounges and full service restaurants. The bill also repeals a requirement that cases and containers of beer sold in this state be usual and customary industry sizes.

The bill also makes numerous substantive and technical changes in the liquor laws, recommended by the liquor commission. The bill expands the liquor commission's rulemaking authority with regard to discount prices and credit on sales to licensees, and credit card purchases by licensees. The bill also changes a prohibition on the holding of certain liquor licenses by former state officials, liquor commissioners, and liquor commission employees from a period of 2 years to one year after leaving office or terminating employment.

SB 647-FN, permitting holders of certain licenses to sell specialty beer. OUGHT TO PASS

Rep. Phyllis M. Katsakiores for Regulated Revenues: This bill is a consumer bill that will materially aid some of our small businesses. It would allow New Hampshire's on-premise and off-premise licensees to offer for sale specialty beers presently available in Maine, Vermont and Massachusetts. The committee heard only positive testimony with no one in opposition. This bill would also keep the revenues from purchases of these crafted beers within our state, since our residents would not be forced to travel out of state to buy these specialty beers. The liquor commission endorsed the contents of this bill, as well. Vote 13-0.

SB 532, relative to the creation and recordation of groundwater management zones. OUGHT TO PASS WITH AMENDMENT

Rep. Cynthia J. Dokmo for Resources, Recreation and Development: This bill, a companion bill to the recently passed brownfields legislation (HB 1536), codifies the existing authority of the Department of Environmental Services over the remediation of contaminated groundwater sites. Additionally, it clarifies the liability of "innocent" owners of contaminated properties in order to encourage the purchase and cleanup of those sites. Lastly, it provides that the DES may accept local land use controls in lieu of recordation requirements. Vote 15-0.

Amendment (5676L)

Amend the bill by replacing section 3 with the following:

3 New Paragraphs; Rulemaking. Amend RSA 485-C:4 by inserting after paragraph VII the following new paragraphs:

VIII. Criteria and procedures for the investigation, management, and remediation of contaminated groundwater, including the creation of regulated zones of contaminated groundwater and the issuance of permits or similar procedures for the remediation of such zones.

IX. Criteria and procedures for the notification of owners of affected properties and for the recordation of permits governing groundwater management zones designated by the division in the registry of deeds for affected properties.

X. Criteria and procedures for the imposition of groundwater use restrictions relative to groundwater management zones.

XI. Criteria and procedures for accepting adopted municipal land use controls in lieu of recordation requirements.

SB 547-FN-A, requiring the department of safety services, division of safety services, to publish the New Hampshire boaters guide and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Reps. Howard C. Dickinson, Jr., William E. Williams, Jr. and Rudolf A. Adler for Resources, Recreation and Development: SB 547, as amended, requires that 25 additional part-time marine patrol officers be hired for the current boating season. Furthermore, if additional unappropriated funds are available in the Safety Services half of the unrefunded gas tax fund (RSA 260:60), after paying for the 25 aforementioned part-time positions, these funds shall be used to republish the "NH Boater's Guide". The Director of Safety Services is authorized to charge a fee for this guide to cover the cost of publication. Any revenues so generated shall be deposited in the unrefunded gas tax fund for the further use of Safety Services. Vote 15-0.

Amendment (5697L)

Amend the title of the bill by replacing it with the following:

AN ACT
requiring the department of safety services, division of safety services, to hire part-time marine patrol officers and to publish the New Hampshire Boaters guide and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The general court finds that due to the increased boating pressures on New Hampshire water bodies, it is essential that the limited financial resources of the state be utilized to increase the number of part time marine safety patrol officers this summer before funds are spent to publish a new edition of the New Hampshire Boaters guide.

2 New Section; Publication of Boaters Guide. Amend RSA 270-D by inserting after section 2 the following new section:

270-D:2-a Boaters Guide. The department of safety, division of safety services shall publish the New Hampshire Boaters guide. If sufficient funds are available, the New Hampshire Boaters guide shall be republished and the director authorized to charge a fee to recover the cost of republication.

3 Hiring of Part-Time Marine Patrol Officers Required; Money Appropriated. The department of safety services, division of safety services shall hire up to 25 part-time marine patrol officers. The positions shall be funded from the unrefunded tolls designated for the department of safety services, division of safety services in RSA 260:60.

4 Applicability. Section 3 of this act shall take precedence over section 2 for the purpose of funding from unrefunded tolls designated for the department of safety services, division of safety services.

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires the department of safety, division of safety services to hire up to 25 part-time marine patrol officers and to publish the New Hampshire Boaters guide and makes an appropriation therefor.

SB 600-FN, clarifying the authority of the division of air resources to issue facility-wide permits for sources not subject to Title V. OUGHT TO PASS WITH AMENDMENT

Rep. Jeffrey C. MacGillivray for Science, Technology and Energy: The bill clarifies the state's authority to issue single permits to cover all regulated emissions from a source, and allows the state to be compatible with recent changes in the Clean Air Act. This bill was supported by the Department of Environmental Services, as well as the business community. The amendment was requested by the Office of Legislative Services to correct erroneous references to rulemaking authority in the bill. Vote 12-0.

Amendment (5573L)

Amend the bill by replacing section 5 with the following:

5 Permit Required for Non-Title V Sources. Amend RSA 125-C:11, I, to read as follows:

I. The construction, installation, operation or material modification of any device ***or non-Title V source*** as defined under RSA 125-C:2, and as further defined by rules adopted by the [director] ***commissioner*** shall be prohibited unless the source possesses a temporary permit or final permit issued by the director. The [director] ***commissioner*** may by rule exempt certain devices ***or non-Title V sources*** from the requirements of this section.

Amend the bill by replacing section 7 with the following:

7 Reference to Non-Title V Source Added. Amend RSA 125-C:12, I, to read as follows:

I. Applications for permits shall be upon such forms, and shall include such information, as the [director] ***commissioner*** requires ***under rules adopted pursuant to RSA 541-A*** in order to determine the nature of the air pollution potential for such device ***or non-Title V source***.

SB 620-FN, postponing the implementation of alternative fuel motor vehicle fleet requirements for 2 years. INEXPEDIENT TO LEGISLATE

Rep. Donald B. White for Science, Technology and Energy: This bill essentially duplicated HB 1599 already passed by the House and Senate, so SB 620s intent has been accomplished by the General Court. Vote 11-0.

SJR 20, establishing the New Hampshire Commission on the Smithsonian Festival of American Folklife featuring New Hampshire to be held on the National Mall in Washington, D.C., in 1999. OUGHT TO PASS

Rep. Stephen G. Avery for State-Federal Relations: The committee felt this was an extraordinary opportunity for the state of New Hampshire to get enormous exposure to a national and international audience. It will help tourism, agriculture and all aspects of New Hampshire life. Vote 10-0.

SB 542-FN, relative to license and registration suspensions, increasing the registration restoration fee and clarifying regulations regarding the registration and fees for semi-trailers. OUGHT TO PASS

Rep. George N. Katsakiores for Transportation: This bill adds another effort to continued attempts to remove troublesome drivers from our highways, trailways and waterways, by suspending registrations and recording such suspensions or revocations at the Department of Safety. This bill also provides for semi-trailers which travel New Hampshire ways, and are part of a "pool of semi-trailers" can be registered independently of a tractor by paying a municipal fee of $24.00 and a state registration fee of $24.00. Vote 16-0.

Referred to Finance.

SB 654-FN, relative to fees for certain hunting and fishing licenses. OUGHT TO PASS WITH AMENDMENT

Rep. Joseph N. Feuer for Wildlife and Marine Resources: This bill extends bow hunting possibilities to certain physically challenged individuals, who cannot manage conventional bows, by expanding the category of physically impaired in RSA 207:10-c to include both loss, and loss of function, of any major upper member component and allowing those so afflicted to utilize a crossbow. A one time filing fee of $10.00 is initiated for the additional permit required. Additionally, superfluous language in RSA 207:7-a and 214:13-c is removed and references to $10.00 administrative fees charged disabled veterans or other disabled persons, for licenses, are inserted in RSA 214:13 and RSA 214:13-c. Vote 11-0.

Amendment (5536L)

Amend RSA 207:7-a, I as inserted by section 1 of the bill by replacing it with the following:

207:7-a Disabled Persons.

I. RSA 207:7 shall not apply to a disabled person who is suffering from paraplegia or who is suffering from the loss of, or the loss of the use of, both lower extremities and who has obtained a current license to hunt; provided, however, that such person must first obtain from the executive director a special permit entitling said person to hunt while using a motor vehicle, not to include boats with motor attached or aircraft. For purposes of this section, "motor vehicle" shall include off highway recreational vehicles and all terrain vehicles as defined in RSA 215-A:1. No loaded firearm, shotgun, or rifle shall be carried or transported with a cartridge in the chamber, magazine, or clip attached to [said] ***the*** firearm, shotgun, or rifle, while [said] ***the***

vehicle is in motion. The executive director may issue such a permit upon application in person or upon documentary proof of such disability by a licensed hunter. Such permit shall be carried upon the person of the permittee while hunting and shall be produced for inspection upon the demand of any law enforcement officer. [Such permit may be revoked for such period as the executive director may deem proper upon satisfactory proof that such permittee is an improper person to have such a permit or upon conviction in any court of a violation of this title. Such permit shall expire on December 31 of each year. The executive director shall charge a fee of $.50 for such permit or the renewal thereof. Each permittee shall be given one deer seal which shall be attached to the deer immediately upon killing. Should the permittee need assistance in the case of a wounded deer, he shall give the seal to the assistant to attach to the deer before moving it to the vehicle for the permittee to tag.] ***A $10 administrative fee shall be charged once, upon application to the executive director for such permit.***

Amend RSA 207:10-c, I and II as inserted by section 2 of the bill by replacing it with the following:

I. Notwithstanding the provisions of RSA 207:10 [or RSA 208:6], a [special] ***crossbow*** permit may be issued to a person so physically impaired [that he has lost one or both hands or totally and permanently lost the use of one or both hands and] ***by the permanent loss of the shoulder, arm, elbow, forearm, wrist or hand or the permanent loss of functions of same, such that the person*** cannot operate a conventional longbow or compound bow ***safely.*** Such permit shall allow that person to take one deer during bow and arrow hunting season, one bear during the specified season, ***wild turkey,*** and carp from Mascoma lake pursuant to RSA 211:2, ***provided that the necessary licenses under RSA 208***, RSA 209, ***and RSA 214 have been acquired each year***. The permit applicant [shall] ***may be required to*** appear before the executive director [or]***, the director's*** designee ***or designated medical consultant or consultants to substantiate the presence of the disability*** and demonstrate [his] ***the*** ability to ***safely*** use a crossbow. ***The applicant shall be responsible for submitting medical documentation as required by the executive director. The executive director may require a second medical opinion from a medical consultant or physician designated by the executive director to verify the disability. Any costs associated with obtaining the medical documentation, re-evaluation of the information or a second medical opinion, upon recommendation of the medical consultant or consultants, are the responsibility of the applicant. The executive director shall determine the eligibility of the applicant, and the executive director's decision shall be final.***

II. [Crossbows shall be unstrung or disassembled while being transported.] ***The crossbow permit shall be perpetual. The executive director shall retain the records for such permits for a period not less than 7 years. Loss or destruction of the permit after 7 years shall obligate the permittee to re-establish eligibility.***

Amend RSA 207:10-c, V as inserted by section 2 of the bill by replacing it with the following:

V. A $10 administrative fee shall be charged once, upon application to the executive director for such permit.

Amend the bill by replacing sections 3 and 4 with the following:

3 Disabled Veterans; Administrative Fee. Amend RSA 214:13 to read as follows:

214:13 Veterans, Totally and Permanently Disabled. If the applicant for a fishing and hunting license is a resident of the state, has received a discharge other than dishonorable from service in any war or police action in which the United States has been engaged and is totally and permanently disabled from such service-connected disability, the executive director shall issue a special veteran's license to said applicant[, free of charge]. Said [special] license shall be perpetual. ***The executive director shall retain the records for such licenses for a period not less than 7 years. Loss or destruction of the license after 7 years shall obligate the licensee to re-establish eligibility. A $10 administrative fee shall be charged once, upon application to the executive director for such license.***

4 Licenses for Certain Persons. Amend RSA 214:13-c to read as follows:

214:13-c [Complimentary] Licenses for Certain Persons. The executive director shall issue upon application [complimentary] resident hunting and fishing licenses to a person who is both a resident of this state and is either suffering from paraplegia or is suffering from the permanent loss of, or the permanent loss of the use of, both lower extremities. The executive director shall determine the form of such [complimentary] licenses. All such licenses shall be consecutively

numbered. [The fish and game commission shall periodically review the total issue of such complimentary licenses and, on or before January 15 each year, submit a complete list to the chairperson of the house wildlife and marine resources committee and the chairperson of the senate fish and game/recreation committee, containing the names and legal residences of all persons to whom such complimentary licenses have been issued.] A license issued under this section shall be effective for the lifetime of the applicant unless sooner suspended or revoked by the executive director. ***The executive director shall retain the records for such licenses for a period not less than 7 years. Loss or destruction of the license after 7 years shall obligate the licensee to re-establish eligibility. A $10 administrative fee shall be charged once, upon application to the executive director for such license.***

SB 73, relative to real estate brokers liens. OUGHT TO PASS WITH AMENDMENT

Rep. Eric N. Lindblade for Commerce, Small Business, Consumer Affairs and Economic Development: This bill provides for commercial brokers, a remedy at law when the payment of a commission is at question. Any lien placed under this bill must be placed prior to closing and ceases to exist upon the completion of the sale. This provision protects the buyer from liability for the commission. Vote 11-5.

Amendment (5612L)

Amend the bill by replacing section 1 with the following:

1 New Chapter; Commercial Real Estate Broker Lien. Amend RSA by inserting after chapter 447 the following new chapter:

CHAPTER 447-A

COMMERCIAL REAL ESTATE BROKER LIEN

447-A:1 Definitions. In this chapter:

I. "Commercial real estate" means any real estate other than real estate containing one to 4 residential units. Commercial real estate shall not include single family residential units such as condominiums, townhouses, manufactured housing, time-share units, or homes in a subdivision when sold, leased, or otherwise conveyed on a unit by unit basis even though these units may be a part of a larger building or parcel of real estate containing more than 4 residential units.

II. "Principal broker" means the individual broker, including the broker designated by a corporation, partnership or association, whom the New Hampshire real estate commission holds responsible for the action of licensees who are assigned to such individual broker.

III. "Real estate" means and includes leaseholds or any other interests or estates in land and business opportunities which involve any interest in real estate.

447-A:2 Principal Broker's Lien. If a principal broker is entitled to a fee or commission pursuant to a written contract signed by the owner of commercial real estate, or the owner's duly authorized agent, pertaining to the sale or lease of said commercial real estate, then the principal broker shall have the right to a lien upon such commercial real estate in the amount of the fee or commission.

447-A:3 How Secured. Any principal broker's lien may be secured by attachment of the commercial real estate upon which it exists. In the case of a sale, the attachment must be recorded prior to the recording of the deed conveying or transferring the commercial real estate. The lien shall attach as of the date and time of the recording of the writ of attachment in the registry of deeds of the county in which the commercial real estate is located. The lien shall not relate back to the date of the written contract.

447-A:4 Priority. Prior valid recorded liens, mortgages, encumbrances and other interests shall have priority over a principal broker's lien. Such prior recorded liens, mortgages, encumbrances and other interests shall include, without limitation:

I. A valid mechanic's lien claim that is recorded subsequent to the principal broker's notice of lien but which relates back to a date prior to the recording date of the principal broker's notice of lien.

II. Prior recorded mortgages securing revolving credit lines or future advances, or both.

III. Prior recorded construction mortgages securing construction loans.

IV. Leases or notices of lease, or both.

447-A:5 Escrow of Disputed Amounts. Whenever a writ of attachment securing a principal broker's lien has been filed with the registry of deeds, an escrow account may be established from the proceeds of the sale of the commercial real estate in an amount equal to the amount of the attachment. The option to establish an escrow account, as provided for in this section, shall not be cause for any party to refuse to close the sale of the commercial real estate. The escrowed funds shall be held in escrow until the parties' rights to the escrowed moneys have been determined by written agreement of the parties, a court of law, or other process as may be agreed to by the parties. Upon funds in the amount of the claimed lien being placed in escrow, a release of the claim for lien shall be recorded forthwith at the registry of deeds in the county where the real estate is located by the principal broker claiming the lien. Once the principal broker has provided the release, the principal broker who has claimed a lien and provided such release shall have an equitable lien on the funds which were or shall be held in escrow. The parties are not required to follow this escrow procedure if alternative procedures which would allow the transaction to close are available and are acceptable to the transferee, the transferor, and the principal broker. If the proceeds from the transaction are insufficient to release all liens claimed against the commercial real estate, including the principal broker's lien, then the parties are not required to follow this escrow procedure.

447-A:6 Discharge of Lien. Except as provided in RSA 447-A:5, when the lien of a principal broker is satisfied, the principal broker shall cause a discharge of the lien to be recorded within 30 days after such lien is satisfied in the registry of deeds of the county in which the commercial real estate is located.

Adopted.

SB 175-FN-L, allowing the city of Manchester to issue state guaranteed bonds for a civic center and relative to the financing of Manchester airport. OUGHT TO PASS WITH AMENDMENT

Rep. Warren C. Henderson for Commerce, Small Business, Consumer Affairs and Economic Development: The committee strongly supports the Centerplex proposal as an important economic development project. Further, the Committee believes that a project of this type and magnitude justifies the active support of the State of New Hampshire. However, the Committee did not feel that it was appropriate to bind the state to provide the City of Manchester with a guaranteed revenue stream to pay off the project, as was proposed in the bill as amended by the Senate. Such a guarantee could have placed other communities which rely on state aid at a significant disadvantage, should changing fiscal conditions compel the state to adjust revenue sharing formulas. As amended, therefore, this bill commits the State of New Hampshire to bond up to $35,000,000 which will be loaned, in effect, to the City of Manchester to help fund the Centerplex project. The City of Manchester is compelled to repay the amount of the loan in its entirety, without exception, over a period of time not longer than two years more than the life of the bond. To take effect, the project would first have to be approved by a two thirds rate of the Mayor and Aldermen, as well as, approved by the voters of the City of Manchester in a binding referendum. Vote 11-1.

Amendment (5707L)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing the city of Manchester to establish a civic center and making a bonded appropriation therefor, and relative to the financing of such civic center and the Manchester airport.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose; Intent. The fostering of economic development through the creation of a civic center in the city of Manchester is vital to the well-being of the citizens of the state.

2 Authority to Establish a Civic Center in Manchester. In addition to any other authority previously granted to the city of Manchester, hereinafter referred to as the city, the city is hereby authorized, upon a 2/3 vote of the board of mayor and aldermen and after the voters of the city of Manchester approve by binding referendum the establishment and operation of a civic center, and shall have the exclusive right to establish any civic center to be located within the bounds of the city, at such place or places as shall be determined by the board of mayor and aldermen provided that, in recognition of the historic significance of the textile manufacturing in the millyard area of Manchester and the importance of new development coexisting with that historic industry, the city shall not establish or locate a civic center at any location which as of January 1, 1995, was used as a place of business for textile manufacturing and which establishment or construction, may cause (a) any such business to interrupt its knitting or dyeing manufacturing processes; (b) any unreasonable interference with the proper movement of goods or materials within such business, including transportation to or from such business; or (c) such business to relocate any aspect of its business beyond a single integrated facility where the manufacturing processes are then located. Any unreasonable interruption of the operation of such business caused by the establishment or construction of the civic center shall be subject to the payment of fair compensation to the owner and operator of such business for such interruption, provided that in no event shall such payments be less than the costs incurred, or the damages caused by such interruption. Nothing in this act shall limit or impair the right of any party to institute actions against any responsible party for damages arising from the operation of a civic center.

3 Issuance of Bonds or Notes.

I. The city, in addition to any other authority previously granted to it, is hereby authorized to issue its bonds or notes in order to finance the design, construction, remodeling, reconstruction and equipping of a civic center, and the financing of all other incidental and related costs, including interest on any such bonds or notes during the construction of the project and for not more than one year following project completion. Bonds or notes by the city issued under the authority of this act may be issued as general obligations of the city or as special obligations payable solely from particular revenues or funds as may be provided for in any bond resolution, trust agreement, or other agreement securing them. The aggregate principal amount of bonds or notes issued pursuant to this act by the state or the city or any combination thereof, shall not exceed $60,000,000 outstanding at any one time.

II. Bonds or notes issued pursuant to this act, including any refunding bonds or notes issued by the city to refund any bonds or notes issued by the city under this act, shall be dated, may bear interest at such rate or rates, including rates variable from time to time as determined by an index, banker's loan rate or other method determined by the city, and shall mature or otherwise be payable at such time or times and in such amounts, as may be determined by the city, and may be redeemable before maturity at the option of the city or the holder thereof at such prices and under such terms and conditions as may be fixed by the city.

III. Any bonds or notes issued by the city under this act may, at the discretion of the city, be secured by a bond resolution or trust agreement or other agreement in such form and executed in such manner as may be determined by the city and the purchasers or holders of such bonds or notes or between the city and a corporate trustee which may be any trust company or bank having the powers of a trust company within or without the state. Such bond resolution, trust agreement, or other agreement may pledge or assign, in whole or in part, the revenues and funds held or to be received by the city, and any contract or other rights to receive the same, whether then existing or thereafter coming into existence and whether then held or thereafter acquired by the city, and the proceeds thereof. Such bond resolution, trust agreement, or other agreement may contain such provisions for protecting and enforcing the rights, security, and remedies of

the holders of such bonds or notes as may be reasonable and proper, including without limiting the generality of the foregoing provisions, defining events of default and providing for remedies in the event of default which may include the acceleration of maturities, restrictions on the individual rights of the individual holders of any such bonds or notes, and covenants setting forth the duties and limitations on the city in relation to the acquisition, construction, improvement, enlargement, alteration, equipping, furnishing, maintenance, use, operation, repair, insurance, and disposition of the civic center, the custody, safeguarding, investment and application of moneys, the issue of additional or refunding bonds or notes by the city, the fixing, revision, charging and collection of charges, the use of any surplus bond proceeds, the establishment of reserves, and the making and amending of contracts; provided, however, that the city shall not mortgage its real property or fixed assets to secure any bonds or notes issued by the city under this act.

IV. In addition to other security provided under this act, or otherwise at law, bonds or notes issued under this act may be secured, in whole or in part, by financial guaranties, by insurance or by letters of credit issued to the city or a trustee or any other person, by any bank, trust company, insurance or surety company or other financial institution, and the city may pledge or assign, in whole or in part, the revenues and funds held or to be received by the city, and any contract or other rights to receive the same, whether then existing or thereafter coming into existence and whether then held or thereafter acquired by the city, and the proceeds thereof, as security for such guarantee or insurance or for the reimbursement by the city to any issuer of such letters of credit for any payments made under any such letter of credit.

V. Any pledge of revenues and other funds made by the city under this act shall be valid and binding and shall be deemed continuously perfected for the purposes of the uniform commercial code and other laws when such pledge is made. The revenues and funds, rights therein and thereto and proceeds so pledged and then held or thereafter acquired or received by the city shall immediately be subject to the lien of such pledge without any physical delivery or segregation thereof or further act, and the lien of any such pledge shall be valid and binding against all parties having claims of any kind in tort, contract or otherwise against the city, whether or not such parties have notice thereof. The bond resolution, trust agreement, or any other agreement by which a pledge is created need not be filed or recorded to perfect such pledge except in the records of the city, and no filing need be made under the uniform commercial code.

VI. The city may issue refunding bonds or notes for the purpose of paying any of its bonds or notes issued pursuant to this act at or prior to maturity or upon acceleration or redemption or purchase and retirement. Refunding bonds or notes may be issued at such times at or prior to the maturity, redemption, or purchase and retirement of the refunded bonds or notes as the city shall determine. Refunding bonds or notes may be issued in sufficient amounts to pay or provide for payment of the principal of the bonds or notes being refunded, together with any redemption premium thereon, any interest or discount accrued or to accrue to the date of payment of such bonds or notes, the costs of issuance of the refunding bonds or notes, the expenses of paying, redeeming or purchasing the bonds or notes being refunded, the costs of holding and investing proceeds of refunding bonds or notes pending such payment, redemption or purchase and such reserves for debt service or other capital or current expenses from the proceeds of such refunding bonds or notes as may be required by a bond resolution, trust agreement, or other agreement securing bonds or notes. The issue and sale of refunding bonds or notes by the city, the maturities and other details thereof, the security therefor, the rights of the holders thereof, and the rights, duties and obligations of the city in respect of the same shall be governed by the provisions of this act relating to the issue of bonds or notes other than refunding bonds or notes insofar as the same may be applicable.

VII. Bonds or notes issued by the city under this act shall be authorized by resolution passed by at least 2/3 of all the members of the board of mayor and aldermen, shall be signed by the mayor and countersigned by the finance officer, and shall bear the city seal. Except as may otherwise be provided in this act or by resolution of the board of mayor and aldermen, all actions taken and agreements entered into by or on behalf of the city under this section shall be taken or entered into by the city finance officer, with the approval of the mayor.

VIII. Bonds and notes issued by the city under this act shall be outside the statutory debt limitation applicable to the city and shall not be subject to the limitations and provisions of the

Municipal Finance Act, except that RSA 33:15 and 33:16 shall apply to such bonds and notes issued by the city to the extent as though they had been issued pursuant thereto.

4 Additional Powers Granted to the City.

I. Subject to the limitations contained in section 2 of this act, as provided in section 8 of this act and in addition to any other authority the city may have under any other law or otherwise, the city shall have all powers necessary or convenient to carryout and effectuate the purposes and provisions of this act, including, without limiting the generality of the foregoing, the power to:

(a) Enter into contracts, arrangements, and agreements with other persons in all matters necessary or convenient to the operation of this act including, without limiting the generality of the foregoing, leases of the facilities to be constructed and operated hereunder, contracts for planning, management, administration, and operation of the facilities to be constructed pursuant to this act, and to execute and deliver instruments necessary or convenient to the exercise of its powers under this act; provided, however, that no contract authorized pursuant to this section shall be of more than 25 years in duration.

(b) Obtain insurance and to enter into agreements of indemnification necessary or convenient to the exercise of its powers under this act.

(c) Establish, adjust, collect, and abate charges for services, facilities, and commodities furnished or supplied by it.

(d) Acquire and take and hold title in its own name, by purchase, lease, lease-purchase, sale and leaseback, mortgage, exchange, gift or otherwise, or to obtain options for the acquisition of, and to dispose of, any property, real or personal, improved or unimproved, tangible or intangible, or any interest therein and to exercise its powers of eminent domain in furtherance of the purposes of this act; provided that any such exercise of its powers of eminent domain shall be subject to the limitations set forth in section 2 of this act.

(e) Maintain, repair, operate, enlarge, and improve a civic center and facilities incidental and related thereto, to investigate, design, construct and acquire improvements and additions to such civic center; to engage in activities, programs, and projects on its own behalf or jointly with other public or private entities; and to provide for the cost of such activities from grants, the proceeds of bonds or notes issued therefor, or from other revenues available to the city.

II. Notwithstanding paragraph I, any entity with which the city contracts to operate the civic center shall guarantee in the contract to the city and the state that the parent corporation and its subsidiarys, successors, and assigns shall make up any net losses occurring from the operation of the civic center from the entity's own resources. In the opinion of the state treasurer, the operating entity needs to be creditworthy. "Creditworthy" means an investment grade credit of A or better from a recognized rating agency.

5 Agreement of the City.

I. In this act:

(a) "Additional increment" means for each fiscal year the amount of money derived from the meals and rooms tax imposed pursuant to RSA 78-A as in effect for the fiscal year ending June 30, 1994, and paid or payable to the city in any fiscal year by the state, in excess of the base amount. In the event the meals and rooms tax is replaced by a successor state program providing assistance to the city, "additional increment" shall include the amount of money paid to the city under the successor state program in excess of the "base amount."

(b) "Base amount" means the amount of money derived from the meals and rooms tax, as in effect prior to the fiscal year ending June 30, 1995, and paid to the city by the state in the fiscal year ending June 30, 1996.

(c) "Aggregate amount" means the sum of the base amount and the additional increment.

(d) "Stabilization fund" means the stabilization fund established by the city pursuant to paragraph II.

(e) "Stabilization fund requirement" means, at a minimum, as of any fiscal year the greatest amount of principal and interest payable in any subsequent fiscal year on bond or notes issued under this act.

II. The city shall pledge the additional increment otherwise payable to the city in each year and all amounts in the stabilization fund established in this paragraph to the repayment of the bonds or notes issued by the city or by the state under this act. To the extent the additional in-

crement otherwise payable paid to the city in any fiscal year is greater than the amount needed to pay the principal of and interest on the bonds or notes issued by the state under this act and payable in the same fiscal year, any such excess shall be deposited in a stabilization fund which shall be established by the city. To the extent that revenues derived from the additional increment are insufficient in any fiscal year to pay the principal of and interest on bonds or notes issued by the state under this act, the state shall withdraw from the stabilization fund and use for such payment an amount equal to the amount of any such insufficiency. Additional increment payments in any fiscal year in excess of funds required to pay principal of and interest on bonds or notes issued by the state under this act shall be used, first, to maintain the stabilization fund requirement; second, to repay any advances made to the city under section 6 of this act; and, third, to be held in the stabilization fund, and, at the discretion of the state treasurer, to be used to redeem bonds issued by the state hereunder.

6 Appropriation; City Civic Center; State Bonds Authorized.

I. The sum of $35,000,000 is appropriated for the payment to the city for the purposes set forth in this act.

II. To provide funds for the purposes set forth herein, the state treasurer is hereby authorized to borrow upon the credit of the state a sum not exceeding $35,000,000 and to make a loan or loans to the city for the purposes of this act, and may issue general obligation bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. Payment of principal and interest on the bonds and notes shall be made from the general fund of the state, to the extent that other funds for such purpose as set forth in this act are insufficient to pay the principal of and interest on any such bonds or notes. The governor and council may impose such terms and conditions as they may deem appropriate for any such loan; otherwise the terms and conditions of any such loan shall be determined by the state treasurer. Principal of and interest on the bonds or notes issued under this paragraph shall be payable in each fiscal year, first, from the additional increment; second, from the stabilization fund established in this act; third, from any other funds, including without limitation project revenues, provided or pledged by the city or any other entity to finance the project; and, fourth, from the base amount; if such funds are insufficient, the amount required to make up any such insufficiency shall be payable from the general funds of the state. Any authority to issue bonds or notes of the state pursuant to this act and not approved by the governor and council as of June 30, 2000 shall be rescinded as of such date.

III. In connection with the issuance of state bonds, the governor and council may impose such terms and conditions as they may deem appropriate concerning the bonds or notes, the issuance of parity or subordinated bonds or notes, or the use, maintenance, or operation of the civic center and the revenues therefrom. The city shall not request approval under this section by the governor and council or the state treasurer for the issuance of state bonds unless the city provides with such request appropriate evidence that it has received commitments from private or other sources, other than the city or the state, to provide at least 30 percent of the total estimated project cost, which funds may be expended in connection with the civic center in addition to any funds authorized to be borrowed under this act. The terms and conditions imposed by the governor and council shall include provisions for reimbursement, with interest, by the city to the state if any state funds, other than the additional increment, are used to pay the bonds issued by the state under the terms of this act. Any such reimbursement obligation may be either a general obligation of the city or a limited obligation, payable only from specified revenues and funds. In no event shall the time for repayment of the city's reimbursement obligation to the state under this section exceed the term of the bond plus 24 months. Such terms and conditions shall be contained in an agreement between the state and the city, to be executed on behalf of the state by the governor and the state treasurer and on behalf of the city by the mayor and the city finance officer.

7 Civic Center Commission Established. There is hereby established the city of Manchester civic center commission, hereinafter referred to as the commission, consisting of 5 members, 3 of whom shall be appointed by the mayor, with the approval of the board of aldermen, for a term of 5 years and 2 of whom shall not be residents of the city and shall be appointed by the governor, with the approval of the council; provided, however, that the mayor's initial appointees shall serve for terms of one, 2, and 3 years, respectively. The term of each state appointee

shall be 5 years, provided, however, that the initial state appointees shall serve for terms of 4 and 5 years respectively. The mayor shall annually designate one of the members of the commission to serve as chairperson. Members of the commission shall serve until their successors are appointed and qualified. Vacancies in the membership of the commission, other than the state appointees, shall be filled by the mayor with the approval of the board of aldermen for the balance, if any, of the unexpired term.

8 Powers of Commission. The commission, on behalf of the city, shall carry out the powers granted in section 4 of this act, subject to the limitations set forth in section 2 of this act. In furtherance of its objectives, the commission shall adopt rules, regulations, and policies for the conduct of its business and meetings and the carrying out of its powers and duties under this act. The commission shall make an annual report to the board of mayor and aldermen.

9 Application of Receipts. All receipts from the operation of the civic center and any of its facilities shall be kept in a separate fund by the city finance officer apart from other revenues and funds of the city and shall be used for the purpose of managing, maintaining, operating, promoting, repairing, and improving the civic center.

10 No Pecuniary Benefit. Members of the civic center commission established in section 7 of this act shall serve without compensation. Commission members shall not obtain any pecuniary benefit or interest in any action or activity of the commission or civic center, and shall not use their office for personal gain or act in a manner contrary to the public interest.

11 Certain State Guarantees; Manchester Airport. Amend 1989, 265:8 as amended by 1992, 8:1 to read as follows:

265:8 State Guarantee. In view of the general public benefits expected to be derived from the projects to be financed under this act, and their contribution to the social and economic prosperity of the state, the governor and council may award an unconditional state guarantee of the principal of and interest on bonds issued under this act, notwithstanding the provisions of RSA 162-I:10. In the case of bonds issued under this act, the statement required by RSA 162-I:8, III and the finding required by RSA 162-I:9, II(b)(4) shall be modified to reflect the award of any state guarantee. The full faith and credit of the state shall be pledged for any such guarantees, but the total amount of the principal of bonds guaranteed by the state under this section shall not exceed $50,000,000 and any interest thereon***; provided, however, that any state guarantee authorized under this section and not awarded prior to January 1, 1996, shall be rescinded.*** The governor, with the advice and consent of the council, is authorized to draw [his] ***a*** warrant for such a sum out of any money in the treasury not otherwise appropriated, for the purpose of honoring any guarantee awarded under this section. The state's guarantee shall be evidenced on each guaranteed bond by an endorsement signed by the state treasurer in substantially the following form:

The state of New Hampshire hereby unconditionally guarantees the payment of the whole of the principal of and interest on the within bond and for the performance of such guarantee the full faith and credit of the state are pledged.

State Treasurer

In connection with the award of a state guarantee, the governor and council may impose such terms and conditions as they may deem appropriate concerning the bonds, the use and operation of the airport facilities and the revenues therefrom, and reimbursement to the state if any state funds are used to honor the guarantee. Such terms and conditions may be contained in an agreement between the state and the city, to be executed on behalf of the state by the governor and the state treasurer and on behalf of the city by the authorized officers.

12 Competitive Bidding Required; Commissioner Members. No contract or other agreement shall be entered into by or on behalf of the civic center commission for the sale or purchase of any property or services having a value in excess of $200, including, without limitation, any real or personal property, construction, goods, commodities, supplies and equipment, except by open competitive bidding. No member of the civic center commission shall, either personally or through any family or business tie, obtain any interest or benefit from any contract or other agreement with the civic center commission.

13 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a procedure for the city of Manchester to issue bonds for establishing and operating a civic center. A bonded appropriation is made from state funds, for which principal and interest payments are to be made from various sources, including the city's share of meals and rooms tax revenue and project revenues.

The bill also establishes a civic center commission which shall assist in the operation of the civic center. The bill requires the entity chosen to operate the civic center to make up any net losses from civic center operation from its own resources.

The bill also rescinds state guarantees authorized but not awarded prior to January 1, 1996, for business finance authority (formerly industrial development authority) financing of the Manchester airport.

Rep. Donna Soucy yielded to questions.

Rep. Buckley requested a roll call; sufficiently seconded. The question being the adoption of the amendment.

Floor Amendment (5752L)

Amend the bill by replacing section 2 with the following:

2 Authority to Establish a Civic Center in Manchester; Referendum.

I. In addition to any other authority previously granted to the city of Manchester, hereinafter referred to as the city, the city is hereby authorized, upon a 2/3 vote of the board of mayor and aldermen and after the voters of the city of Manchester approve by binding referendum the establishment and operation of a civic center, and shall have the exclusive right to establish any civic center to be located within the bounds of the city, at such place or places as shall be determined by the board of mayor and aldermen provided that, in recognition of the historic significance of the textile manufacturing in the millyard area of Manchester and the importance of new development coexisting with that historic industry, the city shall not establish or locate a civic center at any location which as of January 1, 1995, was used as a place of business for textile manufacturing and which establishment or construction, may cause (a) any such business to interrupt its knitting or dyeing manufacturing processes; (b) any unreasonable interference with the proper movement of goods or materials within such business, including transportation to or from such business; or (c) such business to relocate any aspect of its business beyond a single integrated facility where the manufacturing processes are then located. Any unreasonable interruption of the operation of such business caused by the establishment or construction of the civic center shall be subject to the payment of fair compensation to the owner and operator of such business for such interruption, provided that in no event shall such payments be less than the costs incurred, or the damages caused by, such interruption. Nothing in this act shall limit or impair the right of any party to institute actions against any responsible party for damages arising from the operation of a civic center.

II.(a) The binding referendum required under paragraph I shall be substantially in the following form: "Should the Board of Mayor and Aldermen use taxpayer dollars to build the proposed CenterPlex Sports and Entertainment Complex in the Millyard district?"

(b) The date of the proposed referendum shall be Tuesday, September 10, 1996. All expenditures and receipts supporting or opposing the referendum shall be filed with the Manchester city clerk by Wednesday, September 4, 1996. Notwithstanding any provision of law to the contrary, expenditures shall not exceed $50,00 for each side.

SB 521-L, establishing a civic center commission to operate a civic and trade center in the city of Concord. OUGHT TO PASS WITH AMENDMENT

Rep. John B. Hunt for Commerce, Small Business, Consumer Affairs and Economic Development: This bill is enabling chapter law to allow the city of Concord to establish and operate a non-profit civic center. The amendment clarifies that the non-profit status does not include the meals and rooms tax. Vote 19-0.

Amendment (5591L)

Amend the bill by replacing section 5 with the following:

5 Tax Exemption and Payments in Lieu of Taxes.

I. The property of the commission is declared to be public property used for essential public and governmental purposes or functions. Except as provided in paragraph II, such property and the commission shall be exempt from all taxes and special assessments of the state or any political subdivision thereof; provided, however, that in lieu of such taxes the commission may agree to make such payments to the state or any political subdivision of the state as the commission deems appropriate.

II. Notwithstanding paragraph I, the commission shall not be exempt from the meals and rooms tax under RSA 78-A.

Adopted.

Report adopted and ordered to third reading.

SB 529, limiting railroad liability for passenger trains. MAJORITY: INEXPEDIENT TO LEGISLATE MINORITY: REFER FOR INTERIM STUDY

Rep. Richard H. Krueger for the Majority of Commerce, Small Business, Consumer Affairs and Economic Development: The committee is in full support of passenger rail services. How-

ever, the state of affairs in New Hampshire and specifically the passenger and rail service to Portland, Maine via New Hampshire is not properly addressed by this bill. The consumer would not be protected by this level of limited liability. The population in general is at risk currently because the rail beds that are to be used by the passenger trains are the same that freight is transported over now. This bill would have also protected damages caused by freight traffic which is not fair to the public. The passenger rail service between Boston and Portland, Maine will not be prohibited by the defeat of this bill. Vote 9-6.

Rep. Warren C. Henderson for the Minority of Commerce, Small Business, Consumer Affairs and Economic Development: Communities across New Hampshire have worked to encourage the expansion of passenger rail service in our state. Passenger rail service represents an important part of our state heritage. It is a key element of fuel efficient mass transit and it brings economic development benefits to the regions that it serves. One obstacle standing in the way of expanding passenger rail service is the extraordinary cost of securing insurance to cover virtually limitless liability for any claims against the railroad. The bill, as presented, placed limitations on how great that liability may be. While the limits and restrictions as defined may be a cause of legitimate concern, we should not close the door on this issue. The minority urges that the bill be sent to Interim Study.

On a division vote, 173 members having voted in the affirmative and 84 in the negative, the report was adopted.

SB 535, relative to automobile insurance. REFER FOR INTERIM STUDY

Rep. John B. Hunt for Commerce, Small Business, Consumer Affairs and Economic Development: Questions arose concerning whether an illegally obtained policy due to residency requirements might not be valid. The committee decided to work on this subject this summer and decided this bill is an appropriate vehicle. Vote 13-2.

Adopted.

SB 577, establishing a committee to study the issue of implementing individual withdrawal selection for abortion coverage by an individual in a group policy, including premium implications and administrative costs. MAJORITY: OUGHT TO PASS WITH AMENDMENT MINORITY: INEXPEDIENT TO LEGISLATE

Rep. Stephen T. DeStefano for the Majority of Commerce, Small Business, Consumer Affairs and Economic Development: This committee of three senators and three members of the Commerce Committee will study the issue of implementing individual withdrawal selection for coverage by and individual in a group policy, including premium implications and administrative costs Vote 12-4.

Rep. Elizabeth L. Crory for the Minority of Commerce, Small Business, Consumer Affairs and Economic Development: Group health insurance protects a person who has few claims, as well as, a person who has many. An insured pays with the knowledge that coverage will be there when needed. As amended, SB 577 will study whether an individual in a group plan can select the coverage wanted and refuse to pay or have his employer refuse to pay for coverage the individual doesn't believe in or want. The minority feels the insurance committee should not be advocates of destroying the fundamental tenet of insurance.

Amendment (5681L)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a committee to study the issue of implementing individual withdrawal selection for coverage by an individual in a group policy, including premium implications and administrative costs.

Amend the bill by replacing section 1 with the following:

1 Committee Established. There is hereby established a committee to study the issue of implementing individual withdrawal selection for coverage by an individual in a group policy, including premium implications and administrative costs. The committee shall be composed of 3 senators appointed by the senate president and 3 representatives from the committee on commerce, small business, consumer affairs, and economic development appointed by the speaker of the house.

AMENDED ANALYSIS

This bill establishes a committee to study the issue of implementing individual withdrawal selection for coverage by an individual in a group policy, including premium implications and administrative costs.

SB 590, establishing a committee to study the feasibility of requiring insurers to cover early intervention services. OUGHT TO PASS WITH AMENDMENT

Rep. Beverly A. Gage for Commerce, Small Business, Consumer Affairs and Economic Development: This bill establishes a committee to study the feasibility of requiring insurers to cover early intervention services. It has been amended to require two members of the Commerce, Small Business, Consumer Affairs and Economic Development Committee and one member of the Health, Human Services and Elderly Affairs Committee. Vote 11-7.

Amendment (5513L)

Amend paragraph II as inserted by section 1 of the bill by replacing it with the following:

II. Three representatives, 2 of whom shall be members of the commerce, small business, consumer affairs, and economic development committee and one of whom shall be a member of the health, human services and elderly affairs committee, all appointed by the speaker of the house of representatives.

SB 615, relative to property left behind by tenants and relative to damage deposits for pets. OUGHT TO PASS WITH AMENDMENT

Rep. Eric N. Lindblade for Commerce, Small Business, Consumer Affairs and Economic Development: This bill reduces the length of time a landlord is required to store tenants property left behind. It further makes a sensible solution to the problem of perishable goods left behind. Limiting the pet damage charge to $100 was an effort to protect people of limited means from unreasonable charges. Vote 17-2.

Amendment (5537L)

Amend the bill by replacing section 1 with the following:

1 Property Left Behind. Amend RSA 540-A:3, VII to read as follows:

VII. A landlord shall maintain and exercise reasonable care in the storage of the personal property of a tenant who has vacated the premises[, either voluntarily or] by eviction[,] for a period of [45] *15* days after the date upon which such tenant has vacated. After the [45-day] ***15-day*** limit has expired, such personal property may be disposed of by the landlord without notice to the tenant. ***Property left by a voluntarily departing tenant is property left behind and may be disposed of by the landlord without notice to the tenant. Any pet left in the premises for 48 hours by a tenant who has vacated the premises, either voluntarily or by eviction, shall be taken to an animal shelter. Perishable items may be disposed of by the landlord within 48 hours after the tenant has vacated the premises, whether voluntarily or by eviction.***

Amend RSA 540-A:6, I as inserted by section 3 of the bill by replacing it with the following:

I. A landlord shall not demand or receive any security deposit in an amount or value in excess of one month's rent or $100, whichever is greater. ***If pets are permitted by the landlord, the landlord may require the pet owning tenant to post an additional damage deposit which shall not exceed $100.*** Upon receiving a deposit from a tenant, a landlord shall forthwith deliver to the tenant a signed receipt stating the amount of the deposit and specifying the place where the deposit or bond for the deposit pursuant to RSA 540-A:6, II(c) will be held, and shall notify the tenant that any conditions in the rental unit in need of repair or correction should be noted on the receipt or given to the landlord in writing within 5 days of occupancy.

AMENDED ANALYSIS

This bill requires the safe keeping of a tenant's personal property by the landlord only if the tenant departed due to eviction.

This bill also allows landlords to charge a damage deposit of not more than $100 to tenants with pets.

Adopted.

SB 627, relative to insurance coverage for childbirth. OUGHT PASS WITH AMENDMENT

Rep. Bonnie B. Packard for Commerce, Small Business, Consumer Affairs and Economic Development: This bill was recommended by the Study Committee established under Chapter 168, Laws of 1995 (SB17). Based on its hearings and deliberations, the Study Committee concluded that exclusive contractual arrangements between physicians and managed care companies (agreements effectively limiting a physician to treating members of only one managed care company) have become increasingly common in New Hampshire in recent years, that the present practice of permitting such exclusive contracts has had a negative impact on consumer access to health care and has created an anti-competitive climate among providers of managed care. The conclusions of the Study Committee, as well as the other conclusions set forth in the Bill's Statement of Purpose have been borne out by evidence presented to the Commerce Committee during its hearings and deliberations on the Bill. The Bill addresses the matter of access to quality health care at a competitive price, which obviously is a broad, generalized social and economic problem of great importance to New Hampshire citizens. Fostering competition and preventing anti-competitive arrangements is an appropriate policy to improve citizen access to quality health care at a competitive price. Testimony and other evidence offered to the Committee demonstrated that exclusive arrangements between physicians and managed care insurers have created barriers to entry which effectively prevent competing managed care insurers from doing business. For example, the Committee learned that two HMO's dominate the New Hampshire health care market. No new HMO has been able to enter the state since 1990. The extensive use of exclusive contracts between health insurers and providers has crippled those wishing to enter the market. Nearly 50% of the New Hampshire primary care physicians are in exclusive or semi-exclusive relationships. Further, a majority of these exclusive physicians are in key geographic markets like Concord, Manchester, Nashua, and Keene and certain specialties such as pediatricians and OB-GYNS have been tied up in exclusive arrangements. For an HMO, the most important factor to enter a new market is adequate network development. They must have a sufficient network of providers, especially primary care providers. They are blocked from the market when they are unable to establish networks. New Hampshire is essentially closed to potential entrants. The Committee heard specific evidence from physicians, N.H. Citizens Action, Oxford Health Plans, Tufts Associated Health Plans, New Hampshire Municipal Association Health Insurance Trust, U.S. Healthcare, and most importantly, New Hampshire citizens who have been adversely affected as a result of such exclusive arrangements. Additional HMO's seeking to enter the New Hampshire marketplace have found it very difficult, if not impossible to establish adequate physician provider networks. The Committee also received evidence that as a result, premiums paid by New Hampshire citizens to existing HMO's are among the highest in the nation, and HMO profits from such premiums are also among the highest in the nation. If the New Hampshire healthcare marketplace is to be opened to further competition through participation of additional HMO's, prohibition of exclusive arrangements is a necessary and reasonable means to address the problem. Evidence received by the Committee demonstrated that exclusive arrangements are currently widespread and are unlikely to decrease without legislative intervention. Existence of such arrangements in provider contracts currently in force is likely to continue, unless the legislation is made applicable to existing contracts. The Committee believes that all HMO provider contracts, current and future , should be subject to the same rules on exclusivity, in order to establish a level playing field and enhance the likelihood of competition. The General Court has ample authority to enact such a ban, under the exercise of its "police

powers" and particularly under the provisions of Part 2, Article 83 of the New Hampshire Constitution, which encourages enactment of laws to enhance free and fair competition. Accordingly, the Bill's prohibition on exclusive arrangements should apply to all such arrangements, existing and future. Vote 15-0.

Amendment (5689L)

Amend the title of the bill by replacing it with the following:

AN ACT

prohibiting and eliminating exclusivity contracts between health care insurers and health care providers.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Prohibition of Exclusive Arrangements with Managed Care Insurers. Amend RSA by inserting after chapter 420-H the following new chapter:

CHAPTER 420-I

PROHIBITION OF EXCLUSIVE ARRANGEMENTS WITH MANAGED CARE INSURERS

420-I:1 Definitions. In this chapter:

I. An "affiliate" of a specific person means any other person directly or indirectly controlling, controlled by or under common control with such specific person.

II.(a) "Exclusive arrangement" means any contract, combination or conspiracy between persons which has the purposes or effect of:

(1) Committing a person providing physician services to accept and treat as patients subscribers to or participants in a managed care plan to the exclusion of persons who have coverage from any or all other managed care insurers;

(2) Providing reimbursement on a sliding scale, capitation rates, payment schedules or other payment arrangements as a financial incentive for the person providing physician services to restrict treatment of persons who have coverage from some or all other managed care insurers; or

(3) Providing reimbursement on sliding scales, capitation rates, payment schedules or other payment arrangements which contain a financial disincentive on persons for failing to restrict treatment of persons who have coverage through any or all other managed care insurers.

(b) "Exclusive arrangement" shall include any employment or consulting agreement or arrangement.

III. "Managed care" means any arrangement for the provision of physician services which is characterized by some measure of risk-sharing through capitated or other shared-risk compensation formulae, and which are characterized by the establishment and maintenance of a provider network available to subscribers or participants, and which provides incentives for subscribers or participants to use that network for covered services, and which ordinarily limit coverage or the extent of such coverage to physician services provided by that network. "Managed care" shall include any managed care products or services or similar products including but not limited to those governed by RSA 415, RSA 419, RSA 420, RSA 420-A, RSA 420-B, and RSA 420-C.

IV. "Managed care insurer" means a person offering or underwriting managed care.

V. "Managed care plan" means any medical insurance plan offering or underwriting managed care.

VI. "Person" includes natural persons, trusts, corporations, limited liability companies, partnerships, limited partnerships, proprietorships, incorporated or unincorporated associations, and any other legal entity, and any and all their affiliates.

420-I:2 Prohibition of Exclusive Arrangements. On and after the effective date of this chapter, it shall be unlawful for any person to enter into any contract or arrangement or to engage in any act or practice that would result in an exclusive arrangement with another person in any community in the state with respect to primary care, speciality, inpatient, outpatient, acute, emergency or tertiary physician services.

420-I:3 Penalties. In addition to those actions authorized under RSA 420-B:13, the commissioner may impose a penalty of not more than $2,500 for each day a person shall be a party to a contract, arrangement, conspiracy, act or practice declared unlawful under RSA 420-I:2.

420-I:4 Semiannual Reports. On or before March 1 and September 1 of each year, each managed care insurer shall file a report in form and containing such information as the insurance commissioner prescribes. Such report shall include the name of the managed care insurer, its affiliates, a description of each exclusive arrangement to which it is a party and the date on which exclusive arrangement has been or will be terminated.

420-I:5 Effect on Current Contracts. Any person who is party to an exclusive arrangement on the effective date of this chapter shall terminate such exclusive arrangement on the effective date of this act. All exclusive arrangements shall be unlawful on and after the effective date of this chapter as provided under RSA 420-I:2.

420-I:6 Provisions Severable. If any provision of this chapter or the application thereof to any person or circumstances is held to be invalid for any reason, such invalidity shall not affect any other provision or application of this chapter which may be effected without the invalid provision or application.

2 Effective Date. This act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill prohibits and eliminates exclusivity contracts between health care insurer and health care providers.

Adopted.

Report adopted and ordered to third reading.

Rep. Wells declared a conflict of interest and did not participate.

SB 640, relative to acquisitions and mergers involving national banks and relative to trust activities conducted in New Hampshire by out-of-state banks and conducted out-of-state by New Hampshire banks. OUGHT TO PASS WITH AMENDMENT

Rep. Bonnie B. Packard for Commerce, Small Business, Consumer Affairs and Economic Development: This bill clarifies language in RSA 384:58,II and closes a potential loophole that may have led national banks to interpret our interstate branching law as not applying to them. Additionally, it authorizes out-of-state banks to establish places of business in New Hampshire for the purpose of trust activities while authorizing New Hampshire banks to establish places of business in other states for the purpose of conducting trust activities. The amendment strengthens the regulatory authority over branch banking and bank holding company affiliates from the bank commissioner to the board of trust company incorporation (Bank Commissioner, Attorney General and State Treasurer). The amendment also exempts certain securities listed or approved for listing on the Chicago Board Options Exchange from state securities registration requirements as is current practice in 48 other states. Vote 15-0.

Amendment (5628L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to acquisitions and mergers involving national banks; relative to branch banking and bank holding, company affiliates; relative to trust activities conducted in New Hampshire by out-of-state banks and conducted out-of-state by New Hampshire banks; and relative to certain securities exemptions.

Amend the bill by replacing all after section 4 with the following:

5 New Paragraph; Definition; Board of Trust Company Incorporation. Amend RSA 384-B:1 by inserting after paragraph VII the following new paragraph:

VII-a. "Board" means the board of trust company incorporation established by RSA 392.

6 Branch Offices. Amend RSA 384-B:2 to read as follows:

384-B:2 Branch Offices. No bank or officer, director, agent, or employee thereof shall transact any part of its usual business of banking at any branch office except as follows:

I. With the approval of the [commissioner] ***board***, any bank with its principal office within the state of New Hampshire may establish and operate one or more branch offices in any town within the state. The [commissioner] ***board*** shall not grant any application for a branch office if the dollar volume of the total deposits, time, savings, and demand of the applicant bank is greater than 20 percent of the dollar volume of the total deposits, time, savings, and demand of

all banks, national banks, and federal savings and loan associations in this state as determined by the [commissioner] ***board*** on the basis of the most recent reports made by such institutions to their supervisory authorities available at the time of filing the application; nor if the applicant bank is an affiliate of a bank holding company which with all its affiliates then holds a dollar volume of total deposits, time, savings, and demand greater than 20 percent of the dollar volume of total deposits, time, savings, and demand of all banks, national banks, and federal savings and loan associations in this state as determined by the [commissioner] ***board*** on the basis of the most recent reports made by such institutions to their supervisory authorities available at the time of filing of the application.

II. With the approval of the [commissioner] ***board***, the resulting bank, after a consolidation as herein defined, may operate as a branch office or offices the business of any other bank acquired in such consolidation, at any location in the same town or towns in which such business was formerly carried on, wherever in the state such town or towns may be; provided, however, that the dollar volume of the total deposits, time, savings, and demand of the remaining bank at the time of filing its application for such branch office or offices does not exceed 20 percent of the dollar volume of the total deposits, time, savings, and demand of all banks, national banks, and federal savings and loan associations in this state as determined by the [commissioner] ***board*** on the basis of the most recent reports made by such institutions to their supervisory authorities available at the time of filing of the application.

III. Written applications for branch offices shall be submitted by the bank, in the first instance, to the commissioner and shall be verified under oath and made upon forms which may be prescribed by the commissioner for the purpose with all the information required by such form fully set forth thereon, including the types of service to be offered at such branch office. Each application shall be accompanied by a fee of $1,500 in the case of a new branch and one single fee of $1,500 for the composite of all branches. The commissioner shall investigate and examine each application ***and if the commissioner finds that it is duly completed, the commissioner shall then refer the application to the board for consideration***. A notice stating the date before which objections may be filed shall then be published by the petitioner in such form as the [commissioner] ***board*** may order. Any interested person or corporation may, within the time specified, file with the [commissioner] ***board*** a statement of objection to the granting of such application. The [commissioner] ***board*** may, upon request of any interested person or corporation, or at the [bank commissioner's] ***board's*** own discretion, order a public hearing, or may approve said application without a hearing. If a public hearing is to be held, the petitioners shall cause to be published such notices as the [commissioner] ***board*** may order. Said hearing shall be held at the time and place fixed by the [commissioner] ***board***. The [commissioner] ***board*** shall keep a permanent verbatim record of all such evidence. ***The commissioner shall serve as chairperson of the board.*** The [commissioner] ***board*** may prescribe reasonable procedural rules to govern the proceedings***, and it may be convened to consider any pending business on call of the commissioner***. There shall be no refund allowed on any application fee once it has been filed. In addition to the application fee, each applicant for a branch office shall be obligated to pay the reasonable cost of processing, hearing and deciding each such application, as assessed by the [commissioner] ***board***, which cost may be collected by the commissioner in an action of debt unless paid within 30 days after demand. Sums collected under this section shall be payable to the state treasurer as restricted revenue and credited to the appropriation for the bank commissioner.

IV. In making the decision on each application, the [commissioner] ***board*** shall take into consideration the following factors: (a) the convenience, needs and welfare of the communities and the area concerned; (b) the financial history and condition of the bank or banks concerned including the adequacy of its or their capital funds; (c) its or their prospects; (d) the character of the management; and (e) whether or not the effect of granting the application would be to expand the size of the bank and extent of its business beyond limits consistent with adequate and sound banking, the public interest and the preservation of competition in the field of banking. Nothing contained in this section shall be interpreted to prohibit a commercial bank and a savings bank from establishing branch offices in the same town or location provided they otherwise comply with the provisions of this section. The ability of a commercial bank to furnish savings department service at a branch office in any given town shall not be considered as a factor adverse to the establishment of a branch office by a savings bank in the same town.

V. The [commissioner] ***board*** shall render a decision granting or denying each application in writing and shall maintain a file of all such approvals or denials at the banking department and shall forthwith furnish a certified copy thereof to the applicant bank. ***No application shall be granted except upon the affirmative vote of a majority of members of the board.*** Full power is delegated to the [commissioner] ***board*** to grant a particular application upon such reasonable conditions, including limitations on the scope of service which may be offered and given, consistent with the general purposes of this chapter and sound banking principles as the [commissioner] ***board*** may determine and set forth in the decision. The authority derived from an application which has been granted in whole or upon conditions shall lapse and terminate unless business is actually commenced thereunder not later than one year after the date of the [commissioner's] ***board's*** decision; provided, however, that the [commissioner] ***board***, for good cause shown, may extend the time after which such authority shall lapse. Rehearings of and appeals from decisions of the [commissioner] ***board*** shall be governed by RSA 541.

7 Bank Holding Company Affiliates. Amend RSA 384-B:3 to read as follows:

384-B:3 Bank Holding Company Affiliates. No bank holding company shall directly or indirectly acquire ownership or control of any voting stock of any bank or national bank, if upon such acquisition (1) the bank holding company would have more than 12 affiliates in this state; or (2) the dollar volume of the total deposits, time, savings, and demand in this state of the bank holding company and all its affiliates would exceed 20 percent of the dollar volume of total deposits, time, savings, and demand in this state of all banks, national banks, and federal savings and loan associations in this state as determined by the [commissioner] ***board*** on the basis of the most recent reports made by such institutions to their supervisory authorities and available at the time of acquisition. If the [bank commissioner and the attorney general both determine] ***board determines*** that it is in the best interests of the state, the 20 percent limitation on the dollar volume of total deposits in (2) may be waived. Under no circumstances shall the dollar volume of total deposits exceed 30 percent.

8 Penalty. Amend RSA 384-B:4 to read as follows:

384-B:4 Penalty for Violation. Whoever willfully violates any provision of this chapter or the conditions upon which any application was granted by the [bank commissioner] ***board***, shall forfeit to the state $100 a day for every day or part thereof during which such willful violation continues. Any such violation shall be forthwith reported by the commissioner to the attorney general, and the forfeiture may be recovered by an information or other appropriate proceeding brought in the superior court in the name of the commissioner.

9 Injunction. Amend RSA 384-B:5 to read as follows:

384-B:5 Injunction. Upon an information or other proceeding the court may issue an injunction restraining such bank holding company or bank or its or their officers, directors, agents, and employees from further action in violation of any provision of this chapter or the conditions upon which any application was granted by the [commissioner] ***board*** during the pendency of such proceeding, or permanently, and may make such other order as justice may require.

10 Deposit Limitations. Amend RSA 384-B:8 to read as follows:

384-B:8 Waiver of Deposit Limitation. In any transaction involving the merger, consolidation or acquisition of any bank, banks, or bank holding company, whenever one or more of such banks or bank holding companies is in such condition that the Federal Deposit Insurance Corporation or any other federal agency having supervisory authority over banks or bank holding companies in New Hampshire could take action which would result in a merger, acquisition, consolidation or other similar structural change, and in the absence of such federal action such a change would be prevented by the provisions of RSA 384-B:2 or RSA 384-B:3, the [bank commissioner with the concurrence of the attorney general] ***board*** may waive the 20 percent dollar volume of total deposit limitation in RSA 384-B:2 and RSA 384-B:3. Any such waiver shall be binding upon the [commissioner] ***board*** in any proceeding involving the merger, consolidation or acquisition of such bank, banks, or bank holding company.

11 Exemptions; Initial Public Offerings. Amend RSA 421-B:17, I(f)(1)(i) and (ii) to read as follows:

(i) The New York Stock Exchange, the American Stock Exchange, ***the Chicago Board Options Exchange,*** or the National Association of Securities Dealers Automated Quotation Market System.

(ii) The Boston Stock Exchange[, the Chicago Board Options Exchange] or the securities designated by the board of governors of the Federal Reserve System as "O.T.C. Margin Stocks," if quotations have become available and public trading has taken place for such class of security prior to the offer or sale of that security in reliance upon this exemption.

12 Effective Date.

I. Sections 2 and 3 of this act shall take effect June 1, 1997.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill allows national banks having their principal place of business in New Hampshire to be participants in interstate acquisitions and mergers.

The bill authorizes out-of-state banks to establish places of business in New Hampshire for the conduct of trust activities, under certain conditions. It also authorizes New Hampshire banks to establish places of business in other states for the purpose of conducting trust activities, under certain conditions.

The bill changes the regulating authority over branch banking and bank holding company affiliates from the bank commissioner to the board of trust incorporation.

The bill also exempts certain securities listed or approved for listing on the Chicago Board Options Exchange from state securities registration requirements.

Adopted.

Report adopted and ordered to third reading.

SB 663, relative to lead paint insurance coverage and lead paint risk reduction. MAJORITY: OUGHT TO PASS WITH AMENDMENT MINORITY: INEXPEDIENT TO LEGISLATE

Rep. Beverly A. Gage for the Majority of Commerce, Small Business, Consumer Affairs and Economic Development: This bill resulted from two years of study. It establishes lead paint risk reduction procedures which may be carried on by property owners. The owners may then qualify for certain insurance coverage. Vote 8-7.

Rep. Elizabeth L. Crory for the Minority of Commerce, Small Business, Consumer Affairs and Economic Development: This bill trades childrens' health for insurance companies and landlords bottom line profits. Owners of property with at least one rental unit, built before 1978, will be allowed to delay their compliance with lead abatement laws on a percentage basis until 2016. The N. H. Property Owners' Association has an annual budget of $24,000 and a volunteer staff who will be responsible for compliance enforcement. The liability caps for brain damaged children from lead paint poisoning is $7,500 to $15,000, a paltry amount to compensate for damage to a child. The N. H. Supreme Court has already declared unconstitutional in 1993, limiting damages for non-economic loss in personal injury action. The Insurance Department stated the 1996 insurance market for a Building Owners' Policy is competitive and the three complaints received from owners needing coverage were resolved quickly.

Amendment (5688L)

Amend RSA 130-A:15-b, I(b)(2) as inserted by section 9 of the bill by replacing it with the following:

(2) Any person who willfully, maliciously and purposely uses these prohibited practices or who, when implementing the risk reduction standards under this paragraph, willfully and purposely fails to comply with such standards shall be liable for fines per RSA 130-A:14.

Amend RSA 130-A:15-b, II as inserted by section 9 of the bill by replacing it with the following:

II. Upon completion of the risk reduction activities set forth in RSA 130-A:15-b, I, the owner of an affected property shall pay to determine compliance with the standards by having the property inspected by a risk reduction inspector trained in accordance with this chapter. Written inspection reports prepared by the risk reduction inspector shall be given to the owner, and to the owner's insurance carrier upon their request.

Amend RSA 130-A:15-c, V as inserted by section 9 of the bill by replacing it with the following:

V. The liability insurer of the owner may, upon request, obtain copies of the inspection reports as required under RSA 130-A:15-b, II.

Amend RSA 130-A:15-f, IX(a) as inserted by section 9 of this bill by replacing it with the following:

IX.(a) A qualified offer may be made to a person at risk who resides in or regularly spends at least 10 hours a week in an affected property by:

(1) The insurer of the owner; or

(2) The owner, or agent of the owner, in accordance with the terms and conditions specified in any insurance contract; or

(3) The owner, or agent of the owner, if the owner elects to be self-insured.

Amend RSA 130-A:15-f, XIV(a)(1) as inserted by section 9 of the bill by replacing it with the following:

(1) $7,500 for lead levels of 20 to 39.9 micrograms per deciliter and $15,000 for lead levels of 40 micrograms per deciliter or over for all medical evaluations and medically necessary treatments as provided and limited in paragraph XIII, except that for medical evaluations and medically necessary treatments covered by private health insurance, such amounts shall be for otherwise unreimbursed medical evaluations and medically necessary treatments; and

Amend the bill by inserting after section 10 the following and renumbering the original section 11 to read as 12:

11 Nonseverability. It is the intent of the legislature that this act be considered a unit and its provisions inseparable. If any provision of this act is declared unconstitutional, the entire act and all of its provisions shall be invalid.

Rep. Bonnie Packard spoke against.

UNANIMOUS CONSENT

Rep. Loren Jean addressed the House.

Rep. Francoeur moved that the remarks of Rep. Loren Jean be printed in the Journal.

Adopted.

Rep. Loren Jean: These last few years, people have been lamenting the state of the latter generation, generation X, etc., but every now and then a person rises above. I would like to read a letter from one of those persons.

"I am at a point in my life where I have no obligations and no responsibilities tying me to one area and I want to take full advantage of this opportunity to try to do something challenging and unique that will broaden my understanding of the world and my life more than school ever could. I am ready for a huge change in my life. I want to learn about new cultures and a new way of living than what I have been brought up on. My understanding of ways of life, other than the way we live in the U.S. is very narrow and I want to change that. I know that the best way to learn about another country and another culture is to go there and experience it and live it. I also want to dive into a a challenging job, one where I can make a difference in the lives of others and that will make a difference in my life. These are the jobs I am happiest at. I am a strong person mentally and I feel that I will enjoy a challenging job and will excell in it. I don't really care about the money I get in return for the work I do or the material things I can buy. The self-satisfaction and making a difference and the new knowledge I can gain are what I seek in the job. In the past, I have always worked for money because I needed it to put myself through school. I think I'll be a stronger person to work for more meaningful reasons than for money, just for the sake of helping others and for self-growth."

Those were the words of Nancy Jean Coutu, a volunteer in the Peace Corps. I knew her personally. Nancy Jean Coutu was a warrior for peace. It may sound like an oxymoron, but it's not. Her armament was an engaging smile, a sunny disposition, a selflessness and a strong desire to help others. She worked on a farm and it made no difference if she was helping to birth twin lambs or helping someone in need. She had a tenderness of heart and spirit that is hard to comprehend, but she had it. She comes from great stock. I was at the funeral and her father, in the eulogy extended condolences to the people of Madagascar. That was a bold gesture and so was the gesture that the Madagascan government did: they knighted her. People remarked to Roger that now he was the father of a Lady. Those of us that knew her knew that all along. Now, it is fitting in this country that we have war memorials. It is very fitting that we do that. But, I think it is about time we have a peace memorial dedicated to those that give their lives for peaceful purposes as well as a soldier does. Nancy Coutu gave her life in a small town in Madagascar. I pledge to be a driving force so that somewhere in the state of New Hampshire there will be a memorial and I will petition that her name be on that memorial at a later date. Mr. Speaker, I would ask a moment of silence for Nancy Jean Coutu.

Speaker: Would the House please rise in tribute to Nancy Coutu.

Rep. Teschner addressed the House.

Rep. Francour moved that the remarks of Rep. Teschner be printed in the Journal.

Adopted.

Rep. Teschner: Thank you, Mr. Speaker. I, too, am here to talk about the death of Nancy Coutu but from a slightly different angle. The Peace Corps is celebrating its 35th anniversary this year and over that period, Peace Corps volunteers have served in 130 countries; 139,000 Americans have served in the Peace Corps, and I'm proud to be one of them, having worked in Morocco in forestry from 1971 to 1973. The Peace Corps was one of the most memorable and meaningful experiences of my life and continues to shape my thinking today.

Unless you have visited some of these Third World countries, it is very difficult to understand the lack of material necessities that we in America take so much for granted. I have never visited Madagascar, where Nancy Coutu lived, but I called a friend of mine who had lived there and he confirmed for me what I expected; the lack of roads, electricity, basic sanitation, these things are very widespread, and I understand that Nancy Coutu lived in a very remote area where such modern-day elements were totally lacking.

I didn't know Nancy, but I was very touched and saddened by her death. As Rep. Jean, who knew her well, has told us, she was committed and idealistic. This comes as no surprise to me since that's what most of our Peace Corps volunteers are all about.

This past Monday, my wife and two young children and I were in Massachusetts to witness the reenactments of the battles of Lexington and Concord. The dawn battle on the Lexington green was especially moving. The 77 Patriots stood in the path of an advance force of 700 Redcoats. The acting was wonderful and I felt like I was witnessing the events of history 221 years ago. The outnumbered Patriots were clearly nervous, frightened, unsure what they had gotten themselves into, but also determined to take a stand. Like Nancy Coutu, they had a sense of idealism and commitment. It was this same idealism and "can do" spirit that built our great country. I am concerned that in recent years we as a nation have become too cynical and too complacent. We have so much in our country, so much freedom, so much opportunity. And yes, I believe we have an obligation to share what we have and especially what we know with our neighbors around the world. And there is nothing we can offer more powerful than the energy and idealism of young people like Nancy Coutu. My heartfelt sympathies go to her family. God bless America. Thank you.

Rep. Lovett addressed the House.

Rep. John Chandler moved that the remarks of Rep. Lovett be printed in the Journal.

Adopted.

Rep. Lovett: Thank you, Mr. Speaker. Honor is both for the young, like Nancy, honor is also to the elders like Sydney Howe of Holderness who died last Monday night after battling cancer, two weeks after his wife died battling cancer for 16 years. Sydney Howe came from a unique family of New Hampshire origin in part. His grandmother, Mary Alice Armstrong, was a graduate of the Plymouth Normal School, went south to teach at Hampton Institute which was a college for the freedman, i.e., slaves or former slaves, in Hampton, Virginia. His mother married an elder president of that college, General Armstrong. They had two children. Then she was widowed and returned to New Hampshire and she founded what is now known as the Rockywold-Deephaven Camps on the edge of Squam Lake, probably the largest hotel in the state and they are about to celebrate their 99th anniversary this spring.

Sydney was the youngest of five children, all of whom had distinguished records in school and college and in the armed forces. He, after graduating from college, was in the Army Intelligence, came back to Michigan State to take his graduate degree in hydrology and then he went on for a varied career with the Farmington River Watershed Association in Farmington, Connecticut, the Conservation Foundation in Washington, D.C. and the Urban Environment Center in Washington which blended the need of environmental safety and attention to those areas where the poor were likely to be the victims rather than the beneficiaries of clean air, clean water and all those good things. He was always on the side of the poor. He was always on the side of those who were dispossessed, fiercely, fiercely in support of the public's rights. He was one of the founders of Earth Day in 1970. In 1985, he returned to Squam and to his home and was active here in the state for the Society of Protection of New Hampshire Forests, the Audubon Society, the New Hampshire Rivers Council and the Lakes Management Advisory Committee. Most of you have heard from him. He was a tireless advocate. Let him loose on a typewriter or a computer or a telephone and he was scrambling all over us to see that the legislative process was fair and was fully informed. He literally gave hours and hours of his time to see that New Hampshire had the best advice, impartial but frank and candid, that he could offer. I'm sure many of us have a collection of his letters that often had a little acerbic twist to them. But, nevertheless, we knew he was a person who, Representative Laflam would say, "One of my heros." Well, we say goodbye to a wonderful person and his wife who labored just as hard for the rights and privileges of children and young women in particular. But New Hampshire does have its heroes, young and old, and I submit his name to the list of the elders. Thank you.

Rep. Dickinson addressed the House.

RECESS MOTION

Rep. Ann Torr moved that the House stand in recess for the purpose of introduction of bills, enrolling reports and forming Committees of Conference only.

Adopted.

The House recessed at 5:16 p.m.

RECESS

Rep. Cole moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 18

Thursday, April 18, 1996

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by Guest Chaplain, Reverend Aime Boisselle, Pastor, Sacred Heart Church in Concord.

Lord, heavenly God, we are stamped by the immortal mark of Your power and love. And yet, we are a wounded people. We are wounded by our sins, our inclinations to selfishness, our desire for power and control and sometimes greed invades our soul. It is in this state of brokenness that we come to You. You are the divine healer. Reveal the noble and sacred nature of all the people of New Hampshire, that we may not disdain even the lowest among them. May our decisions always be born of truth and love. Grant that we may not be deaf or blind to the needs of all, especially the most vulnerable: those without jobs, the unemployed, those without housing, or who live in substandard housing, those whose dignity is not guarded, even those who have broken our trust. Not by mere result of the will can we bring a change that will help us fashion our society for the benefit of all, but by Your presence, O Lord, we will look ahead at future challenges. All loving God, embrace us. Make us feel the warmth of Your love. Open our eyes and our hearts and our ears. And Lord, on these men and women here, our leaders who constantly give of their time, talent and energy, cast Your blessing upon them and given them understanding and wisdom. Amen.

Rep. Conroy led the Pledge of Allegiance.

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 1345, 1496 and HJR 26 and Senate Bill numbered 500.

Rep. Pfaff, Sen. Currier for the Committee

SPECIAL ORDERS

SB 575, relative to reporting requirements for candidates for local offices. INEXPEDIENT TO LEGISLATE

Rep. Philip T. Cobbin for Constitutional and Statutory Revision: This bill in its amended form as well as in its original form was technically flawed and contains an expansive loophole. As enabling legislation, the bill would have created more opportunity for mischief in vital First Amendment areas. The committee is cautious when amending election laws which implicate political speech. Accordingly, anomalies in election spending alleged to have occurred in Merrimack do not justify expanding reporting requirements. Vote 10-2.

Adopted.

SB 530, authorizing the court to suspend the motor vehicle driver's license of a person convicted of criminal mischief. REFER FOR INTERIM STUDY

Rep. Donnalee M. Lozeau for Corrections and Criminal Justice: The committee would like to explore the possibility of allowing driver's license suspension as a penalty for certain offenses, such as criminal mischief and other breaches of the peace. Vote 12-1.

Adopted.

SB 539-FN, requiring all drivers to be tested for evidence of blood alcohol and drug content if involved in a motor vehicle accident causing death. OUGHT TO PASS WITH AMENDMENT

Rep. Donna P. Sytek for Corrections and Criminal Justice: This bill as amended makes several modifications to the statutes governing activities of emergency responders. First, it allows the police to test drivers for alcohol or drugs when there is probable cause to believe the driver caused a collision resulting in death or serious bodily injury. Next, the bill carves out a narrow exception to medical confidentiality to allow the police to get a blood sample or the result of a blood alcohol test from the hospital when the injured party is under investigation for driving under the influence of drugs or alcohol. This provision was worked out in consultation with the Medical Society, the police, the Attorney General's office, and the chairman of the Judiciary Committee. Another section of the bill streamlines the operations, clarifies the duties, and changes the name of the EMS medical advisory board, and adds a member to the emergency medical and trauma services coordinating board. We crafted this part of the bill with members of ED&A Committee, emergency physicians, the pharmacy board, emergency medical services professionals, and public health. We have also included in the amendment a previously passed House bill (HB 1221) prohibiting the operation of emergency vehicles by drivers with a blood alcohol exceeding .02. Finally, at the request of the Governor's office we are correcting an error concerning pardons that recently came to light in the Board of Claims chapter. Vote 12-2.

Amendment (5700L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to operating emergency vehicles while intoxicated, relative to blood testing, relative to confidential communications between a patient and a physician or surgeon; relative to claims against the state; adding a member to the emergency medical and trauma services coordinating board; and replacing the medical advisory board with the emergency medical services medical control board.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Operating Emergency Vehicles With Certain Alcohol Concentration Prohibited. Amend RSA 265:8 by inserting after paragraph VII the following new paragraph:

VIII.(a) No person shall drive or attempt to drive an emergency vehicle with an alcohol concentration of 0.02 or more. For the purposes of this section "emergency vehicle" shall include a vehicle as defined in RSA 259:28; a privately owned ambulance; or a privately owned vehicle being operated under the provisions of RSA 265:8, III.

(b) A person convicted under the provisions of subparagraph (a) shall be subject to the penalties set out in RSA 265:82-b.

2 New Paragraph; Emergency Vehicles Added. Amend RSA 265:82-b by inserting after paragraph IX the following new paragraph:

X. Any person convicted of a violation of RSA 265:8 shall be subject to the penalties set out in this section for a violation of RSA 265:82.

3 Blood Testing of Persons Involved in Motor Vehicle Collisions. Amend the introductory paragraph of RSA 265:93 to read as follows:

When [an accident] ***a collision*** results in death or serious bodily injury to any person, all drivers involved, whether living or deceased, and all deceased vehicle occupants and pedestrians involved shall be tested for [blood] ***evidence of*** alcohol [content] ***or controlled drugs.*** A law enforcement officer shall request a licensed physician, registered nurse, certified physician's assistant or qualified laboratory technician to withdraw blood from each driver involved if living and from the body of each deceased driver, deceased occupant or deceased pedestrian, ***in accordance with RSA 611:6, II,*** for the purpose of testing [blood alcohol content] ***for evidence of alcohol content or controlled drugs***; provided that in the case of a living driver the officer has probable cause to believe that the driver [was under the influence of alcohol or a controlled drug when driving the vehicle] ***caused the collision.*** All tests made under this section shall be conducted by the division of public health services or in any other laboratory capable of conducting such tests which is licensed under the laws of this or any other state and which has also been licensed by the U.S. Department of Health and Human Services under the Clinical Laboratory Improvement Act of 1967, as amended. A copy of the report of any such test shall be kept on file by the medical examiner. The filed report is not a public record under RSA 91-A. However, the report shall be made available to the following:

4 Exemption. Amend RSA 329:26 to read as follows:

329:26 Confidential Communications. The confidential relations and communications between a physician or surgeon licensed under provisions of this chapter and the patient of such physician or surgeon are placed on the same basis as those provided by law between attorney and client, and, except as otherwise provided by law, no such physician or surgeon shall be required to disclose such privileged communications. Confidential relations and communications between a patient and any person working under the supervision of a physician or surgeon that are customary and necessary for diagnosis and treatment are privileged to the same extent as though those relations or communications were with such supervising physician or surgeon. This section shall not apply to investigations and hearings conducted by the board of medicine under RSA 329, any other statutorily created health occupational licensing or certifying board conducting licensing, certifying, or disciplinary proceedings or hearings conducted pursuant to RSA 135-C:27-54. ***This section shall also not apply to the release of blood samples and the results of laboratory tests for blood alcohol content taken from a person who is under investigation for driving a motor vehicle while such person was under the influence of intoxicating liquors or controlled drugs. The use and disclosure of such information shall be limited to the official criminal proceedings.***

5 Limitation on Awards for Claims Against the State. Amend RSA 541-B:14, II to read as follows:

II. If a claim is filed against the state for time unjustly served in the state prison when a person is found to be innocent of the crime for which he was convicted [and receives a full pardon by the governor and council], such a claim shall be limited to an award not to exceed $20,000.

6 Member Added. Amend RSA 151-B:3, I to read as follows:

I. The emergency medical and trauma services coordinating board is created, consisting of [21] ***22*** members appointed as set out in paragraphs II and III.

7 New Subparagraph; Member Added. Amend RSA 151-B:3, II by inserting after subparagraph (s) the following new subparagraph:

(t) One member from the New Hampshire fire standards and training commission.

8 Reference Change. Amend RSA 151-B:3, III to read as follows:

III. Each member from subparagraphs II(a)-(m) and (o)-[(s)] *(t)* shall be nominated by the appropriate organization to the governor for appointment. The term of a member shall be 3 years or until a successor is appointed and qualified. The governor shall fill any vacancy in the same manner as the original appointment. In case of a vacancy other than by expiration of the term, the appointment shall be for the balance of the unexpired term and shall be considered a term for the purposes of the limitation on terms. No member shall serve more than 3 consecutive terms.

9 New Paragraph; Definition; Local Option. Amend RSA 151-B:2 by inserting after paragraph VIII the following new paragraph:

VIII-a. "Local option" means a protocol for which a medical resource hospital and the local medical control physician have complete authority and jurisdiction, including training, implementation, and quality assurance. A local option may be more restrictive but shall not be less restrictive than a protocol approved and issued by the emergency medical services medical control board.

10 Name of Board Changed. Amend RSA 151-B:2, X to read as follows:

X. "***Emergency*** medical [advisory] ***services medical control*** board" means the board established in RSA 151-B:5.

11 Definition; Protocol. RSA 151-B:2, XIII is repealed and reenacted to read as follows:

XIII. "Protocol" means a written description of a patient care process specifying the circumstances under which emergency medical care providers may function under their own licenses or through medical control. Protocols are approved and issued by the emergency medical services medical control board.

12 Membership; Emergency Medical and Trauma Services Coordinating Board. Amend RSA 151-B:3, II(l) to read as follows:

(l) One [representative] ***member*** from the ***emergency medical services*** medical [advisory] ***control*** board.

13 Medical Control Board. Amend the section heading of RSA 151-B:5 and the introductory paragraph of RSA 151-B:5, I to read as follows:

151-B:5 ***Emergency*** Medical [Advisory] ***Services Medical Control*** Board; Chair; Duties; State Medical Director.

I. There is established [a] ***an emergency medical services*** medical [advisory] ***control*** board which shall consist of:

14 Duties. Amend RSA 151-B:5, II and III to read as follows:

II. The terms of each member shall be 3 years. The chair shall be appointed by the commissioner, and the appointed chair shall become the state medical director. The ***emergency medical services*** medical [advisory] ***control*** board shall nominate one of its members to the governor for appointment to the coordinating board established in RSA 151-B:3.

III. The duties of the ***emergency medical services*** medical [advisory] ***control*** board shall include, but not be limited to, the following:

(a) Assisting the coordinating board in the coordination of a system of comprehensive emergency medical services ***and the establishment of minimum standards*** throughout the state ***by advising the coordinating board on policies, procedures, and protocols.***

(b) Providing technical services required by the bureau established pursuant to RSA 151-B:7, I and the coordinating board.

(c) Serving as a liaison with medical personnel throughout the state.

(d) Submitting [all] ***to the commissioner*** [policies, guidelines, and rules] ***protocols*** concerning patient care [issues to the coordinating board] ***for adoption as rules under RSA 541-A.***

(e) With the concurrence of the state pharmacy board, specifying noncontrolled prescription drugs that emergency medical care providers licensed under this chapter may possess for emergency use as authorized in RSA 318:42, X.

(f) With the concurrence of the state pharmacy board, specifying controlled prescription drugs that advanced emergency medical care providers licensed under this chapter may possess for emergency use as authorized in RSA 318-B:10, V.

(g) Approving the protocols and procedures to be used by emergency medical care providers under their own licenses or through medical control.

15 Reference Change. Amend RSA 151-B:7, II(i) to read as follows:

(i) Provide administrative support, within the limits of available funding, to the coordinating board, ***emergency medical services*** medical [advisory] ***control*** board, trauma medical review committee, and the councils.

16 Reference Change. Amend RSA 151-B:7, III to read as follows:

III. The commissioner, in carrying out the commissioner's responsibilities under this section, shall routinely seek the advice and assistance of the coordinating board, the ***emergency medical services*** medical [advisory] ***control*** board and the trauma medical review committee and shall accept and act upon the advice and guidance provided by these bodies that is consistent with the purposes of this chapter. The commissioner shall incorporate the plan developed by the coordinating board under RSA 151-B:4, I, and the trauma medical review committee under RSA 151-B:7-a, V into the administration of this chapter, prepare budgets and grant requests for funds needed to maintain an effective emergency medical and trauma services system, and plan initiatives related to improving the general health of the public.

17 Reference Change. Amend RSA 151-B:7-a, I(h) to read as follows:

(h) One member of the ***emergency medical services*** medical [advisory committee] ***control board***.

18 Recommendations on Patient Care Protocols. Amend RSA 151-B:7-a, V(d) and (e) to read as follows:

(d) Make recommendations to the [commissioner] ***coordinating board*** based on the reviews described in subparagraphs V(b) and (c).

(e) Recommend to the [commissioner] ***emergency medical services medical control board*** modifications of the protocols of trauma care as a result of system-wide review.

19 New Subparagraph; Trauma Medical Review Committee. Amend RSA 151-B:7-a, V by inserting after subparagraph (g) the following new subparagraph:

(h) Assist the coordinating board in the coordination of a system of comprehensive emergency medical services and the establishment of minimum standards throughout the state by advising the coordinating board on policies, procedures, and protocols.

20 Rulemaking. Amend RSA 151-B:18, II to read as follows:

II. Protocols ***approved by the emergency medical services medical control board*** for provision of emergency medical care, which shall provide for the [adoption] ***provision*** of local options under medical control. The protocols shall address living wills established under RSA 137-H [and], durable powers of attorney for health care established under RSA 137-J***, and patient-requested, physician generated orders relative to resuscitation***.

21 Rulemaking. RSA 151-B:18, XXI is repealed and reenacted to read as follows:

XXI. Procurement, storage, and security of noncontrolled and controlled prescription drugs approved for use by emergency medical care providers in accordance with RSA 318 and RSA 318-B.

22 New Paragraph; Definition Added; Pharmacists and Pharmacies Chapter. Amend RSA 318:1 by inserting after paragraph VI-a the following new paragraph:

VI-b. "Emergency medical care provider" means a person licensed to provide emergency medical care under RSA 151-B.

23 Dealing In or Possessing Prescription Drugs. RSA 318:42, X is repealed and reenacted to read as follows:

X. The possession, for emergency use only, by emergency medical care providers licensed under RSA 151-B of such noncontrolled prescription drugs as are specified by the state emergency medical services medical control board, with the concurrence of the pharmacy board, provided that there has been prior establishment of medical control for possession of such drugs. The emergency medical care provider may only administer such prescription drugs upon receipt of orders to do so from a supervising physician or an emergency/trauma advanced registered nurse practitioner. Such orders may be transmitted either directly or by telephone or by radio or by other communication medium, or by standing order of local medical control delineated in a protocol as defined in RSA 151-B.

24 New Paragraph; Definition; Controlled Drug Act. Amend RSA 318-B:1 by inserting after paragraph I-a the following new paragraph:

I-aa. "Advanced emergency medical care provider" means a person licensed to provide advanced emergency medical care under RSA 151-B.

25 Professional Use of Narcotic Drugs. RSA 318-B:10, V is repealed and reenacted to read as follows:

V. An advanced emergency medical care provider licensed under RSA 151-B may possess, for emergency use only, such controlled prescription drugs as are specified by the state emergency medical services medical control board, with the concurrence of the pharmacy board, provided that there has been prior establishment of medical control for the possession of such drugs. The advanced emergency medical care provider may only administer such controlled prescription drugs upon receipt of orders to do so from a supervising physician or an ***emergency trauma*** advanced registered nurse practitioner, practicing within such nurse practitioner's specialty. Such orders may be transmitted either directly or by telephone or by radio or by other communication medium, or by standing order of local medical control delineated in a protocol as defined in RSA 151-B.

26 Effective Date.

I. Sections 1 and 2 of this act shall take effect July 1, 1996.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill prohibits a person from operating an emergency vehicle with an alcohol concentration of 0.02 or more and establishes penalties for any person convicted of violating this provision.

This bill requires certain persons involved in a motor vehicle collision resulting in death or personal injury to be tested for evidence of blood alcohol and drug content.

This bill creates an exemption to the law making communications confidential between a physician and a patient. This bill allows such communications to be discovered in official criminal proceedings arising out of acts allegedly committed while the patient was under the influence of intoxicating liquor or controlled drugs.

The bill limits the award to $20,000 for a claim against the state for time unjustly served in the state prison when a person is found to be innocent of the crime for which such person was convicted.

The bill adds a member from the fire standards and training commission to the emergency medical and trauma services coordinating board.

This bill replaces the medical advisory board created under RSA 151-B with the emergency medical services medical control board. The bill transfers authority and responsibility for specification of prescription drugs that may be used by emergency medical services providers from the board of registration in medicine and the pharmacy board to this medical control board, with the concurrence of the pharmacy board. The bill also grants responsibility to the medical control board for determination of protocols to be used by emergency medical services providers.

Adopted.

Rep. Dolan offered a floor amendment.

Floor Amendment (5722L)

SB 7-FN-A, relative to kindergarten aid programs, the establishment of certain kindergarten aid funds, and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Jane E. O'Hearn for Education: The committee believes in the need to establish kindergarten in the state. Therefore, the majority of the committee believes it necessary to create and support incentives for its establishment. It is also believed that all districts should receive kindergarten aid when available and that the funding should not come from funds which are dedicated for foundation aid. Vote 16-2.

Amendment (5559L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to a kindergarten aid program and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. This bill establishes a kindergarten aid program to be administered by the department of education. The purpose of this program is to provide state assistance to districts which presently operate kindergarten to ensure the continuation of such programs, and to encourage districts which do not provide kindergarten to make kindergarten available.

2 New Subparagraphs; Kindergarten Incentive Aid Program Fund and Kindergarten Assistance Aid Fund. Amend RSA 6:12, I by inserting after subparagraph (lll) the following new subparagraphs:

(mmm) Moneys deposited in the kindergarten assistance aid fund established in RSA 198:15-l, II.

3 New Subdivision; Kindergarten Aid Program Established. Amend RSA 198 by inserting after section 15-k the following new subdivision. Kindergarten Aid Program

198:15-l Kindergarten Aid Program.

I. There is established a kindergarten aid program through which the department of education shall provide financial assistance to districts which provide a kindergarten program.

II. There is hereby created in the state treasury a kindergarten aid fund which shall be nonlapsing. The fund is continually appropriated to the department of education to be expended for the purposes set forth in this subdivision. Moneys in the fund not currently needed to meet the obligations of the department of education under this chapter shall be deposited with the state treasurer to the credit of such fund, and may be invested as provided by law. Interest received on such investment shall be credited to the fund, and shall be used by the department of education to pay administrative costs.

III. The department of education shall pay annually to each school district which provides a kindergarten program, kindergarten aid in the amount of $325 for each kindergarten pupil who resides in that district and attends public kindergarten.

198:15-m Rulemaking. The state board of education shall adopt rules, under RSA 541-A, relative to the administration of the kindergarten aid program.

4 Appropriation.

I. There is hereby appropriated to the department of education the sum of $2,700,000 for the kindergarten aid program, for the fiscal year ending June 30, 1997, for the purposes of this act. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

5 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill establishes a kindergarten aid program to be administered by the department of education. The purpose of this program is to provide state assistance to districts which presently operate kindergartens to ensure the continuation of such programs, and to encourage districts which do not provide kindergarten to make kindergarten available.

Adopted.

On a division vote, 192 members having voted in the affirmative and 90 in the negative, the report was adopted.

SB 571-L, relative to speech-language pathologists in the schools. OUGHT TO PASS WITH AMENDMENT

Rep. Barbara L. Spear for Education: This bill brings certification criteria for speech-language specialists in schools under the Department of Education. Presently, speech-language personnel must be licensed by a speech-language pathology licensing board which requires clinical training with little or no experience in school settings. Vote 14-4.

Amendment (5562L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to speech-language specialists in the schools.

Amend the bill by replacing section 2 with the following:

2 State Board Authorized to Certify Speech-Language Specialists in Schools. Amend RSA 21-N:9, II(s) to read as follows:

(s) Certification standards for educational personnel, including teachers, paraprofessionals, superintendents, assistant superintendents, teacher consultants, business administrators, principals, vocational directors, administrative associates, coordinators of comprehensive health education and services, directors of pupil personnel services, guidance directors, guidance counselors, school psychologists, associate school psychologists, school physicians, school dentists, emergency medical care providers, dental hygienists, ***speech-language specialists,*** social workers, health educators, physical education teachers, home economics teachers, elementary teachers, school nurses, specialists in assessment of intellectual functioning, media supervisors, media generalists and media educational associates, as authorized by RSA 186:8 and RSA 186:11, X.

Amend the bill by inserting after section 3 the following and renumbering the original sections 4-15 to read as 5-16, respectively:

4 New Section; Speech-Language Specialists in Schools. Amend RSA 189 by inserting after section 14-d the following new section:

189:14-e Speech-Language Specialists.

I.(a) The department of education shall certify speech-language specialists pursuant to RSA 21-N:9, II(s). Certified speech-language specialists shall provide speech-language pathology services for schools only.

(b) The department of education shall establish the criteria for certification as a speech-language specialist which shall include a minimum of a masters degree in speech-language pathology, or its equivalent as determined by the state board of education.

II. Speech-language pathologists licensed pursuant to RSA 326-F shall automatically meet certification requirements under this section.

Amend the bill by replacing section 5 with the following:

5 Speech-Language Specialist Exception Added. Amend RSA 326-F:3, I to read as follows:

I. No person shall practice speech-language pathology or represent himself ***or herself*** as a speech-language pathologist in this state, unless such person is licensed in accordance with the provisions of this chapter***, except as provided in RSA 189:14-e***.

Amend the bill by deleting section 14 and renumbering the original section 15 to read as 14.

AMENDED ANALYSIS

Sections 2 and 4 of this bill authorizes the department of education to certify speech-language specialists to provide speech-language pathology services for schools.

The remainder of this bill amends certain RSA provisions making them gender neutral and consistent with other sections amended by the bill in accordance with RSA 17-A:6 relative to gender neutral drafting.

Adopted.

Report adopted and ordered to third reading.

SB 592-FN-L, establishing a committee to study the distribution of school building aid. WITHOUT RECOMMENDATION

Rep. Nils H. Larson, Jr., for Education: This bill is reported without recommendation.

Rep. Larson moved Inexpedient to Legislate and spoke in favor.

Adopted.

SB 653-FN, establishing the parent and pupil rights law. INEXPEDIENT TO LEGISLATE

Rep. William S. Belvin for Education: This bill would place in state law requirements on how school districts would provide instructional materials information to parents, guardians and pupils. In addition, it would prohibit inquiry into various categories of pupil personal information. The committee felt that local school districts and their elected boards should be responsible for local policies without state interference. Vote 16-3.

Adopted.

SB 656-FN, expanding drug-free school zones to include Head Start facilities. OUGHT TO PASS WITH AMENDMENT

Rep. William S. Belvin for Education: The bill incorporates Head Start facilities into the drug-free school zones law. Several Head Start facilities are located in Public Housing Authority buildings and this bill would allow prosecutors to seek enhanced sentences for any persons convicted for drug violations within the drug-free zone. The amendment removed a mapping exemption. Vote 11-4.

Amendment (5542L)

Amend the bill by replacing all after the enacting clause with the following:

1 Definition of "School"; Head Start Facility Added. Amend RSA 193-B:1, III to read as follows:

III. "School" means any public or private elementary, secondary, or secondary vocational-technical school ***or Head Start facility*** in New Hampshire.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill includes Head Start facilities in the definition of "school" for the purposes of drug-free school zones.

Adopted.

Report adopted and ordered to third reading.

SB 566-FN, requiring transporters of hazardous material to maintain transportation liability insurance coverage. OUGHT TO PASS WITH AMENDMENT

Rep. Richard O. Wasson for Environment and Agriculture: This bill requires that commercial motor carriers of non-bulk hazardous wastes in intrastate activities have the same level of liability insurance as is required of those who are involved in interstate activities. Vote 14-0.

Amendment (5473L)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring intrastate transporters of hazardous materials or wastes in any quantity to comply with federal financial responsibility requirements.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Financial Responsibility Requirement. Amend RSA 21-P by inserting after section 20 the following new section:

21-P:20-a Financial Responsibility. Motor carriers engaged in intrastate transportation of hazardous materials or wastes in any quantity shall comply with the same financial responsibility requirements as that prescribed in part 387 of Title 49 of the Code of Federal Regulations for interstate transportation of hazardous materials and wastes. Small quantity generators who self-transport hazardous wastes as provided for by rules adopted under RSA 147-A are exempt from the provisions of this section.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires intrastate transporters of hazardous materials or wastes in any quantity to comply with federal financial responsibility requirements.

Adopted.

Report adopted and ordered to third reading.

SB 637, requiring the commissioner of the department of environmental services to study and recommend statutory changes establishing a fabric care environmental response program. INEXPEDIENT TO LEGISLATE

Rep. Richard O. Wasson for Environment and Agriculture: Present regulations are deemed adequate to take care of proper care and use of the chemicals involved. Vote 13-0.

Adopted.

SB 635-FN, relative to cost of living adjustments for retired firefighters. OUGHT TO PASS WITH AMENDMENT

Rep. Merton S. Dyer for Executive Departments and Administration: The amendment changes the title of the bill and provides an additional COLA for firefighters retired prior to 1974. The amendment also changes the funding methodology of the special account. The funding of the special account will be from all the earnings of the remaining assets of the retirement system which are in excess of the annual rate of return plus one-half of one percent added to such rate and shall be allocated to the 4 member classification. The assumed rate of return shall be determined by the Board of Trustees. The assets and earning of all funds held in the special reserve as of June 30, 1996 shall be tranferred to the respective components of the special account over a two year period. Vote 12-0.

Amendment (5668L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to cost of living adjustments for retired firefighters and relative to the special account for additional benefits held by the board of trustees of the New Hampshire retirement system.

Amend the bill by replacing all after the enacting clause with the following:

1 Supplemental Allowance for Group II Permanent Firefighter Members.

I. As of January 1, 1996, all group II permanent firemen beneficiaries of the New Hampshire retirement system or its predecessor systems who retired on or before January 1, 1974, and who are receiving retirement allowances according to RSA 100-A or RSA 102 shall receive a supplemental allowance of 7 percent.

II. The supplemental allowance shall become a permanent addition to the beneficiary's base retirement allowance, as provided in RSA 100-A:41-a.

2 Funding of Supplemental Allowances. The granting of the supplemental allowances provided in section 1 of this act shall be contingent on terminal funding of the total actuarial cost thereof at the time of granting. Such terminal funding shall be from the fire component of the special account established under RSA 100-A:16, II(h).

3 Application. The provisions of section 1 of this act shall apply, notwithstanding any provision of RSA 100-A:41-a to the contrary.

4 New Hampshire Retirement System Special Account; Method of Financing. Amend RSA 100-A:16, II(h)(2) to read as follows:

(2) All of the earnings of the remaining assets of the retirement system ***which are*** in excess of the assumed rate of return [as determined by the trustees] ***plus 1/2 of one percent added to such rate*** shall be allocated to the 4 member classifications. ***The assumed rate of return shall be determined by the board of trustees.***

5 Funding of Special Account; Elimination of Special Reserve. RSA 100-A:16, II(h)(3) is repealed and reenacted to read as follows:

(3) Any funds held in special reserve as of June 30, 1996, shall be transferred to the respective component of the special account according to the following schedule:

(i) One-half of the funds held in special reserve as of June 30, 1996.

(ii) One-half of the remaining funds as of June 30, 1997, ***plus earnings from July 1, 1996 to June 30, 1997.***

(iii) All remaining funds as of June 30, 1998, ***plus earnings from July 1, 1997, to June 30, 1998.***

6 Reference Deleted. Amend RSA 100-A:16, II(h)(5) to read as follows:

(5) None of the assets held in the special account [or in the special reserve] shall be used in the actuarial determination of the rate percent of normal contribution as set forth in subparagraphs (b), (c) and (d).

7 Repeal. The following are repealed:

I. RSA 100-A:16, II(h)(4), relative to the funded ratio and allocation of the special account.

II. RSA 100-A:16, II(h)(6), relative to transfer of earnings in excess of 140 percent of funded ratio.

8 Effective Date.

I. Sections 5 and 7 of this act shall take effect June 30, 1996.

II. Section 6 of this act shall take effect July 1, 1998.

III. The remainder of this act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill grants a cost of living adjustment to retired firefighters. As of January 1, 1996, all group II permanent firemen beneficiaries of the New Hampshire retirement system or of its predecessor systems who retired on or before January 1, 1974, shall receive a supplemental allowance of 7 percent.

The granting of the supplemental allowance is contingent upon terminal funding of the total actuarial cost of the allowance at the time of granting. Terminal funding is from the fire component of the special account.

This bill also eliminates the special reserve in the retirement system by transferring the funds to the special account in 3 installments over a 2-year period.

SB 662-FN, relative to real estate appraisers. MAJORITY: OUGHT TO PASS WITH AMENDMENT MINORITY: OUGHT TO PASS WITH AMENDMENT

Rep. Myron S. Steere, III for the Majority of Executive Departments and Administration: This bill further defines the term "appraisal" and requires that it conform with Uniform Standards of Professional Appraisal Practice (USPAP). The bill also defines "Comparative Market Analysis" and "Broker Price Opinion" as two other types of estimates of value on real property that can be used for lending and legal purposes and describes the minimal standards for same. The amendment also provides conformity in the area of administrative fines, subpoena power, and disclosure requirement. The Appraiser Board composition is changed by replacing one banking position with a second public member and adding a Certified General Appraiser. Vote 8-4.

Rep. Sandra B. Stettenheim for the Minority of the Executive Departments and Administration: Although the committee's amendment makes appropriate procedural corrections to the amended senate bill, there are significant policy changes with which the minority is unable to agree. All estimates of value on real property not otherwise identified in the bill would be considered appraisals and would be, therefore, under the jurisdiction of the appraisal board. The amendment proposed by the minority removes that sentence and reinstates the banking commissioner on the appraisal board. The amendment also makes the appraiser's disclosure more flexible as well as the guidelines for comparative market analysis and broker price opinions.

Amendment (5654L)

Amend the bill by replacing all after the enacting clause with the following:

1 Requirement That Appraisals be Performed in Accordance With Uniform Standards. Amend RSA 310-B:1 to read as follows:

310-B:1 Purpose. The purpose of this chapter is to bring New Hampshire into compliance with Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989[. The federal act's purpose is to protect federal financial and public policy interests in real estate related transactions] ***and to provide protection to the general public*** by requiring that real estate appraisals used in connection with federally-related transactions are performed [in writing,] in accordance with [uniform standards] ***the Uniform Standards of Professional Appraisal Practice, as amended***, by individuals whose competency has been demonstrated and whose professional conduct will be subject to effective supervision. ***All appraisals performed in the state and all licensed or certified appraisers in the state shall be under the jurisdiction of the real estate appraiser board.***

2 Definition Modified. Amend RSA 310-B:2, II to read as follows:

II. "Appraisal" or "real estate appraisal" means a written statement independently and impartially prepared by a licensed or certified appraiser, [and] ***whether or not*** used in connection with a federally-related ***or non-federally-related*** transaction under the Financial Institutions Reform, Recovery, and Enforcement Act of 1989, setting forth an opinion of defined value of an adequately described property as of a specific date, supported by the presentation and analysis of relevant market information. ***An appraisal shall conform with the Uniform Standards of Professional Appraiser Practice. For the purpose of this chapter, any estimate of value on real property that is not a broker price opinion or a comparative market analysis shall be deemed to be an appraisal.***

3 New Paragraph; Definition Added. Amend RSA 310-B:2 by inserting after paragraph VI the following new paragraph:

VI-a. "Broker price opinion" means the value of real property determined by a person licensed under this chapter or under RSA 331-A. A broker price opinion used for lending purposes or legal purposes shall conform with the requirements in RSA 310-B:3-d.

4 New Paragraph; Definition Added. Amend RSA 310-B:2 by inserting after paragraph VIII the following new paragraph:

VIII-a. "Comparative market analysis" means a study of real estate market conditions for a specific type of property, prepared by a person licensed under this chapter or under RSA 331-A. A comparative market analysis used for lending purposes or legal purposes shall conform with the requirements in RSA 310-B:3-d.

5 New Paragraph; Definition Added. Amend RSA 310-B:2 by inserting after paragraph XIV the following new paragraph:

XIV-a. "Uniform Standards of Professional Appraisal Practice" or "USPAP" are standards set forth by the Appraisal Foundation, as amended.

6 Licensed Real Estate Brokers and Salespersons Authorized to Perform a Comparative Market Analysis or a Broker Price Opinion. Amend RSA 310-B:3, II to read as follows:

II. ***Licenses and certificates shall contain the full name of the licensee or certificate holder, have a serial number, and be signed by the chairperson and the secretary of the board under seal of the board. The issuance of a license or certificate by the board shall be prima facie evidence that the person named in the license or certificate is entitled to all of the rights and privileges of a licensed or certified real estate appraiser while the license remains valid. Each licensee or certificate holder, shall upon licensure or certification obtain a seal of the design authorized by the board, bearing the licensee or certificate holder's name and title. All***

papers or documents involving the practice of real estate appraisal under this chapter, when issued or filed for public record, shall be dated and bear the signature and seal of the real estate appraiser who prepared or had responsibility for and approved them.

III. Paragraph I shall not preclude a person who is [not certified or licensed as a real estate appraiser] ***licensed under RSA 331-A as a real estate broker or salesperson or under this chapter*** from [appraising real estate for non-federally related transactions for compensation] ***performing either a comparative market analysis or broker price opinion.***

7 New Sections; Advertising; Disclosure; Financial Institutions; Lenders; Comparative Market Analyses and Broker Price Opinion Requirements. Amend RSA 310-B by inserting after section 3 the following new sections:

310-B:3-a Advertising. A person who is not licensed or certified under the provisions of this chapter shall not advertise or cause to be published an advertisement for appraisal services.

310-B:3-b Disclosure Requirement.

I. Comparative market analyses and broker price opinions or any other opinion on value of real estate shall not be used without disclosure. Comparative market analyses and broker price opinions shall have a disclosure statement that reads: "This is not an appraisal and is not required to comply with USPAP standards." At the top of every page of every document that is not an appraisal, including comparative market analyses, broker price opinions, or any other estimate of value used for legal or lending purposes, the following statement must be stamped, in ink and in 3/8 inch block lettering: "THIS IS NOT AN APPRAISAL (see disclosure)."

II. A licensed or certified appraiser shall notify the owner of any property upon which an appraisal has been conducted that such owner is entitled to a copy of the appraisal.

310-B:3-c Financial Institutions; Lenders. RSA 310-B:3, I shall not preclude a financial institution or any lender under the supervision of the banking department, from using its own employees to perform an evaluation, or from using market based data relating to real property valuations provided by secondary market underwriters or other vendors.

310-B:3-d Comparative Market Analysis and Broker Price Opinion Requirements. Comparative market analyses and broker price opinions shall:

I. Be in writing.

II. Include the preparer's name, address, and signature, and the effective date of the evaluation.

III. Describe the real estate collateral, its condition, and its current and projected use.

IV. Describe the source or sources of information used in preparing the evaluation.

V. Identify the type of evaluation as a comparative market analysis or broker price opinion.

VI. Provide an estimate of the real estate's market value, identified as such, with any limited conditions.

VII. Contain the statement "I certify that to the best of my knowledge and belief the statements of fact contained in this document are true and correct. I further certify that I have no present or prospective interest in the property that is the subject of this document, and I have no personal interest or bias with respect to the parties involved."

8 Real Estate Appraiser Board Composition Changed. Amend RSA 310-B:4, I to read as follows:

I. There is hereby established an independent real estate appraiser board which shall be administratively attached to the department of state. The board shall consist of the following [7] ***8*** members: [3] ***4*** real estate appraisers with a minimum of 5 years' experience, ***2 of whom shall be certified general appraisers,*** one representative from a New Hampshire lending institution, [the banking commissioner or designee,] one real estate broker licensed under RSA 331-A, and [one member] ***2 members*** of the general public not associated directly or indirectly with banking, brokerage, real estate appraisal, insurance, or any other affected industry. All members shall be appointed by the governor with the consent of council.

9 Real Estate Appraiser Board Composition Limited and Terms Changed and Limited. Amend RSA 310-B:4, III to read as follows:

III. [On or before July 1, 1991,] Each real estate appraiser member of the board shall be certified or licensed as a real estate appraiser under this chapter. One such member shall hold [the] ***a*** residential license and one such member shall hold a general appraiser certificate. ***No more than one board member shall serve as an officer of a professional association which represents appraisers.***

10 Reference to Banking Commissioner Deleted. Amend RSA 310-B:4, VII to read as follows:

VII. The [chairman] ***chair*** of the board shall be elected from the board's members. [Neither the banking commissioner nor his designee shall serve as chairman.]

11 Classifications of Real Estate Appraisers. The introductory paragraph of RSA 310-B:6, I is repealed and reenacted to read as follows:

I. There shall be the following classifications of real estate appraisers which shall meet the requirements of this chapter, rules adopted by the board, and the following criteria:

12 New Subparagraph; Classifications of Real Estate Appraisers. Amend RSA 310-B:6, I by inserting after subparagraph (c) the following new subparagraph:

(d) The apprentice real estate appraiser classification shall consist of those persons who do not meet the requirements under RSA 310-B:6, I(a), (b), or (c), or RSA 310-B:9-a, but are in the process of completing the requirements for one of the classifications of a real estate appraiser. Apprentice real estate appraisers shall be required to work under the supervision of either a New Hampshire licensed or certified appraiser, who shall be required to register such apprentices with the board, until the requirements for licensure or certification have been met.

13 New Section; License Qualifications. Amend RSA 310-B by inserting after section 9 the following new section:

310-B:9-a Licensed Residential Real Estate Appraiser; Qualification Based on Experience.

I. Notwithstanding any other law to the contrary, a person shall be classified as a licensed residential real estate appraiser if such person within one year from the board's adoption of rules under RSA 541-A:

(a) Has demonstrated 5 years' experience as a real estate appraiser or a real estate broker, licensed under RSA 331-A.

(b) Has remitted an application fee that is equal to the one year license fee for a licensed residential real estate appraiser.

II. Once a license has been issued, the licensee shall comply with all requirements under this chapter and by the board relative to licensed residential real estate appraisers.

14 Term of License or Certificate Changed. Amend RSA 310-B:10 to read as follows:

310-B:10 Term of Licensure or Certification. The term of a license or certificate issued under the authority of this chapter shall be ***one, 2 or*** 3 years from the date of issuance. ***An applicant shall indicate the term of the license or certificate at the time of original application or upon renewal.*** The expiration date of the license or certificate shall appear on the license or certificate and notice of its expiration shall be given to its holder. [The board shall stagger the terms of licenses or certificates issued on or before January 1, 1993, so that 1/3 of such licenses or certificates shall expire each year for the 3 years next following.]

15 New Sections; Grievances; Complaints. Amend RSA 310-B by inserting after section 17 the following new sections:

310-B:17-a Grievances.

I. All grievances shall be in writing and objectively received and reviewed by the board.

II. If the board determines that a grievance requires further investigation, it shall be acted upon within 90 days.

III. Disposition of all grievances shall be voted on by the board.

IV. The board, on its own motion and in accordance with the provisions of this chapter, may commence adjudicatory proceedings.

310-B:17-b Complaints.

I. Complaints shall not be accepted for filing with the board unless the grievance procedures in RSA 310-B:17-a have been concluded, and the board has not initiated disciplinary proceedings. The aggrieved party may proceed with the complaint process if the aggrieved party does not agree with the decision of the board.

II. To be accepted for filing, complaints shall be filed on a form provided by the board.

III. Properly filed complaints shall be reviewed by the board to determine compliance with this section.

IV. Upon confirmation that a complaint complies with the provisions of this section, the board shall schedule a disciplinary proceeding on the complaint in accordance with the provisions of this chapter.

16 Administrative Fines Established. Amend the introductory paragraph of RSA 310-B:18 to read as follows:

310-B:18 Disciplinary Proceedings ***and Administrative Fines***. The board may revoke or suspend the licensure or certification of any licensed or certified real estate appraiser, in accordance with the provisions of this chapter, upon any of the grounds set forth in this section. ***The board may also impose administrative fines for violations of this chapter in accordance with rules adopted under RSA 310-B:24, VIII-b which shall not exceed $2,000 per offense.*** The board may investigate the actions of a licensed or certified real estate appraiser[, and may revoke or suspend the license or certificate of a licensed or certified real estate appraiser] for any of the following acts or omissions:

17 Board's Subpoena Power Established. Amend RSA 310-B:19 to read as follows:

310-B:19 Hearings.

I. The board shall take no disciplinary action without a hearing. At least 14 days prior to hearing, both parties to a disciplinary proceeding shall be served, either personally or by certified mail, return receipt requested, with a written copy of the complaint filed and notice of the time and place for hearing. All complaints shall be objectively received and fairly heard by the board, but no complaint shall be acted upon unless in writing. A hearing shall be held on all written complaints received by the board within 90 days after the date notice of a complaint was received by the accused, unless otherwise agreed to by the parties. Disciplinary hearings shall be conducted before at least 5 members of the board. Written notice of all disciplinary decisions made by the board shall be given to both parties to the proceeding upon their issuance. Orders of the board shall be subject to rehearing and appeal in the manner prescribed by RSA 541.

II. The board shall have authority to subpoena witnesses and compel, by subpoena duces tecum, the production of books, papers, and documents in a case involving disciplinary action. All subpoenas allowed under this chapter shall be approved by the department of justice.

18 New Paragraph; Rulemaking. Amend RSA 310-B:24 by inserting after paragraph VIII-a the following new paragraph:

VIII-b. Establishment and collection of administrative fines for violation of this chapter.

19 New Sections; Penalty and Probate Exemption. Amend RSA 310-B by inserting after section 24 the following new sections:

310-B:24-a Penalty. Any person who violates RSA 310-B:3, 310-B:3-a, or 310-B:3-b shall be guilty of a class B misdemeanor.

310-B:24-b Probate Exemption. The probate court may, in its discretion, waive the requirements of this section as they apply to trusts and estates subject to the jurisdiction of the probate court.

20 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill modifies the regulation of real estate appraisers by requiring that real estate appraisals be performed in accordance with uniform standards and establishes grievance, complaint, and penalty provisions.

This bill modifies the regulation of real estate appraisers by adding new disclosure requirements, changing the composition of the real estate appraiser board, and giving the board subpoena power and to impose administrative fines.

This bill also specifies certain requirements for comparative market analyses and broker price opinions.

310-B:24-a Penalty. Any person who violates RSA 310-B:3, 310-B:3-a, or 310-B:3-b shall be guilty of a class B misdemeanor.

310-B:24-b Probate Exemption. The probate court may, in its discretion, waive the requirements of this section as they apply to trusts and estates subject to the jurisdiction of the probate court.

20 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill modifies the regulation of real estate appraisers by requiring that real estate appraisals be performed in accordance with uniform standards and establishes grievance, complaint, and penalty provisions.

This bill modifies the regulation of real estate appraisers by adding new disclosure requirements, changing the composition of the real estate appraiser board, and giving the board subpoena power and to impose administrative fines.

This bill also specifies certain requirements for comparative market analyses and broker price opinions.

The question now being Ought to Pass.

Rep. Stettenheim spoke in favor and yielded to questions.

On a division vote, 117 members having voted in the affirmative and 179 in the negative, the minority amendment failed.

Rep. Stettenheim spoke against the report.

The report failed.

Rep. Stettenheim moved Inexpedient to Legislate.

Substitute report adopted.

Reps. Emerton and Knowles declared conflicts of interest and did not participate.

SB 540-FN, modifying the definition of a qualified investment company. OUGHT TO PASS

Rep. Kenneth L. Weyler for Finance: This bill maintains New Hampshire's economic edge in encouraging financial service companies. The change in definition reflects a proposal now active in the federal code to increase qualified investment group size from 100 to 500. Such a proactive approach will continue to keep New Hampshire in the forefront of states profiting as investment havens. Said definition will not change in RSAs if federal change does not pass. Vote 17-2.

Adopted and ordered to third reading.

SB 524, relative to filing of reports or inventories with the probate court by guardians, fiduciaries, and executors; adopting the uniform disclaimer of property interests act; and relative to jurisdiction of family division courts. OUGHT TO PASS WITH AMENDMENT

Rep. Nick Hart for Judiciary and Family Law: This bill authorizes the probate court, not family division court, as having jurisdiction over estates. The bill stipulates that when a bond is ordered in conjunction with the guardianship of a minor that the guardianship will not be appointed until the bond is furnished to the probate court. Other changes tighten up reporting requirements relative to guardianships. Vote 13-0.

Amendment (5470L)

Amend the bill by replacing all after the enacting clause with the following:

1 Bond of Guardian of the Estate of a Minor. RSA 463:27 is repealed and reenacted to read as follows:

463:27 Bond of Guardian of the Estate of a Minor. When a bond is ordered in conjunction with a guardianship of the estate of a minor, no appointment of the guardian shall issue until the bond is furnished to the probate court, with sufficient sureties, in such sum as the court shall approve. A bond without sureties may be ordered in the discretion of the court.

2 Filing of Inventory; Temporary Guardian. Amend RSA 464-A:12, II to read as follows:

II. The court may, with such notice as it deems reasonable to the proposed ward and the court appointed counsel or the proposed ward's private counsel, appoint a temporary guardian for an incapacitated person. The appointment shall be limited to the performance of duties respecting specific property, or to the performance of particular acts necessary to prevent immediate serious physical or mental harm to the proposed ward or immediate serious physical harm to others. [The temporary guardian shall make such reports as the court shall direct and shall account to the court upon termination of the guardianship. No term of temporary guardianship shall exceed 60 days.] ***The temporary guardian of the person and estate, or the estate, shall file an inventory within 30 days after the termination of the guardianship, or be in default. The temporary guardian shall file an account within 90 days after the termination of the guardianship, or bein default. Within 10 days after the temporary guardian's default, the register of probate shall give notice to the fiduciary of the default by first class mail. The temporary guardian shall not file an annual report. No term of temporary guardianship shall exceed 60 days, unless for good cause shown and within the discretion of the court.***

3 Annual Reporting Requirement; Guardian of the Person. Amend the section heading of RSA 464-A:35 and the introductory paragraph of RSA 464-A:35, I to read as follows:

464-A:35 [Biennial] ***Annual*** Report of the Guardian of the Person.

I. A guardian of the person shall file [a] ***an annual*** report [biennially] ***annually*** under oath with the [probate] court [where the guardianship powers were granted] within [90] ***30*** days [of] ***after*** the [annual] anniversary date of the guardian's appointment***, or be in default. The register of probate shall give notice of the default to theguardian by first class mail within 10 days after the default. The register of probate shall issue a citation notice in accordance with RSA 548:5-a.*** The report shall contain a brief summary of the present status of the ward including, but not limited to:

4 Reference Change; Annual Report; Guardian of the Person. Amend RSA 464-A:35, II to read as follows:

II. A guardian of the person shall give in hand or mail by first class mail a copy of the [biennial] ***annual*** report to the ward. The court may order service by other means as it deems appropriate. The court may send a copy of the [biennial] ***annual*** report to any other person it may designate. Unless excused by the court for good cause shown, such designated person, if any, shall make a personal visit to the ward. If the ward or ***the*** designated person is not satisfied with the report, the ward or ***the*** designated person may request a hearing [prior to the return date] ***within 15 days after the ward's receipt of the report***.

5 Annual Accounting of Guardian of the Estate. Amend RSA 464-A:36, I to read as follows:

I. Subject to the provisions of RSA 464-A:26, V, a guardian of the estate shall file an ***annual*** account [annually] under oath with the court within 90 days after the anniversary date of the guardian's appointment [as such guardian]***, or be in default***. [The account shall contain:

(a) The present personal status of the incapacitated person whose estate is managed by the guardian;

(b) The guardian's plan for preserving and maintaining the estate over which he or she is guardian;

(c) The need for continuation or cessation of the guardianship of the estate;

(d) The need for any alteration in the powers of guardianship.] ***The register of probate shall give notice of the default to the guardian by first class mail within 10 days after the default. The register of probate shall issue a citation notice in accordance with RSA 548:5-a.***

6 Annual Accounting of Guardian of the Estate. Amend RSA 464-A:36, III to read as follows:

III. A guardian of the estate shall give in hand or mail by first class mail a copy of the annual account to the ward. The court may order service by other means as it deems appropriate. The court may send a copy of the annual account to any other person it may designate. If the ward or the designated person is not satisfied with the annual account filed by the guardian, the ward or the designated person may request a hearing [prior to the return date] ***within 15 days after the ward's receipt of the account.***

7 Settlements on Behalf of Minors. RSA 464-A:42 is repealed and reenacted to read as follows:

464-A:42 Settlements on Behalf of Minors. No settlement, the net amount, as defined in RSA 464-A:2, XIV-a, of which exceeds $10,000, of any suit or claim brought on behalf of a minor by a parent or next friend is valid unless approved by the appropriate superior or district court in which the action is pending or to which a writ may be made returnable. In any such settlement, if the amount to be paid to the minor before the age of majority exceeds $10,000, the superior or district court shall require proof in the form of a certified statement from the probate court that the guardian ad litem, parent, next friend, or other person who receives money on behalf of the minor whether through settlement, judgment, decree or other order, has been appointed guardian of the estate of such minor and is subject to the duties prescribed under RSA 463:19. For good cause shown, the superior or district court may approve a minor's settlement which provides for the payment of settlement proceeds after the minor attains the age of majority. Superior or district court approval is not required for any settlement, the net amount, as defined in RSA 464-A:2, XIV-a, of which is equal to or less than $10,000, of any suit or claim brought on behalf of a minor by a parent or next friend. In any such settlement, where no amount inures to the minor prior to the age of majority, no guardian of the estate of such minor is required. In the event of a structured settlement where an amount will be paid to the minor both before and after the minor reaches the age of majority, no guardian of the estate of such minor is required if the amount to be paid to the minor before the age of majority is $10,000 or less. If the amount to be paid to the minor before the age of majority in such structured settlement exceeds $10,000, then a guardian of the estate of such minor is required.

8 Declaratory Judgments. Amend RSA 547:11-b to read as follows:

547:11-b Declaratory Judgments. Any person claiming a present legal or equitable right or title to real or personal property in the estate of deceased persons or to guardianship, conservatorship, or trust assets may maintain a petition against the estate, guardian, conservator, or trustee to determine the question as between the parties ***and the probate court's judgment or decree thereon shall be conclusive. The existence of an adequate remedy at law or in equity shall not preclude any person from obtaining such declaratory relief.***

9 Notice of Default to Fiduciary for Failure to File Inventory. Amend RSA 548:5-a, I to read as follows:

I. [If a fiduciary appointed by the probate court fails for 30 days to file an inventory or for 90 days to file an account of his administration, as required by law, the register of probate shall give notice to him of his default by first class mail no later than 10 days after such default. If the fiduciary fails for 30 days after notice from the register either to file the inventory or his account, or to show good cause for the failure, the judge of probate shall issue a citation to the fiduciary by registered or certified mail, return receipt requested, no later than the next succeeding session of the probate court, to appear before him pursuant to RSA 550:2.] ***A fiduciary appointed by the probate court shall file, as required by law, an inventory within 90 days after the date of appointment, or an account of administration within one year after the date of appointment. If a fiduciary fails to file an inventory within 30 days after the required filing date, or an account of administration within 90 days after the required filing date, the fiduciary is in default. The register of probate shall give notice of the default to the fiduciary by first class mail within 10 days after the default. In the case of any inventory, account, annual report, statement of voluntary administration, or waiver of administration affidavit, the fiduciary shalleither file the inventory, account, annual report, statement of voluntary administration, or waiver of administration affidavit, or show good cause for the failure to file, within 30 days after notice of the default from the register. If the fiduciary fails to file or to show good cause, the judge of probate shall issue a citation to the fiduciary to appear before the judge pursuant to RSA 550:2. The fiduciary shall pay default and citation fees as established by the supreme court under RSA 490:26-a to the register of probate, pursuant to RSA 490:27.*** The

requirements of this section shall apply to fiduciaries [heretofore] ***previously*** appointed as the judges of probate may prescribe by rules adopted pursuant to RSA 547:33. [A register of probate shall receive a fee as established by the supreme court under RSA 490:27 which shall be paid by the fiduciary.]

10 Reference to "Account" Changed to "Inventory"; Notice of Default and Citation. Amend RSA 554:1 to read as follows:

554:1 Inventory. Every administrator[, within 3 months after appointment,] shall [return to the probate office,] ***file*** under oath***, with the court, within 90 days after the date of appointment,*** a full, true and itemized [account] ***inventory*** of all the estate of the deceased which has come to [his] ***the administrator's*** knowledge. ***If an administrator fails to file an inventory within 30 days after the required filing date, the administrator is in default. The register of probate shall give notice of the default to the administrator by first class mail within 10 days after the default. The register of probate shall issue a citation notice in accordance with RSA 548:5-a.*** The inventory shall contain a description of the real estate; a correct schedule of all goods, chattels, stocks, bonds, and other effects of the deceased; of all notes, with their dates and terms of payment, and the date and amount of each endorsement thereon; of all deposits in savings banks, with the name and location of each bank, the number of each book, the date of the last dividend, and the whole amount then due thereon less any withdrawals since that date; and a list and description of [his] ***any*** other written evidences of debt. If any person claims a present legal or equitable right of title to real or personal property in the estate of the deceased, the administrator may petition the probate court pursuant to RSA 547:11-b to determine the question as between the parties.

11 Executors; Waiver of Administration for Failure to File Affidavit. Amend RSA 554:1-a to read as follows:

554:1-a Waiver of Administration. Notwithstanding any provision of law, whenever a deceased dies testate and the surviving spouse is named in the will as the sole beneficiary of the deceased's estate and has also been nominated and appointed to serve as executor, there shall be no requirement for an inventory of the estate, no requirement for a bond, and no requirement for an accounting for assets; provided, however, that any interested creditor may petition for a full administration of the estate within 6 months after the original grant of administration, and such petition may be granted by the probate court for good cause shown. Administration of the will shall be completed upon the filing of an affidavit with the court, such filing to occur not less than 6 months nor more than one year from the date of appointment of the executor, stating that to the best of the knowledge and belief of the executor there are no outstanding debts or obligations attributable to the deceased's estate. ***If the executor fails to file the affidavit within 30 days after the required filing date, the executor is in default. The register of probate shall give notice of the default to the executor by first class mail within 10 days after the default. The register of probate shall issue a citation notice in accordance with RSA 548:5-a.***

12 New Chapter; Uniform Disclaimer of Property Interests Act. Amend RSA by inserting after chapter 563-A the following new chapter:

CHAPTER 563-B

UNIFORM DISCLAIMER OF PROPERTY INTERESTS ACT

563-B:1 Right to Disclaim Interest in Property. A person, including but not limited to any executor, administrator, trustee, guardian, conservator, holder of a power of attorney or any other fiduciary, to whom any property or interest therein devolves, by whatever means, may disclaim it in whole or in part by delivering a written disclaimer under this chapter. The right to disclaim exists notwithstanding any limitation on the interest of the disclaimant in the nature of a spendthrift provision or similar restriction.

563-B:2 Time of Disclaimer-Delivery.

I. Except as provided in paragraph III, if the property or interest has devolved to the disclaimant under a testamentary instrument or by the laws of intestacy, the disclaimer shall be delivered, as to a present interest, not later than 9 months after the death of the deceased owner or deceased donee of a power of appointment and, as to a future interest, not later than 9 months after the event determining that the taker of the property or interest has become finally ascertained and his interest is indefeasibly vested. The disclaimer shall be delivered in person or mailed by registered or certified mail to any personal representative, or other fiduciary, of the decedent

or the donee of the power, to the holder of the legal title to which the interest relates, or to the person entitled to the property or interest in the event of disclaimer. A copy of the disclaimer shall be filed in the probate court of the county in which proceedings for the administration of the estate of the deceased owner or deceased donee of the power have been commenced.

II. Except as provided in paragraph III, if the property or interest has devolved to the disclaimant under a nontestamentary instrument or contract, the disclaimer shall be delivered, as to a present interest, not later than 9 months after the effective date of the nontestamentary instrument or contract and, as to a future interest, not later than 9 months after the event determining that the taker of the property or interest has become finally ascertained and the taker's interest indefeasibly vested. If the person entitled to disclaim does not have actual knowledge of the existence of the interest, the disclaimer shall be delivered not later than 9 months after the taker had actual knowledge of the existence of the interest. The effective date of a revocable instrument or contract is the date on which the maker no longer has power to revoke it or to transfer to the maker or another the entire legal and equitable ownership of the interest. The disclaimer shall be delivered in person or mailed by registered or certified mail to the person who had legal title to or possession of the interest disclaimed.

III. In any case, as to a transfer creating an interest in the disclaimant made after December 31, 1976, and subject to tax under chapter 11, 12, or 13 of the Internal Revenue Code of 1954, as amended, a disclaimer intended as a qualified disclaimer thereunder must specifically so state and must be delivered not later than 9 months after the later of the date the transfer is made or the day on which the person disclaiming attains age 21.

IV. A surviving joint tenant may disclaim as a separate interest any property or interest therein devolving to a surviving joint tenant by right of survivorship. A surviving joint tenant may disclaim the entire interest in any property or interest therein that is the subject of a joint tenancy devolving to the surviving joint tenant, if the joint tenancy was created by act of a deceased joint tenant and to the extent that the survivor did not contribute to the joint tenancy.

V. If real property or an interest therein is disclaimed, a copy of the disclaimer shall be recorded in the registry of deeds of the county in which the property or interest disclaimed is located.

563-B:3 Form of Disclaimer. The disclaimer shall:

I. Describe the property or interest disclaimed;

II. Declare the disclaimer and extent thereof, and

III. Be signed by the disclaimant.

563-B:4 Effect of Disclaimer.

I. If the property or interest devolved to a disclaimant under a testamentary instrument or under the laws of intestacy and the deceased owner or donee of a power of appointment has not provided for another disposition, it devolves as if the disclaimant had predeceased the decedent or, if the disclaimant was designated to take under a power of appointment exercised by a testamentary instrument, as if the disclaimant had predeceased the donee of the power. Any future interest that takes effect in possession or enjoyment after the termination of the estate or interest disclaimed takes effect as if the disclaimant had died before the event determining that the taker of the property or interest had become finally ascertained and the taker's interest is indefeasibly vested. A disclaimer relates back for all purposes to the date of death of the decedent, or of the donee of the power, or the determinative event, as the case may be.

II. If the property or interest devolved to a disclaimant under a nontestamentary instrument or contract and the instrument or contract does not provide for another disposition, (1) it devolves as if the disclaimant had died before the effective date of the instrument or contract; and (2) a future interest that takes effect in possession or enjoyment at or after the termination of the disclaimed interest takes effect as if the disclaimant had died before the event determining that the taker of the property or interest had become finally ascertained and the interest indefeasibly vested. A disclaimer relates back for all purposes to the effective date of the instrument or contract or the date of the determinative event, as the case may be.

III. The disclaimer or the written waiver of the right to disclaim is binding upon the disclaimant or person waiving and all persons claiming through or under said disclaimant or person.

563-B:5 Waiver and Bar. The right to disclaim property or an interest therein is barred by:

I. An assignment, conveyance, encumbrance, pledge, or transfer of the property or interest, or a contract therefor;

II. A written waiver of the right to disclaim;

III. An acceptance of the property or interest or a benefit thereunder; or

IV. A sale of the property or interest under judicial sale made before the disclaimer is effected.

563-B:6 Remedy Not Exclusive. This chapter does not abridge the right of a person to waive, release, disclaim, or renounce property or an interest therein under any other statute.

563-B:7 Application. An interest in property that exists on the effective date of this chapter as to which, if a present interest, the time for delivering a disclaimer under this chapter, has not expired or, if a future interest, the interest has not become indefeasibly vested or the taker finally ascertained, may be disclaimed within 9 months after the effective date of this chapter.

563-B:8 Uniformity of Application and Construction. This chapter shall be applied and construed to effectuate its general purpose to make uniform the law with respect to the subject of this chapter among states enacting it.

563-B:9 Short Title. This chapter may be cited as the Uniform Disclaimer of Property Interests Act.

13 Jurisdiction of Family Division Courts. Amend 1995, 152:2, VIII to read as follows:

VIII. The guardianship ***over the person*** of minors. ***Jurisdiction over guardianships over the estate of a minor, or guardianships over the person and estate of a minor shall remain with the probate court.***

14 Family Division Courthouses. Amend 1995, 152:4, IV to read as follows:

IV. The courthouses in Rockingham county which will house the program shall be the Rockingham county [superior court] ***courthouse***, the Portsmouth district court, the Salem district court, and the Auburn district court. ***In the case of the Auburn district court, the supreme court shall have discretion to designate such other facility within the Auburn or Derry district as it deems appropriate.***

(a) Matters arising in municipalities located within the Portsmouth district and the Hampton district shall be heard in the Portsmouth district court.

(b) Matters arising in municipalities located within the Salem district shall be heard in the Salem district court.

(c) Matters arising in municipalities located within the Auburn district and the Derry district shall be heard in the Auburn district court ***or such other location within the Auburn or Derry district as the supreme court may designate***.

(d) Matters arising in municipalities located within the Exeter district and Plaistow district shall be heard in the Rockingham county [superior court] ***courthouse***.

15 Effective Date.

I. Sections 13-14 shall take effect July 1, 1996.

II. The remainder of this act shall take effect January 1, 1997.

Adopted.

Report adopted and ordered to third reading.

SB 648-FN-L, relative to child support. MAJORITY: REFER FOR INTERIM STUDY MINORITY: OUGHT TO PASS

Rep. Nick Hart for the Majority of Judiciary and Family Law: This bill examines the equities between divorcing parents entering shared and joint custody arrangements. Since there are an estimated 39,000 open child support cases in the state, the committee agreed that more data should be gathered before the statutes are changed and that additional time is needed to review and evaluate the relevant facts and figures. Vote 10-6.

Rep. David T. Mittelman for the Minority of Judiciary and Family Law: This bill does not need additional study. It is already the result of thorough and extensive study. In 1993, the legislature established the Child Support Study Committee to examine issues of child support. This study committee consisted of a judge, guardian ad litem, marital master, custodial parents, noncustodial parents, and legislators. These experts' recommendations are contained within this bill. First, SB 648 recognizes that interference with visitation privileges is just as serious as nonpayment of child support. Accordingly this bill allows a court to re-examine its award of physical custody when a parent intentionally interferes with visitation privileges. Second, SB 648

makes adjustments to the current child support guidelines to better reflect the true financial costs involved. Significantly, it recognizes that, over the long run, the custodial parent's cost of raising a child decreases the more time a child spends with the non-custodial parent. In essence this study committee bill more equitably distributes the cost of raising a child and promotes greater involvement by the non-custodial parent in the child's life. SB 648 is a rational and reasonable approach to improve New Hampshire's child support laws.

Rep. Lionel Johnson requested a roll call; sufficiently seconded. The question being the adoption of the report.

SB 559-FN-L, declaring proposed public collective bargaining agreements to be public records subject to inspection. OUGHT TO PASS WITH AMENDMENT

Rep. Robert H. Turner for Labor, Industrial and Rehabilitative Services: This bill as amended would make clear under the Right to Know Law (RSA 91-A:4) that once the parties have reached agreement on a labor contract in the public sector that the written agreement, as ratified by both parties, becomes a public document available to the public within 144 hours of ratification. It also adds a section on the approval of the cost items in the contract by the legislative body previously passed by the house. Vote 16-1.

Amendment (5585L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to public employee collective bargaining and declaring proposed collective bargaining agreements to be public records subject to inspection.

Amend the bill by replacing all after the enacting clause with the following:

1 Cost Items; Legislative Body Approval required. Amend RSA 273-A:3, II(b) to read as follows:

(b) Only cost items shall be submitted to the legislative body of the public employer for approval. ***The cost items for municipalities or school districts shall be submitted to either an annual or special meeting within 90 days of agreement or issuance of a neutral party's recommendations. If submitted to a special meeting, the legislative body shall have the same authority to raise and appropriate money for cost items as at an annual meeting and shall be exempt from the requirements of RSA 197:3 and RSA 31:5. However, no such special meeting shall be held between December 15 and the annual town or school district meeting.*** If the legislative body rejects any part of the submission, or while accepting the submission takes any action which would result in a modification of the terms of the cost item submitted to it, either party may reopen negotiations on all or part of the entire agreement.

2 New Paragraph; Proposed Collective Bargaining Agreement; Public Record. Amend RSA 273-A:3 by inserting after paragraph II the following new paragraph:

II-a.(a) Within 144 hours after all negotiating parties have reached agreement and the proposed contract has been ratified, the proposed contract shall be a public record in the form of a written document embodying the entire agreement and subject to inspection by every citizen pursuant to RSA 91-A:4.

(b) For purposes of this paragraph:

(i) "Agreement" shall mean a written document which shall have been signed by a duly authorized representative of each of the negotiating parties.

(ii) "Ratified" shall mean the process by which each of the negotiating parties has sought and obtained final approval from their respective constituencies prior to submitting the agreement to the legislative body for approval of cost items.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires that cost items be submitted to the legislative body at an annual meeting or a special meeting within 90 days of agreement or issuance of a neutral party's recommendations.

This bill also makes proposed public collective bargaining agreements public records subject to inspection under the right-to-know law.

Rep. Daniels requested that the question be divided. The Speaker ruled the question was divisible.

The question now being the adoption of section 1 of the amendment.

Reps. Daniels and Francoeur spoke against and yielded to questions.

Rep. Robert Wheeler spoke in favor and yielded to questions.

Rep. Hawkins spoke in favor.

On a division vote, 230 members having voted in the affirmative and 90 in the negative, section 1 was adopted.

The remainder of the amendment was adopted.

SB 517-L, relative to a property tax exemption for real estate used as rental housing by certain nonprofit charitable organizations and relative to assessments against owners of property in central business districts. MAJORITY: OUGHT TO PASS WITH AMENDMENT MINORITY: OUGHT TO PASS

Rep. Linda T. Foster for the Majority of Municipal and County Government: This bill, as amended, restricts assessments in central business service districts for additional services provided to the district, to commercial and industrial property owners. The committee is aware that the elimination of that portion of the bill dealing with the tax exemption of real estate used as rental housing by nonprofit charitable organizations does not eliminate the problem which that portion attempted to address. The majority believes that this problem may be addressed by HB 345 which the Senate has recommitted. The committee also believes that if this issue is revisited, more clarity and specificity regarding definitions should be included. Vote 13-2.

Rep. Allen L. Whipple for the Minority of Municipal and County Government: This bill as amended removes a very important section of the original bill which would have prohibited nonprofit charitable organizations from charging above market rates for rental housing and requiring them to charge below market rates if they receive a property tax exemption from the local community.

Amendment (5620L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to assessments against owners of property in central business districts.

Amend the bill by deleting section 1 and renumbering the original sections 2-3 to read as 1 and 2, respectively.

AMENDED ANALYSIS

This bill restricts assessments against owners of property in central business service districts, for additional services provided to the district to commercial and industrial property owners.

SB 613, proclaiming December 7 of each year as National Pearl Harbor Remembrance Day. OUGHT TO PASS WITH AMENDMENT

Rep. Robert H. Milligan for Public Protection and Veterans Affairs: This proclamation issued by the Governor of the State of New Hampshire annually prior to December 7th, shall call upon the people of the state, state agencies and academic institutions to "Remember Pearl Harbor" and those whose lives were sacrificed defending their country and our way of life. Such a proclamation will preserve the memory of all those who have served our great nation with honor, defending it from our enemies sometimes at the cost of their very lives. Vote 14-0.

Amendment (5404L)

Amend the title of the bill by replacing it with the following:

AN ACT
proclaiming December 7 of each year as New Hampshire
Pearl Harbor Remembrance Day.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose; Intent.

I. On December 7, 1941, the Imperial Japanese Navy and Air Force attacked units of the armed forces of the United States stationed at Pearl Harbor, Hawaii, and more than 2,000 citizens of the United States were killed and more than 1,000 citizens of the United States were wounded in the attack on Pearl Harbor.

II. The attack on Pearl Harbor marked the entry of the United States into World War II. The veterans of World War II and all other people of the United States commemorate December 7 in remembrance of the attack on Pearl Harbor.

III. Official commemoration of the attack on Pearl Harbor will instill in all people of New Hampshire a greater understanding and appreciation of the selfless sacrifice of the individuals who served in the armed forces of the United States during World War II.

2 New Section; Proclamation. Amend RSA 4 by inserting after section 13-d the following new section:

4:13-e New Hampshire Pearl Harbor Day.

I. The governor shall proclaim December 7 of each year as New Hampshire Pearl Harbor Remembrance Day.

II. The proclamation issued by the governor shall call on the people of New Hampshire to observe the day with appropriate ceremonies and activities and shall urge all state agencies and academic institutions, and interested organizations, groups, and individuals, to fly the flag of the United States at half-staff each December 7 in honor of the individuals who died as a result of their service at Pearl Harbor.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill proclaims December 7 of each year as New Hampshire Pearl Harbor Remembrance Day.

HB 1025-FN-L, relative to a 10-year transportation plan. OUGHT TO PASS WITH AMENDMENT

Rep. John P. Gleason for Public Works and Highways: This bill presents the latest ten year highway and bridge program as required by Chapter 381, 1991, and represents the updated list of projects and dates that have been recommended by the local planning agencies, Governor's Advisory Committee on Highways, the Governor and the Public Works and Highways Committee. Lack of mention in this bill of certain local projects should not raise alarm as this bill

does not include projects contingent upon availability of local funding. This bill plus the "blue book" of projects represents the total ten year transportation improvement program and the committee did not review or alter any projects other than what is before you in this piece of legislation. In addition to the plan as submitted, the following projects/issues were included by the committee relative to the updating of the ten year transportation plan. The committee voted to repeal 1987, Chapter 399:30 limiting the funding of a proposed new exit to I-93 for Derry and Londonderry to be borne entirely by the two towns; and to amend the plan to show that a new exit will be considered in future federal fiscal years. The committee chose not to concur with an amendment to reconstruct NH Route 125 from the north end of Kingston bypass to Rochester, since the usual consideration process had not been undertaken. The committee voted to amend the ten year plan by adding the construction of the northern segment of the Nashua-Hudson circumferential highway for future state fiscal years. The committee voted to extend lapse dates to June 30, 1997, for certain capital appropriations to the Department of Transportation. Vote 16-0.

Amendment (5705L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to a 10-year transportation plan, relative to the Derry local exit on I-93, and extending the lapse dates for certain capital appropriations to the department of transportation.

Amend RSA 240:2 as inserted by section 1 of the bill by inserting after paragraph X the following new paragraph:

XI. In future federal fiscal years:

(a)	I-93	Derry-Londonderry	New exit between exit 4 and exit 5.

Amend RSA 240:10 as inserted by section 1 of the bill by inserting after paragraph V the following new paragraph:

VI. In future state fiscal years:

(a)	Circum. Hwy	Nashua-Hudson 10625	Construction of north segment of circumferential highway

Amend the bill by replacing section 2 with the following:

2 Repeal. 1987, 399:30, relative to the Derry local exit, is repealed.

3 Lapse Dates Extended to June 30, 1997. The following appropriations are hereby extended to June 30, 1997:

I. The appropriation made to the department of transportation, division of aeronautics, in 1989, 367:1, XII, A, 1, as amended by 1991, 351:27, II(l) and 1992, 289:60, as extended by 1993, 359:20, V, and 1995, 309:32, VII, for improvements at the Keene Dillant-Hopkins airport.

II. The appropriation made to the department of transportation, division of aeronautics, in 1992, 289:21, as extended by 1993, 359:20, III, and 1995, 309:32, VI, for the purpose of general aviation apron expansion and construction of a taxiway to runway 36 at the Lebanon airport.

III. The appropriation made to the department of transportation, division of aeronautics, in 1993, 359:1, XII, A, 1, as extended by 1994, 171:1, for land acquisition for navigation beacons.

4 Effective Date.

I. Section 3 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

The bill updates the 10-year transportation plan to maintain the highways and bridges in the state.

This bill inserts the new Derry exit into the 10-year transportation plan for future fiscal years.

The bill also extends the lapse dates for certain capital appropriations to the department of transportation, division of aeronautics to June 30, 1997.

SB 561-A, making a supplemental appropriation for capital improvements to the university system of New Hampshire for Lamson library at Plymouth state college. OUGHT TO PASS WITH AMENDMENT

Rep. John P. Chandler for Public Works and Highways: This bill originated in the Senate with construction funds for the addition to Lamson Library at Plymouth, and renovation funds for Pettee Hall at Durham. Pettee Hall was removed by Senate amendment. Last year's capital budget provided $600,000 for the design phase of Lamson Library, and the contract on documents are now ready to go out to bid. The project is the number one priority project in the University System's long range plan, providing construction funds now means construction can start this summer. After much debate the committee voted to recommend an amendment to this bill to fund the furnishings for the Brown Building ($600,000 state/$600,000 federal). The bid documents for the renovation of the Brown Building are expected to go out for bid later this month. Renovations should be completed about 18 months from now, and the lapse date is extended in the committee amendment. Providing funding for furnishings now will ensure beneficial occupancy of the Brown Building at the earliest possible date. The committee amendment also extends for the fourth and presumably last time the lapse date for the construction of the fire training academy in Concord to permit completion of that project. Vote 15-1.

Amendment (5072L)

Amend the title of the bill by replacing it with the following:

AN ACT

making a supplemental appropriation for capital improvements to the university system of New Hampshire for Lamson library at Plymouth state college, making an appropriation to the department of health and human services for the purchase of furnishings for the Brown building, and extending certain lapse dates.

Amend the bill by replacing all after section 3 with the following:

4 Appropriation. The sum set forth in this section is hereby appropriated to the department of health and human services for the purchase of furnishings for the Brown building:

Brown building furnishings	$ 1,200,000
Less federal	- 600,000
Total state appropriation	$ 600,000

5 Bonds Authorized. To provide funds for the appropriation made in section 4 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of $600,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest of the bonds and notes shall be made from the general funds of the state. The bonds shall be 20 year bonds.

6 Lapse Date Extended to June 30, 1998. The appropriation made to the department of health and human services in 1993, 359, V, E, 3, as extended by 1994, 171:1, and amended by 1994, 382:1, for renovation of the Brown building, is hereby extended to June 30, 1998.

7 Lapse Date Extended to June 30, 1997. The appropriation made to the department of safety in 1991, 262:1, as extended by 1993, 359:19, XIV; 1994, 171:2; and 1995, 309:32, II; for the construction of a fire training academy in Concord is hereby extended to June 30, 1997.

8 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill:

I. Makes a supplemental appropriation for capital improvements to the university system of New Hampshire for Lamson library at Plymouth state college.

II. Makes an appropriation to the department of health and human services for the purchase of furnishings for the Brown building.

III. Extends the lapse date on a capital appropriation to the department of health and human services for renovation of the Brown building.

IV. Extends the lapse date of the appropriation to the department of safety for construction of a fire training academy in Concord.

Adopted.

SB 630-FN, relative to outdoor advertising devices and permit fees. MAJORITY: OUGHT TO PASS WITH AMENDMENT MINORITY: INEXPEDIENT TO LEGISLATE

Rep. David R. Boutin for the Majority of Public Works and Highways: The issue of removing trees in front of outdoor advertising devices has been an emotional one for years. A House/Senate study committee worked to craft a compromise bill. The bill was extensively discussed by committee and subcommittee. The amendment accomplished a goal of many. It provides an unequivocal ban on any new outdoor advertising devices beyond the numbers that currently exist. The cleared area will be landscaped and any trees removed will be replaced on a one for one basis along the roadway in the vicinity of the device. The provisions of the amendment will be implemented through the oversight of the Department of Transportation. Vote 9-8.

Reps. Katherine D. Rogers, John P. Chandler, Leon Calawa Jr., Terence R. Pfaff and Winston H. McCarty for the Minority of Public Works and Highways: This bill will allow the destruction of public property for private gain. This is "special interest" legislation at its worst. The heart of this bill is the cutting of public trees on public land to benefit private signs on private land. By allowing the cutting of trees to expose billboards we are giving away a property right that was acquired with state and federal funds - the disposal of any property right acquired with federal funds requires remuneration - SB 630 is silent on this issue. It is also silent on the issue of whether the New Hampshire Constitution prohibits giving away public property for private gain. If passed, SB 630 would take effect sixty days after its passage, thereby allowing the flood gates to open and permit requests for new billboards to enter the process before the "capping" begins. This bill also requires the Commissioner of Transportation to permit the moving of billboards upon request to another legal location, thereby assuring that the current number of billboards will survive in perpetuity. Under the relocation clause of this bill the Commissioner of Transportation will be in the business of licensing billboards rather than permitting sites for billboard locations. New Hampshire citizens are overwhelmingly against cutting trees in front of billboards. In a 1994 University of New Hampshire survey, eighty percent said trees in front of billboards should not be cut. According to a survey done by the Institute for New Hampshire studies at Plymouth State College, 71.5 % of visitors to our state are opposed to billboards along New Hampshire highways. SB 630 IS NOT A COMPROMISE, rather, it is the granting of a special "right to view" to the billboard industry and an opening for other special interests to ask the legislature to grant further special favors in the future.

Amendment (5483L)

Amend the bill by replacing all after the enacting clause with the following:

I New Section; Vegetation Control Permit. Amend RSA 236 by inserting after section 72-a the following new section:

236:72-b Vegetation Control Permit.

I. In this section "immediately adjacent to the highway" means not separated by a road, a significant natural feature such as a river or pond, or another parcel of land from the highway right-of-way.

II. The commissioner shall issue to any person, corporation or other legal entity holding a permit to erect an outdoor, off-premise advertising device under this chapter, a permit for the purpose of trimming, pruning, removing and controlling vegetation located directly in front of a legally permitted advertising device, when the face of such device is immediately adjacent to a state highway right-of-way. Herbicides shall only be used at the direction and approval of the commissioner. The trimming, pruning, removing and controlling of vegetation shall be subject to the following requirements:

(a) The permittee shall submit to the commissioner a landscape plan by a landscape architect depicting the existing and proposed vegetation conditions. The landscape architect shall be employed in a firm that has been placed on a vendor list approved by the commissioner. The commissioner shall, through the adoption of rules, require the permittee to secure a bond to insure that the work performed under this section is in compliance with the landscape plan and the provisions of this section.

(b) The commissioner shall require that for every tree removed, the permittee shall replace such tree with one tree having a minimum trunk diameter of 2 inches measured 4-1/2 feet from the base of the tree. This replanting shall be done at the permittee's expense; and, the location of replanted trees outside of the cleared area, along the same route as the removed trees, shall be determined by the commissioner.

(c) The permittee shall plant vegetation in the cleared area in accordance with the landscape plan approved by the commissioner. The replanted vegetation shall be of a type that will not grow so as to cause a future obstruction of view; and, the permittee shall be responsible for the proper maintenance of the replanted vegetation, and shall be responsible for replacing, during the next planting season, any such vegetation in the event the vegetation dies within 3 years of the initial planting, at the permittee's expense, in accordance with generally accepted good landscape practices.

(d) Any tree planted by the permittee outside of the cleared area under this section that dies within 3 years of being planted shall be replaced during the next planting season at the expense of the permittee.

(e) The area to be cleared shall be bounded as follows: a line from the edge of the sign face closest to the roadway, perpendicular to the roadway; then along the roadway 200 feet to a point and from that point to the edge of the sign farthest from the highway; provided, that in the case of a double-faced sign the distance along the roadway shall not exceed 200 feet in front of any face, or 250 feet total.

(f) No existing vegetation shall be trimmed, pruned, removed or otherwise disturbed in the highway right-of-way at any location where the erection of an outdoor advertising device occurs after the effective date of this section.

III. The commissioner shall implement an oversight procedure as part of the vegetation control permit process to insure that the provisions of this section are enforced. The commissioner shall establish a reasonable vegetation control permit fee associated with the application review and oversight functions.

IV. The commissioner, upon receiving an application, shall permit the removal of an existing outdoor advertising device from its existing location and allow the erection of said device to a subsequent legal location, subject to the provisions of current law; provided, that the removal of the existing advertising device and the erection of the device at the subsequent legal location shall occur within one year of the date of the approved application or said approval shall be void.

V. The commissioner shall not grant subsequent vegetation control permits for a site which has received a permit for vegetation control.

VI. A vegetation control permit issued under this section shall be valid for a period of 18 months from the date of issue and shall not be renewed.

VII. The commissioner of transportation shall adopt rules, pursuant to RSA 541-A, relative to:

(a) Application procedure and criteria for approval of a vegetation control permit issued under this section, including approval of the location of replanted trees, the approval of a landscape plan, and for relocation under paragraph IV of advertising devices.

(b) Procedure and criteria for placing firms on, and removing them from, the approved vendor list under subparagraph II(a).

(c) Oversight procedure under paragraph III.

(d) Vegetation control permit fee under paragraph III.

(e) The procedure for and amount of the bond required under subparagraph II(a).

(f) Any other matter necessary for the administration of this section.

VIII. Any person who violates the provisions of this section shall be guilty of a class B misdemeanor if a natural person, or guilty of a felony if any other person.

2 New Paragraph; Number of Outdoor Advertising Devices Limited. Amend RSA 236:74 by inserting after paragraph IV the following new paragraph:

V. Number Limited. Notwithstanding any other provision of law, no permit for the erection of a new outdoor advertising devise shall be issued following the effective date of this paragraph; except that any permit application which is pending at the time of the effective date of this paragraph shall not be subject to the provisions of this paragraph. This paragraph shall not apply to the moving of existing outdoor advertising devices, as provided for in RSA 263:72-b, IV.

3 Effective Date. This act shall take effect 60 days after its passage.

Reps. Rogers and Jeb Bradley spoke against and yielded to questions.

Reps. Boutin, Hawkins and Guay spoke in favor and yielded to questions.

Reps. Cepaitis, Whalley, and Kurk spoke against.

Reps. DePecol, Avery and Felch spoke in favor.

(Speaker Burns in the Chair)

Rep. Boutin requested a roll call; sufficiently seconded. The question being the adoption of the amendment.

This year, it is with great pleasure that I tell you that it is one of our own, Rep. David Hess.

SPECIAL ORDERS (Cont'd.)

SB 666-FN-A, relative to a multi-jurisdictional fuel tax agreement. OUGHT TO PASS WITH AMENDMENT

Rep. Gene G. Chandler for Public Works and Highways: The original bill deals with New Hampshire becoming a member of the International Fuel Tax Agreement (IFTA) and removing ourselves from the Regional Fuel Tax Agreement (RFTA). Maine, NH and Vermont are presently the three members of RFTA and Maine and VT are joining IFTA, leaving NH the only state in RFTA. Obviously, having only one state in a regional agreement does not make much sense so it is imperative we join IFTA. If we do not join IFTA we have no agreed on way to collect our fuel taxes, and the result would be very costly and disruptive. The negative impact to the highway fund would be some thirteen plus million dollars should we not join IFTA. Even if we do join IFTA the negative impact on the highway fund will be five to five and one half million dollars, and this is a continuing impact that has very serious consequences to our highway fund and our ability to try and keep pace with the ever increasing infrastructure problems. The amendment to the bill deals with collection of the diesel tax (18 cents) at the pump, the same as the tax on gasoline is collected. This new tax collection method will cut the loss to the highway fund by fifty to sixty percent at a minimum, and many feel that the loss will be eliminated totally. This idea of collection at the pump has been proposed before, and both times opposition has arisen from three or four truck stops at our borders, our NH truckers and some state departments. This proposal has the full support of the Commissioner and the Department

of Safety, the NH Motor Transport Association and the NH Department of Transportation. Opposition still remained from the three or four border truck stops even though they acknowledge the state was facing a revenue crises in the highway fund. This bill as amended is not an increase in any tax and is not a revenue enhancement bill. It only attempts to recoup highway fund losses that will occur under the new fuel tax agreements in a fair and consistent manner. Vote 18-0.

Amendment (5642L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the administration of motor vehicle laws pertaining to road tolls, and to a multi-jurisdictional fuel tax agreement.

Amend the bill by replacing all after the enacting clause with the following:

1 Rulemaking; Petroleum Products Added. Amend RSA 21-P:14, V(i) to read as follows:

(i) Licensing of transporters of motor fuels ***and petroleum products***, as authorized by RSA 260:42, I.

2 Rulemaking; Special Fuels. Amend RSA 21-P:14, V(l) and (m) to read as follows:

(l) Licensing of users of [fuels other than motor fuels] ***special fuels***, as authorized by RSA 260:52, V.

(m) [User and motor carrier] ***Special fuel user*** bonds[, as authorized by RSA 260:54].

3 "Regional" Deleted. Amend RSA 21-P:14, VI to read as follows:

VI. The commissioner of safety shall adopt by rule, under RSA 541-A, the [regional] fuel tax agreement and any proposed changes to the [regional] fuel tax agreement that have been adopted by the legally joined jurisdictions to the agreement.

4 New Section; Alternative Energy Sources Defined. Amend RSA 259 by inserting after section 3-b the following new section:

259:3-c "Alternative energy sources" shall mean any source of energy, other than motor fuel, used to propel a motor vehicle over the ways of the state. Alternative energy shall include, but not be limited to, electric motors, storage batteries, solar cells, steam, propane, liquefied natural gas, natural gas, and human or animal power.

5 New Section; Gasoline Defined. Amend RSA 259 by inserting after section 37-a the following new section:

259:37-b Gasoline. "Gasoline" shall means all products commonly or commercially known or sold as gasoline, including casinghead and absorption of natural gasoline, regardless of their classification or uses, and any liquid prepared, advertised, offered for sale, or sold for use as or commonly and commercially used as a fuel in internal combustion engines, which when subjected to distillation in accordance with the standard method of test for distillation of gasoline, naphtha, kerosene, and similar petroleum products (ASTM Designation D-86) show not less than 10 percent distilled (recovered) below 347 degrees Fahrenheit (175 degrees Centigrade) and not less than 95 percent distilled (recovered) below 464 degrees Fahrenheit (240 degrees Centigrade); provided that the term gasoline shall not include commercial solvents or naphthas which distill by ASTM method D-86 not more than 9 percent at 176 degrees Fahrenheit and which have a distillation range of 150 degrees Fahrenheit or less, or liquified gases which would not exist as liquid at a temperature of 60 degrees Fahrenheit and a pressure of 14.7 pounds per square inch absolute.

6 New Section; Heating Oil Supplier Defined. Amend RSA 259 by inserting after section 40 the following new section:

259:40-a Heating Oil Supplier. "Heating oil supplier" shall mean any person, wherever resident or located, who solely sells special fuel for heating purposes.

7 Motor Fuel Redefined. RSA 259:58 is repealed and reenacted to read as follows:

259:58 Motor Fuel. "Motor fuel" shall mean all products used in an internal combustion engine for the generation of power to propel motor vehicles or mechanical contrivances on or over the ways of this state.

8 Gasoline Excepted. Amend RSA 259:103-a to read as follows:

259:103-a Special Fuel. "Special fuel" shall mean [any and] all products, except [motor fuel] ***gasoline, propane, natural gas, or liquified natural gas***, used in an internal combustion engine for the generation of power to propel motor vehicles or mechanical contrivances on or over the ways.

9 Purpose. Amend RSA 260:31 to read as follows:

260:31 Purpose of Subdivision. The purpose of this subdivision is to secure the [gasoline] ***motor fuel*** road toll or any other special charges with respect to the sale or consumption of [fuel or] motor fuels, as specified in ***Part II,*** Article 6-a[, Part 2] of the constitution of New Hampshire.

10 New Paragraph; Licensed Suppliers. Amend RSA 260:32, IV and V to read as follows:

IV. Bulk sales from distributors to the state of New Hampshire or its agencies; [or]

V. Bulk sales from distributors to any city, town, county, school district, or village district***; or***

VI. Licensed heating oil suppliers purchasing special fuel.

11 Motor Fuel Distributor License Application Procedures. Amend RSA 260:36 to read as follows:

260:36 Application for License; [Contents;] Licensing of Distributors. It shall be unlawful for any person to sell or use motor fuel upon which the road toll imposed [herein] and collected [hereunder] ***under this subdivision*** has not been paid, unless [such] ***the*** person is the holder of [an uncancelled] ***a valid*** license to engage in business as a distributor of motor fuels. To procure [such] ***a motor fuel distributor*** license, an application [under penalties of perjury must], ***signed subject to prosecution for unsworn falsification and accompanied by a bond, shall*** be filed with the department in such form as the commissioner may prescribe. [and the application must be accompanied by a bond, or the deposit of cash or government obligations, of the character stipulated in RSA 260:37. If an application is filed by any person whose license was previously cancelled for cause or if in the opinion of the department the application was not filed in good faith, the commissioner shall grant said applicant a hearing, after which he may refuse to issue a license to the applicant. The applicant shall have [5] ***10*** days' notice of the hearing and shall have the right to appear. The application and bond, or cash or government obligations, having been accepted and approved and all other conditions and requirements of this subdivision fully complied with,] ***Once approved,*** the department shall issue a license certificate valid only for the distributor in whose name issued. [Such] ***The*** license shall be unassignable and shall remain in full force and effect until cancelled***, suspended, or revoked***. The department shall furnish [annually] each [licensed] distributor***, monthly,*** a [complete] list of [all] ***current*** licenses issued under this [subdivision, which list shall be supplemented monthly] ***section***.

12 New Sections; Denial of License; Licensed Supplier; Penalties. Amend RSA 260 by inserting after section 36 the following new sections:

260:36-a Denial of License. If an application is filed by any person whose license was previously revoked or suspended for cause or, in the opinion of the department, the application was not filed in good faith, the commissioner shall grant the applicant a hearing, after which the commissioner may issue or refuse to issue the license. The applicant shall have 10 days' notice, by certified mail, of the hearing and shall have the right to appear.

260:36-b Licensed Heating Oil Supplier. Every heating oil supplier solely making sales of special fuel, not subject to the special fuel road toll, shall obtain a license and file an affidavit, on forms prescribed by the commissioner, stating that the supplier's sales are not subject to road tolls. A copy of the license shall be displayed in each place of business of the supplier. The provisions of RSA 260:36-a shall also apply to heating oil suppliers.

260:36-c Penalties. The following persons shall be guilty of a class B misdemeanor if a natural person or guilty of a felony if any other person:

I. Any heating oil supplier who sells special fuel with the knowledge that it will not be used for heating purposes; or

II. Any person who purchases special fuel for heating purposes and uses the fuel for the propulsion of a motor vehicle over the ways of this state; or

III. Any person who purchases special fuel for heating purposes for which the road toll has not been paid and uses the fuel for the propulsion of a motor vehicle over the ways of the state.

13 Bond Amount Changed. Amend RSA 260:37 to read as follows:

260:37 Bond Required of Licensed Distributor.

I.***(a)*** Every distributor shall file with the department a bond:

[(a)]***(1)*** In an amount equal to approximately twice the monthly road toll liability of the distributor, not in excess of [$500,000] ***$1,000,000*** but not less than $10,000, on a form to be approved by the commissioner;

[(b)]*(2)* With a surety company authorized to engage in business with the state as surety thereon;

[(c)]*(3)* Upon which such distributor shall be the principal obligor and the state of New Hampshire shall be the obligee;

[(d)]*(4)* Conditioned upon the prompt filing of true reports and the payment by [such] ***the*** distributor of all motor vehicle road tolls which are imposed and which are to be collected under this subdivision, together with all penalties and interests thereon, and generally upon faithful compliance with the provisions of this subdivision.

(b) Changes in the monthly road toll liability level shall also require the bond amount to be adjusted so as to comply with this section.

(c) Annually, or sooner, the department shall review the distributor's average liability based on the prior 6 months' road toll returns and, if applicable, notify the distributor of the required adjustment in the level of the bond. Failure to comply with the adjustment or to maintain the bond at the required level shall result in the cancellation of the license.

II. Any surety on any bond furnished by any distributor as above provided shall be released and discharged from any and all liability accruing on [such] ***the*** bond after the expiration of 60 days from the date upon which such surety shall have [lodged] ***filed*** with the commissioner a written request to be released and discharged.

III. In lieu of furnishing a bond executed by a surety company, [any] ***a*** distributor may deposit with the state treasurer cash or obligations of the United States or obligations of any federal agency fully guaranteed by the United States or bonds of the state of New Hampshire to the amount of the bond required by this section.

14 Additional Products Used in Gasahol; Director Changed to Commissioner. Amend RSA 260:38, I-III to read as follows:

I. For the purpose of determining the amount of road toll [herein] imposed and to be collected [hereunder] ***under this subdivision***, each distributor shall on or before the twentieth day of each calendar month render a return to the department on forms prescribed and furnished by the [director] ***commissioner***. [Such] ***The*** return shall show the total number of gallons sold and used in the state during the previous calendar month together with such other information as the [director] ***commissioner*** may require for the reasonable administration [hereof] ***of this subdivision***. Each distributor shall accompany [such] ***the*** return with a check payable to the state treasurer for the total amount of road toll shown by such return to be due.

II. The department shall allow, upon proper proof, any losses due to any catastrophe or extraordinary circumstances. A licensed distributor shall report immediately to the road toll administration any losses sustained by [him] ***the distributor*** through fire, accident, or unavoidable calamity, in order that the road toll administration may make [such] ***any*** investigation [as] it may deem necessary. In such cases, the distributor shall not delay reporting [such] ***the*** loss until the filing of the next monthly report [of such distributor]. Failure to report [such] ***any*** losses promptly may result in the refusal of the road toll administration to allow credit for such losses against the distributor's road toll liability.

III. Each person manufacturing alcohol***, ethanol, methanol, or any other product*** within the state of New Hampshire for use in gasohol shall ***obtain a license and***, on or before the twentieth day of each calendar month, render a return to the [director] ***commissioner*** on forms prescribed and furnished by [him] ***the commissioner***. [Such] ***The*** return shall show the total number of gallons [of alcohol] sold to distributors of gasohol, or to persons purchasing [alcohol] ***the product*** for the purpose of resale to [said] ***the*** distributors, together with such other information as the [director] ***commissioner*** may require for the reasonable administration of this subdivision.

15 New Paragraph; Certain Special Fuel Marked. Amend RSA 260:38 by inserting after paragraph V the following new paragraph:

VI. Special fuel sold by a distributor on which the New Hampshire road toll fees have not been paid shall have dye and markers added to it at or before the time of withdrawal at a terminal or refinery rack. At the option of the supplier, the dye and markers added may be either:

(a) Dye and markers required to be added pursuant to United States Internal Revenue Service requirements; or

(b) Dye with specifications and amounts as required by the department.

16 Suspension and Revocation Added; Director Changed to Commissioner. Amend RSA 260:39 to read as follows:

260:39 Power to ***Suspend, Revoke, or*** Cancel Licenses; Surrender of Bond.

I. If a distributor [shall] ***fails to maintain an active bond, as required by RSA 260:37, or*** at any time [file] ***files*** a false monthly report [of the data or information], or [shall] willfully [fail, neglect, or refuse] ***fails, neglects, or refuses*** to file the monthly report [required by this subdivision], or to pay the full amount of the road toll as required by this subdivision, the [director] ***commissioner***, after 10 days' written notice by certified mail directed to the last known address [of such distributor] appearing on the files of the department [fixing].

(a) Shall fix a time and place at which [such] ***the*** distributor may appear and show cause why [his] ***such*** license should not be [cancelled] ***suspended or revoked***; ***or***

(b) May [cancel] ***suspend or revoke*** the license [of said distributor and], ***in which case the commissioner*** shall notify [said] ***the*** distributor in writing of [such cancellation] ***the suspension or revocation*** by certified mail [to such last known address of such distributor]. Any distributor whose license shall have been [cancelled] ***suspended or revoked*** by the [director] ***commissioner*** may, within 30 days from the date of such [cancellation] ***suspension or revocation***, make application in the nature of an appeal to the governor and council.

II. Upon receipt of a written request from any distributor to cancel the license issued to [such] ***the*** distributor, the [director] ***commissioner*** shall have the power to cancel [such] ***the*** license effective 60 days from the date of the receipt of [such] ***the*** written request[, but no such]. ***No*** license shall be cancelled [upon the request of any distributor until and] unless the distributor shall, prior to the date of [such] ***the*** cancellation, have paid all road tolls payable [under the laws of the state], together with [any and] all penalties[,] ***and*** interest [and fines] accruing under [any of] the provisions of [such laws] ***this subdivision*** and until [and unless] the distributor shall have surrendered to the [director the] ***commissioner its*** license certificate [theretofore issued to such distributor]. If, upon investigation, the department shall find that any person to whom a license has been issued is no longer engaged in the sale of motor fuel as a distributor, and has not been so engaged for a period of 6 months, the [director] ***commissioner*** shall have the power to cancel such license by giving [such] ***the*** person 60 days' notice of [such] cancellation mailed to the last known address of [such] ***the*** person, in which event the license certificate [theretofore] issued to [such] ***the*** person shall be surrendered to the department.

III. In the event that the license of any distributor shall be cancelled by the [director] ***commissioner*** as [hereinbefore] provided, ***in this section*** and in the further event that [said] ***the*** distributor shall have paid all road tolls due [and payable by him], together with [any and] all penalties ***and interest*** accruing under any of the provisions of this subdivision, the [director] ***commissioner*** shall cancel and surrender the bond [or], cash, or securities [theretofore] filed by [said] ***the*** distributor. [The department shall promptly notify all licensed distributors in the state of any such cancellation.]

17 Penalties. Amend RSA 260:40 to read as follows:

260:40 Penalty for Failure to Report or Pay Tolls Promptly.

I. When any distributor shall fail to file [his] ***a*** monthly report with the department at the time fixed in this subdivision, refuse to submit the data required by RSA 260:38, or fail to pay the amount of road tolls due when [the same] ***they*** shall be payable, a penalty of 10 percent shall be added to the amount of the road tolls due, or if no road toll is due, a penalty of $1 [a] ***per*** day shall be assessed. [Said] ***Such*** penalty shall immediately accrue, and thereafter the overdue road tolls and the penalty shall bear interest [at the rate as established by the Internal Revenue Service effective on the first business day of the calendar year. To this rate shall be added 2 percent. In determining the monthly rate, that figure shall be rounded off to the nearest quarter percent] ***as specified in RSA 260:40-a***.

II. Any manufacturer of alcohol ***or any other product used in gasahol*** who fails to file a return with the [director] ***commissioner*** as required by RSA 260:38, III shall be assessed a penalty of $50 for each return not [so] filed. This penalty shall immediately accrue and shall bear interest [at the rate as established by the Internal Revenue Service effective on the first business day of the calendar year. To this rate shall be added 2 percent. In determining the monthly rate, that figure shall be rounded off to the nearest quarter percent] ***as specified in RSA 260:40-a***.

III. The [director] ***commissioner*** is authorized to waive any penalty [or interest] assessed under this section when it is proved to [his] ***the commissioner's*** satisfaction that the failure to file the monthly report or pay the road tolls on time was not willful.

18 New Section; Interest. Amend RSA 260 by inserting after section 40 the following new section:

260:40-a Interest. For the purpose of this subdivision, interest shall be the rate established by the International Fuel Tax Agreement (IFTA).

19 Director Changed to Commissioner. Amend RSA 260:41, I and II to read as follows:

I. Whenever [any] ***a*** distributor shall neglect or refuse to file any report [for any calendar month] as required [hereby] or shall file an incorrect or fraudulent report, the [director] ***commissioner*** shall determine after an investigation the number of gallons of motor fuel [with respect to] ***for*** which the distributor has incurred liability and [fix] ***determine*** the amount payable by the distributor [accordingly]. The [director] ***commissioner*** shall [forthwith certify the amount so fixed to the attorney general for collection by him] ***proceed to collect the amount due***.

II. In any action or proceeding for the collection of the road toll or any penalties or interest imposed [in connection therewith] ***under this subdivision***, an assessment [thereof] by the [director] ***commissioner*** shall constitute prima facie evidence of the claim of the state, and the burden of proof shall be upon the [distributor] ***licensee*** to show that the assessment was incorrect and contrary to law.

20 Director Changed to Commissioner. Amend RSA 260:42 to read as follows:

260:42 Motor Fuel and Petroleum Products Transporter.

I. Every person not registered as a distributor who transports motor fuel ***or products subject to the fees stipulated in RSA 146-A,*** to a point or points within the state from a point or points outside the state, every common carrier or contract carrier who [so] transports motor fuel ***or petroleum products,*** and every licensed distributor who transports motor fuel ***or petroleum products*** exclusive of [his] ***the carrier's*** own product shall be licensed with the [director] ***commissioner*** as a motor fuel ***and petroleum products*** transporter. [In addition, transporters who are engaged in the transportation of any product subject to the fees stipulated in RSA 146-A shall also be licensed.]

II. A transporter's license may be [procured] ***obtained*** by filing an application with the [director, under penalties of perjury] ***commissioner***, on such form as [he] ***the commissioner*** may prescribe. ***Falsification of the application shall be subject to prosecution for unsworn falsification.***

III. The [director] ***commissioner***, after giving notice and opportunity for a hearing, may refuse to issue a transporter's license to any person who previously had a transporter's license [cancelled] ***suspended or revoked*** for cause or whose application the [director] ***commissioner*** believes was not filed in good faith.

IV. The [director] ***commissioner*** shall issue a license certificate when the application has been accepted and approved, and all other conditions and requirements of this subdivision have been fully complied with. The license shall be valid only for the transporter in whose name it is issued. The license shall not be assignable and shall remain in full force and effect until cancelled, ***suspended, or revoked***.

V. The transporter shall report to the [director] ***commissioner*** on forms prescribed by [him] ***the commissioner***, not later than the twentieth of the succeeding calendar month, [under penalties of perjury] ***subject to prosecution for unsworn falsification***, all deliveries of motor fuel ***and petroleum products*** made to points within the state during the previous calendar month. Such reports shall contain sufficient information to identify the quantities delivered, the consignor, the consignee and such additional information as the [director] ***commissioner*** may require. A [negative] report shall be filed for any month in which no activity occurs. Information required pursuant to this paragraph which has been deemed confidential or as to which a request for confidential treatment is pending shall not be shown to or reviewed by any person other than [such] ***the*** employees of the department who have a legitimate need to know [such] ***the*** information for the purposes of enforcement of this subdivision, or fuel tax officials of another state as required by RSA 260:56, I, in which case [such] ***the*** officials shall be required by the [director] ***commissioner*** to agree to a similar limitation on disclosure before such information is furnished.

VI. Any person who fails, neglects, or refuses to file the monthly report required by this [subdivision] ***section*** shall be assessed a penalty of $50. [Said] ***Such*** penalty shall immediately accrue and shall bear interest [at the rate as established by the Internal Revenue Service effective on the first business day of the calendar year. To this rate shall be added 2 percent. In determining the monthly rate, that figure shall be rounded off to the nearest quarter percent] ***as specified in RSA 260:40-a.***

VII. The [director] ***commissioner*** is authorized to waive any penalty [or interest] when it is proved to [his] ***the commissioner's*** satisfaction that the failure to file a monthly report on time was not willful.

VIII. The [director] ***commissioner*** may require transporters to report products other than motor fuel ***and products subject to the fees in RSA 146-A.*** In such instance, [he] ***the commissioner*** shall notify existing transporters no less than 30 days in advance of imposing such requirement.

21 Petroleum Products Added. Amend RSA 260:43 to read as follows:

260:43 Retention of Records by Distributors and Transporters. Each distributor and transporter shall maintain and keep for a period of 4 years such records of motor fuel ***and petroleum products*** sold and distributed or otherwise disposed of within this state, together with invoices, bills of lading, and other pertinent records and papers as may be necessary for the reasonable administration of this subdivision.

22 Section Revised. Amend RSA 260:45 to read as follows:

260:45 Discontinuance or Transfer of Business; Penalty.

I. Whenever a distributor ceases to engage in business as a distributor within the state by reason of the discontinuance, sale, or transfer of the business [of such distributor], it shall be the duty of [such] ***the*** distributor to notify the commissioner in writing at least 10 days prior to the time the discontinuance, sale, or transfer takes effect. [Such] ***The*** notice shall give the date of discontinuance and, in the event of a sale or transfer of the business, the date [thereof] and the name and address of the purchaser or transferee thereof. All road tolls not yet due and payable shall, together with [any and] all interest accruing or penalties imposed, notwithstanding any other provisions of this subdivision, become due and payable concurrently with [such] ***the*** discontinuance, sale, or transfer, and it shall be the duty of [any such] ***the*** distributor, concurrently with [such] ***the*** discontinuance, sale, or transfer, to make a report and pay all [such] road tolls, interest, and penalties, and to surrender to the department the license certificate [theretofore] issued to [him] ***the distributor.***

II. Unless the notice [above] provided for ***in paragraph I*** shall have been given to the department [such], ***the*** purchaser or transferee shall be liable to the state for the amount of all road tolls, penalties, and interest under this subdivision accrued against any such distributor so selling or transferring [his] ***the distributor's*** business, on the date of such sale or transfer, but only to the extent of the value of the property and business thereby acquired from [such] ***the*** distributor.

23 Amend RSA 260:47 to read as follows:

260:47 Refunds.

I. Any person who shall use any motor fuel, [with respect to] ***upon*** which the road toll has been paid[, in any way other than in motor vehicles for the purpose of generating power for the propulsion thereof upon a way, or the state of New Hampshire or its agencies or any city, town, county, school district or village district which purchases motor fuel from a retail dealer and which uses such motor fuel in its own vehicle, shall be entitled to a refund to the extent of the amount of said toll so paid with respect to such motor fuel;] ***to the state of New Hampshire, shall be entitled to a refund to the extent of the amount paid, under the following conditions:***

(a) The fuel was used in any other way than generating power in an internal combustion engine while traveling on the ways;

(b) Road tolls paid by the state of New Hampshire, its agencies, or any city, town, county, school district, or village district which uses the motor fuel in its own vehicles; provided, however, that no person, except an organized club of OHRVs, shall be entitled to a refund for an amount less than $10. For the purposes of this section, a school district shall be deemed to be using motor fuel in its own vehicles if it qualifies as an owner of the vehicle under RSA 259:72. The right to receive any refund under this section shall not be assignable and any

assignment thereof shall be void. Provided, however, members of an organized club for OHRV users may assign individual rights to a refund under this section to their respective clubs for the expansion and maintenance of club trails. With the exception of refunds made to OHRV clubs, and refunds made to school districts as hereinafter provided for fuel consumed by private school buses when used exclusively to transport pupils to and from public schools or public school activities by virtue of a contract with a municipality, municipal board, or school board authorities, no payment of any refund shall be made to any person other than the original person entitled to it and using [or selling] motor fuel as set forth in this paragraph; and provided further, the OHRV of the user shall be registered for OHRV use in New Hampshire to be eligible for the road toll refund under this section.

II. Any public school district which employs the owner of a private school bus or school bus line [while being used exclusively to transport pupils to and from public schools or public school activities by virtue of a contract with the municipality, municipal board, or school board authorities] shall be entitled to a refund [to the extent of] ***on*** the amount of road toll paid [with respect to motor fuel consumed] by [such] ***the*** private school bus or school bus line while being used exclusively to transport pupils to and from public schools or public school activities by virtue of a contract with the municipality, municipal board, or school board authorities; provided, however, that no school district shall be entitled to a refund for an amount less than $10 and no payment of any refund shall be made to any person other than the public school district entitled to it [and using motor fuel as set forth in this paragraph]. ***The entitlement to a refund shall not include a refund on any penalties or interest paid by the contractor. The application for refund filed by the school district shall be accompanied by documentary evidence as the commissioner may require.***

III. Any person who shall be entitled to a refund of the road toll [with respect to any motor fuel under the provisions of this subdivision] ***paid*** shall be reimbursed [to the extent of] the amount of the road toll paid [on such motor fuel in the following manner and] subject to the following conditions:

(a) All applications for refunds shall be made [under penalties of perjury] ***subject to prosecution for unsworn falsification pursuant to RSA 641:3*** and shall be filed with the department no later than the deadline for filing with the federal government for refund of the federal excise taxes on fuel. This filing deadline may be waived by the commissioner for just cause for agencies of political subdivisions within the state. [Such] ***The*** waiver shall not be granted to any such agency more often than once in 3 years.

(b) [Such] ***The*** application shall be in [such] ***a*** form as the department shall prescribe and shall contain such information as [shall] ***required to*** give the commissioner a full and complete basis for determining the validity of the claim.

(c) [Such] ***The*** application shall be accompanied by an invoice showing [such] ***the*** purchase, together with evidence of payment of the invoice satisfactory to the commissioner.

(d) The provisions of RSA 260:44, relative to inspection of records and hearings, shall apply to this subparagraph if so determined by the commissioner or the commissioners.

IV. When the above conditions have been fully complied with and ***when, after investigation,*** the commissioner is satisfied[, after investigation,] that the claim is valid, [he] ***the commissioner*** shall determine the amount of the refund due on [such] ***the*** application, and shall certify [such] ***the*** amount and the name of the person entitled to the refund to the state treasurer. The person entitled to a refund of the road toll paid by the owner of a private school bus or school bus line shall be the public school district contracting with the owner of the private bus or line, and [such] ***the*** public school district shall receive the refund [moneys] from the state treasurer as additional revenue to pay for the expenditures enumerated in RSA 198:2. [The state treasurer shall thereupon make such certified refund from said road tolls.]

V. Any diplomatic or consular personnel certified by the United States Department of State as eligible for an exemption from taxes on motor fuel on the basis of reciprocity shall be entitled to apply for a refund as provided in this section, provided, however, that [such] ***the*** personnel shall be entitled to a refund regardless of whether or not it is less than $10.

24 Perjury Language Changed; Director Changed to Commissioner. Amend RSA 260:48, II-IV to read as follows:

II. All applications for refunds [must] ***shall*** be made [under penalties of perjury] ***subject to prosecution for unsworn falsification*** and shall be made semi-annually within 90 days after June 30 and December 31
respectively.

III. [Such] ***The*** application shall be in such form as the commissioner shall prescribe and shall be accompanied by a statement from the distributor[, supplier or wholesaler] of the gross purchases of motor fuel made by [said] ***the*** dealer during the 6-month period.

IV. The above conditions having been fully complied with, the commissioner shall calculate the amount of the refund due on [such] ***the*** application and shall certify [such] ***that*** amount and the name of the person entitled to the refund to the state treasurer. [The state treasurer shall thereupon make such certified refund from said road tolls.]

25 Change Commission to Commissioner. Amend RSA 260:49 and 50 to read as follows:

260:49 Transit Carriers. In addition to the provisions of RSA 260:47 and 260:48 any carrier, excepting privately owned school buses, granted a certificate of public convenience and necessity or public interest permit by the [public utilities commission] ***commissioner*** authorizing regularly scheduled transportation service, at least 90 percent of which service, determined in miles, is furnished within the limits of one incorporated city or town in this state and in motor vehicles designed to transport 12 or more passengers, shall be entitled to a refund of road tolls as provided [herein] ***in this subdivision***. [Said] ***The*** refund shall be for an amount representing the percentage, computed on a calendar month basis, which the total miles operated over regularly scheduled routes by [such] ***the*** carrier in [such] motor vehicles entirely within the limits of [such] ***the*** city or town is of the total miles operated by [such] ***the*** carrier throughout its system. The procedure for such refund shall be the same as that provided under RSA 260:47, [II and] III ***and IV***.

260:50 Refund of Tolls Erroneously or Illegally Collected.

I. If the commissioner decides that any road tolls or interest or penalties have been erroneously or illegally collected from any distributor, [such] ***the*** distributor shall be entitled to a refund thereof, or [such] ***the*** amount may be deducted from any subsequent return.

II. No refunds or deductions shall be made under the provisions of this section unless a written statement [under penalties of perjury], ***signed subject to prosecution for unsworn falsification,*** setting forth the circumstances [by reason of which such refund or deduction shall be allowed] shall be filed with the department within 4 years from the date of payment of road tolls illegally or erroneously collected. Errors in making a return may be corrected on any subsequent return with proper explanation.

26 Special Fuel Toll Imposed. RSA 260:52, I is repealed and reenacted to read as follows:

I. All users of special fuel who travel exclusively (intrastate) on the ways of the state of New Hampshire shall use only special fuel on which the supplier has prepaid the New Hampshire road toll fees. Vehicles powered by special fuels having a gross registered weight in excess of 26,000 pounds or having 3 or more axles regardless of weight that travel on the ways of New Hampshire that also travel in any other state, province, or other IFTA jurisdiction shall meet the licensing and reporting requirements of the International Fuel Tax Agreement (IFTA).

27 Type of Equipment Exempted Specified. Amend RSA 260:52, III to read as follows:

III. The provisions of RSA 260:52 shall not apply to or affect [special mobile equipment]*:*

(a) Vehicles owned by the federal government, the state, a city, town, county, village, or school district.

(b) Diplomatic or consular personnel certified by the United States Department of State as eligible for an exemption.

(c) Special mobile equipment as defined in RSA 259:105.

(d) Recreation vehicles as defined in RSA 259:84-a.

28 Application; License Expiration. RSA 260:52, V is repealed and reenacted to read as follows:

V. Every user of special fuel who is required to obtain an International Fuel Tax Agreement (IFTA) license under RSA 260:52, I shall make application for each vehicle on such forms as the commissioner may prescribe. Licenses shall expire on December 31 of each year, and shall be issued at a fee of $10 per vehicle.

29 Special Fuel Users; Paragraph Revised. Amend RSA 260:52, VI to read as follows:

VI. The department may grant a temporary authorization to drive a vehicle propelled by special fuel when, in the commissioner's judgment, it would be feasible. The fee for [such] an authorization shall be based on the approximate toll that would be due but shall be not less than $5 for each authorization. The commissioner may adopt ***rules,*** pursuant to RSA 260:5, [such rules] as [he] ***the commissioner*** may deem necessary to carry out the provisions of this paragraph.

30 Special Fuel Users; Paragraphs Revised. Amend RSA 260:52, VIII-X to read as follows:

VIII. Any user who has been issued a [user's] license in the form of a decal by the department ***or the user's base state***, [or any agent or employee of such a user,] who fails to display [such] ***the*** decal [conspicuously in such location on the outside of the vehicle] as the commissioner may prescribe [until such time as said user's license shall expire or be cancelled] shall be guilty of a violation.

IX. [Any] ***A*** user, or any agent or employee of [any] ***a*** user, who consumes [such] ***special*** fuel in a motor vehicle over the ways of this state when [such] ***the*** user is not the holder of [an uncancelled] ***a required valid*** license, [or] has not been granted temporary authorization [to drive], ***or who uses dyed fuel in the tank of the vehicle used to propel the vehicle*** shall be guilty of a violation. Upon conviction for a first offense, [such] ***the*** user, agent or employee shall, notwithstanding the provisions of title LXII, be fined not more than $500. Upon conviction based upon a complaint which alleges that such person was driving after license [cancellation] ***suspension or revocation,*** or based upon a complaint which alleges that such person has had one or more prior convictions within the 12-month period preceding the date of the second or subsequent offense, if said conviction or convictions are proven, such user, agent or employee shall, notwithstanding the provisions of title LXII, be fined not less than $250 nor more than $1,000.

X. Notwithstanding the provisions of RSA 594:10 and RSA 594:14, a summons may be served on the owner or lessee of any vehicle driven in violation of this subdivision by delivering [said] ***the*** summons in hand to any person driving [said] ***the*** vehicle, and the driving of [such] ***the*** vehicle with the express or implied consent of [such] ***the*** owner or user shall be deemed equivalent to an appointment by such owner or user of the driver to be [his] ***the*** true and lawful agent upon whom may be served [such] ***the*** summons in any action against [him] ***the owner or user*** arising out of a violation of this subdivision.

31 Alternate Energy-Powered Vehicles; Tolls Prepaid. RSA 260:52, XVIII is repealed and reenacted to read as follows:

XVIII. Each New Hampshire registered vehicle powered by alternate energy sources shall be required to prepay road toll fees at the time of registration of the vehicle. The toll for a full 12-month year shall be twice the registration fee for a full year. The toll for a period of less than a full year shall be prorated in the same manner as vehicle registrations are prorated under RSA 261:141. Any person who shall drive or cause to be driven a motor vehicle in violation of the provisions of this paragraph shall be guilty of a violation.

32 Change Cancel to Suspend or Revoke. Amend RSA 260:54-a to read as follows:

260:54-a Power to [Cancel] ***Suspend or Revoke*** Licenses. If a ***special fuel*** user at any time files a false quarterly report of the data or information required by this subdivision or willfully fails, neglects, or refuses to file the quarterly ***or annual*** report [required by this subdivision] or to pay the full amount of the road toll as required by this subdivision, the commissioner, after 10 days' written notice by certified mail directed to the last known address of [such] ***the*** user appearing on the files of the department fixing a time and place at which such ***the*** user may appear and show cause why [his] ***the*** license should not be [cancelled] ***suspended or revoked***, may [cancel] ***suspend or revoke*** the license of [said] ***the*** user and shall notify [said] ***the*** user in writing of [such cancellation] ***the suspension or revocation*** by certified mail to [such] ***the*** last known address of [such] ***the*** user. Any user whose license shall have been [cancelled] ***suspended or revoked*** by the commissioner may, within 30 days from the date of [such cancellation] ***the suspension or revocation***, make application in the nature of an appeal to the superior court.

33 Section Revised; Grievance Procedure Deleted. Amend RSA 260:56 and 57 to read as follows:

260:56 Furnishing of Information.

I. The department shall, upon request duly received from the officials to whom are entrusted the enforcement of the motor fuel tax laws of any other state, forward to such officials any information which [said] ***the*** department may have in its possession relative to the sale, transportation, or shipment by any person of motor fuel into [such] ***the*** other state.

II. The department upon request shall furnish information to any person as to the total gallonage of motor fuel [or fuels] imported, produced, exported, or sold for use in the state together with the total amount of road toll paid, by any distributor or user during any month.

260:57 Rules. The commissioner shall adopt pursuant to RSA 260:5 and publish all rules necessary for the enforcement of this subdivision. [Anyone aggrieved by any rule may apply to the commissioner for a public hearing respecting same and the commissioner shall within 5 days fix the date for such hearing and if, upon the hearing, the rule is not abrogated or suitably amended to remove the cause for complaint, appeal may be taken pursuant to RSA 541. The commissioner is authorized to avail himself of the services of the state police and highway enforcement officers in enforcing this subdivision, and it shall be the duty of the state police and highway enforcement officers to comply with requests of the commissioner reasonably calculated to assist in the enforcement of this subdivision.]

34 Provision on Statutory Lien Powers Revised. Amend RSA 260:63, I to read as follows:

I. Where any road toll or other fees or charges imposed under this subdivision are not paid and due as prescribed by this subdivision, the amount including interest, together with the costs that may accrue in addition thereto, shall become a lien in favor of the state of New Hampshire upon all property and rights to property, whether real or personal, including vehicles belonging to any person upon whom [such] ***the*** road toll or fees are imposed, as follows:

(a) [Such] ***The*** lien shall arise at the time [such] ***the*** road tolls or fees are due pursuant to this subdivision and shall continue until the liability for [such] ***the*** sum, together with interest and costs, is satisfied or becomes unenforceable.

(b) [Such] ***The*** lien shall be valid against any subsequent mortgagee, pledgee, purchaser, or judgment creditor when notice of [such] ***the*** lien and the sum due has been filed by the road toll administration as [herein] provided ***in this section***. In the case of any prior mortgage on real or personal property so written as to secure present debt and also future advances by the mortgagee to the mortgagor, the lien [herein] provided ***for in this section***, when notice thereof has been filed in the proper office, shall be subject to such prior mortgage unless the road toll administration also notifies the mortgagee of the recording of such lien in writing, in which case any indebtedness thereafter created from mortgagor to mortgagee shall be junior to the lien [herein] provided for ***in this section***.

(c) Notice of [said] ***the*** lien shall be provided to the person upon whom [such] ***the*** road toll or fees are imposed by certified mail sent to the person's residence or principal place of business. The notice shall advise the person of the right to seek an administrative hearing pursuant to RSA 260:44 relative to the imposition of [such] road [toll] ***tolls*** or fees within 14 days of the receipt of [such] ***the*** notice. Upon expiration of 14 days if no hearing is requested or after a hearing if a hearing is requested, the commissioner shall issue a decision determining the amount of road tolls or fees plus interest and costs due to the state.

35 Revision of Notice Provision. Amend RSA 260:63, II(a) to read as follows:

(a) In the case of personal property subject to the lien, except vehicles, [such] ***the*** notice shall be filed with the clerk of the town or city in which the property is situated;

36 Subdivision Heading Amended. Amend the subdivision heading preceding RSA 260:65-b to read as follows:

[Regional] Fuel Tax Agreement

37 "Regional" Deleted. Amend RSA 260:65-b to read as follows:

260:65-b [Regional] Fuel Tax Agreement Authorized. The commissioner is hereby authorized, pursuant to RSA 21-P:14, VI, to execute all documents and perform all other acts necessary to enter into and carry out the provisions of a multi-jurisdictional [regional] fuel tax agreement[, to be known as the regional fuel tax agreement]. The commissioner may adopt such rules as are necessary to enforce the terms of this agreement, which shall be exempt from the provisions of RSA 541-A and shall have the effect of law, and which shall provide for each of the member states to collect fuel taxes and perform audits on behalf of the other member states. Nothing in this section shall be construed to authorize the adoption of rules which alter any existing or establish any new taxes, fees, penalties, or interest charges; provided, however, that the rules may include taxes, fees, penalties, or interest charges which are otherwise provided for by the laws of this state.

38 "This" Changed to "The." Amend RSA 260:65-c, II to read as follows:

II. The commissioner may withdraw from [this] ***the*** compact by official written notice to all member jurisdictions, but a withdrawal shall not take place until at least 2 full calendar quarters after notice of withdrawal is given. The notice shall be directed to the compact administrator of each member jurisdiction, and the commissioner shall also notify each licensee of the withdrawal at least one full calendar quarter prior to the withdrawal.

39 New Subparagraph; Rulemaking Exempt From RSA 541-A Provisions. Amend RSA 541-A:21, I by inserting after subparagraph (s) the following new subparagraph:

(t) RSA 260:65-b, relative to the multi-jurisdictional fuel tax agreement.

40 Construction. Sections 35-38 and paragraph XI of section 39 of this act shall be construed so as to permit the commissioner of safety either to effectuate the state's entry into the international fuel tax agreement or to maintain the state's participation in the multi-jurisdictional fuel tax agreement under RSA 260:65-b. If the state becomes a member of the international fuel tax agreement, any provisions of RSA 260 which relate to the weight or type of vehicle taxable under the multi-jurisdictional fuel tax agreement and which conflict with the international fuel tax agreement shall be superseded by the international fuel tax agreement provisions.

41 Repeal. The following are repealed:

I. RSA 21-P:14, II(t), relative to special fuel waivers.

II. RSA 259:2, relative to the administration of the interstate bus compact.

III. RSA 259:37, relative to the definition of fuel.

IV. RSA 260:52, XI, relative to pleasure vehicles which use special fuels.

V. RSA 260:52, XI-a, relative to pleasure-type vehicles driven by a member of the armed forces.

VI. RSA 260;52, XI-b, relative to diplomatic or consular personnel.

VII. RSA 260:52, XII, XIII, and XIII-a, relative to special fuels.

VIII. RSA 260:52-a, relative to refunds to school districts.

IX. RSA 260:54, relative to special fuel user's bonds.

X. RSA 260:66, relative to the compact on taxation of motor fuels consumed by interstate buses.

XI. RSA 260:65-c, III, relative to the compact being known as the regional fuel tax agreement.

42 Effective Date.

I. Sections 3, 36-39, and paragraph XI of section 41 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill deletes the term "regional" from references to the regional fuel tax agreement under RSA 260, and authorizes the commissioner of safety to either effectuate the state's entry into the international fuel tax agreement or to maintain the state's participation in the multi-jurisdictional fuel tax agreement under RSA 260.

This bill also redefines terms and makes changes relative to the administration of motor vehicle laws pertaining to road tolls, and transfers certain administrative duties from the director to the commissioner.

This bill is a request of the department of safety.

SB 651, relative to taxes on simulcast dog racing and establishing a committee to examine certain aspects of the pari-mutuel industry. OUGHT TO PASS WITH AMENDMENT

Rep. Stephen G. Avery for Regulated Revenues: This bill changes how taxes are calculated for simulcast and live dog races for fiscal year 1997 and establishes a committee to examine certain aspects of the pari-mutuel industry. The amendment takes the state's share of breakage monies and sends it to increase the purses of live thoroughbred racing. The committee must report its findings by November 1, 1996, and the tax calculations sunset as of June 30, 1997. Vote 13-0.

Amendment (5493L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to taxes on simulcast dog racing, establishing a committee to examine certain aspects of the pari-mutuel industry, and redistributing breakage for running horse races.

Amend the bill by replacing all after section 7 with the following:

8 Breakage Redistributed. Amend RSA 284:22, I to read as follows:

I. The commission on all win, place and show pari-mutuel pools at tracks or race meets at which running horse races are conducted for public exhibition shall be uniform throughout the state at the rate of 19 percent of each dollar wagered in such pools, and the commission on all other pari-mutuel pools at such tracks or race meets shall be at the rate of not less than 26 percent of each dollar wagered in such pools and not more than 27 percent of each dollar wagered in such pools as determined from time to time by the licensee which conducts live running horse races after written notice to the commission and, in the absence of written notice, at the rate of 26 percent of each dollar wagered in such pools. Except as provided in RSA 284:22-a, the amount of the purse at such tracks or race meets at which running horse races are conducted shall be 8-1/4 percent of each dollar wagered in all pari-mutuel pools, said 8-1/4 percent to be paid by the licensee out of the commission on such pools. In addition to the above commission, 1/2 of the odd cents of all redistribution based on each dollar wagered exceeding a sum equal to the next lowest multiple of 10 (except, with simulcast wagering, in cases where the licensee pays out more than the total amount in the pool, the lowest multiple of 5 shall be used), known as "breakage," shall be retained by the licensee, and the balance of such breakage shall be paid to the [state treasury for the use of the state in accordance with the provisions of RSA 284:2. During the calendar years 1995, 1996 and 1997, 3/4 of the breakage shall be paid to the state and 1/4 of the breakage shall be retained by the licensee, unless the payment by the licensee set forth in RSA 284:23, I(b) is made to the state. In such event, 1/2 of the breakage shall be retained by the licensee and 1/2 of the breakage shall be paid to the state.] ***pari-mutuel commission. The pari-mutuel commission shall distribute such breakage to the licensee which conducts live thoroughbred horse racing to supplement purses of live thoroughbred races.*** Each licensee shall pay the tax provided for in RSA 284:23.

9 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill:

(1) Changes how taxes are calculated for simulcast and live dog races for fiscal year 1997 for certain dog tracks which engage in simulcasting.

(2) Establishes a committee to examine certain aspects of the pari-mutuel industry. The committee shall report its findings on or before November 1, 1996.

(3) Changes how the purse is distributed for certain running horse races.

SB 665-FN, relative to liquor licenses for a sports/entertainment complex. OUGHT TO PASS

Rep. Stephen G. Avery for Regulated Revenues: This bill creates a new category of liquor license. It will allow liquor to be sold in the new sports/entertainment complex in Durham and any new similar entities that emerge in the future. The bill also prohibits the sale of alcohol at any interscholastic event that is held there, and prohibits the sale of alcohol in the stadium seating during intercollegiate athletic events. Vote 10-3.

Rep. Melcher requested a quorum count. The Speaker declared a quorum present.

Reps. Melcher and Lovett spoke against.

Rep. McGuirk spoke against and yielded to questions.

Rep. Bergeron requested a quorum count. The Speaker declared a quorum present.

Reps. Reynolds and Avery spoke in favor and yielded to questions.

Rep. Melcher requested a roll call; sufficiently seconded. The question being the adoption of the report.

SB 621-FN-L, regulating the use of heating, agitating, and other devices in public waters. OUGHT TO PASS WITH AMENDMENT

Rep. Howard C. Dickinson, Jr. for Resources, Recreation and Development: The amendment to SB 621 changes the title of the bill to read "relative to the dam safety program in the department of environmental services and making an appropriation therefor." Senator Johnson, the sponsor of SB 621, has agreed to this change which represents the reinstatement of the dam inspector position which was taken out of the budget last year. Furthermore, the committee supports the policy that DES be required to complete the Emergency Action Plans of all high hazard (Class B and C) dams owned by the State within three years. While we understand that these changes could be made with the approval of the Fiscal Committee, the Resources Committee feels strongly that these proposals should be policy driven. Vote 13-2.

Amendment (5614L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the dam safety program in the department of environmental services and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose.

I. The general court finds that the breach of the Meadow Pond Dam in March 1996 has focused attention on the state's dam safety program. The state's dam safety program, administered by the department of environmental services, is comprised of 4 components:

(a) Dam maintenance;

(b) Dam safety inspection;

(c) Development of emergency action plans for all high hazard dams; and

(d) Public outreach to educate dam owners and municipal officials concerning dam safety.

II. The general court further finds that the department of environmental services has established aggressive goals to complete dam inspections of class B and class C dams. In 1988 rules were adopted by the department requiring that all class B and class C dams, both state and privately owned, have emergency action plans. Since 1988 emergency action plans have been developed for nearly half of the class B and class C dams in the state. The general court also finds that the dam inspection program has effectively provided regular inspections and has required significant maintenance work to be done on certain dams in disrepair.

III. Notwithstanding the progress to date, it is the intent of the legislature to provide additional resources to the department's dam safety program, to ensure that all class B and class C dams are inspected in a timely manner, to expedite the completion of emergency action plans for all state-owned class B and class C dams within the next 3 years, and to provide adequate staff to ensure that there are emergency action plans in place for all other class B and class C dams.

2 Transfer of Positions Within Department of Environmental Services. Civil engineer IV, position number 30249, and civil engineer V, position number 12025, are transferred from PAU 03, 04, 03, 02, 01 to PAU 03, 04, 02, 01.

3 Department of Environmental Services; Supplemental Appropriation. In addition to any other sums appropriated to PAU 03, 04, 02, 01, the following sums are hereby appropriated to the following classes for the fiscal year ending June 30, 1997. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated:

10 Personal services - permanent	$ 74,198
60 Calculated benefits	$ 23,001
92 Emergency action plans *	$ 500,000

* These funds shall not lapse until June 30, 1999.

4 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill transfers positions within the department of environmental services for the purposes of the dam safety program. The bill makes an appropriation to the department to expedite the completion of emergency action plans for all class B and class C dams.

Adopted.

Report adopted and referred to Finance.

SB 533, prohibiting the recovery of certain costs associated with special utility contracts. OUGHT TO PASS WITH AMENDMENT

Reps. Jeb. E. Bradley and Clifton C. Below for Science, Technology and Energy: After numerous work sessions, the committee recommends passage of this bill as the Public Utilities Commission will not under this amendment allow recovery of costs from other ratepayers associated with special contracts unless the commission determines that recovery to be in the public interest. The amendment states the preference for tariffed economic development and business retention rates rather than special contracts. Further, the amendment clarifies language with regard to economic development and business retention rates in a manner that will better facilitate implementation of those rates. The committee heard compelling testimony about the need for the tariffed rates from Commissioner Bartlett and determined that without timely implementation of these rates both business and consumers could be adversely affected. Vote 12-3.

Amendment (5677L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to economic development and retention rates.

Amend the bill by replacing all after the enacting clause with the following:

1 Findings. The general court finds that for electric service:

I. Economic development rates and retention rates are useful tools in assisting the state's economy and may be used to benefit all ratepayers.

II. It is in the public interest to establish both rates as expeditiously as possible in a manner that shares any resulting benefit between utilities and non-special-contract ratepayers.

III. Tariffed economic development rates and tariffed retention rates should be preferred to individually negotiated special contracts, but that special contracts may be necessary in some circumstances.

IV. In order to limit the possible impact on other ratepayers, economic development rates, retention rates and special contract rates should be specific rates, not percentage discounts from future variations in tariffed rates.

2 Availability of Economic Development and Retention Rates. Amend RSA 378:11-a to read as follows;

378:11-a Economic Development and Retention Rates.

I. Notwithstanding any other provision of law to the contrary, the commission shall establish procedures for the review and approval of tariffs for electric service rates that foster economic development and of tariffs for retention of existing load within the state. For the purposes of this section the term "economic development rates" means rates, the purpose of which is to attract new industrial companies to the state and to encourage expansion of existing industrial [companies] ***load*** that would otherwise not occur in the state. For the purposes of this section "retention rates" means rates, the purpose of which is to retain existing industrial [companies] ***load*** that would otherwise leave the [state] ***utility***. Such procedures shall provide that all electric public utilities serving retail customers may file with the commission generally available rate schedules for the provision of economic development rates and/or retention rates to industrial customers. Such rates shall take into consideration eligibility criteria, the effect on the utility's fixed and variable costs, the amount of new demand and energy for electric service

involved, the effect on employment within the state, material adverse competitive impact on existing in-state firms, and end-user participation in conservation programs and other state established economic development enhancement programs.

II. To ensure fairness in the application of the retention rate to industrial [companies] ***load*** that [are] ***is*** not planning to leave the [state] ***utility***, if the commission finds that it is in the public good, the retention rate may also be offered to a direct competitor of a company that has qualified for such rate. [For the purposes of ratemaking, a utility that adopts a retention rate shall not be allowed to recover from other ratepayers the difference between the regular tariffed rate and the retention rate unless and only to the extent that the commission determines that it is in the public interest and equitable to other ratepayers. For the purposes of ratemaking a utility that adopts an economic development rate shall not be allowed to recover from other ratepayers the difference between the regular tariffed rate and economic development rate, and]

III.(a) Except as provided in paragraph II, retention rates shall be available to a customer only if the utility represents that the load would otherwise have left the utility.

(b) Economic development rates shall be available to all new industrial companies to the state and for all expansion of existing load without such representation by the utility, provided that eligibility criteria are met.

IV.(a) In any rate proceeding subsequent to approval of economic development rates ***or retention rates,*** the commission shall not impute to the utility's ***test year revenues or*** revenue requirement the difference between the regular tariffed rate and the economic development rate ***or retention rate*** [for those customers who qualify for the economic development] ***provided that those customers qualify for the*** rate.

(b) The incremental benefit of the economic development rate, which is the excess of the incremental revenues over the incremental cost attributable to the economic development rate, shall be allocated by the commission between the utility and its other ratepayers in a manner consistent with the public interest, as determined by the commission.

V. The rates established in this section shall not be available after December 31, 2002.

3 Reference Added; Special Contracts for Service. Amend RSA 378:18 to read as follows:

378:18 Special Contracts for Service. Nothing herein shall prevent a public utility from making a contract for service at rates other than those fixed by its schedules of general application, if special circumstances exist which render such departure from the general schedules just and consistent with the public interest[,] and, ***except as provided in RSA 378:18-b,*** the commission shall by order allow such contract to take effect.

4 New Sections; Special Contracts. Amend RSA 378 by inserting after section 18 the following new sections:

378:18-a Special Contracts; Electric Utilities.

I. Notwithstanding any provision of law to the contrary, for the purposes of ratemaking, an electric utility that has adopted special contracts prior to the effective date of this section shall not be allowed to recover from other ratepayers the difference between the regular tariffed rate and the special contract rate, unless and only to the extent that the commission determines that it is in the public interest and equitable to other ratepayers.

II. After the effective date of this section, new special contracts designed to retain load shall be available to an electric utility customer only if the utility represents that the load would otherwise have left the utility, the contract is approved pursuant to RSA 378:18, and the commission determines that no tariffed rate is sufficient to retain the load.

III. After the effective date of this section, new special contracts designed to attract load shall be available to an electric utility customer only if the contract is approved pursuant to RSA 378:18 and the commission determines that no tariffed rate is sufficient to attract the load.

IV. In any electric utility rate proceeding subsequent to approval of special contracts, the commission shall not impute to the utility's test year revenues or revenue requirement the difference between the regular tariffed rate and the special contract rate.

378:18-b Special Contracts; Telephone Utilities. Any special contracts for telephone utilities providing telephone services shall be filed with the commission and shall become effective 30 days after filing, provided the rates are set not less than:

I. The incremental cost of the relevant service; or

II. Where the telephone utility's competitors must purchase access from the telephone utility to offer a competing service, the price of the lowest cost form of access that competitors could purchase to compete for customers with comparable volumes of usage, plus the incremental cost of related overhead.

5 Effective Date. This act shall take effect upon its passage.

Adopted.

Rep. Joseph Foster declared a conflict of interest and did not participate.

SB 587, authorizing municipal and county agreements to purchase electricity and energy services. OUGHT TO PASS WITH AMENDMENT

Rep. Jeb. E. Bradley for Science, Technology and Energy: The committee supports this bill, as aggregation of customers will be a necessary component of introducing competition into the electric industry. The amendment makes certain that when municipalities use aggregation, potential customers must affirmatively respond before being included in any aggregation. The amendment also clarifies that people not participating in a municipal aggregation not be held responsible for decisions of a municipal aggregation. Vote 12-0.

Amendment (5595L)

Amend the bill by replacing all after section 1 with the following:

2 New Chapter; Aggregation of Electric Utility Customers. Amend RSA by inserting after chapter 53-D the following new chapter:

CHAPTER 53-E
AGGREGATION OF ELECTRIC CUSTOMERS BY MUNICIPALITIES AND COUNTIES

53-E:1 Statement of Purpose. The general court finds it to be in the public interest to allow municipalities and counties to aggregate retail electric customers, as necessary, to provide such customers access to competitive markets for supplies of electricity and related energy services. The general court finds that aggregation may provide small customers with similar opportunities to those available to larger customers in obtaining lower electric costs, reliable service, and secure energy supplies. The purpose of aggregation shall be to encourage voluntary, cost effective and innovative solutions to local needs with careful consideration of local conditions and opportunities.

53-E:2 Definitions. In this chapter:

I. "Aggregation" means the grouping of retail electric customers to broker or contract for electric power supply and energy services for such customers.

II. "Aggregator" means, unless the context indicates otherwise, a municipality or county that engages in aggregation of electric customers within its boundaries.

III. "Commission" means the public utilities commission.

IV. "Committee" means the electric aggregation committee established under RSA 53-E:6.

V. "County" means any county within the state.

VI. "Municipality" means any city, town, unincorporated place, or village district within the state.

53-E:3 Municipal and County Authorities. Any municipality or county may:

I. Aggregate the retail electric customers within its boundaries who consent to being included in an aggregation program.

II.(a) Enter into agreements for:

(1) The supply of electric power.

(2) Demand side management.

(3) Conservation.

(4) Meter reading.

(5) Customer service.

(6) Other related services.

(b) Such agreements may be entered into by a single municipality or county, or by a group of such entities pursuant to RSA 53-A.

53-E:4 Regulation.

I. An aggregator operating under the provisions of this chapter shall not be considered a utility engaging in the wholesale purchase and resale of electric power. Providing electric power or energy services to aggregated customers within a municipality or county shall not be considered a wholesale utility transaction.

II. The provision of aggregated electric power and energy services as authorized by this chapter shall be regulated by this chapter and any other applicable laws governing aggregated electric power and energy services in competitive electric markets.

III. Transmission and distribution services shall remain with the transmission and distribution utilities, who shall be paid for such services according to rate schedules approved by the applicable regulatory authority. An aggregator shall not be required to own any utility property or equipment to provide electric power and energy services to its customers.

53-E:5 Financial Responsibility. Retail electric customers who choose not to participate in an aggregation program adopted under RSA 53-E:7 shall not be responsible for, and no entity may require them to pay, any costs associated with such program, through taxes or otherwise except for electric power supply or energy services consumed directly by the municipality or county, or incidental costs.

53-E:6 Electric Aggregation Plan.

I. The governing body of a municipality or county may form an electric aggregation committee to develop a plan for an aggregation program for its citizens. A municipality or county may join other municipalities or counties in developing such plans.

II. The plan shall provide universal access, reliability, and equitable treatment of all classes of customers and shall meet, at a minimum, the basic environmental and service standards established by the commission and other applicable agencies and laws concerning aggregated service.

III. The plan shall detail:

(a) The organizational structure of the program;

(b) Operation and funding;

(c) Rate setting and other costs to participants;

(d) The methods for entering and terminating agreements with other entities;

(e) The rights and responsibilities of program participants; and

(f) Termination of the program.

IV. The committee shall approve a final plan which the committee determines is in the best, long-term interest of the municipality or county and the ratepayers.

V. The committee shall solicit public input in the planning process and shall hold public hearings.

53-E:7 Aggregation Program Adopted.

I. The governing body of a municipality or county may submit to its legislative body for adoption a final plan for an aggregation program, to be approved by a majority of those present and voting.

II. If the plan is adopted, the municipality or county shall mail written notification to each retail electric customer within the municipality or county. Notification shall include a description of the aggregation program, the implications to the municipality or county, and the rights and responsibilities that the participants will have under the program. No retail electric customer shall be included in the program unless the customer affirmatively responds to the notification or requests in writing to be included in the program.

III. Within 15 days after notification of the plan has been sent to retail electric customers in the service area, a public information meeting to answer questions on the program shall be held.

53-E:8 Other Aggregators. Nothing in this chapter shall preclude private aggregators from operating in service areas served by municipal or county aggregators.

3 Severability. This chapter shall be construed in all respects so as to meet all constitutional requirements. If any provision or clause of this chapter, or the application thereof to any person or circumstances, is held invalid, such invalidity shall not affect other provisions or applications of this chapter, and to that end, the provisions of this chapter shall be separable from all other sections hereof and the nullification of any section from this chapter shall have no effect on the remaining sections of this chapter.

4 Application. The supply of electric power by a municipal or county aggregator to its participants shall not occur until the chairman of the public utilities commission certifies to the secretary of state that retail competition exists in that portion of New Hampshire.

5 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

SB 601-FN, revising the air toxic control act. OUGHT TO PASS WITH AMENDMENT

Reps. Jeb E. Bradley and Jeffrey C. MacGillivray for Science, Technology and Energy: This bill is a comprehensive revision of the air toxic control act. The bill has been agreed to by the DES Air Resources Division, the HHS Division of Public Health Services, the Attorney General's Office, and concerned business and industry and environmental groups. The bill (1) defines "regulated toxic air pollutants," and creates a stable list that generally changes only once per year, (2) ends grandfathering of low and moderate toxicity emissions over a three-year period, and (3) reduces the number of unnecessary permit applications by establishing ambient air limits based upon the best available science, and clarifying that permits are only required when emissions exceed these limits. Vote 15-0.

Amendment (5658L)

Amend the bill by replacing all after section 1 with the following:

2 Definitions Added. RSA 125-I:2 is repealed and reenacted to read as follows:

125-I:2 Definitions.

I. "Air contaminant" means soot, cinders, ashes, any dust, fume, gas, mist (other than water), odor, toxic or radioactive material, particulate matter, or any combination thereof.

II. "Air toxic" means air contaminants designated by the commissioner of the department of environmental services from the organic compounds and metals listed by the United States Environmental Protection Agency in the Code of Federal Regulations, Title 40, Part 261, Subparts C and D and Table 4 of 450/5-86-011a and subsequent updates.

III. "Ambient air" means the unconfined atmosphere that envelops the earth.

IV. "Ambient air limit" means the standard designated pursuant to RSA 125-I:4 that establishes the maximum allowable concentration of emissions of a specific regulated toxic air pollutant at or beyond the compliance boundary.

V. "Commissioner" means the commissioner of the department of environmental services.

VI. "Compliance boundary" means the boundary of the property on which the stationary source is located or an alternate compliance boundary determined by the division in accordance with rules adopted pursuant to this chapter.

VII. "Council" means the air resources council established pursuant to RSA 21-O:11.

VIII. "Department" means the department of environmental services.

IX. "Device" means any burner, furnace, machine, equipment, or article which emits a regulated toxic air pollutant or air contaminant into the ambient air.

X. "Division" means the division of air resources, department of environmental services.

XI. "Director" means the director of the division.

XII. "Modification" means any physical or operational change in a stationary source or device which increases the amount of a specific regulated toxic air pollutant emitted by such source or device, or which results in the emission of any additional regulated toxic air pollutant.

XIII. "Pollution control equipment" means any device that treats, removes, restricts, or otherwise controls the release or discharge of regulated toxic air pollutants that is not vital to normal productions operations.

XIV. "Process" means any operation which combines devices, equipment, raw materials, utilities, and manpower for the production of goods, services, energy, pollution control, or other purposes which emits a regulated toxic air pollutant into the ambient air.

XV. "Reference concentration limit" means an estimate established by the United States environmental protection agency of a daily exposure to the human population, including sensitive subgroups, that is likely to be without an appreciable risk of deleterious noncancer effects during a lifetime.

XVI. "Regulated toxic air pollutant" means any substance or compound emitted into the ambient air by a stationary source and designated a regulated toxic air pollutant pursuant to RSA 125-I:4. Regulated toxic air pollutants are classified as:

(a) Class I, meaning any regulated toxic air pollutant recognized by the United States Environmental Protection Agency as a Group A-Human Carcinogen or Group B-Probable Human Carcinogen, as referenced in 51 Federal Register 34,000 (1986), or otherwise designated a regulated toxic air pollutant - Class I by the commissioner pursuant to rules adopted under RSA 125-I:3.

(b) Class II, meaning any regulated toxic air pollutant other than a regulated toxic air pollutant Class I, which is recognized by the United States Environmental Protection Agency as a Group C-Possible Human Carcinogen, as referenced in 51 Federal Register 34,000 (1986), or otherwise designated a regulated toxic air pollutant - Class II by the commissioner pursuant to rules adopted under RSA 125-I:3.

(c) Class III, meaning any regulated toxic air pollutant other than a regulated toxic air pollutant - Class I or Class II.

XVII. "Stationary source" means any building, structure, facility, or installation that emits or may emit a regulated toxic air pollutant or air contaminant into the ambient air.

XVIII. "Threshold limit value" means the threshold limit value-time weighted average (TLV-TWA) as set forth in the American Conference of Governmental Industrial Hygienists (ACGIH) 1995 list and as amended thereafter.

XIX. "Uncontrolled emission" means any emission of a regulated toxic air pollutant from a device or process at a stationary source that is not subject to treatment or removal by pollution control equipment prior to being emitted to the ambient air, or is emitted to the ambient air in amounts which have not been limited by conditions in an enforceable permit or document.

3 Toxic Air Pollutant Control; Exemptions; Rulemaking. RSA 125-I:3 is repealed and reenacted to read as follows:

125-I:3 Toxic Air Pollutant Control; Exemptions.

I. The department shall establish a statewide permit system for stationary sources which release regulated toxic air pollutants into the ambient air.

II. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the prevention, control, abatement, and limitation of regulated toxic air pollutant emissions.

III. The following shall be exempt from the provisions of this chapter:

(a) Normal agricultural operations and the application of pesticides regulated pursuant to RSA 430:28 through 430:48.

(b) Emissions of regulated toxic air pollutants resulting from mobile sources and the combustion of virgin petroleum products at stationary sources.

(c) Pursuant to rules adopted under RSA 541-A by the commissioner, those air contaminants and categories of stationary sources whose emissions of regulated toxic air pollutants are adequately regulated under other provisions of state or federal law or, based on available information, pose little risk to human health.

4 New Sections; Toxic Air Pollutants Regulated; Rulemaking. Amend RSA 125-I by inserting after section 3 the following new sections:

125-I:4 Regulated Toxic Air Pollutants.

I. The following are regulated toxic air pollutants:

(a) Those substances or compounds listed as hazardous air pollutants pursuant to Section 112(b) of the Clean Air Act (42 U.S.C. 7412), as amended; and

(b) Those chemical substances for which a threshold limit value has been established by the American Conference of Governmental Industrial Hygienists as of December 31, 1995, as amended.

II. The commissioner shall adopt rules, pursuant to RSA 541-A, designating each regulated toxic air pollutant as a regulated toxic air pollutant - Class I, a regulated toxic air pollutant - Class II, or a regulated toxic air pollutant - Class III.

III. For each regulated toxic air pollutant, the commissioner shall adopt rules, pursuant to RSA 541-A, designating a short-term and long-term ambient air limit. In establishing ambient air limits under this chapter, the department shall rely on threshold limit values, reference concentration limits, and such other generally accepted scientific data as may be available.

IV. The department shall publish the list of all regulated toxic air pollutants, their classification as a regulated toxic air pollutant - Class I, - Class II or - Class III, and their respective short-term and long-term ambient air limits immediately upon adoption of the rules establishing such classifications and ambient air limits for each regulated toxic air pollutant. Publication of notice of such list shall be made by the department in the New Hampshire Rulemaking Register. Thereafter, the department shall publish annually a complete list of all regulated toxic air pollutants, classifications, and ambient air limits. Any revision to the list of regulated toxic air pollutants or their respective classifications or ambient air limits made prior to the annual publication of such list shall be noticed by publication of notice of the revision by the commissioner in the New Hampshire Rulemaking Register and shall not take effect until such publication of notice has occurred.

V. At any time, or pursuant to petition of any stationary source or affected person, the commissioner may modify the list of regulated toxic air pollutants by adding or deleting any substance or compound from the list, or by establishing or modifying any classification or ambient air limit for such substances or compounds, by adopting rules in accordance with the provisions of RSA 541-A, provided that:

(a) A substance or compound may be added to the list only if there is at least one study that has been conducted in accordance with generally accepted scientific principles that demonstrates that the substance or compound is known to cause or may reasonably be anticipated to cause acute, chronic, mutagenic, reproductive, or developmental health effects in humans as a result of exposure to such substances or compounds.

(b) A substance or compound may be deleted from the list only if there is at least one study that has been conducted in accordance with generally accepted scientific principles that demonstrates that the substance or compound may not reasonably be anticipated to cause acute, chronic, mutagenic, reproductive, or developmental health effects in humans as a result of exposure to such substances or compounds.

125-I:5 Compliance; Permit Required.

I. No person shall operate any device or process at a stationary source that emits an air toxic without a temporary or operating permit issued by the department in accordance with this chapter or RSA 125-C, provided, however, that no permit or permit application shall be required for any device or process at a stationary source exempted under RSA 125-I:3, III, or whose uncontrolled emissions of air toxics do not exceed ambient air limits at or beyond the compliance boundary and for which no other permit is required under RSA 125-C.

II. A person or persons having ownership or control of a stationary source may demonstrate compliance with this chapter and any rules adopted under this chapter by air dispersion analysis or such other techniques as the department designates pursuant to rules adopted by the commissioner in accordance with RSA 541-A. In addition, the department shall establish in rules adopted by the commissioner pursuant to RSA 541-A one or more methodologies by which any stationary source can determine, through testing, calculation, or other methods without air dispersion modeling, whether the existing or proposed emission of any regulated toxic air pollutant will result in an exceedance of an ambient air limit at the source's compliance boundary.

125-I:6 Rulemaking.

I. The commissioner shall adopt interim rules as expeditiously as possible but no later than August 31, 1996, relative to:

(a) Procedures and criteria for classifying regulated toxic air pollutants as Class I, II and III - regulated toxic air pollutants.

(b) Procedures and criteria for determining ambient air limits.

II. The commissioner shall adopt rules, pursuant to RSA 541-A, in consultation with the council, as expeditiously as possible but no later than December 31, 1996, relative to:

(a) Procedures and criteria for classifying regulated toxic air pollutants as Class I, II and III - regulated toxic air pollutants.

(b) Procedures and criteria for determining ambient air limits.

(c) Establishment of a list of regulated toxic air pollutants including the classification under RSA 125-I:4, II and short-term and long-term ambient air limits for each regulated toxic air pollutant listed.

(d) Establishment of methodologies for determining by testing, calculation, or other methods without complete air dispersion modeling whether an existing or proposed emission of a regulated toxic air pollutant will exceed the applicable ambient air limit at the source's compliance boundary.

(e) Identification of the air contaminants and categories of stationary sources that are exempt from the provisions of this chapter.

III. The commissioner shall adopt rules pursuant to RSA 541-A, in consultation with the council, as expeditiously as possible but no later than June 30, 1997, relative to:

(a) Procedures and criteria for determining compliance with ambient air limits established pursuant to this chapter.

(b) Procedures for petitioning the department to revise the list of regulated toxic air pollutants in accordance with the provisions of RSA 125-I:4, V.

(c) Procedures and criteria for establishing an alternate compliance boundary for a stationary source.

IV. Rules adopted by the commissioner relative to the air toxic control program in effect on July 1, 1996, shall remain in effect until the rules expire, or are amended or repealed.

125-I:7 Inspection.

I. For the purpose of determining compliance with this chapter, any rule adopted by the commissioner relative to this chapter, or any condition of a permit issued under RSA 125-C relative to the emission of a regulated toxic air pollutant and any other air contaminant, an employee or authorized representative of the division or the department may, upon presentation of appropriate credentials and at any reasonable time:

(a) Enter any stationary source.

(b) Inspect and photograph the device or source which produces or controls emissions of regulated toxic air pollutants and other air contaminants, and obtain samples of materials processed in and generated from the devices and sources at the facility.

(c) Inspect and copy records, information or test results relating to air pollution, air contaminants and devices or sources which produce or control emissions of regulated toxic air pollutants and other air contaminants.

II. For the purpose of determining the type and quantity of regulated toxic air pollutants and other air contaminants being emitted from any stationary source, the director may require the stationary source to maintain and submit production data, material usage records, equipment manufacturer's specifications, material safety data sheets and such other similar records, data and information.

III. Any records, data, or information obtained by or submitted to the department or any other agency of the state under this chapter which, in the judgment of the department, constitutes a trade secret, shall not be disclosed to the public without notice to the owner of the trade secret and an opportunity for a hearing. The protection against unauthorized disclosure of trade secret information under this chapter shall not exceed that permitted under RSA 91-A. The department may provide information relating to trade secrets to the Environmental Protection Agency, provided that the Environmental Protection Agency guarantees the same degree of confidentiality afforded by the department.

125-I:8 Enforcement.

I. Whenever the commissioner or the commissioner's authorized representative finds that any device or source of air pollution has resulted in a violation of any of the provisions of this chapter or any rules in force hereunder, or any condition in a permit issued under this chapter, the commissioner shall issue a notice of violation and, where appropriate, an order of abatement establishing a compliance schedule with which the device or source shall comply. Any order of abatement shall become final and enforceable by the director within 30 days of its issuance unless an appeal is filed with the council before the expiration of the 30-day period. The council shall hold a hearing on any such appeal promptly, and shall thereafter issue a decision upholding, modifying, or abrogating the commissioner's order of abatement or any part of such order. The council's decision shall become final 10 days after it is issued. Appeals from decisions of the air resources council shall be made in accordance with the provisions of RSA 541. Upon a finding by the commissioner, in consultation with the department of health and human services, that there is an imminent and substantial endangerment to the public health or welfare,

the commissioner shall issue an order of abatement requiring immediate compliance. The order shall be final and enforceable upon issuance, but may be appealed to the council within 30 days of its issuance and the council may, after hearing, uphold, modify, or abrogate the order.

II. Any violation of the provision of this chapter, or of any rules or orders issued under it, or of any condition in a permit issued under it, shall be subject to enforcement by injunction, including mandatory injunction, issued by the superior court upon application of the attorney general. Any such violation shall also be subject to a civil penalty of not more than $25,000 per violation, and for each day of a continuing violation.

III. Any person who violates any of the provisions of this chapter, or any rule adopted or order issued under this chapter, or any condition of a permit issued under this chapter shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

IV. Notwithstanding RSA 651:2, any person may, in addition to any sentence of imprisonment, probation, or conditional discharge, be fined not more than $25,000 if found guilty of any violation pursuant to RSA 125-I:8, III. Each day of violation shall constitute a separate offense.

5 Compliance With New Requirements for Regulated Toxic Air Pollutants. RSA 125-I:5 is repealed and reenacted to read as follows:

125-I:5 Compliance; Permit Required.

I. No person shall operate any device or process at a stationary source that emits a regulated toxic air pollutant without a temporary or operating permit issued by the department in accordance with this chapter or RSA 125-C, provided, however, that no permit or permit application shall be required for any device or process at a stationary source exempted under RSA 125-I:3, III, or whose uncontrolled emissions of regulated toxic air pollutants do not exceed ambient air limits at or beyond the compliance boundary and for which no other permit is required under RSA 125-C.

II. Existing devices or processes emitting regulated toxic air pollutants at a stationary source in operation as of the effective date of the rules adopted by the commissioner under RSA 125-I:6, II shall comply with either:

(a) The rules adopted by the commissioner relative to air toxics, including but not limited to rules establishing ambient air limits, in effect immediately prior to the effective date of this section for a period of 3 years following the effective date of this section at which time such stationary sources shall comply with the rules adopted under this chapter relative to regulated toxic air pollutants; or

(b) Rules adopted under this chapter relative to regulated toxic air pollutants at any time, but no later than 3 years following the effective date of this section.

III. All new and modified devices or processes emitting regulated toxic air pollutants at a stationary source shall comply with the rules adopted under this chapter relative to regulated toxic air pollutants.

IV. If the department revises the list of regulated toxic air pollutants or their respective ambient air limits or classifications under RSA 125-I:4, II and III, and as a result of such revision any source of regulated toxic air pollutants is required to obtain or modify a permit under the provisions of RSA 125-I or RSA 125-C, the stationary source shall have 90 days following publication of notice of such final revision in the New Hampshire Rulemaking Register to file a complete application for such permit or permit modification. The department shall include as conditions in any permit issued as a result of a revision to the list of regulated toxic air pollutants a compliance plan and a schedule for achieving compliance based on public health, economic and technical considerations, not to exceed 3 years. Failure to comply with any such compliance plan or schedule of compliance shall be subject to the enforcement provisions of RSA 125-I:8.

V. A person or persons having ownership or control of a stationary source may demonstrate compliance with this chapter and any rules adopted under this chapter by air dispersion analysis or such other techniques as the department designates pursuant to rules adopted by the commissioner in accordance with RSA 541-A. In addition, the department shall establish in rules adopted by the commissioner pursuant to RSA 541-A one or more methodologies by which any stationary source can determine, through testing, calculation, or other methods without air dispersion modeling, whether the existing or proposed emission of any regulated toxic air pollutant will result in an exceedance of an ambient air limit at the source's compliance boundary.

6 Publication Required in Rulemaking Register. Amend RSA 541-A:9, I(h) to read as follows:

(h) ***Publication of notice of the list of regulated toxic air pollutants and classifications by the department of environmental services under RSA 125-I:4.***

(i) At the request of any agency, any other notices or documents related to rulemaking, at the discretion of the director.

7 Integration Study. Within 60 days of the effective date of this section, the commissioner of the department of environmental services shall establish a committee to study the integration of the program established under this act with the program established under section 112 of the Clean Air Act. The committee shall include representatives from the department of environmental services, the department of health and human services, the department of justice, and the business and industry and environmental communities in this state, appointed by the commissioner. The committee shall report its findings to the house environment and agriculture committee, the house science, technology and energy committee, and the senate environment committee no later than November 1, 1996.

8 Effective Date.

I. Section 5 of this act shall take effect at 12:01 a.m. on the day the rules adopted under RSA 125-I:6, II become effective.

II. The remainder of this act shall take effect July 1, 1996.

Adopted.

Report adopted and ordered to third reading.

SB 610, relative to municipal water, gas and electric utilities. OUGHT TO PASS WITH AMENDMENT

Reps. Lawrence J. Guay, Clifton C. Below and Jeffrey C. MacGillivray for Science, Technology and Energy: The bill updates the antiquated statutes for municipal electric systems, moves them to a new RSA, and recodifies existing RSA 38 to apply only to municipal water or gas systems. The bill is designed to conform to the electric utility industry restructuring principles of HB 1392: (1) Newly municipalized electric systems must allow customer choice as soon as anyone else has this option. (2) Municipal electric systems are prohibited from acquiring generation facilities, with minor exceptions. (3) Takings by new municipal systems, or by old systems outside the municipality, must be found by the PUC to be in the public interest. The bill recognizes that stranded cost issues in a municipalization will be resolved by FERC using a constitutional just and reasonable standard, but this will set no precedent for stranded cost recovery proceedings in the state. Vote 15-1.

Amendment (5699L)

Amend RSA 38:1, III as inserted by section 1 of the bill by replacing it with the following:

III. "Municipality" means any city, town, unincorporated town, unorganized place, or village district within the state.

Amend the bill by replacing section 2 with the following:

2 New Chapter; Municipal Electric Systems. Amend RSA by inserting after chapter 38-A the following new chapter:

CHAPTER 38-B
MUNICIPAL ELECTRIC SYSTEMS

38-B:1 Definitions. In this chapter:

I. "Commission" means the public utilities commission, unless the context otherwise indicates.

II. "Utility" means any public utility engaged in the manufacture, distribution, or sale of electricity in the state.

III. "Municipality" means any city, town, unincorporated town, unorganized place, or village district within the state.

38-B:2 Establishment, Acquisition and Expansion of Plants. Any municipality may:

I. Establish, expand, take, purchase, lease, or otherwise acquire and maintain and operate in accordance with the provisions of this chapter, one or more suitable plants:

(a) For the manufacture and distribution of electricity for municipal use; and

(b) For the use of its inhabitants and others, and for such other purposes as may be permitted, authorized, or directed by the commission.

II. For these purposes, take, purchase and hold in fee simple or otherwise lease or otherwise acquire and maintain any real or personal estate and any rights therein.

III. Do all other things necessary for carrying into effect the purposes of this chapter.

IV. Excavate and dig conduits and ditches in any highway or other land or place, and erect poles, place wires, and lay pipes for the transmission and distribution of electricity, in such places as may be deemed necessary and proper.

V. Change, enlarge, and extend the same from time to time when the municipality shall deem necessary, and maintain the same, having due regard for the safety and welfare of its citizens and security of the public travel.

38-B:3 Exemption for Municipal Small Scale Power Facility. Except in municipalities which have acquired, expanded, or established a plant under this chapter, the development by a municipality of any small scale power facility, as defined in RSA 374-D:1, IV shall not be subject to the provisions of this chapter. Nothing in this section shall be construed as exempting municipalities from the provisions of this chapter with respect to the acquisition of a utility plant and equipment if there exists a dispute between the municipality and the utility.

38-B:4 By Cities. Any city may initially establish such a plant after 2/3 of the members of the city council shall have voted, subject to the veto power of the mayor as provided by law, that it is expedient to do so, and after such action by the city council shall have been confirmed by a majority of the qualified voters at a regular election or at a special meeting duly warned in either case. Such confirming vote shall be had within one year from the date of the vote to establish such a plant. If the vote is unfavorable, the question shall not be again submitted to the voters within 2 years thereafter.

38-B:5 By Towns or Village Districts. Any town or village district may initially establish such a plant after 2/3 of all the voters present and voting at an annual or special meeting, duly warned in either case, have voted by ballot with the use of the checklist that it is expedient to do so. If such vote is unfavorable, the question shall not be again submitted to the voters within 2 years thereafter.

38-B:6 Notice to Utility. Within 30 days after the confirming vote provided for in RSA 38-B:4 or the vote provided for in RSA 38-B:5, the mayor of the city, the selectmen of the town, or the commissioners of the district shall notify in writing any utility engaged, at the time of the vote, in generating or distributing electricity for sale in the municipality, of the vote. The municipality notifying any utility in such manner may purchase all or such portion of the utility's plant and property located within such municipality that the mayor of the city, selectmen of the town, or commissioners of the district determine to be necessary for the municipal utility service, and shall purchase that portion, if any, lying without the municipality which the public interest may require, pursuant to RSA 38-B:12 as determined by the commission. The notice to such utility shall include an inquiry as to whether the utility elects to sell, in the manner hereinafter provided, that portion of its plant and property located within or without the municipality which the municipality has identified as being necessary for the municipal utility service.

38-B:7 Reply by Utility. The utility shall reply to the inquiry provided for in RSA 38-B:6 by delivering its answer in writing to the mayor of the city, the selectmen of the town, or the commissioners of the district within 60 days of the receipt of the inquiry. If the reply is in the negative, or if the reply is not made within the 60 days, the municipality may proceed to acquire the plant as provided in RSA 38-B:11. If the reply is in the affirmative, the utility shall submit the price and terms it is willing to accept for all of its plant and property identified by the municipality in its inquiry, together with a detailed schedule of such plant and property with proper evidence of title. All of the plant and property identified by the municipality shall at all reasonable times thereafter be open to the examination of the officers and agents of the municipality and others charged with the duty of determining the fair value of the property.

38-B:8 By Agreement. The mayor and council of a city, the selectmen of a town, or the commissioners of a village district, may negotiate and agree with the utility upon the price to be paid for such plant and property; provided, however, that such agreement shall not be binding upon any city until ratified by a vote of the city council or upon any town or village district until ratified by the voters of the town or village district in the manner provided in RSA 38-B:5. Such vote shall be had within 90 days of the date of the filing of the reply provided in RSA 38-B:7.

38-B:9 Valuation.

I. If the municipality fails to ratify the agreement to purchase in the manner provided in RSA 38-B:8 or if the price cannot be agreed upon, or if it cannot be agreed as to how much, if any, of the plant and property lying without the municipality the public interest requires the municipality to purchase, or if the schedules of property submitted in accordance with RSA 38-B:7 are not satisfactory, either the municipality or the utility may petition the commission for a determination of these questions.

II. The commission, after proper notice and hearing, shall decide the matters in dispute.

III. When required to fix the price to be paid for such plant and property, the commission shall determine the amount of damages, if any, caused by the severance of the plant and property proposed to be purchased from the other plant and property of the owner which amount shall be limited to the value of such plant and property and the cost of direct remedial requirements, such as new through-connections in transmission lines, and shall exclude consequential damages such as stranded investment in generation, storage, or supply arrangements which shall be determined as provided in RSA 38-B:10.

IV. From all of such determinations there shall be the right of appeal to the superior court, and upon such appeal the price determined by the commission may be considered as evidence on the question of the value of the plant and property.

V. The expense to the commission for the investigation of the matters covered by the petition, including the amounts expended for experts, accountants, or other assistants, and salaries and expenses of all employees of the commission for the time actually devoted to the investigation, but not including any part of the salaries of the commissioners, shall be paid by the parties involved, in the manner fixed by the commission.

38-B:10 Consequential Damages. To the extent that the Federal Energy Regulatory Commission does not have or chooses not to exercise its jurisdiction in this area, the commission shall determine, to a just and reasonable extent, the consequential damages such as stranded investment in generation, storage, or supply arrangements resulting from the purchase of plant and property from a utility and shall establish an appropriate recovery mechanism for such damages. The commission shall not make such a determination when the municipality and utility agree upon the sale of utility plant and property.

38-B:11 Construction or Condemnation. If the utility shall have replied to the inquiry provided for in RSA 38-B:7 in the negative or if it shall have failed to reply within the time prescribed in RSA 38-B:7, the municipality, in the event that it shall have passed the vote or votes required in RSA 38-B:4 and 38-B:5 and after the commission upon proper notice and hearing has determined that it is in the public interest to do so, may construct a municipal plant or may take all or any portion of such private plant and property by condemnation, paying therefor just compensation determined in the manner provided in RSA 38-B:9.

38-B:12 Public Interest Determination by Commission. When making a determination as to whether the purchase of utility plant or property is in the public interest under this chapter, the commission shall include in its examination, among other things, system reliability and the prevention of stranded cost shifting. The commission may set conditions to satisfy the public interest. The commission shall not make any public interest determinations when the municipality and utility agree upon the sale of utility plant and property within the municipality.

38-B:13 Expansion of Existing Municipals.

I. A municipality that has an existing municipal plant may expand such plant or may purchase or take, in the manner prescribed in RSA 38-B:6-12 and RSA 38-B:14, all or a portion of such plant owned by a utility which is necessary for expanded municipal utility service. Such action shall not require any further vote under RSA 38-B:4 or RSA 38-B:5.

II. No public interest determination shall be required for the taking of a utility plant by a municipality that has a municipal plant existing on January 1, 1996, and such taking occurs within the municipality.

38-B:14 Ratification. Within 90 days of the final determination of the price to be paid for the plant and property to be taken or acquired under the provisions of RSA 38-B:9 or 38-B:11 and any consequential damages under RSA 38-B:10, the municipality shall decide whether or not to take the plant and property at such price by a vote similar to the ratifying vote provided in RSA 38-B:8. In the event that such vote or the vote in RSA 38-B:8 is in the affirmative, the munici-

pality may then vote, within 90 days thereof, to raise by taxation, and appropriate, or, as provided by RSA 33, to borrow such sums of money on the credit of the municipality as may from time to time be deemed necessary and expedient for the purpose of defraying the cost of purchasing or taking the plant, property, or facilities of the utility which the municipality may thus acquire. Such indebtedness shall not exceed at any one time 10 percent of the tax valuation of the municipality, or, in the event of a taking, such price and damages as are finally determined under the provisions of this chapter. If the money is so raised it shall immediately be paid to the utility, which shall thereupon execute a proper conveyance and surrender the plant and property to the municipality, which shall thereafter operate it as a public utility. If the ratifying vote provided for in this section shall be in the negative, no other action under this chapter shall be had during the ensuing period of 2 years.

38-B:15 Generation Facilities. No municipality shall take, purchase, lease, or otherwise acquire any generation facilities except generation facilities to supply electric power consumed directly and primarily by the municipality or small scale distributed generation resources constructed or acquired as part of a strategy for minimizing transmission and distribution costs.

38-B:16 Unbundling Rates and Open Access. Municipal electric utilities that are established after January 1, 1996, shall unbundle their rates and allow for open access to competitive retail electric supply markets as soon as retail electric competition is certified to exist anywhere in the state pursuant to RSA 38-B:29. Municipal electric utilities established prior to January 1, 1996, may voluntarily unbundle their rates and allow open access to competitive retail electric supply markets.

38-B:17 Operation of Plant. A municipality, which has so acquired the plant, property, or facilities of a public utility in any other municipality, may operate within such other municipality as a public utility with the same rights and franchises which the owners of such outlying plant, as purchased, would have had such purchase not been made. The operation by a municipality outside its own limits shall be subject to the jurisdiction of the commission as in the case of any other public utility. If the outlying municipality shall itself vote to establish a municipal plant all the provisions of this chapter shall be binding as to such determination.

38-B:18 Taking Property. Any such municipality may enter upon and take by eminent domain any land or any interest in land or water right within its limits, or in the case of a village district within the limits of the town or towns within which it is situated, which may be necessary for the construction, extension, or maintenance of its plant, and shall pay all damages sustained thereby, or by any other thing done under the authority of this chapter.

38-B:19 Damages. If the municipality shall not agree with the owner of the property as to damages, either party may apply to the superior court in the county where the town or district is located, or if the municipality is a village district then to the board of selectmen of the town or towns within which the village district is situated, to have the same laid out and the damages determined and proceedings thereon shall be as upon a petition for the laying out of a highway.

38-B:20 Supply Contracts. Any such municipality may contract with individuals, corporations, and other municipalities and the citizens of such other municipalities for supplying them with electricity for any of the purposes named or contemplated in this chapter, and make such contracts, and establish such regulations and such reasonable tolls for the use thereof, as may from time to time be authorized by the commission.

38-B:21 Commissioners. For the more convenient management of any such electric system, any such municipality may vest the construction, management, control and direction of the same in a board of commissioners to consist of 3 or more citizens of such municipality, the commissioners to have such powers and duties as the municipality may prescribe. Their term of office shall be for 3 years and until their successors are elected and qualified. The first board of commissioners may be chosen for terms of one, 2, and 3 years, respectively, by the legal voters of the municipality at any legal meeting or election at which the provisions of this chapter are accepted, or at any special meeting or election thereafter called for that purpose, and their successors shall be elected at each annual meeting or election thereafter in the manner or form as the municipality may determine.

38-B:22 Appointment. The commissioners may be appointed by the mayor and board of aldermen or city council, by the selectmen of the town, or by the commissioners of the district if the municipality fails to elect or votes to allow appointments.

38-B:23 Compensation and Organization. The compensation of the commissioners shall be fixed by the municipality. They shall be sworn to the faithful discharge of their duties. They shall annually organize by choosing one of their number as chairperson of their board. They shall appoint a clerk and a superintendent of the works and such other officers as they may deem necessary, and shall thereupon furnish a certificate of such organization to the clerk of the municipality, who shall record the same in the clerk's records. The commissioners shall fix the compensation of all officers and agents appointed by them, and all officers and agents shall be sworn to the faithful discharge of their duties.

38-B:24 Reports. The commissioners shall annually, at the time other city, town, or district officers report, make a report to the municipality of the condition of the plant financially and otherwise, showing the funds of the department, the expenses and income of the department, and all other material facts. This report shall be published in the annual report of the municipality.

38-B:25 Liens and Collection of Charges.

I. All charges for services furnished to patrons by a municipally owned electric works shall create a lien upon the real estate where such services are furnished.

II. A municipality may use any of the following collection procedures for charges and the use of one collection procedure for one service shall not preclude the use of a different collection procedure for another service:

(a) A municipality may commit bills for charges to the tax collector with a warrant signed by the appropriate municipal officials requiring the tax collector to collect them. The tax collector shall have the same rights and remedies, including a lien on the real estate, and be subject to the same liabilities in relation thereto as in the collection of taxes as provided in RSA 80; provided, however, that the real estate lien shall continue for 18 months from the date of the last unpaid bill.

(b) The official or board responsible for administering the municipal utility may collect charges for services by direct billing on any periodic basis it may choose. All charges which are delinquent may be committed to the tax collector with a warrant signed by the appropriate municipal officials requiring the tax collector to collect them. The tax collector shall have the same rights and remedies, including a lien on the real estate, and be subject to the same liabilities in relation thereto as in the collection of taxes as provided in RSA 80; provided, however, that the real estate lien shall continue for 18 months from the date of the last unpaid bill.

(c) If the official or board responsible for administering the municipal utility has not committed the charges to the collector of taxes, the municipality shall have a lien upon the real estate where the services were furnished and the lien shall continue for 18 months from the date of the last unpaid bill, unless the municipality records in the registry of deeds for the county in which the land is situated a notice of lien, in which case the lien shall continue for 6 years from the date of the last unpaid bill. The lien may be enforced in a suit by the municipality against the owner of the real estate. In such a suit, the municipality shall have the right to a judgment for per year charges, interest at the rate of 12 percent from the date of the last unpaid bill to the date of judgment, and costs. The records in the municipal department which furnished the services shall be sufficient notice to maintain suit upon the lien against subsequent purchasers or attaching creditors of the real estate.

(d) When the services were furnished to some person or legal entity other than the owner of the real estate, the liens provided for in this paragraph shall be effective against the owner of the real estate only for charges of which the owner of the real estate was notified by the municipality within 120 days of the date the charges became delinquent; provided, however, that a municipality may meet these notice requirements by mailing to the owner of the real estate copies of the bills for services at the same time bills are furnished to the person or legal entity which received the services.

38-B:26 Security Deposits from Tenants. Notwithstanding any other provision of law, any public utility, including any municipal corporation, providing electricity services other than for resale to a customer who is not the owner of the premises serviced by the utility and who has a separate electric meter, for the premises serviced, may obtain a security deposit from the customer only, and shall not obtain a security deposit from the owner of the premises. The owner of the premises shall not be liable for the failure of a tenant to pay the utility bill when such tenant's premises has a separate meter, and the utility shall not have any lien on the property of the landlord under RSA 38-B:25 for the tenant's failure to pay the utility bill.

38-B:27 Franchise Tax. Every municipal electric utility that has unbundled its rates and allowed open access to competitive retail electric supply markets as provided in RSA 38-B:16 shall be subject to the franchise tax under RSA 83-C.

38-B:28 Financial Responsibility.

I. Any retail electric customer located within a municipality that has established a municipal electric utility after January 1, 1996, but who is not within the service area of such utility, shall not be responsible for, and no entity may require the customer to pay, through taxes or otherwise, any costs associated with such utility except for electric power and services consumed directly by the municipality, any electric power and services sold by the utility to the customer, or incidental costs.

II. Any retail electric customer located within the service area of a municipal electric utility established after January 1, 1996, who does not purchase electric power from such municipal electric utility, as allowed by RSA 38-B:16, shall not be responsible for, and no entity may require the customer to pay, through taxes or otherwise, any costs associated with the sale of electric power by or through such municipal electric utility, except for electric power consumed directly by the municipality, or incidental costs. Nothing in this paragraph shall prevent any property owners or retail electric customers from signing contracts of any duration with such municipal electric utility after retail electric competition is certified to exist pursuant to RSA 38-B:29, and being bound by their terms, including damages for termination.

38-B:29 Certification. The chairman of the public utility commission shall certify to the secretary of state the date that retail electric competition exists in each portion of the state.

38-B:30 Effect on City Charters. Nothing contained in this chapter shall affect, alter or change the provisions of any city charter with respect to the management, control, and direction of electric works.

Amend the bill by inserting after section 2 the following and renumbering the original section 3-13 to read as 4-14, respectively:

3 Definition; Public Utility; Franchise Tax. Amend RSA 83-C:1, II to read as follows:

II. "Public utility" means every person, partnership, association and corporation except municipal corporations ***not subject to RSA 38-B:27***, engaged within this state in the manufacture, generation, distribution, transmission, or sale of electric energy.

Amend RSA 374-B:15, II as inserted by section 8 of the bill by replacing it with the following:

II. The determinations of the commission required under RSA [38:9 or 10] ***38-B:9 or RSA 38-B:11*** have been made not more than 24 months following the initial vote taken under RSA [38:4 or 5] ***38-B:4 or RSA 38-B:5***, except that this provision shall not apply to any vote taken prior to June 24, 1975.

Amend the bill by replacing all after section 12 with the following:

13 New Subdivision; Redundant Electric Lines. Amend RSA 374 by inserting after section 57 the following new subdivision:

Redundant Electric Lines

374:58 Redundant Lines. No public utility or municipal corporation shall construct redundant parallel electric utility lines. Such duplication of lines shall be deemed contrary to sound economic policy and contrary to the public interest. This section shall not apply until retail electric competition is certified to exist pursuant to RSA 38-B:29.

14 Severability. If any provision of this act or the application thereof to any person or circumstance is held to be invalid, the invalidity shall not affect any other provision or the application of such provision to other persons or circumstances, and to this and the provisions of this act are severable.

15 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

SB 632, requiring municipal water companies to provide notice and opportunity to certain tenants prior to termination of service. OUGHT TO PASS WITH AMENDMENT

Rep. Clifton C. Below for Science, Technology and Energy: Because water service is essential to safe occupancy of residential dwelling units, this bill extends to residential tenants served by municipal water companies the same protections offered by PUC regulations to residential

tenants served by private water companies. Before terminating service to a residential premises, a municipal water company must give notice and provide tenants an opportunity to pay for future service to avoid shutoff. The residential tenant will not have to pay the landlord's arrearage and may withhold documented water service payments from rent. Vote 10-3.

Amendment (5594L)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; Notice Prior to Termination Required. Amend RSA 38:22 by inserting after paragraph II the following new paragraphs:

III. Notwithstanding any other provision of law to the contrary, except as provided in paragraph VII of this section, no municipal water company shall disconnect service to a customer if any part of the service provided accrues to the benefit of one or more parties known by the company to be residential tenants, unless the company gives written notice to the tenants. Such notice shall set forth:

(a) The date on or after which the company proposes to disconnect service.

(b) A statement that the reason for disconnection is a dispute between the company and the landlord.

(c) A statement that the tenant should contact the landlord for more information.

(d) An address and telephone at which the tenant may contact the utility in order to make arrangements to maintain service.

IV. A municipal water company shall refrain from terminating service to the affected premises if so requested by the tenant, provided that the tenant agrees to be responsible for service provided as of the date of the tenant's request. However, the water company may continue to list the landlord's past due balance on the tenant's bill, and the lien created pursuant to RSA 38:22, I shall include any past due charges which accrue after the company begins billing the tenant. The utility shall provide direct service to the person requesting it on terms and conditions applicable to all residential customers. Such service may include other charges, such as sewer and fire protection service, if customarily included with water service billing.

V. Immediately upon learning that a tenant has been disconnected without the notice required in paragraph III, the water company shall reconnect service and may charge a reasonable reconnection fee which may be added to the existing arrearage.

VI. The notice required by paragraph III shall be provided to the tenant no less than 7 days in advance of the proposed disconnection, by posting a conspicuously lettered notice on the main entrance door to each building in which service is being terminated. In addition, the company shall post the notice on a back door or side door to which the company has reasonable access, or in a common area of each building. The company, at its option, may notify the tenants in the affected property by mail rather than by posting.

VII. The notice to tenants required by paragraph III of this section shall not be required when necessary to avoid danger to life or property, and upon the order of a duly constituted public authority such as police, firefighters, public health officers, and building inspectors.

2 New Paragraph; Conditions for Termination of Tenancy. Amend RSA 540:2 by inserting after paragraph V the following new paragraph:

VI. No tenancy shall be terminated for nonpayment of rent if:

(a) The tenant was forced to take over the landlord's utility payments in order to prevent utility services which the landlord agreed to provide, from being terminated;

(b) The amount of rent which the tenant is in arrears does not exceed the amount paid by the tenant to maintain utility service to the tenant's premises; and

(c) The tenant has receipts from the utility company or other proof of payment of the amount paid to maintain utility service.

3 New Paragraph; Municipal Water Company Defined. Amend RSA 38:2 by inserting after paragraph III the following new paragraph:

IV. "Municipal water company" any water distribution system or water supply utility, owned or operated by a municipality, whether as a municipal department, separate company, or otherwise.

4 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

Rep. Joseph Foster declared a conflict of interest and did not participate.

SCR 20, demanding that the federal government cease enacting mandates that are beyond the scope of the 10th Amendment to the United States Constitution. MAJORITY: OUGHT TO PASS MINORITY: INEXPEDIENT TO LEGISLATE

Rep. Douglass P. Teschner for the Majority of the Committee on State-Federal Relations: The Tenth Amendment of the Constitution reads, "The powers not delegated to the United States by the Constitution, nor prohibited by it to the states, are reserved to the states respectively, or to the people". The committee believes that the federal government has exercised power beyond the Tenth Amendment. By passing this resolution we are continuing to send a message to Washington that we want to see the balance of power shifted back to the states, as originally envisioned by our Founding Fathers. Vote 9-1.

Rep. Joseph A. Foster for the Minority of the Committee on State-Federal Relations: The United States Supreme Court is the final arbiter on the constitutionality of federal legislation. If a law violates the Tenth Amendment an aggrieved party can challenge that law in the courts, and if it is unconstitutional the law will be struck down. If the New Hampshire House of Representatives disagrees with the United States Supreme Court's interpretation of the Tenth Amendment, it should pass a resolution urging a further amendment to the U.S. Constitution fixing the problem. If the NH House wants to shift power from the federal government to the states, not for constitutional reasons but because it is good policy, it should pass a resolution saying so. This bill does not do that but instead urges Congress not to validate the Tenth Amendment, something the U.S. Supreme Court has already said it is not doing.

Reps. Joseph Foster and Wollner spoke against.

Rep. Teschner spoke in favor.

Rep. Wollner moved Recommit to Committee.

Reps. Gage and Kennedy spoke against.

Rep. Krochmal requested a roll call; sufficiently seconded. The question being the motion to Recommit to Committee.

SCR 21, urging the President of the United States and Congress to establish an independent commission to advise Congress on campaign finance reform legislation. OUGHT TO PASS

Rep. Carol H. Holden for State-Federal Relations: This bill urges the President of the United States and Congress to establish an independent commission to advise Congress on campaign finance reform legislation. The commission would be modeled after the base closing commission to write legislation to restrain lobbyists and gifts to members of Congress to bring about campaign reform. Vote 9-1.

Adopted and ordered to third reading.

SB 514, relative to the definition of personal watercraft and authorizing certain residents to petition the commissioner of safety to allow the use of personal watercraft on previously restricted water bodies. MAJORITY: INEXPEDIENT TO LEGISLATE MINORITY: OUGHT TO PASS WITH AMENDMENT

Reps. Thomas J. Boriso, Steven J. Connolly, Paul W. Taylor, Peter R. Cote and Henry M. Boermeester for the Majority of the Committee on Transportation: During lengthy hearings and testimony exceeding six and one half hours, the majority on the Transportation Committee believes that there was both sufficient testimony and information available to demonstrate that further restrictions are not necessary. Further, interim study on this bill was not necessary because many sources of information including safety and environmental concerns were available to the Transportation Committee. Vote 12-6.

Reps. Henry P. Mock, Ken W. Malcolm, Fred A. Kruse, Daniel M. Burnham, Mark A. Krochmal and Vivian J. Desmarais for the Minority of the Committee for Transportation: A minority of the committee felt that this divisive issue needed to be addressed now without further delay. The bill never intended to totally ban Personal Watercraft but was intended to treat them all the same. After a public hearing from 10:00 AM to 4:45 PM on April 4, 1996, with the pros and cons evenly divided and mail received by most committee members evenly divided, the minority felt that a responsible compromise was in order. The committee of six supports the proposed floor amendment which would: 1) allow the operation of three seater PWCs with no additional restrictions until January 1, 1998; 2) while at the same time would allow the hearing process to begin upon passage of the bill, to allow owners and dealers the opportunity to appeal any decisions of the Department of Safety; 3) if operators were not satisfied with the results of that appeal, appeals may be made to the courts, or to the highest court of all - the General Court. We couldn't buy into regulating one and two seater machines (now in law) but not regulating machines which are identical in many cases, but just 7.7 inches larger.

Reps. Mock and Lovett spoke against and yielded to questions.

Reps. Merritt, Kobel and Wells spoke in favor.

Reps. Taylor, George Katsakiores, Pfaff and Robert Lawton spoke in favor and yielded to questions.

Rep. Mock requested a roll call; sufficiently seconded. The question being the adoption of the report.

SB 534, requiring candidates to report when either receipts or expenditures exceed a certain amount. INEXPEDIENT TO LEGISLATE

Rep. Randall F. Shaw for Constitutional and Statutory Revision: The change to RSA 664:7 as proposed by SB 534 was included in an amendment to HB 1379 which was voted Ought to Pass by the House on 3/6/96 and passed to the Senate for their action. Vote 11-0.

Adopted.

SB 510, authorizing town moderators to call a secret ballot. INEXPEDIENT TO LEGISLATE

Rep. Paul A. McGuirk for Municipal and County Government: This bill relates specifically to town moderators; however, the committee believes that no moderator should be given the authorization to call a secret ballot. The duties of a moderator include, but are not limited to, regulating the business of the meeting, deciding questions of order, making a public declaration of every vote, and prescribing rules of procedure. RSA 40:4-A deals with secret ballot requests and the committee supports the status quo. A moderator, when prescribing the rules of procedure, should explain to the voters how a secret ballot can be called for. The call for a secret ballot is best reserved for the voters. Vote 12-2.

SB 594, prohibiting capital appropriations from being voted on at special town or district meetings, except in the case of an emergency and relative to the polling place and to special meetings under the official ballot option. OUGHT TO PASS WITH AMENDMENT

Rep. Thomas A. Behrens for Municipal and County Government: The committee quickly became aware of numerous misunderstandings in the towns and school districts relative to the adoption and implementation of SB2 this past March. Interested parties from the Secretary of State's office and Department of Revenue Administration cited numerous areas of confusion and controversy. The bill as amended by the Municipal and County Government committee does the following: 1) corrects language allowing the second meeting under SB 2(1995) without a 50% voter minimum; 2) establishes a study committee to work with DRA and the Secretary of State to identify and draft possible corrective language to SB 2 when and if it becomes necessary; and 3) modifies the pre-emptive clause found in RSA 40:13 and RSA 40:14 to allow HB 141(1995) to have an equal opportunity for consideration. The committee believes that the numerous problems identified should be addressed by the study committee. Until such problems are corrected, subdivisions considering SB 2 should do so with caution. Vote 12-0.

Amendment (5610L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to procedures under the official ballot option to town meeting and establishing a committee to examine procedural aspects of the official ballot law.

Amend the bill by replacing all after the enacting clause with the following:

1 Special Meetings; Revised Operating Budget. Amend RSA 40:13, X to read as follows:

X. If no operating budget article is adopted, the local political subdivision either shall be deemed to have approved the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, or the governing body may hold a special meeting pursuant to paragraph XVI[, notwithstanding any requirement for court petition,] to take up the issue of a revised operating budget only***; provided that RSA 31:5 and 197:3 shall not apply to such a special meeting***. If no operating budget article is adopted the estimated revenues shall nevertheless be deemed to have been approved.

2 Special Meeting; Limitations. Amend RSA 40:13, XVI to read as follows:

XVI. The warrant for any special meeting shall prescribe the date, place and hour for both a first and second session. The second session shall be warned for a date not fewer than 28 days nor more than 60 days following the first session. The first and second sessions shall conform to the provisions of this subdivision pertaining to the first and second sessions of annual meetings. Special meetings shall be subject to RSA 31:5, 39:3, 195:13, 197:2, and 197:3, provided that no more than one special meeting may be held to raise and appropriate money in any one calendar year or fiscal year, whichever applies[. Any special meeting held pursuant to paragraphs

X and XI] ***and further provided that any special meeting held pursuant to paragraph X and XI shall not be subject to RSA 31:5 and 197:3 and*** shall not be counted toward the number of special meetings which may be held in a given calendar or fiscal year.

3 Filing of Petition. RSA 40:14, IX is repealed and reenacted to read as follows:

IX. If a petition for the adoption of this subdivision is presented to the governing body at any time after October 1, prior to the annual meeting, then no action shall be taken to commence the establishment of a charter commission in that local political subdivision until after final action is taken on the petition. However, if, before such a petition is submitted after October 1, the local political subdivision has already voted to establish a charter commission pursuant to RSA 49-B:3, V, then no warrant article for the adoption of this subdivision shall be presented to the voters until final action has been taken on the charter commission's report.

4 Committee Established. There is established a committee to study procedures under RSA 40:13 and 40:14 relative to the adoption of the official ballot referenda. The committee shall consist of 3 representatives, appointed by the speaker of the house, and 3 senators, appointed by the senate president.

5 Duties. The committee shall work with the department of revenue administration and the secretary of state to examine the adoption and enactment processes under RSA 40:13 and RSA 40:14. The department of revenue administration shall prepare interim reports highlighting the committee's concerns as work progresses. The reports shall be made available upon request to the towns of the state. Towns requesting the interim reports shall keep copies available in the town clerk's office for public inspection during the regular business hours of the town clerk.

6 Compensation; Mileage. Members shall not be compensated for their work, on the committee however, members shall receive mileage at the legislative rate when attending to the duties of the committee.

7 Report. The committee shall make its final report containing findings and recommendations for legislation, on or before November 1, 1997, to the governor, senate president, speaker of the house, senate clerk, house clerk, and state library.

8 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill exempts special meetings held pursuant to the official ballot option concerning the adoption of an operating budget from certain requirements for the holding of special meetings.

The bill also establishes a committee to examine procedural aspects of the official ballot option.

Rep. Behrens requested that the question be divided. The Speaker ruled that the question was divisible.

The question now being the adoption of section 3 of the amendment.

Rep. Behrens spoke against.

Section 3 failed.

The question now being the adoption of the remainder of the amendment.

Rep. Behrens spoke in favor.

The remainder of the amendment was adopted.

Report adopted and ordered to third reading.

SB 593-FN-A, relative to New Hampshire Route 125. INEXPEDIENT TO LEGISLATE

Rep. John R. Cloutier for Public Works and Highways: The committee finds this bill inexpedient to legislate because it fails to follow the accepted and adopted process relative to placement on the ten year highway program. A motion to include this bill on the new ten year plan under consideration by the committee failed by an eight to seven vote, and the committee then voted the bill inexpedient. The vote of inexpedient to legislate does not reflect on the merits of the proposal, only the lack of proper process. Vote 15-1.

Rep. Welch spoke against.

Rep. Cloutier spoke in favor.

Rep. Welch requested a roll call; sufficiently seconded. The question being the adoption of the report.

SB 576-L, permitting telecommunications public utilities to provide services at rates lower than those fixed by its schedules of general application to public and private schools grades kindergarten through 12. REFER FOR INTERIM STUDY

Reps. Jeb E. Bradley and John H. Thomas for Science, Technology and Energy: This bill has been superseded by the Federal Communications Act of 1996. Rep. Connolly spoke against.

Rep. Jeb Bradley spoke in favor.

Adopted.

SB 570, relative to the transportation of dogs in motor vehicles. OUGHT TO PASS WITH AMENDMENT

Rep. Henry P. Mock for Transportation: A unanimous vote of the committee confirmed the belief that one of the responsibilities of a legislator is to represent those who cannot speak or reason for themselves - in this case dogs being transported carelessly in the rear of pickup trucks. A committee amendment restricted the bill to pickup trucks (where the bulk of the problems occur), sets up four specific ways which a person may select to prevent a dog from being thrown or from falling or jumping from the truck - plus, in the typical New Hampshire spirit, leaves it up to an individual to devise his/her own way to accomplish the same thing. Farmers and hunters are exempt from the law with certain stipulations. Vote 18-0.

Amendment (5492L)

Amend the bill by replacing section 1 with the following:

1 New Section; Transporting Dogs in Pickup Trucks. Amend RSA 644 by inserting after section 8-e the following new section:

644:8-f Transporting Dogs in Pickup Trucks.

I. No person driving a pickup truck shall transport any dog in the back of the vehicle on a public way, unless the space is enclosed or has side and tail racks to a height of at least 46 inches extending vertically from the floor, the dog is cross tethered to the vehicle, the dog is protected by a secured container or cage, or the dog is otherwise protected, in a manner which will prevent the dog from being thrown or from falling or jumping from the vehicle.

II. Notwithstanding paragraph I, this section shall not apply to the following:

(a) A dog being used by a farmer or farm employee while actually engaged in farming activities requiring the services of a dog; or

(b) A hunting dog being used at a hunting site or between hunting sites by a licensed hunter who is in possession of all applicable licenses and permits for the species being pursued during the legal season for such activity.

III. Any person who violates this section shall be guilty of a violation.

AMENDED ANALYSIS

This bill imposes certain safety requirements in the transportation of certain dogs in the back of pickup truck.

Rep. Putnam spoke against and yielded to questions.

Rep. Mock spoke in favor and yielded to questions.

Rep. Gorman spoke against.

Rep. Hallyburton spoke in favor.

Rep. Putnam requested a roll call; sufficiently seconded. The question being the adoption of the amendment.

COMMITTEE REPORTS
CONSENT CALENDAR

Rep. Ann Torr moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.
Consent Calendar adopted.

SB 548-FN, relative to accidental death benefits for group I and group II members in the New Hampshire retirement system. OUGHT TO PASS WITH AMENDMENT

Rep. Arthur P. Klemm, Jr. for Finance: This bill amends the accidental death benefits payable to beneficiaries of group I or group II retirement system members to include the same options that are available through death by natural causes. The bill also amends the definition of earnable compensation to meet federal requirements of annual compensation limits. Vote 22-0.

Amendment (5716L)

Amend the title of the bill by replacing it with the following:

AN ACT
relative to accidental death benefits for group I and group II members
in the New Hampshire retirement system and relative
to the definition of earnable compensation.

Amend the bill by inserting after the enacting clause the following and renumbering the original sections 1-3 to read as 2-4, respectively:

1 New Hampshire Retirement System; Definition of Earnable Compensation. Amend RSA 100-A:1, XVII to read as follows:

XVII. "Earnable compensation" shall mean for all members the full base rate of compensation paid plus any overtime pay, holiday and vacation pay, sick pay, longevity or severance pay, cost of living bonus, additional pay for extracurricular and instructional activities or for other extra or special duty, and other compensation paid to the member by the employer, plus the fair market value of non-cash compensation such as meals or living quarters if subject to federal income tax. However, earnable compensation in the final 12 months of creditable service prior to termination of employment shall be limited to 1-1/2 times the higher of the earnable compensation in the 12-month period preceding the final 12 months or the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 12 months. Any compensation received in the final 12 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. ***Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen who first become eligible for membership in the system on or after July 1, 1996.***

AMENDED ANALYSIS

This bill amends the accidental death benefits payable to the beneficiaries of a group I or group II New Hampshire retirement system member by changing the beneficiaries eligible to receive the benefits by allowing payment to the member's estate or to a person nominated by the member, and the benefits which they receive.

This bill also amends the definition of earnable compensation to meet federal requirements of annual compensation limits.

Rep. Howard Williams declared a conflict of interest and did not participate.

SB 597-FN, relative to disability retirement benefits. OUGHT TO PASS

Rep. Franklin G. Torr for Finance: This bill permits group I or group II members of the NH retirement system, who are not in service, to make application for disability retirement benefits within a year from the date of the member's last contribution to the system. Vote 23-0.

SB 633-FN-A, relative to victim restitution and compensation. OUGHT TO PASS WITH AMENDMENT

Reps. Franklin G. Torr and Charles W. Ferguson for Finance: The bill as amended removes all financial implications. The bill retains all the policy implications of the policy committee. Adding HB 1577-FN to the bill ensures that the House version reaches Senate consideration again. Vote 21-0.

Amendment (5839L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to victim restitution and compensation and relative to expenses for voluntary or court dispositional service plans.

Amend the bill by replacing all after the enacting clause with the following:

1 Claimant Eligibility. RSA 21-M:8-h, I is repealed and reenacted to read as follows:

I.(a) Victims eligible for compensation are:

(1) any person who sustains personal injury as a result of a felony or misdemeanor;

(2) any person who sustains personal injury caused by a person driving under the influence of alcohol or controlled substances. (3) any person who is a victim of sexual abuse and is under the age of 18 at the time the claim is filed.

(b) In the case of a child victim, the claimant, guardian ad litem, advocate or parent may claim compensation in the victim's stead. If the victim is incompetent or in the case of a victim's death as a direct result of the crime, the immediate family of the victim is eligible to claim compensation. In the case of a victim's disability as a direct result of the crime, the victim's legal representative may claim compensation in the victim's stead.

2 Recovery Limitation Raised. Amend RSA 21-M:8-h, V to read as follows:

V. The claimant may be reimbursed for reasonable out-of-pocket expenses, medical expenses, funeral expenses, counseling expenses and lost wages directly resulting from the crime. No reimbursement shall be paid unless the claimant has incurred reimbursable expenses of at least $100. There shall be a [$5,000] ***$10,000*** ceiling on recovery per claimant per incident. If expenses paid through the victims' assistance program fund are later covered by insurance settlements, civil suit settlements, or restitution, or through any other source, the claimant shall reimburse the fund for the amount of expenses recovered.

3 New Paragraph; Eligible Until Claim Fully Satisfied. Amend RSA 21-M:8-h by inserting after paragraph V the following new paragraph:

VI. Notwithstanding any right by a victim to claim restitution or a court order for restitution under RSA 651:62-67, a victim shall be eligible for compensation under this section.

4 Conditions for Suspension of Sentence; Restriction Required. RSA 651:20, III is repealed and reenacted to read as follows:

III. As a condition of any suspension of sentence, the court may include restitution to the victim, as provided in RSA 651:62-67, performance of uncompensated public service as provided in RSA 651:68-70, and such other conditions as the court may determine.

5 New Section; Restitution; Statement of Purpose. Amend RSA 651 by inserting after section 61 the following new section in the subdivision "Restitution":

651:61-a Statement of Purpose.

I. The legislature finds and declares that the victims of crimes often suffer losses through no fault of their own and for which there is no compensation. It also finds that repayment, in whole or in part, by the offender to the victim can operate to rehabilitate the offender. It is the purpose of this act to establish a presumption that the victim will be compensated by the offender who is responsible for the loss. Restitution by the offender can serve to reinforce the offender's sense of responsibility for the offense, to provide the offender the opportunity to pay the offender's debt to society and to the victim in a constructive manner, and to ease the burden of the victim as a result of the criminal act.

II. The legislature does not intend that restitution be contingent upon an offender's current ability to pay or upon the availability of other compensation. The legislature intends that the court increase, to the maximum extent feasible, the number of instances in which victims receive restitution. The legislature does not intend the use of restitution to result in preferential treatment for offenders with substantial financial resources.

6 Restitution. RSA 651:62-64 are repealed and reenacted to read as follows:

651:62 Definitions. As used in this subdivision, unless the context otherwise indicates:

I. "Claimant" means a victim, dependent, or any person legally authorized to act on behalf of the victim.

II. "Dependent" means any person who was wholly or partially dependent upon the victim for care and support when the crime was committed.

III. "Economic loss" means out-of-pocket losses or other expenses incurred as a direct result of a criminal offense, including:

(a) Reasonable charges incurred for reasonably needed products, services and accommodations, including but not limited to charges for medical and dental care, rehabilitation, and other remedial treatment and care including mental health services for the victim or, in the case of the death of the victim, for the victim's spouse and immediate family;

(b) Loss of income by the victim or the victim's dependents;

(c) The value of damaged, destroyed, or lost property;

(d) Expenses reasonably incurred in obtaining ordinary and necessary services in lieu of those the injured or deceased victim would have performed, if the crime had not occurred, for the benefit of the victim or the victim's dependents;

(e) Reasonable expenses related to funeral and burial or crematory services for the decedent victim.

IV. "Offender" means any person convicted of a criminal or delinquent act.

V. "Restitution" means money or service provided by the offender to compensate a victim for economic loss, or to compensate any collateral source subrogated to the rights of the victim, which indemnifies a victim for economic loss under this subdivision.

VI. "Victim" means a person or claimant who suffers economic loss as a result of an offender's criminal conduct or the good faith effort of any person attempting to prevent or preventing the criminal conduct.

651:63 Restitution; Administrative Fees.

I. Any offender may be sentenced to make restitution in an amount determined by the court. In any case in which restitution is not ordered, the court shall state its reasons therefor on the record or in its sentencing order. Restitution may be ordered regardless of the offender's ability to pay and regardless of the availability of other compensation; however, restitution is not intended to compensate the victim more than once for the same injury. A restitution order is not a civil judgment.

II. Restitution ordered shall be in addition to any other penalty or fine and may be a condition of probation or parole. Restitution, if ordered, may also be a condition of any work release program administered under RSA 651:19 or RSA 651:25.

III. The making of a restitution order shall not affect the right of a victim to compensation under RSA 21-M:8-h, except to the extent that restitution is actually collected pursuant to the order. The offender shall reimburse the victims' assistance fund for any payments made by the fund to the victim pursuant to RSA 21-M:8-h after the restitution order is satisfied. Refused or unclaimed restitution payments shall be made to the victims' assistance fund.

IV. The court's determination of the amount of restitution shall not be admissible as evidence in a civil action. The court shall reduce any civil damage awards by restitution ordered and paid to the victim. Restitution orders shall survive bankruptcy.

651:64 Time and Method of Restitution.

I. The time and method of restitution payments or performance of restitution services shall be specified by the department of corrections. Monetary restitution may be by lump sum, or by periodic installments in any amounts. The court shall not be required to reduce the total obligation as a result of the offender's inability to pay. The offender shall bear the burden of demonstrating lack of ability to pay. Restitution shall be paid by the offender to the department of corrections unless otherwise ordered by the court. Monetary restitution shall not bear interest. Restitution shall be made to any collateral source or subrogee, if authorized by that source and after restitution to the victim, and to the victims' assistance fund, if applicable, has been satisfied. Restitution shall be a continuing obligation of the offender's estate and shall inure to the benefit of the victim's estate, provided that no indebtedness shall pass to any heir of the offender's estate.

II. The department of corrections shall have continuing authority over the offender for purposes of enforcing restitution until the restitution order is satisfied.

III. The department may garnish the offender's wages for the purpose of ensuring payment of victim restitution.

7 Statement of Intent. The legislature intends for sections 7-12 of this act to apply to all cases open for reimbursement on or after July 1, 1995.

8 Delinquent Children; Parental Liability for Services Recoverable for One Year. RSA 169-B:40, I(c) is repealed and reenacted to read as follows:

(c) The state shall have a right of action over for such expenses against the parents and the right to require parents to assign to the state any insurance benefits that may be available to pay for all or a portion of the services provided. The division shall request reimbursement for such expenses from parents and shall request assignment to the state of any insurance benefits that may be available to pay for all or a portion of the services provided. The court shall require the parent to submit a financial statement annually to the court upon which the court shall make an order as to reimbursement to the state as may be reasonable and just, based on the parent's ability to pay. Such financial statement shall include, but not be limited to, any benefits received from the Social Security Administration or insurance benefits available to the individual. The court shall include disposition of these benefits in its order as to reimbursement. Such reimbursement shall be established on a per month or per week basis and shall continue from the time the services begin until 3 years beyond the time such services end, unless such reimbursement is fully paid prior to the end of the 3-year period. The court's jurisdiction to order reimbursement shall continue until the obligation to reimburse has been fulfilled. If the court does not issue a reimbursement order, the court shall issue written findings explaining why such reimbursement is not ordered.

9 Abused or Neglected Children; Parental Liability for Services Recoverable for One Year. RSA 169-C:27, I(c) is repealed and reenacted to read as follows:

(c) The state shall have a right of action over for such expenses against the parents and the right to require parents to assign to the state any insurance benefits that may be available to pay for all or a portion of the services provided. The division shall request reimbursement for such expenses from parents and shall request assignment to the state of any insurance benefits that may be available to pay for all or a portion of the services provided. The court shall require the parent to submit a financial statement annually to the court upon which the court shall make an order as to reimbursement to the state as may be reasonable and just, based on the parent's ability to pay. Such financial statement shall include, but not be limited to, any benefits received from the Social Security Administration or insurance benefits available to the individual. The court shall include disposition of these benefits in its order as to reimbursement. Such reimbursement shall be established on a per month or per week basis and shall continue from the time the services begin until 3 years beyond the time such services end, unless such reimbursement is fully paid prior to the end of the 3-year period. The court's jurisdiction to order reimbursement shall continue until the obligation to reimburse has been fulfilled. If the court does not issue a reimbursement order, the court shall issue written findings explaining why such reimbursement is not ordered.

10 Children in Need of Services; Parental Liability for Services Recoverable for One Year. RSA 169-D:29, I(c) is repealed and reenacted to read as follows:

(c) The state shall have a right of action over for such expenses against the parents and the right to require parents to assign to the state any insurance benefits that may be available to pay for all or a portion of the services provided. The division shall request reimbursement for such expenses from parents and shall request assignment to the state of any insurance benefits that may be available to pay for all or a portion of the services provided. The court shall require the parent to submit a financial statement annually to the court upon which the court shall make an order as to reimbursement to the state as may be reasonable and just, based on the parent's ability to pay. Such financial statement shall include, but not be limited to, any benefits received from the Social Security Administration or insurance benefits available to the individual. The court shall include disposition of these benefits in its order as to reimbursement. Such reimbursement shall be established on a per month or per week basis and shall continue from the time the services begin until 3 years beyond the time such services end, unless such reimbursement is fully paid prior to the end of the 3-year period. The court's jurisdiction to order reimbursement shall continue until the obligation to reimburse has been fulfilled. If the court does not issue a reimbursement order, the court shall issue written findings explaining why such reimbursement is not ordered.

11 Application of 1995, 308:60, 73, and 85; State's Right of Action for Recovery of Expenses and Transaction Costs for a Minor's Support. The provisions of RSA 169-B:40, I(c); 169-C:27, I(c); and 169-D:29, I(c); as amended by 1995, 308:60; 308:73; and 308:85; shall not be applied retroactive to July 1, 1995, and any person chargeable by law and adversely affected by the retroactive application of such provisions shall receive notice of such from the resident county and such liability shall be recalculated on the basis of the provisions of this act.

12 Application of Sections 7-12 of This Act. Sections 7-12 of this act shall apply to all liabilities incurred under RSA 169-B:40, I(c); 169-C:27, I(c); and 169-D:29, I(c) as of July 1, 1995.

13 Repeal. The following are repealed:

I. RSA 21-M:8-l, I, relative to rehabilitation as a purpose for restitution.

II. 1981, 329:1, relative to the purpose for restitution.

14 Effective Date.

I. Sections 1-6 and 13 of this act shall take effect July 1, 1997.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Makes more people eligible for restitution and increases the amount which may be awarded to victims.

II. Increases ceiling on recovery per claimant per incident.

III. Changes the procedure by which restitution is awarded, collected and distributed.

IV. Establishes a special fund for the operating appropriation of the division of field services, department of corrections.

V. Provides that parental liability for the expenses for voluntary or court dispositional service plans shall be recoverable for a period from the time the services begin until 3 years beyond the time such services end.

VI. Provides application provisions for 1995, 306:60, 73, and 85 and the provisions set forth in sections 7-12 of this bill.

SB 635-FN, relative to cost of living adjustments for retired firefighters. OUGHT TO PASS

Rep. Robert L. Wheeler for Finance: The majority of the committee felt the elimination of the special reserve and the establishment of a special account to fund COLAs with excess earnings was appropriate and the allocation of assets was equitable. Vote 19-1.

Rep. Weare declared a conflict of interest and did not participate.

SB 647-FN, permitting holders of certain licenses to sell specialty beer. OUGHT TO PASS

Rep. Donna M. Soucy for Finance: This bill defines specialty beer and permits holders of brew pub licenses to manufacture and sell beer for on or off premise consumption as well as for wholesale distribution. Although the Liquor Commission was unable to calculate the fiscal impact, we were assured that it would be positive. Vote 20-0.

SB 654-FN, relative to fees for certain hunting and fishing licenses. OUGHT TO PASS

Rep. Charles L. Vaughn for Finance: This bill modifies the licensing procedures and fees for disabled persons applying for a license to hunt in a motor vehicle or with a crossbow, and also for disabled veterans seeking a hunting or fishing license. Vote 21-0.

REGULAR CALENDAR

SB 7-FN-A, relative to kindergarten aid programs, the establishment of certain kindergarten aid funds, and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Mary Jane Wallner for Finance: The Finance Committee amendment takes out the $2.7 million appropriation from the Senate kindergarten bill and replaces it with $1. The amendment also adds the Local Educational Improvement Program (formerly the School Improvement Program [SIP]) to this bill. HB 1252, the Local Educational Improvement bill which the House passed, was killed in the Senate. By amending this bill it ensures that this program will receive consideration again. Vote 16-3.

Amendment (5831L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to kindergarten aid programs and making an appropriation therefor,
and establishing a local education improvement assistance program
and making an appropriation therefor.

Amend the bill by replacing all after section 3 with the following:

4 Appropriation.

I. There is hereby appropriated to the department of education the sum of $1 for the kindergarten aid program, for the fiscal year ending June 30, 1997, for the purposes of sections 1-3 of this act. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

5 Section Heading Revised. Amend the section heading of RSA 193-C:9 to read as follows:

193-C:9 Local Education Improvement and Assessment Plan*; Assistance Program*.

6 Local Education Improvement Assistance Program Established. RSA 193-C:9, II is repealed and reenacted to read as follows:

II.(a) There is established within the department of education a local education improvement assistance program. The department shall use funds appropriated for this program to provide technical assistance and training to school districts in developing and implementing local education improvement and assessment plans based on assessment results.

(b) Funds shall be utilized to support school districts in the use of local and statewide assessment results to improve instruction and enhance student learning, and to identify and implement methods and models of instruction that have proven to be effective in helping students reach the educational standards identified in the New Hampshire curricular framework.

(c) A strong emphasis shall be placed on identifying model teachers in the areas included in the statewide education improvement and assessment program and providing them with opportunities to share their expertise and enthusiasm with local educators and community members in developing local education improvement and assessment plans.

(d) In implementing this program, the department may enter into grants or contracts with institutions of higher education, regional consortia, and private businesses. Grant recipients and contractors shall work in coordination with, and under the broad supervision of, the department of education.

7 Supplemental Appropriations; Local Education Improvement Assistance Program. The sums of $1 for the fiscal year ending June 30, 1996, and $1 for the fiscal year ending June 30, 1997, are hereby appropriated to the department of education for the local education improvement assistance program established in RSA 193-C:9, II. These appropriations shall not lapse until June 30, 1997. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated. These sums shall be in addition to any other sums appropriated to the department.

8 Repeal. RSA 186:69, relative to the school improvement program, is repealed.

9 Effective Date.

I. Sections 1-4 of this act shall take effect July 1, 1996.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a kindergarten aid program to be administered by the department of education. The purpose of this program is to provide state assistance to districts which presently operate kindergartens to ensure the continuation of such programs, and to encourage districts which do not provide kindergarten to make kindergarten available.

This bill also establishes a local education improvement assistance program and makes appropriations to the department of education for such program.

Adopted.

Rep. Frances Riley requested a roll call; sufficiently seconded. The question being the adoption of the report.

SB 542-FN, relative to license and registration suspensions, increasing the registration restoration fee and clarifying regulations regarding the registration and fees for semi-trailers. INEXPEDIENT TO LEGISLATE

Rep. Charles L. Vaughn for Finance: The Finance Committee was unsympathetic to the policy of joining suspension and license revocation with license registration due to the issue of hardship on a family's breadwinner. The second section of the bill having to do with trailer fees and registration was rejected because municipal permit fees for semi-trailer registrations would be drastically reduced. Vote 20-3.

Rep. Vaughn spoke against and yielded to questions.

Rep. LaMott spoke in favor and yielded to questions.

On a division vote, 208 members having voted in the affirmative and 111 in the negative, the report was adopted.

SB 547-FN-A, requiring the department of safety services, division of safety services, to publish the New Hampshire boaters guide and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Merle W. Schotanus for Finance: The amendment to this bill replaces the original bill. The amendment establishes a revolving publications fund at the division of safety services level to assist it in updating and publishing the NH boating guide. $20,000 is appropriated on a one-time basis to start the fund. Vote 15-7.

Amendment (5836L)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the department of safety, division of safety services to publish the New Hampshire Boaters guide, establishing a revolving fund to pay for publication of the Boaters guide and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 New Sections; Publication of Boaters Guide; Revolving Fund Established. Amend RSA 270-D by inserting after section 2 the following new sections:

270-D:2-a Boaters Guide. The department of safety, division of safety services shall publish the New Hampshire Boaters guide and the director may charge a fee to recover the cost of publication.

270-D:2-b Revolving Fund Established. In order to finance the costs associated with the publication of the New Hampshire Boaters guide, a nonlapsing revolving fund, which shall not exceed $20,000 on June 30 of each year, shall be established in the department of safety, division of safety services. Any amounts in excess of $20,000 on June 30 of each year shall be deposited in the general fund as unrestricted revenue. A reasonable charge may be established for each copy of the guide, published pursuant to RSA 270-D:2-a, at the discretion of the director. The director may also accept any gifts, grants, or donations made available to the department for the purposes of this section.

2 New Subparagraph; Application of Receipts. Amend RSA 6:12, I by inserting after subparagraph (lll) the following new subparagraph:

(mmm) Moneys received by the department of safety, division of safety services which shall be credited to the fund established in RSA 270-D:2-b.

3 Appropriation. The sum of $20,000 for the fiscal year ending June 30, 1996, is hereby appropriated to the department of safety, division of safety services for the purposes of funding the revolving fund established in section 1 of this act. This appropriation shall be in addition to any other funds appropriated to the department of safety, division of safety services. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

(1) Requires the department of safety, division of safety services to publish the New Hampshire Boaters guide.

(2) Establishes a revolving fund to be used to fund costs associated with the publication of the New Hampshire Boaters guide and appropriates money to the fund.

Adopted.

Report adopted and ordered to third reading.

SB 580, relative to liquor licensees. OUGHT TO PASS

Rep. David J. Alukonis for Finance: The Finance Committee finds that the bill, as amended by the House, will have a minimal positive impact on state liquor commission revenues. Vote 14-6.

Adopted.

Ordered to third reading.

COMMITTEE OF CONFERENCE REPORT ON SB 4-FN

The committee of conference to which was referred Senate Bill 4-FN, An Act relative to the time allowed for postsurgical recovery having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after section 6 with the following:

7 Ambulatory Surgical Facilities. Amend RSA 151-C:2-a to read as follows:

151-C:2-a Ambulatory Surgical Facilities.

I. An ambulatory surgical facility [shall not] ***licensed on or before July 1, 1996, may*** provide ***2*** beds [or other accommodations] for the overnight stay of patients***, not to exceed 24 hours***. An individual patient shall be discharged in an ambulatory condition without danger to the continued well-being of the patient or shall be transferred to a hospital.

II. An ambulatory surgical facility ***licensed after July 1, 1996,*** shall not provide beds or other accommodations for the overnight stay of patients. An individual patient shall be discharged in an ambulatory condition without danger to the continued well-being of the patient or shall be transferred to a hospital.

8 Ambulatory Surgical Facilities. Amend RSA 151-C:2, II to read as follows:

II. An ambulatory surgical facility [licensed after July 1, 1996,] shall not provide beds or other accommodations for the overnight stay of patients. An individual patient shall be discharged in an ambulatory condition without danger to the continued well-being of the patient or shall be transferred to a hospital.

9 Ambulatory Surgical Facility Pilot Program. The health services planning and review board (board) shall establish a 2-year ambulatory surgical facility pilot program to study the need for and efficiency of overnight beds in ambulatory surgical facilities. This pilot program shall terminate July 1, 1998. Ambulatory surgical facilities licensed by the state of New Hampshire on or prior to July 1, 1996, which elect to provide overnight stays under RSA 151-C:2-a, I shall participate in the pilot program by notifying the board and fulfilling licensure requirements established in accordance with RSA 151. The commissioner of health and human services shall adopt rules, pursuant to RSA 541-A, regarding quality and safety standards for overnight beds in ambulatory surgical facilities. The board shall require participating facilities to submit utilization and financial data in order for the board to complete its study. Upon completion of the pilot program, the board shall issue a report to the governor, the president of the senate, the speaker of the house, the senate clerk, the house clerk, and the state library regarding the future need, if any, for overnight beds in ambulatory surgical facilities.

10 Repeal. RSA 151-C:2-a, I, relative to overnight stays, is repealed.

11 Effective Date.

I. Sections 8 and 10 of this act shall take effect July 1, 1998.

II. The remainder of this act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill clarifies the law relative to overnight stays and ambulatory facilities under RSA 151-C.

The bill establishes a 2-year pilot program relative to ambulatory surgical facilities. During the pilot program period, an ambulatory surgical facility licensed on or prior to July 1, 1996, may provide 2 beds for overnight accommodation of patients. The commissioner of health and human services is directed to adopt rules regarding the pilot program.

Rep. Pfaff, Sen. Currier for the Committee

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Ann Torr moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

SB 511, regulating business practices among motor vehicle manufacturers, distributors, and dealers, was removed at the request of Rep. Hunt.

Consent Calendar adopted.

SB 622-FN, relative to the custody of remains of deceased persons and the profession of embalmers and funeral directors. OUGHT TO PASS WITH AMENDMENT

Rep. Maurice E. Goulet for Executive Departments and Administration: This bill now requires embalmers and funeral directors to take continuing education as a condition of license renewal; modifies the disciplinary and hearing procedures and investigatory powers of the funeral directors and embalmers board. Most importantly, however, it establishes a chain of custody for the remains of deceased persons. Vote 10-0.

Amendment (5575L)

Amend the bill by replacing section 16 with the following:

16 Penalty Clarified. Amend the introductory paragraph of RSA 325:43 to read as follows: A person shall be guilty of a class ***B*** misdemeanor if a natural person, or a felony if any other person, who:

SB 518, relative to the industrial center and the financial liability of the state for a company's default on matching fund obligations, authorizing the assessment of fees on certain projects, and the disposition of equipment purchased with state funds. OUGHT TO PASS

Rep. Neal M. Kurk for Finance: The title says it all. The fee appears reasonable and there is no impact on general fund revenues. Vote 23-1.

SB 621-FN-L, regulating the use of heating, agitating, and other devices in public waters. OUGHT TO PASS WITH AMENDMENT

Rep. Merle W. Schotanus for Finance: The amendment replaces all after section 1 of the original bill. The basic amendment moves two unoccupied positions from the state revolving fund to the Dam Registration and Dam Maintenance Fund PAUs, respectively, and appropriates $97,197 from funds already available in the two PAUs to fund the two positions. Funding these positions will enable the Department of Environmental Services to improve its dam inspection rate as well as accelerate the completion of Emergency Action Plans for state-owned dams. The remainder of the amendment accomplishes several administrative actions, to include: legalizing the 1996 Kingston town meeting; revitalizing the Conway Country Squire Realty Associates, Inc.; extending the reporting date of a study committee established in HB 32; and repealing a duplicative provision of the biennial budget bill relative to budget reductions in the Department of Health and Human Services. Vote 24-0.

Amendment (5904L)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the dam safety program in the department of environmental services and making an appropriation therefor; legalizing the Kingston town meeting; reinstating the corporate charter of Country Squire Realty Associates, Inc.; extending the reporting date of the legislative study committee established to examine the bumping rights of department of health and human services employees; and repealing a general fund appropriation reduction for the department of health and human services for fiscal year 1997.

Amend the bill by replacing all after section 1 with the following:

2 Transfer of Positions Within Department of Environmental Services from State Revolving Fund Administration to Dam Maintenance Fund and Dam Registration Fund. The position of civil engineer IV, position number 30249, is transferred from PAU 03, 04, 03, 02, 01 to PAU 03, 04, 02, 02. The position of civil engineer V, position number 12025, is transferred from PAU 03, 04, 03, 02, 01 to PAU 03, 04, 02, 06.

3 Department of Environmental Services; Appropriation From Dam Maintenance Fund. In addition to any other sums appropriated to PAU 03, 04, 02, 02, the following sums are hereby appropriated from the dam maintenance fund to the following classes for the fiscal year ending June 30, 1997:

10 Personal services - permanent	$	34,651
60 Benefits		10,741
Total	$	45,392
Estimated source of funds		
09 Agency income	$	45,392

4 Department of Environmental Services, Appropriation From Dam Registration Fund. In addition to any other sums appropriated to PAU 03, 04, 02, 06, the following sums are hereby appropriated from the dam registration fund to the following classes for the fiscal year ending June 30, 1997:

10 Personal services - permanent	$	39,546
60 Benefits		12,259
Total	$	51,805
Estimated source of funds		
07 Agency income	$	51,805

5 Town of Kingston. Those actions, votes, and proceedings of the Kingston annual town meeting held on March 13, 1996, are hereby legalized, ratified, and confirmed.

6 Reinstatement of Country Squire Realty Associates, Inc. The charter of Country Squire Realty Associates, Inc. of North Conway, New Hampshire, incorporated on December 15, 1960, was forfeited on November 4, 1988, under former RSA 293-A:95, I(a) now codified at RSA 293-A:14.21. Upon payment of any fees in arrears, a reinstatement fee of $135 under RSA 293-A:1.22(a)(7), the filing of any annual reports required by law, the filing of an affidavit with the secretary of state stating that there are no lawsuits pending against the corporation, and obtaining a certificate of good standing from the department of revenue administration, Country Squire Realty Associates, Inc. shall be reinstated for all purposes as a New Hampshire corporation. This reinstatement shall be retroactive to November 4, 1988.

7 Reporting Date Extended. Amend 1995, 310:202, III to read as follows:

III. The committee shall submit a report of its findings including any recommendations for legislation by March 1, [1996] ***1997***, to the president of the senate, speaker of the house, governor, house clerk, senate clerk, and state library.

8 Repeal. 1995, 307:12, relative to a general fund appropriation reduction for the department of health and human services for fiscal year 1997, is repealed.

9 Effective Date.

I. Sections 5-8 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill:

I. Transfers positions within the department of environmental services for the purposes of the dam safety program.

II. Makes an appropriation to the department to expedite the completion of emergency action plans for all class B and class C dams.

III. Legalizes the Kingston annual town meeting.

IV. Reinstates the corporate charter of Country Squire Realty Associates, Inc.

V. Extends the reporting date of the legislative study committee established to examine the bumping rights of department of health and human services employees.

VI. Repeals a provision in the 1996-1997 operating budget which directed the department of human services to reduce general fund appropriations. This reduction was accomplished in 1995, 310 (HB 32).

SB 666-FN-A, relative to a multi-jurisdictional fuel tax agreement. OUGHT TO PASS

Rep. David J. Alukonis for Finance: This bill, as amended by the House on April 17, proposes to minimize a catastrophic loss to the highway fund. Should the bill not pass, state highway fund revenues will be reduced by an amount in excess of $13,000,000 each year. In order to avoid this disastrous situation, the bill proposes to change the method by which the state diesel tax is collected. This is not a new tax and neither is it a tax increase. By changing the method of collection of the diesel tax, the state will be in compliance with the International Fuel Tax Agreement (IFTA) and will continue to collect the diesel tax with minimal financial impact to the State Highway Fund. Vote 23-0.

REGULAR CALENDAR

SB 561-A, making a supplemental appropriation for capital improvements to the university system of New Hampshire for Lamson library at Plymouth state college. OUGHT TO PASS WITH AMENDMENT

Rep. Kenneth L. Weyler for Finance: Some of the projects in the biennial capital budget passed in 1995 were eliminated in the committee of conference. In retrospect, some important projects were delayed. The Public Works and Finance committees agree that these projects need to be reconsidered. These are primarily the Lamson Library and the combination partition/furniture for the Brown building. Additionally the bill allows transfer of funds from one court house project to another, changes property tax treatment at Pease, as agreed to by the PDA and Portsmouth, and extends lapse dates and reporting dates for five other projects. Vote 23-1.

Amendment (5907L)

Amend the title of the bill by replacing it with the following:

AN ACT

making an appropriation for capital improvements for Lamson library at Plymouth state college and for the purchase of furnishings for the Brown building; extending certain lapse dates; relative to the Pease development authority; relative to the state veterans' oversight committee and a state veterans' cemetery; increasing an appropriation for the Hanover-Lebanon District Court; and decreasing an appropriation for the Coos County Superior Court.

Amend the bill by replacing all after section 7 with the following:

8 "Airport District" Redefined. Amend RSA 12-G:2, I to read as follows:

I. "Airport district" means:

(a) The property conveyed, granted or otherwise transferred to the authority by the federal government or any agency thereof pursuant to section 13(g) of the Surplus Property Act of 1944 [(50 U.S.C. App. section 1622(g))], as amended[;]***, or such other provision of federal law authorizing transfer of federal surplus property for airport purposes. Property conveyed, granted, or otherwise transferred to the authority in this manner shall automatically become part of the airport district, but may be removed from the airport district by the authority in accordance with the procedures prescribed in RSA 12-G:10, II, after the contraction of the airport district has been approved by the governing body of the municipality in which the land sought to be taken from the airport district is located; or,***

(b) Property conveyed, granted, or otherwise transferred to the authority by the federal government or any agency thereof***, or otherwise acquired by the authority,*** and declared or designated by the authority as the "airport district" in accordance with the procedures prescribed

in RSA 12-G:10, II, after the expansion [or contraction] of the district has been approved by the governing body of the municipality in which the land sought to be added to or taken from the airport district is located. ***Such property may be subsequently removed from the airport district by the authority in accordance with the procedures prescribed in RSA 12-G:10, II, after the contraction of the airport district has been approved by the governing body of the municipality in which the land sought to be taken from the airport district is located.***

9 New Paragraph; "Surplus Property Act" Defined. Amend RSA 12-G:2 by inserting after paragraph XVII the following new paragraph:

XVIII. "Surplus Property Act" and all references to section 13(g) of the Surplus Property Act of 1944, as amended, mean any provision of federal law authorizing transfer of federal surplus property for airport purposes, including 49 U.S.C. section 4715(a); 50 U.S.C. App. section 1622(g), as amended, to the extent applicable prior to the enactment of 49 U.S.C. section 4715(a); and any other provision of federal law that may be subsequently enacted that authorizes the transfer of federal surplus property for airport purposes.

10 Payment of Lessee of Local Taxes; Former Pease Air Force Base. RSA 12-G:11, II(b) and (c) are repealed and reenacted to read as follows:

(b) In the case of such property leased from the authority, the lessee of such property shall pay all taxes duly assessed against such property no later than the due date. [If the lessee fails to pay such duly assessed taxes by the due date:]

(1) Interest shall accrue on the unpaid taxes at a rate of 18 percent per annum from the due date until such taxes are paid;

(2) The municipality in which the leased property is located shall have a lien, subordinate only to any existing lien of the authority or the state, upon any personal property including, but not limited to, equipment owned by the lessee, which lien shall continue in force from the due date until the taxes and accrued interest are paid; and

(3) The municipality may bring suit against the lessee in any court of competent jurisdiction for the recovery of any unpaid taxes and interest, together with reasonable attorney's fees and costs.

(c) Such tax payments shall be made at the times and in the manner prescribed for ad valorem property taxes for nongovernmental persons and shall be based on the valuation of the property determined by the respective municipality for such purpose, subject to any equalization or proportionality factor to be applied within such municipality. If the lessee or authority determines that any valuation made by a municipality is excessive, it may seek a reduction of the valuation by following the procedures prescribed in RSA 76 for the abatement of taxes.

Report adopted and ordered to third reading.

SB 651, relative to taxes on simulcast dog racing and establishing a committee to examine certain aspects of the pari-mutuel industry. OUGHT TO PASS WITH AMENDMENT

Rep. Kenneth L. Weyler for Finance: Revenues from horse and dog racing have been in steady decline for several years. This bill proposes a study committee to look at causes and effects. A bill last session could serve as an example to show how taxes have become burdensome on this industry. That same bill gave advantage to only one track. The amendment also levels the playing field as to how the state taxes wagers on simulcast racing at dog tracks, and makes more money available for purses at the horse track. Vote 14-7.

Amendment (5889L)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a temporary tax rate in simulcast dog racing, establishing a committee to examine certain aspects of the pari-mutuel industry, and establishing a temporary breakage distribution for certain running horse races.

Amend the bill by replacing section 2 with the following:

2 Temporary Tax Rate Established for Fiscal Year Ending June 30, 1997.

I. Except as provided in paragraph II, notwithstanding RSA 284:22-a or any provision of law to the contrary, all licensees at race tracks which simulcast dog racing as provided in RSA 284:22-a, for the period beginning July 1, 1996, and ending June 30, 1997, shall pay to the state treasury a sum equal to 3.5 percent of the total contribution to all pari-mutuel pools of simulcast dog racing. The amount so paid to the state treasury shall be distributed in accordance with the provisions of RSA 284:2.

II. Notwithstanding RSA 284:22-a or any other provision of law to the contrary, for pari-mutuel tracks where during the previous calendar year there were fewer than 150 live greyhound performance programs and where the live greyhound handle was less than $35,000 for any program, for the period beginning July 1, 1996, and ending June 30, 1997, when the simulcast dog racing handle exceeds $6,171,000, the licensee shall pay to the state treasury a sum equal to 3.5 percent of the total contribution to all pari-mutuel pools of simulcast dog racing. The amount so paid to the treasury shall be distributed in accordance with the provisions of RSA 284:2. When the simulcast dog racing handle does not exceed $6,171,000 at such pari-mutuel tracks, for the period beginning July 1, 1996, and ending June 30, 1997, such licensee shall be subject to the tax as provided in RSA 284:22-a.

Amend the bill by replacing all after section 7 with the following:

8 Temporary Breakage Redistribution for Fiscal Year Ending June 30, 1997. Notwithstanding RSA 284:22, I, II, IV, and V or any provision of law to the contrary, for the period beginning July 1, 1996, and ending June 30, 1997, the commission on all win, place and show pari-mutuel pools at tracks or race meets at which running horse races are conducted for public exhibition shall be uniform throughout the state at the rate of 19 percent of each dollar wagered in such pools, and the commission on all other pari-mutuel pools at such tracks or race meets shall be at the rate of not less than 26 percent of each dollar wagered in such pools and not more than 27 percent of each dollar wagered in such pools as determined from time to time by the licensee which conducts live running horse races after written notice to the commission and, in the absence of written notice, at the rate of 26 percent of each dollar wagered in such pools. Except as provided in RSA 284:22-a, the amount of the purse at such tracks or race meets at which running horse races are conducted shall be 8-1/4 percent of each dollar wagered in all pari-mutuel pools, said 8-1/4 percent to be paid by the licensee out of the commission on such pools. In addition to the above commission, 1/2 of the odd cents of all redistribution based on each dollar wagered exceeding a sum equal to the next lowest multiple of 10 (except, with simulcast wagering, in cases where the licensee pays out more than the total amount in the pool, the lowest multiple of 5 shall be used), known as "breakage," shall be retained by the licensee. The balance of such breakage shall be paid over to the pari-mutuel commission. Within 2 days after receipt of the state's balance, such breakage shall be paid over in an amount up to $194,447, by the pari-mutuel commission, to the licensee which conducts live thoroughbred horse racing

to supplement purses of live thoroughbred races. Up to $247,750 shall then be paid over by the pari-mutuel commission to the state treasurer for deposit in the general fund as unrestricted revenue. Any balance of such breakage which exceeds the amount credited to the state general fund shall be distributed by the commission to the licensee which conducts live thoroughbred horse racing to supplement purses of live thoroughbred races. Each licensee shall pay the tax as provided by section 2 of this act.

9 Effective Date of Amendment to RSA 284:23, V Changed. Amend 1995, 224:3, I to read as follows:

I. Section 2 of this act shall take effect July 1, [2000] ***1997***.

10 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill:

(1) Changes how taxes are calculated for simulcast and live dog races for fiscal year 1997 for certain dog tracks which engage in simulcasting.

(2) Establishes a committee to examine certain aspects of the pari-mutuel industry. The committee shall report its findings on or before November 1, 1996.

(3) Changes how breakage is distributed for certain running horse races for fiscal year 1997.

(4) Changes the effective date of an amendment to RSA 284:23, V from July 1, 2000 to July 1, 1997.

Reps. Donna Soucy and Hawkins spoke against and yielded to questions.

Rep. Weyler spoke in favor.

Rep. Kurk spoke in favor and yielded to questions.

Rep. Hawkins requested a roll call; sufficiently seconded. The question being the adoption of the amendment.

RECONSIDERATION

Having voted with the prevailing side, Rep. Kurk moved that the House reconsider its action whereby it adopted, as amended by the House, **SB 651**, relative to taxes on simulcast dog racing and establishing a committee to examine certain aspects of the pari-mutuel industry.

Reconsideration lost.

REGULAR CALENDAR (Cont'd.)

SB 511, regulating business practices among motor vehicle manufacturers, distributors, and dealers. OUGHT TO PASS WITH AMENDMENT

Rep. Lawrence A. Emerton, Sr. for Executive Departments and Administration: This bill came to us from the commerce committee where it passed 19-1 after it passed the house on April 17 on the consent calendar. The ED&A committee held two sub-committee hearings, consulted with the finance committee and made several technical amendments. The name of the board was changed to the New Hampshire Motor Vehicle Industry Board so that it would not be confused with the existing New Motor Vehicle Arbitration Board. Vote 15-0.

Amendment (5873L)

Amend the bill by replacing all after the enacting clause with the following:

1 Unfair and Deceptive Practices. Amend RSA 357-C:3, III(m) and (n) to read as follows:

(m) Require a motor vehicle dealer to assent to a release assignment, novation, waiver, or estoppel which would relieve any person from liability imposed by this chapter; [or]

(n) Impose unreasonable restrictions on the motor vehicle dealer or franchisee relative to transfer, sale, right to renew, termination, discipline, noncompetition covenants, site-contract, right of first refusal to purchase, option to purchase, compliance with subjective standards, or assertion of legal or equitable rights*;*

(o) To change the relevant market area set forth in the franchise agreement without good cause. For purposes of the subparagraph, good cause shall include, but not be limited to, changes in the dealer's registration pattern, demographics, customer convenience, and geographic barriers.

2 Reference Changed to Board. Amend RSA 357-C:4 to read as follows:

357-C:4 Delivery and Preparation Obligations. Every manufacturer shall specify to the dealer, the delivery and preparation obligations of its motor vehicle dealers prior to delivery of new motor vehicles to retail buyers. A copy of the delivery and preparation obligations of its motor vehicle dealers and a schedule of the compensation to be paid by it to its motor vehicle dealers for the work and services they shall be required to perform in connection with such delivery and preparation obligations shall be filed with the [attorney general] ***New Hampshire motor vehicle industry board*** by every motor vehicle manufacturer. The compensation as set forth on such schedule shall be reasonable in the same manner as provided in RSA 357-C:5, II(b). No dealer shall charge any purchaser for work or services paid for by the manufacturer.

3 Limitation on Warranty Sales and Service Audits Added. Amend RSA 357-C:5, II(d) to read as follows:

(d)*(1)* All claims made by new motor vehicle dealers pursuant to this section for labor and parts shall be paid within 30 days following their approval. All such claims shall be either approved and paid or disapproved within 30 days after their receipt, and any claim not specifically disapproved in writing within such period shall be deemed approved. Notice of rejection of any claim shall be accompanied by a specific statement of the grounds on which the rejection is based.

(2) A manufacturer, distributor, branch, or division shall retain the right to audit warranty claims for a period of one year after the date on which the claim is paid and charge back any amounts paid on claims that are false or unsubstantiated.

(3) A manufacturer, distributor, branch, or division shall retain the right to audit all incentive and reimbursement programs for a period of 2 years after the date on which the claim is paid and charge back any amounts paid on claims that are false or unsubstantiated.

(4) Any new motor vehicle dealer who is audited by a manufacturer, distributor, branch, or division shall have the right to be present or represented by counsel or other designated representative.

(5) Any chargeback resulting from any audit shall not be made until a final order is issued by the New Hampshire motor vehicle industry board if a protest to the proposed chargeback is filed within 30 days of the notification of the amount claimed by the manufacturer, distributor, branch, or division to be due. If the chargeback is affirmed by a final order of the board, the dealer shall be liable for interest on the amount set forth in the order at a rate of the prime rate effective on the date of the order plus one percent per annum from the date of the filing of the protest. In the absence of fraud, the board may order, based on the equities and circumstances of the parties, that the chargeback plus applicable interest be paid in installments not exceeding 12 months. If the board finds that a warranty chargeback is the result of a fraudulent warranty claim, no installment payments shall be allowed by the board.

(6) A manufacturer, distributor, branch or division shall retain the right to charge back a fraudulent warranty claim, subject to any limitation period established in the franchise agreement but in no event longer than the limitation period provided in RSA 508:41. The applicable limitation period shall commence on the date a fraudulent warranty claim is paid.

4 Agreements. Amend RSA 357-C:6, I and II to read as follows:

I. All written or oral agreements of any type between a manufacturer[,] or distributor and a motor vehicle dealer shall be subject to the provisions of this chapter, and provisions of such agreements which are inconsistent with this chapter shall be void as against public policy and unenforceable in the courts ***or the motor vehicle industry board*** of this state.

II. Before any new selling agreement or amendment [thereto] ***to an agreement*** involving a motor vehicle dealer and such party becomes effective, the manufacturer, distributor, distributor branch or division, factory branch or division, or agent thereof shall, 90 days prior to the effective date thereof, forward a copy of such agreement or amendment to the [attorney general] ***New Hampshire motor vehicle industry board*** and to the dealer.

5 Limitations on Cancellations, Terminations, and Nonrenewals. Amend RSA 357-C:7, I to read as follows:

I. Notwithstanding the terms, provisions, or conditions of any agreement or franchise, and notwithstanding the terms or provision to any waiver, no manufacturer shall cancel, terminate, fail to renew, or refuse to continue any franchise relationship with a licensed new motor vehicle dealer unless [the manufacturer has]:

(a) ***The manufacturer has*** satisfied the notice requirement of paragraph V;

(b) ***The manufacturer has*** acted in good faith; [and]

(c) ***The manufacturer*** has good cause for the cancellation, termination, nonrenewal, or noncontinuance***; and***

(d)(1) The New Hampshire motor vehicle industry board finds after a hearing that there is good cause for cancellation, termination, failure to renew, or refusal to continue any franchise relationship. The new motor vehicle dealer may file a protest with the board within 45 days after receiving the 90-day notice. A copy of the protest shall be served by the new motor vehicle dealer on the manufacturer. When a protest is filed, the manufacturer may not cancel, terminate, fail to renew, or refuse to continue dealing with the new motor vehicle dealer in the ordinary course of business until the board makes its findings; or,

(2) The manufacturer has received the written consent of the new motor vehicle dealer; or

(3) The appropriate period for filing a protest has expired.

6 Notification of the Board. Amend RSA 357-C:7, V(a) to read as follows:

V.(a) Notwithstanding the terms, provisions, or conditions of any agreement or franchise or the terms or provisions of any waiver, prior to the termination, cancellation, or nonrenewal of any franchise, the manufacturer shall furnish notification of such action to the new motor vehicle dealer ***and the board*** in the manner described in subparagraph (b) not less than 90 days

prior to the effective date of such termination, cancellation, or nonrenewal, except that the notice required of a controlled financing company of a manufacturer shall be that period set forth in its contract with the dealer.

7 Limitations on Establishing or Relocating Dealerships. Amend RSA 357-C:9 to read as follows:

357-C:9 Limitations On Establishing Or Relocating Dealerships.

I. In the event that a manufacturer seeks to enter into a franchise establishing an additional new motor vehicle dealership or relocating an existing new motor vehicle dealership within a relevant market area where the same line make is then represented, the manufacturer shall first give written notice to the [attorney general] ***New Hampshire motor vehicle industry board*** and each new motor vehicle dealer of such line make in the relevant market area of the intention to establish an additional dealership or to relocate an existing dealership within that market area. Within 15 days of receiving such notice or within 15 days after the end of any appeal procedure provided by the manufacturer, any such new motor vehicle dealership may file a protest with the [attorney general] ***New Hampshire motor vehicle industry board*** to the establishing or relocating of the new motor vehicle dealership. ***A copy shall be served on the manufacturer within the 15-day period.*** When such protest is filed, the [attorney general shall inform the manufacturer that a timely protest has been filed, and that the] manufacturer may not establish or relocate the proposed new motor vehicle dealership until the [superior court] ***board*** has held a hearing, nor thereafter if the [court] ***board*** determines that there is good cause for not permitting such new motor vehicle dealership. For purposes of this paragraph, the reopening in a relevant market area of a new motor vehicle dealership that has not been in operation for one year or more shall be deemed the establishment of an additional new motor vehicle dealership.

II. In determining whether good cause has been established for not entering into or relocating an additional franchise for the same line make, the [attorney general] ***board*** shall consider the existing circumstances, including, hut not limited to:

(a) The permanency of the investment;

(b) Any effect on the retail new motor vehicle business and the consuming public in the relevant market area;

(c) Whether it is injurious or beneficial to the public welfare for an additional new motor vehicle dealership to be established;

(d) Whether the new motor vehicle dealers of the same line make in that relevant market area are providing adequate competition and convenient consumer care for the motor vehicles of the line make in the market area which shall include the adequacy of motor vehicle sales and service facilities, equipment, supply of motor vehicle parts, and qualified service personnel;

(e) Whether the establishment of an additional new motor vehicle dealership would increase competition, and therefore be in the public interest; and

(f) Growth or decline in population and new car registration in the relevant market area.

III. [Any party may request a hearing by the superior court concerning the establishment or relocation of a new motor vehicle dealership on an expedited basis, subject to the right to receive reasonable and prompt discovery.] ***At any hearing conducted by the New Hampshire motor vehicle industry board under this section, the manufacturer seeking to establish an additional new motor vehicle dealership or relocate an existing new motor vehicle dealership shall have the burden of proof in establishing that good cause exists.***

8 Enforcement; New Hampshire Motor Vehicle Industry Board; Fund Established. RSA 357-C:12 is repealed and reenacted to read as follows:

357-C:12 Enforcement; New Hampshire Motor Vehicle Industry Board; Fund Established.

I.(a) There is established a New Hampshire motor vehicle industry board for the purpose of enforcing the provisions of this chapter. The board shall consist of the commissioner of the department of safety or designee who shall serve as the board's chairperson and 6 members appointed by the governor and council. Four members of the board shall constitute a quorum. No member of the board shall:

(1) Have an ownership interest in or be employed by a manufacturer, factory branch, distributor, or distributor branch.

(2) Have an ownership interest in or be a motor vehicle dealer or an employee of a motor vehicle dealer.

(3) Be employed by an association of motor vehicle dealers, manufacturers, or distributors.

(b) The board shall be administratively attached to the department of safety.

(c) The board shall adopt rules, pursuant to RSA 541-A, to implement the provisions of this chapter.

(d) Appointments shall be for terms of 4 years, and no person shall be eligible to serve more than 2 successive 4-year terms. Vacancies shall be filled by appointment by the governor and council for the unexpired term. Any person appointed to fill a vacancy may serve 2 additional successive terms. The members shall be at-large members, and insofar as practical, should reflect fair and equitable statewide representation.

(e) Terms of the initial board members shall be staggered with 2 members serving a term of 2 years, 2 members serving a term of 3 years, and 2 member serving a term of 4 years.

(f) Appointed members of the board may be paid a $50 per diem for each day actually engaged in the performance of their duties and may be reimbursed their actual and necessary expenses incurred in carrying out their duties as may be authorized by the governor and council.

II. Except for civil actions filed in superior court pursuant to paragraph IX of this section, the board shall have the following exclusive powers:

(a) Any person may file a written protest with the board complaining of conduct governed by and violative of this chapter. The board shall hold a public hearing in accordance with the rules adopted by the board pursuant to RSA 541-A.

(b) The board shall issue written decisions and may issue orders to any person in violation of this chapter.

III. The parties to protests filed pursuant to RSA 357-C:7, RSA 357-C:8, and RSA 357-C:9 shall be permitted to conduct and use the same discovery procedures as are provided in civil actions in the superior court.

IV. The board shall be empowered to determine the location of hearings, appoint persons to serve at the deposition of out-of-state witnesses, administer oaths, and authorize stenographic or recorded transcripts of proceedings before it. Prior to the hearing on any protest, but no later than 45 days after the filing of the protest the board shall require the parties to the proceeding to attend a prehearing conference where the chairman or designee shall have the parties address the possibility of settlement. If the matter is not resolved through the conference, the matter shall be placed on the board's calendar for hearings. Conference discussions shall remain confidential and shall not be disclosed or used as an admission in any subsequent hearing.

V. Compliance with the discovery procedures authorized by paragraph III may be enforced by application to the board. Obedience to subpoenas issued to compel witnesses or documents may be enforced by application to the superior court in the county where the hearing is to take place.

VI. Any party to any proceeding under this chapter who recklessly or knowingly fails, neglects, or refuses to comply with an order issued by the board shall be fined a civil penalty not to exceed $2,500. Each day of noncompliance shall be considered a separate violation of such order.

VII. Within 20 days after any order or decision of the board, any party to the proceeding may apply for a rehearing with respect to any matter determined in the proceeding, or covered or included in the order or decision. The application for rehearing shall set forth fully every ground upon which it is claimed that the decision or order complained of is unlawful or unreasonable. No appeal from any order or decision of the board shall be taken unless the appellant makes an application for rehearing as provided in this paragraph, and when such application for rehearing has been made, no ground not set forth in the application shall be urged, relied on, or given any consideration by a court unless the court for good cause shown allows the appellant to specify additional grounds. Any party to the proceeding may appeal to the superior court within 30 days after the date the board rules on the application for reconsideration. All findings of the board upon all questions of fact properly before the court shall be prima facie lawful and reasonable. The order or decision appealed from shall not be set aside or vacated except for errors of law. No additional evidence shall be heard or taken by the superior court on appeals from the board.

VIII.(a) The New Hampshire motor vehicle industry board fund is established as a special fund in the state treasury. The fund shall be revolving, continually appropriated and nonlapsing.

Except as otherwise provided in this chapter, all fees and civil penalties collected as provided in this chapter shall be paid into the state treasury immediately upon collection and credited to the motor vehicle industry board fund.

(b) To fund the New Hampshire motor vehicle industry board fund and to pay the start-up expenses of administration and enforcement of this chapter, the board shall impose an initial one-time fee upon each new motor vehicle dealer of $100 for each vehicle make represented by that dealer, and an initial one-time fee of $1,000 for each manufacturer which sells or distributes new motor vehicles within the state. However, in no case shall the start-up fee imposed upon any new motor vehicle dealer exceed $500 per year. Upon the filing of a protest under this chapter, the protesting party shall pay into the fund a fee of $1,500.

(c) The commissioner of safety may draw upon the fund, established in subparagraph (a), to pay the expenses of administration and enforcement of this chapter.

(d) The board shall establish all fees, in addition to the start-up fees, required under this chapter in accordance with RSA 357-C:12, I(c).

IX. Notwithstanding the terms, provisions, or conditions of any agreement or franchise or the terms or provisions of any waiver, any person whose business or property is injured by a violation of this chapter, or any person so injured because such person refuses to accede to a proposal for an arrangement which, if consummated, would be in violation of this chapter, may bring a civil action in the superior court to recover the actual damages sustained by such person together with the costs of the suit, including a reasonable attorney's fee.

9 New Subparagraph; Designated Fund. Amend RSA 6:12, I by inserting after subparagraph (lll) the following new subparagraph:

(mmm) Moneys deposited in the motor vehicle industry board fund established in RSA 357-C:12.

10 Repeal. RSA 21-M:9, II(g), relative to administration and enforcement of RSA 357-C by the department of justice.

11 Effective Date.

I. Sections 1-3 of this act shall take effect 30 days after its passage.

II. The remainder of this act shall take effect January 1, 1997.

AMENDED ANALYSIS

This bill establishes the New Hampshire motor vehicle industry board for the purposes of regulating business practices among motor vehicle manufacturers, distributors, and dealers.

Adopted.

Report adopted and ordered to third reading.

COMMITTEE OF CONFERENCE REPORT ON SB 130

The committee of conference to which was referred Senate Bill 130, An Act relative to the Uniform Trustees' Powers Act having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend paragraph I of section 4 of the bill by replacing it with the following:

I. There is established a committee to study issues relative to adopting new laws pertaining to trusts. The committee shall consist of the following members:

(a) Three senators appointed by the senate president.

(b) Three house members appointed by the speaker of the house.

Conferees: Sens. Fraser, Dist 4; Colantuono, Dist 14 and Blaisdell, Dist 10.

Conferees: Reps. Hart, Hills 37; Kennedy, Merr 7; Wall, Straf 9; Streeter, Hills 32

Adopted.

RECONSIDERATION

Having voted with the prevailing side, Rep. Mirski moved that the House reconsider its action whereby it concurred with the Senate Amendment to **HB 1220**, providing that the state shall apply for and utilize moneys from the Goals 2000 - Educate America Act.

Rep. Mirski spoke in favor.

Rep. Scanlan spoke against.

Rep. Goddard requested a roll call; sufficiently seconded. The question being the motion to reconsider.

COMMITTEE OF CONFERENCE REPORT ON SB 4-FN

The committee of conference to which was referred Senate Bill 4-FN, An Act relative to the time allowed for postsurgical recovery having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after section 1 with the following:

2 Ambulatory Surgical Facilities. Amend RSA 151-C:2-a to read as follows:

151-C:2-a Ambulatory Surgical Facilities.

I. An ambulatory surgical facility [shall not] ***licensed on or before July 1, 1996, may*** provide ***2*** beds [or other accommodations] for the overnight stay of patients***, not to exceed 24 hours***. An individual patient shall be discharged in an ambulatory condition without danger to the continued well-being of the patient or shall be transferred to a hospital.

II. An ambulatory surgical facility ***licensed after July 1, 1996,*** shall not provide beds or other accommodations for the overnight stay of patients. An individual patient shall be discharged in an ambulatory condition without danger to the continued well-being of the patient or shall be transferred to a hospital.

3 Ambulatory Surgical Facilities. Amend RSA 151-C:2-a, II to read as follows:

II. An ambulatory surgical facility [licensed after July 1, 1996,] shall not provide beds or other accommodations for the overnight stay of patients. An individual patient shall be discharged in an ambulatory condition without danger to the continued well-being of the patient or shall be transferred to a hospital.

4 Ambulatory Surgical Facility Pilot Program. The health services planning and review board (board) shall establish a 2-year ambulatory surgical facility pilot program to study the need for and efficiency of overnight beds in ambulatory surgical facilities. This pilot program shall terminate July 1, 1998. Ambulatory surgical facilities licensed by the state of New Hampshire on or prior to July 1, 1996, which elect to provide overnight stays under RSA 151-C:2-a, I shall participate in the pilot program by notifying the board and fulfilling licensure requirements established in accordance with RSA 151. The commissioner of health and human services shall adopt rules, pursuant to RSA 541-A, regarding quality and safety standards for overnight beds in ambulatory surgical facilities. The board shall require participating facilities to submit utilization and financial data in order for the board to complete its study. Upon completion of the pilot program, the board shall issue a report to the governor, the president of the senate, the speaker of the house, the senate clerk, the house clerk, and the state library regarding the future need, if any, for overnight beds in ambulatory surgical facilities.

5 Repeal. RSA 151-C:2-a, I, relative to overnight stays, is repealed.

6 Effective Date.

I. Sections 3 and 5 of this act shall take effect July 1, 1998.

II. The remainder of this act shall take effect July 1, 1996.

AMENDED ANALYSIS

The bill establishes a 2-year pilot program relative to ambulatory surgical facilities. During the pilot program period, an ambulatory surgical facility licensed on or prior to July 1, 1996, may provide 2 beds for overnight accommodation of patients. The commissioner of health and human services is directed to adopt rules regarding the pilot program.

Rep. Trombly: Thank you Mr. Speaker and members of the House. Today, at the Democratic caucus I announced that I would not be seeking re-election to my seat from the town of Boscawen. A decision not to run is a decision that is made with a great deal of soul searching and a great deal of thought. Obviously, having served in this body for 16 years and only being 38 and still being under the average age of the House, I recognize that my decision not to run now is most certainly not a decision never to return to this body. It is not a decision to retire from Democratic politics. But, a few words to everybody here. I'm making the decision for one main reason, because quite frankly I think it is time for me to get a private life. I've come to this body with a great deal of questions. I've had some answers and I'm still leaving with some greater questions. I don't understand why if kindergarten is so good for children we don't fund it. Unfortunately, I will leave this body with no particular answer to that question. But, that does not override my feeling of affection and warmth and love for this institution and for the people here. When I stood up here to speak you were very, very gracious to me and you listened. Then you proceeded to tell me it was a great speech but unfortunately you couldn't vote with me. I won't miss that. The joke will be told, as my staff said to me today, "can you name five people

running for Minority Leader", and the answer is, "Donna Sytek, Dave Scanlan, Channing Brown, Bob Hawkins and Alf Jacobson." The people of Boscawen have been truly great to me to allow me to come down here and represent them. It has been their support and their giving and their belief in me which has allowed me to come down. To the Democratic leadership, you have been very helpful to me. I'm not a person, although I like to think that I am, I am not a person that gives a great deal of compliments. Sometimes I don't ask for advice when I probably should ask for advice. I have had a tremendous leadership who stood by me and with me. Harold Burns is one of the nicest people I have ever, ever met in my life. It is a tough job and he has done it day in and day out, during my tenure as Leader, with grace and style. He has been like a father and a brother and a confidant to me. My success and the House's success in passing legislation is based in small part on our ability to talk to each other. Ann Torr, the same goes for you. You came to this House as Majority Leader under very trying circumstances and you have risen to the occasion. You have been a true friend and I thank you for that. When I look out at this body there are some vacant seats - Caroline Gross, Maggie Terninko, Fran Laughlin, people who were dear to us. My decision is based on the fact that I miss, quite frankly, those that are not here and recognize that change is good. My staff has been wonderful. You see my name in the paper because of my staff and things function because of the hard work they do with an undying loyalty and devotion to what we have tried to do. But if I may, for the Democratic Caucus, and please forgive me my Republican friends, you have been wonderful. We are Democrats because we try to make a difference. Everyone in here tries to do what they see fit. Our philosophy has been one of trying to help those that can't help themselves, protect those who need protection. If you take the Democrat out of Rick Trombly, you will have nothing. My life has been touched by what I see are the Democratic principles supported by the party of my choice. My father worked in a tannery for 30 years, a union member who got sick time and vacation leave because of the union and he was thrown out of work after 30 years with no notice. My mother worked for years at Blue Cross. They worked hard to put me through college. They have been proud of everything I have done. When I sat in that chair I remembered those things. It is not the sacrifice I need to make but it is a sacrifice that people made for me so that I could be there. That is the important thing. For 114 people to serve in a long tradition, as a Minority Party in this state, it is not because we don't have good ideas or values or we are out of step. It is simple, we are in the minority. To come in here, day after day, and put forward and fight for those ideals, knowing that we might not win, has been a tremendous, tremendous support for me. When you are in the minority you have to make a decision, do you simply fight to fight or do you try to make things better. When I became the Democratic Leader, there were three things I wanted to do. I wanted to present alternatives for consideration by the whole House and I have done that. I can't think of any major issue where the Democrats haven't gone to the Republicans and said, "can we work this out; can we try to do it this way?" and been sincere in that effort. I wanted to bring a sense of self-esteem to the Democrats, 114 strong, good, decent people fighting for what they believe in and I think we have done that. Most of all, in my heart, I wanted to bring unity, unity to a minority that is truly living under a broad tent with very liberal people, very conservative people and everyone in between. I was told when I became Leader that if I could not sit in that chair knowing that every time I got up and did something that I would have the backing of the caucus, then I would not be successful. I knew, every time I stood up, that the Democrats would be there with me. As I told them in caucus, I've tried to support them and they have always supported me. I leave, at the end of my term, a better person for having been here, a better person for knowing all of you. To the Democrats, you will never, ever know exactly what you mean to me. I love you everybody. Thank you.

Rep. Ann Torr: Thank you, Mr. Speaker. You are not the only one choked up over this news. Rick Trombly, true friend, it has been fun. We have done much, very serious work for the citizens of the state of New Hampshire. As we have done our work, we have become true friends. You are a true friend to everyone here. You are a good legislator. You have proven to be a very honorable leader of your party and an articulate spokesman for the Democratic Party. You have represented the Democrats in this House in a fair and true manner, always true to your word, always true to your Democrats. You'll no longer have Governor Merrill to pick on but let's see if we can find someone else for you. We are going to miss you, Rick. You have really done a marvelous job. I know your staff is also hurting today. At the end of the session, we want to

present your staff in the office with the flowers that have been given to us by the New Hampshire Hospital Association to see if we can't lift their spirits. Rick, we are going miss your intelligence, your talents, working with you and we are really going to miss your sense of humor. I'm going to miss that deep laugh that comes from the toes all the way up. I think that maybe we ought to present you with a little memento from the House. You are going to be making several trips to Washington now that you are the New Hampshire National Democratic Committeeman. You are going to be going to Washington fairly frequently and I understand that on your trips to Washington you need safety pins. This is only four inches. You can wear it on your lapel as a reminder. However, I must tell the House so they will know what we are talking about and what we are laughing about. Recently, Rick went to Washington. He had an early trip, 6:00 in the morning. He was staying at a friend's house with one suit. He got up in the morning, showered and dressed and got ready to go and said, "whoops". Now, most of us have zippers on our skirts and pants. Some of us wear elastic, it is safer. Rick's zipper broke. He said, "Oh my gosh, I can't go to Washington!" but it was a very important trip because he was taking the Speaker with him. What was he going to do? His friend, Raymond, who always has a solution, said, "I'll take care of you. Give me those pants." He put some safety pins in and Rick said, "Oh my gosh, I'll never get through the security!" We'll leave it at that. Rick, we would like to give you a reminder to always, like the boy scouts, always be prepared, but just in case it is not enough, we want to make sure you are prepared. My friend, on behalf of all of us on my side of the aisle as well as your side of the aisle, we do love you. We will miss you. Please visit us often and we know you are not getting totally out of politics. Thank you for everything you have given us.

Ann Torr offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, May 29, 1996 at 10:00 a.m.
Adopted.

PERSONAL PRIVILEGE

Rep. Mirski addressed the House.

UNANIMOUS CONSENT

Reps. Haettenschwiller and Dolan addressed the House.

Rep. Goddard moved that the remarks of Rep. Dolan be printed in the Journal.

Adopted.

Rep. Dolan: Thank you Mr. Speaker. Good afternoon. It is a wonderful day, isn't it? I thought I would say something just a little bit cheery and I thought about speaking about legislative license plates. I know some people were up here once and they spoke about being named on a radio station for speeding and somebody else got up and said, "He borrowed my car." We lend our cars to people who do things like that. As a freshman and having legislative plates, the biggest thrill I could receive as a legislator is going through the toll gate for nothing. But, I have a special joy that I would like to credit state employees. When I travel through the toll gate in Hooksett, you may have seen the little blonde-headed lady that pops out the door on the snowiest day and gives you a gigantic wave. Isn't she a beauty? Her name is Lorraine Petit and I saw her the other day and I think we should give her, as a state employee, a resounding applause for her great work and waving us freeloaders through. Thank you, Lorraine Petit.

REGULAR CALENDAR

COMMITTEE OF CONFERENCE REPORTS ON SENATE BILLS

COMMITTEE OF CONFERENCE REPORT ON SB 7-FN-A

The committee of conference to which was referred Senate Bill 7-FN-A, An Act relative to kindergarten aid programs, the establishment of certain kindergarten aid funds, and making an appropriation therefor having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose.

I. Section 2 of this bill establishes a kindergarten aid program and alternative kindergarten aid program to be administered by the department of education. The purpose of these programs is to provide state assistance to districts which presently operate kindergarten to ensure the continuation of such programs, and to encourage districts which do not provide kindergarten to make kindergarten available.

II. The kindergarten aid and alternative aid programs shall consist of 2 categories of assistance. One category provides kindergarten aid to districts which provide and maintain public kindergarten programs, and the second category provides alternative kindergarten aid to school districts which elect not to participate in the kindergarten aid program.

2 New Subdivision; Kindergarten Aid and Alternative Kindergarten Aid. Amend RSA 198 by inserting after section 15-k the following new subdivision:

Kindergarten Aid and Alternative Kindergarten Aid

198:15-l Kindergarten Aid.

I. There is established a kindergarten aid program through which the department of education shall pay annually for financial assistance to local school districts the sum of $500 per eligible kindergarten pupil who resides in the district and attends a public kindergarten in those districts that provide and maintain a public kindergarten program. These funds shall be provided to districts that send to or contract with other established public kindergarten programs for their local resident kindergarten pupils.

II. For purposes of receiving public kindergarten aid under this section, to "provide and maintain a public kindergarten program" means:

(a) To operate a kindergarten program within an approved public school maintained by the local school district; or

(b) To pay tuition on behalf of resident pupils to a kindergarten program operated by another public school district in this state or, when distance or transportation make it necessary, in another state.

III.(a) In order to qualify for kindergarten aid, local district kindergarten programs shall meet New Hampshire minimum standards for approval of schools.

(b) Charter school kindergarten programs shall qualify for kindergarten aid.

198:15-m Administration. The department of education shall be responsible for administering the kindergarten aid program, and shall be responsible for the following:

I. Assisting districts in the development of plans for providing public kindergarten availability for their 5-year old resident pupils.

II. Reporting annually the extent of utilization of the public kindergarten aid to the house and senate education committees and the state board of education, and providing an annual update on the number of districts providing a public kindergarten program.

198:15-n Alternative Kindergarten Aid.

I. In lieu of participating in the kindergarten aid program provided in RSA 198:15-l and 198:15-m, a school district which does not provide a kindergarten program may submit to the commissioner of education a request for state aid for a local kindergarten plan or other proposal for learning preparedness.

II. Without limitation, a school district plan under this section may be based upon publicly-operated facilities or contractual arrangements with privately-operated facilities, which shall meet the same criteria as public kindergarten programs and be qualified by the state department of education.

III. Requests for alternative kindergarten aid shall be submitted at times established by the commissioner of education. A request shall be first approved by the school board or district voters and shall contain, at a minimum, the following information:

(a) A description of the kindergarten plan or other proposal;

(b) An explanation of how the plan will prepare children resident in the district to be ready to learn at the first grade level; and

(c) Any other information required by the commissioner.

IV. A school district approved for alternative kindergarten aid under this section shall receive the sum of $500 per eligible kindergarten pupil who resides in the district.

198:15-o Report to Board of Education. On or before a date established by the commissioner of education, the school board of each school district that does not provide a kindergarten program or alternative kindergarten program provided under RSA 198:15-n shall submit to the state board of education a report describing the school district's plan for preparing children resident in the district to be ready to learn at the first grade level, or shall state that the district elects not to develop such a plan.

198:15-p Rulemaking. The state board of education shall adopt rules, under RSA 541-A, relative to the administration of the kindergarten aid program and alternative kindergarten aid program, including the eligibility requirements and method of payment for such aid. These rules shall provide that all school districts currently offering a kindergarten program or alternative kindergarten program shall be eligible for funds commencing June 30 of each year. The number of kindergarten pupils in attendance shall be determined by the number of kindergarten pupils in attendance in the district on October 1 of the preceding school year. Any school district implementing kindergarten in its district shall be eligible for these programs.

3 Appropriation. The sum of $5,000,000 is hereby appropriated to the department of education for the fiscal year ending June 30, 1997, for the purposes section 2 of this act. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

4 Section Heading Revised. Amend the section heading of RSA 193-C:9 to read as follows:

193-C:9 Local Education Improvement and Assessment Plan*; **Assistance Program***.

5 Local Education Improvement Assistance Program Established. RSA 193-C:9, II is repealed and reenacted to read as follows:

II.(a) There is established within the department of education a local education improvement assistance program. The department shall use funds appropriated for this program to provide technical assistance and training to school districts in developing and implementing local education improvement and assessment plans based on assessment results.

(b) Funds shall be utilized to support school districts in the use of local and statewide assessment results to improve instruction and enhance student learning, and to identify and implement methods and models of instruction that have proven to be effective in helping students reach the educational standards identified in the New Hampshire curricular framework.

(c) A strong emphasis shall be placed on identifying model teachers in the areas included in the statewide education improvement and assessment program and providing them with opportunities to share their expertise and enthusiasm with local educators and community members in developing local education improvement and assessment plans.

(d) In implementing this program, the department may enter into grants or contracts with institutions of higher education, regional consortia, and private businesses. Grant recipients and contractors shall work in coordination with, and under the broad supervision of, the department of education.

6 Supplemental Appropriations; Local Education Improvement Assistance Program. The sums of $1 for the fiscal year ending June 30, 1996, and $1 for the fiscal year ending June 30, 1997, are hereby appropriated to the department of education for the local education improvement assistance program established in RSA 193-C:9, II. These appropriations shall not lapse until June 30, 1997. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated. These sums shall be in addition to any other sums appropriated to the department.

7 Repeal. RSA 186:69, relative to the school improvement program, is repealed.

8 Effective Date. This act shall take effect July 1, 1996.

AMENDED ANALYSIS

This bill establishes a kindergarten aid program and alternative kindergarten aid program to be administered by the department of education. The purpose of these programs is to provide state assistance in the amount of $500 per eligible kindergarten pupil to districts which presently operate kindergartens to ensure the continuation of such programs and to encourage districts which do not provide kindergarten to make kindergarten available. The bill also appropriates a sum of $5,000,000 for the purposes of the programs.

This bill also establishes a local education improvement assistance program and makes appropriations to the department of education for such program.

Conferees: Sens. Lovejoy, Dist 6; Barnes, Dist 17 and Larsen, Dist 15.

Conferees: Reps. Larson, Graf 8, Franks, Hills 26; Ferguson, Hills 13 and Snyder, Straf 14.

Reps. Goddard, Kurk and Frances Riley spoke against.

Reps. Ferguson and Scanlan spoke in favor and yielded to questions.

Rep. Schotanus requested a roll call; sufficiently seconded. The question being the adoption of the Committee of Conference report.

COMMITTEE OF CONFERENCE REPORT ON SB 633-FN-A

The committee of conference to which was referred Senate Bill 633-FN-A, An Act relative to victim restitution and compensation and making an appropriation therefor having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House adopt the following new amendment to the bill as amended by the Senate, and pass the bill as so amended:

Amend the bill by replacing all after the enacting clause with the following:

1 Claimant Eligibility. RSA 21-M:8-h, I is repealed and reenacted to read as follows:

I.(a) Victims eligible for compensation are:

(1) any person who sustains personal injury as a result of a felony or misdemeanor;

(2) any person who sustains personal injury caused by a person driving under the influence of alcohol or controlled substances.

(3) any person who is a victim of sexual abuse and is under the age of 18 at the time the claim is filed.

(b) In the case of a child victim, the claimant, guardian ad litem, advocate or parent may claim compensation in the victim's stead. If the victim is incompetent or in the case of a victim's death as a direct result of the crime, the immediate family of the victim is eligible to claim compensation. In the case of a victim's disability as a direct result of the crime, the victim's legal representative may claim compensation in the victim's stead.

2 Recovery Limitation Raised. Amend RSA 21-M:8-h, V to read as follows:

V. The claimant may be reimbursed for reasonable out-of-pocket expenses, medical expenses, funeral expenses, counseling expenses and lost wages directly resulting from the crime. No reimbursement shall be paid unless the claimant has incurred reimbursable expenses of at least $100. There shall be a [$5,000] ***$10,000*** ceiling on recovery per claimant per incident. If expenses paid through the victims' assistance program fund are later covered by insurance settlements, civil suit settlements, or restitution, or through any other source, the claimant shall reimburse the fund for the amount of expenses recovered.

3 New Paragraph; Eligible Until Claim Fully Satisfied. Amend RSA 21-M:8-h by inserting after paragraph V the following new paragraph:

VI. Notwithstanding any right by a victim to claim restitution or a court order for restitution under RSA 651:62-67, a victim shall be eligible for compensation under this section.

4 Word Deleted. Amend RSA 504-A:13, I to read as follows:

I. The court shall establish a supervision fee for probationers, and the parole board shall establish a supervision fee for parolees. The fee shall not be less than $40 a month, unless waived in whole or in part by the court, board or commissioner, and may be any greater amount as established by the court or board. This fee shall be considered a condition of release, and failure to satisfy this obligation shall be grounds for a violation hearing, unless the probationer or parolee has been found to be indigent and, for that reason, unable to pay the fee. Service charges for collection of fines[, restitution,] and fees, other than supervision fees, shall be established at 10 percent of the funds collected.

5 Conditions for Suspension of Sentence; Restriction Required. RSA 651:20, III is repealed and reenacted to read as follows:

III. As a condition of any suspension of sentence, the court may include restitution to the victim, as provided in RSA 651:62-67, performance of uncompensated public service as provided in RSA 651:68-70, and such other conditions as the court may determine.

6 New Section; Restitution; Statement of Purpose. Amend RSA 651 by inserting after section 61 the following new section in the subdivision "Restitution":

651:61-a Statement of Purpose.

I. The legislature finds and declares that the victims of crimes often suffer losses through no fault of their own and for which there is no compensation. It also finds that repayment, in whole or in part, by the offender to the victim can operate to rehabilitate the offender. It is the purpose of this act to establish a presumption that the victim will be compensated by the offender who is responsible for the loss. Restitution by the offender can serve to reinforce the offender's sense of responsibility for the offense, to provide the offender the opportunity to pay the offender's debt to society and to the victim in a constructive manner, and to ease the burden of the victim as a result of the criminal act.

II. The legislature does not intend that restitution be contingent upon an offender's current ability to pay or upon the availability of other compensation. The legislature intends that the court increase, to the maximum extent feasible, the number of instances in which victims receive restitution. The legislature does not intend the use of restitution to result in preferential treatment for offenders with substantial financial resources.

7 Restitution. RSA 651:62-64 are repealed and reenacted to read as follows:

651:62 Definitions. As used in this subdivision, unless the context otherwise indicates:

I. "Claimant" means a victim, dependent, or any person legally authorized to act on behalf of the victim.

II. "Dependent" means any person who was wholly or partially dependent upon the victim for care and support when the crime was committed.

III. "Economic loss" means out-of-pocket losses or other expenses incurred as a direct result of a criminal offense, including:

(a) Reasonable charges incurred for reasonably needed products, services and accommodations, including but not limited to charges for medical and dental care, rehabilitation, and other remedial treatment and care including mental health services for the victim or, in the case of the death of the victim, for the victim's spouse and immediate family;

(b) Loss of income by the victim or the victim's dependents;

(c) The value of damaged, destroyed, or lost property;

(d) Expenses reasonably incurred in obtaining ordinary and necessary services in lieu of those the injured or deceased victim would have performed, if the crime had not occurred, for the benefit of the victim or the victim's dependents;

(e) Reasonable expenses related to funeral and burial or crematory services for the decedent victim.

IV. "Offender" means any person convicted of a criminal or delinquent act.

V. "Restitution" means money or service provided by the offender to compensate a victim for economic loss, or to compensate any collateral source subrogated to the rights of the victim, which indemnifies a victim for economic loss under this subdivision.

VI. "Victim" means a person or claimant who suffers economic loss as a result of an offender's criminal conduct or the good faith effort of any person attempting to prevent or preventing the criminal conduct.

651:63 Restitution; Administrative Fees.

I. Any offender may be sentenced to make restitution in an amount determined by the court. In any case in which restitution is not ordered, the court shall state its reasons therefor on the record or in its sentencing order. Restitution may be ordered regardless of the offender's ability to pay and regardless of the availability of other compensation; however, restitution is not intended to compensate the victim more than once for the same injury. A restitution order is not a civil judgment.

II. Restitution ordered shall be in addition to any other penalty or fine and may be a condition of probation or parole. Restitution, if ordered, may also be a condition of any work release program administered under RSA 651:19 or RSA 651:25.

III. The making of a restitution order shall not affect the right of a victim to compensation under RSA 21-M:8-h, except to the extent that restitution is actually collected pursuant to the order. The offender shall reimburse the victims' assistance fund for any payments made by the fund to the victim pursuant to RSA 21-M:8-h after the restitution order is satisfied. Refused or unclaimed restitution payments shall be made to the victims' assistance fund.

IV. The court's determination of the amount of restitution shall not be admissible as evidence in a civil action. The court shall reduce any civil damage awards by restitution ordered and paid to the victim. Restitution orders shall survive bankruptcy.

V. The court shall add 17 percent to the total restitution payment as an administrative fee to be paid by the offender. Such administrative fee shall be divided into the following components, to be designated as follows: 15 percent shall be continually appropriated to a special fund for the division of field services, department of corrections, $22,500 of which shall lapse to the general fund at the end of each quarter should that amount be received, to maximize restitution collections, directly or through agents of contractors selected by the department; and 2 percent for the victims' assistance fund. Administrative fees shall be paid by the offender in addition to and when each restitution payment is made.

VI. Restitution, administrative fines and fees, and other fees collected, except for supervision fees pursuant to RSA 504-A:13, shall be allocated on a pro-rata basis when payments are insufficient to cover the full amount due for each of these balances.

VII. On or before July 1, 1997, and each year thereafter until July 1, 2000, the division of field services, department of corrections, shall submit an annual budget plan to the joint legis-

lative fiscal committee. The division of field services, department of corrections, shall have the authority to hire temporary personnel and to procure equipment and expend relevant operating expenses as may be necessary to implement this chapter.

651:64 Time and Method of Restitution.

I. The time and method of restitution payments or performance of restitution services shall be specified by the department of corrections. Monetary restitution may be by lump sum, or by periodic installments in any amounts. The court shall not be required to reduce the total obligation as a result of the offender's inability to pay. The offender shall bear the burden of demonstrating lack of ability to pay. Restitution shall be paid by the offender to the department of corrections unless otherwise ordered by the court. Monetary restitution shall not bear interest. Restitution shall be made to any collateral source or subrogee, if authorized by that source and after restitution to the victim, and to the victims' assistance fund, if applicable, has been satisfied. Restitution shall be a continuing obligation of the offender's estate and shall inure to the benefit of the victim's estate, provided that no indebtedness shall pass to any heir of the offender's estate.

II. The department of corrections shall have continuing authority over the offender for purposes of enforcing restitution until the restitution order is satisfied.

III. The department may garnish the offender's wages for the purpose of ensuring payment of victim restitution.

8 New Subparagraph; Money Deposit Designated. Amend RSA 6:12, I by inserting after subparagraph (lll) the following new subparagraph:

(mmm) Moneys received pursuant to RSA 651:63, V designated for the department of corrections shall be deposited into an account to fund the operating appropriation of the division of field services, department of corrections. Unexpended account balances in excess of $50,000 at the end of any fiscal year shall lapse to the general fund.

9 Deposit to Victims' Assistance Fund Designated. Amend RSA 6:12, I(aa) to read as follows:

(aa) The assessments collected under RSA 188-F:31 ***and 651:63, V designated for the victims' assistance fund*** which shall be credited to the victims' assistance fund until that fund exceeds $750,000, at which time moneys in excess of $750,000 shall be credited to the general fund.

10 New Section; Court Order for Certain Services, Placements, and Programs Required. Amend RSA 169-B:19 by inserting after section 19-b the following new section:

169-B:19-c Court Order for Services, Placements, and Programs Required for Minors From Certain Providers Qualified for Third-Party Payment. The court, wherever and to the extent possible, shall order services, placements, and programs by providers certified pursuant to RSA 170-G:4, XVIII who qualify for third-party payment under any insurance covering the minor.

11 New Section; Court Order for Certain Services, Placements, and Programs Required. Amend RSA 169-C:19 by inserting after section 19-b the following new section:

169-C:19-c Court Order for Services, Placements, and Programs Required for Minors From Certain Providers Qualified for Third-Party Payment. The court, wherever and to the extent possible, shall order services, placements, and programs by providers certified pursuant to RSA 170-G:4, XVIII who qualify for third-party payment under any insurance covering the minor.

12 New Section; Court Order for Certain Services, Placements, and Programs Required. Amend RSA 169-D:17 by inserting after section 17-b the following new section:

169-D:17-c Court Order for Services, Placements, and Programs Required for Minors From Certain Providers Qualified for Third-Party Payment. The court, wherever and to the extent possible, shall order services, placements, and programs by providers certified pursuant to RSA 170-G:4, XVIII who qualify for third-party payment under any insurance covering the minor.

13 Delinquent Minors; Parental Liability for Services Recoverable for 4 Years. RSA 169-B:40, I(c) is repealed and reenacted to read as follows:

(c) The state shall have a right of action over for such expenses against the parents or the people chargeable by law for the minor's support and necessities and the right to require parents or other people chargeable by law for the minor's support and necessities to assign to the state any insurance benefits that may be available to pay for all or a portion of the services provided. The department shall request reimbursement for such expenses from parents or other people chargeable by law for the minor's support and shall request assignment to the state of any insurance benefits that may be available to pay for all or a portion of the services provided.

The court shall require the individual chargeable by law for the minor's support and necessities to submit a financial statement annually to the court upon which the court shall make an order as to reimbursement to the state as may be reasonable and just, based on the person's ability to pay. Such financial statement shall include, but not be limited to, any benefits received from the Social Security Administration or insurance benefits available to the individual. The court shall include disposition of these benefits in its order as to reimbursement. Such reimbursement shall be established on a per month or per week basis and shall continue from the time the services begin until 4 years beyond the time such services end, unless such reimbursement is fully paid prior to the end of the 4-year period. The court's jurisdiction to order reimbursement shall continue until the court-ordered obligation to reimburse has been fulfilled. If the court does not issue a reimbursement order, the court shall issue written findings explaining why such reimbursement is not ordered.

14 Abused or Neglected Children; Parental Liability for Services Recoverable for 4 Years. RSA 169-C:27, I(c) is repealed and reenacted to read as follows:

(c) The state shall have a right of action over for such expenses against the parents or the people chargeable by law for the child's support and necessities and the right to require parents or other people chargeable by law for the minor's support and necessities to assign to the state any insurance benefits that may be available to pay for all or a portion of the services provided. The department shall request reimbursement for such expenses from parents or people chargeable by law for the minor's support and necessities and shall request assignment to the state of any insurance benefits that may be available to pay for all or a portion of the services provided. The court shall require the individual chargeable by law for the child's support and necessities to submit a financial statement annually to the court upon which the court shall make an order as to reimbursement to the state as may be reasonable and just, based on the person's ability to pay. Such financial statement shall include, but not be limited to, any benefits received from the Social Security Administration or insurance benefits available to the individual. The court shall include disposition of these benefits in its order as to reimbursement. Such reimbursement shall be established on a per month or per week basis and shall continue from the time the services begin until 4 years beyond the time such services end, unless such reimbursement is fully paid prior to the end of the 4-year period. The court's jurisdiction to order reimbursement shall continue until the court-ordered obligation to reimburse has been fulfilled. If the court does not issue a reimbursement order, the court shall issue written findings explaining why such reimbursement is not ordered.

15 Children in Need of Services; Parental Liability for Services Recoverable for 4 Years. RSA 169-D:29, I(c) is repealed and reenacted to read as follows:

(c) The state shall have a right of action over for such expenses against the parents or the people chargeable by law for the child's support and necessities and the right to require parents or other people chargeable by law for the minor's support and necessities to assign to the state any insurance benefits that may be available to pay for all or a portion of the services provided. The department shall request reimbursement for such expenses from parents or people chargeable by law for the minor's support and shall request assignment to the state of any insurance benefits that may be available to pay for all or a portion of the services provided. The court shall require the individual chargeable by law for the child's support and necessities to submit a financial statement annually to the court upon which the court shall make an order as to reimbursement to the state as may be reasonable and just, based on the person's ability to pay. Such financial statement shall include, but not be limited to, any benefits received from the Social Security Administration or insurance benefits available to the individual. The court shall include disposition of these benefits in its order as to reimbursement. Such reimbursement shall be established on a per month or per week basis and shall continue from the time the services begin until 4 years beyond the time such services end, unless such reimbursement is fully paid prior to the end of the 4-year period. The court's jurisdiction to order reimbursement shall continue until the court-ordered obligation to reimburse has been fulfilled. If the court does not issue a reimbursement order, the court shall issue written findings explaining why such reimbursement is not ordered.

16 New Paragraph; Adoptive Parents of Delinquent Children. Amend RSA 169-B:40 by inserting after paragraph VII the following new paragraph:

VIII. Upon request by the adoptive parent of a child whose birth parents relinquished their parental rights to the department or the parental rights of whose birth parents were terminated pursuant to a petition brought by the department, the state, acting through the commissioner, may waive its right of action against such adoptive parent for all or a portion of the expenses of services, placements, and programs provided pursuant to RSA 169-B, 169-C or 169-D after the adoption. The department shall adopt rules under RSA 541-A to establish the procedure to be followed to obtain a waiver of parental reimbursement pursuant to this paragraph.

17 New Paragraph; Adoptive Parents of Abused or Neglected Children. Amend RSA 169-C:27 by inserting after paragraph VII the following new paragraph:

VIII. Upon request by the adoptive parent of a child whose birth parents relinquished their parental rights to the department or the parental rights of whose birth parents were terminated pursuant to a petition brought by the department, the state, acting through the commissioner, may waive its right of action against such adoptive parent for all or a portion of the expenses of services, placements and programs provided pursuant to RSA 169-B, 169-C or 169-D after the adoption. The department shall adopt rules under RSA 541-A to establish the procedure to be followed to obtain a waiver of parental reimbursement pursuant to this paragraph.

18 New Paragraph; Adoptive Parents of Children in Need of Services. Amend RSA 169-D:29 by inserting after paragraph VII the following new paragraph:

VIII. Upon request by the adoptive parent of a child whose birth parents relinquished their parental rights to the department or the parental rights of whose birth parents were terminated pursuant to a petition brought by the department, the state, acting through the commissioner, may waive its right of action against such adoptive parent for all or a portion of the expenses of services, placements, and programs provided pursuant to RSA 169-B, 169-C or 169-D after the adoption. The department shall adopt rules under RSA 541-A to establish the procedure to be followed to obtain a waiver of parental reimbursement pursuant to this paragraph.

19 Administrative Fees Reduced. Amend RSA 651:63, V to read as follows:

V. The court shall add [17] ***2*** percent to the total restitution payment as an administrative fee to be paid by the offender ***which shall be allocated to the*** [Such administrative fee shall be divided into the following components, to be designated as follows: 15 percent shall be continually appropriated to a special fund for the division of field services, department of corrections, $22,500 of which shall lapse to the general fund at the end of each quarter should that amount be received, to maximize restitution collections, directly or through agents of contractors selected by the department; and 2 percent for the] victims' assistance fund. Administrative fees shall be paid by the offender in addition to and when each restitution payment is made.

20 Application of 1995, 308:60, 73, and 85; State's Right of Action for Recovery of Expenses and Transaction Costs for a Minor's Support. The provisions of RSA 169-B:40, I(c); 169-C:27, I(c); and 169-D:29, I(c) as amended by 1995, 308:60, 308:73, and 308:85, shall not be applied retroactive to July 1, 1995.

21 Repeal. The following are repealed:

I. RSA 21-M:8-l, I, relative to rehabilitation as a purpose for restitution.

II. 1981, 329:1, relative to the purpose for restitution.

22 Effective Date.

I. Sections 10-12 of this act shall take effect upon its passage.

II. Section 19 of this act shall take effect on July 1, 2001.

III. The remainder of this act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill:

I. Makes more people eligible for restitution and increases the amount which may be awarded to victims.

II. Increases ceiling on recovery per claimant per incident.

III. Changes the procedure by which restitution is awarded, collected and distributed.

IV. Increases administrative fees paid on restitution payments.

V. Designates percentages of administrative fees for continual appropriation to a special fund established for the division of field services, department of corrections and for the victims' assistance fund.

VI. Establishes a special fund for the operating appropriation of the division of field services, department of corrections.

VII. Repeals certain RSA provisions relative to restitution.

VIII. Requires the court to order services, placements, and programs by certain providers who qualify for third-party payment under any insurance covering certain minors.

IX. Establishes parental liability for services recoverable for 4 years.

X. Allows the state to waive its right of action against certain adoptive parents for some or all of the expenses of services, placements, and programs provided pursuant to RSA 169-B, 169-C, or 169-D after the adoption.

COMMITTEE OF CONFERENCE REPORT ON SB 539-FN

The committee of conference to which was referred Senate Bill 539-FN, An Act requiring all drivers to be tested for evidence of blood alcohol and drug content if involved in a motor vehicle accident causing death having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by deleting sections 1 and 2 and renumbering the original sections 3-26 to read as 1-24, respectively.

Amend the bill by replacing section 7 with the following:

7 New Paragraph; Definition; Local Option. Amend RSA 151-B:2 by inserting after paragraph VIII the following new paragraph:

VIII-a. "Local option" means a protocol for which a medical resource hospital and the local medical control physician have complete authority and jurisdiction, including training, implementation, and quality assurance. A local option may be more restrictive but shall not be less restrictive than the minimum state standard protocols approved and issued by the emergency medical services medical control board.

Amend the bill by replacing section 24 with the following:

24 Effective Date. This bill shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires certain persons involved in a motor vehicle collision resulting in death or personal injury to be tested for evidence of blood alcohol and drug content.

This bill creates an exemption to the law making communications confidential between a physician and a patient. This bill allows such communications to be discovered in official criminal proceedings arising out of acts allegedly committed while the patient was under the influence of intoxicating liquor or controlled drugs.

The bill limits the award to $20,000 for a claim against the state for time unjustly served in the state prison when a person is found to be innocent of the crime for which such person was convicted.

The bill adds a member from the fire standards and training commission to the emergency medical and trauma services coordinating board.

This bill replaces the medical advisory board created under RSA 151-B with the emergency medical services medical control board. The bill transfers authority and responsibility for specification of prescription drugs that may be used by emergency medical services providers from the board of registration in medicine and the pharmacy board to this medical control board, with the concurrence of the pharmacy board. The bill also grants responsibility to the medical control board for determination of protocols to be used by emergency medical services providers.

Conferees: Sens. Gordon, Dist 2; Barnes, Dist 17 and Cohen, Dist 24.

Conferees: Reps. Donna Sytek, Rock 26; Knowles, Straf 11; Weare, Rock 21 and Dyer, Hills 8.

Reps. McCann, Cobbin and Jacobson spoke against.

Rep. Weare spoke in favor and yielded to questions.

Rep. Donna Sytek spoke in favor.

Rep. Lozeau requested a roll call; sufficiently seconded. The question being the adoption of the Committee of Conference report.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Cobbin requested that his protest against the Committee of Conference Report on House Bill 1442, be entered on the Journal.

This House is simply not capable of conserving the peoples' money. The issue continuing to be before this House is how to cut spending, not the annual search for revenue. The majority's vote memorializes this House's commitment to avoid the fundamental financial issue facing this state. As our people's financial security is rent below the waterline, the leaderships of this House strike up the band, and the band now plays on.

REGULAR CALENDAR (Cont'd.)

and the motion was adopted.

Rep. Putnam did not vote and wished to be recorded in favor.

Rep. Bonnie Packard: Thank you Mr. Speaker and members of the House. I am delighted to have this opportunity to make my remarks now rather than at the end of the day. But I am afraid that what I have to say is rather serious and so I hope that those of you that are in the room will pay a little bit of attention.

This morning on the other side of the wall, the Senate passed a resolution — the Senate passed a resolution urging the Governor to speak to the Insurance Commissioner about an extension for health insurance to a corporation doing business in New Hampshire. This flies in the face of the New Hampshire Small Employer Health Care Reform Act. Many of you may remember Senate Bill 711, which was a very hard-fought battle and which passed this House. Senate Bill 711 or the Small Employer Health Care Reform Act is basically the blueprint for the legislation now pending before Congress. However, the resolution that was adopted by the New Hampshire Senate puts the basic legislative intent of this landmark legislation in jeopardy. The exemptions requested by McDonald's Corporation are contrary to the intent of the law and sets a precedent for further erosion of this significant consumer health care reform. The provisions in Senate Bill 711 were intended to bring all New Hampshire regulated insurance policies under the same umbrella for a three-year period to level the playing field among insurers and provide accessibility to insurance for consumers. The exemption that McDonald's is seeking, and has sought, allows them to operate outside that umbrella unlike any other small employer group in the state. As such, as it was endorsed by the Senate, it puts into motion a challenge for the next Legislature to grant further exemptions and dismantle the reform act.

You heard earlier about House Bill 1207 and how it wasn't signed off. House Bill 1207 was a bill sponsored by Rep. Hawkins. It was a good bill. It passed the Senate and it was recalled back into committee for a rehearing. It didn't say what the rehearing was about, just a rehearing. Well, come to find out, it was for what is now known as the McDonald's Amendment. Nobody knew about it. The first wind that my Committee got about it was when we heard that it had been amended onto Rep. Hawkin's bill. We had a number of McDonald's people trot on over and talk to us about it. We said, "We're sorry. What have you been doing up until now?" They had been given extensions. By whose authority were the extensions given? There is no authority for these extensions. Apparently, they had been called. I'm not going to tell you who they had been called by, but let's say it was somebody pretty important. The House Commerce Committee just couldn't embrace this. We went to a Committee of Conference. In the interim, a bill that was very important to our Committee was killed and it was killed to show us that this is what happens if you don't go along. However, if you want to take this amendment, maybe ladies and gentlemen, maybe we can resurrect that bill. That bill was very important. That bill had to do with bank fees. It had to do with people in this state knowing which fees they were going to pay and we had made a commitment to this House because we felt it was that important. It is dead. It is gone. But today the Senate in its wisdom prepared a resolution, which they adopted unanimously, to ask the Governor to direct the Insurance Commission to grant another year's extension to a private corporation, to the McDonald's Corporation.

Ladies and gentlemen, I think this is wrong. I think that this body thinks that is wrong because it seemed like there used to be three players here, the Executive, the Senate and the House. The House has been overlooked. The House does not support this. I'm sorry but I can do my own thinking. I don't think the Senate thinks any better than the House of Representatives. I think that there is an integrity to this body. I don't think we like being used this way. This is a serious departure from anything else that was allowed under Senate Bill 711 and was approved by this Legislature. If the Senate succeeds with the Governor and the Governor again asks that there be an extension given to McDonald's and that they be allowed to ignore community rating, just as they have been doing now with their extensions, there is no other group that is allowed this extension. There is no other group. I think it is important to send the message that the House of Representatives needs to be considered when these types of games are played. I am angry. I am hurt. I'm not hurt for me. I'm hurt that this body has been so treated. I thank you, Mr. Speaker, and I thank you my fellow colleagues for the opportunity to bring this information to you.

Reps. Scanlan and Buckley addressed the House.

Rep. Teschner moved that the remarks of Reps. Scanlan and Buckley, and the responses, be printed in the Journal.

Adopted.

Rep. Scanlan: Thank you Mr. Speaker. Mr. Speaker, as this session draws to a close, we all know there are members among us today who will not be here when the first gavel falls in the next biennium. Some of those members have been quiet and blend unseen into the sea of seats

in this Hall. Others are outspoken and quickly recognized for the work that they do here. But each member is equally important to the great mix of individuals who serve here and make this the great institution that it is. Without the individual, this institution would be nothing. Without the great diversity of individuals working together in this Chamber, New Hampshire would not be the great state that it is.

While each member not returning deserves recognition for his and her service here, time will not allow me to do it from this podium today. However, I would like to offer a personal farewell to three individuals who have been true leaders during their service in the New Hampshire House of Representatives.

Rep. Trombly, we first got to know each other as members of the Environment and Agriculture Committee. We have followed similar paths in our different party's leadership. All the while I have been impressed with your sense of humor and your ability to laugh at yourself before others. Few people, if any in this body, can match your ability to get up at a moments notice and deliver a speech that can pull on the strings of even the most conservative member. You have always been fair, even in the most partisan issues. When cooperation between the parties was required in the best interests of our state, you were always there at the table willing to get the job done. There is no question in my mind you came to this place 16 years ago to represent your constituents, the people of New Hampshire and the Democratic Party. You have fulfilled that task with passion, integrity and true leadership. You will be missed here as an active participant within the walls of this Chamber, but somehow I don't think we have heard the last of you in Democratic politics in New Hampshire. Whatever your future plans are, on behalf of the House, I wish you the best of luck and Godspeed.

When I think of an elder statesman in New Hampshire, the name Stacey Cole comes quickly to mind. Mr. Deputy Speaker, your resume is impressive — state representative, former candidate for Congress, your involvement in national farming organizations, syndicated columnist, expert on birds and other things and most recently the recipient of a Doctor of Letters degree at Keene State College. I'm not sure what the latter allows you to do, Dr. Cole, but we all know of your ability to write prescriptions for laughter in tense situations and death certificates for anyone who opposes you in a parliamentary inquiry. Those of us who know you well can attest to your strong will, integrity and your desire to do what is right. You are an individual who is true to himself in all instances and is fair and frank to all others. You will be remembered in this Hall for a long time for your commanding presence, your quick wit, your mastery of the English language and your ability to sum up a debate in a few colorful words that generally bring down the House. We are all better legislators having witnessed and experienced your skills on the floor and that is your legacy here. Think of us often, as we will think of you, and come back to visit us from time to time.

Rep. Cole: Thank you David. I want to thank this House. You have been good to me. We haven't always agreed, but I can't think of a better place that I would love to be or better people that I would love to be with. I just really can't say how much you mean to me other than to say that you are all a part of my family. Thank you very much.

Rep. Scanlan: Finally, Mr. Speaker, we come to you. There is not a member among us who questions your strong feelings and devotion for this institution. From your North Country roots you became Speaker of the largest Legislature in the country. With your lovely wife, Eleanor, at your side and the fine family you have raised, you represent everything New Hampshire stands for — conviction, independence, strong family values, compassion, tolerance and frugality. You are well known for your fairness, your mild manner and your knowledge of the parliamentary process. But you will be remembered for making the legislative process as fair and open as it has ever been by introducing the legislature to the computer age and implementing programs and services to help make our citizen legislators as effective and efficient as possible. Having worked closely with you over the past three years I can attest to your wisdom, your willing desire to meet the challenges of any given day and the true esteem in which you hold this Institution and every member of it. You have been quick to recognize and appreciate the talents of an individual member and put them to work. Sometimes being a leader is a lonely place. I have seen you agonize over decisions that only you could make. Your institutional memory, wisdom and ability to utilize available resources to make an informed decision always amazed me. In an unassuming way you have always been an equal with the Governor and the Senate President,

quietly letting them take the glory at times, but not without getting something significant for the House in return. As the ghosts from the paintings on the wall behind you look on, your place in New Hampshire history is set. You have been a great leader and I am certain I speak for every member here when I say it has been a privilege, an honor and a pleasure to have served with you.

Speaker Burns: Thank you very much. I have always said that what you need when you are presiding over the House is 399 friends helping you. I have always had that and I appreciate it.

Rep. Buckley: Thank you Mr. Speaker. It is certainly with a heavy heart that I'd like to join in the salute to our three distinguished leaders that are leaving. I come here, not with prepared remarks, because I simply want to talk and speak from my heart about what these three gentlemen have been to the Democratic Caucus and certainly to me as an individual.

To the Deputy Speaker. I had known of you for many years before we ever met, having been born in the same hospital, many years differently, over in Elliot Hospital. My Dad used to tell me stories about when he would play in your backyard 40 or 50 years ago. It was certainly a privilege to serve with you on the House Appropriations Committee and to serve as your counterpart as the Deputy Democratic Leader, with you as the Deputy Speaker. Throughout your career here in the Legislature, whether it was in your first term in the 1960's or these past few terms this time, I think you have carried yourself with extreme dignity. You have earned the respect of every member of this House. You have the affection of every member of this House. It is so important - the lessons that you taught each and every one of us, and that we must all remember, which sometimes I think some of those who have come after you may not always remember — it is to be careful of what you do or be careful of what you say because your opponent today may be your friend tomorrow and vice versa. We must all work together. Stacey, I think that if there is one legacy that you have left this House, it is your ability to work with everyone, to be fair, to be kind and to show true dignity throughout every crisis, throughout every time period. You certainly deserve the position of Statesman of the New Hampshire House and we would like to thank you for that.

To Speaker Burns. Who doesn't love Harold Burns? The Speaker's first term also happened to coincide with the first time I walked on the floor of this House. In 1969, my Boy Scout Troop came through that door and we walked onto the floor of this House. I was so impressed with the size, with the many seats because this is where the people's business was done. This is where citizens came. They came for nothing more that $100 and their mileage check. They came here to do good. Mr. Speaker, you did good. All those years you have toiled, whether it was on your Committees, or as Deputy Speaker or as the Speaker of the House these last three terms. You have made us all so very proud in that the sense of your fairness, your willingness to work with us — never an instance when either Rick or I or any other member of this House needed to speak with the Speaker, did he refuse us. He brought us in and he always wanted to know what was the best way to work out any situation. To be able to do that, to have that sort of quality of wanting to care about the person as an individual, is special. For those of you who haven't served under different Speakers, I think that you really don't know what you missed. When we had Speakers in the past that ran this House with a heavy hammer, in a very partisan manner, in a strong arm manner — there were Speakers like that — the sort of experience that you have had under Harold Burns simply would not have been possible. He has allowed each and every one of us to rise to our highest potential, to serve our constituents, to serve the people of New Hampshire. The fact that he did, with such grace and with such dignity, has certainly earned all of our respect and, as Rep. Scanlan said, certainly a mention in the history books. We would like to thank you for that, Mr. Speaker.

To my friend. Twice before I have come to this podium to nominate my best friend for Speaker of this House. I did so not because it was my role as the Deputy Leader, I did so because I truly felt he would have made a terrific Speaker of this House. I stood up and I talked about the qualities that I knew. Probably nobody in this House knows Rick Trombly better than Ray Buckley. Believe me, he would have made a terrific, terrific Speaker. The fact that he has chosen to leave after only two terms as the Democratic Leader certainly is a loss for the House, but certainly a loss for all of us who looked to him for his leadership, his smile and his compassion. I've known Rick for my entire adult life. As we have grown into adults and we have assumed responsibilities, I believe that he has more than exceeded the expectations of those of us who first supported him for Democratic Leader four years ago. We had many conversations before

he accepted the position of Democratic Leader. He said the most important thing is that we would always offer an alternative. He simply couldn't — he couldn't stand up here on the floor of the House or stand before the Democratic Caucus or stand before his constituents or his family, and say that that is the Republican's mess, let them solve it. There is not a single instance in the last four years where the Democratic Leader stood before you and said that he opposed a piece of legislation without offering a credible, positive alternative. That doesn't come easy. We only have a staff of four. We are only 114 out of 400. But, he did that. He did that. I think that sort of leadership should be supported and should be commended. When Rick made his decision and then made it known publicly two weeks ago, it came as a shock to a lot a people because I think that a lot of people thought that he would stay here for many years to come.

But, I think we all need to remember that this House is simply made up of citizens. We are not a professional legislature like in so many other states. For us to have had the opportunity to have leaders like Harold Burns and Stacey Cole and Rick Trombly for so many years already, we should thank them for what they have given to the state, thank them for what they have given to their community, but most importantly, thank them for what they have given to each and every one of us. I don't know of an instance where any one of the three didn't hold their office with dignity, didn't treat each person with respect and did not encourage and allow discussion and dialogue. What more could we ask of our leaders? To the Speaker, to the Deputy Speaker and most of all to my friend, Rick Trombly, we are going to miss you next session. You have left enormous shoes to fill. Hopefully, you have taught us well. You have given us a lesson or two. I think that this House and this state is better for the leadership that all three of you have given. Thank you very much.

Reps. Lovett, Hurst and McCann addressed the House.

Rep. Loren Jean moved that the remarks of Reps. Lovett, Hurst and McCann be printed in the Journal.

Adopted.

Rep. Lovett: Thank you Mr. Speaker. As you know, I represent the back bench over here on this aisle. I did a little computation a few weeks ago and I figured out that it would take me nine biennia to make it from the back bench down here to the front and the distinguished area here in the well. So I have decided and I have announced today that I am going to levitate. I'm going to not try to come down row-by-row, but to levitate and to come in from this door some day. Before leaving the House, I want to thank you, Mr. Speaker, for all the courtesies that you have extended to a newcomer and that your staff has extended to someone who comes here as a freshman. It has been a very lovely experience and one I want to recognize. I want to recognize the Chairman of the committee on which I have had the privilege of serving, Rep. Crow Dickinson, who has been very fair and friendly and open in our discussions. I appreciate that. But, Mr. Speaker, I think that before one leaves the House, one should have full disclosure. I want to report to you here that I have only made three promises that I must keep if the Old Man of the Mountain should smile upon my candidacy. They are all to Channing Brown, believe it or not. Rep. Brown, I said to you on one occasion that if you are the Speaker of the House and I happen to sit in the corner office, you will be the first person to come in and we'll settle up some of the things we need to be doing to help our state. If you are still the Chairman of the Finance Committee, that invitation would hold true, that you would be the first person to be invited in to work on the settlement of some issues that have been long awaiting a kind of joint effort. The third promise is brand new to you. But, should I be in the corner office, I will authorize you to ride in the Governor's car to Hooksett anytime you want.

Rep. Hurst: Hello. I wanted to let you know that I know a few of you may not be overly disappointed to hear this, but this is probably the last time I will ever speak to you from this podium.

I'll never forget the feeling that swept through me the first day that I walked into this Hall. I was overwhelmed with awe at the great honor that had been bestowed on me. This was the New Hampshire House of Representatives and I was now a member. Not very many people would get to stand where I stood at that moment. Although many would aspire to it, few would be elected. I was truly blessed. Now, six years later, I stand before you in this Hall to say goodbye. As I look around the room I see a lot of people that I've gotten to know. You have made me cry

and you have made me laugh. You have infuriated me and you have comforted me. You have opposed me and you have supported me. You have frustrated me and encouraged me. But most of all, you have made me think and you have been my friends. I've seen a lot of difficult, painful times during these six years. I've had to face a lot of changes. Through it all, this Hall has been my haven. I could come up here and forget about my problems and throw myself into my work or I could find a shoulder to cry on and find some comfort. It isn't easy to walk away from this place. You might say it is foolhardy to leave a job you love to pursue one that is hard to attain. You are probably right. But taking risks is part of life. I gain inspiration from those who have a lot more courage than I do. Some people leave their safe suburban lives to join the military and fight overseas or to put themselves at risk to pursue a dream. Their passion for life renews our spirits and their courage makes us humble. As I leave this Hall today, I would like to leave you with a few words to remind us all of that passion. It's called "To Live" and it's dedicated to Nancy Coutu and other young dreamers like her. Life is not a safe refuge, but it calls for strength and courage. It is better to take a leap of faith than to linger anxiously at the brink. It is better to take a chance and live than to play it safe just to exist. To risk failure to chase a dream than to live in regret of never having tried. To die in pursuit of a dream than to cling securely to an empty life. For life is not worth one short breath if it is merely had but never really lived. Thank you everybody. It has been an honor to serve with you.

Rep. McCann: Thank you Mr. Speaker. I would just like to say that like other speakers before me, your leadership, that of Rep. Cole and Rep. Trombly, is going to be missed very much by those of us who will have the privilege of coming back here next year.

I wanted to speak today because today is a very special day to me as an individual. Two people who had a great deal of influence on my life were born on this date, May 29th. Today marks the 124th anniversary of one's birth and the 79th anniversary of another's birth. Forty-five years apart, yet they died within nine months of each other. One was born in the midwest, the other in the northeast. One was born of modest means, the other was born into some wealth. Each travelled about the country spreading their message. Each was denied or threatened to be denied certain rights. One was denied the right to vote for 27 years. The other was told he could not hold a certain office because of his religion. One, obviously was male, the other was female. One was Catholic, one was Protestant. Even after gaining the right to vote, one was discriminated against in employment because of her sex. Each spoke out against discrimination of all types. I do not believe that they ever met. But between 1952 and 1964 they had a pronounced influence on me. One lived with my family for a dozen years and the other I only met once, personally. One was a minister of God. The other was a Congressman, a Senator and President of the United States. The two people I am talking about are my grandmother, the Reverend Harriet Baker Robinson, and the other is President John Fitzgerald Kennedy.

Eleven days before my grandmother's 17th birthday, and I still have the preserved program, my grandmother spoke at her high school graduation. The Oration, they called it. The issue she spoke of was suffrage. This was 31 years before women finally attained the right to vote in the 19th amendment. In 1899, she was ordained a Unitarian minister. In 1920, in Old Town, Maine, she had a considerable run-in with the Ku Klux Klan over the issue of intolerance. The issue was cross-burning and the cross-burning was taking place on the lawns of citizens of Old Town who happened to be Catholic. She took to the pulpit and denounced that kind of intolerance. In the Unitarian Journal, which keeps track of the histories of all the ministers, they make reference to that encounter very briefly. My mother told me that on a Sunday afternoon, the Ku Klux Klan came to their house, in 1920, and wanted my grandmother to go with them and my mother was very fearful of this, obviously. My grandmother acceded to their request and simply said to my mother, "If I am not back in two or three hours, notify the police where I am." She went, she talked with them. She probably didn't make many converts but, obviously, she was returned home. She took on her principles face-to-face with her adversaries. She, like President Kennedy, saw things that had to be corrected and understood that there is a mixture of our personal, moral and religious beliefs and our political beliefs. As President Kennedy said when he concluded his Inaugural Address, "Let us go forth to lead the land we love, asking His blessing and His help, but knowing that here on earth, God's work must truly be our own."

Both these individuals fought for equal rights using the teaching of the Bible. My grandmother preached it in several states in the south, the midwest and in New England. President Kennedy,

in 1962, went on national television to address the issue and he said, "We are confronted, primarily, with a moral issue. It is as old as the scriptures and it is as clear as the American Constitution. The heart of the question is whether all Americans are to be afforded equal rights and equal opportunities. Whether we are going to treat our fellow Americans as we want to be treated." Clearly, when John Fitzgerald Kennedy said, "Ask not what your country can do for you. Ask what you can do for your country", Harriet Baker Robinson could answer that she had given of herself. She was honored in 1953 for 54 years of service as a Unitarian Universalist minister. She risked her life to try to end bigotry and hate. Both inspired many people. There are still people in Dover who remember my grandmother for the eight years that she was pastor of the Pierce Memorial Church in Dover. As I said earlier, she was a victim of discrimination herself. When I obtained some of her personal papers from the Unitarian Universalist Church, there were copies of letters in there that indicated she had a difficult time becoming pastor of certain parishes because they did not want a women pastor. This, in a denomination that today most people consider rather liberal. Yet, in the 1930's she was denied the opportunity to try to serve these people in her ministry.

They had a common goal of trying to improve the quality of life for all our people. Today, on the 124th and 79th anniversary of their births, I want to say thank you. You have provided a good example to many people. You showed many that truly God's work must truly be our own. I hope in some small way I can follow the example that they have provided. Mr. Speaker, members of the House, I would like to thank you for permitting me to speak of their influence on this one member of this esteemed body. Thank you.

ENROLLED BILL AMENDMENTS

HB 1203-L, excluding pupils in home education programs from average daily membership in cooperative school district apportionment formulas, and deleting the date for notification for home education.

Amendment (6121L)

Amend the bill by replacing section 14 with the following:

14 Gender Neutral Language Substitution. Amend RSA 195:4, III to read as follows:

III. CHECKLISTS. At the meetings held in the preexisting districts for the purpose of accepting the articles of agreement, or any existing arrangements, and at the organization meeting of the cooperative school district the checklists for each preexisting district shall be used. The school board of any preexisting district which does not have a checklist shall make, post and correct a list of the legal voters in the district for use at such meetings as supervisors are

required to do in regard to the list of voters in their towns. Thereafter the cooperative school board shall make, post and correct a list of the legal voters of the cooperative school district acting as supervisors are required to do, except that such list shall indicate with respect to each voter the preexisting district in which [he] ***the voter*** resides. Any 2 members of the cooperative school board shall constitute a quorum at sessions for the correction of the checklist. Notwithstanding the foregoing provisions whenever each of the preexisting school districts is coextensive with the town in which it is located the cooperative school district may, at an annual cooperative school district meeting, under an article in the warrant for such meeting, vote that the supervisors of each town, acting as the supervisors of the cooperative school district, shall make, post and correct in each preexisting district a checklist of the voters in each preexisting district and shall certify [to the same] ***the making, posting, and correction of the checklist*** acting as supervisors of the cooperative school district. At each annual meeting for the election of officers of the cooperative district the checklists prepared by the supervisors in each preexisting district in accordance with the provisions of this paragraph shall be used and the town supervisors from each preexisting district shall attend [said] ***such*** annual meeting. The voters of the cooperative district shall be those whose names appear on the checklists as provided by this paragraph. The supervisors shall be paid such compensation as the district may provide.

15 Cooperative School Districts; Certain Home Educated Pupils Excluded in Apportionment Formulas. Amend RSA 195:7 to read as follows:

195:7 Costs of Capital Outlay and Operation.

I. If a cooperative school district was organized prior to July 1, 1963, during the first 5 years after the formation of a cooperative school district each preexisting district shall pay its share of all capital outlay costs and operational costs in accordance with either one of the following formulas as determined by a majority vote of the cooperative district meeting:

[I.]***(a)*** All such costs shall be apportioned on the basis of the ratio that the equalized valuation of each preexisting district bears to that of the cooperative district; or

[II.]***(b)*** One-half of all such costs shall be apportioned on the basis of the ratio that the equalized valuation of each preexisting district bears to that of the cooperative district and 1/2 shall be apportioned on the average daily membership for the preceding year.

[III.]***(c)*** Some other formula offered by the cooperative school board with the board's recommendation, adopted by the cooperative school district and approved by the state board of education.

II. Home education pupils who do not receive services from the cooperative school district, except an evaluation pursuant to RSA 193-A:6, II, shall not be included in the average daily membership relative to apportionment formulas.

16 Cross Reference Changed. Amend RSA 195:8 to read as follows:

195:8 Five-Year Period Reconsideration. If a cooperative school district was organized prior to July 1, 1963, after the expiration of the first 5-year period measured from the date of the first annual meeting and after the expiration of each subsequent 5-year period measured from the date of the last change [thereto] ***to the cost apportionment under RSA 195:7***, the basis for the apportionment of all such costs may be subject to review, pursuant to an article for that purpose duly inserted in the warrant for a district meeting [and]. The cooperative school district may then by majority vote elect to apportion all such costs by the adoption of [either formula I, II or III, as defined in RSA 195:7] ***one of the formulas set forth in RSA 195:7, I(a), (b), or (c)***. Such apportionment may be reviewed in the same manner at any time in order to permit the membership of a school district or a increase in the number of grades for which the district shall be responsible.

17 Gender Neutral Language Substitution. Amend RSA 195:12-a, I to read as follows:

I. A cooperative school district at an annual meeting, under a proper article in the warrant, may vote to establish a budget committee pursuant to RSA 32:14 and may rescind such action in a like manner. The budget committee shall have the same number of members as the cooperative district school board plus one additional member from the school board as [hereinafter] provided in this paragraph. The terms of office and manner of election of members shall be determined in the same manner as for the cooperative school board. Whenever it is voted to establish a budget committee, the moderator in the first instance shall appoint the members [thereof] ***of the budget committee,*** except for the additional member appointed from the school

board, within 15 days of the vote establishing the committee. The members appointed by the moderator shall serve until the next annual meeting when the meeting shall elect their successors. No member of the cooperative school board shall be appointed or elected to the budget committee except that the [chairman] ***chairperson*** of the cooperative school board shall appoint a member of the board to serve on the budget committee with all the powers and duties of any other member of the committee. After appointment or election the budget committee shall promptly organize and choose a [chairman] ***chairperson***, [vice chairman] ***vice-chairperson***, and secretary. The secretary shall keep records of the proceedings of the budget committee, which shall be public records open to public inspection.

18 Gender Neutral Language Substitution. Amend RSA 195:18, I to read as follows:

I.(a) Any school district pursuant to an article in the warrant for any annual or special meeting may vote to create a cooperative school district planning committee consisting of 3 qualified voters of whom at least one shall be a member of the school board. The members of the committee shall be elected at the meeting at which the committee is created, unless the district determines that they shall be appointed by the moderator. The members of the committee shall serve without pay for a term ending (1) at the third annual meeting of the district following the creation of the committee, if the committee is created at an annual meeting, or (2) at the first annual meeting of the district next following the expiration of 3 years from the date of the creation of the committee, if the committee is created at a special meeting, or (3) upon the final adjournment of the organization meeting of any cooperative school district of which the district becomes a part. If the term of the committee ends at an annual meeting of the district, the district may create a successor cooperative school district planning committee pursuant to the foregoing provisions. Vacancies on the committee shall be filled by the moderator for the balance of the unexpired term. The district may appropriate money to meet the expenses of the committee at the meeting at which it is created or at any subsequent district meeting notwithstanding the provisions of RSA 32 or RSA 197:3, and such expenses may include the cost of publication and distribution of reports. Cooperative school district planning committees from any 2 or more school districts may join together to form a cooperative school district planning board which shall organize by the election of a [chairman] ***chairperson*** and a clerk-treasurer. The planning board may thereafter admit to membership planning committees from other school districts, but the members of a planning committee shall not be members of more than one planning board at any one time. A cooperative school district planning board shall act by a majority vote of its total membership.

(b) Any school district which votes at any annual or special district meeting to create a cooperative school district planning committee under RSA 195:18 shall elect the members of such committee as provided in RSA 195:18.

relative to the registration of certain criminal offenders.

Amend RSA 651-B:7 as inserted by section 1 of the bill by replacing it with the following:

651-B:7 Confidentiality.

I. Any records established or information collected pursuant to the provisions of this chapter shall be classified as confidential under RSA 91-A:5, IV and shall be made available only to law enforcement officials and their authorized designees or to the individual requesting the individual's own record in the LENS system. However, nothing in this section shall be construed to limit access to a person's criminal record under the provisions of RSA 106-B:14, including address information obtained under the provisions of this chapter.

II.(a) Notwithstanding paragraph I, a law enforcement agency may notify organizations in the community where the person intends to reside when a person convicted of a violation of RSA 632-A:2, I(l) or RSA 632-A:2, II or of an equivalent offense in an out-of-state jurisdiction registers under this chapter unless a qualified order has been issued by the Merrimack county superior court. In this section, "organization" shall include but shall not be limited to schools, youth groups, day care centers, summer camps, libraries, or any other organization where children gather and are supervised by persons in the organization.

(b) The law enforcement agency may notify an organization pursuant to subparagraph (a) 10 days after registration unless notified by the petitioner of the filing of a petition for a qualifying order with the Merrimack county superior court. If a petition for a qualifying order is filed, the law enforcement agency may not notify an organization until 30 days after a final order from the superior court unless a notice of appeal by the petitioner is filed with the supreme court. If a notice of appeal is filed with the supreme court, the law enforcement agency may not notify an organization until 10 days after an order from the supreme court authorizing release of information pursuant to subparagraph (a).

(c) A law enforcement agency may provide an organization with the following information concerning a person convicted of a violation of RSA 632-A:2, I(l) or RSA 632-A:2, II or of an equivalent offense in an out-of-state jurisdiction:

(1) Name and address of the individual.

(2) A recent photograph of the individual, if available.

(3) The offense for which the individual was convicted.

(4) The method of approach the individual has utilized.

(5) Information on the profile of previous victims of his offenses.

(d) The law enforcement agency may utilize a form developed by the department of safety for the dissemination of information.

III.(a) A qualified order may be issued only if the individual has filed a petition for a qualified order with the superior court no later than 10 calendar days after registration with the local law enforcement agency.

(b) The court shall give such petition priority on the court calendar. The court shall rule upon the petition within 10 business days of the submission of all evidence and memoranda by the parties.

(c) The court shall issue a qualified order if the court finds by clear and convincing evidence that the risk of reoffending is low. In reaching its finding the superior court may consider, but not be limited to, the following:

(1) Circumstances of the petitioner's release which minimize the risk of reoffending including, but not limited to, whether:

(A) The petitioner is under the supervision of probation or parole;

(B) The petitioner is receiving counseling, therapy, or treatment; or

(C) The petitioner is residing in a home situation that provides guidance and supervision.

(2) Whether the petitioner's physical condition minimizes the risk of reoffending including, but not limited to, whether the petitioner is of advanced age or suffers from a debilitating illness.

(3) Factors present in the criminal history of the petitioner which are indicative of a high risk of reoffending including, but not limited to, the following:

(A) Whether the petitioner's illegal conduct was found to be repetitive.

(B) The number, date, and nature of the petitioner's prior criminal convictions.

(4) Any history of substance abuse on the part of the petitioner.

(5) The petitioner's response to treatment.

(6) The petitioner's recent behavior, including behavior while confined or while under supervision in the community as well as behavior in the community following completion of sentence.

(d) The rules of evidence shall not apply to proceedings under this section. The proceedings shall be conducted in camera. The pleadings filed pursuant to this section shall be sealed if the court finds by clear and convincing evidence that disclosure beyond law enforcement is not warranted, unless the attorney general takes a timely appeal from the court's ruling in which case the records may be utilized for purposes of the appeal and as necessary to effectuate any order issued by the supreme court.

IV. The law enforcement agency shall not release information concerning the sex offender to organizations when it has received notice of the filing of the petition. The agency shall not disseminate information to such organizations until a court has denied the petition and either the period for the filing of a notice of appeal has expired without the filing of the notice of appeal by the petitioner or the supreme court has found against the petitioner on the merits of the petition. The burden is upon the petitioner to notify the law enforcement agency of the intention to file a petition, as well as the filing of a notice of appeal with the supreme court.

V. It is the responsibility of each organization that receives information concerning a registered sex offender to take appropriate steps to educate and alert staff members who are charged with the care and supervision of children. This information may only be used for the purpose of protecting the children in the charge of the organization and its staff. Information is not to be used to provide notification to the community at large.

VI. Notwithstanding any provision of law to the contrary, petitions shall be filed in the Merrimack county superior court. The office of attorney general shall respond to all petitions filed under this section and shall be served with copies of any petition filed. If the petitioner moves to a different city or town within the state before a determination is made on the merits of the petition, the petitioner shall either amend the filed petition or withdraw the petition.

VII. A court order granting or denying a qualified order issued in compliance with RSA 651-B:7, III, shall be binding upon both the petitioner and law enforcement agencies of the state for a period of 10 years and shall estop the relitigation of that order in the event that the offender relocates to a different jurisdiction within the state during that period of time.

VIII. Notwithstanding any other provision of law to the contrary, any person other than the sex offender who makes or fails to make a disclosure of information as authorized by paragraph II(c) or V shall not be liable in any civil or criminal action. Nothing in this section shall be deemed to grant any such immunity to any person for that person's reckless or wanton act of commission or omission.

(b) The commissioner shall determine fines based on the following:

(1) For a minor deviation from a requirement causing minor potential for harm, the fine shall be not less than $100 and not more than $1,000.

(2) For a minor deviation from a requirement causing moderate potential for harm, the fine shall be not less than $601 and not more than $1,250.

(3) For a minor deviation from a requirement causing major potential for harm, the fine shall be not less than $851 and not more than $1,500.

(4) For a moderate deviation from a requirement causing minor potential for harm, the fine shall be not less than $601 and not more than $1,250.

(5) For a moderate deviation from a requirement causing moderate potential for harm, the fine shall be not less than $851 and not more than $1,500.

(6) For a moderate deviation from a requirement causing major potential for harm, the fine shall be not less than $1,251 and not more than $1,750.

(7) For a major deviation from a requirement causing minor potential for harm, the fine shall be not less than $851 and not more than $1,500.

(8) For a major deviation from a requirement causing moderate potential for harm, the fine shall be not less than $1,251 and not more than $1,750.

(9) For a major deviation from a requirement causing major potential for harm, the fine shall be not less than $1,501 and not more than $2,000.

(c) The commissioner may assess an additional fine for repeat violations.

12 New Section; Authority to Impose Administrative Fines Added; Acid Rain Control Act. Amend RSA 125-D by inserting after section 3 the following new section:

125-D:4 Administrative Fines. The commissioner of the department of environmental services, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not to exceed $2,000 for each offense upon any person who violates any provision of this chapter, any rule adopted pursuant to this chapter, or any permit or order issued pursuant to this chapter; or upon any person who makes or certifies a material false statement relative to any document or information which is required to be submitted to the department pursuant to this chapter or any rule adopted pursuant to this chapter. Rehearings and appeals from a decision of the commissioner under this section shall be in accordance with RSA 541. Any administrative fine imposed under this section shall not preclude the imposition of further penalties under this chapter. The proceeds of administrative fines imposed pursuant to this section shall be deposited in the general fund.

I. Notice and hearing prior to the imposition of an administrative fine shall be in accordance with RSA 541-A and procedural rules adopted by the commissioner pursuant to RSA 541-A:16.

II. The commissioner shall determine fines in accordance with RSA 125-C:15, I-b(b).

III. The commissioner may assess an additional fine for repeat violations.

13 New Section; Authority to Impose Administrative Fines Added; Air Toxic Control Act. Amend RSA 125-I by inserting after section 3 the following new section:

125-I:4 Administrative Fines. The commissioner of the department of environmental services, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not to exceed $2,000 for each offense upon any person who violates any provision of this chapter, any rule adopted pursuant to this chapter, or any permit or order issued pursuant to this chapter; or upon any person who makes or certifies a material false statement relative to any document or information which is required to be submitted to the department pursuant to this chapter or any rule adopted pursuant to this chapter. Rehearings and appeals from a decision of the commissioner under this section shall be in accordance with RSA 541. Any administrative fine imposed under this section shall not preclude the imposition of further penalties under this chapter. The proceeds of administrative fines imposed pursuant to this section shall be deposited in the general fund.

I. Notice and hearing prior to the imposition of an administrative fine shall be in accordance with RSA 541-A and procedural rules adopted by the commissioner pursuant to RSA 541-A:16.

II. The commissioner shall determine fines in accordance with RSA 125-C:15, I-b(b).

III. The commissioner may assess an additional fine for repeat violations.

14 New Paragraph; Authority to Impose Administrative Fines Added; Emissions Reduction Credits Trading Program. Amend RSA 125-J:8 by inserting after paragraph I the following new paragraph:

I-a. The commissioner of the department of environmental services, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not to exceed $2,000 for each offense upon any person who violates any provision of this chapter, any rule adopted pursuant to this chapter, or any permit, compliance schedule, stop use order, or order of abatement issued pursuant to this chapter; or upon any person who makes or certifies a material false statement relative to any document or information which is required to be submitted to the department pursuant to this chapter or any rule adopted pursuant to this chapter. Rehearings and appeals from a decision of the commissioner under this paragraph shall be in accordance with RSA 541. Any administrative fine imposed under this paragraph shall not preclude the imposition of further penalties under this chapter. The proceeds of administrative fines imposed pursuant to this paragraph shall be deposited in the general fund.

(a) Notice and hearing prior to the imposition of an administrative fine shall be in accordance with RSA 541-A and procedural rules adopted by the commissioner pursuant to RSA 541-A:16.

(b) The commissioner shall determine fines in accordance with RSA 125-C:15, I-b(b).

(c) The commissioner may assess an additional fine for repeat violations.

27 Solid Waste Management; Waste Reduction Goal; Changes Required by the Reorganization of the Department of Environmental Services. Amend RSA 149-M:2, II to read as follows:

II. In exercising any and all powers conferred upon the [division of waste management] ***department*** under this chapter, the [division] ***department*** shall use and consider criteria relevant to the waste reduction goal and disposal hierarchy established in RSA 149-M:2 and 149-M:3. The [division] ***department*** shall not take any action relative to the 40 percent weight reduction goal which causes the municipalities organized under RSA 53-A and 1986, 139 or RSA 53-B to violate or incur penalties under legal obligations existing on June 26, 1990.

28 Solid Waste Management; Changes Required by the Reorganization of the Department of Environmental Services. Amend RSA 149-M:4 through 149-M:12 to read as follows:

149-M:4 Definitions. In this chapter:

I. "Abutter" means any person who owns property adjacent to, or across a road, railroad, or stream from the property on which a solid waste facility may be permitted.

II. "Approved facility" means a facility with a valid permit from the [division] ***department***.

III. "Commissioner" means the commissioner of the department of environmental services.

IV. "Compost" means a stable, humus-like substance which is derived from a process involving the biological decomposition of any readily biodegradable material, such as animal manure, garbage, yard waste, septage, sludge, or other organic solid wastes, and which can be beneficially re-used for land application.

V. "Department" means the department of environmental services.

[VI. "Director" means the director of the division of waste management.

VII.] ***VI.*** "Disposal" means the discharge, deposit, injection, dumping, spilling, leaking, incineration, or placing of any solid waste into or onto any land or water with the possible result that such solid waste or any constituent of it may enter the environment, be emitted into the air, or be discharged into any waters, including groundwater.

[VIII.] ***VII.*** "District" means a solid waste management district established under RSA 149-M:24.

[IX.] ***VIII.*** "District plan" means the plan developed for waste management within a district, and approved by the [division] ***department***.

[X. "Division" means the division of waste management.

XI.] ***IX.*** "Facility" means a location, system, or physical structure for the collection, separation, storage, transfer, processing, treatment, or disposal of solid waste.

[XII.] ***X.*** "Hearing" means the opportunity for the submission of written or oral comments, or both.

[XIII.] ***XI.*** "Manure" means animal feces and urine with natural organic bedding materials such as hay, sawdust, straw, or wood chips, but exclusive of human waste.

[XIV.] ***XII.*** "Order" means an official written notice requiring compliance with a statute, rule, or permit.

[XV.] ***XIII.*** "Out-of-state solid waste" means solid waste generated or originating outside the borders of the state, but not including solid waste generated or originating from communities participating in cooperative agreements authorized by RSA 53-D.

[XVI.] ***XIV.*** "Permit" means an authorization from the [division] ***department*** for the construction and operation of a facility.

[XVII.] ***XV.*** "Person" means any individual; business entity, including a trust, firm, joint

[XVIII.] ***XVI.*** "Private facility" means one whose permit is held by a person other than a government unit or agency or political subdivision of the state.

[XIX.] ***XVII.*** "Public benefit" means the protection of the health, economy, and natural environment of the state of New Hampshire consistent with RSA 149-M:11.

[XX.] ***XVIII.*** "Public facility" means one whose permit is held by a town or other governmental unit or agency or political subdivision of the state, or a combination thereof.

[XXI.] ***XIX.*** "Recyclable materials" means materials that can be used to produce marketable goods, including but not limited to separated clear and colored glass, aluminum, ferrous and nonferrous metals, plastics, corrugated cardboard, motor vehicle batteries, tires from motor vehicles, and paper.

[XXII.] ***XX.*** "Recycling" means the collection, storage, processing, and redistribution of recyclable materials.

[XXIII.] ***XXI.*** "Refuse" means and includes any waste product, solid or having the character of a solid rather than a liquid in that it will not flow readily without additional liquid, and which is composed wholly or partly of such materials as garbage, swill, sweepings, cleanings, trash, rubbish, litter, industrial or domestic solid wastes; organic wastes or residue of animals sold as meat; fruit, vegetable or animal matter from kitchens, dining rooms, markets, food establishments or any places dealing in or handling meat, fowl, fruits, grain or vegetables; offal, animal excreta, or the carcasses of animals; brick, plaster or other waste matter resulting from the demolition, alteration, or construction of buildings or structures; or accumulated waste material, cans, containers, tires, junk, or other such substances which may become a nuisance.

[XXIV.] ***XXII.*** "Solid waste" means any matter consisting of putrescible material, refuse, residue from an air pollution control facility, and other discarded or abandoned material. It includes solid, liquid, semisolid or contained gaseous material resulting from industrial, commercial, mining, and agricultural operations, and from community activities. For purposes of this chapter, it does not include hazardous waste as defined in RSA 147-A:2; solid or dissolved materials in irrigation return flows; cut or uprooted tree stumps buried on-site with local approval if required, provided that such burial locations are not located within 75 feet of any drinking water supply; municipal and industrial discharges which are point sources subject to permits under section 402 of the federal Water Pollution Control Act, as amended; source, special nuclear or by-product material as defined by the Atomic Energy Act of 1954, as amended; or septage or sludge as defined in RSA 485-A:2, IX-a and XI-a.

[XXV.] ***XXIII.*** "Solid waste management" means the systematic administration of activities for the collection, separation, processing, treatment, transportation, transfer, storage, recovery, and disposal of solid waste.

[XXVI.] ***XXIV.*** "Source reduction" means changing industrial processes, technologies, and product components with the specific objective of reducing the amount or toxicity of waste at the source.

[XXVII.] ***XXV.*** "Special waste" means any matter consisting of medical or infectious wastes.

[XXVIII.] ***XXVI.*** "State plan" means the state solid waste management plan developed under RSA 149-M:29.

[XXIX.] ***XXVII.*** "Town" means town, city, unincorporated town, and unorganized place.

149-M:5 Administration and Enforcement.

I. The [division] ***department*** shall administer and enforce this chapter. The [division] ***department*** is hereby named as the state agency for planning and regulating solid waste management.

[II. The responsibility and authority vested in the division under this chapter shall not affect the responsibilities and authority vested in the division of air resources or in the division of water supply and pollution control.

III. The director shall be the head of the division and shall be responsible for administering this chapter.]

149-M:6 Responsibilities. The [division] ***department*** shall have the responsibility and authority to:

I. Administer and enforce this chapter, and all orders and permits issued and rules adopted under it.

II. Establish solid waste management policies and goals consistent with the provisions of

III. Regulate facilities through administration of a permit system.

IV. Enter, at all reasonable times, in or upon any private or public property, except private residences, to:

(a) Inspect any facility; or

(b) Investigate any condition which is believed to be in violation either of this chapter or of any of the rules adopted or orders issued under it, or which presents a substantial threat to human health or the environment.

V. Hold hearings, issue notices of hearings, and take testimony.

VI. Prepare the state solid waste plan.

VII. Provide technical assistance and information to citizens, towns, and districts.

VIII. Review in order to approve or require modification of town or district solid waste plans.

IX. Administer grants or other funds to carry out this chapter.

X. Consult, cooperate, or contract with other state agencies responsible for solid waste issues, with interstate and federal agencies, with New Hampshire nonprofit recycling organizations, and with other affected groups.

XI. Assess a surcharge on the disposal of out-of-state solid waste in the amount of $1 per ton, which shall be assessed against the person transporting the out-of-state solid waste to the facility and not assessed against the facility. The surcharge shall be assessed and collected only with respect to the first point of disposal, processing, or treatment within this state. The proceeds shall be used by the [division] ***department*** to reduce and offset general fund expenditures for solid waste management.

XII. Determine whether the taking of land by eminent domain is necessary and appropriate and to order the initiation of such proceedings.

XIII. Establish and administer a certification program for solid waste operators which shall include training courses, and may include testing. The registration fee for any course shall not exceed $50 per attendee, and shall be deposited in the nonlapsing revolving fund established in RSA 21-O:1-a.

XIV. Conduct any other activity for the purpose of administering this chapter.

149-M:7 Rulemaking. The commissioner shall have the responsibility and authority to adopt rules, under RSA 541-A, relative to this chapter, including rules relative to:

I. Criteria for approving town and district solid waste plans.

II. Criteria for all types of facilities, including standards for the proper receipt, reclamation, or disposal of separated motor vehicle wastes.

III. Administration of a permit system, including the terms and conditions under which the [division] ***department*** shall issue, modify, suspend, revoke, deny, approve, or transfer permits required by this chapter.

IV. A schedule of permit fees.

V. Standards for granting any exemptions or notice waivers from RSA 149-M:9.

VI. Administration of a solid waste facility operator training program pursuant to RSA 149-M:9, VI.

VII. Administration of and standards for the assessment and collection of the out-of-state solid waste surcharge pursuant to RSA 149-M:6, XI.

VIII. Standards and procedures for the treatment and disposal of special waste.

IX. Administrative fines as provided in RSA 149-M:16.

X. A schedule of administrative fines which may be imposed under this section for violation of this chapter as provided in paragraph IX.

XI. Procedures for notice and hearing prior to the imposition of an administrative fine.

XII. Administration of the cleanup of waste sites provided for in RSA 149-M:30 and the aid to municipalities program provided in RSA 149-M:41 through 50.

XIII. Toxics reduction provided in RSA 149-M:32-40.

XIV. Establish minimum standards for closing all solid waste facilities according to type of waste disposed of, and establish state closure guidelines for all facility owners and operators which shall include, but not be limited to, monitoring, restoration, and correction and compliance procedures which may be necessary in the maintenance of a closed landfill facility.

XV. Such other rules as are deemed necessary to implement the provisions of this chapter.

149-M:8 Appeals. Administrative appeals from decisions of the [director] ***department*** made under the provisions of this chapter shall be heard by the waste management council under RSA 21-O:9, V.

149-M:9 Permit Required.

I. No person shall construct, operate, or initiate closure of a public or private facility without first obtaining a permit from the [division] ***department***. However, no permit shall be required for hauling or storing manure, if used as fertilizer.

II. It shall be unlawful to transport solid waste to, or to dispose of solid waste at, any facility other than an approved facility.

III. Applications for permits shall be upon such forms and shall include such information as the [division] ***department*** requires by rules adopted under RSA 149-M:7. The application information shall include, but not be limited to, a performance history of the applicant and of its officers and directors relative to the operation, financial security, and ownership of all facilities owned or operated by the applicant. Whenever requested by the [division] ***department***, the attorney general shall conduct a background investigation of the performance history and criminal record of the applicant and of its officers and directors, if any, and make a report to the [division] ***department***. The cost of any investigation under this paragraph shall be borne by the applicant. The applicant shall also demonstrate that the proposed facility provides a substantial public benefit pursuant to RSA 149-M:11.

IV. Each facility seeking a permit shall submit evidence that the facility includes separate provisions for the collection, reclamation, and disposal of motor vehicle waste.

V. As a condition for any permit, the [division] ***department*** may require payment of a reasonable fee, set by rules adopted under RSA 149-M:7. Such funds shall be used by the [division] ***department*** for the purposes of this chapter.

VI. No person shall operate a public or private facility who is not certified by the [division] ***department***.

VII. A permit issued by the [division] ***department*** for a facility shall not eliminate the need to comply with all lawful and applicable local ordinances, codes, and regulations that are consistent with a district plan.

VIII. The [division] ***department*** shall act upon each permit application within a reasonable period of time. Prior to such action, the [division] ***department*** shall provide notice of the application by publication in at least one newspaper of general circulation in the community and an opportunity for hearing to interested persons. The applicant shall notify abutters of the public hearing in writing by certified mail, return receipt requested. The requirement of public notice and hearing shall apply at the discretion of the [division] ***department*** to facilities or activities that will have an insignificant effect on environmental quality as defined by rule under RSA 149-M:7.

IX. The [division] ***department*** may deny a permit application under this section to a person if any of the following applies:

(a) The person fails to demonstrate sufficient reliability, expertise, integrity, and competence to operate a solid waste facility.

(b) The person has been convicted of, or pled guilty or no contest to, a felony in any state or federal court during the 5 years before the date of the permit application.

(c) In the case of a corporation or business entity, if any of its officers, directors, partners, key employees or persons or business entities holding 10 percent or more of its equity or debt liability has been convicted of, or pled guilty or no contest to, a felony in any state or federal court during the 5 years before the date of the permit application.

X. The [division] ***department*** shall not issue a permit for a solid waste facility unless the facility meets the terms and conditions required in rules adopted by the commissioner. These terms and conditions include, but are not limited to, monitoring, contingency plans, closure, and evidence of financial responsibility in the amount set by the [division] ***department*** after consultation with the commissioner of insurance. This amount shall be whatever is necessary to:

(a) Protect the public health and welfare and the environment; and

(b) Insure that appropriate measures will be taken to prevent present and future damage to the public health and safety or to the environment, in the event that the operations at the facility are abandoned, interrupted, or stopped.

XI. All permits shall be continuous in duration, but may be suspended or revoked for cause as provided in this chapter.

XII. No permit issued by the [division] ***department*** under this section shall be transferred by the permittee to any other person without the prior written approval of the [division] ***department***. The following shall apply:

(a) Applications for the transfer of permits shall be filed by the person to whom such permit is to be transferred upon such forms and shall include such information as the [division] ***department*** requires by rules adopted under RSA 149-M:7. The application information shall include, but not be limited to, a performance history of the applicant and of its officers and directors relative to the operation, financial security, and ownership of all facilities owned or operated by the applicant. Whenever requested by the [division] ***department***, the attorney general shall conduct a background investigation of the performance history and criminal record of the applicant and of its officers and directors, if any, and make a report to the [division] ***department***. The applicant shall also submit a statement that the proposed facility is consistent with the provisions of a district plan. The cost of any investigation under this paragraph shall be borne by the applicant.

(b) The applicant shall notify abutters of any application to transfer a permit under this section. The [division] ***department*** shall receive written comments from abutters on such application for the period of 30 days following notification of the filing of the application. The [division] ***department***, at the discretion of the [director] ***commissioner***, shall hold a public hearing no later than 30 days prior to making any final decision on an application to transfer a permit under this section. Notice of such public hearing shall be published in a newspaper of local circulation within the region of the public or private solid waste facility at least 2 weeks prior to such public hearing.

149-M:10 Disclosure of Ownership.

I. Any application for a permit under RSA 149-M:9 shall be signed under oath by a representative of the applicant and shall contain the following information:

(a) Name and address of the applicant.

(b) If the applicant is a corporation, the state of incorporation, the address of its principal place of business, and the names and addresses of its directors, officers, and shareholders; if the applicant is a partnership, the state of formation, the address of its principal place of business, and the names and addresses of its partners, whether general or limited; and if the applicant is any other kind of association, the state of formation, the address of its principal place of business, and the names and addresses of its principals, members or participants.

(c) The exact location where the applicant intends to conduct the business for which it is seeking the permit.

(d) Such financial information as the [division] ***department*** may require under RSA 149-M:9.

II. All commercial solid waste haulers and municipalities holding a permit under RSA 149-M shall cause trash collection containers within their possession or control to be prominently marked with an identification name or logo.

149-M:11 Public Benefit Requirement.

I. The general court finds and declares as follows:

(a) It is responsible to provide for the solid waste management need of the state and its citizens.

(b) In order to provide for these needs, it must ensure that adequate capacity exists within the state to accommodate the solid waste generated within the borders of the state.

(c) Facilities necessary to meet state solid waste capacity needs must be designed and operated in a manner which will protect the public health and the state's natural environment.

(d) An integrated system of solid waste management requires a variety of types of facilities designed to accommodate the entire solid waste stream, including materials which can be recycled, recovered or reused, materials which can be composted, and residual materials which must be disposed of permanently.

(e) The enactment of statutes to address the needs identified in this section is an exercise of the police power granted to the general court under part II, article 5 of the New Hampshire Constitution.

II. The general court declares that it is the purpose of this chapter to ensure benefit to the citizens of New Hampshire by providing for solid waste management options which will meet the capacity needs of the state while minimizing adverse environmental, public health and long-term economic impacts.

III. The [division] ***department*** shall determine whether a proposed solid waste facility provides a substantial public benefit based upon the following criteria:

(a) The short- and long-term need for a solid waste facility of the proposed type, size, and location to provide capacity to accommodate solid waste generated within the borders of New Hampshire, which capacity need shall be identified as provided in paragraph V.

(b) The ability of the proposed facility to assist the state in achieving the implementation of the hierarchy and goals under RSA 149-M:2 and 149-M:3.

(c) The ability of the proposed facility to assist in achieving the goals of the state solid waste management plan, and one or more solid waste management plans submitted to and approved by the [division] ***department*** under RSA 149-M:24 and 149-M:25.

IV. The [division] ***department*** shall also consider as part of its public benefit determination:

(a) The concerns of the citizens and governing bodies of the host municipality, county, and district and other affected persons. For any proposed solid waste facility, including transfer stations, designed to accommodate in excess of 30 tons of solid waste per day, the [division] ***department*** shall hold at least one public hearing in the host municipality, or in the case of an unincorporated town or unorganized place in the host county, in order to take testimony to identify those concerns.

(b) The economic viability of the proposed facility, including but not limited to, its ability to secure financing.

V. In order to determine the state's solid waste capacity need, the [division] ***department*** shall:

(a) Project, as necessary, the amount of solid waste which will be generated within the borders of New Hampshire for a 20-year planning period. In making these projections the [division] ***department*** shall assume that all unlined landfill capacity within the state is no longer available to receive solid waste.

(b) Identify the types of solid waste which can be managed according to each of the methods listed under RSA 149-M:3 and determine which such types will be received by the proposed facility.

(c) Identify, according to type of solid waste received, all permitted facilities operating in the state on the date a determination is made under this section.

(d) Identify any shortfall in the capacity of existing facilities to accommodate the type of solid waste to be received at the proposed facility for 20 years from the date a determination is made under this section. If such a shortfall is identified, a capacity need for the proposed type of facility shall be deemed to exist to the extent that the proposed facility satisfies that need.

VI. All applicants under this chapter shall provide any information requested by the [division] ***department***. If an applicant declares that any information requested under this section should be considered exempt under RSA 91-A:5, IV, the attorney general shall determine the reasonableness of such declaration and, if the attorney general agrees, shall direct the [division] ***department*** to treat it as confidential information which shall be considered exempt under RSA 91-A:5, IV.

VII. Any proposed solid waste facility to be owned and controlled by a solid waste district, or a member municipality on behalf of its solid waste district, shall be deemed to fulfill the requirements of subparagraph III(a), provided that it is built within the district and shall serve only the capacity needs of that district. Any permit issued for a facility which fulfills the public benefit requirement by relying on this paragraph shall state that the facility is limited to receiving solid waste generated within that district.

VIII. Each applicant for a solid water permit under this chapter shall have the burden of demonstrating that a proposed solid waste facility provides a public benefit by showing how the proposed facility satisfies the criteria listed under paragraph III. Such demonstration shall be included as part of each application for a solid waste permit.

IX. If the [division] ***department*** determines that an applicant has failed to demonstrate that it satisfies the criteria listed under paragraph III, it shall notify the applicant in writing that its application has been denied, and provide a written explanation of the reasons for that determination.

X. If the [division] ***department*** determines that an applicant has demonstrated that it satisfies the criteria listed under paragraph III, it shall state that determination in any permit issued.

XI. Facilities permitted under this chapter shall be operated so as to provide a substantial public benefit consistent with the information submitted as part of the application concerning how the facility accommodates New Hampshire capacity needs. If a permittee cannot demonstrate consistency with information submitted in its permit application, and where it no longer meets needs identified in the state solid waste management plan and one or more solid waste management plans submitted to and approved by the [division] ***department*** under RSA 149-M:25 due to circumstances beyond its control, as determined by the commissioner [of environmental services] and the attorney general, the department shall not enforce this paragraph based solely upon such inconsistency.

149-M:12 Criteria for Approval, Suspension, or Revocation.

I. The [division] ***department*** shall approve an application for a permit only if it determines that the facility or activity for which the permit is sought will:

(a) Comply with this chapter and all rules adopted under it;

(b) Be consistent with the provisions of the state, district, and local plans; and

(c) Comply with federal and state air or water pollution statutes, regulations, and rules.

II. The [division] ***department*** may suspend or revoke any permit issued under this chapter if, following an opportunity for hearing, it determines that:

(a) The permit holder has committed a violation of this chapter, or any rule, plan, order, or permit conditions in force under it; or

(b) The facility or activity covered by the permit presents an immediate and substantial threat to human health or the environment.

III. In processing applications for a permit under this chapter, the [division] ***department*** shall comply with time limits prescribed in RSA 541-A:29.

29 Solid Waste Management; Penalties; Changes Required by Reorganization of the Department of Environmental Services. Amend RSA 149-M:15 to read as follows:

149-M:15 Penalties and Other Enforcement.

I. The [division] ***department*** may issue an order to any person in violation of this chapter, a rule adopted under this chapter, or any condition in a permit issued under this chapter to comply with this chapter, the rule or the permit, and require such remedial measures as may be necessary. Any person to whom such an order is directed may appeal to the waste management council.

II. If the [division] ***department*** finds that an emergency exists requiring immediate action to protect the public health, it may issue an order stating that an emergency exists and requiring that such action be taken as it judges necessary to meet the emergency. The order shall be effective immediately. Any person to whom such an order is directed shall comply immediately, but may appeal to the waste management council.

III. Any person who violates any of the provisions of this chapter, or any rule adopted or order issued under this chapter, or any condition in a permit issued under this chapter shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

IV. Any person who violates any of the provisions of this chapter, or any rule adopted or order issued under this chapter, or any condition in a permit issued under this chapter shall be subject to a civil penalty not to exceed $25,000 for each violation, or for each day of a continuing violation.

V. Notwithstanding RSA 651:2, any person may, in addition to any sentence of imprisonment, probation or conditional discharge, be fined not more than $25,000 if found guilty of any violation pursuant to paragraph III. Each day of violation shall constitute a separate offense.

VI. Any violation of the provisions of this chapter, or of any rule adopted or order issued under it, or of any condition in a permit issued under it, may be enjoined by the superior court upon application of the attorney general.

VII. Commercial trash haulers or municipalities violating the labeling requirements as provided in RSA 149-M:10, II shall be subject only to a fine of $50 per day per container, notwithstanding paragraphs III and IV.

VIII. Municipalities may apply to a justice of the superior court for injunctive relief against existing or impending violations of this chapter, or any rule or order issued under this chapter. The municipality shall give notice of any such action to the attorney general and the commissioner [of environmental services], who may take such steps as they deem necessary to ensure

uniform statewide enforcement, including but not limited to joining the action, assuming sole prosecution of the action, or as of right dismissing the action without prejudice. Such notice shall be given at least 30 days prior to the commencement of any such action, unless more immediate action is necessary to prevent irreparable environmental damage or other serious public harm, in which case such notice shall be given as soon as practicable, but in no event later than the date of commencement of the action. This paragraph shall not be construed to affect, in any manner, existing authority of municipalities to act based upon the provisions of other statutes or local ordinances.

30 Solid Waste Management; Changes Required by the Reorganization of the Department of Environmental Services. Amend RSA 149-M:21 and 22 to read as follows:

149-M:21 Failure to Provide Facilities. If any town fails to provide an approved disposal facility as required under RSA 149-M:17, the following steps shall be taken:

I. The [division] ***department*** shall conduct an investigation of opportunities for joint action with other towns, the availability of private facilities, and possible facility sites within the town.

II. The [division] ***department*** shall report findings to the district and town, and seek local agreement to an acceptable solution to the waste problem.

III. If no agreement is reached within 60 calendar days after the findings are delivered, the [division] ***department*** shall schedule and hold a public hearing in the town. Notice of the hearing shall be posted in 2 or more public places in the town for at least 14 calendar days before it is held.

IV. If no agreement is reached within 45 calendar days after the hearing, the [division] ***department*** shall either order the town to participate in an existing or planned approved facility, or shall recommend that land within the town be taken by eminent domain for the establishment of an approved facility.

V. If the [division] ***department*** determines that land shall be taken, the [division] ***department*** shall institute eminent domain proceedings in accordance with RSA 498-A.

VI. The [division] ***department*** shall be responsible for the facility's design and construction.

149-M:22 Facility Built by State. If land is taken for construction of a facility:

I. The property shall be held in the name of the state and shall not be taxed.

II. Upon completion, the facility shall be operated by the town in accordance with the facility plan.

III. At the time of the taking, the [division] ***department*** shall certify to the commissioner of revenue administration the costs of establishing the facility. The certification shall be revised when the facility is complete to reflect actual costs, including land, buildings, equipment, administration, planning, consultants, and any other necessary costs.

IV. The commissioner of revenue administration shall assess the costs on the town over a 20-year period. Each annual assessment shall include the interest on any debt incurred by the state for this purpose. The assessment shall be made as provided in RSA 21-J:9 and RSA 81.

V. When all costs and interest are paid, the property shall be deeded to the town, or in the case of an unincorporated town or unorganized place, to the county.

31 Solid Waste Management; Changes Required by the Reorganization of the Department of Environmental Services. Amend RSA 149-M:24 and 25 to read as follows:

149-M:24 Districts and Subdistricts; Powers; Responsibilities.

I. Each town shall participate in planning efforts, either as a town or as a solid waste management district. Towns or districts formed by area towns shall be the basis for developing a town or district solid waste management plan. Subdistricts may be formed, the plans of which will be included in the district plan for purposes of implementation. Each town, whether it has entered into a district voluntarily or has been assigned to a district, shall remain in such a district in order to participate in a solid waste management plan pursuant to paragraph IV and may withdraw from that district only after the town has:

(a) Obtained approval by a majority vote of district committee members of the solid waste management district or cooperative of which the municipality is currently a member.

(b) Paid its proportionate equitable share of the district expenses and debt, including long-term debt incurred by the district.

II. In implementing their responsibilities under this chapter, towns may enter into a written agreement, which may be:

(a) A service contract;
(b) A memorandum of understanding;
(c) A formal inter-municipal cooperative agreement under RSA 53-A;
(d) A formal inter-municipal cooperative agreement under RSA 53-B; or
(e) Any other written agreement deemed appropriate by member towns.

III. Each district shall file a copy of its organizational agreement with the [division of waste management] ***department*** upon execution.

IV. Each town or district shall prepare and maintain an "approvable" solid waste management plan which is consistent with the state plan and demonstrates consideration of existing solid waste agreements and environmental and economic factors in the area. An "approvable" plan is one which contains information required by rule, in a form and with sufficient detail to demonstrate compliance with this provision.

149-M:25 Minimum Plan Requirements.

I. Each plan shall:

(a) Estimate the types, weights, and volumes of solid waste generated, including wet-cell batteries, used motor oil, tires, demolition debris, and waste particular to the district or municipality, current and available methods of disposal and treatment, and the types, weights, and volume of recyclable materials that can be recovered and recycled.

(b) Develop future projections of the types, weights, and volumes of waste generated, and the types and amounts of solid waste materials that can be recovered and recycled based on current and future population growth trends.

(c) Identify numbers, types, and capacities of operating facilities in the district or town in compliance with this chapter, and the location, type, and capacity of any proposed facilities.

(d) Establish a process by which those facilities with known or suspected groundwater contamination or emission problems can develop a remedial action plan, including funding requirements and funding mechanisms.

(e) Demonstrate a capacity or implementation plan for disposal for 10 years and an ongoing planning process as required in RSA 149-M:23 for 15 years from the date of filing of the plan. Each such plan shall be reviewed by the [division] ***department*** at least once every 5 years from the date of submission.

(f) Identify the means by which district members shall develop, construct, operate, or otherwise implement the solid waste management methods described in the plan.

II. Each plan shall be reviewed and commented upon by the [division] ***department***. The [division] ***department*** or a district or town may request a hearing on the plan as submitted. The [division] ***department*** may approve, require modification of, or disapprove of any plan with cause stated and shall finally act upon each plan within 120 days of submission. Within 60 days after receipt of written notice of approval of the plan by the [division] ***department***, the town or district and each town in the district shall begin implementing the plan.

III. Each district and town shall be responsible for demonstrating continuous compliance with its plan as approved by the [division] ***department***. Should the [division] ***department*** determine that a district or town is not in compliance, it shall issue a remedial order.

32 Solid Waste Management; Changes Required by the Reorganization of the Department of Environmental Services. Amend RSA 149-M:27-30 to read as follows:

149-M:27 Refuse Recycling or Reduction.

I. No person shall dispose of refuse at any private solid waste landfill facility having a lining and a leachate collection system unless all recyclable materials have been removed from such refuse or such refuse has been otherwise reduced in weight by at least 20 percent.

II. Weight reduction under this section may include removal of recyclable materials, composting, resource recovery, any other method approved by the [division of waste management] ***department***, or any combination of such methods. Refuse or any solid waste resulting from such reduction methods shall not be subject to further weight reduction pursuant to this section.

III. If the [division] ***department*** finds that an emergency exists requiring immediate action to protect the public health, it may issue an order suspending all or any part of this section during such emergency.

IV. No wet-cell batteries shall be disposed of in a solid waste landfill facility or composting facility or incinerator, whether in a waste-to-energy facility or otherwise.

V. No leaf or yard waste shall be disposed in a solid waste landfill or incinerator including any waste to energy facility. This paragraph shall not apply to municipalities organized under RSA 53-A, RSA 53-B, or 1986, 139, if application of the paragraph would cause the municipality to violate or incur penalties under legal obligations existing on January 1, 1993. Any person who violates this paragraph shall be subject to the penalties and enforcement provisions of RSA 149-M:15 and 16.

149-M:28 Restrictions on Battery Sales and Disposal; Exemptions.

I.(a) Except as provided in subparagraph (b), no person shall sell or offer for sale in New Hampshire an alkaline manganese battery manufactured on or after January 1, 1993, which battery contains more than 0.025 percent mercury by weight of the battery.

(b) No person shall sell or offer for sale in New Hampshire alkaline manganese batteries having sizes and shapes resembling buttons or coins which have a mercury content of more than 25 milligrams of mercury per battery.

(c) A manufacturer shall not sell, distribute, or offer for sale in this state an alkaline manganese battery, except an alkaline manganese button cell, that contains added mercury, unless the commissioner [of environmental services] grants an exemption pursuant to paragraph II of this section.

II.(a) On application by a manufacturer, the commissioner [of environmental services] may exempt a manufacturer from the requirements of subparagraph I(c) if the manufacturer demonstrates that:

(1) Since July 11, 1992, the manufacturer has worked in good faith to develop mercury-free alkaline manganese batteries which, with respect to safety, leakage, capacity, rate capability and shelf life, are as good as alkaline manganese batteries containing no more than 0.025 percent mercury produced by that manufacturer on January 1, 1993; and

(2) If granted that exemption, the manufacturer shall continue to work in good faith to achieve the goals described in subparagraph (a)(1).

(b) An exemption granted by the commissioner [of environmental services] under this paragraph shall be effective for 2 years and may be renewed.

III. A manufacturer shall not sell, distribute, or offer for sale in New Hampshire a zinc-carbon battery that contains an added mercury concentration level of more than 10 parts per million by weight for batteries manufactured on or after January 1, 1993.

IV. No person shall dispose of mercuric oxide batteries in New Hampshire except in a manner approved by the department [of environmental services] under rules adopted pursuant to RSA 541-A.

V. No person shall sell or offer for sale in this state any consumer product manufactured after July 1, 1993, which is powered by a small, sealed, nickel-cadmium or small, sealed, lead acid battery unless:

(a) The battery can be easily removed by the consumer or is contained in a battery pack that is separate from the product and can be easily removed.

(b) Such product, the package containing such product, or the battery itself is clearly labeled in a manner which is visible and understandable to the consumer prior to purchase indicating that the battery must be recycled or disposed of properly.

(c) The battery must be clearly identifiable as to the type of electrode used in the battery.

(d) The battery or battery pack itself is labeled with the name of the manufacturer.

VI. The commissioner [of environmental services] may authorize the sale of a consumer product which does not comply with the provisions of paragraph V, if such product was available for sale on or before July 11, 1992, and the commissioner determines that the redesign of such product to comply with this section would result in significant danger to public health and safety. Any authorization under this paragraph shall be limited to 2 years and may not be renewed.

149-M:29 State Solid Waste Plan and Report.

I. Beginning October 1, 1998, and every 6 years thereafter, the [division] ***department*** shall update the state's solid waste plan.

II. At least every October 1 of every even-numbered year, the [division] ***department*** shall prepare a report on the level of achievement in reaching the 40 percent reduction goal established in RSA 149-M:2 and on proposed strategies for achieving the goal and any proposed changes to the goal. The report shall contain information regarding:

(a) The generation of solid waste in the state.

(b) The disposal of solid waste in the state, including figures on how the management compares with the hierarchy of preferred methods.

(c) Projected state solid waste management and capacity needs.

(d) State and regional trends in solid waste management.

(e) Congressional actions and court rulings that affect solid waste decisions.

(f) On-going efforts by the [division] ***department*** and other organizations in the state involved in solid waste issues.

(g) The [division's] ***department's*** solid waste programs and their focus.

(h) The status of efforts by the market development steering committee established in RSA 149-O:1.

(i) A listing of organizations which can provide assistance with solid waste management.

149-M:30 Cleanup of Waste Sites; Priorities; Rulemaking.

I.(a) In addition to any other powers conferred upon cities, towns, districts and counties by this chapter or by RSA 147-B, cities, towns, districts, and counties shall have the power to finance costs incurred for the closing and cleanup of landfills and other solid waste facilities and for the closing and cleanup of hazardous waste sites, excluding Superfund sites, as provided in RSA 147-B. Considerations for determining priority for eligibility to incur debt in the form of bonds guaranteed by the state of New Hampshire for solid waste landfill closure and cleanup of hazardous waste sites shall be as follows, in order of highest to lowest priority:

(1) Facility poses immediate risk to human health.

(2) Facility poses potential risk to human health.

(3) Facility with high level source of contamination identified.

(4) Facility with surface water impact identified.

(5) Facilities with approved closure plans ready for construction.

(6) Facilities with closure plans that have been deemed complete.

(7) Facilities for which hydrogeological investigations have been completed in accordance with an approved workscope and which have obtained a groundwater management permit and are actively engaged in the final design of the closure system.

(8) Facility shows groundwater impact with no alternate water supply in area.

(9) Facility shows high concentration of groundwater contamination with alternate water supply in area.

(10) Facility shows low concentration of groundwater contamination with alternate water supply available.

(b) Project priority may be adjusted by the commissioner [in consultation with the director,] when such adjustments are determined to be required to further protect public health and the environment.

II. If the amount of bonds authorized in a given year exceeds the annual bond limit, the commissioner shall recommend allocation of the bond guarantees based on the priority ranking system under paragraph I. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the administration of this section.

33 Contingency. If HB 1314 of the 1996 regular session becomes law, sections 27-32 of this act shall take effect at 12:01 a.m. on the day that section 2 of this act takes effect. If HB 1314 does not become law, sections 27-32 of this act shall not take effect.

34 Effective Date.

I. Sections 27-32 of this act shall take effect as provided in section 33 of this act.

II. The remainder of this act shall take effect 60 days after its passage.

Adopted.

4:40-a Grant of Right. The governor and council, upon petition and upon recommendation of the [wetlands board] ***department of environmental services, and*** after consultation with the fish and game commission and such other state agencies as may be involved, may, for such consideration as they deem just, convey sand and gravel which is on the bed of any navigable water or great pond, in accordance with the provisions of this subdivision. For the [purpose hereof] ***purposes of this section*** great pond is defined as a public water of more than 10 acres.

4:40-b Petition. Every petition for such sand or gravel shall be referred to the [wetlands board and said board] ***department of environmental services. The department***, after due notice to abutters and others as deemed necessary and upon investigation, shall make its recommendations to the governor and council. If the [board] ***department*** shall recommend that the petition be granted such recommendation shall include appropriate specifications and conditions necessary to the protection of public rights and to the protection of the rights and privileges of persons owning land in the vicinity of the area from which [said] ***the*** sand or gravel is to be taken.

35 New Section; Wetlands Council Established. Amend RSA 21-O by inserting after section 5 the following new section:

21-O:5-a Wetlands Council.

I. There is established a wetlands council for the purpose of implementing the provisions of law conferring on the department authority to decide matters relative to resources of the state, including, but not limited to, excavating, dredging and filling waters of the state. Appointees and officials shall have voting rights as members of the wetlands council; provided, however, that nothing in this section shall be construed as affecting other duties of the department with reference to dams, water levels, and administration of the department of environmental services. The wetlands council shall be composed of the following:

(a) The executive director of the department of fish and game or designee.

(b) The commissioner of transportation or designee.

(c) The commissioner of resources and economic development or designee.

(d) The director of the office of state planning or designee.

(e) The commissioner of the department of environmental services or designee.

(f) The commissioner of safety or designee.

(g) Six members of the public appointed by the governor and council for a term of 3 years or until a successor is chosen. One of these shall be a member of a municipal conservation commission at the time of appointment, and be one of 3 nominees submitted by the New Hampshire Association of Conservation Commissions; one shall be a supervisor, associate supervisor, former associate supervisor or former supervisor, of a conservation district at the time of appointment, and be one of 3 nominees submitted by the New Hampshire Association of Conservation Districts; one shall be an elected municipal official at the time of appointment, and be one of 3 nominees submitted by the New Hampshire Municipal Association; one shall

be a member of the non-marine construction industry at the time of appointment, and be nominated by the governor; one shall be a member of the marine construction industry at the time of appointment and be nominated by the governor; and one shall have experience in environmental protection and resource management at the time of appointment and be one of 4 nominees submitted 2 each, by the New Hampshire Audubon Society and the Society for the Protection of New Hampshire Forests. One member of the council shall be elected annually as chairperson by the members of the council.

II. The 6 members appointed under subparagraph I(g) shall be entitled to expenses and $50 compensation per diem. The other members of the council shall receive no additional compensation for their service as members of the council, other than their regular salaries from their respective state departments, but shall receive mileage and other expenses paid at the rate set for state employees.

III. The wetlands council shall receive administrative support from the department.

IV. The council shall consult with and advise the commissioner of the department of environmental services, on a continuing basis with respect to the policy, programs, goals, and operations of the department as they relate to wetlands with particular emphasis on long-range planning for the department and on education of the public relative to the functions of the department. In order to accomplish these purposes, the council shall meet with the commissioner not less frequently than quarterly, or at the call of the chairperson or 3 council members. The council shall file annually a report of its deliberations and recommendations with the commissioner of the department of environmental services and the governor and council.

V. The wetlands council shall hear and decide all appeals from department decisions relative to the functions and responsibilities of the department which relate to wetlands, in accordance with rules adopted by the council.

VI. The commissioner of the department of environmental services shall present all proposed rules relative to wetlands to the wetlands council for consideration prior to filing a notice of proposed rule under RSA 541-A:6. The council shall present any objections to proposed rules to the commissioner in writing within 15 days. The commissioner may adopt a rule to which the council has objected only after presenting a written reply to the council detailing the reasons for adopting the rule over the objections of the council.

VII. The council shall adopt rules in accordance with the rulemaking provisions of RSA 541-A to govern its proceedings. The council shall be subject to the requirements of RSA 541-A:36, notwithstanding RSA 21-O:14.

36 Reference Changed. Amend 155-E:4-a, II-a to read as follows:

II-a. No excavation shall be permitted within 75 feet of any great pond, navigable river, or any other standing body of water 10 acres or more in area or within 25 feet of any other stream, river or brook which normally flows throughout the year, or any naturally occurring standing body of water less than 10 acres, prime wetland as designated in accordance with RSA 482-A:15, I or any other wetland greater than 5 acres in area as defined by the [wetlands board] ***department of environmental services***.

37 Reference to Wetlands Board Changed. Amend RSA 227-J:6 to read as follows:

227-J:6 Operations in Wetlands.

I. Pursuant to RSA 482-A no person shall excavate, remove, fill, dredge, or construct any structures in or on any bank, flat, marsh, or swamp in and adjacent to any waters of the state without a permit from the [wetlands board] ***department of environmental services***. Failure to comply with these requirements may result in penalties under RSA 482-A.

II. Pursuant to RSA 482-A:3, V, persons who have complied with notice of intent to cut wood requirements under RSA 79:10, and who have filed an appropriate notification of forest management activities having minimum wetlands impact with [the wetlands board and] ***the department of environmental services and*** the department ***of resources and economic development***, shall have satisfied the permitting requirements for minimum impact activities.

III. Pursuant to the rules of the [wetlands board] ***department of environmental services***, skid trails, truck roads and culverts, bridges, pole fords, or other crossings on the skid trails or truck roads shall be constructed in accordance with procedures as currently cited in the Best Management Practices for Erosion Control on Timber Harvesting Operations in New Hampshire, published by the department.

38 Reference Changed. Amend RSA 270:71, II to read as follows:

II. The office of state planning[, the wetlands board] and the department of environmental services shall review these rules and make recommendations to the division.

39 New Paragraphs; Definitions Added. Amend RSA 482-A:2 by inserting after paragraph I the following new paragraphs:

I-a. "Council" means the wetlands council established in RSA 21-O:5-a.

I-b. "Department" means the department of environmental services.

40 References Changed. Amend RSA 482-A:3, I-V to read as follows:

I. No person shall excavate, remove, fill, dredge or construct any structures in or on any bank, flat, marsh, or swamp in and adjacent to any waters of the state without a permit from the [wetlands board] ***department***. The permit application together with a detailed plan and a map showing the exact location of the proposed project, along with 4 copies of the permit application, plan and map, shall be submitted to the town or city clerk, accompanied by a filing fee in the form of a check made out by the applicant to the ***state of*** New Hampshire [wetlands board]. The permit application fee shall be $50 for minimum impact projects. Fees for minor and major projects shall be assessed based on the area of dredge or fill proposed and the number of boat slips requested. The rates shall be $100 per boat slip and $0.025 per square foot. At the time the permit application is submitted to the city or town clerk, the applicant shall provide postal receipts or copies, verifying that abutters, as defined in the rules of the [wetlands board] ***department***, and except as further provided in said rules, have been notified by certified mail. The postal receipts or copies shall be retained by the municipality. The town or city clerk shall immediately sign the application and forward by certified mail, the application, plan, map and filing fee to the [wetlands board] ***department***. The town or city clerk shall then immediately send a copy of the permit application, plan and map to the local governing body, the municipal planning board, if any, and the municipal conservation commission, if any, and may require an administrative fee not to exceed $10 plus the cost of postage by certified mail. One copy shall remain with the city or town clerk, and shall be made reasonably accessible to the public. The foregoing procedure notwithstanding, applications and fees for projects by agencies of the state may be filed directly with the [wetlands board] ***department***, with 4 copies of the application, plan and map filed at the same time with the town or city clerk to be distributed as set forth above.

II.(a) The [wetlands board] ***department*** shall submit to the governor and council all requests for permits approved by the [board] ***department*** which meet the definition of major projects located in great ponds or public-owned water bodies under the rules of the [wetlands board] ***department*** which have been approved by the [board] ***department***.

(b) The governor and council shall consider the request for permit transmitted by the [board] ***department***. The ***governor and*** council may approve as transmitted or deny the submitted request. Following action by the governor and council the requests shall be returned to the [board] ***department*** for permitting, if approved, or filing, if denied.

III. The filing fees collected pursuant to paragraphs I, V(c), XI(h), and XII(c) are appropriated to and shall be expended by the [wetlands board] ***department*** for paying per diem and expenses of the public members ***of the council***, reviewing applications and activities relative to the wetlands of the state, conducting field investigations, and holding public hearings. Such fees shall be held by the treasurer in a nonlapsing fund identified as the wetlands [board] review fund.

IV.(a) The replacement or repair of existing structures in or adjacent to any waters of the state which does not involve excavation, removal, filling, or dredging in any waters or of any bank, flat, marsh, or swamp is exempt from the provisions of this chapter.

(b) Nontidal drainage ditches, culverts, catch basins, and man-made detention ponds that have been legally constructed to collect and convey storm water and spring run-off, and that have been maintained so that wetlands vegetation has not become dominant, may be cleaned out when necessary to preserve their usefulness without a permit from the [wetlands board] ***department***. Such drainage facilities may be cleaned out by hand or machine, provided that the facility is neither enlarged nor extended into any area of wetlands [board] jurisdiction ***of the department of environmental services***, dredged spoils are deposited in areas outside wetlands [board] jurisdiction ***of the department of environmental services***, and wetlands or surface waters outside the limits of the constructed drainage facility are neither disturbed nor degraded.

V.(a) Persons who have complied with notice of intent to cut wood requirements under RSA 79:10, and who have filed an appropriate notice of intent with the [wetlands board] ***department*** and the department of resources and economic development, shall have satisfied the permitting requirements of this section for minimum impact activities only as defined by rules adopted by the [wetlands board] ***commissioner***.

(b) Appropriate notice to the [wetlands board] ***department*** and the department of resources and economic development shall include the following information:

(1) Name and address of property owner;

(2) Name and address of logger or forester;

(3) Town, tax map, number and lot number of job site; and

(4) A copy of the appropriate United States Geological Survey topographic map, or a copy of the appropriate United States Natural Resources Conservation Service soils map, with the type and location of all wetland and waterbody crossings clearly indicated.

(c) A $25 filing fee shall accompany the notice to the [wetlands board] ***department***. Such fees shall be held in accordance with paragraph III.

(d) The filing of an intent to cut form under RSA 79:10 shall be considered as permission to the [wetlands board] ***department*** or the department of resources and economic development, or their agents, to enter the property for determining compliance with this chapter.

(e) The certificate issued under RSA 79:10 shall be posted upon receipt. Prior to receipt of such certificate, a copy of the intent to cut form, signed by the appropriate municipal official, shall be available on the job site, and shall be shown to any person who asks to see it.

41 Reference Changed. Amend RSA 482-A:3, VII to read as follows:

VII. No person shall destroy, raze, deface, reduce, alter, build upon or remove any sand or vegetation from any sand dune in this state without a permit from the [wetlands board] ***department***; provided, however, that any person may remove sand which blows or drifts onto any lawn, driveway, walkway, parking or storage area, or boat ramp, or which blows or drifts in, on, or around buildings or other structures owned by the person. Upon request of the property owner, the [wetlands board] ***department*** shall provide a preapplication assessment of any lot of record located in sand dunes.

42 Reference Changed. Amend RSA 482-A:3, X-XII to read as follows:

X. The maximum cash application fee for the New Hampshire department of transportation shall be $10,000 per application plus provisions for technical or consulting services or a combination of such services as necessary to meet the needs of the [wetlands board] ***department***. The [wetlands board] ***department*** may enter into a memorandum of agreement with the New Hampshire department of transportation to accept equivalent technical or consulting services or a combination of such services in lieu of a portion of their standard application fees.

XI.(a) Small motor mineral dredging shall be limited to activities which are classified as minimum impact under rules adopted by the [wetlands board] ***commissioner*** under RSA 482-A:11 and which do not exceed the following limits:

(1) Power equipment shall be limited to 5 horsepower.

(2) Suction dredges shall be limited to a single 4-inch diameter intake nozzle.

(3) Sluice and rocker boxes shall be limited to 10 square feet.

(b) Any person who wishes to engage in small motor mineral dredging shall obtain a permit from the [wetlands board] ***department***. A permit application shall be filed directly with the [wetlands board] ***department***, and the procedural requirements of RSA 482-A:3, I and RSA 482-A:11, III shall not apply. Any permit issued by the [wetlands board] ***department*** under this paragraph shall expire at the end of the calendar year in which it is issued. Any person who engages in panning only shall not be required to obtain a permit but shall be subject to rules of the [wetlands board] ***department***. Panning shall include those activities associated with the manual search for minerals in a river bed without the use of motorized equipment.

(c) Any person wishing to engage in mineral dredging which in any way exceeds the limits of small motor mineral dredging shall first obtain, in addition to a wetlands [board] permit, a mining permit from the department of resources and economic development pursuant to RSA 12-E.

(d) The [wetlands board] ***commissioner*** shall adopt rules, under RSA 541-A, relative to:

(1) Small motor mineral dredging and panning.

(2) The issuance of statewide small motor mineral dredging permits.

(3) Any other matters relative to small motor mineral dredging and panning.

(e) The state shall retain the right to prohibit panning and mineral dredging activity at certain times or in certain locations when such activity would be detrimental to the public interest for reasons including, but not limited to, environmental and wildlife protection.

(f) Any person who has obtained a small motor mineral dredging permit from the [wetlands board] ***department*** pursuant to this paragraph, or any person who intends to engage in any panning activity shall, prior to engaging in any small motor mineral dredging or panning activity, obtain the written permission to engage in such activity from the riverbed landowner on whose property the activity is to be conducted.

(g) The [wetlands board] ***department*** may enter into a cooperative agreement with the fish and game department relative to enforcement of the provisions of this paragraph.

(h) Application fees shall be $25 for residents of the state of New Hampshire and $50 for out-of-state applicants. Fees shall be collected by the [wetlands board] ***department*** and held in accordance with paragraph III. [Small motor mineral dredging permits shall be valid for a period of one year.]

XII.(a) Persons who construct and maintain recreational trails in accordance with the Trail Administrators Manual published by the department of resources and economic development and who have filed an appropriate notice, as described in subparagraph (b), to construct or maintain such trails with the [wetlands board] ***department*** and the department of resources and economic development shall have satisfied the permitting requirements of this section for minimum impact activities, as defined by rules adopted by the [wetlands board] ***commissioner***.

(b) Appropriate notice to the [wetlands board] ***department*** and the department of resources and economic development shall include the following information:

(1) Name and address of organization constructing or maintaining the recreational trail.

(2) Name and address of property owner.

(3) Town, tax map number, and lot number of property.

(4) A copy of the appropriate United States Geological Survey topographic map with the type and location of all wetland and waterbody crossings clearly indicated.

(c) A $25 filing fee shall accompany the notice to the [wetlands board] ***department***. Such fees shall be held in accordance with paragraph III.

43 Reference Changed. Amend RSA 482-A:6 to read as follows:

482-A:6 Powers of [Wetlands Board] ***Department***.

I. The [wetlands board] ***department*** may deny the petition or may require the installation of bulkheads, barriers, proper retention or containment structures, or both, to prevent subsequent fill runoff back into waters or other protective measures.

II. To perform its duties under this chapter, it shall be lawful for the [board] ***department***, its agents or employees to enter upon any lands in the state.

III. Whenever it is found that a wetlands is at immediate risk from dredging, filling, or other activity in violation of this chapter, the [board] ***department*** may issue an emergency order in writing requiring the immediate cessation of such activity. Any person to whom such an order is directed shall comply immediately, but may [ask for a rehearing and appeal to the superior court for the county where the land in question is located under the same procedures as are provided for appeals in RSA 677:2-14] ***request reconsideration and then appeal as provided in RSA 482-A:10***. [Each appeal shall contain a detailed description of the land involved in the board's order. Service of the appeal shall be made on any member of the board and the superior court shall have the same jurisdiction to dispose of such appeals as is provided in RSA 677:2-14 governing appeals.]

IV. The [wetlands board] ***department*** may issue an order to any person in violation of this chapter, a rule adopted under this chapter or any condition in a permit issued under this chapter to comply with this chapter, the rule or the permit, and require such remedial measures as may be necessary. Any person to whom such an order is directed may [apply for a rehearing and may appeal to the superior court for the county where the land in question is located under the same procedures as are provided for appeals in RSA 677:2-14] ***request reconsideration and then appeal as provided in RSA 482-A:10***. [Each appeal shall contain a detailed description of the land involved in the board's order. Service of the appeal shall be made on any member of the board and the superior court shall have the same jurisdiction to dispose of such appeals as is provided in RSA 677:2-14 governing appeals.]

44 References Changed. Amend RSA 482-A:7-9 to read as follows:

482-A:7 Gifts, Grants or Donations. The [wetlands board] ***department*** is authorized to solicit and receive any gifts, grants or donations made for the efforts of the [wetlands board as established by RSA 482-A:5] ***department under the provisions of this chapter*** and to disburse and administer the same through the [division] ***department***.

482-A:8 ***Public Comment and*** Hearing. [The board shall hold a public hearing on proposals under RSA 482-A:3 in accordance with rules adopted by the board, within 60 days of the receipt of said notice, and shall notify by mail the person intending to do such excavating, removing, filling, dredging or altering, the local governing body of the municipality involved, the planning board, if any, the municipal conservation commission, if any, and the members of the board]. ***The department shall provide a reasonable opportunity for public comment on proposals under RSA 482-A:3 and shall hold a public hearing for projects with significant impact on the resources protected by this chapter or of substantial public interest. The department shall notify by mail, the applicant and the property owner if different, the local governing body of the municipality involved, the planning board, if any, and the municipal conservation commission, if any, of the hearing. The department shall maintain a chronological file of all applications received under RSA 482-A:3, which shall be available for public review during normal business hours.*** The [requirement of public] hearing ***requirement*** in this section may not apply to such minor projects and to such minor improvements of the shoreline of those waters subject to the jurisdiction of this chapter as the [board] ***department*** may by reasonable [general] rule provide[, and as to such projects initial review authority may be delegated to a subcommittee or the staff of the board]. ***The hearing requirements of RSA 541-A:30 shall be satisfied by a hearing on reconsideration in accordance with RSA 482-A:10, III.***

482-A:9 Notice to Abutters. Like notice shall be mailed to all known abutting landowners, supplemented by reasonable notice by newspaper publications to those unknown, as may be ordered by the [wetlands board] ***department***.

45 Appeals; Damages. RSA 482-A:10 is repealed and reenacted to read as follows:

482-A:10 Appeals.

I. Any person aggrieved by a decision made by the department under RSA 482-A:3 or subject to an order of the department under RSA 482-A:6 may apply for reconsideration by the department, and then may appeal to the wetlands council and to the superior court as provided in this section. A person aggrieved under this section shall include without limitation, the applicant and any person required to be noticed by mail in accordance with RSA 482-A:8 and RSA 482-A:9.

II. A request for reconsideration shall be filed with the department within 20 days of issuance of the department's decision or order. The request for reconsideration shall describe in detail each ground for complaint. No ground not set forth in the request for reconsideration shall be considered by the council, or by the superior court except as provided in paragraph VIII of this section.

III. On reconsideration, the department shall receive and consider any new and additional evidence presented, and shall make findings of fact and rulings of law in support of its decision after reconsideration. The department may hold a public hearing in accordance with its rules. Reconsideration hearings shall not be subject to the requirements of RSA 541-A. Reconsideration hearings shall be noticed in accordance with RSA 482-A:8 and RSA 482-A:9, and the department shall make a record of the proceedings. The department shall grant or deny the application for reconsideration within 30 days of the service of the application or explain in writing to the applicant why the application cannot be acted on and a statement of the time reasonably necessary to act on the application.

IV. An appeal from a decision of the department after reconsideration shall be filed with the wetlands council within 30 days of the department's decision. Filing of the appeal shall be made by certified mail to the chairperson of the council, with a copy sent to the department. An appeal to the council shall contain a detailed description of the land involved in the department's decision and shall set forth fully every ground upon which it is claimed that the decision complained of is unlawful or unreasonable.

V. The council on appeal shall hold a non-evidentiary hearing as provided in its rules. The hearing shall be noticed in accordance with RSA 482-A:8 and RSA 482-A:9. The department

shall provide the council with its record of decision upon receiving notice of the hearing. The appeal shall be determined upon the record below. The burden of proof shall be on the party seeking to set aside the department's decision to show that the decision is unlawful or unreasonable. All findings of the department upon all questions of fact properly before it shall be prima facie lawful and reasonable.

VI. On appeal, the council may affirm the decision of the department or may remand to the department with a determination that the decision complained of is unlawful or unreasonable. The council shall specify the factual and legal basis for its determination and shall identify the evidence in the record that supports its decision.

VII. Any party aggrieved by a decision of the council may apply to the council for reconsideration within 20 days of the council's order. The council shall grant or deny the application for reconsideration at its first regularly scheduled meeting after service of the application. The council may grant such application if in its opinion good reason therefor is stated.

VIII. Any person aggrieved by a decision of the council after reconsideration may appeal to the superior court for the county where the land in question is located by petition within 30 days of issuance of such decision. The petition shall set forth each ground upon which the decision is claimed to be unlawful or unreasonable, in whole or in part. No ground not set forth in the application for reconsideration shall be given any consideration by the court unless the court for good cause shown shall allow the appellant to specify additional grounds.

IX. In the case of a remand to the department by the council, the department may accept the council's determination and reissue a decision or order, imposing such conditions as are necessary and consistent with the purposes of this chapter, or may appeal as provided in paragraphs VII and VIII.

X. Any hearing by the superior court upon appeal under this section shall be given priority on the court calendar.

XI. On appeal to the superior court, the burden of proof shall be upon the party seeking to set aside the decision of the council to show that the decision is unlawful or unreasonable. The council's decision shall not be set aside or vacated, except for errors of law, unless the court is persuaded, by a preponderance of the evidence before it, that said decision is unjust or unreasonable.

XII. Any person whose rights may be directly affected by the outcome of the appeal may appear and become a party, or the court may order such persons to be joined as parties as justice may require.

XIII. Upon the filing of an appeal, the clerk of court shall issue an order requiring a certified copy of the record of the appeal to be filed with the court by the council. The record shall consist of the council's decision, the department's record of decision as submitted to the council and the record of the hearing before the council.

XIV. All evidence transferred by the council shall be considered by the court regardless of any technical rule which might have rendered the evidence inadmissible if originally offered in the trial of an action at law. The court may receive and consider such additional evidence as would be permissible under RSA 677:10.

XV. The final judgment upon every appeal shall be a decree dismissing the appeal, or vacating the decision complained of in whole or in part, as the case may be; but, in case such decision is wholly or partly vacated, the court may also, in its discretion, remand the matter to the council for such further proceedings, not inconsistent with the decree, as justice may require.

XVI. An order of court to send up the record may be complied with by filing either the original papers or duly certified copies thereof, or of such portions thereof as the order may specify, together with a certified statement of such other facts as show the grounds of the action appealed from.

XVII. The court may take evidence or appoint a referee to take such evidence as it may direct and report the same with the referee's findings of fact and conclusions of law.

XVIII. If a permit is granted with respect to any activity proposed to be undertaken in or adjacent to a prime wetland as mapped, designated, and filed pursuant to RSA 482-A:15, the conservation commission or local governing body may appeal said decision to the superior court in the manner prescribed in this section. The filing of a request for reconsideration shall automatically stay the effectiveness of the department's decision relating to said prime wetland. Said stay shall remain in force until the department has issued its decision after reconsideration.

46 New Section; Damages. Amend RSA 482-A by inserting after section 10 the following new section:

482-A:10-a Damages.

I. If, upon appeal of the landowner, the superior court determines that the decision appealed from so exceeds the bounds of the police power as to constitute the equivalent of taking without compensation and that the land as so regulated meets the public purpose standards of this chapter, and if such ruling is affirmed on appeal or becomes the law of the trial by failure of the state to appeal, the superior court shall then proceed to the assessment of the landowner's damages. Unless the department, at this stage, consents to the reversal or modification of its decision by the superior court, that court shall first determine all questions of land title, after notice to all persons interested in the land, including notice by publication to any unknown owners, and then shall assess the damages of the landowner or landowners proceeding as provided in RSA 482:35-38, inclusive, and RSA 498-A:27, and may enter judgment against the state accordingly. The interest acquired by the state by virtue of such proceedings shall be a perpetual negative easement that the privately-owned land or interest in the land described in the proceedings shall not thereafter be excavated, removed, filled, dredged, canalized or ditched, subject to any such reasonable reservations to the landowner as the department may have stipulated to prior to the assessment of damages. The state may, in the alternative, purchase the land or interest in the land in fee simple or other acceptable title, or subject to acceptable reservations and exceptions, by agreement with the landowner. To satisfy any judgment or purchase agreement under this section, the governor and council, in their discretion, may draw their warrant on the marine fisheries fund, the fish and game fund, any other available appropriation for such purpose, or on any money in the treasury not otherwise appropriated, or any combination of such funds, as they may determine to be just and reasonable, or, in the alternative, they may certify a judgment to the next session of the general court for the passage of an appropriation of money sufficient to satisfy the same. The department may, in the name of the state, accept gifts of land or interests in land for the purposes of this chapter.

II. The use of the marine fisheries fund or the fish and game fund under paragraph I shall require a finding that the expenditure will be of substantial benefit to marine fisheries or to fish and wildlife, as the case may be, and the governor and council shall request the prior opinion of the fish and game commission in each such case.

47 References Changed. Amend RSA 482-A:11-13 to read as follows:

482-A:11 Administrative Provisions.

I. The [board] ***commissioner*** shall adopt reasonable rules, pursuant to the rulemaking provisions of RSA 541-A, to [govern its proceedings and otherwise] implement the purposes of this chapter.

II. Decisions of the [board] ***department or council*** under this chapter shall be consistent with the purposes of this chapter as set forth in RSA 482-A:1. Before granting a permit under this chapter, the [board] ***department*** may require reasonable proof of ownership by a private landowner-applicant. If a permit is granted, the decision of the [board] ***department*** may contain reasonable conditions designed to protect the public good. No permit to dredge or fill shall be granted if it shall infringe on the property rights or unreasonably affect the value or enjoyment of property of abutting owners.

III. Upon written notification to the [board] ***department*** by a municipal conservation commission that it intends to investigate any notice received by it pursuant to RSA 482-A:3, the [board] ***department*** shall suspend action upon such notice and shall not make its decision on the notice of a minor project nor hold a hearing on it if a major project until it has received and acknowledged receipt of a written report from [said] ***such*** commission, or until 40 days from the date of filing with the municipal clerk of [said] ***such*** notice, whichever occurs earlier, subject to an extension as permitted by the [board] ***department***. In connection with any local investigation, a conservation commission may hold a public informational meeting or a public hearing, the record of which shall be made a part of the record of the [board] ***department***. If a conservation commission makes a recommendation to the [board] ***department*** in its report, the [board] ***department*** shall specifically consider such recommendation and shall make written findings with respect to each issue raised in such report which is contrary to the decision of the [board] ***department***. If notification by a local conservation commission pursuant to this para-

graph is not received by the [board] ***department*** within 14 days following the date the notice is filed with the municipal clerk, the [board] ***department*** shall not suspend its normal action, but shall proceed as if no notification has been made.

[IV. The board shall make written findings of fact in support of all decisions made on applications involving projects other than minor projects and improvements as defined pursuant to RSA 482-A:8.

V.] ***IV.*** The [board] ***department*** shall not grant a permit with respect to any activity proposed to be undertaken in or adjacent to an area mapped, designated and filed as a prime wetland pursuant to RSA 482-A:15 unless the [board] ***department*** first notifies the local governing body, the planning board, if any, and the conservation commission, if any, in the municipality within which the wetlands lie, either in whole or in part, of its decision. Any such permit shall not be issued unless the [board] ***department*** is able, specifically, to find [on the basis of] clear and convincing evidence [in the record of the proceedings] ***on the basis of all information considered by the department***, and after public hearing, that the proposed activity, either alone or in conjunction with other human activity, will not result in the significant net loss of any of the values set forth in RSA 482-A:1. This paragraph shall not be construed so as to relieve the [board] ***department*** of its statutory obligations under this chapter to protect wetlands not so mapped and designated.

[VI.] ***V.*** Notwithstanding any rules adopted by the [board] ***commissioner*** defining minor projects, a series of minor projects undertaken by a single developer or several developers over a period of 5 years or less may, when considered in the aggregate, amount to a major project in the opinion of the [board] ***department***; all such related projects shall be subject to a public hearing as provided in RSA 482-A:8. A series of minor projects shall be considered in the aggregate if they abut or if they are a part of an overall scheme of development or are otherwise consistent parts of an eventual whole.

[VII.] ***VI.*** The [board] ***commissioner*** may adopt rules pursuant to RSA 541-A establishing an expedited application and permitting process for certain minimum ***and minor*** impact projects[, under which the department of environmental services may issue such permits without board action]. The provisions of RSA 482-A:3, I and paragraph III of this section shall apply.

482-A:12 Posting of Permits and Reports of Violations. Project approval by the [board] ***department*** shall be in the form of a permit, a copy of which the applicant shall post in a secured manner in a prominent place at the site of the approved project. The [board] ***department*** shall mail a copy of such permit to the local governing body of the municipality where the project is located. Any person proceeding without a posted permit shall be in violation of this chapter. All state, county and local law enforcement officers are directed to be watchful for violations of the provisions of this chapter and to report all suspected violations to the [board] ***department.***

482-A:13 Administrative Fine. The [wetlands board] ***commissioner***, after notice and hearing in accordance with the procedures set forth in RSA 541-A, is empowered to impose an administrative fine of up to $2,000 for each offense upon any person who violates any provision of this chapter. This fine is appealable under RSA 541. Any administrative fine imposed under this section will not preclude the imposition of further penalties under this chapter. The proceeds of administrative fines levied pursuant to this [paragraph] ***section*** shall be placed in the nonlapsing fund authorized in RSA 482-A:14, III.

48 References Changed. Amend RSA 482-A:15-18 to read as follows:

482-A:15 Local Option; Prime Wetlands.

I. Any municipality, by its conservation commission, or, in the absence of a conservation commission, the planning board, or, in the absence of a planning board, the local governing body, may undertake to designate, map and document prime wetlands lying within its boundaries, or if such areas lie only partly within its boundaries, then that portion lying within its boundaries. For the purposes of this chapter, "prime wetlands" shall mean any areas falling within the jurisdictional definitions of RSA 482-A:3 and 482-A:4 that possess one or more of the values set forth in RSA 482-A:1 and that, because of their size, unspoiled character, fragile condition or other relevant factors, make them of substantial significance. Such maps or designations, or both, shall be in such form and to such scale, and shall be based upon such criteria, as are established by the [board] ***commissioner*** through rules adopted pursuant to RSA [482-A:11] ***541-A***.

II. Any municipal conservation commission or that local body which has mapped and designated prime wetlands in accordance with paragraph I may, after approval by any town or city council meeting, file such maps and designations with the [board] ***department***, which shall accept and maintain them and provide public access to such maps during regular business hours. The procedure for acceptance by the local legislative body of any prime wetland designations as provided in paragraph I shall be the same as set forth in RSA 675:2 or ***675:3***, as applicable.

482-A:16 Artificial Fill; Exemptions. No person shall place or cause to be placed any fill in any area below the mean high water level of any public waters or below the artificially-created high water level of publicly-owned bodies of water in this state with the intent or with the effect of creating or forming filled land adjacent to such bodies of water, except as provided in this subdivision. For the purposes of this subdivision, "public waters" means all natural ponds of more than 10 acres, and "publicly-owned bodies of water" or "public-owned water bodies" means those bodies of water whose artificial high water level is maintained by the state's exercise of its flowage rights on these ponds. The provisions of this subdivision shall not apply to such minor improvements of shorelines as the [board] ***department***, by rules adopted ***by the commissioner*** under RSA 541-A, may allow.

482-A:17 Grant of Right. The governor and council, upon petition and only upon the recommendation of the [wetlands board] ***department***, may, for just consideration, grant to an owner of shoreline on public waters the right to place fill in the bed of such pond before [his] ***the owner's*** shoreline. Every petition to place fill in the bed of public waters shall be filed with the [wetlands board] ***department***. The [board] ***department***, after 30 days' notice to abutters, to the local governing body of the municipality in which the property is situated, and to the department of health and human services, shall hold a public hearing [at which a majority of the members of the wetlands board shall be present]. Notice of the hearing shall be published twice in 2 different weeks, the last publication to be 7 days before the hearing, in one newspaper of general circulation throughout the state and another newspaper of general circulation in the municipality, and notice posted in 2 public places in the municipality, and upon appropriate investigation shall make its recommendations to the governor and council with regard to such petition. If the [board] ***department*** recommends that the petition be granted, in whole or in part, such recommendation shall include appropriate specifications and conditions necessary to the protection of public rights and to the protection of the rights and privileges of persons owning land in the vicinity of the area to be filled by the petitioner. The grant of the governor and council shall be evidenced by an instrument in writing, executed by the governor and council, attested by the secretary of state, and recorded in the county where the right is to be exercised. Land created by fill in accordance with the grant of the governor and council shall belong to the owner of the natural shoreline as if it were formed by natural accretion. The owner of a shoreline on a public-owned water body may petition the [wetlands board] ***department*** for the right to place fill below the artificially-created high water level of a public-owned water body to the extent that the flowage rights owned by the state allow.

482-A:18 Procedure for Removal of Fill. If any person places fill in the bed of public waters or below the artificially-created high water level of public-owned water bodies except as provided in this subdivision, [he] ***such person*** shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person. Any person may be compelled to remove the same by the superior court upon a petition brought by the attorney general [at the request of the wetlands board].

49 Reference Changed. Amend RSA 482-A:20 to read as follows:

482-A:20 Costs for Hearing. The petitioner for a right to place fill in public waters shall make a deposit to the [wetlands board] ***department*** of $50 with each such petition. This payment shall be for expenses of publication, mailing and posting of notices by the [board] ***department*** and for the expenses of hiring a hearing site, if a hearing outside of Concord is necessary. If [said] ***the*** expenses amount to more than $50, the [board] ***department*** shall require the petitioner to pay the additional amount before it sends its recommendations to the governor and council with regard to the petition.

50 Reference Changed. Amend RSA 482-A:22-23 to read as follows:

482-A:22 Grant of Right. The governor and council, upon petition and upon the recommendation of the [wetlands board] ***department***, may, for just consideration, grant to an owner of a

shoreline on public waters the right to excavate, remove, or dredge any bank, flat, marsh, swamp or lake bed before [his] ***the owner's*** shoreline. Every petition to excavate or dredge said areas shall be filed with the [wetlands board] ***department***. The [board] ***department***, after 30 days' notice to abutters, the local governing body of the municipality in which the property is situate, and the department of health and human services shall hold a public hearing [at which a majority of the members of the wetlands board shall be present]. The notice shall also be posted in 2 public places in the municipality. Upon appropriate investigation the [board] ***department*** shall make its recommendations to the governor and council with regard to such petition. If the [board] ***department*** recommends that the petition be granted, in whole or in part, such recommendation shall include appropriate specifications and conditions necessary to the protection of public rights and to the protection of the rights and privileges of persons owning land in the vicinity of the area to be excavated or dredged by the petitioner.

482-A:23 Penalty. Any person who violates any provision of this subdivision shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person. Any person may be compelled to return said land to its original condition by the superior court upon a petition brought by the attorney general [at the request of the wetlands board].

51 Reference Changed. Amend RSA 482-A:25 to read as follows:

482-A:25 Hearing Costs. The petitioner shall make a deposit of $50 with each petition to pay for the expenses of publication, mailing, and posting of notices, and for the expenses of hiring a hearing site, if a hearing outside of Concord is necessary. If these expenses are more than $50, the [board] ***department*** shall require the petitioner to pay the additional expenses before it sends its recommendations to the governor and council with regard to the petition.

52 Reference Changed. Amend RSA 483-B:9, II(c) to read as follows:

(c) A water dependent structure, meaning one which is a dock, wharf, pier, breakwater, or other similar structure, or any part thereof, built over, on, or in the waters of the state, shall be constructed only as approved by the [wetlands board] ***department,*** pursuant to RSA 482-A.

53 Reference Changed. Amend RSA 483-B:9, V(a)(2)(E) to read as follows:

(E) Stumps and their root systems which are located within 50 feet of the reference line shall be left intact in the ground, unless removal is specifically approved by the [wetlands board] ***department,*** pursuant to RSA 482-A.

54 Contingency. If HB 1314 of the 1996 regular session becomes law, sections 34-53 of this act shall take effect 60 days after its passage, and section 1, 4-6, 8-11, 13-21, 23, 24 and 26-29 of this act shall not take effect. If HB 1314 does not become law, sections 1, 4-6, 8-11, 13-21, 23, 24 and 26-29 of this act shall take effect 60 days after its passage, and section 34-53 shall not take effect.

55 Effective Date.

I. Sections 34-53 and 1, 4-6, 8-11, 13-21, 23, 24 and 26-29 of this act shall take effect as provided in section 54 of this act.

II. The remainder of this act shall take effect 60 days after its passage.

Adopted.

HB 1633-FN-L, relative to solid waste management.

Amendment (6164L)

Amend the bill by replacing all after section 8 with the following:

9 Solid Waste Facility Permit; Local Requirements Not Affected. RSA 149-M:10, IV is repealed and reenacted to read as follows:

IV. The issuance of a facility permit by the department shall not affect any obligation to obtain local approvals required under all applicable, lawful local ordinances, codes, and regulations not inconsistent with this chapter. Local land use regulation of facility location shall be presumed lawful if administered in good faith, but such presumption shall not be conclusive.

10 Solid Waste Facility Permit; Local Requirements Not Affected; Recodified Version. Amend RSA 149-M:9, VII to read as follows:

VII. [A] ***The issuance of a facility*** permit [issued] by the [division for a facility] ***department*** shall not [eliminate the need to comply with] ***affect any obligation to obtain local approvals required under*** all ***applicable,*** lawful local ordinances, codes, and regulations [that are consistent with a district plan] ***not inconsistent with this chapter. Local land use regulation of facility location shall be presumed lawful if administered in good faith, but such presumption shall not be conclusive.***

11 Refuse Reduction. RSA 149-M:22 is repealed and reenacted to read as follows:

149-M:22 Refuse Reduction.

I. If the department finds that an emergency exists requiring immediate action to protect the public health, it may issue an order suspending all or any part of this section during such emergency.

II. No wet-cell batteries shall be disposed of in a solid waste landfill facility or composting facility or incinerator, whether in a waste-to-energy facility or otherwise.

III. No leaf or yard waste shall be disposed in a solid waste landfill or incinerator including any waste to energy facility. This paragraph shall not apply to municipalities organized under RSA 53-A, RSA 53-B, or 1986, 139, if application of the paragraph would cause the municipality to violate or incur penalties under legal obligations existing on January 1, 1993. Any person who violates this paragraph shall be subject to the penalties and enforcement provisions of RSA 149-M:12 and 12-a.

12 Refuse Reduction; Recodified Version. RSA 149-M:27 is repealed and reenacted to read as follows:

149-M:27 Refuse Reduction.

I. If the department finds that an emergency exists requiring immediate action to protect the public health, it may issue an order suspending all or any part of this section during such emergency.

II. No wet-cell batteries shall be disposed of in a solid waste landfill facility or composting facility or incinerator, whether in a waste-to-energy facility or otherwise.

III. No leaf or yard waste shall be disposed in a solid waste landfill or incinerator including any waste to energy facility. This paragraph shall not apply to municipalities organized under RSA 53-A, RSA 53-B, or 1986, 139, if application of the paragraph would cause the municipality to violate or incur penalties under legal obligations existing on January 1, 1993. Any person who violates this paragraph shall be subject to the penalties and enforcement provisions of RSA 149-M:15 and 16.

13 Contingency.

I. If HB 1314 becomes law, sections 9 and 11 of this act shall take effect July 1, 1996, at 12:01 a.m. If HB 1314 does not become law, sections 9 and 11 of this act shall not take effect.

II. If both HB 1314 and HB 1572-LOCAL become law, sections 2, 8, 10 and 12 of this act shall take effect at 12:01 a.m. on the effective date of HB 1572-LOCAL, and sections 4 and 6 of this act shall not take effect. If either or both HB 1314 and HB 1572-LOCAL do not become law, sections 10 and 12 of this act shall not take effect.

III. If HB 1572-LOCAL becomes law and HB 1314 does not become law, sections 2, 4, 6, and 8 of this act shall take effect at 12:01 a.m. on the effective date of HB 1572-LOCAL and sections 10 and 12 of this act shall not take effect.

14 Effective Date.

I. Sections 2, 4, 6, and 8-12 of this act shall take effect as provided in section 13.

II. The remainder of this act shall take effect upon its passage.

HOUSE JOURNAL No. 23

Thursday, June 13, 1996

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

His Excellency, Governor Stephen Merrill, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of patience and perspective, we pray that You will weave out of our decisions the kind of society where respect can flourish and where justice and compassion will become our most cherished values. In the weeks to come, refresh these Your servants with the rich opportunities for rest and renewal that summer provides. Strengthen and renew them as only You can, and enable us to work and relax in the quiet confidence that Your will for us is life, and that Your wisdom and energy are always nearer than we imagine, as much a part of our lives as the breath that flows through our bodies, and the beating of our hearts. Amen.

Rep. Healy led the Pledge of Allegiance.

Speaker Burns: It is with great pleasure that I announce to the House that today we celebrate Rep. Dan Healy's 50 years of service in the House. Dan is the longest serving member of either the House or the Senate in the State of New Hampshire. He is also the longest serving state representative in the United States of America.

SEATING OF SPECIAL GUESTS

New Hampshire Senators Clesson J. Blaisdell, John A. King, C. Jeanne Shaheen and Beverly T. Rodeschin, . The President of the Senate, Joseph L. Delahunty. Executive Councilors Peter J. Spaulding and Ruth L. Griffin. Former Democratic Leader, Mary P. Chambers. Former New

Hampshire Speakers of the House and Governors, Richard F. Upton, Hugh Gregg, Lane Dwinell, Stewart Lampry, Walter R. Peterson, Marshall W. Cobleigh, George B. Roberts, Jr., John B. Tucker and W. Douglas Scamman, Jr.

REMARKS

Speaker Burns: This is truly an historic day in the House and in our state. Today we pause to celebrate a milestone reached by one of our colleagues. Fifty years is a long time to serve in a citizen legislature. It is so long that no one ever before in New Hampshire has even come close. It means that Dan Healy was elected by the voters of his district 25 times, which is not an easy task. I might add that next to Dan I am the ranking member in the House as far as longevity goes and when Dan was first elected, I was not old enough to vote.

We are especially grateful to have such special guests who have served with Dan over these past 50 years join us today. Each one brings a special and unique piece of our state government's history to this celebration.

Rep. Trombly: Thank you Mr. Speaker. Members of the House and honored guests, I would like to remind those of you assembled that when the Speaker was elected to the House, I wasn't old enough to vote. It is with great pleasure and pride, Dan, that on behalf of the Democratic Caucus I rise to speak and say a few words today.

It is not important that Dan Healy served 50 years, although it is quite an honor and an accomplishment that few people will ever see. What is important, Dan, is that you served with all of us. It was important to me that when I became Leader, I remember a conversation you and I had down in the cafeteria when you talked about when you first came to the House — you spoke about Franklin Roosevelt and the Presidents who followed him, the Speakers under whom you served and the Democratic Leaders. You were equally effusive with your praise and your observations of everyone's deficiencies. But you were always a gentleman, Dan. You always knew from where you were coming. You were true to yourself, your constituents and your ideals. Not many people can do that. You come from a time where people gave their opinion and they stood by it. Your word was your bond. Coming to this legislature, as a very partisan young Democrat in 1979, I figured the Dean of the House, being in New Hampshire, would have to be a Republican. Much to my surprise, when I got here, I learned that it was Dan Healy from Manchester, a tried and true, loyal Democrat. Dan, on behalf of the Democrats in the Caucus and those with whom you have served, thank you very much.

INTRODUCTION OF SPECIAL GUESTS

(Deputy Speaker Stacey Cole Presiding)

Rep. Cole: Thank you Mr. Speaker. What a grand day this is. We are celebrating 50 years with my old and dear friend, Dan Healy. I first met Dan in 1965. When this tall gentleman from Manchester rose to speak to this House he did so, each time, with such sincerity and with such passion for the things he believed in. When I first met Dan Healy I said to myself that here was a man worth emulating. I have always admired Dan's forthrightness, his frankness and his common sense. He is a remarkable gentleman.

Joining us today are three former Governors and our sitting Governor and every living former Speaker and our present Speaker. Never in the entire history of our state have we had so many years represented by presiding officers on the floor of this house at the same time. These House Speakers have a combined total of 41 years of presiding over this House and they all have one thing in common — they all served with Dan Healy. Our special guests span 6 decades as either governors or speakers. We have one from the 1940's, one from the 1950's, two from the 1960's, two from the 1970's, two from the 1980's and one from the 1990's.

At this time I would like to say a few words about each of our guests. I must confess that the research was done by our genial Secretary of State, Bill Gardner, a long-time and very close friend of our honored guest.

House Speaker Richard F. Upton is a graduate of Philips Exeter, Dartmouth and the Harvard Law School. He is the author of the book Revolutionary New Hampshire. He was first elected to the House of Representatives in 1940, a mere 56 years ago. At the ripe old age of 34 he was elected Speaker of the House in 1949. He served one term as was the custom in those days. While

he was Speaker, he appointed Dan Healy to the Ways and Means Committee for the 1949 session. Dick instituted the very first freshman legislator orientation program. He is responsible for the modern-day presidential primary through legislation that he introduced so that voters can vote directly for the Presidential candidate of their choice. Dick Upton is the only person to be elected as president of two New Hampshire Constitutional Conventions in our 212 years under our state constitution.

Governor Hugh Gregg is not one to waste time. After Philips Exeter and Yale, he received his law degree from Harvard Law School. During World War II, he served as a special agent of the Army Counterintelligence Corps in North Africa and Asia and later in Korea. At age 32 he was elected Mayor of Nashua, having served as an alderman before that. Hugh played a vital role in the industrial revival of his home city. He was given national recognition for his efforts to bring Nashua back from its devastating loss of business and jobs. Look magazine featured the young Nashua mayor, giving him national exposure. They applauded him for his "yankee ingenuity that helped to save his city from becoming a possible ghost town". At age 35 Hugh Gregg was elected Governor, the youngest ever elected since the time that James Monroe was president over 30 years before the Civil War. Dan, you can't remember that far back. Hugh was even younger than Dan at that time and, strange enough, he still is. Hugh is the author of three books, A Tall State Revisited, The Candidates and The Birth of the Republican Party. Hugh is the only Governor of New Hampshire whose son, with a little help from his dad, been an Executive Councilor, a member of Congress, Governor and now is a United States Senator.

Speaker of the House, President of the Senate and Governor, Lane Dwinell has both undergraduate and graduate degrees from Dartmouth and is an avid historian. He was a freshman legislator in 1949. That was the year that Dick Upton was Speaker. Dick appointed Lane as the Chairman of the Ways and Means Committee and Dan Healy was appointed a member of the same committee. The following session, 1951, Lane was elected Speaker of the House. Committee chairman as a freshman legislator and House Speaker in his second term, but that was just the beginning. In 1953 Lane was elected to the State Senate and became its President. Two years later, in 1955, he was elected to his first of two terms as Governor of our state. It was in 1955 that the House first opened its sessions with the pledge of allegiance to the flag, a ceremony that continues to this day. Following his second term as Governor, Lane was appointed by President Dwight Eisenhower to be Under-Secretary of State. There have been many significant historic occasions in our State House. One of them took place 171 years ago when the Revolutionary War General, the Marquis De Lafayette, addressed the House on June 22, 1825. Governor Dwinell has a special connection to that event. No, he wasn't here at the time. He will only be 90 this fall. During the Lafayette visit the General was greeted by 200 Revolutionary War veterans who had gathered in Doric Hall, now known as the Hall of Flags. Following his address to the Legislature, the General attended a luncheon on the State House lawn. The next day an Elm tree was planted to mark the occasion. The Elm remained for 131 years. In 1956, after it had succumbed to Dutch Elm disease, Governor Dwinell had it taken down. However, as a remembrance, Lane had a lot of gavels made from the Lafayette Elm. Some are in use around the State to this day. Since our State Constitution was adopted, Lane Dwinell is the only person in New Hampshire to have successively served as House Speaker, Senate President and two terms as Governor. An outstanding accomplishment, indeed.

House Speaker and Senate President, Stewart Lamprey was elected to the House in 1950 at the age of 29. He served while Lane Dwinell was Speaker. He was elected Speaker in 1959 at the age of 37 and was re-elected in 1961 and 1963. Stewart was the first person in well over 100 years to be elected Speaker and re-elected twice. In 1965, Stewart was successful in his run for the Senate and was elected Senate President during his first term. He was re-elected Senate President in 1967 and 1969. His total of 11 years as a presiding officer, first over the House and then the Senate, makes him the only person in New Hampshire history to have accomplished this incredible record.

Speaker and Governor, Walter R. Peterson is a graduate of Dartmouth College and a four-term member of this House. He served as Speaker during his last two terms. In the fall of 1968 he was elected Governor during his second term as Speaker. Since the time the word "Gover-

nor" was put into our State Constitution in 1793, Walter Peterson has been the only person to be elected Governor while serving as Speaker of the House. After serving as Governor, he was elected President of the 1974 Constitutional Convention. I will personally add that he was the first Speaker that I served under in 1965. Walter, I remember those days fondly. Walter Peterson has served as President of Franklin Pierce College in Rindge and he is now concluding his post as acting President of the University of New Hampshire in Durham.

House Speaker Marshall W. Cobleigh succeeded Walter Peterson and served 10 years in the House. In 1969, at the age of 38, he was elected Speaker and served for two terms. The State motto, "Live Free or Die", was adopted during his tenure as Speaker. In 1971 on the occasion of the 50th anniversary of women being able to serve as House members Speaker Cobleigh was paid tribute by the then legislative historian, Leon Anderson. This is what Andy said. "The youthful House Speaker Marshall Cobleigh set an all-time record for feminine appointments to committee leaderships, for the 1971 Golden Anniversary session of women in the legislature. He named five to chairmanships and another five to committee vice-chairmanships - a display of confidence in feminine lawmakers unequalled by any previous Speaker." By the way, I had the privilege of sitting beside Marshall. I had seat 4-1 and he had seat 4-2. He was rarely there. He was downstairs in Appropriations because that committee seemed to meet every time we met and they were excused. Marshall was elected a member of three Constitutional Conventions. He later served in the executive branch of state government with Governor Mel Thomson and in the legislative branch of the federal government as legislative assistant to Congressman Bill Zeliff.

Speaker George B. Roberts, Jr. served seven terms in the House. In 1973 and 1974 he was the Majority Leader and was elected Speaker in 1975 at the age of 35. He served as Speaker for three terms. It was George's determination to preserve the Old Post Office that led to what we now know as the Legislative Office Building. Renovations were completed and the building was first used for legislative business while George was still Speaker. Like Stewart Lamprey, George was chosen by his legislative colleagues from all across the country to serve as President of the National Conference of State Legislators.

Speaker John B. Tucker was a House member for 16 years. For six of those years, from 1981 through 1986, he was Speaker. He was also elected to Constitutional Conventions, in 1964 and 1974. During his tenure as Speaker the constitution was amended to require annual sessions, changing our 100 years of having biennial sessions. It was his task to oversee the House changes necessary to implement annual sessions, most of which remain to this day.

House Speaker W. Douglas Scamman, Jr. succeeded John Tucker as Speaker. He served 22 years in the House being first elected in 1968 at the age of 26. He is the only House Speaker in our state's history to have had a father who also served as Speaker of the House. Like his father, Doug remained a dairy farmer throughout his years in the House. I am sure that is one reason why the House got through its business early, so he could go home and do his milking. When Doug became Speaker, he said that the House would set a record by finishing its legislative business in the month of May in the first year session. Very few people believe that was possible. One editorial writer promised he would buy him a free beer if it ever happened, knowing from past history that it would be impossible. The House did adjourn in May, but Doug is still waiting for that free beer. Doug was the first Speaker to recognize Dan Healy's longevity. He called on Dan to take the gavel and preside over this august body. Doug is the proud owner of one of the gavels made from the Lafayette Elm.

Our present Speaker is Harold Burns, the quiet man from Whitefield. A man who it has been my pleasure to serve with as his Deputy for the past three years and to serve with him as a member of the House prior to that time. A man who is as sincere a person as I have ever met. A legislator who believes in letting the legislature legislate. A man who has my deepest and highest regard and I know he has yours, Harold W. Burns.

The House of Representatives offered the following:

HOUSE RESOLUTION NO. 64

honoring Representative Daniel J. Healy of Manchester for his fifty years of service to the New Hampshire House of Representatives

WHEREAS, Representative Daniel J. Healy has a record of service to the State of New Hampshire that is unmatched by anyone in the history of the state, going back to the Revolutionary War, and

WHEREAS, Daniel J. Healy, who will celebrate his 88th birthday on Orangemen's Day, July 12, 1996, is an extraordinary gentleman and the esteemed Dean of the House, now therefore be it

RESOLVED, by the House of Representatives in its final session of the 1995-1996 biennium, that Daniel J. Healy be honored by his fellow House members for his half century of dedicated service, and be declared an honorary lifetime member of the House of Representatives, and be it further

RESOLVED, that a suitable copy of this Resolution be prepared for presentation to him.

Unanimously adopted by a rising vote.

GUEST REMARKS

Former Speaker W. Douglas Scamman, Jr. addressed the House.

Thank you Mr. Speaker, honored guests, Dan Healy and Governor Merrill. It certainly is a privilege for me to be here today and to say a few words for Dan. As a young man when I came here, I immediately took to Dan. He kept telling me what a great old man I had. He served under my father. Unfortunately, my father is not here today. I appreciated Dan for his longevity and the stands he took and his integrity when he served in this House. I have two brief things I want to mention. I am one of the proud owners of one of the gavels that Lane Dwinell had made. He gave it to my Dad who was Speaker at that time. This is used at the town and school meetings in Stratham. I appreciate having it. When my father passed on it was the one thing I wanted from the house. Lane Dwinell was my father's best friend in politics. It means a lot to all of our family. Secondly, I wanted to mention that when I did recognize Dan to preside over the House, he left his mark in more ways than one. When he was using the gavel to adopt bills he did not use the plank used to bang the gavel on. He banged on the podium right beside it. If you look very closely you will see three round dents. Those are Dan's marks for posterity. Dan, it has been a great pleasure knowing you and I look forward to seeing you in the future.

Former Speaker George B. Roberts, Jr. addressed the House.

Governor Merrill, Speaker Burns, Mr. Deputy Speaker, former Speakers and members of the House, Senate, Executive Council and friends. I would like to add one footnote. I followed Marshall Cobleigh's suit and appointed even more women and also the first woman Majority Whip, Ruth Griffin. I am proud of it. Daniel J. Healy, resident of Manchester, attorney, graduate of Georgetown University Law School, is a fellow I met the second day I was here. I had tried to do something the leadership felt you were not supposed to do in the first few weeks you were here. I made a speech on the floor of the House. I wasn't very good at it. I remember this towering man. He must have shrunk a bit, but he was so big in my eyes at the age of 24 or 25. He came over to me and said, "Now remember, after you speak and you win, go over to the person who lost their motion and shake their hand. That is the protocol." I kept that in mind. Quite often I was able to do that as Majority Leader with Minority Leaders Raiche and Spirou. But that reminds me to say something to his New Hampshire family. Dan Healy's strength as a member and the legacy he leaves this legislature is that he tried, in his own way, sometimes with irony and a bit of humor, to instruct the new and young members that courtesy and protocol is the lubricant of the machinery of politics. He said, "Don't forget. Call them "Honorable". It makes them feel good." I always remembered that. In short Dan, of all the great things I can say

about many of the things you have done which will not get mentioned or written down but will be in your memory and the memories of your friends. You were a good friend of Former Judge Capistran. We used to call him "Mutt" and you "Jeff" because of the size difference. I looked up in the dictionary again today what the word honorable means. I often wondered why we had used that term. After some discussion with people and some reading I found out that as we tried to emulate what they had done in England with the parliamentary system and make it into a legislative system, we knew we would be taking people from general walks of life. They would not be gentry. They would not necessarily be people of wealth. They would not be called "Your Worshipful" or "Right Worshipful" which was the tradition in England. They decided to use the word "honorable" and I looked it up. "In accordance with or characterized by principles of honor; upright; of high rank; dignity; determination; distinction; noble and distinguished in work; worthy of honor; high respect; high report; credible; bring honor or credit to themselves or other persons; used as a title of respect for certain ranking government officers." The custom in this nation is that once you have been honored as an elected or appointed official, it is the protocol to continue to call that person "Honorable" - in this case, the Honorable Daniel J. Healy. God be with you and the best of health.

Former Speaker and Governor Walter R. Peterson addressed the House.

Your Excellency, Governor Merrill, Mr. President, Mr. Speaker, distinguished former Governors and Speakers and all of you who are members of one of the great deliberative bodies of this country. I have always thought of myself as a creature of the House who had the high privilege to live and serve in a quieter and less partisan time, although we had our partisan fights as well. You learned by campaigning, too. One of the great opportunities I had was that I was privileged to run for the Speakership of the House. One of the great experiences along the way was to cement a friendship with the distinguished Deputy Speaker, Stacey Cole. I went into his barn and watched him milk the cows while I tried to solicit his vote. I think it helped. Stacey was one of my chairmen during that time. I think Dan Healy has been justly praised for his fine personal qualities and the quality of his service. They have been articulated well today. One of the thoughts and great remembrances of my service here in this body was of the friendships made on both sides of the aisle. You gained respect for the dedication that every House member brought to their service. They had respect for their jobs and the desire to do it just as well as they possible could. They felt deeply for their constituents and the issues that they raised. Those personal relationships were precious then and have become even more precious through the years. George Roberts mentioned Dan Healy and Armand Capistran. He referred to them as Mutt and Jeff, in relation to their stature. I got to know Dan Healy much the way that Doug did, as a fledgling representative. I was the beneficiary of his wise counsel and through him got to know Armand Capistran and to see the qualities that he represented. When I had the responsibility to appoint a Judge for the City of Manchester, I appointed Armand Capistran. I had the great privilege, just this last year, to go back to a retirement affair for Armand. I know that Armand and Dan were very close and Dan was at that affair. I was blessed with that encounter and to have his wise counsel which was so generously dispensed. These things embody the wonderful qualities of this House and the caring way in which we interact together. This transmitted to me the wisdom of the statement that today's opponent can be tomorrow's ally if you keep your personal relationships good and respectful for one another. That is my memory of a wonderful time in my life. I wish all of you well, but particularly Dan for his great service and the way he has personified that great tradition in this fine body. Thank you.

Former Speaker Richard F. Upton addressed the House.

Thank you Mr. Speaker, your Excellency, members of the Council and the honorable House and Senate. I think I am the oldest living Speaker. The subject I would like to address is a subject that I know is always coming up in this House. The subject is how to raise more money. I tried it. The results weren't so good but I learned something from it. I appointed Dan Healy to the Ways and Means Committee that year. The Chairman was Lane Dwinell. We decided that the budget had to be balanced and that we had to pass a broadbased tax. Except for the dissent of Rep. Healy, the report of the Ways and Means Committee was unanimous in favor of a one percent net income tax. It would have raised enough money to pay for the large appropriations of money for education, welfare and the state university that the House had adopted. The one

percent income tax was reported with one dissenting vote. I want to tell the House of a little known story that I have never told in public. I was on speaking terms with Mr. William Loeb at that time. He is now deceased. I hold him no ill will. He is an example of freedom of the press. I called him up and I was naive enough to think that I could persuade him, but I soon learned. I said that I would go to Manchester. He said that he would come to Concord. We met and I told him about the plan for the filing fee and the minimum tax. It was not graduated. You could not have a graduated tax. I told him about all the good things that would flow from it. He had Frank O'Neil and the publisher of the paper with him. He smiled and he said, "Richard, that sounds like a good plan but our newspaper will oppose it." When the matter came to a vote the only dissenting vote was that of Rep. Healy as was his privilege. I made an emotional or inflammatory speech and then we voted. On a division vote, his motion to substitute failed by one vote. On a roll call, and that is what counts, we lost by 17 votes. Don't laugh. That was the closest anybody, any administration, has ever come to passing a broadbased tax. The situation is not getting any better. Am I angry? Not really, just disappointed. I was told many times that if you want to get elected governor in this state that you had to take the pledge. I said to myself, quoting my motto, "to thine own self be true," I said to myself, "I would rather not have the office." That is just the way I feel. My father, who once tried to be governor himself, but didn't make it said, "Don't be too disappointed, Richard. The only good thing about being governor is that you can be called ex-governor." Dan Healy had an important part in the defeat of the legislation because he forced the first vote, the motion to substitute. If we had been able to take a vote before going through the preliminary debates we might have passed it by one vote. But like a lot of things, what might have been, alas. Thank you.

COMMERATIVE COMMUNICATION

June 12, 1996

Representative Daniel J. Healy

I regret that I am unable to join the host of friends and colleagues honoring you for your 50 years of service to the State of New Hampshire.

We first met more than 30 years ago in the political vineyards of Manchester working for our respective political parties, you in Ward 5 and I in Ward 2. It was as obvious to me then, as it is today, that you brought to your life's pursuits human qualities that we all cherish. Principal among them are integrity, sound judgment, common sense, and a keen sense of humor.

Congratulations and God bless.

Your friend,
David A. Brock, Chief Justice
New Hampshire Supreme Court

PRESENTATION AND UNVEILING OF PORTRAIT

Rep. Avery introduced Callum Grant who played the bagpipes.

The portrait was brought into the hall by the members of the House Judiciary and Family Law Committee.

Governor Stephen Merrill, House Speaker Harold W. Burns, Rep. Robert A. Lockwood and Rep. Richard E. Kennedy unveiled the portrait of Rep. Daniel J. Healy.

REMARKS

Governor Merrill addressed the House.

Rep. Healy, I want you to know that the Attorney General, Jeffrey Howard, is a Georgetown University Law School graduate. I am a Georgetown University Law School graduate so there are at least three of us in the room. It means a great deal to me on behalf of the people of this state, to join the Speaker and the Senate President and all these distinguished guests to honor you who has always represented the people of this state. Thank you.

Secretary of State, William M. Gardner addressed the House.

Thank you Mr. Deputy Speaker. Your Excellency, Mr. Senate President, Mr. Speaker, former Governors and Speakers, members of the Senate and the Executive Council and members of this House. This is a remarkable day because it demonstrates once again the values we share as the people of this state and the proud heritage of this institution as a citizen legislature. It is a moment

that presents a powerful and meaningful message. The gentleman whom we are honoring has never aspired to anything more than being an honest and conscientious legislator who always took this mike and said what he believed and then later did what he said. He was never a Speaker or a committee chairman or vice-chairman or even leader of the Democrats for that matter - but only he has been able to bring all of our special guests together across the political spectrum in this Hall to pay tribute to the son of an Irish cop who for 50 years has always remained a valley of humility, never succumbing to the mountains of ego and power.

This exceptional portrait made possible by so many of you - and this was strictly a House portrait - and by one House member in particular whose substantial donation made all the difference, does truly capture every detail of that valley of humility known to us as Dan Healy.

I am proud now to introduce the artist who painted this portrait for us. He is a New Hampshire native who grew up and lives in Nashua who until now has been more famous outside New Hampshire, but that is about to change. He is a former member of the State Council on the Arts and the recipient of two Individual Artists Grants from the state council. He is currently working on his fifth New York City exhibition. Some of his works are in the permanent collections of the Boston Museum of Fine Arts, the Art Institute of Chicago, the Portland Art Museum, and closer to home, the Currier Gallery, as well as in many corporate and private collections. We have had a few people who have seen this portrait over the last couple of days and almost everyone's first words who saw it were the same, "That certainly captures Dan. Who did it?" Jim Aponovich did it and he is here today with his wife Beth. He is the best we have in New Hampshire and we have asked him to say a few words.

James Aponovich addressed the House.

Thank you. Greetings, Dan, for the first time. The eminent and distinguished Boston painter, John Singer Sargent, once was asked to define portraiture. He thought for a while and he said, "A portrait is a picture of somebody with something just a little bit wrong with the mouth." When Bill Gardner asked me to paint the portrait of Dan Healy, he said, "You know, Jim, he has this particular Irish smile I kind of want you to get." Once he said that, I knew I had a long row to hoe. During my research and in looking through Dan's files, I found a very well loved and distinguished gentleman. I couldn't meet him because this was covert. It was to be a surprise. In the photos I found of him, his body gestures, his face, his ears, I found a wonderful character. He should be on a mountain here in New Hampshire. We could replace the Old Man with him. For me it was a great experience. I would be remiss if I didn't thank you, all the elected officials, the House, the Senate, the Executive Council and Governors, for your support for the arts. We have a wonderful state here and a wonderful creative body. I urge you to continue this support and hopefully in the future we can see the arts become even more prosperous in this state. Thank you.

Rep. Daniel J. Healy addressed the House.

Thank you all. You have been so kind. I don't think I deserve this, because there are so many fine people who represented the state of New Hampshire over the years. However, I am honored to accept it. I would like to add one or two remarks. Few men in their life times are privileged to come before the people of New Hampshire and find such intelligent voters. There are so many here that deserve honor more than I. I am in senior in time, but what does that mean? I can recall the days I walked down this particular aisle over here, in the Constitutional Convention. George Moses was President of that Convention. That was a long time ago. When you got in here and you walked down the aisle you found out that you knew less than you thought you knew. You found out that you knew very little, indeed. Because we had parliamentarians here that would take your shirt and everything else if you let them. So you had to know something about the rules. I could cite, but I don't want to bore you, time after time, when somebody who did not read the rule book was flabbergasted that the Speaker would call you to order and tell you to go sit down. But that is not half as bad as what they do over in England when you see that woman over there and she says, "Let there be order in the House" and there was order in the House. That was all you had to do over there. I am at a loss for words to tell you how much I appreciate this. I could harangue you and tell you stories of different instances here in the House. There is one thing I want to impress on all of you today and that is that the citizens of this state are very fortunate indeed. When you look around you and you look at other states

and you see what is happening, far be it from me to belittle them, but I think we have the grandest state in the Union. I don't want to polish the apple too much. It is a pleasure that few people get to spend so long and so many years before the citizens of the state of New Hampshire. I hope I have their respect. I don't say I was always right. But I called them as I saw them. I look at these gentlemen behind me and there isn't anything they don't know about the rules and parliamentary procedure. Right behind me is the Speaker. Where is he? There he is. He was hiding, too. It was a pleasure to have served with him. There is the Governor. He is probably saying that he hopes I am not too long-winded and will sit down soon, but I'm not going to. I'm going to say one or two more things. If you compare this state to any state in the Union you will find that we are lucky, indeed. There are stories here galore, all these Speakers here could tell you dozens of them, more than I could tell you. I don't know why the Governor is not running anymore. He wants to do something to get rich, I guess, something more practical. I don't blame him. There is Stacey Cole up there. He is a nice guy. When he speaks it is very profound. Stacey and I have had good relations for many years. I am very proud and happy that I have been a member of this state legislature when he was here. For you newcomers, you are going to get the pleasure of your life. But, you have to have rules. Remember that, you have to have rules. If you know the rules you can get along pretty well. I've said enough. I say again that I am so thankful. I don't believe it and I don't think I deserve it. I know that I don't. But I am happy and thankful to all of you. You are nice people to have honored me so. Thank you.

RECESS

(Speaker Burns in the Chair)

GOVERNOR'S VETO MESSAGE ON HOUSE BILL 1220

May 15, 1996

I have given the revised Goals 2000 legislation considerable deliberation, however I hereby veto this bill. House Bill 1220 requires the State to apply for and spend money from the Goals 2000 federal program. This legislation places the State of New Hampshire into a partnership with the federal government which I believe could change New Hampshire's long-standing, effective local control over education.

Neither the Governor or the General Court are authorized to accept participation in the Goals 2000 program. The State Board of Education, a citizen board comprised of volunteers, is the State Educational Agency authorized under the Goals 2000 legislation to accept or decline funding. HB 1220 would effectively override the Board's authority to discuss, debate and eventually vote on whether our State should become involved with this federal program. I believe that if the Board determines that there are no criteria, standards, conditions or mandates imposed by the federal government that it will apply for participation in Goals 2000. I would encourage the Board to do so. On the other hand, the Board should not be driven to such a decision by the dictates of the National Education Association or other special interests who argue that we should accept the money whether there are strings attached or not.

As created under the Bush administration, America 2000 was designed as a block grant with funding to be provided directly to the states to spend on their educational improvement programs as they saw fit. The current federal law, however, has changed that formula and contains restrictions and requirements that permit Washington to make decisions best left to the states and localities. A true block grant could be achieved on one page. The current Goals 2000 plan is 160 pages in length and represents bureaucratic, rather than parental, priorities.

Let me reiterate, if a true block grant existed in the Goals 2000 program that permitted states to spend the money as they determined that money should be spent for academic achievement and the educational excellence of our students, I would recommend that the State Board of Education apply for the money. To date, this is simply not the case.

Last year I was told that no strings were attached to Goals 2000 and I should endorse the program. Now, the proponents claim that changes made in Washington have eliminated the strings that I was ridiculed for being concerned with in the first place. Those changes made are positive, but inadequate to assure local control. They include elimination of the national school board, elimination of opportunity-to-learn standards, and elimination of detailed requirements for the composition and operation of statewide Goals 2000 panels. These examples of obvious strings

were eliminated only after a groundswell of public dissent and dissatisfaction. I have always hoped such changes would be made in the Goals 2000 legislation as the public became more aware of the intrusive nature of the federal program.

Goals 2000 still requires the State to develop strategies that "increase the access of all students to social services, health care, nutrition-related services and child care services and locating such services in schools, cooperating service agencies, community-based centers, or other convenient sites designed to provide one-stop shopping for parents and students." Section 306 (f) (2). This is a federal guideline instructing our State on something that New Hampshire is more than capable of administering without federal intervention. First and foremost, our schools should be centers for academic achievement and development of citizenship and character, rather than one-stop shopping centers for social services.

In addition, Goals 2000 requires local educational agencies to "describe how the local educational agency will implement specific programs aimed at ensuring improvements in school readiness and the ability of students to learn effectively at all grade levels by identifying the most pressing needs facing students and their families with regard to social services, health care, nutrition, and child care and entering into partnerships with public and private non-profit agencies to increase the access of students and families to coordinated non-sectarian services in a school setting or at a nearby site." Section 309 3 (a)(3)(F). Once again, the concern is not with improving education but rather a federal effort to supersede both local control and the role of parents in the education of their children.

I recently announced a New Hampshire partnership between local school boards and private business to permit each New Hampshire public school student computer access to the Internet. We are the first State to do so. Our business community will work directly with local school boards and will donate expertise, equipment and time to this project. This is the type of State and local effort that makes our education system in New Hampshire among the best. And our results are achieved without mandates, burdensome rules, or dictates.

The NEA and the special interests are willing to overlook local control for Goals 2000 funding that equals $1.00 per citizen per year. I am not. When the State Board assures me that the Goals 2000 program can be initiated here without interfering with our ability to allocate educational priorities and spending our resources on those priorities, I will urge the Board to apply. Until a block grant exists and I receive that assurance from the Board, I cannot direct them to apply anyway.

Stephen Merrill, Governor

The question being, notwithstanding the Governor's veto, shall **HB 1220**, providing that the state shall apply for and utilize moneys from the Goals 2000 - Educate America Act, pass.

Rep. Hutchinson spoke against.

Reps. Jacobson and Manning spoke in favor.

Rep. Larson spoke in favor and yielded to questions.

As required by the State Constitution, a roll call was taken.

GOVERNOR'S VETO MESSAGE ON HOUSE BILL 1525

May 15, 1996

I have vetoed HB 1525, a bill that trial lawyers have requested to expand money damages and increase jury verdicts against individuals and companies. This bill creates yet another way to recover money as the result of a lawsuit. At a time when there is public concern over frivolous lawsuits, excessive jury awards, and the threat of extinction faced by families and small businesses at the hands of litigation, I cannot permit New Hampshire to expand the grounds for recovery in lawsuits.

This bill permits recovery for "comfort, society and companionship," in wrongful death cases. It does not establish any limit on the amount of money a surviving spouse could recover. Under New Hampshire law, the estate in a wrongful death action can already recover for the loss of the deceased in a number of ways. This bill provides one more.

A culpable party should be responsible for compensating the victim for harm. In fact, that is New Hampshire law and the culpable party is responsible for paying the estate the amounts required to compensate for the loss. This bill permits the surviving spouse to recover for indirect harm that is not a direct result of the culpable party's negligence. The continuous effort to expand plaintiffs' recoveries undermines the confidence that our citizens should have in our legal system.

New Hampshire law already permits money to be recovered in wrongful death cases for mental and physical pain suffered by the deceased, expenses incurred by the estate as a result of the injury, expenses for losses during the probable duration of life, and for the loss of the capacity to earn money during the deceased's working life. The surviving spouse in such cases receives most, if not all, of the money damages awarded in these lawsuits.

In an era when someone can sue McDonald's for making its hot coffee too hot and recover millions in damages, it is time for serious legal fee reform—for the good of the economy, for the good of our State, and for the good of our country. The General Court has taken reasonable steps to halt the rise of lawsuits and their effect on our society. We cannot take a step backward today.

Stephen Merrill, Governor

The question being, notwithstanding the Governor's veto, shall **HB 1525**, relative to damages in suits brought by administrators of an estate, pass.

Rep. Daniels spoke against.

Rep. Hart spoke in favor.

Rep. Mittelman spoke against and yielded to questions.

RESOLUTION

Its introduction having been approved by the Rules Committee:

Reps. David Scanlan and Trombly offer the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Resolution numbered 63, shall be by this resolution read a first and second time by the therein listed title.

INTRODUCTION OF HR

First and second reading

HR 63, amending the house rules of the 1996 legislative session. (D. Scanlan, Graf 11; Trombly, Merr 4)

Adopted.

HOUSE RESOLUTION NO. 63

amending the house rules of the 1996 legislative session.

Resolved by the House of Representatives:

That the following amendment to the House Rules of the 1996 legislative session be adopted:

Amend Rule 65 by inserting after the June 6, 1996 entry the following:

July 1, 1996, Monday	First day to file LSRs, with complete information, for incumbents and state agencies.
September 16, 1996, Monday	Application of 10-day sign-off deadline (HR 38(b)) begins.
November 1, 1996, Friday	Final day to file, with complete information, all bill drafting requests resulting from 1996 interim study work. Final day to file with the clerk of the house all reports on bills sent to interim study in 1996.
November 6, 1996, Wednesday	First day for new members to file LSRs, with complete information.
December 4, 1996, Wednesday	Organization day. The last day for all members to file LSRs, with complete information will be determined on organization day, and could be as early as December 6.

Reps. Scanlan and Trombly spoke in favor.

Adopted and ordered to third reading.

REMARKS

Rep. Buckley moved that the remarks made by Rep. David Scanlan and Rep. Trombly regarding **HR 63**, amending the house rules of the 1996 legislative session, be printed in the Journal.

Adopted.

Rep. David Scanlan: Thank you Mr. Speaker and members of the House. This is one of the final procedural things we have to do relative to our rules this session. We have to set in place dates by which incumbent members can file for the next year pending their re-election and new member candidates, after their primary, being able to do the same thing. The schedule stops at December 4th which is Organizational Day. At that time, when the new legislature is elected they will implement temporary rules until they can get organized and put in place the calendar for the next session. I will point out that there is a little notation on that date in your Calendar, December 4th, that says that the last day for all members to file LSRs, with complete information, date will be determined on organization day. It could be as early as December 6th. The reason that that is put in there is that the Calendar pretty much mirrors what was in place two years ago for this legislature when they were getting started. Naturally, on organization day that date can be adjusted. The important thing to know, is that on July 1st, incumbent members can begin to file bills and they can do so right through the summer and into the fall. I would hope that you would adopt these rules so we have a guide to follow in the upcoming months and we can put into place the new rules starting with Organization Day for the next session.

Rep. Trombly: Thank you Mr. Speaker and members of the House. I rise in support of the resolution. I want to state to the membership that at the time the Rules Committee met, there

was an agreement between the Rules Committee members and the powers-that-be relative to the signing of legislation by co-sponsors. In the past, some people had problems getting legislation being sent to themselves and the co-sponsors as it was redrafted and it led to a certain amount of confusion. While it is not in the resolution before you, the Rules Committee has agreed and the procedure will be that your co-sponsors will be able to sign off on your legislation up to the time it is printed. So you will be able to do your redrafts, etc. and you will have time to get co-sponsors for your legislation, which I think is a tremendous improvement to the process, both financially and for the membership's time. I urge you to vote in support of the resolution. Thank you.

MOTION TO DISPOSE OF OUTSTANDING BILLS

Reps. David Scanlan and Trombly moved that the following bills and any other bills not acted on this day, with the exception of those sent to the Supreme Court for an Opinion of the Justices, shall be indefinitely postponed in accordance with Joint Rule 23-b.

HB 280, establishing a study committee to examine the issue of defining "psychological abuse" as applied by the courts in cases involving children.

HB 445, making state law consistent with federal law with regard to holders of concealed weapons licenses.

HB 586, suspending the salary and benefits of any judge suspended by the supreme court for misconduct.

HB 1190, relative to municipal fines for false fire alarms on university system of New Hampshire campuses.

HB 1207, relative to coinsurance payments for covered services.

HB 1332, requiring financial institutions to display certain information on fees, charges, and available products in their lobbies.

HB 1433, requiring voter approval of a referendum question pertaining to the proposed Manchester civic center prior to the center's public funding.

HB 1483, relative to lobbyist registration.

HB 1547, relative to discovery in criminal cases.

HB 1582, authorizing the department of environmental services to issue permits in emergency situations on behalf of the wetlands board, expanding the exemptions for excavating and dredging permits, and establishing a notification process for the replacement and repair of existing legal structures.

HB 1625, granting fundraising authority to the commission on governmental reorganization.

HB 1626, relative to the procedure for microfilming records in the state archives.

HCR 24, ratifying the proposed amendment to the Constitution of the United States prohibiting the physical desecration of the flag of the United States.

SB 566, requiring transporters of hazardous material to maintain transportation liability insurance coverage.

Adopted.

CLERK'S NOTE

On May 9, 1995 the House requested an Opinion of the Justices on **HB 586**. The Opinion was returned on October 18, 1995. No action was taken on this bill in the 1996 session. The House on June 13, via the above motion, took the appropriate final action.

CLERK'S NOTE

On May 16, 1996 the Senate did not include **SB 566** in the motion to dispose of outstanding bills. The House on June 13, via the above motion, took the appropriate final action.
